Part of Power Lines Destroyed As Result of Dynamite Episodes

Portion of Big Eastern City Without Service Altogether; Linesmen on Strike as Company Disregards Their Union

MONTREAL, Aug. 20.—As a result of a series of dynamite explosions of the power lines of the Montreal Light, Heat & Power Co. during the past two days, a portion of the city was yesterday without electrical services, power lines having been destroyed. This morning a considerable portion of the St. Laurent section was crippled when poles carrying six transformers were destroyed.

DEATH OF DR. COON

Local Chiropractor Succumbed Early This Morning to Heart Attack

The victim of a sudden heart attack, Dr. F. R. H. Coon, who had practised chiropractic here for the past six months or so, died about 2 o'clock this morning in his bed at his home in Westview. Deceased had been feeling ill for a short time before his death and a physician was called but nothing could be done to save his life. Earlier in the evening he had apparently, felt quite fit.

A man of about forty years of age, the late Mr. Coon was born in the United States and came here from Centralia, Wash., where relatives reside. He is survived by a widow and young son. A few years ago a daughter was instantly killed in an automobile accident in the United States and Mrs. Coon was so badly injured that her life was despaired of. She, however, recovered. Funeral arrangements are in the hands of the B. C. Undertakers.

IN CHARGE OF RELIEF

Walter S. Gifford Named Chairman of United States National Unemployment Board

WASHINGTON, D.C., Aug. 20.—President Herbert H. Hoover yesterday announced the appointment of Walter S. Gifford, president of the American Telegraph & Telephone Co., to be chairman of the national unemployment committee.

Gifford will direct a nation-wide campaign of relief with the co-operation of state and local authorities.

The appointment was the president's first step in his national relief plan.

MEMBER OF JAPANESE NOBILITY HERE TODAY

In the course of a tour of Canada, Viscount T. Kito and K. Okura of Japan arrived in the city on this afternoon's train from Jasper Park where they have been spending a few days. They sail on the steamer Princess Louise tomorrow morning to make the round trip to Skagway.

HIS DEATH IS SHOCK

Archie Beattie, Well Known Pioneer of City, Passed Away on Train in East

His many friends in Prince Rupert will learn with feelings of sincere and deep regret of the death which took place yesterday while he was travelling west from Rochester, Minn., where he had gone for consultation at the Mayo Clinic, of Archibald C. Beattie, carpenter and contractor and a resident of Prince Rupert of some twenty years' standing. Mr. Beattie died aboard a train and the body was taken off at St. Cloud, Minn., where it is now reposing pending the making of funeral arrangements. News of the death was received here by wire last night.

The late Mr. Beattie had been in failing health for several months. He had gone to Vancouver for treatment but failed to obtain any relief. As a last resort he left a week or so ago for the Mayo Clinic in Rochester, Minn., but, apparently, nothing could be done for him there either. While his demise might have not been altogether unexpected, the news comes, however, as a shock to many friends.

Born in Ontario 66 years ago, the late Mr. Beattie came to Prince Rupert about twenty years ago from the Atlin district and had resided here since. He was unmarried but is survived by a sister, Mrs. Plant, in Acton, Ont., and three brothers in the United States.

The late Mr. Beattie was a member of the Masonic order here.

RECORD IS EQUALLED

"Lefty" Grove Pitches His Sixteenth Straight Victory

CHICAGO, Aug. 20.—"Lefty" Grove, star southpaw of the Philadelphia Athletics, won his 25th game of the season yesterday by defeating the Chicago White Sox and equalled the American League record of sixteen straight pitching victories.

Grove has lost only two games this season, the last defeat having been on June 5 at the hands of the White Sox.

SUCCUMBED LAST NIGHT

The death occurred at 11 o'clock last night at the home of his son-in-law and daughter, Mr. and Mrs. Maurelius Holkestad, 343 Seventh Avenue East, of Johan Christian Martinson, in his seventy-eighth year. The late Mr. Martinson had felt faint in the afternoon and his death came peacefully a few hours later as a result of heart failure.

The late Mr. Martinson had lived here for seven years, having come out from the Old Country. He was born at Bode, Northern Norway, on February 9, 1854. Deceased was predeceased by his wife but has other relatives in the Old Country. Funeral arrangements are in the hands of the B. C. Undertakers.

LIQUOR CUT BEING MADE

Prince Rupert to Receive \$5437 From Province—Other Allocations in District

The city of Prince Rupert is about to receive the sum of \$5,437 from the provincial government as its share of the government's liquor profits for the six months ending March 31 last. Other allocations in this district are as follows:

Prince George, \$2,387. Burns Lake, \$275. Smithers, \$1,249. Stewart, \$33. Terrace, \$847. Vanderhoof, \$588.

JURY TAKES CASE TODAY

Trial of David Clark in Los Angeles Nears Conclusion

LOS ANGELES, Aug. 20.—The case of David Clark, young Los Angeles attorney, who is charged with the murder of Herbert Spencer and Charles Crawford, is expected to go to the jury today.

Defence counsel, in argument yesterday, declared that the prosecution had employed inference and innuendo in its efforts to convict Clark.

Liberal Leaders Are Opposed to New Plan To Meet Money Crisis

Grits, Tories and Laborites to Get Together Again Tomorrow—Further Ten Per Cent Food Tax Also Mooted

LONDON, Aug. 20.—Opposition to the proposed ten per cent revenue tariff as a remedial measure for the British financial crisis is believed to have been raised by Liberal leaders today in conference with Premier J. Ramsay MacDonald and Conservative leaders. The conversations will be resumed tomorrow.

Yesterday the Daily Herald, Labor organ, forecast the possibility of a ten per cent tariff on retained manufactures, including those partly finished, which would yield revenue of \$100,000,000 annually and also a further ten per cent food tax designed to yield a similar amount.

Weather Better and Lindberghs Ready to Leave

TOKYO, Aug. 20.—Reports received here last night from the Kurile Islands stated that clouds and fog were clearing from off the sea and that Col. and Mrs. Charles A. Lindbergh were expected momentarily to hop off from Ketoi Island where they were forced down early yesterday while flying from Petropavlovsk to Nemuro.

The steamer Paramushiru Mar stood by the plane as it lay on the sea. Despite the prospects last night for weather improvement, Col. and Mrs. Lindbergh were still being held at Ketoi today with motor trouble and fog.

HARVESTERS POURING IN

Winnipeg Authorities Are Unable to Check Flow

WINNIPEG, Aug. 20.—Local authorities have found it impossible to cope themselves with a great influx of United States unemployed farm workers expecting to find employment in Canadian harvest fields.

The provincial police have been asked to take action and, failing this, an appeal will be made to the federal government to institute an intensive border patrol.

INDIA IS ON VERGE OF MORE TROUBLE

BOMBAY, India, Aug. 20.—All hope of Mahatma Gandhi, Indian nationalist leader, attending the proposed round table conference in London opening September 5 has been abandoned and it is now believed that India is once more on the verge of a calamitous civil disobedience campaign.

Visitor to Peace River Valley Tells of His Impressions; Pays Tribute to Heart of Empire

(By J. N. Williams, in Peace River Record)

Coming along the highway from Edmonton I took special note of all the highway signs, particularly those which mentioned Peace River, for the simple reason that the same was my destination and anything that would serve as an introduction to the town was eagerly welcomed. The one sign which stands out above all the others in my memory was one many miles down the highway from here, which read, "Peace River, the Heart of an Inland Empire." At first I could not grasp the full significance of those words but I turned them over and over in my mind. To be sure I had previously studied numerous guides, charts and maps, but to me the Peace River district had always seemed like a small constituency tucked up in the cold, forested wilderness in the northwest corner of Alberta, important only as a refuge for unfortunate prairie homesteaders who were forced through drought and wind to seek a woodland home, or interesting perhaps for a holiday trip, certainly not as an empire.

I had noted the size of the district on the various maps as being approximately 93,000 square miles, but the truth of this statement had not registered; I hadn't compared it with anything in my experience. Why that area is equal to all the settled land in the province of Saskatchewan, twice that of Alberta, and almost thrice that of Manitoba. Greater in extent than any European country except Russia. Now I understand why the name Empire is applied to the district, and a very fitting name it is too.

The town Peace River, one would naturally imagine as the centre of the district because of the identity in names, but never had it occurred to me as being the heart—the vital point, pulsing life and commerce to the empire through three arteries: road, rail and river. Of course this organ isn't mature yet, but should continue to grow for many, many years, sending out greater vitality through broader and more intricate channels as the empire develops, until finally the town should come into its own as the capital city of the Peace River province, and take its stand among the leading cities of the Dominion. This is not an optimist's idle dream. If we look back about twenty-five years, we find that this place was known as Peace River Crossing or Peace River Landing. Twenty years ago Peace River was merely an outpost composed of a Hudson's Bay Company station and two other buildings. Then because of the convenience of transhipment of goods from wagon to boat and vice versa, a little frontier outpost grew up which gradually replaced the older trading post across the river. Transportation for the northern fur trade was then the all important factor in the life of the hamlet. After a time came the land seeker. That marked the beginning of an agricultural era which is still in its primary stages. Once, however, that settlement began, whole townships were soon taken, other posts came into existence. A railway was necessary. Finally the steel came; the village of Peace River grew with characteristic rapidity into a town which now has a population of approximately nine hundred, occupying some one hundred and fifty residences and carrying on business in nearly forty establishments.

Appearances indicate this town to be on a par with modern towns of the Dominion, having various government offices, churches, schools, a well equipped hospital, skillful medical and surgical aid, banking accommodation, a provincial lands

Rumors That Elevator Here Is to Be Busy

Said That Six or Seven Million Bushels May Be Shipped This Way in Coming Season

There are all sorts of rumors going the rounds in regard to the use of the elevator this season. One of them is to the effect that it is planned to ship six million bushels this way and another says seven million. What seems certain is that the local elevator will be filled before very long and that it seems probable it will be filled more than once.

The local elevator authorities have nothing to say in regard to the situation.

The city police have an inquiry as to the possibility of there being in this city or district relatives of Francis J. Walker who died recently in the United States and the settlement of whose estate is still pending. Deceased was born in 1850 the son of Frank Walker and Eliza Dougherty, his wife.

WHEN YOU CAN'T GET FRESH MILK—TAKE KLIM!

Because KLIM will give you as much or as little milk as you want, whenever you want it. Simply mix KLIM with water, and you have milk; not a makeshift but real, fresh, dairy milk with ALL THE CREAM, all the nourishment and all the delicious flavour that you long for when you're miles away from the nearest dairy.

KLIM keeps without ice and is most economical to use. Take it along on your camping, boating or motoring trip. Keep a few tins at the summer cottage. Because it's in powdered form, KLIM weighs only about one-fifth as much as the milk it makes. Send 10c for a trial tin.

TEAM IS PLEASED

Prince George Softball Boys Grateful For Reception Accorded Them Here Recently

A letter which reads as follows has been received by William Reid, chairman of the softball committee of the Prince Rupert Canadian National Recreation Association, from E. S. Foster, captain of the Prince George Canadian National Recreation Association softball team which recently visited here:

"On behalf of the members of the Prince George C. N. R. A. softball team, who recently played several games in Prince Rupert, I would like to thank the Prince Rupert players and executives for the splendid manner in which they treated us.

"We were all very much pleased with the reception we received during our stay in Prince Rupert and there is not one of the boys who would not be glad to make the trip again. Naturally we were disappointed at not winning the championship but we feel that we would like to meet such strong opposition again.

"We would be very pleased to have the Rupert team play us here during the Labor Day week-end and if you feel that you can make the trip on that date we will endeavor to get the Kamloops C. N. R. A. team up here at the same time and try out the relative merits of the north and south lines.

"In closing we would like to thank all our opponents for the splendid sportsmanship shown during the games and the following in particular: W. Reid, chairman C. N. R. A. softball committee; E. Tulloch, captain C. N. R. A. team, and S. Moran, captain, Prince Rupert all-stars and J. Comadina, umpire."

STRIBLING IS WANTED TO MEET DEMPSEY

SEATTLE, Aug. 20—Local promoters have offered W. L. (Young) Stribling, now in California, \$5,000 to appear against Jack Dempsey, former world's heavyweight champion, in a four-round bout here on Wednesday of next week.

SPORT CHAT

Philadelphia's National League club has purchased Douglas Taitt from the Atlanta club of the Southern League, one of the heaviest batters in the circuit. Taitt reported to Philadelphia at the end of the week.

Returning from a successful tour through western United States, Charlie Belanger, Canadian light heavyweight champion of Winnipeg and Toronto, signed up to meet "K.O." White, colored boxer of Chicago. Last week White scored a victory over Harry Dillon, another Winnipeg product.

JACK PUT HIM AWAY

Former World's Heavyweight Champ Opens Tour With K.O. Over Jack Beasley

RENO, Aug. 20.—Jack Dempsey, former world's heavyweight boxing champion, returning to the ring after an absence of four years to open his barnstorming tour of the country here, knocked out Jack Beasley of Oakland, Cal., in the second of a scheduled four-round exhibition boxing bout last night.

ROUND HOUSE WAS WINNER

Defeated Biological Station 17 to 8 In Softball Game

In last night's C. N. R. A. League softball game, the Round House took the Biological Station into camp by a score of 17-8.

The Round House team's heavy hitting and good fielding made it impossible for their opponents to score or stop them from scoring, although the Biological fellows never stopped trying to get a lead until the final man was put out.

Batteries were Brocklesby and Smith for the Biological Station, Boulter and Skattebol for the Round House.

The next game will be played on Friday night.

BOTH BOYS VERY SURE

McLarnin and Petrolle Both Confident of Chances in Tonight's Bout

NEW YORK, Aug. 20.—As their "rubber" bout tonight approaches, both Jimmy McLarnin of Vancouver, B.C. and Billy Petrolle of Fargo, N.D., express confidence that they will win.

McLarnin believes he will be able to outgeneral Petrolle again while Billy is quite sure he will be able to deliver a knock-out.

Constable Robert Gibson has returned to duty at district headquarters of the provincial police after a month's vacation.

Canadian Legion Won Football Last Night 2 to 1

Were Good Value

Canadian Legion and Regiment to Battle For League Trophy

The Canadian Legion registered a two to one win over the Merchants last evening in the Mobley Cup series and practically eliminated the latter team from any chance of winning the trophy. The deciding game of the competition takes place Friday evening when the Legion and the Regiment meet.

The Legion had the best of the first half with the hill in their favor. Baptie went close and at the other end Jack stopped A. Dickens, and then headed away Hill's dangerous centre. Vink cleared a centre from Bussanich, Webster's long pass to the centre but Baptie lost the ball. Vink was lucky enough to get his foot out to turn J. Murray's shot past the upright. Baptie hit the upright a moment later. Smith had to run out to stop S. Dickens. Baptie was clever with a quick turn and shot that hit the bar from an acute angle. Following a corner kick Baptie got a goal from a simple-looking shot from close in. Smith had to save from Dickens' header and W. Murray stopped the same player when dangerous. A penalty against McKay for handling was taken by Baptie but Vink dropped on his knees to save the shot. Chenoski got away but shot past. Menzie was safe and then Vink did well to save from Baptie and later on his knees from Campbell.

In the opening moments of the second half a shot hit the upright and rebounded into play with Vink out of position. Bussanich crossed a good centre but Campbell could not catch the ball. A. Dickens shot over and then Menzie cleared off J. Murray's toe. Murray lost a grand chance when he shot wildly after Vink had dropped the ball. Webster was clever and Baptie was playing a strong game. A. Dickens passed to Hill but Smith caught the latter's header. Then A. Dickens at last got the equalizing goal with a fine shot. Davis stopped Baptie. The game now speeded up a lot and both teams tried hard for the winning goal. Hill and McKay got offside and then Smith had to run out to save. S. Dickens shot over and then the Legion goal had a narrow escape when A. Dickens hit the crossbar. Henry was clever and gave Hill a nice pass but the centre was cleared. Murray, from halfback, missed a good chance but the ball was returned and, after Vink had cleared a centre, the ball came to Bussanich in a scrimmage and he scored—though he must have been very nearly offside. Vink saved well from Baptie and then Parks missed a good opening though he was well offside.

Merchants—Vink; Menzie, Douglas; McKay, Currie, Alan Davis; Hill, H. Dickens, A. Dickens, S. Dickens, Chenoski.

Legion—J. Smith; W. Murray, Jack; W. Murray, Webster, Hadden; Bussanich, J. Murray, Baptie, Campbell, Parks.

Referee, J. Johnston; linesmen, B. Hunt, A. Clapperton.

Legion Stronger

The Legion had out a stronger team than they can usually field and recorded their second win of the season over the Merchants, the previous win being in the replayed final of the Dominion Day Cup. They did most of the pressing and were value for their win. Smith had an easier time than Vink had. Jack was very reliable and W. Murray did well. Webster and Hadden were good halves with the centre giving his forwards many long passes. W. Murray worked hard but shot badly when he had a couple of good openings. Baptie was the best forward and though he did not shoot much he opened out the play to both wings. Campbell was next best but Parks does not centre early enough. Vink stopped some fine shots in addition to the penalty. Menzie and Douglas defended stubbornly with the former the better. Currie was a good pivot and McKay tackled cleverly and kept the ball in play. Young Davis is a coming player and marked his wing well. A. Dickens had bad luck with some drives and

Peace River's Psalm
Bennett is my shepherd, I am in want,
He maketh me to lie down in railway depots,
He leadeth me beside silent factories,
He restoreth my faith in the Liberal party,
He leadeth me into desolation for his party's sake.
Lo, I fear great evil for he is against me,
His politicians and his profiteers they frighten me,
He has prepared a reduction in my wages in the presence of pressing creditors.
He has annointed my income with taxes,
My expense account runneth over.
Surely unemployment and poverty will follow me all the days of Conservative administration,
And I will dwell in a lowly rented house for another four years.

worn out from righting the sins of many nails that persist in getting their heads above their proper level and so interfere with the wellbeing of the public. Then, too, wooden sidewalks with half-inch crevices provide very good penny catchers, saving banks and safety deposit vaults.

Permanent Foundation
Peace River has laid for itself a permanent foundation in its industries, through a boat building company, a cash and door factory, a creamery and a flour mill. That this town is not dependent on agriculture is easily seen, due to the presence of only one grain elevator. In order for any town to become a city, one industry alone cannot be relied upon, a fact which unfortunately, is being proven on the prairies of Southern Alberta and Saskatchewan this year. So Peace River, providing it is reasonably governed, stands in a fair way for success and in five or six or seven years time should celebrate the day of its incorporation as a city. Careful management is necessary for the early arrival of that date so it well behooves those in public office to, "Annihilate prejudice, pride and greed; Think clearly, act with reason and speed, And never repeat a mistaken deed." But doubtless they realize their responsibility or they would not have been entrusted with the confidence of the citizens who elected them. I wish to pay tribute to the one who sloganed Peace River "The Heart of an Inland Empire."

Regiment	4	3	19	12	8
Merchants	4	4	18	18	8
Legion	3	4	11	18	6

The Legion and the Regiment meet on Friday in the last game of the competition. He would be a brave man who would attempt to foretell the winner of any game much less of any series in football but the Regiment team looks as if it will win one trophy this season. Each of the others has already won a cup and a win for the Regiment would give them one but the matter will not be settled till the final whistle on Friday evening so a good game should be seen.

Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism. Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication. Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

Off for Vacation

Take The DAILY NEWS with you When Going on Summer Holidays

Nearly everybody likes to keep in touch with Prince Rupert when away for their holidays. The best way to do this is to order the paper sent during that time. If it is only for two weeks, the News is a welcome visitor and the mails during the summer months are carried almost daily to most points.

Recently a number of Scandinavians have given up the local fishing for the summer and gone on an extended visit to their former homes. In almost every case they order the Daily News sent them while they are away. Several subscribed for a year, others for shorter periods.

No time is too short for us to look after our patrons.

NO MOSQUITOES

Editor, Daily News:—
Although I did not see the item referred to in your columns of August 10, I read the letter written by Mr. W. Sherwood of Terrace in reference to the mosquitoes or rather the absence of mosquitoes at Lakelse Lake. I have been camping here for nearly three weeks and I think I could count the bites I have had on my two hands, and I did not have any complaints from the Scouts who under my charge have been camping at the lake for two weeks. The boys all wanted to stay another week.

I do not think there is a prettier or a more convenient spot to choose from for a quiet holiday for boating, fishing, etc. and not too far from town. I have found the campers only too glad to do all they can to make us comfortable.

'FEELS BETTER, THINKS CHEERFULLY' since the Doctor ordered GUINNESS

"I often prescribe Guinness, and for the following reason in chief. A bottle of Guinness put in front of, say, a dispirited health-greedy convalescent has a wonderfully auto-suggestive cheer-producing effect. It looks potent and jolly, and when consumed it acts as a stomachic and whip to the appetite. It makes the patient feel better and eat better and think cheerfully."

M.B., B.Ch.

This letter, printed by special permission, is one of thousands recently received from the Medical Profession emphasizing the value of Guinness.

"GUINNESS IS GOOD FOR YOU"

Guinness should never be served COLD.
