National Financial Position in Britain is Very Grave Declares Chancellor of Exchequer Snowden

LONDON, Feb. 11:—"I tell you with all seriousness," Rt. Hon. Philip Snowden said in the House today, "that the national position is so grave that drastic and disagreeable measures will have to be taken if the budget equilibrium is to be maintained and if industrial recovery is to be achieved."

"In my last speech," he said, "I stated that I was anxious to avoid the imposition of any further imposts, in view of the depression at that time. Now, if I may put it bluntly, an increase in taxation in the present condition of industry would be the last straw."

Mr. Snowden spoke during the debate on the Conservative motion of censure, which would censure the government for its policy of continuous addition to the public expenditures at a time when the avoidance of all new charges and strict economy in the existing services are necessary to restore public confidence and promote employment.

NEW POLITICAL SITUATION

A new political situation has arisen in Canada following the declaration a few years ago of the changed status of Canada within the Empire.

What is needed now is for Canada to prove worthy of her position as an equal partner in the great British Empire.

SIR ARTHUR AT DELHI

Yesterday Sir Arthur Currie, president of McGill University, took part in an important ceremony at Delhi (pronounced Dellhy) on behalf of the Government of Canada.

VIEWS OF NELSON

The lesson from the following editorial in the Nelson Daily News is obvious to all Prince Rupert people, especially in view of the fact that the News is a strong supporter of the Tolmie Government.

"Economy in provincial government expenditure in British Columbia during the present year is necessary. 'Frills' and waste have to be cut out or at least reduced in order that essential expenditures on highways, etc., may be made.

"It is time for exceptional activity on the parts of boards of trade in Kootenay to press upon the government the completion of obviously necessary highway projects.

"Everyone will realise that the present state of provincial finances does not justify any unnecessary expenditures or the spending of any money upon anything in the nature of 'frills.' But that must not deter us in Kootenay from pushing justifiable claims to the limit of our ability.

Mrs. Vernor Smith Is Hostess at Big Tea in Edmonton

One of the most brilliant events of the parliamentary season was the reception at which Mrs. Vernor Smith entertained on Friday afternoon, in honor of out-of-town members of the provincial legislature.

In the falling dusk streams of cars lined 107 Street waiting before the lighted residence within there were ivory paneled walls, rich rugs and the most brilliant of Edmonton's society being very charmingly gay.

Mrs. Smith received in a gown of gold lame woven in a shadow design of rose and soft green. The bodice was severely simple and the skirt fell in graceful folds to the floor.

Mrs. W. D. Spence assisted Mrs. Smith in receiving and Mrs. J. E. Brownlee, Mrs. Robert Wallace and Mrs. George Johnstone were in charge of the tea table which was done in scarlet tulips.

Others assisting were: Mrs. Lysie Charlesworth, Mrs. E. A. Howes, Mrs. Alfred Chard, Mrs. J. D. Baker, Mrs. A. G. Stewart, Mrs. William Simpson, Mrs. Claypool, Mrs. Frederick White of Calgary and Mrs. William Laidlaw.

SHE'LL MAKE SOME MAN HAPPY

Pauline M— is just a young girl—as you can tell from her letter. But she has what I wish every young girl had—a real enthusiasm for cookery, and a real cleverness in ferreting out cooking secrets.

But let me quote her own spontaneous and delightful words: "I have tried many of your recipes—salmon croquettes, creamed chicken, spinach au gratin, baked cauliflower, devil's food cake, caramel nut cake, cherry pudding and so many of them I just can't name them. They were wonderful. "You see, we were giving a shower for a friend, and I made some of the recipes, and the people just couldn't get over how good and delicious they were, especially the caramel nut cake. They all asked me who made all that, and they said me, but, boy! did they rush to me and ask how I got the recipes! I told them from Carnation Company, and they said, gee, they never knew Carnation could do so much. So you see how all my friends appreciate your delicious recipes."

Pauline knows what you should know—that Carnation Milk, being simply pure whole milk, evaporated to double richness and "homogenized", so that the cream is broken up into finest particles and distributed through every drop, gives cooking results that even the best of bottled milk cannot equal.

and that it is extraordinarily convenient, dependable and economical.

Carnation Milk is protected at the source. It comes from clean herds housed in clean barns, milked by clean hands into clean utensils.

I am giving you her favourite recipe below—Carnation Caramel Nut Cake. Why not send for the Carnation Cook Book and Baby Feeding Book? They are free. Address Carnation Co., Limited, 134 Abbott St., Vancouver, B.C.

Carnation Caramel Nut Cake—1½ cups pastry flour, 2 tsp. baking powder, ¼ tsp. salt, ¼ cup Carnation Milk, ¼ cup water, ¼ cup shortening, 1 cup brown sugar, 2 eggs, ¼ cup chopped nuts, ½ tsp. vanilla. Measure flour after sifting once. Resift with baking powder and salt. Dilute Carnation with water. Cream fat and sugar thoroughly. Add well beaten eggs and beat until mixture is light and creamy. Dredge the nuts with part of flour. Add flour and milk alternately to the creamed mixture, beginning and ending with flour. Add nuts and vanilla. Bake in moderate (375° F.) oven. Ice with Carnation Icing—2 cups light brown sugar, ¼ cup Carnation Milk, ¼ cup water, 1 tsp. butter, ¼ tsp. vanilla. Mix sugar and Carnation diluted with water; cook until it forms soft ball in cold water. Add butter, cool, add vanilla, and beat until creamy. Spread on cake.

USE THE SAFEGUARDED MILK

Only purest whole milk, safeguarded at the source by the strictest cleanliness in the care and in the milking of the cows, and then evaporated to double richness goes into Carnation cans. These cans are then hermetically sealed to continue the protection until Carnation reaches you. To save on butter and cream and get wonderfully fine textures, use Carnation Milk in all your cooking. (See recipe above.)

Milk from Canadian cows, packed in Canada in Canadian cans and cases.

Lauritzen, Hollyburn Club, 123.

In the "B" Class, the combined scores were: A. Kirkstone, Prince George, 242; D. Trusdell, Burns Lake, 182.40, and L. Loutet, Grouse Mountain, 160.10.

In the jumping contest the honors went to N. Kaldal, Hollyburn Club, with a jump of 124 feet. Nordmoe of Camrose made two nice jumps of 121 feet each. Beisvik of Vancouver, made jumps of 111 and 125 feet but he fell both times. K. Engstad of Burns Lake, made two nice jumps of 106 and 111 feet, and Pete Sandnes made two very pretty jumps of 103 and 102 feet. C. Lauritzen made jumps of 105 and 109 feet, but fell both times. N. Jorstad of Winnipeg, who won the cross-country race, made but one jump of 101 feet, but fell.

The meeting was a very successful one. The weather was all that could be desired. A record crowd witnessed the jumping and the contestants were all given a good hand as they shot out over the brow of the hill.

NEW YORK TEAMS WIN

Position of Both Americans and Rangers Improved Last Night; Bruins Stretch Lead

MONTREAL, Feb. 11.—The New York Americans climbed into a tie with the Montreal Maroons for third place in the standing of the Canadian section of the National Hockey League last night by defeating the locals four to two.

At Philadelphia, the New York Rangers jumped into third place in the American division ahead of Detroit by defeating the long-suffering Quakers three to one.

At Boston, the Bruins increased their leading margin in the American division by nosing out the second place Chicago Black Hawks, two to one.

GREAT WEST WAS WINNER

A recount on the Great West-Bankers game of the City Miniature Golf League Monday night shows that, actually, the Great West won by one point. The score was: Great West, 341; Bankers, 342.

SPORT CHAT

With close to two months of campaigning still ahead of him, Gordon Brydson, Chicago Shamrock winger, is near the American Hockey League's scoring record of last year. Playing his first season in the mid-west "major" loop, the flashy golfer-hockeyist from Toronto has consolidated his position at the head of the league's sharpshooters even though his team has wandered through luckless days. Brydson, one of hockey's most sought and fought over sons, has compiled a point total of 29, made up of 23 goals and six assists. He is seven points in front of Leo LaFrance, fleet Tulsa wingman. LaFrance, early season leader, is second with 18 goals and four assists.

Teammates of the flashy Brydson, who came to Chicago from Hamilton, of the International League, and chose to stay in the outlawed circuit rather than perform in the National League, are in close attendance. Bobby Burns, his front-line pal, is in third position and Donnie MacFayden in fifth. Larry Goyer, playing with a tail-end club, last season, led all scorers with a total of 38 points, 27 goals and 11 assists. Brydson is certain to better the mark this year and Goyer, slap-shot expert from Belleville, Ont., is far out of the running. Again with a last place club, Larry is unable to muster the effectiveness that was his in the last hopeless campaign. Burns, a former Owen Sound junior, who twice was turned back from the National League after try-outs with Chicago Black Hawks, has scored 17 points—11 goals and six assists. One of the fastest skating players in hockey, Burns is enjoying his best season since turning professional. He starred with Preston in the senior Ontario Hockey Association before joining Minneapolis Millers.

Back of Burns is Gus Marker, Tulsa forward, with 16 points, while MacFayden and Burr Williams, husky Tulsa defenceman, are tied for fifth position with 15 each. Seventh place is shared by Kenny Dunfield, Kansas City winger; Frank Sheppard, Tulsa centre, and Freddy Gordon, big Minneapolis sniper. They each have 14 points. Gordon, former Selkirk Man, star and captain of the luckless Millers, continues to score even though his team has ceased to win. Ronnie Moffatt, speedy Toronto kid, who has played both forward and defence for Tulsa, has figured in 12 scores and Jack Leswick, young Duluth star who came up from Regina, has 11 points. The veteran Duke Keats, of Tulsa, and "Matty" Metcalf, once a junior sensation with Regina Pats, also have 11. Jack St. John, fleet youngster from University of Manitoba, leads Buffalo scorers with 10 points and Goyer is setting the pace among St. Louis players with eight.

PETE HOLM HAS MUMPS

Will be Unable to Meet Wendle Next Week But Nina Gurvich is Expected to Go on

The boxing match which was scheduled for February 20 between Pete Holm and Benny Wendle has had to be called off as Holm is suffering from the mumps and will be unable to go on, it was announced this morning.

Since Holm will be unable to meet Wendle at this time, local fight fans are now expecting that Nina Gurvich and Benny Wendle will get together and arrange a meeting, possibly for the same date. Gurvich, it will be remembered, challenged the winner of the recent Wendle-Bagshaw bout. Wendle, the winner, accepted the challenge and is said to be very anxious to hand Gurvich a sample of his wares.

ELKS WIN BILLIARDS

Grotto Defeated Last Night by Score of 1141 to 1044—Don Brown Badly Beaten

Elks defeated Grotto by a score of 1141 to 1044 in last night's Billiard League fixture. Probably the most surprising event of the whole match was the severe defeat which Don Brown of the Grotto received at the hands of Charlie Balagno, the score being 250 to 137.

Individual scores were as follows: Don Brown (Grotto) 137; C. P. Balagno (Elks) 250.

George Waugh 250, Frank Bray 204.

James Andrews 250, William Mitchell 187.

George Howe, 174, W. E. Williscroft 250.

M. M. McLachlan 233, M. E. Young 250.

Games of William Mitchell vs. A. Murray and W. E. Williscroft vs. G. P. Tinker from last Friday's fixture between the Elks and Canadian Legion are still outstanding.

The league standing for the second half of the season:

Team	Games	Total	Ave.

Canadian Legion	6	6776	1129
Elks	7	7494	1071

W. E. Williscroft made the high break last night, this being 36.

Crooks Caught By Radio

Receiving apparatus with roller and sheet of bromide paper which will receive thumb print picture

Whose Mark Is This?

The capital of every country keeps on file the finger prints of crooks. Ottawa has 200,000, Scotland Yard, 500,000, Washington 350,000. Perhaps a burglar robs a safe a thousand miles away. He leaves a finger print somewhere without knowing it. A perfect reproduction of that

finger print can be sent by Radio or Telegraph to the Capital. It is done by the telephotographic process. In a few minutes may come back the description and the record of the wanted man. Thus the police know whom to look for—because he left his mark—his finger print.

All Leave Their Marks

So you leave marks on everything you touch, as does everybody else. Those prints are usually germ-laden. You pick up those germs from others, from things they have touched and from handshakes. Then, if you touch food, you convey those germs to your mouth, where they breed.

A hand may be used to check a sneeze or a cough. Then that hand, in some way, conveys those germs to other hands, and colds spread. Life Extension Institute lists 27 diseases which may be conveyed in this way.

Lifebuoy Kills Them

Lifebuoy is a luxurious soap, based on two palm oils. No finer soap was ever created for toilet or bath use, or for the complexion. But, instead of per-

fume, it contains a germicide. You can smell it for a moment or two after using. That is the scent of safety.

Lifebuoy lather kills the germs or makes them inactive, as proved by laboratory tests. Wash your hands often with Lifebuoy. Wash them always before touching food. Millions of people, the world over, protect themselves in that way.

Lather with Lifebuoy before going out in the evening, or before you start the day. It makes you safe from body odours for many hours.

Keep Lifebuoy for the wash basin and the bath. Make it easy for the family to use it. Your dealer has Lifebuoy ready for you.

IS RUSSIA REALLY RED?

Communism, the greatest force for good or evil the world has ever known, has transformed Imperial Russia, the land of the czars, intense political intrigue and medieval peasantry, into a mass of seething industrial humans—a land today of 150 million people armed to the teeth but nevertheless concentrating every vital energy on production of every kind by systematized industry and social living. What effect will this tremendous machine of concentrated human energy have on the world in the next five years?

Maurice Hindus—Russian by birth, North American by adoption—has studied Russia personally for the past seven years. He has written a book called "Humanity Uprooted," where all the present Russian communist aspects of property, man, morality, family, peasant, proletarian, communism, love, revolution and war are freely discussed. MOTHERS HONORED

Banquet Given for Them by C.G. I.T. Girls at Terrace

TERRACE, Feb. 11—Charm and vividness were evidenced in the mother and daughter banquet given by the Terrace C.G.I.T. of the Anglican and United Churches on Friday evening last, in the United Church.

Sixty-two mothers, or mothers for the occasion, and girls sat down to a repast attractively prepared by the girls and their leaders. After the dinner toasts were given to the King, the Mothers and the Daughters. Those taking part were Helen Smith, Rita Taft and Mrs. H. C. Head.

The originality of the girls was displayed in poems composed for place cards; and these the mothers were called upon to read. The girls all took part in the "Quest Ceremonial," a C.G.I.T. sketch. The remainder of the evening was spent in playing games.

Miss Sophia McLaren, president of the senior group, graced the chair. Leaders for the girls are Mrs. McCarthy for the Anglican group, and Mrs. J. H. Smith, and Mrs. H. P. Allen for the United Church group.

Mother and Daughter week was concluded in the church services on Sunday night.

In the United Church, the girls were responsible for the entire service, which was conducted by Miss Sophia McLaren. The C.G.I.T. choir sympathetically interpreted the Negro spiritual "Lord, I Want to Be a Christian," explained previously by Miss Edith Kohne. A second rendering was, "Faith of Our Mothers."

Doris Holden gave a splendid paper on "Motherhood's Gifts to Girls." Mrs. Moore representing the mothers, spoke effectively on "The Challenge of Girlhood to Mothers." Mrs. H. T. Allen gave an address on the relationship of the Church and Home in the Life of a Girl.

Mrs. J. H. Smith read a Mother's Day story, and Jenny King gave a reading "Take Us On a Quest."

Others participating were Marjorie Kenney, announcements, Bertha Moore, a prayer; scripture reading, Mary Maxsam, and Gertrude McConnell, offering. Rev. H. T. Allen officiated as special organist, and made closing appreciative remarks.
