BISHOP IN CHARGE

nteresting Ceremony on Loca Waterfront Yesterday Afternoon

An impressive service aboard the rim vessel as she lay moored at the loats of the Prince Rupert Rowing & Yacht Club marked the dedicaion yesterday afternoon of the new Northern Cross for the work of the Prince Rupert Coast Mission of the Anglican Church. There was quite large attendance on the floats and board the boat itself to witness the ceremonies which were conducted by Rt. Rev. G. A. Rix D.D., Bishop of Jaledonia, assisted by Rev. W. B. Jennings, captain and missionary in charge of the boat. Mayor Cyril

H. Orme was a speaker. The proceedings opened with the singing of the hymn "Eternal Fa-Complimented supply of a Chevrolet six-cylinder hings presiding at the minister

2 announces SUPERtte"

An 8-tube Super-Heterodyne, on display at all Victor Dealers today

The "Superette" MADE IN CANADA

HE Victor "Superette"! Impossible a few short months ago! Accomplished today! A real Super-Heterodyne - universally acclaimed by the greatest engineers as the finest of all radio circuits - at less than half the price it would have commanded last year.

When you hear the "Superette" at your Victor dealer's, make no allowance for its size! Expect the biggest radio performance and you'll not be disappointed. For it is a big radio in everything but size and price . . . an advanced eighttube Super-Heterodyne, with maximum selectivity, sensitivity and tone concentrated in a compact and beautiful cabinet.

And think of the value! Only \$89.50. A Super-Heterodyne at such a price is made possible only through Canadian production and Victor's vast scientific and engineering resources.

Consider all that this condensed giant of radio offers you in most modern development. Eighttube super-heterodyne circuit . . , super-control tubes combined with screen-grid . . . electrodynamic speaker . . . increased-range tone control . . . push-pull amplification . . . noiseless operation and acoustically correct cabinets.

Your Victor dealer will gladly deliver the "Superette" to your home today on easy terms. Hear it today. Compare its value.

Has your old set got these

- .Big Features? 1. Advanced 8-tube Super-
- Heterodyne Circuit 2. Increased-range Tone
- 3. Improved Volume
- 4 Famous Victor Tone 5. Amazing Sensitivity
- 6. Victor's "Trigger-Touch"
- 7. Two New Super-Control 8. Acoustically Correct
- 9. Latest Electro-Dynamic
- 10. Push-Pull Amplification

What if there isn't a daily delivery of pure, safe, pasteurized milk? What if you have no ice? You can still enjoy an abundance of fresh, sweet dairy milk if you have a few tins of Klim handy. Klim is a whole MILK, all milk and nothing but milk. The cream is there, the nutriment is there, the delicious fresh milk flavour is there. Only the water has been removed. Replace it, and you have pasteurized milk for cooking, for tea, coffee cocoa or cereals; milk that the youngsters will love to drink. And you mix it just as you need it. There's no waste with Klim. Send ten cents for a trial can and taste its goodness for yourself.

PILLS ARE OFTEN DANGEROUS

Most laxatives have to be taken in ever-increasing doses. Otherwise, they lose their power. The body needs roughage.

One of the most natural ways to obtain this roughage is by eating a delicious cereal: Kellogg's ALL-BRAN. Read what Mr. Albert F. Parker (address on request) has to say:

"I am 52 years old and have put in years suffering from constipation. Bought all kinds of pills and drugged myself with them and awoke lots of mornings with a headache.

"Haven't taken one pill since I began on Kellogg's ALL-BRAN. I am now feeling the best I have felt in 20 years."

Two tablespoonfuls of ALL-BRAN daily are guaranteed to give relief. At your grocer's, in the red-and-green package. Made by Kellogg in London, Ont.

ALL-BRAN

RECORD SPEAKS for ITSELF

THE Empress of Britain's new record adds another chapter to Britain's supremacy on the seas, and brings to Canada a record of which it may be justly proud.

Turret cigarettes' supreme popularity with Canadians is a proud record, established and maintained.

After all, nothing can replace good, honest tobacco; grown and ripened right out in the field under nature's own sunlight-nothing artificial about that-and the high quality is "inbred."
