Juanita Burns, Los Angeles aviator, announced recently she planned a non-stop solo flight from Seattle to Tokio.

Welcome Announcement Made This Morning By Mayor Orme—Galloway Rapids, Cloyah Bay and Prudhomme Lake Sites

Mayor Cyril H. Orme made the welcome announcement this morning that he had been advised that instructions had been issued by the provincial department of public works to proceed at once with the opening of three unemployment relief work camps on the local section of the Skeena River Highway. One small camp will be opened in the buildings already provided at Galloway Rapids bridge while two large ones will go in at Cloyah Bay and at the foot of Prudhomme Lake.

It is not, as yet, definitely announced how many men will be employed in these three camps but it is expected there will be at least a few hundred given work therein throughout the coming fall and winter. Opening of the camps will greatly relieve the local unemployment situation.

Men in the Galloway Rapids and Cloyah Bay camps will work on the completion of the road between those two points. Some of the men at the Cloyah Bay as well as all those at Prudhomme Lake will, it is expected, be employed on building of the new Cloyah-Prudhomme Lake section.

Prince Rupert Played Errorless Ball Behind Fine Pitching—Lambie On Mound Today

In the opening game of the Exhibition Week series between Prince Rupert and Hazelton Cubs, champions of the central interior, the locals won by a 7-0 score yesterday afternoon. Playing conditions were far from perfect with a drizzle half the time and the ground was muddy. The visitors appeared nervous to start with, contributing six miscues in the first six innings. After that, however, they settled down and played a good fielding game holding the home-townners scoreless. Tepoorten, their pitching ace, was on the slab and hurled a good game, only two earned runs scoring against him. Ingram, their catcher, has a powerful arm, and caught every man he tried for at second. McIntyre, shortstop, and Cox, centre-fielder showed up well, although the latter dropped a fly he was too certain of. No doubt, the boys from upriver were two in a better game in their second appearance today.

Chenoski, in the box for Prince Rupert, pitched an almost perfect game. He allowed two hits in the opening stanza and hit one man. After that the only men to reach first were two on walks, and during the game he whiffed nine batsmen, six of them in a row.

The locals played errorless ball, with Moran playing a snappy game at first base.

For this afternoon's fixture, Bill Lambie, speed-ball pitcher for the locals will be on the mound with Jack Nelson receiving his slants. Redman will go out in the field in Lambie's place.

Hazelton started off in the first as though they meant business and filled the bases. McIntyre went out on a bouncer to Chenoski who threw him out. Jack Sargent went to first when he was hit in the back. Ingram singled on a hard hit to short. Spooner hit a Texas Leaguer to centre and Sargent held third. Sargent was trapped off third and went out at the plate. Cox struck out.

Harold struck out in his first time up. Smith drew a walk. Moran was safe as Marshall missed his roller down third base line. Smith stole third while Marshall and the pitcher were getting the ball. Moran stole second and Windle lined out to Cox in centre. Arsenneau hit a liner to centre and Smith and Moran scored. Lambie was safe on McIntyre's error. W. Mitchell fled out to Cox.

They did the rest of their scoring in the second. A. Mitchell singled through the pitcher's box. Chenoski hit to Tepoorten who threw wild to second and Mitchell went to third. Chenoski stole second. Harold hit over third and Mitchell scored. Harold stole second. Smith was safe on Marshall's error and Chenoski and Harold scored. Moran rolled one down third base line and the pitcher fielded it but did not try to put him out. Moran stole second and Smith and he scored when McIntyre threw Windle's grounder wild to

George Young Stages Comeback To Win Fifteen-Mile Swim Race At Toronto in Eight Hour Time

TORONTO, Sept. 3.—George Young of Toronto, phenomenal long distance champion of a few years ago, after several vain attempts during the past two or three years, staged a great comeback yesterday to win the Canadian National Exhibition fifteen-mile marathon swim in eight hours and eight minutes. Young, by winning, captured a \$10,000 cash first prize.

Of 180 contestants who entered the water but three completed the distance. Bill Goll of New York was second more than an hour behind Young while Warren Anderson of Sydney, Nova Scotia, was third in nearly thirteen hours. Ernest Vierkoetter of Germany, a former winner, failed to finish the long grind.

RAIN STOPS TENNIS

Owing to rain, there was no further play yesterday in the city tennis championship tournament. If weather permits, the final qualifying events will be played today preparatory to the finals on Saturday and Sunday.

First, McIntyre threw Arsenneau out at first on a nice play and Windle took third. Lambie hit one just in front of the plate and Ingram threw him out and Benson returned the throw home to catch Windle out from third.

There was no more scoring after that. Following is the box score:

ANYOX WON IN FOOTBALL YESTERDAY

Surprise Goal Just Before Full Time Gave Them Victory

Visitors Lucky

Prince Rupert Had Early Lead and Should Have Won

After trailing the Prince Rupert football team all through the game and at one time being as many as three goals in arrears, the Anyox team drew level and three minutes from full time scored again to win by five goals to four, yesterday afternoon in the opener of the Fair Week series.

Rupert attacked right from the start and McKay missed a fine chance to open the score. Webster kept the ball up the field and Morrison did well to clear. Yglesias got away but his shot was high. Norrington made headway and centred well. Williams finally clearing. Skinner was lucky to block Buntaine and Dixon. Smith caught and threw away just clear of the goal line and did well a moment later to turn a fine shot from Dixon over the bar. Douglas cleared well. Horner poked up from close in and cleared and then Dyer shot narrowly past. Then Rupert established a superiority that lasted till nearly the end of the game. From Hill's corner, McKay got the opening goal and, in a scramble after Horner dropped a simple shot, McKay added a second. The Rupert halves were holding the visiting forwards in check. Norrington made a couple of good runs and centred well. Horner caught from Dickens's header and cleared from Norrington. Bap-tie was clever and opened out the game. Dixon got away and was clean through but Smith saved his parting shot in brilliant style and half time found the home team leading two goals to nil.

Currie; Hill, Bap-tie, Dickens, McKay, Norrington, Referee, J. Johnson. Rupert Superior On the balance of play, Prince Rupert should have easily won. Generally the locals played better football and were easily superior for a greater part of the game. Their confidence got a series of rude shocks when the smelter town team staged their fine finish and snapped Smith off well to turn past for a corner. McConnachie came in fast to take the Rupert defence unaware and head a beautiful goal. Play was faster and Anyox was snapping up chances. Following a stoppage of play a free was awarded Anyox and Currie centred well for Yglesias to come from nowhere to add the equalizing goal with a header that Smith could not get near. Webster went close with a fine drive but with only three minutes to go, Dyer crossed a centre that caught the local backs napping and Buntaine drove the ball into the net to score what proved to be the winning goal. Anyox—Horner; Del Rio, Morri-

was the stronger back with Del Rio impetuous but lacking judgment. The halves were not very convincing. Williams has speed and ability but was not up to his best form. Currie is a forceful, if at times a risky player. He kicks well. Field was fair. The forwards impressed with their ability to take advantage of slips or slow play on the part of the Rupert backs. Dyer was fast and got a nice goal. Buntaine, Dixon and McConnachie are quick on the ball and clever. Yglesias is small but fast and a rare trier. The refereeing left a lot to be desired. Offside decisions were not pleasing to either team and tempters got on edge with a few fist-cuff encounters marring the play. Just a reminder to the players, a winning player does not need to lose his temper and a losing player cannot afford to lose his. Football control is admirable but chief of all comes control of oneself. A big crowd enjoyed most of the game and the Anyox rooters had reason for their jubilation at the finish. Fifteen goals in three matches shows that the Anyox forwards can shoot. If Rupert can turn out the team as selected on Friday evening, the visitors will need their lead in goals to give them the series. It should be a good game.

## Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.

Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.

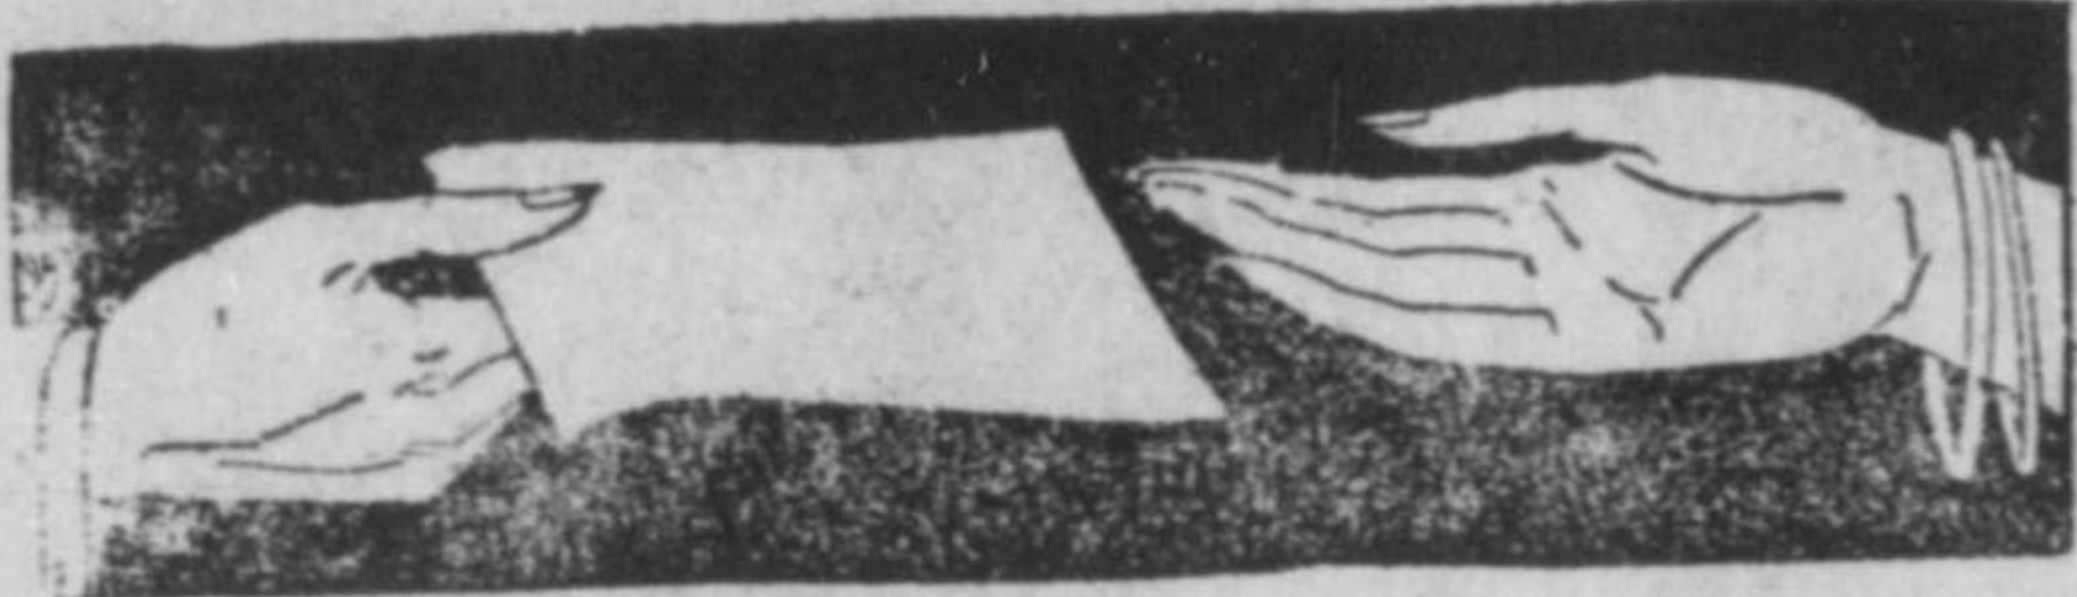

Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

### PICTURE IS DELIGHTFUL

Thomas Meighan Returns to Screen in "Young Sinners" Showing at Capitol Theatre

"Young Sinners," the current offering at the Capitol Theatre, is a most attractive and entertaining drama. The ever-popular Thomas Meighan, idol of the silent screen, returns to the silver sheet in this picture and portrays the important role of a robust trainer who, at his camp in the Adirondack Mountains, essays the moral and physical reformation of the wilful son of a multi-millionaire. How he accomplishes this object and how he is unwittingly aided by the girl who loves his charge forms the basis of an intriguing story.

The romantic roles are enacted by Hardie Albright, young stage actor who makes his screen bow. Dorothy Jordan, beautiful and popular, takes the role of the girl. These personalities are reinforced by Cecilia Loftus, James Kirkwood and Edmund Breese.

There was only a small crowd in attendance at the dance last night in the Auditorium so it was decided to cancel the dance which had been planned for tonight. Music was furnished by the Blue Bird orchestra.

### CANDIDATE IS CHOSEN

Miss Pauline Furness Last Night's Choice in Beatequest Contest at Exhibition Hall

Miss Pauline Furness, pretty candidate sponsored by the Prince Rupert Retail Merchants, was the choice of the unknown judges last night at the Exhibition Hall in the second night of judging in connection with the International Beatequest contest. She now shares honors with Miss Annie Boddie, Rotary Club candidate, who was the choice on Tuesday night. There will be preliminary judging again tonight by a new group of three selectors. The final choice will be made by the nine judges tomorrow night at the Beatequest Ball.

Acceptable entertainment was again furnished at the Exhibition Hall last night by The Greenville and Prince Rupert Boys' Bands, Miss Nan Craig's dancing pupils, Adolphe Seretney, juggler and tight-rope walker, Giddy and Giddy, acrobats, and Miss Rita Delroy, contortionist.

There was a large crowd in the hall. The many exhibits were the source of much interest and the outside concessions, despite the rain, were well patronized.
