PRICE FIVE CENTS

GOVERNMENTS TO KEEP TRANSIENTS SERIOUS UNEMPLOYMENT RIOT IN WINNIPEG YESTERDAY

Important Change Made In New Scheme For Workless Relief; Municipal Burdens Lightened

Province and Dominion to Assume All Cost of Maintaining Itinerants—Keeping of Municipal Residents Split Three Ways

VICTORIA, June 27.—Municipalities of British Columbia will be relieved entirely of the cost of maintaining transient unemployed under a completely new relief scheme adopted by the provincial government yesterday. The province and Dominion will divide evenly the total cost of maintaining all transients as from and including June 19 last, Premier Tolmie announced. Where the municipalities have to take care of municipal residents the Dominion, province and municipalities will each pay one-third.

FROM HERE TO VERNON

Commandant William Kerr Is Advised of Next Post in Salvation Army Service

Commandant Kerr of the Salvation Army has received word that he and Mrs. Kerr have been transferred to Vernon. The first intimation was that they were to go to Nelson but evidently the plans were changed and the latest is that he will leave for the south the middle of next week, Mrs. Kerr going for a visit first with her people on the prairies.

The Weather

Langara Island—Cloudy, light easterly wind; sea calm.
Triple Island—Cloudy, fresh easterly wind; sea moderate.
Dead Tree Point—Part cloudy, fresh southeast wind; barometer, 30.02; temperature, 54; sea choppy.

JOB IS VACANT

VICTORIA, June 27.—Provincial Secretary S. L. Home has denied that any appointment has been made to the post of civil service commissioner as reported yesterday.

Stevens Denies Having Made Definite Statement Regarding Peace River Railway Outlet

VICTORIA, June 27.—Any announcement that could be made now as to the intentions of the federal government and the two railway companies as to a Pacific Coast outlet for the Peace River district would be premature and without official basis, Hon. H. H. Stevens, minister of trade and commerce, wired Premier Tolmie today, denying that he had given assurances to any one to the contrary effect.

Mr. Stevens' statement is believed to have been made in view of an interview given recently in Edmonton by G. H. Crane-Williams to the effect that the minister of trade and commerce had assured him that construction of an outlet had been definitely decided upon. An article appearing in the Edmonton Journal was as follows:

"Definite assurance that construction of a railway outlet from the Peace River district to the Pacific Coast has been decided upon has been given by Hon. H. H. Stevens, minister of trade and commerce. So states G. H. Crane-Williams, director of the Austin Motor Company and prominent British business man, who called upon Mr. Stephens in Ottawa recently, and is now in Edmonton.

MAIN DUTY FOR BOARD

Tariff Body Will Be Asked to Determine Spread of Cost Here And Abroad

OTTAWA, June 27.—Determination of the spread between the cost of production of an article at home and abroad will be the major duty proposed for the tariff board, Premier Bennett informed the House of Commons yesterday

CANADA ACCEPTING HOOVER PROPOSAL

OTTAWA, June 27.—Canada is prepared to accept the proposal of President Hoover of the United States for a one-year moratorium on all inter-governmental debts, Premier R. B. Bennett announced in the House of Commons yesterday.

HARD TIMES DANCE HELD

Unique Affair Last Night Was Much Enjoyed

The hard time dance, held under the auspices of the Loyal Order of Moose in the Moose Hall last evening, was a real winner. About 300 persons were in attendance, and all entered heartily into the spirit of fun and jollification.

During the grand march of the hard-timers, prizes were awarded for the best costumes, some of which were really unique. The prizes for the "hardest hard-timers" went to Mrs. Gibbs and O. K. Nelson, Miss Earle and Mr. Stamp-Vincent acting as judges. The prizes, donated by Nelson's Beauty Parlor and the Imperial Baths, for the reddest-haired lady and the curliest-haired man went to Mrs. Woodside and Mr. A. McDonald.

The judges were Mrs. Ohnesorg and Mrs. Haudenschild. Miss Ella Steen and H. Lyne were the winners for the balloon dance and Mrs. Large and Mr. Punnett for the spot waltz.

Mr. and Mrs. J. Jeans, who had charge in the kitchen, served up a menu that was something by way of a novelty on such an occasion but which was all that could be desired. Other members on the committee included Paddy Brewer, punch bowl; Ted Rorvik and P. Cameron who were on the door; C. Lemon, chairman of the program committee; and B. J. Bacon, who was master of ceremonies for the dance.

The music provided by the Premier Orchestra was splendid, and peppy enough to keep the dancers "on their toes" until the last strains of the home waltz had been played.

Charles Johansen and his wife, Irma Johansen, were each fined \$5, with option of seven days imprisonment, by Magistrate McClymont in city police court yesterday afternoon on charges of creating a disturbance.

CASTLEGAR WANTS BEER PARLORS BY SMALL MAJORITY

NELSON, June 27.—By a majority of one vote, the Castlegar district voted yesterday in favor of beer parlors. Castlegar is a small railway centre, with one hotel, about 20 miles west of here on the Kettle Valley Railway.

Winner of Climbing Contest

Oliver Clow's machine seems to be getting away from him. He has just won Murphy's Canyon, California, climbing contest, and his mount certainly looks as though it were "raring to go."

BISHOP'S POWER PLANT AT TERRACE DESTROYED TODAY BY FIRE WITH \$6,000 LOSS

TERRACE, June 27.—Terrace will be in darkness at night for some little time owing to the destruction by fire this morning of F. C. Bishop's power plant. Shortly after 10 o'clock, Mr. Bishop and his assistant were working in the power house when the latter observed a flame issuing from the distributor of one of the engines and almost instantly the whole place was ablaze.

PRIZE LIST IS COMPLETE

Individual Farm Exhibit is Novelty This Year With Big Prizes

The annual prize book and annual report of the Prince Rupert Exhibition is now ready. It is a fifty page booklet, full of interest to any who may think of entering their produce, flowers, fruit, vegetables, needlework or other articles in the fall fair.

The feature of the book is the individual farm exhibit for which there are two prizes one of \$75 and the other \$50. It is stated that a third prize of \$25 will be awarded if there are six or more entries in the class.

The individual exhibit will be allotted a space of 8 feet by 6 feet, with wall space behind 6 feet high. The judge will score the exhibits as follows:

Dairy Product	350
Poultry Produce	250
Apiary Produce	100
Garden Vegetables	300
Fruits and Vegetables Preserved	200
Field Roots and Tubers	250
Forage Plants	200
Grain, Grasses and Seeds	300
Arrangement	300
Total	2500

Arthur H. Merritt of Boston, lecturer for the Canadian National Railways, is a passenger aboard the Prince Henry today bound for the Yukon and Northern British Columbia.

Visit of Minister of Labor Made Occasion For Big Demonstration

One Thousand Men Stormed Hotel in Which Senator Robertson Was Conferring—Two Policemen and Two of Demonstrators in Hospital

WINNIPEG, June 27.—One of the worst demonstrations in the present unemployment situation was caused yesterday when a mob of more than one thousand workers stormed around the hotel in which Senator Gideon Robertson, minister of labor, was conferring with local officials. One hundred policemen charged the mob and stones, sticks and police bills were used freely.

Two policemen are now in hospital seriously injured and two demonstrators are also being treated for injuries. A number of arrests were made.

STORE IS BLOWN UP

Damage of \$6,000 Done in Quiet Little Kootenay Community of Crescent Valley

NELSON, June 27.—The general store and post office at Crescent Valley, fifteen miles from here, were dynamited this morning with loss of \$6,000 to stock. The charge failed to open the post-office safe.

Police believe it was the work of amateur yeggmen or disgruntled Doukhobors.

GIRLS ARE DROWNED

Seven Lose Lives in Tragedy Near Three Rivers, Quebec, Yesterday

THREE RIVERS, Quebec, June 27.—Seven girls, ranging in age from six to nineteen years, were drowned yesterday when a rowboat upset in the Riviere des Envies, near St. Severin de Prouville.

Decoration Day To Be Tomorrow

Memory of Men Who Gave Up Lives in Great War Will Again Be Actively Honored

Tomorrow will be annual Decoration Day when the memory of those who gave up their lives in the Great War will once again be honored. Under the auspices of the Canadian Legion, there will be a parade to the cenotaph in the Court House grounds. At Fairview Cemetery, there will also be observance of the occasion. Flowers will be placed on the graves in the soldiers' plot. After the Last Post has been sounded, the flag will be run up from half to full-mast.

Vancouver Wheat

VANCOUVER, June 27.—Wheat was quoted on the local Exchange today at 59 3/4c.

Seattle Fishermen Are Asking For Removal of Half of Duty On Canadian Fish in States

Word has been received in the city that the Seattle section of the Deep Sea Fishermen's Union has petitioned the president asking for the removal of one cent of the two-cent duty per pound on Canadian halibut shipped into the United States. This is thought to be largely the result of a threat of the local halibut fishermen to break away from the Deep Sea Fishermen's Union.

Stock Exchange Closed Strong

NEW YORK, June 27.—The Stock Exchange closed yesterday with an outburst of strength. There were net gains of from \$2.00 to \$7.00. The upward swing continued today, closing with net gains of \$1 to \$4 in the more active issues.

Smothering and Fainting Spells Everything Would Turn Black

Mrs. Andrew Black, Harcourt, N.B., writes: "I had been troubled with smothering and fainting spells and everything in front of me would turn black, and I would fall down in a faint and be unconscious for several minutes. I did not know what to do, until one day I was reading where Milburn's Heart and Nerve Pills had helped so many people and decided I would give them a trial. I used four boxes and found they help me wonderfully."

THE RUSSIAN IDEAL

Russia is trying to abolish organized religion yet, according to most reports which come through, she is one of the most religious countries in the world. Even J. P. D. Malkin, one of Vancouver's leading businessmen, who recently visited that country, admits that the people are stirred by high ideals and if human selfishness does not interfere they "will be a dominating force for real good in the world." He goes on to say that if Russia continues to make progress for the next twenty years, as she is doing, she will reach the same standard of living as we have.

While Mr. Malkin, judging by results, sees our own system better than the Russian, he pays a remarkable tribute to the Russian movement, the outstanding feature of which has been the creation of an incentive to work.

In view of what Mr. Malkin says and what hundreds of other visitors say of Russia, it looks to us as if Canada would do well to try to understand her and to take advantage of the business which she offers. By holding aloof we shall not reform Russia or advantage ourselves.

VERY USEFUL WORK

Many Prince Rupert people will much regret the departure of Commandant and Mrs. Kerr of the Salvation Army from this city. They have been doing a quiet but effective work and have been no respectors of persons. Now they are leaving for a new field of activity in Southern British Columbia and we wish them every success. The work of the organization goes on all the time no matter who is in charge.

Adjutant Kerr was a great aid to the city last winter in dispensing relief to those who were in need. He used good judgment and helped out when the city hall staff was unable to cope with the work. Because of this and other good work done in the city it is to be hoped that Mr. Kerr will receive recognition from his superiors. He certainly is carrying with him the best wishes of all who know him.

UNEMPLOYMENT IN MANITOBA

"Information presented to the provincial conference on unemployment showed that the situation was steadily becoming more serious, both for the people who are out of work and for the municipalities and the provincial government in their struggle with the problem of relief. Alderman Maybank, chairman of the Winnipeg unemployment relief committee, stated that some of the very best class of workmen were now compelled to ask for relief. Reeve Allan of East Kildonan, speaking for the suburban municipalities, said that the same situation was developing in those areas. At present, he said, 22.5 per cent of the population was affected by unemployment, and it was believed that this would be increased to 30 per cent by October, and many men who were out of work but were not on relief were coming to the end of their resources and would soon be forced to come for assistance.

"This is what marks the increasing urgency of the problem and the necessity for extraordinary steps in dealing with it. Artisans and laborers who have never sought public relief before, and are most reluctant to do it now, are compelled to apply for help, or will be compelled within a few months, because for long periods they have been unable to get work. Last winter established a record for unemployment relief in Greater Winnipeg, but it will be necessary on a larger scale during the coming winter.

"It was agreed that no unemployed men anywhere in the province could be left unprovided for if they were in a destitute condition. This includes the men who keep drifting into Winnipeg. But the city bears a very heavy burden in caring for its own people, and the cost of providing for those who come in from outside points should not be shared by the city, but should be borne by the provincial and Dominion governments.

"Many of the municipalities are in financial difficulties and cannot continue the present expense for unemployment relief, to say nothing of the increased expense which is plainly inevitable. The cost to the municipalities is met through the tax on land. The cost to the province must be met by a levy on the municipalities, and this falls upon land. The land tax is so high throughout the province that it cannot be increased, and the situation, which is calling for greater expense, can only be met by greater assistance from the Dominion.

"What is needed is a big constructive program, to be immediately undertaken while the men can work at it, rather than waiting for the winter season, when it is less easy to carry on constructive works. Besides co-operating with the provinces in relief works, the Dominion government should undertake works of its own. The need was never so urgent as it is now. It is impossible to continue a policy of drift."—Winnipeg Free Press.

HER TALK INTERESTS

Returned Missionary From China Heard at United Church Last Evening

A remarkable treat was afforded the people of Prince Rupert attending the W.M.S. meeting at the First United Church last night in an address given by Miss Louie Foster, B.A., returned missionary from China.

Miss Foster was on the staff of the Normal School at Chengde, West China. She is a speaker of marked ability and has addressed large audiences in every part of Canada. She is "Field Secretary" or the Mission Board of the United Church for "Canada."

Miss Foster gave a brief sketch of the work of the W.M.S. in various parts of Canada and stressed the vital bearing of the Christian civilization developed in this country's land on the mission work done in other lands.

She gave as her opinion the two great menaces facing Canada existed in the racial problem and the liquor traffic.

Miss Foster gave a vivid picture of the work of Christian Mission in China, showing the great changes that have taken place since the revolution in 1911 and the initial work of "Dr. Sun Yat Sun."

Educational mission in west China, at Chengde, in Union Normal School and Union University were described together with the remarkable change in thought, as a result of the liberating power of Christianity.

The terrible need of the masses for medicinal treatment and health hygiene was graphically described and an appeal for more workers and support.

Mrs. W. T. Kergin presided at this meeting.

A solo was sung by Mrs. H. C. Fraser, accompanist, Mrs. E. Smith, Smith.

Refreshments were served by the members of the W.M.S.

Presbyterian Sunday School Picnic Is On

The annual picnic of the Sunday School of First Presbyterian Church is being held this afternoon at Digby Island with J. E. Davey, superintendent of the Sunday School, and teachers in charge. The children, many accompanied by their parents, crossed the harbor at 1 and 2 o'clock this afternoon in boats of the Pacific Salvage Co. There is to be a full program of races and sports and ice cream and other refreshments are being served.

LETTER BOX

PROPOSED UNION OF ALL LOCAL FISHERMEN

Editor Daily News:

I respectfully request through the medium of the press, an opportunity to explain to the fishermen of this city and district just what the problem means to all fishermen, of whatever branch of the industry one may belong in the joining or forming a local composite body of fishermen.

It is brought forcibly to my notice that certain of the halibut fishermen fear, that should any dispute arise between the salmon fishermen and the buyers of that product, they, the halibut fishermen, would be expected to cease halibut operations, and support the salmon fishermen in an effort to obtain their demands.

To be plain and frank this is not so, nor would the salmon fishermen be expected to take part in a dispute between the halibut fishermen and the buyers of that product, or the local halibut boat owners.

The two branches of such an organization, will attend to their own particular problems, in their own organized manner, and in no way cause hardship upon each other. It is logical to suppose however, that whatever and whenever fishermen as a particular class of labor are in trouble, and a joint endeavor to remove such a trouble was justifiable, then such action 'might' be taken, only after sane consideration had been made.

Fishermen of either branch have much in common, and have problems affecting all, that can and will be met with a united effort, but with a foresight, that would be careful not to injure one branch in order to obtain a better condition for the other.

Much is being made of the fact that the Seattle branch of the present organization are endeavoring to have their government remove in part or in whole the existing import duty on Canadian halibut, which is indeed commendable, but it is a significant fact, that the Seattle branch are only taking a vital interest in a condition which has militated against the local branch of the same organization for years, when the said local branch is in imminent danger of dissolution, and any thinking person must concede that brotherhood is exhibited or should be, continuously, and not when extreme pressure is brought to bear only.

Eleventh hour repentance is repugnant, and declares its true value, which to the writer I, noting, I personally despise the thief on the cross, and have no hesitation in saying so.

While writing this in the name of the Northern B.C. Salmon Fishermen's Association I realize that it will become one labor organization to unduly deny the efforts of a sister organization, but would state that I have been asked specifically to write on this subject, and feel that any assistance obtained at the point of the gun is involuntary, and its value questionable, as such assistance to be retained must be sustained by the same method, which is the direct antithesis of comradeship.

On the other hand a joint organization holds a power equal only to the effort made, and its corresponding value to the individual member only measurable by the intensity of comradeship shown. Benefits when in need will be determined by monetary interest displayed, which monetary interest will not be dissipated in paying large salaries to remote officials unknown, and almost disinterested. May the fishermen of this city and district realize their common burdens, and know the strength of unity in the overthrow of these burdens by legal and sane methods.

Yours respectfully,

CHARLES LORD, Secy.
Northern B.C. Salmon Fishermen's Association.

TERRACE INDIGNANT

Editor Daily News:

In your issue of yesterday you print an item under the caption "LOCAL GIRL WON MEDAL" and you speak of her success in winning the gold medal, as leading the whole province at Normal School as an honor that sheds lustre upon Prince Rupert. Hemorrhoids

Or piles are quickly relieved by Dr. Chase's Ointment

It is a serious matter to have piles and one person in four has them at one time or another. The annoyance and distress is great. It is difficult to obtain lasting relief. So much so that a surgical operation may be considered necessary. That is unless your physician is familiar with Dr. Chase's Ointment for many doctors recommend this treatment to their patients.

For nearly half a century Dr. Chase's Ointment has been the never failing relief for itching, bleeding and protruding piles. It is now very generally known by the medical profession, and the public generally, as the standard treatment for this torturing ailment.

Ask your friends about Dr. Chase's Ointment for "users are boosters" in this case. Relief comes quickly and you can obtain the ointment at any drug store.

For sale wicker baby buggy, almost new. Apply Daily News. 151

Senior Football and baseball at Dominion Day Sports 1:30 p.m. 152

A memorial service for the late Miss L. M. Ellett will be held in St. Andrew's Cathedral tomorrow at 11 a.m.

R. G. Johnston, manager of Irvines cannery, sailed last night on the Cardena for a business trip to Klemtu and Rivers Inlet.

Union steamer Cardena, Capt. Andrew Johnstone, arrived in port at 10:30 last night from the south sailing at 12 midnight on her return to Vancouver and way ports.

Provincial Constable C. G. Sharpe of Queen Charlotte City was in town overnight, arriving last evening on a fishery patrol boat and returning to the Islands at noon today.

J. B. Woodworth, formerly identified with the Surf Point mine at Porcher Island, is a passenger on board the Prince Henry today bound from Vancouver to Juneau enroute to the Taku River district where he has become interested in a property.

C.N.R. steamer Prince Henry Capt. Harry Neddin, arrived in port at 9:20 this morning from Vancouver, Powell River and Ocean Falls and will sail at 3 o'clock this afternoon for Skagway and other Alaskan points, whence she will return here southbound next Wednesday morning. The vessel brought north 160 passengers, most of whom were round trip tourists.

Mrs. James Denholme, who has been teaching school at Ocean Falls, arrived in the city on the Prince Henry this morning from the paper town and will proceed next week to Tlell, Queen Charlotte Islands where she will reside in future. Mr. Denholme went to the islands recently to prepare for the visitors at Home Farm and both he and Mrs. Denholme plan to live there permanently from now on. While in the city Mrs. Denholme is the guest of Mrs. Martin Miller, Green Street.

Dr. L. B. Wrinch and Bride Here on Trip to Skagway

Dr. Leonard B. Wrinch of Hazelton and his bride, Miss Frances Johnston, daughter of A. M. Johnston K.C., are passengers aboard the Prince Henry today bound for a honeymoon trip to Skagway. They will disembark here from the steamer on Wednesday morning next and proceed by train to Hazelton. They were married in Victoria on Thursday.

ATHLETIC CLUB MEET

Date of Special Meets Changed—New Regulations Are Set

A meeting of the Spartan Athletic Club was held Friday evening in the Tor H rooms with J. W. Pammer presiding.

The club running shirts and crests were distributed to the members and will present a very fine appearance when all the members are wearing them. Owing to the fact that there are no senior track sports on the Dominion Day program this year, the dates of the club track meets were changed to July 11, August 1, and August 22, so as to give the athletes competition once every three weeks.

It was decided to set for each event a mark which an athlete must be able to equal or surpass before he is eligible to enter in that event. To set these marks a committee consisting of Norman Kinisic, Phil Edgecumbe and Bill Bacon was appointed by the president. To become a member of the club one only needs to equal or surpass any one of these marks.

It was reported that some girls had expressed the wish that the club would include a girls' sprint on its track meet program. This idea was favored, but it was decided that the club would only put on such an event if the girls could guarantee to train for at least two weeks before the event. Phil Edgecumbe was empowered to interview all girls interested.

This being his last attendance at a meeting of the club until some time in August, the president took the opportunity to give the members a little talk on training and the possibilities of the club. The importance of consistent training throughout the season was stressed and the hope was expressed that all members would maintain their enthusiasm during the whole summer so as to be able to make an impressive showing before the public on Labor Day. The belief was expressed that, if some really creditable performances were turned in on Labor Day, financial support would be available to send some athletes to compete in the south next year. They would be able to make much better time on the good tracks down there than it is possible on the very poor one available locally.

BIG SIX STANDING

As a result of Thursday's game W. Harold, who was tied with Memmie for leadership of the Big Six, topped right out of the picture and D. Morrison took his place with one hit in two attempts. Stephens managed to stay in fourth place with one hit in four attempts while J. Comadine and Primmell both dropped below Elmer Smith, with 333 points. This also allowed some of the other 333 hitters to get back in to the standing.

	G.	AB	R.	H.	Per.
Mennie O. E.	2	6	1	3	.500
Morrison S.	1	2	0	1	.500

MERCHANTS WIN AGAIN

Took Football Game From Canadian Legion By 1 to 1 Score

Will Be Rivals In Cup Final

Game Was Not Up to Standard—Some Childish Pranks

Only a goal divided the Merchants and the Legion football teams at the end of their encounter in the Dominion Day cup football series last evening but the Merchants again had that extra goal and beat the Legion two goals to one.

Each of these teams had already beaten the Regiment in this competition so that they were assured of meeting each other in the final on Dominion Day yet the match itself was keenly fought out for the Legion has not yet recorded a win over the Merchants and the Merchants were desirous of maintaining their record.

Play was in midfield for a time but, following a cross by W. Murray, Memmie miskicked and Hodgkinson had no difficulty in beating Vink to give the Legion the lead. This nettled the Merchants, who staged a strong attack but Jack stopped Amor. Vink made a weak clearance from Woodside's free kick. W. Murray stopped Chenoski but A. Dickens made a fine opening only to have Skinner stop McKay. Jack missed the ball but recovered well and cleared. McKay finished weakly after Amor had given him a good opening and then Jack cleared his lines with a beautifully executed over head kick. Skinner handled the ball in the penalty area and, after having taken the kick and scored, Albert Dickens was ordered to retake it and scored again. J. Murray nearly best Vink who later was very lucky to get away with a poor clearance.

The second half produced quite a lot of ragged football with the closing ten minutes providing a good display. Jack headed away Amor's centre and then Vink was bothered to clear a curling centre from Bussanath. The Merchants pressed and Hadden was prominent in defence. Vink was called on again but cleared, a very high dropping shot taking him. Hadden was playing a strong game. J. Murray split a fine chance by intentionally pulling the ball down with his hand. Later a penalty was awarded the Legion but Jack's shot went straight to Vink and he also cleared Jack's second shot. A. Dickens hit the bar with a fine long drive, then S. Dickens was very lucky to get the ball after it had struck Jack and Smith had no chance with the shot. Play became keener and following a foul on W. Murray by S. Dickens both players were ordered off. Nick headed high over from a corner. Skinner was playing a rare defence game. In the closing moments the Legion attacked but without success. The Merchants were rather lucky to win by two goals to one.

Merchants—Vink, Memmie, Douglas, Hill, A. Dickens, G. Mitchell, Amor, H. Dickens, McKay, S. Dickens, Chenoski.
Legion—Smith, Skinner, Jack, W. Murray, Hadden, Woodside, W. Murray, J. Currie, J. Murray, A. Hodgkinson, Bussanath.
Referee: E. Webster; lineemen, A. Clapperton, J. Kelly.

Not Up to Standard

The game was not up to the standard of previous games. The refereeing had quite a lot to do with upsetting the game. The constant whistling up for finicky technical fouls irritates the players and annoys the spectators.

One must admit that certain decisions were, to say the least, very questionable if not quite contrary to the letter and the spirit of the rules of the game. But in addition to an accurate knowledge, a referee must have good judgment and the confidence of the players. This was not the case last evening. A glaring case was when J. Murray was fouled by Memmie. Murray recovered and had possession of the ball and was well on his way towards goal but he was brought back and a foul awarded against Memmie. This actually penalized Murray and his team. The opening was lost.
Sam Currie stood down from the Merchants team as the result of a

SPORTS AT ESSINGTON

Big Event at Sheena River Centre For Saturday, July 4, Under Auspices of Band

The people of Port Essington have arranged their annual celebration to suit the fishermen during the weekly closed period. It will be on Saturday, July 4, and is under the auspices of the Essington Band.

Sports of all kinds are to be held including target shooting, log sawing and rolling, foot races, canoe races, gas boat race, baseball and other events. The band will play throughout the day and in the evening there will be a big public dance in Cunningham Hall.

Efforts are being made by the people of Essington to extend themselves more than usual this year and it is probable there will be a large contingent go out for the event from Prince Rupert.

Winston Phelps, student of School of Journalism, Columbia University, has been awarded Pulitzer prize of \$1,000.

ROUND HOUSE WAS WINNER

Vanquished Station in Close and Exciting Softball League Game Last Evening

In a very fast and interesting Canadian National Recreation Association Softball League game last night, Round House defeated Station by a score of 5 to 4. The score stood 4-all at the end of the ninth inning and it was necessary to play an extra frame in which the Round House managed to bring in the winning run. A large crowd of fans was on hand to witness the encounter.

Batteries were: Raby and Tulloch for the Round House and Styles and Skattebol for the Station.

Big League Scores

Washington 1, Chicago 4.

United Church Sunday School Picnic Today

The annual picnic of the Sunday School of First United Church is being held today at the old road construction camp about half a mile along the highway beyond Galloway Rapids. Some 125 children and parents left this morning in trucks and cars to enjoy the outing.

Among the leaders in staging the picnic are W. J. E. Barrie, Mrs. John Meason, T. C. Wilding, who is in charge of refreshments, and Orville Denstedt, in charge of sports and races. There is the usual picnic program.

Twelve members of Eaton Club are on an organization connected with the mail order house of T. Eaton Co. Ltd. arrived in today from Vancouver on the Prince Henry. They will be in the course of a tour of the west and proceeded to Toronto by train. There was a special car attached to the regular eastbound train to accommodate them.

PIPE TESTED by a COLLEGE STUDENT

"In the evening I sit down in my room, at a desk piled high with books . . . Get out my old briar and fill it from an ever ready tin of Turret pipe tobacco . . . With a clear head and the cool taste of good tobacco on my tongue I am ready for the night's work. Then, after hours of study, it is good to relax—stretch out and watch the smoke drift slowly upward. I'm for Turret pipe tobacco, and so are all the college men I know."

For real smoking satisfaction fill your favorite briar with Turret pipe tobacco.

heavy cold and A. Dickens was pulled it down with his hand. A free was properly awarded against him but not satisfied with one piece of childishness he drove the ball out of play. These things spoil the game, and reflect no credit on the players concerned or their teammates.

Spectators 747

Players should remember that spectators pay to see football, not childish outbursts of petty temper. Skinner was one offender and it is particularly regrettable for otherwise he turned in a splendid game. But because a three-in was awarded against his team he threw the ball in among the spectators in a ridiculous way. Then J. Murray found the ball heading him and he

Take The DAILY NEWS with you When Going on Summer Holidays

Nearly everybody likes to keep in touch with Prince Rupert when away for their holidays. The best way to do this is to order the paper sent during that time. If it is only for two weeks, the News is a welcome visitor and the mails during the summer months are carried almost daily to most points.

Recently a number of Scandinavians have given up the local fishing for the summer and gone on an extended visit to their former homes. In almost every case they order the Daily News sent them while they are away. Several subscribed for a year, others for shorter periods.

No time is too short for us to look after our patrons.

WATERFRONT WHIFFS

Strike Situations Ended and Boats Go Back to Work
—Canneries in Operation—Halibut Landings

The important event in waterfront affairs during the past week has, of course, been the decision of both halibut boat owners and salmon trollers to call off the "strike" situation and permit all those who wish to go ahead with fishing operations. Whether or not individual boats shall fish is now a straight business proposition. The boats which have been making good financially will continue operations without interruption, while, doubtless, many of those which have been operating at a loss will remain tied up. Despite what has been heard to the contrary, there are, no doubt, quite a number of boats, both salmon and halibut, which have been operating quite profitably so far this year. This applies more particularly to the larger boats and those equipped with diesel power. Economy of operation rather than retention of high prices for the product is being more and more recognized as the keynote to future successful and profitable operation. Promise of better prices for cohoes, together with an anticipated two cents rebate in the price of gasoline have served to give renewed heart to the salmon trollers more particularly. These were, no doubt, a factor in the decision to call off the "strike." Many halibut boats and trollers have left during the week to resume their work.

Following is a full list of canneries in operation this year in District No. 2:
Naas River—Arrandale.
Skeena River—Carlisle, Cassiar, Claxton, Inverness, Pouchier Island, North Pacific, Skeena Commercial, Sunnyside.
Central Division—Butedale, Klenta, Nama.
Rivers Inlet—Beaver, Good Hope, Goose Bay, Wadhams.
Smith's Inlet—Le Roy Bay.
Among the canneries which will act as receiving station or camps will be Wales Island and Mill Bay on the Naas River, Port Edward on the Skeena and Margaret Bay, Boswell and Smith Inlet on Smith Inlet.

Skipper Harry Pullen, long one of Prince Rupert's most enthusiastic yachtsmen, has turned his back on aquatic pursuits for the time being at least. He has just sold his well known gasboat Gwen to Claude Kirkendall and, to complete his renunciation of the deep, disposed of his skiff to Doc Alexander. There is too much doing on land these days to permit Ye Managing Director time for rambling on the briny as was once his wont. The Gwen is a trim little 18-foot craft, equipped with 4 h.p. Easthope engine, and was acquired by Skipper Pullen some years ago from Joe Greer.

Four men, comprising the crew of the seineboat Delaware, have been picked up at sea by the Fisheries patrol boat Teal, Capt. Cole, after their boat was lost, according to advices received recently at Juneau headquarters of the United States Bureau of Fisheries. The Delaware swamped in a heavy sea near Ne-shagat Islands in the Barren Island group southwest of Kenai Peninsula. Capt. Cole reported. The crew is believed to have escaped in a small boat and were found by the Teal. The seineboat was owned by the Herring Bay Packing Company and operated out of Seward. It was 54.8 feet long, 14.5 feet in beam and drew 6.3 feet. It was built in Tacoma in 1917.

Slashed His Knee
Andy McDonald, fish cutter for the Royal Fish Co., is expected back on deck again within the next few days following a recent accident in which his knee was badly slashed. Andy was using a heading knife to trim a piece of lumber when the weapon slipped and cut him. He had to be taken to hospital where three stitches were put in the knee. His friends are suggesting that next time Andy should use a penknife. It might not be so fast but it would be less dangerous.

Offices Moved
The headquarters of the Chatham Sound Fishing & Packing Co., operating the Humpback Bay cannery on Porcher Island, and the Vancouver office of Brand & Co. Ltd. of London, Eng., have been moved into the Pacific Coast Fire Building in Vancouver. Col. F. H. Cunningham, former chief inspector of fisheries, is a manager of the Chatham Sound concern and also Pacific Coast representative of Brand & Co., prominent English producers and distributors of food products.

Canning was resumed last month by the British Columbia Fishermen's Co-operative Association at the Vancouver cannery, there having been a busy run on bluebacks. The Port Alberni cannery on the West Coast of Vancouver Island may be operated later. It is planned to establish camps at Smith's Inlet and Rivers Inlet with a system of tenders and collecting boats gathering and transporting the fish. Dupont Roussier, at one time manager of the B. C. Packers cannery at Lower Inlet, is now in charge of the co-operative as general manager.

Keel is Laid
Keel was laid at the Kly Boat Works in Cow Bay this week for a 15-foot pleasure boat or possibly, motor. The boat building game is very quiet just now, there being no orders for fishing vessels.

George Boger, second in command of the Star Welding & Machine Works, is due back next week from a three weeks' trip to Edmonton, Calgary and Vancouver. George went away for the express purpose of meeting his wife who has been on a year's trip to the Old Country.

Small orders for equipment at the canneries have been received at local machine shops this spring but the volume of business has been much less than usual. In fact, these are rather quiet days for the most of the local machine shops.

William Drake, manager of the local business of Edward Lipsett Ltd., is expected back next week from Vancouver where he was called last week owing to a serious accident having befallen his young son. The lad fell down the basement stairs of his home and sustained very serious fractures of his left arm. Most expert surgical attendants had to be secured in the effort to save the member. While he has been in Vancouver, Mr. Drake's mother-in-law, Mrs. Langley, died.

May Be Jam Again
Since the decision was taken this week to resume fishing operations, a large number of the halibut boats have cleared again for the fishing grounds. Indeed, it would seem quite possible that, when the boats start coming back, there will be another glut of fish on the local market. There are several boats, however, remaining in port for painting, etc. and the withholding of these may help some. Towards the end of this week there were only three boats—Cape Spencer, Relief and Southend—immediately due in from the fishing grounds.

There are at present 45 men on the payroll at the local dry dock. In order to spin out such work as is available, a six-hour day for all men working by the day has been instituted. There is some repair work and other small activity going on at the yard. Fishing boats come and go from the pontoons, as usual. Work is at about as low an ebb at the yard as it has been for many years.

Buy's Rhona
Capt. Paul Armour, local manager of the Pacific Salvage Co., has purchased the power cruiser Rhona, which for so many years ran as a ferry between here and Digby Island for the marine department. The Rhona is now moored at the floats of the Salvage company.

The new snagboat Essington, built at the local dry dock recently to replace the old Bobolink, was moved across to Digby Island last night to be tied up pending its being placed in commission. Apparently, the vessel is not to be put into operation this season, despite the protests of cannery and other interests at its being tied up. Reasons of economy are given by the government for its failure to commission the vessel.

Halibut Landings
Halibut landings at the port of Prince Rupert for the present season up to and including June 26 totalled 6,997,740 pounds, consisting

of 4,102,340 pounds American and 2,895,400 pounds Canadian fish. Landings for the week of June 20-26 inclusive amounted to 611,200 pounds of which 517,000 pounds was from American boats while Canadian boats, most of which by that time were tied up, contributed but 94,200 pounds. With the fleet deciding to go back to work again, there should soon be landings on a normal scale again.

With landings light, considerably better prices were paid on a number of occasions during the week in question. The top bid of the week for Canadian fish was 9.5c and 4c received by the Eric Bay for 16,000 pounds while the low was 7c and 4c paid the Lynx for 20,000 pounds. The high price of the week for American fish was 13c and 5c paid the Friendly for 8,000 pounds and the low, 6c and 3c, received by the Pioneer and Thair for catches of 30,000 and 32,000 pounds respectively.

Young People's Picnic Enjoyed

Sixty-Six Persons Take Part in Outing of Presbyterian Church Organization

An enjoyable picnic was held on Digby Island last evening by the Young People's Society of First Presbyterian Church. Some sixty-six members of the organization and friends were in attendance. The John Currie & son service boat C. 2 C. was used to transport the picnicers across the harbor and back again. Beach games and other forms of recreation were enjoyed and delicious refreshments were provided.
