BRITISH GOVERNMENT BREAKING UP NOW

NO WORD OF PLANE

Burke Machine Still Stranded Between Telegraph Creek and Hazelton

Government Telegraphs reported this morning that there was still no word of Pilots R. I. Van Der Byl and W. A. Joerss and Air Engineer Emil Kading, who took off at noon Saturday from Telegraph Creek for Hazelton en route to Vancouver but who failed to arrive that day.

If the plane of the late Capt. E. J. A. Burke was forced down again with engine trouble between Telegraph Creek and Hazelton, there is some speculation as to the chances there would be of lifting the ship off again from the snow in that region which is reported to be very wet and soft just now.

It is confidently felt, however, that the party is safe. They were carrying sufficient rations, it is understood, to last them considerable time should they be forced down and unable to get out. The stretch between Telegraph Creek and Hazelton is about the worst of the whole flight.

BIG ISSUE OF BONDS

United States Congress Approves \$8,000,000,000 Measure

WASHINGTON, D.C., March 3.—Congress yesterday approved an administration measure providing for the floating of \$8,000,000,000 bonds for refinancing of Liberty Bonds.

Taxation exemption was eliminated from the new bonds at the instance of the Senate although the House would have made them tax free.

Installing More Street Lights

Power Company Makes Proposition to City Council

A letter from J. J. Little, general manager of the Northern British Columbia Power Co., informed the city council last night that the company was prepared to erect fifty more ornamental lamp standards on new sidewalks at the same cost for energy as for the first fifty lights. This rate would be effective until May 1, 1932, when a charge of \$15 per 100 candle power would be made. The lights would be erected as soon as the council made the requisition.

At the request of Ald. S. D. Macdonald, chairman of the utilities committee, the matter was referred to that committee for report, another conference to be held in the meantime with Mr. Little.

FISH HERE; NOT SOLD

Zarembo Proceeded to Seattle Yesterday Afternoon With Catch of 12,000 Pounds

The first of the regular halibut fleet to arrive here this season with a catch was the Petersburg boat Zarembo, captained by P. K. Sather and manned with a crew of four owners, which came in yesterday afternoon. The Zarembo, however, did not sell here but, on learning that the United Pacific Fisheries concern was not yet doing business here, proceeded to Seattle to sell her catch.

The halibut boat Excel was also in port yesterday afternoon picking up a cargo of bait to be taken to Petersburg.

SEAL COVE SIDEWALKS

Council Discusses Necessities in Sympathetic Vein

Sidewalk necessities in the vicinity of Seal Cove came in for discussion at last night's meeting of the city council and the consensus of opinion was that the people here were entitled to some attention which they would get if finances permitted.

A recommendation from the board of works that an initiative bylaw be introduced for grading the easterly half of Seal Cove Circle to connect with Seventh Avenue East at an estimated cost of \$3,000 was adopted after some discussion.

Canon W. F. Rushbrook protested at the idea of St. Peter's Church and its adjuncts being cut off from sidewalk communication. Ald. Rudderham replied that it was the intention to provide a cinder pathway from Seventh Avenue to the church.

George Kelsey told the council that sidewalk communication would also be required for people living on Fifth Avenue near Seal Cove. This matter was referred to the board of works.

Ald. Collart pointed out that finances would have to determine to large extent what work along this line could be done, and what could not.

SEES VISION FOR FUTURE OF RUPERT

Deputy Attorney General in Address to Gyro Points to Northern Port

A vision of Prince Rupert as one of the largest and most important cities on the Pacific Coast north of San Francisco was conjured up yesterday by Oscar Bass, K.C., deputy attorney-general, in an address at the Gyro Club luncheon in the Empress Hotel, says the Victoria Colonist in a recent issue.

Prince Rupert, he stated, was surrounded by large quantities of different kinds of raw material and was the logical city to attract the investor of the future. The Oriental market, from which the city already derived considerable benefit, was increasing rapidly, he added, and there was little doubt that more and more vessels would be carrying Canadian exports from Prince Rupert across the ocean in the future.

MINISTER RESIGNS

Sir Charles Trevelyan Said to Have Been Influenced by Adverse Vote

LONDON, March 3.—The resignation of Sir Charles Trevelyan as president of the Board of Education was announced in the House of Commons yesterday.

No reason for the resignation was given but it was reported that Sir Charles' action was influenced by the recent defeat in the House of Lords of the Education Bill. This was a measure to which Sir Charles had given much time and labor.

PREDICTS DEFICIT

C. N. R. Will Lose \$30,000,000 on Last Year's Operations, Says Dr. Manion

OTTAWA, March 3.—The deficit of the Canadian National Railways during the year just closed will be around \$30,000,000, Hon. Dr. Manion, minister of railways, stated today. The railway will earn \$24,000,000 to be applied to interest due the public on securities.

Dr. Manion's announcement was in response to forecasts that the deficit would run as high as \$40,000,000.

TELEPHONE SURPLUS IN JANUARY LARGE

Revenue of the city telephone department for the month of January was estimated at \$4,325 with expenditure of \$3,031.32, leaving a surplus on the month's operations of \$1,293.68, it was reported to the city council last night by Samuel Massey, telephone superintendent.

AGREEMENT IS REACHED

Lord Irwin and Gandhi Settle Matters in Dispute

NEW DELHI, India, March 3.—Agreement has been reached between Lord Irwin, the viceroy, and Mahatma Gandhi, All India Congress leader, on outstanding points in connection with India's future government. It was announced last night. A final announcement on all points will be made tonight, it was stated.

A bumper crop of sugar cane was produced by Louisiana in 1929 with approximately 199,609 short tons.

Relief Work Is Reviewed

Council Informally Discusses Problem Still Confronting City

The city council after its meeting last night reviewed the unemployment problem at some length and after a long discussion in the course of which it was intimated that the city would have no funds to carry on after the end of March, the matter was referred to the finance committee for report at the next meeting.

Acting Mayor Collart introduced the subject, analyzing the figures in connection with the direct relief system and also dealing with individual cases in connection with indirect relief.

In the course of discussion it was stated that the men with long families were in many cases the least efficient at their work and therefore the least likely to hold their jobs.

American tourists spend approximately \$300,000,000 annually in Europe, most of which goes to France.

Salt Question is Settled and Complete Accord Between Lord Irwin and Gandhi Now Impends

NEW DELHI, India, March 3.—Mahatma Gandhi and Sir George Schuster, Indian finance minister, conferring today at the vice-regal palace, reached an agreement on the salt question, one of the outstanding problems in the way of an abandonment of the civil disobedience campaign.

After the conference with Schuster, Gandhi proceeded to the viceroy's quarters to resume talks with Lord Irwin which, it was expected, would lead to a formal agreement permitting abandonment of the civil disobedience campaign.

MIGRATION BEING CUT

Drastic Restrictions Made in Bill Which Has Passed House at Washington

WASHINGTON, D.C., March 3.—The Jenkins Bill to restrict immigration for two years as an aid to employment was passed yesterday by the House of Representatives.

The bill which now goes to the Senate for approval, would limit the quota of immigration from European countries ninety percent and would restrict entrants from Western Hemisphere countries, including Canada.

Wenatchee Motor Party Had Narrow Escape Yesterday

WENATCHEE, Wash., March 3.—Six persons—five men and one woman—had a narrow escape with their lives on the highway near here yesterday when the car in which they were driving went over a bank and, after turning over four times, landed on a river bank below. One man sustained two broken ribs which was the only injury of consequence any member of the party sustained.

THANK YOU, MR. BASS

Oscar Bass, deputy attorney general, has been saying some kind words about Prince Rupert. In fact he is much more enthusiastic about the city than a great many of the people who live here. He sees the position with a better perspective. We are much obliged to Mr. Bass for his appreciative words and hope Prince Rupert people will learn to see things as he does.

GOVERNMENT AND P.G.E.

The real trouble about the policy of the Tolmie Government in the matter of the P.G.E. is not that it has done the wrong thing, but that it has been altogether too patient and tolerant under the importunities and abuse of the irresponsible—persons and organizations and newspapers—which have been demanding that it do about the P.G.E. what every sane and honest citizen of this province knows it would be madness to do, says the Vancouver Province. Why does not the Tolmie Government say, outright, and once for all, that it will not continue the line to Prince George unless that is done as part of an agreement towards a Peace-Coast railway which will include the P.G.E.? And why does it not undertake to publish the conclusions of its P.G.E. survey at the earliest possible date?

BISHOP FALLON OF LONDON

Ontario loses one of its most powerful personalities in the death of the Right Rev. Michael J. Fallon, Roman Catholic bishop of London, says an Edmonton paper. Those who had their homes in that province thirty-five or forty years ago and were interested in athletics will remember him well as the coach of one of the greatest football teams that it ever produced, that which carried the colors of Ottawa college. To his church he gave service of great distinction. A man of strong opinions on many public questions, he asserted them on numerous occasions with telling effect. His courage and forcefulness won for him an admiration that went far beyond those of his own communion. His impressive stature and his vigorous and clear-cut delivery were such that no one, after hearing him speak, was ever likely to forget the experience.

United States is holding down on immigration coming to that country. Most other countries are doing the same just now, with the result that there will be an opportunity to develop nationalism. This applies particularly to Canada where the population is as cosmopolitan as in any country of the world.

Astounding! Can Eat Anything.

Mr. Frank Chaburn, of Blackburn, writes:—"I have suffered long from acid stomach and constipation, but since being advised to try your wonderful Carter's Little Liver Pills I began to feel the benefit after almost the first dose. I can now honestly say that I can eat anything and enjoy my food knowing that I will not suffer any disagreeable after effects." STRANGLER IS WINNER

Former Heavyweight Wrestling Champion Conqueror of John Evco Last Night

SEATTLE, March 3.—After losing the first fall within 33 seconds at the start of the second round, (Strangler) Lewis, former world heavyweight wrestling champion, came back last night to defeat John Evco with the next two falls.

Evco got his fall with a typical body slam but Lewis, in his characteristic manner of keeping on when he gets in a tight place, waded until the fourth when he threw Evco head first to the mat with a terrific croch hold and body slam. Evco could not be revived sufficiently to come back for the fifth round and Lewis was awarded the two falls and decision.

In the semi-wind-up, Freddie Myers defeated August Sepp in four rounds with one fall—a semi-airplane spin in the fourth round.

Eagle Brand saved the life of this child!

THIS little chap's very life was despaired of. Food after food was tried and then the family doctor ordered Eagle Brand . . . He picked up from the first day, and now he's strong and sturdy and his mother's pride and joy.

This is only one of countless instances where Eagle Brand has come to the rescue. Since 1857 it has been used by hundreds of thousands of grateful mothers, with unqualified success.

Eagle Brand is pure, fresh, full-cream milk, modified with the addition of refined cane sugar. It is easily digested and is one of the best substitutes for mother's milk.

UNSIGHT-UNSEEN

YOU would consider it an affront to your intelligence if some one were to try to sell you a horse, "unsight-unseen." You would laugh such a proposition to scorn.

Yet every day you are asked to buy merchandise on identically the same terms—canned goods with unknown labels—cosmetics of uncertain quality—a radio by an unknown manufacturer—shoes, clothing and housefurnishings about whose merit you know nothing.

And you are asked to buy this "unsight-unseen" type of merchandise in place of the nationally advertised brands that you *know* are dependable!

Advertised brands have been approved by the most critical of investigators—the buying public. You know exactly what you will get when you buy advertised goods, not some unproved substitute but the specified article—as represented. You know that the maker of advertised brands has confidence in them, else he would not invest money calling your attention to them day after day, month after month. In buying advertised brands, you get your money's worth. Buying "unsight-unseen" is liable to prove dear at any price.

Advertisers recognize that the most effective means of keeping the Canadian public informed of the merits of advertised brands is the daily newspaper, because practically every Canadian family reads a daily newspaper every day.

Country Readers of "The Daily News"

To the readers of the Daily News who live out of town, we suggest that the classified columns of the paper provide an excellent medium for the disposal of articles they may have for sale or exchange.

Last season a lady at Smithers did a large business in selling fresh eggs direct from the farm by advertising in this paper.

Chickens, implements, household goods, boats, fishing gear, guns, cordwood, furs and dozens of other articles may be disposed of. The charge is two cents a word but six times goes for the price of four.

Many people get good results. Why not you?

REGENT IS RE-ELECTED

Mrs. John Manson Again Head of Municipal Chapter of I.O.D.E.—Annual Meeting Held

After hearing reports from various officers on work in 1930 and enjoying a brief musical program, as well as an appropriate address by Dean Gibson, Municipal Chapter, Imperial Order, Daughters of the Empire, at its annual meeting last night, elected officers for 1931 as follows:

Honorary Regent—Mrs. J. C. McLennan.
Regent—Mrs. John Manson.
First Vice-Regent—Mrs. D. C. Stuart.
Second Vice-Regent—Mrs. J. A. Teng.
Secretary—Mrs. D. Orchard McLeod.
Treasurer—Mrs. H. L. Landrey.
Educational Secretary—Mrs. B. Walker.
Echoes' Secretary—Mrs. W. C. Aspinall.
Organizing Secretary—Mrs. A. E. Parlow.
Standard Bearer—Mrs. S. V. Cox.

Mrs. Manson regent of Municipal Chapter, presided over the meeting. The following reports were read:

Secretary of Municipal Chapter, Mrs. D. Orchard McLeod; treasurer, Mrs. H. L. Landrey; secretary of Queen Mary Chapter, Mrs. H. L. Shadwell; treasurer, Mrs. J. S. Black; secretary of Hill 60 Chapter, Miss Florence Smith; treasurer, Miss Vera Smith; secretary of Adair Carss Chapter, Mrs. D. Orchard McLeod; treasurer, Mrs. E. B. Baker.

After Dean Gibson's address and the musical program, delicious refreshments were served.

Dean Gibson's address was of a patriotic nature. Mrs. Ernest Anderson sang delightful vocal solos accompanied by Mrs. C. E. Culin.

The report of Mrs. D. Orchard McLeod, secretary of Municipal Chapter was as follows:

Prince Rupert, B.C.,
March 2nd, 1931

"I again have the pleasure, the privilege and the honor of submitting herewith the annual report of Municipal Chapter, I.O.D.E., for the year ending February 1931.

"During the year 9 regular and 2 special meetings were held.

"Attendance—We had a greater representation from Primary Chapters at Municipal meetings during the past year, than for 5 years previous. Minimum attendance number 11; maximum, 28.

"Under the Canadian Legion, in unison, we attended the Armistice Memorial service, each Chapter placing a wreath on Cenotaph, and also took charge of "Poppy Day."

"At civic reception given the ship's company of H.M.S. "Despatch," we took charge of refreshment booths, as also for fleet of

Daughter Is Stronger Now

"My daughter Catherine is fifteen years old. She was very irregular, often sick at her stomach and had to stay in bed two or three days at a time. One of your booklets was sent to us by mail so I got her a bottle of Vegetable Compound. Catherine has been taking it regularly and she is gaining in weight and every way. I told the neighbors and four other girls are taking it with good results."—Mrs. Clarence Jenkinson, Box 14, Thom- lot, Ontario.

Empire Day

"The regular Empire Day celebration took place May 23rd, when school children from all public schools assembled at Capitol Theatre, listened to a musical program, and interesting addresses given by two local clergymen. A film was also shown for the entertainment of the children.

"Municipal Chapter raffled a return trip to Vancouver, and held a bridge for the drawing of same, net proceeds of which amounted to \$170.00.

"Queen Mary and Hill 60 Chapters each donated \$25 bursaries to pupils ranking highest in Entrance examinations, one award being given to a pupil in Booth Memorial School and the other to a Borden School pupil. Adair Carss gave a \$10 bursary to pupil ranking highest in Canadian History Entrance examination at Booth Memorial School, while Queen Mary presented historical books under the same classification to pupils of Borden School. A generous supply of educational literature is supplied High School and public schools by Queen Mary Chapter and Hill 30 Chapters. In this connection a library was sent to school at Usk.

"Adair Carss Chapter continues to take care of returned soldiers' plot in Fairview cemetery, and has erected a total of twenty-nine headstones.

"Chapters have a ward in local Hospital. These are reconditioned and refurbished from time to time. Hill 60 has done much under this heading—namely: "The Children's Ward." The Chapters this winter have supplied numerous needy families with food, clothing and fuel, etc., also at other points adjacent to our city.

"The I.O.D.E. Hall—Several improvements have been made on the building this year, most needed perhaps was the installation of an oil burner, which has proven more satisfactory and convenient.

"Wishing all Daughters of the Empire success and progress in Prince Rupert and elsewhere, ever remembering, preserving and strengthening, "One Flag, One Throne, One Empire."

Lewis Island Girl Winner in Essay Contest

LEWIS ISLAND, March 3.—Bertha Goedkoop of Lewis Island has received a cheque for \$10 from the Historical Association of British Columbia for an essay written last May. A letter of appreciation and congratulations was received by Mrs. E. Kordahl under whose direction the essay was written.

Louis Locker and Frank Armstrong, as old-timers, assisted greatly by furnishing items of historical interest.

HOSPITAL SERVICES ARE ARRANGED FOR

Business at the regular monthly meeting yesterday of the Prince Rupert Ministerial Association was merely of routine nature. Arrangements were made as follows for services during the coming month in the Prince Rupert General Hospital:

March 8, Rev. Canon W. F. Rushbrook, St. Peter's Anglican Church.

March 15, Rev. John H. Hanson, St. Paul's Lutheran Church.

March 22, Rev. J. Kennedy, First Presbyterian Church.

March 29, Commandant William Kerr, Salvation Army.

UNION STEAMER CATALA WILL RESUME SERVICE

Union steamer Cardena, Capt. Andrew Johnstone, completing her last voyage in the Vancouver-Prince Rupert-Anxox-Stewart run on which she has been relieving the Catala for the past three weeks, arrived in port at 9:30 this morning from the north and sailed at 1:30 p.m. for Vancouver and waypoints. The Catala will resume service on this route arriving here from the south next Sunday afternoon, while the Cardena goes back to her regular run from Vancouver to Prince Rupert via Bella Coola, Ocean Falls and the Skeena River. The steamer Camosun makes her final trip on the latter route this week.

Make This Test of the HEART

To gauge the condition of the heart, there is a simple test which anyone can make. Medical men agree that it is unrivalled as a means of finding out if the heart is in health or doing its work under difficulties.

"Are you short of breath when going up stairs?"

The extent to which you are inconvenienced under this strain will tell you how serious may be the condition of your heart.

In most cases, the trouble is caused by a weakness of the blood and a run down condition of the nervous system. The logical prescription is Dr. Chase's Nerve Food because this treatment enriches the blood and strengthens the nerves of the heart, as well as those of the other vital organs.

This reconstructive treatment has proven effective over such a long period that you can use it with the fullest confidence that the results will be most-satisfactory.

Guard Rails to Be Installed By Board of Works

The matter being brought up by Ald. W. J. McCutcheon who felt that it was a real danger to leave the walks in such shape, the city council last night gave authority to the board of works to proceed as soon as possible with putting guard rails on the new sidewalks in the downtown section.

Ald. Rudderham, Ald. Pillsbury and Ald. Black agreed with the suggestion and the motion giving the board of works power to put in the rails was then adopted.

Acting Mayor Theo Collart referred to a dangerous spot on the new Borden Street sidewalk where a rail was also needed.

MINISTER OF MINES EXPRESSES APPRECIATION

A letter from Hon. W. A. McKenzie, minister of mines, expressed appreciation to the city council last night at co-operation extended recently in connection with the mining lectures of Dr. W. V. Smith, by allowing the use of the council chamber for the purpose. This had been partially, at least, responsible for the success of the lectures, the minister felt.

COULD YOU SAY AS MUCH AT SEVENTEEN?

I had a letter the other day from Mildred A—, which I must share with you. For any mother, I know, would be proud of such a daughter. She says: "I am only seventeen years old, but I have had to cook for five years, as my mother is an invalid and I am the only girl.

"I am taking a home economics course as I thought that would do me more good than anything else. I wish you would send my home economics teacher your cook book. I know she will be delighted to have it—as will the girls in my cooking class. I have used Carnation Milk for several years and I will never be without it if I can help."

Isn't that a wonderful endorsement from a girl so capable and so sensible? She has learned very early the cooking wisdom which women everywhere are discovering—that Carnation Milk gives cooking results that even the best of bottled milk cannot equal, and with a dependability, convenience and economy offered by milk in no other form.

Carnation Milk is simply pure whole milk protected at the source. It comes from clean herds, housed in clean barns,

milks by clean hands into clean utensils. This safeguarded milk is evaporated to double creaminess, sterilized for safekeeping and "homogenized" so that the cream particles are minutely fine and distributed through every drop. As a result, everything in which Carnation Milk is used is extraordinarily fine of texture and rich with creamy goodness.

Below is a Carnation recipe I want you to try. Send, too, for the free Carnation Cook Book and Baby Feeding Book to Carnation Co., Limited, 134 Abbott St., Vancouver, B.C.

Carnation Cherry Coconut Pudding— $\frac{1}{4}$ cup cornstarch, $\frac{1}{4}$ cup sugar, $\frac{1}{2}$ tsp. salt, 1 cup water, 1 cup Carnation Milk, $\frac{1}{2}$ tsp. vanilla, 2 tsp. cherry juice, $\frac{1}{4}$ cup sliced maraschino cherries, $\frac{1}{2}$ cup coconut, 2 egg whites. Mix cornstarch, sugar and salt with $\frac{1}{2}$ cup cold water. Dilute Carnation with $\frac{1}{2}$ cup water and scald; add the cornstarch mixture slowly to the scalded milk. Cook in a double boiler for 20 minutes, stirring constantly until thickened. Add vanilla, cherry juice, cherries, coconut and stiffly beaten egg whites. Chill. Garnish with cherries. Serves 6.

For unusual richness, unique smoothness of texture and completely dependable results, use Carnation Milk in all your cookery. Doubly rich in cream, it is most economical. Carnation Milk is safeguarded at the source by clean housing of clean herds and clean handling of the milk. And this protection continues until it finally reaches you in the hermetically sealed container. (See recipe above.)
