STEWART CELEBRATION IS BIG EVENT

International Celebration at Stewart Started Saturday With Everyone in District Attending

Parade a Mile Long Opened Big Event and Various Contests Followed—U. S. Warship Took Part

STEWART, July 20:—Under ideal weather conditions, the big three-day international celebration opened Saturday with a grand parade of decorated cars and floats a mile long.

Tour Parties At Vancouver

All Will Visit Prince Rupert Within Next Few Days

VANCOUVER, July 20:—The first of the across Canada tours, organized by the Canadian National Railways arrived in Vancouver this morning as the second section on the Continental Limited.

In addition to this party, 40 members of the Hardesty Alaska tour, arrived on the same train.

After a day of sightseeing in Vancouver, most of the visitors will leave on ss. Prince Rupert for Skagway this evening at 10 o'clock.

PLANS FOR WORKLESS

Camps to Be Established With Federal Government Sharing Cost With Provinces Expected

OTTAWA, July 20:—The government's relief plan is expected to provide for co-operation with the provincial governments on a trans-Canada highway, the federal government providing half of the money for the work and the province to assume the other half.

VICTORIA, July 20:—Premier S. F. Tolmie plans to provide relief camps on the main highways approved by the federal government under a joint scheme, and it is proposed to provide the men with work, single men to be paid \$1 a day and board and married men \$2 a day and board.

Plans are also being made to arrange for a conference with a view to having all western provinces adopt similar schemes with joint registration of workers so that there may be no advantage given either province over the other.

Sitka to Seattle In a Row Boat Is Aim of Young Man

KETCHIKAN, July 20:—Robert De Armond, son of Judge De Armond of Sitka, is on his way from Sitka to Seattle in a row boat. He left Sitka June 23, and having rowed most of the way arrived at Ketchikan July 16.

Robert is only a lad but is already making a mark in journalism and is planning to complete a course at Eugene, Ore.

Vancouver Wheat

VANCOUVER, July 20:—Wheat was quoted on the local exchange today at 55 1/2c.

An Old Roman chariot race with drivers in appropriate garb roused great enthusiasm and the winner, Charles Biehl, was presented with a cup by Dale Pitt, manager of the Premier Mine.

The pack horse race, five horses packed with varied loads, lumber, drill rods, oats, hay and case goods, was won by the Ryan brothers of Big Missouri mine, time, 15 minutes, 13 seconds.

Tug-of-War, ss. Mogul vs. Premier was won by Premier, two straight pulls.

Drilling contest was won by Premier team.

One hundred and thirty-five pound boxing match, Bridgen, of Stewart, against Makawata, a Filipino seaman of U. S. S. Detroit, was won by the latter by a knockout in the first round.

Harry Deeth of Anyox in the 145-pound class, had an easy win over Seaman Simpson of U. S. S. Detroit in four two-minute rounds.

In the 155-pound class, a good fight, H. McDiarmid of Premier vs. L. Barday of U. S. S. Detroit, was well contested. The referee's decision of a draw was a popular one. Referee, Boyce of Premier.

Some other events are still to be contested.

D. L. Pitt made the speech of welcome and presented the keys to Premier, Hyder and Stewart, to Captain Nathan, Post Commander of the S. S. Detroit.

The Royal Russian Chorus just arrived.

Planes from Ketchikan and Prince Rupert are taking passengers on sightseeing tours.

GOVERNOR APPOINTED

John William Fordham Johnson to Take Place of Hon. Randolph Bruce

VICTORIA, July 20:—John William Fordham Johnson of Vancouver has been appointed Lieutenant-Governor of British Columbia, it was announced in a telegram received here today by Premier Tolmie from Premier Bennett. He takes the place of Hon. Randolph Bruce whose retirement has already been announced.

The new Lieutenant-Governor is the managing director of the B. C. Sugar Refinery at Vancouver.

FABULOUS RICHNESS ORE FIND

Discoverer of Mystery Ore At Great Bear Lake Tells About it At Winnipeg

Plenty of Radium

If Reports True Railway Will Have To Be Built to Tap the Country to Bring Out Ore

WINNIPEG, July 20:—Thomas G. Donovan, the Detroit mineralogist and geophysicist, whose discovery of a great mystery ore body at Great Bear Lake has been reported from Edmonton, where samples have been assayed under government supervision, passed through Winnipeg en route for Ottawa.

Mr. Donovan has been up in the far north country twenty miles from the Arctic circle since early in the spring, exploring that remote region with the most modern scientific instruments, some of which utilize radio transmission, and are designed particularly for discovery of radio-active deposits.

He reports finding a richness almost incredible and unexampled in the mineral history of the world and is enthusiastic in the belief that in this northern territory will be developed areas beyond the fabulous wealth of King Solomon's mines.

Samples of ore brought out by Mr. Donovan have been assayed by University experts whose reports seem to verify his claims. Silver, for instance, is there to the value of more than \$1,000 per ton, copper, a by-product, to the value of \$40 per ton at present low prices and gold to the additional value of \$4.68 per ton. But these figures, rich as they seem, are insignificant beside the astounding fact that official assays show the ore to contain more than 58 per cent of uranium, the present value of which is estimated at approximately \$10,000 per ton.

At present the only notable deposit of uranium discovered in the world is in the Belgian Congo, where the ore contains only 15 per cent of this miraculous mineral, which is the world's greatest source of radium. Another intensely valuable by-product of uranium is helium gas, of which no previous trace has been discovered in Canada or anywhere in the British Empire. Helium is a non-inflammable gas. It has a similar lifting power to hydrogen and is used exclusively by the United States government in its dirigible airships.

(Continued on Page 2)

New Zealand Avoids Dole By Subsidizing Labor and Other Methods of Providing Work

WELLINGTON, N.Z., July 18:—Strenuous efforts are being made by the government of New Zealand to avoid the introduction of any system of unemployment "dole" in spite of the number of registered workless having jumped in six months from 8,000 to nearly 40,000.

Labor agitation and the rapid increase in registrations at one time threatened to load the country with a form of dole. The Unemployment Board had indeed made preparation for payment of sustenance as authorized by the Unemployment Act, but the Prime Minister, Rt. Hon. G. W. Forbes on his return from Great Britain where he had seen the effects of the dole, declared emphatically against its adoption here.

No payment, he said, would be made in New Zealand as long as he was Prime Minister except to those who worked when there was any work to give them. This declaration, to which the Government have adhered, has evoked Labor accusations of breach of faith.

The unemployment levy was accepted. The Labor spokesmen declare, on the understanding that sustenance would be paid if work could not be found. This is not correct according to government officials. The Unemployment Act established a Board representing workers, farmers, employers, returned soldiers, and the government with the Minister of Labor as chairman. The principal duty of the Board is to initiate measures which will relieve unemployment, and ultimately cure it.

More particularly it is authorized to encourage primary and secondary industries and development plans which will absorb labor. It is empowered to pay sustenance if work cannot be provided, but this provision is not mandatory, and it was made clear during the parliamentary debates that it would be put into operation only as a later resort.

The unemployment Board has been reasonably successful in affording relief without sustenance. Its principal methods have been: (1) To subsidize labor for farms at the rate of 25 shillings a week for married men and 15 shillings for single (the farmer providing food and accommodation); (2) to subsidize farm development contracts (bush-felling, scrub-cutting, drainage, and such works) by paying one-third of the labor cost up to \$375 for each contract; (3) to pay the labor costs of works specially undertaken by local authorities to relieve unemployment.

About 2,500 men are at present engaged under farm labor schemes and other land settlement plans. This labor, by increasing production, has cumulative effect in absorbing the workless. In co-operation with the Department of Lands the Board has now undertaken a new scheme to bring abandoned farms into production. There are 400 of these farms, which have depreciated through the spread of noxious weeds or scrub, through pasture deterioration, or through the farmer occupier's lack of capital. Unemployed labor will be used to make them again productive.

It has been impossible, however to extend schemes such as these to absorb the mass of unemployment, even if all the labor were suitable. For the greater number of workless, relief is provided through the municipal employment plan. Local governing bodies provide the plant and supervision for works in their own areas and the Unemployment Board supplies and pays the labor. The work is "rationed."

Paying Visit to Maligne Lake

Son of Governor General Making Trip on Horseback to Famous Resort

JASPER, July 20:—A day of travel by automobile, motor boat and saddle horse, on a trail flanked with hovering walls of rock, will lead Lord Duncannon, son of Canada's Governor General, to Maligne Lake, where it lies cozily in the heart of a mighty mountain range.

The distinguished young visitor to Jasper Park Lodge left this morning for the large glacier-fed lake, accompanied only by guides and a park warden.

Lord Duncannon will leave for the east on Wednesday evening and the return trip from Maligne Lake which he will undertake by horse, over Shovel Pass, will bring him back to the lodge in plenty of time to make his train.

During his two days in the Maligne Range he will spend much of his time fishing, which, with riding, has been his favorite recreation since coming to Jasper ten days ago.

Alaska Trollers Remain on Strike, Consider Offer

KETCHIKAN, July 20:—According to those who attended the trollers open meeting in Eagles Hall, the majority of those present took a vote to continue the strike and not to accept the offer of 10, 4 and 2 cents per pound on the grounds, and 12, 6 and 3 cents over the dock, with two cents per pound on the grounds for cohoes.

The offer of the new price, as it now stands, is made by one firm only, Melchoir, Armstrong and Desau. The New England Fish Company withdrew its offer for the same prices, and Sebastian-Stuart and the Marlyn Fish Company are not in the market. E. H. Frederickson, vice-president of the Alaska Trollers Association, said he expected to receive advices from meetings which is was expected would be held at Port Alexander, Craig and Sitka on the offer made by the one Ketchikan firm.

DAILY EDITION Monday, July 20, 1931

WORK FOR THE WORKLESS

It seems as if Premier Bennett was seriously considering the situation in regard to employment needs during the coming winter but whether or not he is sufficiently impressed to insist on the commencement of work on the western outlet of the Peace remains to be seen.

GERMANY'S FINANCES

Some announcement seems likely to be made in regard to what relief if any Germany is to receive from the other powers. The conference tonight should decide on some definite policy.

It is very difficult at this distance and with only a small part of the information before us to intelligently form an opinion. American visitors, it is noticed, seem almost a unit in thinking all the powers should fall in line with the ideas of President Hoover.

SKEENA DOING HER DUTY

The Skeena River seems to be doing her duty again in providing a plentiful supply of sockeye salmon for the canneries, from which the fishermen take a little toll.

We all like to see the fishermen make money because it means prosperity to the whole city. It is a good thing that the fisheries have not followed in line with the prairies and failed in providing a crop.

SPLENDID EDITION

The Stewart News has just published a fourteen-page special number as its contribution toward the big international celebration which is proceeding today.

Orang-Outangs Prove Treacherous

George Bistany, director of Fleishhacker zoo, San Francisco, and Charley, orang-utang, used to be great friends until recently. When entering cage Charley and other Simians turned on him

C. N. R. SAYS CROPS ARE IMPROVING

Edmonton and North of There May Have One of the Best Crops In Their History

Peace Looks Well

North of Peace River is Best in That Section of the Peace Country

WINNIPEG, July 20—Crop conditions have improved greatly in the northern or park belt areas of the western plains during the past week as good rains followed by warm weather were received.

Along the Gladstone, Carman, Strose Letteller, Harte, Miami, Pleasant Point subdivisions in Manitoba, crop conditions have improved and where headed out heads are filling well and additional stooking is taking place which will retard maturity and cutting will be at least ten days later than in average years.

In Saskatchewan, along the Levvan, Lampman, Avonlea, Gravelbourg, Central Butte subdivisions rye cutting for feed had commenced but when rain came the farmers decided to let the crop remain and filling of rye heads is improving.

While the imagination of the world centres chiefly on the therapeutic values of radium, Mr. Donovan declares that its value in the arts will be proven greater once it is discovered in sufficiently large quantities.

Mr. Donovan is an Irishman by birth, hailing from Dublin, where he is a graduate of Dublin university. He is a man in young middle age, already eminent in his profession, full of vitality and energy and completely possessed by an enthusiastic belief that he has discovered what is to become the mining centre of this world.

Peace River conditions are still ideal and although the heaviest crops are north of the Peace, a normal crop is expected at all points.

Hog and cattle receipts on western stock yards showed an increase over last week and more generous offers made prices reacted to slightly lower levels.

Steamer Princess Louise arrived this morning soon after 9 o'clock and left shortly before noon for Alaska carrying something like 150 passengers, mostly round trip tourists.

FABULOUS RICHNESS ORE FIND

(Continued from page one)

The lack of gas of this kind caused the sensational destruction by fire of the great British dirigible R-101. University of Alberta experts have been cautious in their comment on this discovery, declaring considerably more prospecting is necessary to discover the extent of the ore body before any accurate estimate can be made of the value of the find.

Mr. Donovan, however, is confident that further explorations will confirm this belief that the amount is vast and invaluable.

He went up there originally as a scientific explorer for the Eldorado Mine, which is located on the shore of Great Bear Lake. His instruments disclosed, in addition to the rich silver and copper deposits, two great, radio-active veins or uranium extending through this property and down under Great Bear Lake. Three-quarters of a mile out on the lake they come to the surface again in an island three-quarters of a mile long by one-half a mile wide.

Shipping Ore by Airplane The richness of the ore has already made it possible to bring out several hundred pounds of it by airplane for commercial and medical purposes.

While the imagination of the world centres chiefly on the therapeutic values of radium, Mr. Donovan declares that its value in the arts will be proven greater once it is discovered in sufficiently large quantities.

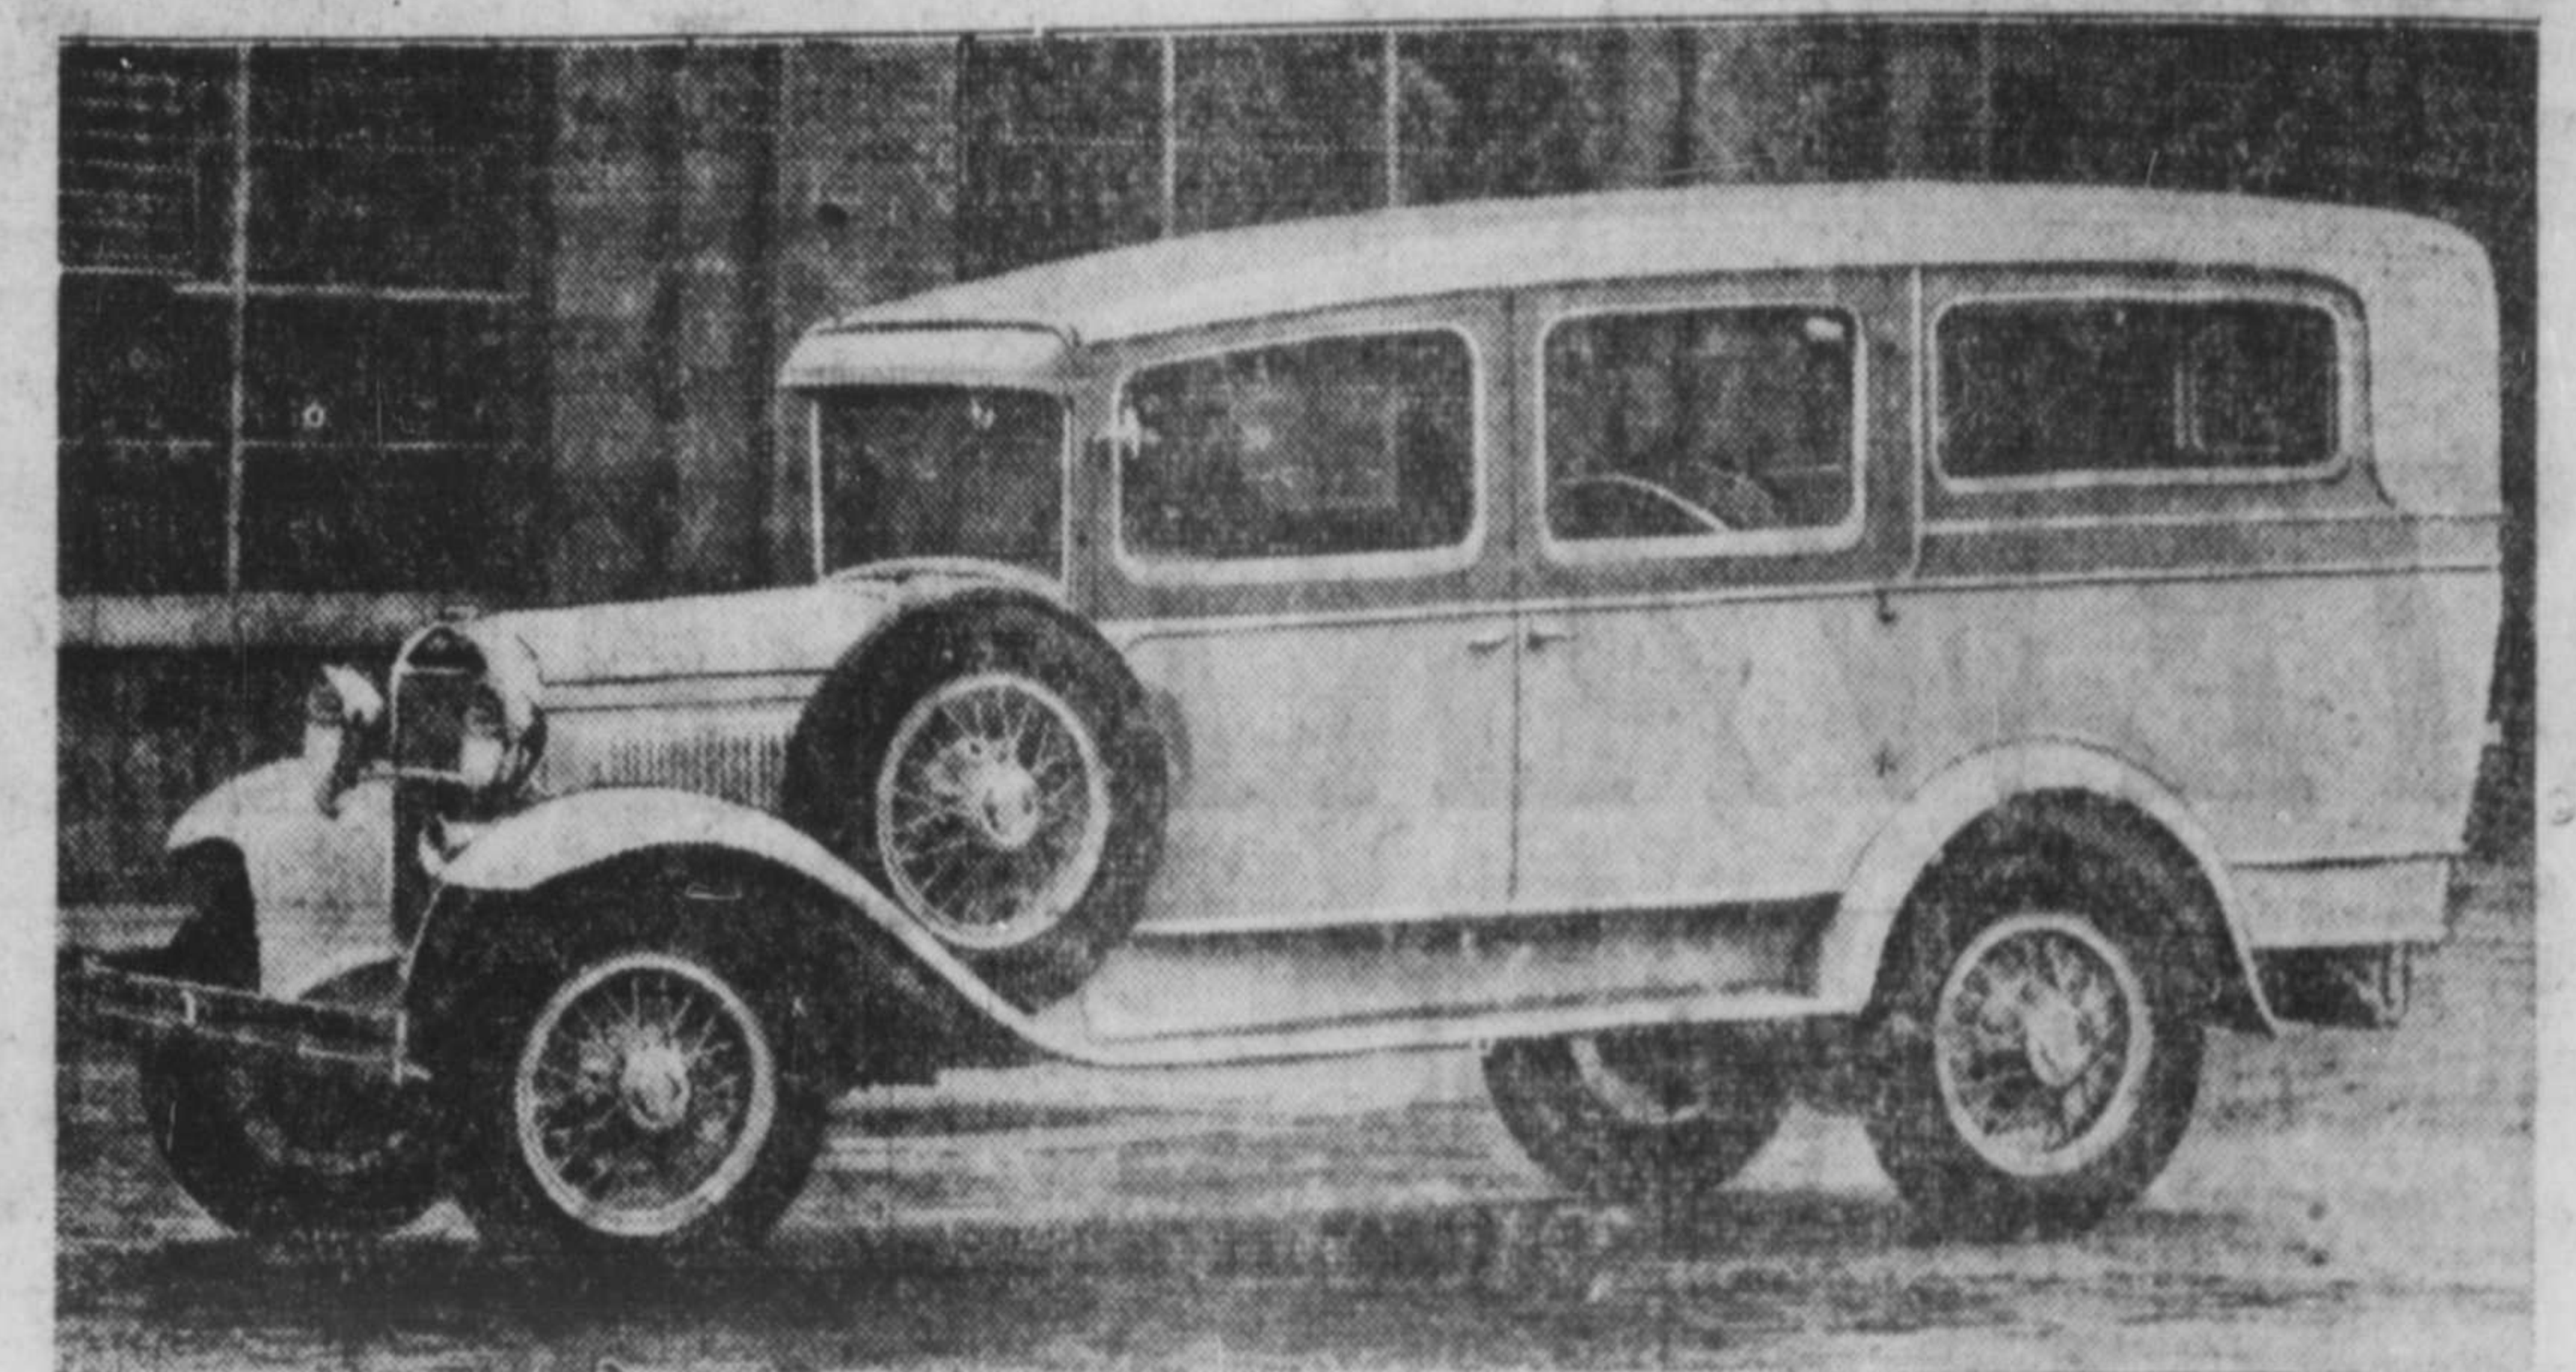

Mr. Donovan is an Irishman by birth, hailing from Dublin, where he is a graduate of Dublin university. He is a man in young middle age, already eminent in his profession, full of vitality and energy and completely possessed by an enthusiastic belief that he has discovered what is to become the mining centre of this world.

Not the least of Mr. Donovan's exhibits are photographs taken of pieces of ore by the light of their own Alpha emanations. These rays are of course invisible to the human eye but can be recorded on the photographic plate.

UNEMPLOYED AT MEETING MOOSE HALL

Resolution Passed Asking For Unemployment Insurance—Other Matters Dealt With

The second mass meeting of unemployed at the Moose Hall last night passed a resolution asking the federal and provincial governments to pass immediate legislation providing for unemployment insurance. The committee was also asked to get in touch with the local chamber of commerce, trades and labor council and other organizations asking their support in urging the institution of immediate employment on a large scale, pending insurance legislation.

The meeting was largely attended, the seating capacity being well taken up by the unemployed, and the general public, the latter being graced by a few ladies. Mr. Murray occupied the chair and was supported on the platform by the committee.

The meeting was called to receive the report of the interview with the mayor and council, and Mr. Larson, representing the committee, gave the report. Beyond the telegrams and the replies which have already appeared in the press, there was nothing new to report. Strenuous efforts are still being made in the matter of the 40c daily being increased, and at date Mr. Watt, Government Agent, had no authority beyond his original instructions to give to other than transients. Meantime Mayor Orme has indicated to the committee that no one need go hungry, and a number were issued relief from the city office on Saturday, but in the present condition of the city's finances this could not last forever.

Mr. Murray said that the government would probably present their scheme of constructive public works for approval this week.

It was estimated by the city authorities that there were now 600 unemployed and this would be increased in the near future to 800. It was therefore wise for outsiders to steer clear of this district.

The committee was enjoined to continue their efforts towards obtaining a reasonable subsistence allowance for the men till operations commenced.

Alderman Macdonald who was present in the audience gave an outline of the city's scheme to register each individual in the hope of each man getting his share of work, and remove considerable complaint of unfairness.

A motion to the effect that the unemployed organize into an unemployed union was carried unanimously, without discussion. The confidence of the meeting in the present committee was expressed by their unanimous re-election.

At the close of the meeting a letter thanking the Royal Order of Moose for the use of their hall was endorsed, and the Order of Eagles was also thanked for their courtesy in offering the men the use of their hall.

Police Boat Was Ashore Maple Bay

STEWART, July 20—At the weekend the B. C. Police boat from Prince Rupert with Sergeant McNeill and three men aboard, ran on a bar at Maple Bay in Portland Canal when on the way to the big celebration. The force arrived later and damage to the boat is reported slight.

England is spending more than \$40,000,000 on new roads and highways.

Twenty-six hundred stamp selling machines have been installed in England.

Borden All Stars Capture Matches

Defeated Newsies in Both Games on Saturday Evening at Softball

In Saturday night's games between Borden All Stars and Newsies the Borden boys took the long end of it, the scores being 8-7 and 5-4. The first game was a tight one all the way through, Shrubsall hitting hard for Borden.

In the second game the Borden boys had a nice margin all the way until the last inning when the Newsies showed their stuff and collected three runs.

Batteries: Borden, Comadina and Postula; Newsies, Dungate and Art Murray.

Borden — Shrubsall, Welle, F. Montesano, Comadina (capt), Santerbane, Smith, Postula, Munizaba. Newsies—Arney, S. Murray, A. Murray, Campbell, Morgan, Woods (capt), Dungate, Lindsay, Veitch.

Power

Always fresh—because he keeps his mouth fresh with Wrigley's.

WRIGLEY'S is recommended by doctors and dentists. It aids digestion... cleanses the teeth. A simple rule of health, of mouth hygiene, of efficiency.

Try a Daily News want-ad.

THE "BEAUTY" THAT MIGHT HAVE BEEN!

NOTHING is sadder than a girl who just misses being beautiful. Often the reason is simple—improper elimination.

The poisons from constipation often cause pimples, sallow skin, dull eyes—headaches and even serious disease.

But every girl can banish the evils of constipation by eating Kellogg's ALL-BRAN regularly. Its bulk sweeps the system clean.

Two tablespoonsfuls daily are a wonderful health prescription. Try it with milk. Add fruits or honey. Delicious when combined with canned peaches. ALL-BRAN is non-fattening.

Ask for Kellogg's—the original ALL-BRAN. In the red-and-green package. Made by Kellogg in London, Ontario.

Kellogg's ALL-BRAN

GREAT BRITAIN IS TO MEET FRANCE FOR DAVIS CUP

CLOSE GAME BASEBALL

Hazelton Defeats New Hazelton By Score of Five to Four

HAZELTON, July 20.—The Hazelton baseball team defeated the New Hazelton entry in the Northern B.C. League here Thursday in a close, hotly contested affair by the score of 5-4. The game was featured by smart fielding by both teams and some good pitching, although Hazelton was forced to use three hurlers. In the seventh inning, Hazelton was leading by one run and appeared well on the way to victory, there being two down with their opponents having their last bat. Bert Spooner, the New Hazelton pitcher, however, tied up the game with a long hit that went for a home run. But in the latter half of that frame, the last of the night-cap, a single by Ingram, a sacrifice by Benson, and a single by Cox, drove in the winning run.

Spooner went the whole route for New Hazelton and allowed only a few hits, but these were bunched by Old Town and were made to count. The first two innings were scoreless and then in the third when the visitors drove in three runs, Adams retired in favor of Marshall. In the last half of that inning Hazelton evened the score when Ingram hit a double with the bases full. York replaced Marshall in the box for Hazelton and was never in trouble the rest of the game. Hazelton scored again in the last half of the fourth, New Town tied it up in the seventh, but the Old Town came back in the last frame to take the game.

Baseball has speeded up immensely in the north this year and as a tribute to the faster ball that is being played large crowds are turning out to the games.

Score by innings:
New Hazelton0 0 3 0 0 1—4
Hazelton0 0 3 1 0 0 1—5
Batteries: Spooner and Denno; Adams, Marshall, York and Ingram.

Britain Wins Right to Play France in Davis Cup Tennis Beating United States 3 to 2

PARIS, July 20.—In one of the great finishes of the year, Great Britain yesterday swept to victory in the last two matches of the Davis Cup inter-zone tennis finals against the United States, winning the three-day series, three matches to two and thus gaining the right to challenge France.

The games against France will commence on Friday of this week.

Yesterday's games:
F. J. Perry conquered Sydney Wood, 6-3, 8-10, 6-3, 6-3.
H. (Bunny) Austin defeated Frank Shields, 7-5, 6-3, 6-3.

'King of the Links' with his Children

Bobby Jones is greeted upon his return to Atlanta from Hollywood, where he recently completed a series of movies by his youngsters, Clara Malone Jones and Bobby Jones III.

30 GAMES OF TENNIS

Good Progress Being Made With Club Tournament Over Week-End

Excellent progress is being made in running off the Prince Rupert Tennis Club tournament and many interesting games were played over the week-end.

The results follow:

Men's Singles
Black beat W. Mitchell, 7-5, 6-2.
W. Tobey jr. beat Moore, 6-1, 6-4.
Gregg beat Robertson, 2-6, 6-4, 6-2.
Hinton beat Nicholls, 3-6, 6-2, 6-4.
Currie beat Hinton, 7-5, 6-3.
A. Mitchell beat Macdonald, 6-1, 6-3.
Black beat W. Tobey jr., 9-7, 3-6, 8-6.
Joslin beat Bartlett, 6-3, 6-4.
Russell beat Lyons, 6-1, 6-3.
A. Mitchell beat Gregg, 6-2, 6-1.
Brown beat Joslin, 6-3, 6-4.
Black beat A. Mitchell, 6-3, 4-6, 6-2.

Men's Doubles
Hinton and Moore beat Lyons and Wilding, 6-4, 6-4.
Joslin and Russell beat Tobey sr. and Tobey jr., 6-4, 6-4.
Macdonald and Farquhar beat Darton and McAfee, 6-3, 6-3.
Macdonald and Farquhar beat Hinton and Moore, 3-6, 6-2, 6-2.
Currie and Lambie beat Smith and Cornish W. O.
Brown and McMordie beat Currie and Lambie, 6-1, 8-6.

Ladies' Singles
Mrs. McMordie beat Miss M. Smith, 6-0, 6-1.
Mrs. Currie beat Miss F. Smith, 8-6, 6-4.

Miss V. Smith beat Miss L. Frizzell, 7-5, 9-7.

Ladies' Doubles
Miss V. Smith and Miss F. Smith beat Miss Cameron and Miss M. Smith, 6-1, 6-1.
Mrs. Currie and Miss Edgecumbe beat Miss V. Smith and Miss F. Smith, 6-0, 1-6, 6-2.

Mixed Doubles
Miss V. Smith and Brown beat Mrs. Gierich and Nicholls, 6-0, 6-1.
Miss Cameron and W. Mitchell beat Mr. and Mrs. Farquhar, 6-4, 6-3.
Miss B. Edgecumbe and McMordie beat Miss Cameron and W. Mitchell, 6-0, 6-1.
Miss I. Mitchell and Macdonald beat Mrs. McMordie and Black, 8-10, 6-2, 6-3.

Draw For Tonight
6:00—Robertson and Linsey vs. Gregg and Nicholls.
Currie vs. Russell.
6:45—Mrs. Gregg and Mrs. McMordie vs. Mrs. Blance and Miss Jean Robertson.
Miss V. Smith vs. Miss I. Mitchell.
7:30—Linsey vs. J. Smith.
Joslin and Russell vs. Black and Bartlett.

Box Wednesday At Ketchikan
KETCHIKAN, July 20.—As one of the sporting events to be staged here this week for the entertainment of the men aboard the U. S. S. Detroit, the American Legion has arranged a boxing card to be held Wednesday night in the Coliseum Theatre.

As the main event Norman Wilson of Canada who defeated Battling Mix here on July 3 will meet the Dixie Kid of Miami. Wilson made quite a hit with the fans here in his last show and they will welcome the opportunity to again see him in action.

Softball Game Won By C. N. R. A.

The C.N.R.A. boys had no trouble in taking the Prince Rupert All Stars in a fast game of softball on Sunday night to the tune of 13 to 3. It was the railroad boys night on for hitting every player getting one to three hits.

All Stars—E. Smith, D. Stalker, R. Stalker, D. Gurvich, Eddie Smith, J. Comadina, B. Wendle, Hion, N. Chenoski.

C. N. R. A.—Horton, Eldridge, Styles, Tulloch, Cameron, Unger, Boulter, Wicks, Peterson.

There were about 250 to see the game.

Newsboys Are Again Victorious

The Borden Street all-stars suffered a double defeat in softball at the hands of the local Newsies at the C. N. R. grounds Saturday afternoon, the scores being 6-1 in the first game and 3-2 in the second. There was an interested crowd of spectators watching the game. Shruball and Campbell were the outstanding players.

SPORT CHAT

The glorious uncertainty of football was once again demonstrated in the match between the Regiment and the Legion on Friday evening. The Regiment had beaten the Merchants seven to one, the Merchants beat the Legion six to one and the Legion turn around and beat the Regiment four to one. The Regiment have won only two games this season and each was against the Merchants. They have lost to the Legion every time. Yet the Legion have beaten the Merchants only once and that was in the replayed final of the Dominion Day Cup.

With arrangements being considered for the entertainment of the British cruiser Dragon due here early in August football supporters are already considering the probable team that will represent the city in the games which are always one of the outstanding features of the visit of the Navy. If two games are arranged changes might be made where players of equal merit play in the same positions on the teams. But the chief item is undoubtedly the selection of the best team that the city can provide.

A group of spectators made their selection as follows: For goal, Smith of the Legion and Laidler of the Regiment were considered with the suggestion that each should get a game. The backs were Jack of the Legion and Watson of the Regiment. Sam Currie was the choice for centre half with Hadden left half and Hill or Edgecumbe right half. Forward the selection was Wilson, Russel, Baptie, A. Dickens and Norrington.

It would be interesting to hear from other football supporters their ideas on the subject of a representative team and the sporting editor will be glad to receive suggestions. Send your selections to the Sporting Editor, Daily News.

Spartan Club Holds Races On Saturday

Informal Affair But Number Took Part and Good Results Obtained

Owing to the fact that several members of the club were absent from town, the Spartan Athletic Club track meet on Saturday evening was held as an informal affair, only those members who were in town being able to participate. This, however, did not hinder it from being a very successful meet.

Due to the misfortune of having cut his hand, Alec Walters, the club's star athlete, was able to compete in only two events. In both the hundred-yard handicap and the girls' 75-yard dash, the finishes were close, only a few inches separating Smith, Edgecumbe and Vance in the former, while in the latter, Laura Frizzell nosed out Eleanor Patmore to win in the good time of 10 seconds.

Sidney Woodside was starter, and J. Campbell was timekeeper. The results were as follows:
220-Yard dash (handicap)—Carl Smith (5 yds.), Phil Edgecumbe (scratch), R. Moxley (12); time, 25 3-5 seconds.

Half-mile—Hedy Suehiro, Bill Patmore, A. Thompson; time, two min., 22 seconds.

Girls' 75-yard dash—Laura Frizzell, Eleanor Patmore; time, 10 sec. Broad Jump—Carl Smith, 16 ft., 5 1/2 in.; Bill Vance, 16 ft., 1 1/2 in.; Phil Edgecumbe, 14 ft., 5 in.

100-Yard Dash (handicap)—Carl Smith (3), Phil Edgecumbe (1), Bill Vance (4); time, 11 seconds.

Hop-Step-and-Jump—Alec Walters, 36 ft., 3 1/2 in.; A. Thompson, 36 ft., 2 in.; Bill Vance, 31 ft., 2 1/2 in. Medley Relay—A team consisting of Bill Vance, Bill Patmore, Carl Smith and Archie Thompson won from one consisting of Bill Bacon, Phil Edgecumbe, Bob Moxley and Alec Walters.

Bring your best
--- to ---
Prince Rupert

The Fair Board is anxious to encourage residents in the districts around Prince Rupert to bring their best to the

FALL FAIR

Which will be held the

FIRST WEEK IN SEPTEMBER

Local residents believe that they can grow flowers better than any place within two hundred miles. Can they? The Fair Board would like to have the districts pit their horticultural skill against the Prince Rupert Flower Society and see if they cannot wrest away some of the prizes, especially that for the best floral display.

A cordial invitation is extended to all to compete. Further information can be obtained from

Secretary W. D. Vance
or from
The Daily News, Prince Rupert, B.C.

Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.

Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.

Letters should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

TENDERS

TENDERS for the sale of a 1923 Hudson Sedan will be received up to July 20. Half cash, balance arranged. Kalen Motors Ltd. tf

SHE'LL MAKE SOME MAN HAPPY

Pauline M.—is just a young girl—as you can tell from her letter. But she has what I wish every young girl had—a real enthusiasm for cookery, and a real cleverness in ferreting out cooking secrets.

But let me quote her own spontaneous and delightful words: "I have tried many of your recipes—salmon croquettes, creamed chicken, spinach au gratin, baked cauliflower, devil's food cake, caramel nut cake, cherry pudding and so many of them I just can't name them. They were wonderful."

"You see, we were giving a shower for a friend, and I made some of the recipes, and the people just couldn't get over how good and delicious they were, especially the caramel nut cake. They all asked me who made all that, and they said me, but, boy! did they rush to me and ask how I got the recipe! I told them from Carnation Company, and they said, gee, they never knew Carnation could do so much. So you see how all my friends appreciate your delicious recipes."

Pauline knows what you should know—that Carnation Milk, being simply pure whole milk, evaporated to double richness and "homogenized" so that the cream is broken up into finest particles and distributed through every drop, gives cooking results that even the best of bottled milk cannot equal, and that it is extraordinarily convenient, dependable and economical.

USE THE SAFEGUARDED MILK

Only purest whole milk, safeguarded at the source by the strictest cleanliness in the care and in the milking of the cows, and then evaporated to double richness goes into Carnation cans. These cans are then hermetically sealed to continue the protection until Carnation reaches you. To save on butter and cream and get wonderfully fine textures, use Carnation Milk in all your cooking. (See recipe above.)

Miss Sheasgreen Is Pretty Bride

Girl Well Known in North Marries In Vancouver—Mrs. Marinette Is Matron of Honor

VANCOUVER, July 20—Summer flowers, mostly roses, decked the little grey-stone Church of St. Peter and Paul Thursday morning for the marriage of a daughter of an old-time family here, when Evelyn Teresa, daughter of Mr. and Mrs. Sheasgreen, became the bride of Ernest Arthur Goddard of Ocean Falls, son of Mr. and Mrs. Frederick A. Goddard of New Hazelton, B.C., formerly of London. Solemnized with a quiet dignity at nuptial mass by Rev. Father C. J. McNeill, the service was followed by a reception for relatives and close friends of the families at high noon.

The frocks of the bride, her matron of honor and two tiny flower-girls were of sheerest organdy, carrying out a pastel symphony in coloring. The bride, who looked very pretty, was given in marriage by her father. She carried a colonial bouquet of pink rosebuds, delphinium and white heather.

Bride's Attendants

Piquant in flowered organdy frocks were her two nieces, Miss Joan and Miss Betty Marinette whose gowns were pink and blue respectively. Made entirely of frills the skirts tipped their slippers while their hats of matching organdy had dainty streamers and they carried Victorian nosegays of pink and white sweet peas. The bride's sister, Mrs. E. W. Marinette, was matron of honor wearing a georgette ensemble in pastel shades, the predominating mauve appearing again in her hat and in her bouquet of sweet peas and roses. James Sheasgreen of Courtenay was best man, and ushers were Frederick Martin and Mitchell Newman. During the signing of the register Miss Hilda Binns, accompanied by Mrs. Stirn, sang "Ave Maria."

The reception took the form of a buffet luncheon. Mrs. Sheasgreen mother of the bride, assisting in receiving at 1256 West Twenty-sixth, where the drawing room had been arranged with cut and garden flowers, again carrying out the pastel motif.

Mr. and Mrs. Goddard will spend a month travelling in California prior to residing at Ocean Falls. For going the bride donned a travelling suit of robin's egg blue Roshanara crepe with eggshell accessories. A polo coat completed the smart ensemble.

Quiet Wedding Saturday Night

Miss Helen Kehoe Becomes Bride of James Hillman, an Employee of Cold Storage

A quiet wedding took place at the Presbyterian Manse Saturday evening at 8 o'clock. Rev. W. Grant Hollingworth officiating, when Miss Helen Kehoe of this city became the bride of James Hillman, an employee of the Cold Storage, and a well known billiard player. The witnesses were Mr. and Mrs. T. H. Elliott, at whose home, 1541 Sixth Avenue East, a reception was afterwards held, nearly forty people being present. Mrs. Elliott is a sister of the groom.

Mr. and Mrs. Hillman will reside at 1640 Sixth Avenue East.

Actor Purchased Number of Furs While In City

One firm that benefitted from the visit of the Barrymore party Saturday was that of William Goldbloom the fur man. He sold them several fine fox skins and several other varieties of furs.

Mr. Barrymore was very pleased with the furs he saw and with the store and complimented Mr. Goldbloom on them.

District News TERRACE

Rev. and Mrs. J. B. Gibson met some friends at the station on Wednesday as they proceeded east for a little vacation.

The girls of the C. G. I. T. returned from Lakelse Lake after spending a most enjoyable holiday in the charge of Mrs. Allen and Mrs. McCarthy.

Mr. Macdonald, the new road superintendent, paid a visit to Terrace during the week and had a look over the roads.

Quite a few carloads of poles have been moved from here recently and the lumbermen who had supplies in the woods have begun to haul in their supplies again.

Several local families are now in residence at Lakelse Lake for the summer holidays.

The new town pump in the park is delivering a copious supply of water and so robbing the usual summer shortage of its penalties.

SMITHERS

A great sendoff was given Government Agent Hoskins, about sixty residents of the neighborhood gathering to spend a social evening with him. There were many complimentary speeches and much music. The affair was arranged by the Chamber of Commerce with Charles Morris in charge. A Masonic emblem was presented to the guest of honor.

Mrs. Olof Hanson and daughter Linnea have returned from Ottawa where they accompanied Mr. Hanson at the opening session.

ALICE ARM

Good returns are reported from the Billy Mac property from which J. Pearce and T. Calfa have recently returned. They report that at the end of a 60 foot tunnel they drove through nine feet of zinc, silver and lead ore containing good working values.

The scouts, fifteen in number under Scoutmaster Roland Gale are in camp at Stewart. They are accompanied by Mrs. Gale.

Miss Margaret Beatty, who has been visiting with Miss Alice Kergin, has returned to Prince Rupert.

England now has 526 automatic and 4,293 manual telephone exchanges.

Married women—Mrs. Yuck, Mrs. Montgomery.

Men—Geo. Boulter, Mr. Barker.

Tug-of-war—Married Women vs. Single Women. Single Women won.

Kicking football—Rosie Smith, Jean Sunbey.

Life Was Subject Christian Science Church Sunday

The subject of the lesson-sermon in all Christian Science churches and societies on Sunday was "Life." Among the Bible texts included in the lesson-sermon was the following from Proverbs 12:28: "In the way of righteousness is life; and in the pathway thereof there is no death."

The lesson-sermon also included the reading of citations from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, one passage being as follows: "Life is fearless. Life is the origin and ultimate of man, never attainable through death, but gained by walking in the pathway of truth both before and after that which is called death."

Burns Lake Has Superior School

BURNS LAKE, July 20:—Provision has been made by the trustees of the local school for the opening of another room in the fall. This will give the school the status of a superior school and the children will have the advantages of more advanced education.
