PACT IS BENEFIT

Public Hearings to Precede Any New Halibut Regulations By Commission

VICTORIA, June 30:—Increased powers for the control and preservation of halibut fisheries in Pacific waters has been given to the International Fisheries Commission by the treaty between Canada and the United States, which became operative in May last, according to John P. Babcock, chairman of the commission, who returned recently from conferences at Ottawa, Washington and Seattle.

Halibut fishing may be prohibited by the commission in "nursery areas," the catch limit may be varied in any area; and power is also given to suspend or shorten the closed season in any or all areas. In addition, the commission is given power to provide for the clearance of all halibut fishing vessels.

Will Arrest Decline

"In my opinion, the treaty is a historical document—the first joint effort on the part of two governments to control a deep-sea fishery, and to arrest the decline of a fishery in which each is interested," Mr. Babcock stated.

The International Fisheries Commission was created in 1924-25 by the original treaty, and set about its work of investigating the whole halibut situation on this coast. Much valuable data was gathered as a result, and the practical benefit of this knowledge has been used by the two federal governments to good account in the ratification of the new treaty, now operating.

Hearings Planned

In reference to the new powers of the commission, Mr. Babcock stated that the control body would exercise none of its widened powers without first holding public hearings at Prince Rupert, Ketchikan and Seattle. Such meetings would be held during the winter slack season, and all interested parties would be given every opportunity to be heard. In this way, it is planned, every interest will be advised in advance of the intended adoption of any regulation.

Considerable satisfaction is felt here at the consummation of the new treaty, and its promise of effective measures to conserve the fisheries in which both countries have such a large part.

POWER IN DOMINION

Radio Control Belongs to Federal Government Rather Than Provincial

OTTAWA, June 30:—Control of radio broadcasting in Canada belongs to the Dominion Parliament and not to the provincial legislatures. Such was the decision of the majority of judges of the Supreme Court of Canada handed down today in a radio reference. The radio question will probably be referred to the Privy Council. In dissenting judgments, Justices Rinfret and Lamont held that the jurisdiction of the Dominion was not unlimited and took the stand that the provinces were entitled to a measure of control, particularly over radio receiving operation.

Four Decades in Ministerial Service Without Interruption is Good Record of Rev. T. H. Wright

The life story of any outstanding minister furnishes interesting reading of a romantic and inspirational kind. Few ministers can equal in interest and inspiration the career of Rev. T. H. Wright, B.A., lately of Hazelton, whose experience has been so varied in its contact with all ranks and conditions of society.

To have forty years of continuous service, is of itself a record of which any minister might well be proud. Men have been in the ministry for forty years but have taken a year's rest in some other branch of the church's work, such as a college professor, or chaplain physician, but to have been in charge of a congregation and to have ministered in a pulpit and pastoral capacity is an unusual record.

In June, 1931, Rev. T. H. Wright, B.A., terminated his ministry of forty years ministerial record to enjoy one year's rest. The time will be spent in travel and study.

Rev. and Mrs. Wright were the happy recipients of substantial gifts from their congregations and left Hazelton with the generous and hearty expressions of goodwill of their congregations at Hazelton and New Hazelton. A purse, a cheque, a silver tray and a Parker fountain pen were the substantial tokens which were received and will be treasured and put to good use.

Rev. Mr. Wright carries letters of introduction from the officials of the United Church. The general secretary of the United Church says: "Mr. Wright is cordially commended as a brother beloved, and enjoying the highest confidence of the congregations and ministers of the United Church in the province of British Columbia."

"Having spent many years in the province as a minister in that province in congregations in our cities, towns and various industrial centres as well as a missionary to the Indians, his varied experiences suggest that he will be a most interesting speaker to any congregation. He is a Bachelor of Arts of the University of British Columbia.

"Mr. Wright gave an address before the Historical Society of British Columbia and the Historical Committee of the United Church on the Library of the Legislative Buildings, Victoria, on May 12 which won very favorable comment."

At New Hazelton

To Rev. T. H. Wright B.A., all Mrs. Wright last Tuesday the following was presented: "The object of our gathering tonight is to give an opportunity to the people of New Hazelton in general and the New Hazelton church people in particular, to bid goodbye to you after your three years of ministry in this district. We just want to wish you God's blessing.

"You have been a help to us, and while our attendance of church services has not always been what it should have been, we do appreciate your efforts on our behalf. Especially do we appreciate what you have done for the children through the Sunday School.

"We are not sorry that you are leaving the district. We are glad. You have both spent many long years in the work and if your work in the past has been what it was for the last three years, we think it was faithful and efficient. Therefore, you are entitled to a rest and holiday. We are glad you are going to have it.

"The only regret we have, and this is a sincere regret, is that we are losing association with you. Some of us may meet you again. Some of us may never see you again. We do wish you both many years of life together. Our best wishes will go with you, and we will often think kindly of you as we have tried to be toward you during the past three years.

"On behalf of the ladies we attach a cheque as a mark of our appreciation of your services. We wish you to use it in whatever way will add most to your enjoyment of your well earned rest."

Congregation at New Hazelton

All the Indians expressed themselves as being sorry that Mr. Wright was leaving the district. Both the Kitzguella and Kisplox Tribes wonder why he could not remain to minister to them.

At Hazelton

At Hazelton on Monday evening of last week members of the congregation and Ladies' Aid gathered at the residence of Mr. and Mrs. John Newick, Hazelton, to say goodbye to Rev. and Mrs. T. H. Wright. A social hour was spent when a program of musical selections, solos, etc. was given, after which Dr. H. C. Winch gave a most eulogistic speech commenting on the faithfulness and efficiency of Mr. Wright's work during his three years' pastorate. He has been in labors abundant, and Mrs. Wright had given generous and unstinted service to all the activities of the church. A purse was then given to Mr. Wright and a silver tray to Mrs. Wright.

Mr. Wright gave brief addresses at both these social functions and stated that had it not been for the hearty co-operation of the congregations, no great success could have been achieved. He thanked all for their hearty support and co-operation during his pastorate of three years. He was better informed regarding the work of the United Church in the north after having spent three very happy and successful years.

On behalf of himself and Mrs. Wright he expressed his deep appreciation for their thoughtfulness and generosity and hoped that the future would have greater blessing in store for them, now that the north was receiving greater publicity.

DAILY EDITION Tuesday, June 30, 1931

THE HOLIDAY TOMORROW

Tomorrow is Dominion Day and all who can will be taking holiday. It is Canada's national birthday and should be the greatest day in all the year.

Those of us who are proud of our country, and most of us are, will take particular pains to make tomorrow's celebration a notable one.

Young Canadians growing up may well look forward for great things for the future in this country. It is a country of hope and in the days to come should be a country of millions of happy homes. It is great to be young in such a country with such wonderful prospects of development.

CAN ALL BE BUILDERS

We can all be builders of our country and our attitude today will to a large extent determine what our country will be tomorrow. The ideal would be to have a country with none inordinately rich and with none too poor to be able to enjoy life. It should be a country without any sickness and without any sadness. Anything which tends to bring about sadness or sickness should be eliminated whether it be in laws or customs.

BEWARE OF QUACKS

In bringing about changes in conditions or laws it is well to examine carefully all quack schemes which promise to cure all the ills of mankind. Doubtless the present condition of affairs is unsatisfactory. We are in process of social evolution. Our economic and social systems are not of the highest standard. Everything must be changed but the changes will come about slowly. Each year will see conditions improving. Each year we shall get closer to the ideal conditions under which sickness and poverty will be abolished and the whole land be happy while striving for still better things.

LETTER BOX

ENGLISH NOT VANDALS

Editor Daily News: I read with much interest Mr. Emerson's letter and your editorial regarding "Vandalism on Digby Island."

After reading those items in the Daily News, I happened to pick up a copy of the "Overseas Daily Mail" of June 6 and was very much struck by the contrast shown in an article therein of which I enclose a cutting this is worth quoting in full in your paper.

S. G. COOPER, THIRIA, B.C.

The Daily Mail article is as follows:

Wonderful Londoners

"Not long ago people were asking, 'Which is the most popular resort in or near London?' The Crystal Palace was one answer, the Zoo another. A third man tipped Windsor Castle. All were wrong. 'It now appears that in good weather Hampton Court is an easy winner. At holiday time Londoners and visitors through this ancient home of our former kings and queens. On Whit Monday 350,000 people went to Hampton Court, 60,000 to the Regent's Park Zoo, 53,000 to the Crystal Palace, and barely 10,000 to Windsor Castle. 'The wonderful gardens of the old palace are now at their best. The flower-beds, which include in their glories 60,000 tulips, are a blaze of color. It is, I think, a fine tribute to our people to be able to record that on Whit Monday in all the 100 acres of bloom not a single flower was plucked, and next day it took one man only one hour to collect the litter of 350,000 people. Splendid!'"

A Winnipeg Bungalow Type

WITH A LARGE LIVING ROOM

EDGAR PRAIN, Architect

ALTHOUGH the design of this house could rightly be called English it would undoubtedly be equally correct to consider it Canadian. The red brick base and chimney, white stucco walls, variegated 'hinge' roof and dark brown woodwork give an effect which is refreshing in its color contrasts and harmonies.

The plan is of a quite unusual nature and deserves more than passing notice. It provides that feature which is usually the first and foremost factor in the mind of the prospective home-builder or buyer—a large living room. Here of course it serves the dual purpose of dining and living room. This is really very little different from the usual arrangement of a wide connecting archway between the two rooms and has the advantage of allowing greater flexibility of furniture arrangement.

Although the exterior appearance alone would almost be enough reason for the existence of the fine big chimney, its real worth can only be properly estimated after seeing the beautiful fireplace for which it provides. It forms not only a centre of interest for the furnishings of the room but spreads a sense of comfort throughout the house as nothing but the "heart of the home" can do.

From a little square inner hall off the main hall, access may be had to a bedroom, a lavatory, and the kitchen. Convenience is thereby obtained at no expense to privacy. Notice too that the stairs ascend from a point very near the hall. This has the desirable effect of forming a simple small centre of communication and also of giving a more direct relationship between the bedroom on this floor and those above.

Outline Specifications Size of house, 25' 6" x 33' 6" Suitable lot, 60' frontage, facing west.

Walls, stucco. Roof, asphalt shales. Heating, hot water. Interior trim and floors, trim, living room and hall, oak; enameled pine elsewhere.

Floors, Oak; bathroom, tiled. Cable contents, 34,000 cubic feet. Approximate cost, \$7,500, erected in Winnipeg, Man.

Readers desiring further information regarding a house of this design should communicate with Home Building Information Service, 345 Adelaide Street, West, Toronto, Ont. When writing please tell us what particulars are desired and mention design number 775. Copyright 1929.

Color in Home Now Turns to Floor Finishes

New Process Gives Rare Combination of Wood Beauty and Color

COLOR has invaded the modern home, there is not a feature in the decorative scheme untouched by its influence. An early sign of the change was the return to fashion of gaily painted furniture. Chintz slips soon followed, covering the dark dull sofas and heavy looking chairs, pale tints became fashionable for walls, and light woodwork was adopted. Last perhaps of the important features of room decoration to yield to the new influence have been floors. These, too, are now being painted and decorated.

At first color was used chiefly for the old-fashioned wide board and other softwood floors. Later, however, floors that for a time resisted the innovation and continued to receive a natural finish have yielded to its influence. For some of the woods, which without stain do not have a strongly figured grain, special finishes have been devised to enhance the wood beauty and at the same time to supply the demand for color.

Among these several finishes is an unusually attractive one for maple flooring, a treatment which reveals the beauty of the wood grain, providing an enduring floor and a hard-wearing finish in color.

After the floor has been cleaned, and dark spots bleached if necessary, a stain is applied. The brushing is done in the direction of the wood grain, that is, parallel to the boards, and the surface gone over a second time without putting any more stain on the brush. When the floor has dried thoroughly, which will require from six to 12 hours, it is sanded and dusted.

Next, a specially prepared clear

lacquer is applied to soften the tone of the stain color. Lacquer is "flowed" on rather than being stroked back and forth. Lacquer dries quickly and may be sandpapered at the end of two or three hours. Two coats of special varnish are then applied.

Many home owners have no plan to have beautiful maple flooring which they do not want to conceal with an opaque coating. Yet the charm of colorful treatments has not escaped their attention. To them the new finishes for hardwood floors will be most welcome. For they make possible the rare combination of wood beauty and color.

HOTELMEN BEAT ELKS; FINE GAME

Both Teams in Lead at Different Times During Contest—Extra Inning Necessary

Old Empress Now In Second Place

Arseneau Led Attack of Old Empress With Lusty Clouts—Bill Mitchell Makes Great Catch

There was both good and bad ball played in last night's City League contest between Old Empress and Elks, in which the former came out on the long end of a 7-6 score, but not until an extra inning had been played. It was anybody's game until the last when Jack Nelson poked out a single to score Eldridge from third and win his own game by so doing.

There were some snappy plays made, the feature being Bill Mitchell's one-hand running catch of Arsenneau's hard line drive to left field. It was the prettiest play that has been seen on the diamond here this season. Eldridge made a nice catch of How's liner in the first inning and Wendie went away out in foul territory to take George Mitchell's foul fly in the seventh for the third out when the bases were loaded. Arsenneau also made a fine running catch in the eighth on Harold's Texas Leaguer.

Each man on the Elks line-up, except their pitcher, Chenoski, got one hit while Arsenneau, Eldridge and Nelson each made two hits for Old Empress, with Elmer Smith making one. Smith has now hit safely in each of the five games he has played. Arsenneau was the big gun for the winners, however, getting a double and a triple while he was ribbed of another triple or possibly a home run by Mitchell's catch in the seventh.

Elks started the scoring in the second. W. Mitchell went out to Wendie on a fly. Farquhar walked and stole second. He scored on Stephens' single to right and Stephens went to second on the throw to the plate. George Mitchell singled and Stephens scored. Skinner filed out to Wendie and G. Mitchell was caught at the plate when he tried to score on a passed ball.

In the fourth they added one more. Alex Mitchell went out to M. Comadina in left. W. Mitchell and Farquhar both singled. Stephens filed out to Wendie. Zibljige booted

Getting in Shape for Toronto Marathon

In back (left to right) are Bill Sadlo and Clarence Ross. In front, Moe Klein and Bill Goll, getting into shape at Cascades Pool, New York, for next marathon swim at Toronto.

G. Mitchell grounder and the bases were filled. Skinner bounced one off Nelson's glove which Nelson recovered but threw too quickly to first. G. Mitchell was caught off second.

Old Empress tied things up in their half. Kenny walked. Hibbard struck out but Arsenneau hit a two-bagger and Kenny scored. G. Mitchell dropped Wendie's fly and Arsenneau went to third. Wendie stole second and both runners scored when G. Mitchell missed Menzie's grounder. Eldridge struck out and Ther Nelson singled. Smith filed out to Howe in right.

The Lodgemen came right back in the fifth with two more, and it looked as though they had put the game on ice. Hibbard dropped Chenoski's fly. Harold filed out to Arsenneau and Howe filed out to Redman in left. Alex Mitchell singled and the ball went past Arsenneau. Chenoski scoring. Kenny missed W. Mitchell grounder and A. Mitchell scored. Farquhar struck out.

In the sixth the Hotelmen went into the lead with three runs. Arsenneau led off with a triple. He was thrown out at the plate by Farquhar when Wendie rolled one down towards third. Menzie was hit by a pitched ball. Eldridge tried to bunt but was given a hit, filling the bags. Nelson hit one just in front of the plate. Mitchell picked the ball up, stepped back to use the plate and then threw Nelson out at first. Umpire Brooks claimed he did not touch the plate with his foot and Wendie scored. Smith singled to right and Menzie and Eldridge scored. Redman struck out.

Elks tied the score in the seventh. Harold led off with a triple to deep right. Howe doubled to left and Harold scored. A. Mitchell struck out. W. Mitchell filed out to Redman. Farquhar was safe when Wendie threw wild to first. Stephens was hit by a pitched ball, filling the bases. G. Mitchell went out on a foul fly to Wendie.

In the eighth Elks were not dangerous in their half but the Old Empress came through with the needed tally. Menzie was thrown out by Chenoski. Eldridge singled to left and stole second. He went to third on a passed ball. Jack Nelson singled to right and Eldridge scored.

Another switch-up has been made in connection with the change in the government agentship at Smithers and now Stephen H. Hoskins, former government agent there, has been gazetted as deputy government agent to Robert Bonson Campbell, formerly government agent at Anxox and Kelowna, who has supplanted him.

Take The DAILY NEWS with you When Going on Summer Holidays

Nearly everybody likes to keep in touch with Prince Rupert when away for their holidays. The best way to do this is to order the paper sent during that time. If it is only for two weeks, the News is a welcome visitor and the mails during the summer months are carried almost daily to most points.

Recently a number of Scandinavians have given up the local fishing for the summer and gone on an extended visit to their former homes. In almost every case they order the Daily News sent them while they are away. Several subscribed for a year, others for shorter periods.

No time is too short for us to look after our patrons.

SCHOOL CLOSING

Booth Memorial Program Yesterday Was Much Enjoyed

The annual closing exercises took place at the Booth Memorial School yesterday afternoon when the scholars assembled in the auditorium. The principal, Miss E. A. Mercer presided.

A program, to which each division in the school contributed, was much enjoyed. A historical sketch, "A Morning in Court," presented by pupils of Grade 5, Division 7, and typical of the French Period in Canada, was particularly interesting. The rest of the program was as follows:

Dance, "Kinderpolka," Division 14.

Recitation, Marybelle Stiles, Grade 7.

Dances, "Swedish Ring Dance and Tantoll," Division 11.

Chorus, Girls of Division 8, accompanied, Miss Mitchell.

Dance, "The Dance of Greeting," Division 13.

Chorus, "The Homeland," The School.

Dance, "Clap Dance," Division 12.

Playlet, "S. P. C. A.," Division 6.

Dutch Dance, Engina Christensen, Division 10.

Highland Fling, Jane Service, Division 9.

Dialogue, Betty Woods and Adele Mussallem.

Vocal solo, Betty Ellison, Division 4, accompanied by Ruth Nelson.

Dance, Freda Mussallem, Division 3, accompanied by Venetia Ferro.

Pianoforte solo, Edith Wilkinson, Division 2.

Vocal solo, Ruthana Wood, Division 1, accompanied by Francis Lisney.

Mrs. T. M. Spencer, chairman of the Board of School Trustees, then presented the honor rolls for proficiency, deportment and attendance to the pupils of the various divisions. Mrs. Spencer congratulated the pupils on their success and wished them all a healthful and enjoyable holiday. A feature was the presentation on behalf of the school board of a copy of the works of Shakespeare to Beatrice Berner, who had completed her elementary school career of eight years without having been late or absent once, a very noteworthy achievement.

The valedictory message to the graduating class was given by Clara Wikdal, ranking pupil of Grade 7, and the reply by Clara Pierce, ranking pupil of grade 8.

Miss Mercer thanked Mrs. Spencer for her attendance and talk to the pupils and the afternoon was ended by the singing of the National Anthem.

Magistrate Thomas McClymont in city police court yesterday afternoon, dismissed a charge against Dido Gurvich of attempting to procure. City Solicitor E. F. Jones prosecuted and L. W. Patmore defended.

Under the auspices of the United Church Ladies' Aid, the farce "The Mayor and the Manicure" was presented to a large and appreciative audience last week. Members of the cast were Howard Campbell, the mayor; Mrs. A. Carolan, the manicure; Miss Rita McLean, as the fiancée; Don Esselmont, as the son just back from college. In another farce, "Marry Smitty," those taking part were W. D. Smith, Mrs. D. J. McLean, Miss D. McCarthy, Mrs. S. McNeill, Miss Evelyn Blanton, Mrs. H. D. Rochfort and Mrs. W. T. Esselmont.

Honor rolls were awarded in the local public school to the following: proficiency, Ellen Anderson, regularity and punctuality, Leah Kergin; deportment, Anna McGuire.

Last Thursday morning the death occurred of Prentiss Clark Abbott at the home of his son, W. W. Abbott, in the Stuart River district. Deceased was 79 years of age and had resided in the district for six years. The funeral took place Saturday afternoon with Rev. B. S. Prockter officiating.

Ruth Docking, Garrett Cook, Hazel Dunbar, Helen Syone, Donald McGeachy, Eva Cook, Betty Peterson, John Goldie, Esther Snell and Pearson have been recommended by F. G. Cook, principal of Vanderhoof Superior School, for promotion from Grade Eight to Grade Nine.

The Stewart Tennis Club has been taking advantage of the recent fine weather to run off a championship tournament. Mrs. David and Miss Helen Crawford defeated Mrs. Gibson and Mrs. A. Carolan 6-1, 6-4 in the final of the women's doubles while Mr. Lawrence and Mrs. Jewitt beat Mr. Davidson and Mr. Russwurm 6-1, 6-2 in the final of the men's doubles. The local branch of the Canadian Legion held its annual memorial service yesterday morning at the cenotaph. The program included the hymn "Onward, Christian Soldiers," address by Father E. M. Leray O.M.I., roll call by H. A. Stewart, first vice-president of the Legion, prayer by Rev. G. H. Moody, hymn "O God, Our Help in Ages Past" and "Last Post" sounded by W. D. Smith.

The occasion being fourteenth anniversary of her superintendency of the Sunday-School of St. Mark's Anglican Church, Mrs. J. P. Gibson was honored with a surprise party at the rectory last Tuesday evening. Appropriate speeches were made and the presentation of a beautiful bouquet of flowers was one way in which appreciation for Mrs. Gibson's services was voiced.

A committee consisting of Holger Johnson, H. W. Thomas, Thomas Moore, Ben Olen, H. R. Cross and N. M. Traversy has been appointed to take charge of arrangements for the Independence Day celebration in Hyder. There will be children's sports, baseball game and big dance in the evening.

Claims adjoining the Ben Bolt mine, which are reported to have been purchased by the owners of the Ben Bolt, are being surveyed with a view to obtaining a crown grant. The survey is being carried out by Dalby Morkill, B.C.L.S., who left last week for the property.

FINE OLD PLAY HERE

"East Lynne" is Heart Throbbing Picture

"East Lynne," opening at the Capitol Theatre last night, sent memories of old timers back to the novel of Mrs. Henry Wood which became the standard for all stock-company melodramas. The story of Lady Isobel is, necessarily, very sad but Anne Harding is luminous and is aided by a very intelligent cast of supporting actors including Clive Brook, Conrad Nagel, Beryl Mercer, O. P. Heggie, Cecilia Loftus, J. Guinn Davis and Wallie Albright.

It is a genuinely heart throbbing picture, lavishly produced and gorgeously costumed. Many of those who saw it were reduced to tears.

Miss Norah Rivett, who leaves tomorrow morning for Vancouver after having resigned from the staff of Borden Street school, has been the honored guest at a large number of showers and other functions in view of her forthcoming marriage the middle of next month in Vancouver to Gen. H. Arnold of this city. Mr. Arnold has taken the old Tite House on Borden Street.
