United Church Young People's

After a series of most enjoyable picnics during the past two months, the Young People's Society of First United Church held the last outing of the season yesterday. The launch "23" took the party over to Picnic Bay where the day was spent in games, swimming and hiking, not forgetting the tasty eats and other good things provided.

Around the campfire in the evening, Bob Irvine, on behalf of the society, presented the president, Earl Barrie, with a beautiful leather folder, containing correspondence paper and envelopes.

Taken completely by surprise; the president thanked the members for their thoughtfulness and expressed the desire that the same co-operation and good-fellowship that charcterized the activities of the society since its inception would again carry on in the fall to another successful season.

The launch "23" came all too soon their nest on Digby Island a few The board of village commis- to take the jolly party home, arrivdays ago. The two young ones were sioners has given D. J. McLean the ing at the Yacht Club floats at
