Ohio's Last Narrow-Gauge Railway

Amusement parks around Woodsfield, Ohio, will probably do more business now that this railroad is being torn down. When natives wished a thrill they rode from Woodsfield to Bellar on old trusty and wobbly, Ohio's last narrow-gauge railway, running 42 miles and known as world's most crooked railway.

Excellent Home Economics and Manual Work Depicted in School Yesterday Afternoon

Many Present

Prizes Distributed to Deserving Pupils—Tea and Sale and Other Features

Booth Memorial School was the mecca yesterday afternoon for many mothers, quite a few fathers and other persons as well when the annual display of the manual training and home economics departments was staged in addition to which there was a Parent-Teachers' Association tea, sale of candy made by the girls in class, dress parade and program.

The program, which was offered in the auditorium of the school, started with opening remarks by Eric Gee, instructor of the manual training department, followed by a sewing machine demonstration by the girls of Grade 6 and an apron parade by the girls of the same grade. A dress parade by girls of Grades 7, 8, 9 and 10 was next. Musical selections included vocal solos by Dorothy Fraser and Betty Wood, accordion selections by Julius Welle and readings by Adelia Thurber. The distribution of prizes to winning students was then conducted by Mrs. Robert Blance, president of the Parent Teachers' Association, after which the following girls spoke, describing the work in their grades: Grade 6, Betty Wood; Grade 7, Aileen Calbreath; Grade 8, Isabel Sinclair; Grade 9, Margaret Stalker; Grade 10, Catherine Mussalliem. The following were the prize-winners:

Home Economics

- Grade 6, best apron, 1, Muriel Johnstone; 2, Annie Stengel.
Grade 7, best pyjamas, 1, Ingrid Morse; 2, Aileen Calbreath.
Grade 8, best dress, 1, Isabel Sinclair; 2, Kazu Nishio; best dining room article, Betty Cameron.
Grade 9, best dress, 1, Lucille Brooksbank; 2, Velma Walters.
Grade 10, best dress, 1, Betty Eastman; 2, Charlotte Edwards.
Grade 9 and 10, best article for the home, 1, Eileen Green; 2, Margaret Stalker.

Manual Training

- Grade 6, 1, Ingrid Wick; 2, Martin Erickson.
Grade 7, 1, Darrow Gomez; 2, Stanley Veitch.
Grade 8, 1, Louis Cromp; 2, Cyril Ross.
Grade 9, 1, Edwin Lindseth.
Grade 10, 1, Clifford Bartlett; 2, Ronald Allen; 3, Tom Johnstone.

In the course of the afternoon the home economics and manual training quarters were visited by those present and loud were the praises of the excellent displays that were on view in the various lines of work, all of which was most agreeably surprising to many.

Numerous compliments were paid to Miss E. Roe, in charge of the home economics department, and her assistant, Miss E. White, and to Eric Gee, who is in charge of the manual training department. Miss E. A. Mercer, principal of Booth Memorial School, and other members of the teaching staffs of the city assisted in receiving the guests.

Bridge Swept Off Submarine Nautilus and Two Men Go In Water

QUEENSLAND, June 19:—There was near tragedy aboard the submarine Nautilus yesterday. The bridge was swept off Sir Hubert Wilkins' polar-bound undersea craft and a quartermaster and engineer were thrown into the rough waters of the ocean. They were rescued.

BENEFITS OF OUTLET

Peace River Block News of Rolla Suggests What Road to Coast Would Develop

Says the Peace River Block News, Rolla: "Do you know what a railway to the west of the Peace River Block would develop? Lead and zinc, in great quantities in the Great Slave district. Pitchblend and coal and rich formations of Keekatin Rock in the Great Bear Lake district. At least fourteen billion tons of copper ore, near Coronation Gulf. Anthracite coal in the Hudson Hope district. Huge timber limits at various points, besides opening up immense waterways, which have other rich resources adjacent to them.

Do you suppose if Ontario or any of the eastern provinces were possessed of these, they would calmly await the convenience of the railways or government to build 400 odd miles of railway to make access possible?"

PLAN IS ADOPTED

Victoria Conference Approves Proposal Advanced By City of Prince George

VICTORIA, June 19:—Construction of a Pacific outlet for the Peace River country was proposed as a means of meeting unemployment in British Columbia in a big way and of opening up the country when municipalities of the province met the provincial government and Senator Robertson, federal minister of labor, here a few days ago.

This plan was advanced by Mayor Patterson of Prince George, whose proposal was the most constructive and definite laid before the meeting.

The discussion, lasting all morning, showed clearly that the municipal governments of the province favor some definite program of work of this sort, rather than haphazard relief to unemployed.

The federal and provincial governments, it was urged, must carry a larger share of the jobless.

Portland Chamber Of Commerce Party Is Due Next Week

One hundred and twenty-five members of the Portland Chamber of Commerce, on a cruise to Alaska waters, will be here on Friday of next week aboard the steamer Princess Charlotte bound for Skagway. The steamer Princess Norah will make a special trip from Vancouver to Portland to pick the party up and deliver it to the Princess Charlotte.

YOUNG MAN IS BURIED

Requiem Mass Celebrated This Morning For John Chenoski, Victim of Accident

Requiem mass for the repose of the soul of John Chenoski, well known young man of this city, who lost his life in a logging camp accident down the coast on Tuesday, was celebrated this morning at the Church of the Annunciation by Rev. Father Charles Webb O. M. I. There was a large congregation consisting of mourning relatives and friends of the deceased.

Charles P. Balagno presided at the organ and Gillis Couture sang as a vocal solo "Nearer My God to Thee."

After the service interment was made in Fairview Cemetery. Friends of the family acted as pallbearers. They were: John Saldouk, M. Noger, M. Holowitz, N. Bidokka, J. Harowsky and R. Michalof.

Those sending flowers were: Mr. and Mrs. N. Gurvich and family, Mr. and Mrs. L. Pustak, Miss Minnie Sullivan, Mr. and Mrs. Pawchuk and family, Nick Bidotcha, the family, Stewards and officers of the S. S. Prince Charles, Mr. and Mrs. B. J. Bacon and Mr. and Mrs. Michaloff, Mr. and Mrs. Zygmit.

M'EWEN TO BE AGENT

Freight Man Will Take Over Passenger Department For the Division

Effective July 1, H. McEwen will assume the duties of division freight and passenger agent at Prince Rupert, undertaking the work carried out hitherto by R. F. McNaughton as well as those of his own department.

Mr. McEwen has for a number of years been division freight agent and the change will be simply an extension of Mr. McEwen's duties.

OFFICERS LEAVING

Commandant and Mrs. Kerr and Capt. Warren to Farewell Prince Rupert

Commandant and Mrs. William Kerr, who have been in charge of Salvation Army work here for the past three years, and Capt. E. Warren, who has been their assistant, this morning received notice that they would be farewelling Prince Rupert a week from next Sunday. Commandant Kerr is not certain yet as to where his next station will be although he expects it will be somewhere in Southern British Columbia or on Vancouver Island.

There will be much regret at the departure of Commandant Kerr from Prince Rupert. He has seen service in the north for about twenty years, having been stationed here as an assistant in the early days followed by many years as divisional financial officer and then again here as commandant. Mrs. Kerr and Capt. Warren will also be missed. Announcement as to successors has not yet been received. Adjutant Fletcher and Capt. Norman will also be farewelling in Prince George, it is learned here.

CARD OF THANKS

Mr and Mrs. W. Chenoski and family desire to thank their many friends for the kind expressions of sympathy and floral tributes given in their recent bereavement.

CONCERT BY BOYS' BAND

Entertainment in Moose Hall Last Night Was Much Enjoyed By All Present

There were nearly one hundred persons present at the Moose Hall last night on the occasion of the annual concert of the Prince Rupert Boys' Band. A wide repertoire of selections by the band as well as numbers by assisting artists were all much enjoyed. The band demonstrated that it is making continued progress under the able leadership and direction of Bandmaster Thos. Wilson.

N. Mussalliem was in the chair. Assisting artists were Miss Cathie Eastman, J. W. Plommer, Miss Betty Wood, A. R. Hunter, Joseph Cook and Sam Elyotte, with vocal solos; Miss Connie Morgan, dancing; H. Seuselund, violin solos; Miss Beryl Birch, recitations; Mrs. H. Hodgson and Miss Nan Craig, dancing; Mike Colussi, piano solos; Miss Adelia Thurber, recitations, and Misses Gomez and Lamb, duets. Mrs. J. S. Black was accompanist for the evening.

TAKE FISH FROM HERE

Action Here Tuesday Night May Merely Mean Diversion of Halibut Landings

KETCHIKAN, June 19:—Following the incident at Prince Rupert on Tuesday night when the American schooner Estep was prevented from landing a catch of halibut, advice is being given locally to the American fleet to unload fish either at Ketchikan or Seattle.

By following either course, the fish reaches the American market just the same as it would by going to Prince Rupert. If landed in Ketchikan, it will be merely transferred from here by boat to Prince Rupert for rail shipment.

BOLD FORWARD POLICY

Premier Tolmie is to be congratulated on promulgating a bold forward policy designed particularly to meet the present industrial situation. It is a lead which Premier Bennett will do well to follow.

Prince Rupert people will be particularly interested in the policy as briefly outlined in a dispatch from Victoria yesterday. In the first place it includes more expeditious work on the main highway connecting Prince Rupert and the interior farming country. That in itself is a big thing and if carried out, as intimated, will mean great things for the northern and central portions of British Columbia.

The other important feature of the announcement is the public recognition by inference of the fact that the two big railways are not at present interested in the P. G. E. but that they contemplate building to a point on the Canadian National rather than into Vancouver.

The offer of Premier Tolmie to complete the P. G. E. to Prince George, thus giving connection with Vancouver, may possibly be for the purpose of inducing the building of the joint line to Prince George rather than to a point farther west. At any rate it is the most important official statement made of recent years in that it recognizes publicly the position taken by the two big railways.

WHAT COUNTRY NEEDS

What the country needs today is statesmen who will grapple with the present problems fearlessly. Undoubtedly, we are at a crisis in the affairs of the country and this crisis must be met. A big program of highway construction would be one of the best means of meeting the situation and Premier Tolmie has set out to do it provided he gets the backing of the federal government.

As the federal leader has intimated that his policy would be to give aid to highways we do not see how he can refuse to co-operate at this juncture. The main highways must be built and nothing would better aid in the development of the country than their construction.

If the Bennett Government secures at once the commencement of work on the western outlet of the Peace and the other work suggested proceeds this year, there should be very little unemployment during the coming winter. Already there is said to be considerable improvement in the east but the west is suffering and a bold statesman-like policy would very soon set matters right.

District News

TERRACE

Mrs. E. J. Moore returned on Wednesday after a few weeks stay in Vancouver where she attended the conference of the United Church and visited with her two daughters.

Mr. and Mrs. W. Ungerer arrived home on Wednesday after attending the conventions of the I.O.O.F. and the Rebekahs respectively in Vancouver.

Mrs. D. A. McKinnon and Mrs. E. T. Kerney, who were local representatives of the Terrace Rebekah Lodge at the Vancouver convention, were among the passengers who arrived home on Wednesday's train.

Mrs. R. B. Wallace was seized with a sudden illness last week-end and Dr. Mills rendered urgent attention. Mrs. Mills is improving daily now but it may be a few weeks before she is able to be about again.

Sickness of a severe type has overtaken Mrs. C. Cauthers (nee Babs Wilkinson) and she is under the care of Dr. Mills. She is being nursed by her mother, Mrs. Wilkinson.

NEW HAZELTON

The Hazelton baseball team journeyed to Smithers last Friday afternoon and played a return game there that evening. Smithers won the game by a score of 13 to nil.

The Hazelton Golf Club has been organized and a course is being established at Mission Point. Officers of the club are as follows: president, W. A. Gow; vice-president, Dr. H. C. Wrinch; secretary-treasurer, Cooper H. Wrinch; finance and membership committee—Mrs. W. W. Anderson, Mrs. A. D. Chappell, A. S. Irvin and A. D. Chappell; work and greens committee, T. B. Campbell, James Turnbull, W. W. Anderson and W. A. Gow.

Hon. William Atkinson, minister of agriculture, paid a visit to this district at the end of last week and the first of this week in the course of a tour of this part of the province.

SMITHERS

The financial statement for the month of May, considered by the directors of the Smithers Hospital at a meeting Monday evening, showed a deficit of almost \$200 on the month's operations. A new hospital building is still being considered.

S. H. Hoskins, government agent here for years, is being transferred to Anyox in a similar capacity and will be leaving soon to assume his new duties at the smelter town. His successor here is H. B. Campbell, formerly at Anyox and more recently at Kelowna.

Local anglers have been having good success in Lake Kathlyn. None of the Kamloops trout, with which the lake was stocked some time ago, have been taken but cut-throats are biting freely. A new shipment of Kamloops trout fry arrived at the lake this week.

Mrs. C. H. Hankinson and family are expected next month from Prince Rupert and will spend the summer in their summer home at Lake Kathlyn.

With the long dry spell previous to recent rains, cutworms have made disastrous inroads on many district farms and root crops have been seriously affected. Meantime, showers of the past week have been greatly benefitting crops.

A lodge of the Ladies of the Royal Purple has been organized in Smithers with officers as follows: Honored Royal Lady, Mrs. Dines; Associate Royal Lady, Mrs. Turner; Loyal Lady, Mrs. Bamford; Lecturing Lady, Mrs. Doodson; Secretary, Mrs. Agnew; Treasurer, Mrs. Noel; Chaplain, Mrs. Brummitt; Conductress, Mrs. LaFleur; Inner Guard, Mrs. Morris; Outer Guard, Mrs. Dawson; Trustees, Mrs. Gazeley, Mrs. Arnold and Mrs. Benson.

BERRIES AND TURNIPS

Editor, Daily News—

I have read in your valuable paper about turnips that today, they are imported and that they are not as good as the turnips of the interior. Now, if the interior farmers

would ship some to Prince Rupert, they would go on the bargain sale, and then when they were sold, the imported ones would be sold again at a higher price. Although there is a duty on fruit and garden stuff, it seems, the merchants like to sell imported goods.

How about strawberries? They last only a short time. Nobody would die, if they had to wait a few weeks longer for them. But Prince

Rupert merchants sold imported strawberries a few weeks ago and sold them at a price they never sell our fresh berries. In another week our strawberries will go on the Prince Rupert market. Now, would the people of Prince Rupert not get a bargain if our fresh strawberries would be sold at the same price as the imported ones, as they had a would die, if they had to wait a few weeks longer for them. But Prince

are the Prince Rupert people already fed up with strawberries? They will not get much more, as there are not as many to be shipped as there was talked about. A frost first of the month killed almost half the crop.

VICTOR "Superette"

in everything but size and price . . .

\$89.50
Complete with Tubes

Yes, it's really a big radio! An eight-tube Super-Heterodyne. Big in performance, big in tone, big in value, and bigger than all in the surprise such a radio at such a price will create . . . the Victor "Superette"!

We believe that everything about it will amaze you. That's why we want you to expect "big radio" performance from this beautiful, compact model. For, really, it is small only in size and price . . . great in selectivity, sensitivity and musical perfection.

Imagine it! Only \$89.50 for radio's outstanding circuit, the Super-Heterodyne. Such unheard-of value is made possible only through Canadian production and Victor's vast scientific and engineering resources.

The "Superette" is a veritable giant of modern development condensed. Advanced super-heterodyne circuit . . . super-control tubes combined with screen-grid . . . electro-dynamic speaker . . . tone-color control . . . push-pull amplification . . . noiseless operation and acoustically correct cabinets — all engineered to maximum efficiency.

Hear it. Compare its value. Your Victor dealer will deliver the "Superette" to your home today — on easy terms.

PHILLIES CATCH UP

Tied With Pirates For Sixth Place in National League

PHILADELPHIA, June 19.—The Phillies moved into a tie with Pittsburgh Pirates for sixth place in the National League yesterday. The Phillies defeated the Cincinnati Reds while the Pirates dropped a decision to the New York Giants. St. Louis Cardinals defeated Boston Braves and Chicago Cubs split a double-header with the Brooklyn Robins, so there were no other changes in the standings:

Yesterday's scores:
National League
Pittsburg 1, New York 3.
Chicago 5-8, Brooklyn 7-0.
Cincinnati 4, Philadelphia 5.
St. Louis 5, Boston 4.
No American League games scheduled.

NEEL IS WINNER

Former Local Boy Scores Another Local Victory at Port Townsend, Wash.

In a recent bout in Port Townsend, Wash., Frankie Neel, formerly of Prince Rupert and now of Victoria, billed as "Victoria's little masher boxer," scored a clear-cut decision over Sailor Jack Smith of Port Townsend in a four-round bout. The Port Townsend newspaper said that "Neel put up a clever exhibition, outboxing his opponent all the way. On the same card, Danny Pastree, who fought Billy Bagshaw of Prince Rupert in Victoria a short time ago, lost a four-round decision to Johnny Del Guzzi of Port Townsend.

Neel this week is heading a card at Squim, Wash., with Tommy O'Connell. He is confident of trimming O'Connell again as he has done once already.

Off for Vacation

Take The DAILY NEWS with you When Going on Summer Holidays

Nearly everybody likes to keep in touch with Prince Rupert when away for their holidays. The best way to do this is to order the paper sent during that time. If it is only for two weeks, the News is a welcome visitor and the mails during the summer months are carried almost daily to most points.

Recently a number of Scandinavians have given up the local fishing for the summer and gone on an extended visit to their former homes. In almost every case they order the Daily News sent them while they are away. Several subscribed for a year, others for shorter periods.

No time is too short for us to look after our patrons.

LOCAL NEWS

Motorship Bellingham arrived in port in ballast, this morning from Ketchikan, being here to take on a load of herring bait for delivery to Ketchikan.

Miss Cherrie Campbell of Stewart, who has been studying in Vancouver, is a passenger aboard the Prince Rupert to day bound for her home at Stewart where she will spend the summer vacation.

Neither vessel having reported up to early this afternoon, both the steamers Princess Mary and Cardena, due from Vancouver via coast points today, are apparently late. Both steamers are expected to arrive this evening.

Next week the steamer Catala will make her last call at Ocean Falls on the voyage southbound from Prince Rupert to Vancouver. Although the call at the paper town is being eliminated, the Catala will still leave here at the same time—1:30 Tuesday afternoons.

AT THE BAR

Judge—Have you ever seen the prisoner at the bar?
Witness—Never, your Lordship, but I've seen him when I strongly suspected he had been there.

Were Married At Vanderhoof

Miss Eleanor Chilton Became Bride of Ivan Black of Fraser Lake at Recent Ceremony

VANDERHOOF, June 19—A pretty wedding took place in the United Church here on Wednesday, June 3, when Eleanor Gertrude, daughter of Mr. and Mrs. Albert Chilton, West Vancouver, became the bride of Ivan Edward Black of Fraser Lake, son of Mr. and Mrs. Howard Black of Nova Scotia. Attendants were Mrs. Ethel Bundar and Herbert Linton Black, brother of the bridegroom. The bride was formerly a teacher at Nithie River public school.

TERRACE COURT CASE

In the County Court case of Harman Freckman vs. Andrew Macdonald, involving damages as a result of an automobile collision on a bridge near Terrace some time ago, the evidence of the plaintiff was heard this morning before the case was adjourned for the noon recess. One more witness for the plaintiff and the defendant were to go on the stand after the resumption of the hearing this afternoon. T. W. Brown is counsel for the plaintiff and W. O. Fulton for defendant.

Mrs. Dryndahl Is Honored at Surprise Party

A surprise party was held last evening at the home of Mrs. Jensen, Eighth Avenue East in honor of Mrs. Lawrence Dryndahl who is leaving on Saturday for New Westminster where she expects to reside in future.

Rev. J. H. Hanson spoke on "Thou Shalt be Mssed and Thy Place Will be Empty." Mrs. K. Dybhavn, Mrs. G. Selvig and Mrs. Rystad also spoke expressing their appreciation of Mrs. Dryndahl and her work in church activities.

During the evening a presentation of a Japanese tea table, two brass trays and jardiniere was made.

Mrs. Storsteth recited a poem entitled "Heimde," meaning "Longing For Home."

Mrs. Dryndahl was taken completely by surprise but replied in a happy vein.

Singing and refreshments brought an enjoyable evening to a close.

The trial in County Court before Judge F. McB. Young of William H. Dahl, on a charge of burglarizing Joe Brown's fruit store, has been adjourned indefinitely.

FORD ACCURACY

CHECKING SIZE OF FORD PISTONS

The Ford is made with unusual care

AN IMPORTANT REASON for the good performance of the Ford is the care with which mechanical parts are made and assembled. Many measurements are accurate to one one-thousandth of an inch. Some to two ten-thousandths of an inch.

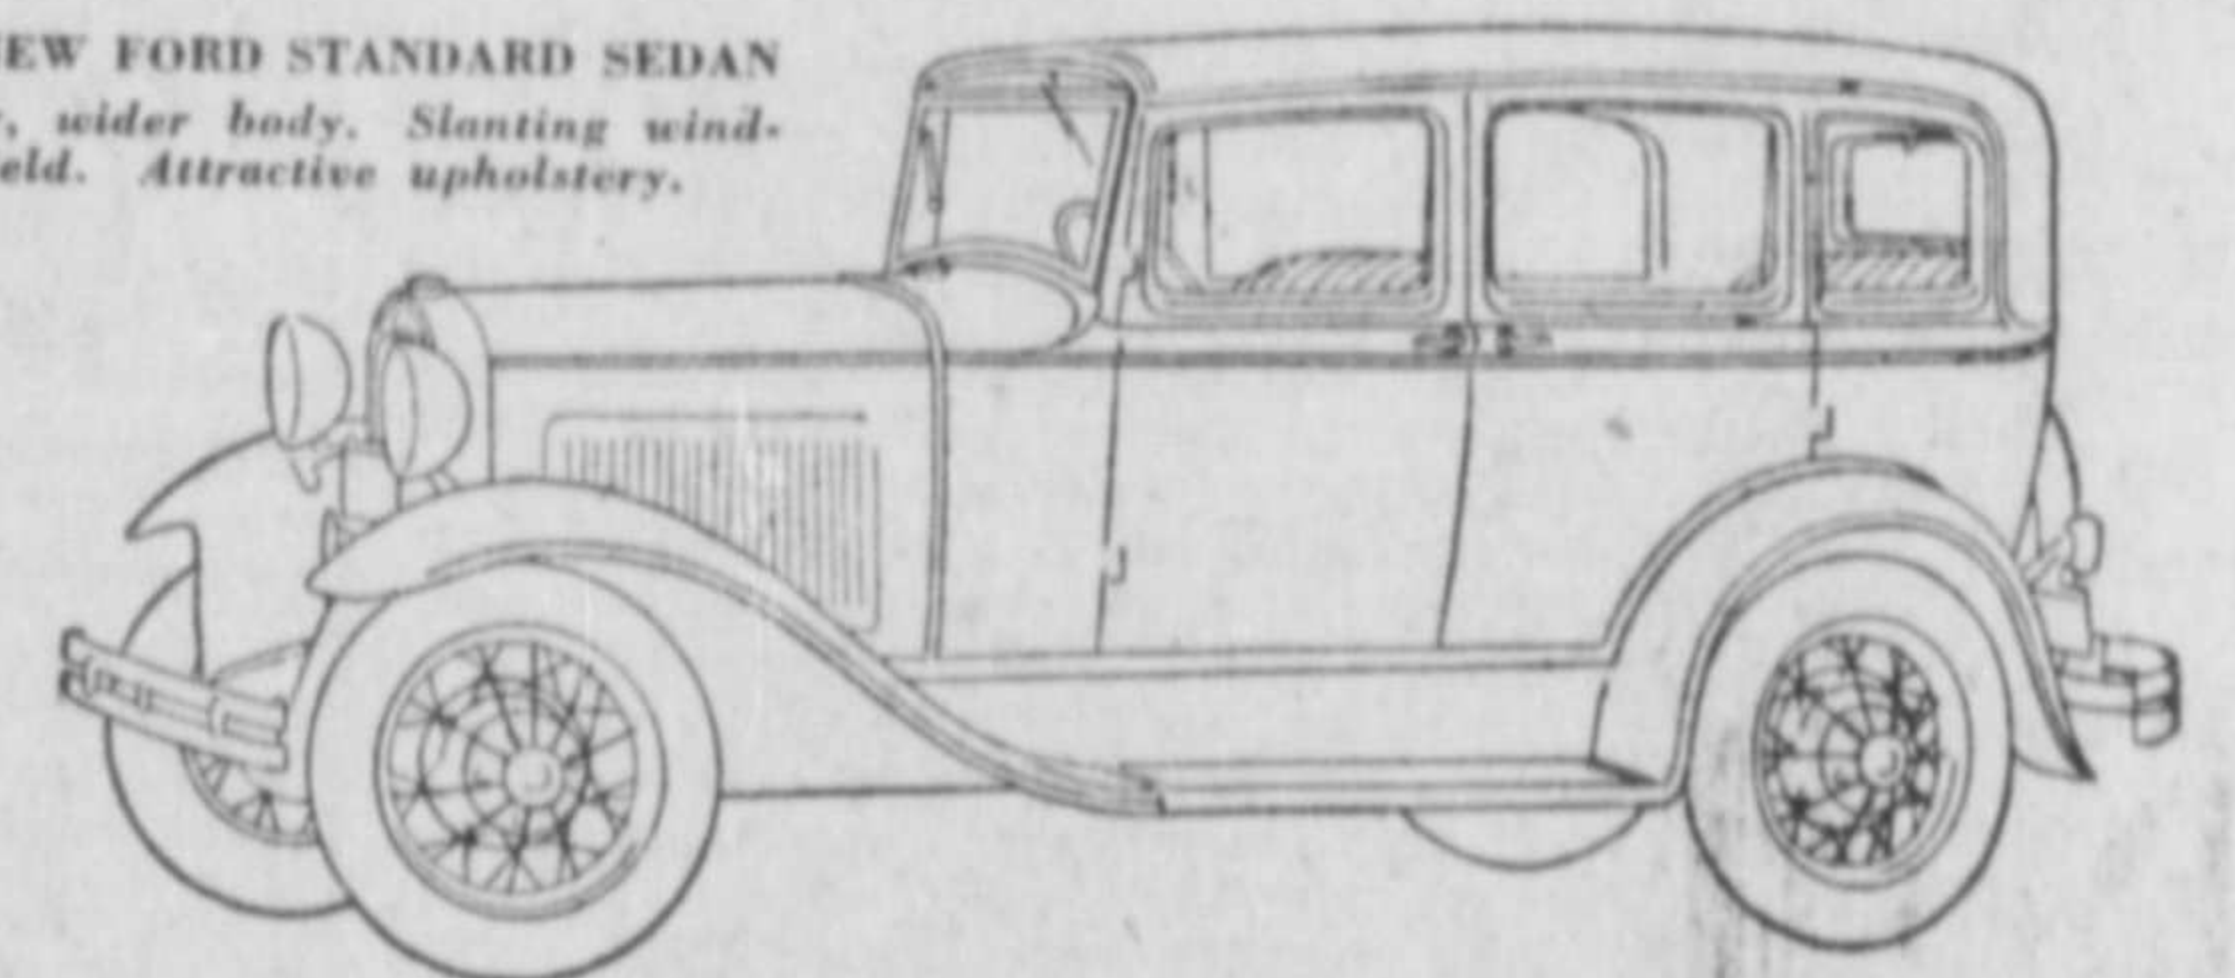

To insure perfect fit in the cylinders, the aluminum pistons are held true to within one one-thousandth of an inch of the specified diameter of 3 7/8 inches. Wrist-pin holes are diamond bored to within two ten-thousandths of an inch.

The valve stems are held exact in diameter to within one one-thousandth of an inch along their entire length.

Every Ford crankshaft is statically and dynamically balanced and is machined to measurements as fine as five ten-thousandths of an inch. Each Ford crankshaft receives 174 checks for accuracy.

See the nearest dealer for a demonstration of the Ford. It brings you everything you want or need in a motor car at an unusually low price.

THE NEW FORD STANDARD SEDAN
Longer, wider body. Slanting windshield. Attractive upholstery.

SAFETY GLASS MAY SAVE YOUR LIFE

The Ford is the only low-priced car with a safety glass windshield as standard equipment. It has saved many lives and prevented countless injuries in automobile collisions. Now, for a small extra charge, you can have your new Ford delivered with this safety glass in ALL WINDOWS AND DOORS.
