NEW PLEA IS ASKED

Al Capone Nervous After Trial Judge Threatens to Impose Long Prison Term

CHICAGO, July 31:—Assured by Circuit Judge Wilkerson yesterday afternoon that Al Capone had no right to expect, because he had pleaded guilty to charges of evasion of the federal prohibition and income tax laws, that he would receive a light sentence, counsel for the 32-year old gang leader of this city hastened to apply for permission to change the plea from that of guilty to not guilty. The judge reserved until today his decision on the application.

Should Capone be allowed to alter his plea to that of not guilty, the ensuing trial might last for a year. If the application is not granted, there is every reason in view of the judge's declaration yesterday, that a heavy sentence will be imposed.

ORE FIND
IN BABINE

Important Discovery Made On Rainbow Group, 16 Miles From Smithers

SMITHERS, July 31.— Reliable news has been brought in to the Omineca Branch of the Chamber of Mines, together with mineral specimens from the find, of a new and important strike of ore made on the Rainbow Group, on the south west slope of the Babine Mountains, 16 miles from Smithers. Development work being conducted during the past three weeks by the local syndicate owning the property has shown up, according to this report, a vein ten feet in width. Of this the hanging wall side shows no less than 7 feet of chalcoprite ore. In addition to values in copper and silver, this ore has in the past been found to contain important gold content. Samples are being sent for assay and others will go forward to the Chamber of Mines in Vancouver to be shown there.

Although this syndicate of local people are very short on funds at the present time they are continuing the work. They feel that they have now established that which they have been seeking for years to uncover. James Wright, head of the syndicate, is president of this branch of the B. C. Chamber of Mines, and was one of the first locators (back in 1883) of what is now the Monarch Mine near Field.

The Letter Box

ANOTHER DEFENDER

Sports Editor, Daily News:— With reference to the letter signed "A Spectator" printed in your issue of July 22.

I may not be much of an authority on football, but having played in goal against J. S. Wilson, I certainly do not think that this person who signs himself "A Spectator" is justified in passing such remarks.

Suppose this critic spent a little more of his time in encouraging footballers who go out in the field to give their best. We all can stand a bit of criticism, but as our "A Spectator" thinks J. S. Wilson is a "mere novice" I believe "A Spectator" is "all wet."

I do not believe a more suitable man than J. S. Wilson could be selected for the position of outside right.

Thanking you for your valuable space.

SPIRO GURVICH, Royal Columbian Hospital, New Westminster.

Sons of Canada Defeat Elks 16-10 In Ragged Game

Sons of Canada snatched a victory from the Elks in last night's City Baseball League fixture by driving in ten runs in the fourth inning after the Antlered Herd had seemingly tucked the game safely away. Up to that fateful stanza, the score was nine to one against the Canucks but once they got started they could not be stopped, and started right off in the fifth with five more runs and none out when the game was called on account of darkness. The fourth inning lasted well over half an hour.

The Elks were without the services of their star moundsman, Chenoski, who is in hospital with a sore hand. Brick Skinner started on the mound for them and turned the opposing batters back in fine style for three innings. In the fourth however, he weakened, and after a two-bagger by Lambie, he hit one batter and then walked three in a row.

Dido Gurchich was called to relieve him but he fared no better, allowing five hits and walking one man. Bill Mitchell came in then and retired the first man up to end the inning. He did not do so well the next inning, however, being touched for four hits and walking one man, and then when Skinner lost Styles fly in the fog, which let in two more runs for a total of five, the game was called for darkness.

Comadina started on the slab for the winners but allowed five hits and passed one man for a total of five runs in the first inning. Bill Lambie finished the game for them and allowed six hits in the four remaining innings which netted the losers five more runs.

UNVEILING OF CAIRNS

Prominent Men Officials at Ceremony Near Jasper

JASPER PARK, July 31—"Canada, though young, has become a nation but, in her nationhood, she must not forget the pioneer explorers who linked the provinces of the Atlantic with the Pacific Coast," declared Hon. W. L. Walsh, Lieutenant Governor of Alberta, in speaking at the unveiling of two historic cairns near here Wednesday. One monument has been erected in memory of David Thompson, who, with 10 companions, discovered and travelled through Athabasca Pass in the winter of 1810-11. The other will commemorate Henry House, the first trading post to operate in the Athabasca Valley. Both cairns were unveiled by Mrs. Walsh.

A feature speaker of the afternoon was Judge F. W. Howay of New Westminster, western representative of the Historic Sites Monuments Board of Canada, who briefly outlined the history of Athabasca Pass and dwelt particularly on the story of David Thompson. Referring to Henry House, the judge declared that, though small, the trading post played a gigantic part in the development of Canada's transportation system. It was one of the main supports of the first line of transportation, the fur brigades, since replaced by the transcontinental line of the Canadian National Railways which follows much the same route up the valley.

Other speakers included Hon. O. L. McPherson, Edmonton, minister of public works in the Alberta government; C. Pattison, Edson, M. L. A. for this constituency, and Judge S. W. Moore, New York. R. H. Knight, superintendent of Jasper National Park, presided.

Mrs. Cox Hostess At Tea and Is Given Present

Wednesday afternoon Mrs. S. V. Cox was a tea hostess at her home when she entertained L. O. B. A. ladies and friends. The Misses Dorothy Fowler, Rose Smith and Rose Cox assisted in serving. The afternoon was brought to a close with a small token of esteem being presented to Mrs. Cox, the presentation being made by Mrs. Roles on behalf of the ladies present.

SIDESHOWS FOR FAIR

Preparations Being Made For Big Event By Gyros and Rotarians

At the Rotary Club luncheon yesterday, J. L. Lee, chairman of the joint committee handling the concessions at the fair, announced that two meetings in connection with the sideshows had been held and that the exhibition board had been asked to build a fence and the joint clubs would put up the roof for a permanent concession building. Unfortunately, the matter had not come before the fair board Wednesday night and the time was short.

Mr. Lee said that the concessions would be conducted somewhat along the lines of the society circus last year. He expected there would be plenty doing at the fair.
