Castoria...for CHILDREN'S ailments

ARE you prepared to render first aid and quick comfort the moment your youngster has an upset of any sort? Could you do the right thing -immediately-though the emergency came without warningperhaps tonight? Castoria is a mother's standby at such times. The unfortunate condition is when you cannot sleep. The weak, irritated nerves will not let you rest. So day by day you are losing vital energy until sooner or later must come a nervous breakdown.

Sleeplessness and headache are the warning signs when the nerves go wrong. You may also have indigestion and feelings of fatigue. All the vital organs sooner or later slow up, when nerve force is lacking.

The most certain restorative for the nerves is Dr. Chase's Nerve Food. It has proven its effect in so many thousands of cases that there is no question of its merits.
