Sale of Work at Church Hall was Financial and Social Success.

The annual bazaar of the Ladies Aid of the Presbyterian Church was held in the church hall on Fourth Avenue East yesterday afternoon and evening. Commencing at 3 o'clock, the doors were opened on a number of attractively decorated booths, the counters of which were laden with various articles of home cooking, fancy work, etc., which appealed very much to the visiting ladies. During the afternoon tea and cake was served to the visitors and the tables were kept full constantly. The attendance was by no means denominational, as there were guests at the bazaar from all the congregations of the city, as well as contributions from ladies other than those belonging to the Presbyterian Church.
