A GOOD OPPORTUNITY

The present is an excellent opportunity for those who would like to take a hand in the administration of city affairs. At least one of the aldermen will not be offering for re-election and there is always the possibility that the electors might like to make other changes.

Undoubtedly the coming year will be a difficult one and it is to be hoped that a good number of the present aldermen will be re-elected, because they understand the situation and doubtless will be prepared to take such steps as may be necessary to meet it.

A PERIOD OF CRISES

This is a period of crises. Almost every businessman finds himself meeting a crisis. With a few firms it has been fatal. Others are finding the going difficult, but most of them will come safely through although in doing so they will find that they have had to readjust their affairs very considerably.

These crises are often very beneficial in the development of character. They get us out of the rut which many have unconsciously worn for themselves and out of which it took such a period as the present to pry them.

A CHEERY NOTE

Banks are often not cheerful but just now the Royal Bank is quite happy over the condition in Great Britain. In its December report it says:

"There has been a pronounced change in the tone of industry and finance in Great Britain since the suspension of gold shipments. At a time when falling off in employment and payrolls in the United States, France and Germany, is more than seasonal there has been improvement in the volume of employment in Great Britain.

"The most serious aspect of the British situation has been unemployment. By December, 1930, the unemployed numbered 2,500,000 and by the end of September, 1931, the peak, they numbered 2,826,000. By November 16 this total had fallen by 177,000 and this fall had taken place at a moment when unemployment in other countries was increasing rapidly and at a time of year when normally it would tend to increase in Great Britain.

Nice "Snowy"—good "Snowy"—but it's no use "Snowy's" idea of a good time is to tear everything wide open. He's a leopard at the London zoo and likes it.

HIGH SPOTS IN MESSAGE

First Step Toward Recovery Is to Establish Confidence, Declares President Hoover

Following were some of the highlights of the message recently delivered to the United States Congress by President Hoover:

Our first step toward recovery is to re-establish confidence and thus restore the flow of credit which is the very basis of our economic life. We must put some steel beams in the foundations of our credit structure.

For the first time in the history of our major economic depressions there has been a notable absence of public disorders and industrial conflict.

Business depressions have been recurrent in the life of our country and are but transitory. The nation has emerged from each of them with increased strength and virility.

If the world is to regain its standards of life, it must further decrease both naval and other arms.

A strong America is the highest contribution to world stability.

The continuing credit paralysis has operated to accentuate the deflation and liquidation of commodities, real estate, and securities below any reasonable basis of values.

We must have insistent and determined reduction in government expenses.

We must face a temporary increase in taxes.

We must partially finance the deficit by borrowing.

I recommend that an emergency reconstruction corporation of the nature of the War Finance Corporation should be established.

The need of a sounder system is plainly shown by the extent of bank failures.

I am opposed to any direct or indirect government dole.

I am opposed to any general congressional revision of the tariff.

It would prolong the depression.

If our economic system does not match our highest expectations at all times, it does not require revolutionary action to bring it into accord with any necessity that experience may prove.

It has successfully adjusted itself to changing conditions in the past. It will do so again.

TENTH CAR IS COMING

Free Freight Policy For Breeders Has Been Boon to Central Interior

The selection of the tenth carload of breeding cows and heifers for farmers in the central interior have been issued. By the end of 1931 over two hundred and seventy-five head of cattle suitable for foundation stock will have been distributed to forty farmers in the district lying between McBride and Topley.

The Dominion Government Free Freight Policy on breeding heifers has enabled these stockmen to secure good type animals at a minimum of expense. The prevailing low market price is advantageous to the buyer.

Farmers throughout the central interior of British Columbia evidence greater interest in mixed farming than ever before. Curtailment of operations in lumber and mining camps has eliminated a market for hay and grain enjoyed by the farmer in the past. This has resulted in the farmer turning his attention to livestock and marketing his feeds on the export market in a more concentrated form.

A large number of farmers throughout the central interior of B.C. have signified their intention to avail themselves of the Bull Loaning Policy of the Dominion Government, in securing high quality sires for the improvement of their herds and market stock.

It is anticipated that a dozen or more of these bulls will be required this coming season and will be purchased if suitable stock can be obtained at Kamloops Bull Sale from B.C. breeders.

The Agricultural Department of the Canadian National Railways is co-operating with District Agriculturalists in assisting the farmers in the central interior in assembling orders under both policies mentioned above.

Man in the Moon

It's about time we were getting our New Year resolutions ready. Make them strong this year so there'll be more to it when they are broken.

I am resolved That I will try To chase the stars Away on high; But if I chance To go below, Some friend will say "I told you so."

It seems as if a person's social standing will soon be set according to the ability to play contract bridge.

Jake says it's a bad habit to contract.

The other day I ventured a bet of two dollars on what I thought was a sure thing. I placed it on Culbertson, and now I'm beginning to wonder how I'm going to raise the two-spot if I have to.

There's one thing about living in Prince Rupert, we did not have to tip the postman this Christmas. There are always advantages.

He was wondering what he'd buy for her so the saleslady, noting his dilemma, stepped cheerfully up and inquired: "Could I interest you in a bathing suit?" The answer came quickly: "You certainly would."

CATHEDRAL XMAS TREE

Over 150 Children at Enjoyable Fair Held Yesterday Afternoon

The Sunday School of St. Andrew's Anglican Cathedral had its annual Christmas Tree entertainment yesterday afternoon in the social hall of the Cathedral. There were about 160 children in attendance and all had a very delightful time. The proceedings started at 4 p.m. with the serving of games until supper was served after which a program was presented by the children followed by a visit from Santa Claus who distributed gifts, candy, etc. to all the children.

Dean Gibson acted as chairman for the program which was as follows:

Piano solo, Ruth Nelson.
Vocal solo, Jimmy Taylor.
Piano solo, Maureen Kilpatrick.
Recitation, Margaret Smith.
Piano solo, Marybelle Stiles.

District News STEWART

Neither low price of metals or inclement weather dampened the Christmas spirit of Stewart people and Yuletide was celebrated here in an enthusiastic manner. Across Fifth Street were strung festoon after festoon of red, blue and white lights and at the corner of Fifth and Columbia Streets an enormous Christmas tree was erected due to the initiative of W. J. Crawford. The holiday was, indeed, a memorable one.

In a letter written to the local married men's unemployment association, Hon. R. W. Bruhn, minister of public works, holds out the hope that, before long, the necessary arrangements will have been made for a resumption of relief work.

Duncan Cameron of the Stewart public school teaching staff left last week for Vancouver where he will spend the Christmas and New Year holiday season.

Raymond LaMarch, who is engaged in trapping on the east shore of Portland Canal between Stewart and Maple Bay, paid a visit to town last week for the purpose of marketing a quantity of mink pelts.

VANDERHOOF

The outstanding bright feature of the closing year in the Nechako district was the bumper crop which farmers of the district had as a reward for their labors. Apart from that, the year was by no means a sensational one.

There was a special service of Christmas music at evening service in the local United Church on Sunday, both United and Anglican Churches combining efforts for the occasion with Rev. R. G. Dunbar and Rev. B. S. Prockter as joint clergymen. Among those contributing to the program, in addition to the choir, were R. H. Moore, Mrs. A. G. Birch, Mrs. George Ogston, A. S.T.G. W. Brain and Mrs. Stephen Holmes.

John D. Charleson has been appointed auditor for the village of Vanderhoof by the board of village commissioners.

Hon. R. W. Bruhn, provincial minister of public works, has advised the local board of trade that he hopes for an early resumption of road construction work to give employment to at least the most needy cases.

Miss E. Arland spent Christmas at Smithers as the guest of Rev. and Mrs. David Donaldson.

Gordon Hall, principal of Fort Fraser Superior School, was the guest over Christmas here of Mr. and Mrs. Fred G. Cook.

Mr. and Mrs. Lloyd Woods of Gullford are visiting Mr. and Mrs. H. J. Bettis in the Mud River district. Mrs. Bettis is Mrs. Woods' mother.

Col. Andros is visiting here as the guest of Mr. and Mrs. H. V. Taylor, Ms. R. M. Taylor and Mr. and Mrs. J. H. Andros.

December 30, 1911

Twenty-five men are employed clearing a road and packing seventy tons of drilling machinery into the interior of Graham Island for the Graham Island Timber & Coal Co. The equipment has already been hauled a distance of eight miles in from the beach but there is still ten miles to go. It is hoped that the drill will be at work early in the New Year.

Men have started work clearing the site on Second Avenue for a new land registry building which will be put up on the same ground as that occupied by the office which was recently burned down.

TORONTO IS FURTHER UP

Increases Hockey Leadership By Blanking New York Americans

NEW YORK, Dec. 30.—Toronto Maple Leafs increased their lead in the international section of the National Hockey League to three points by defeating New York Americans five to nil here last night.

The Chicago Black Hawks and Boston Braves played a three-all overtime draw at Boston and remained deadlocked for second place in the American section.

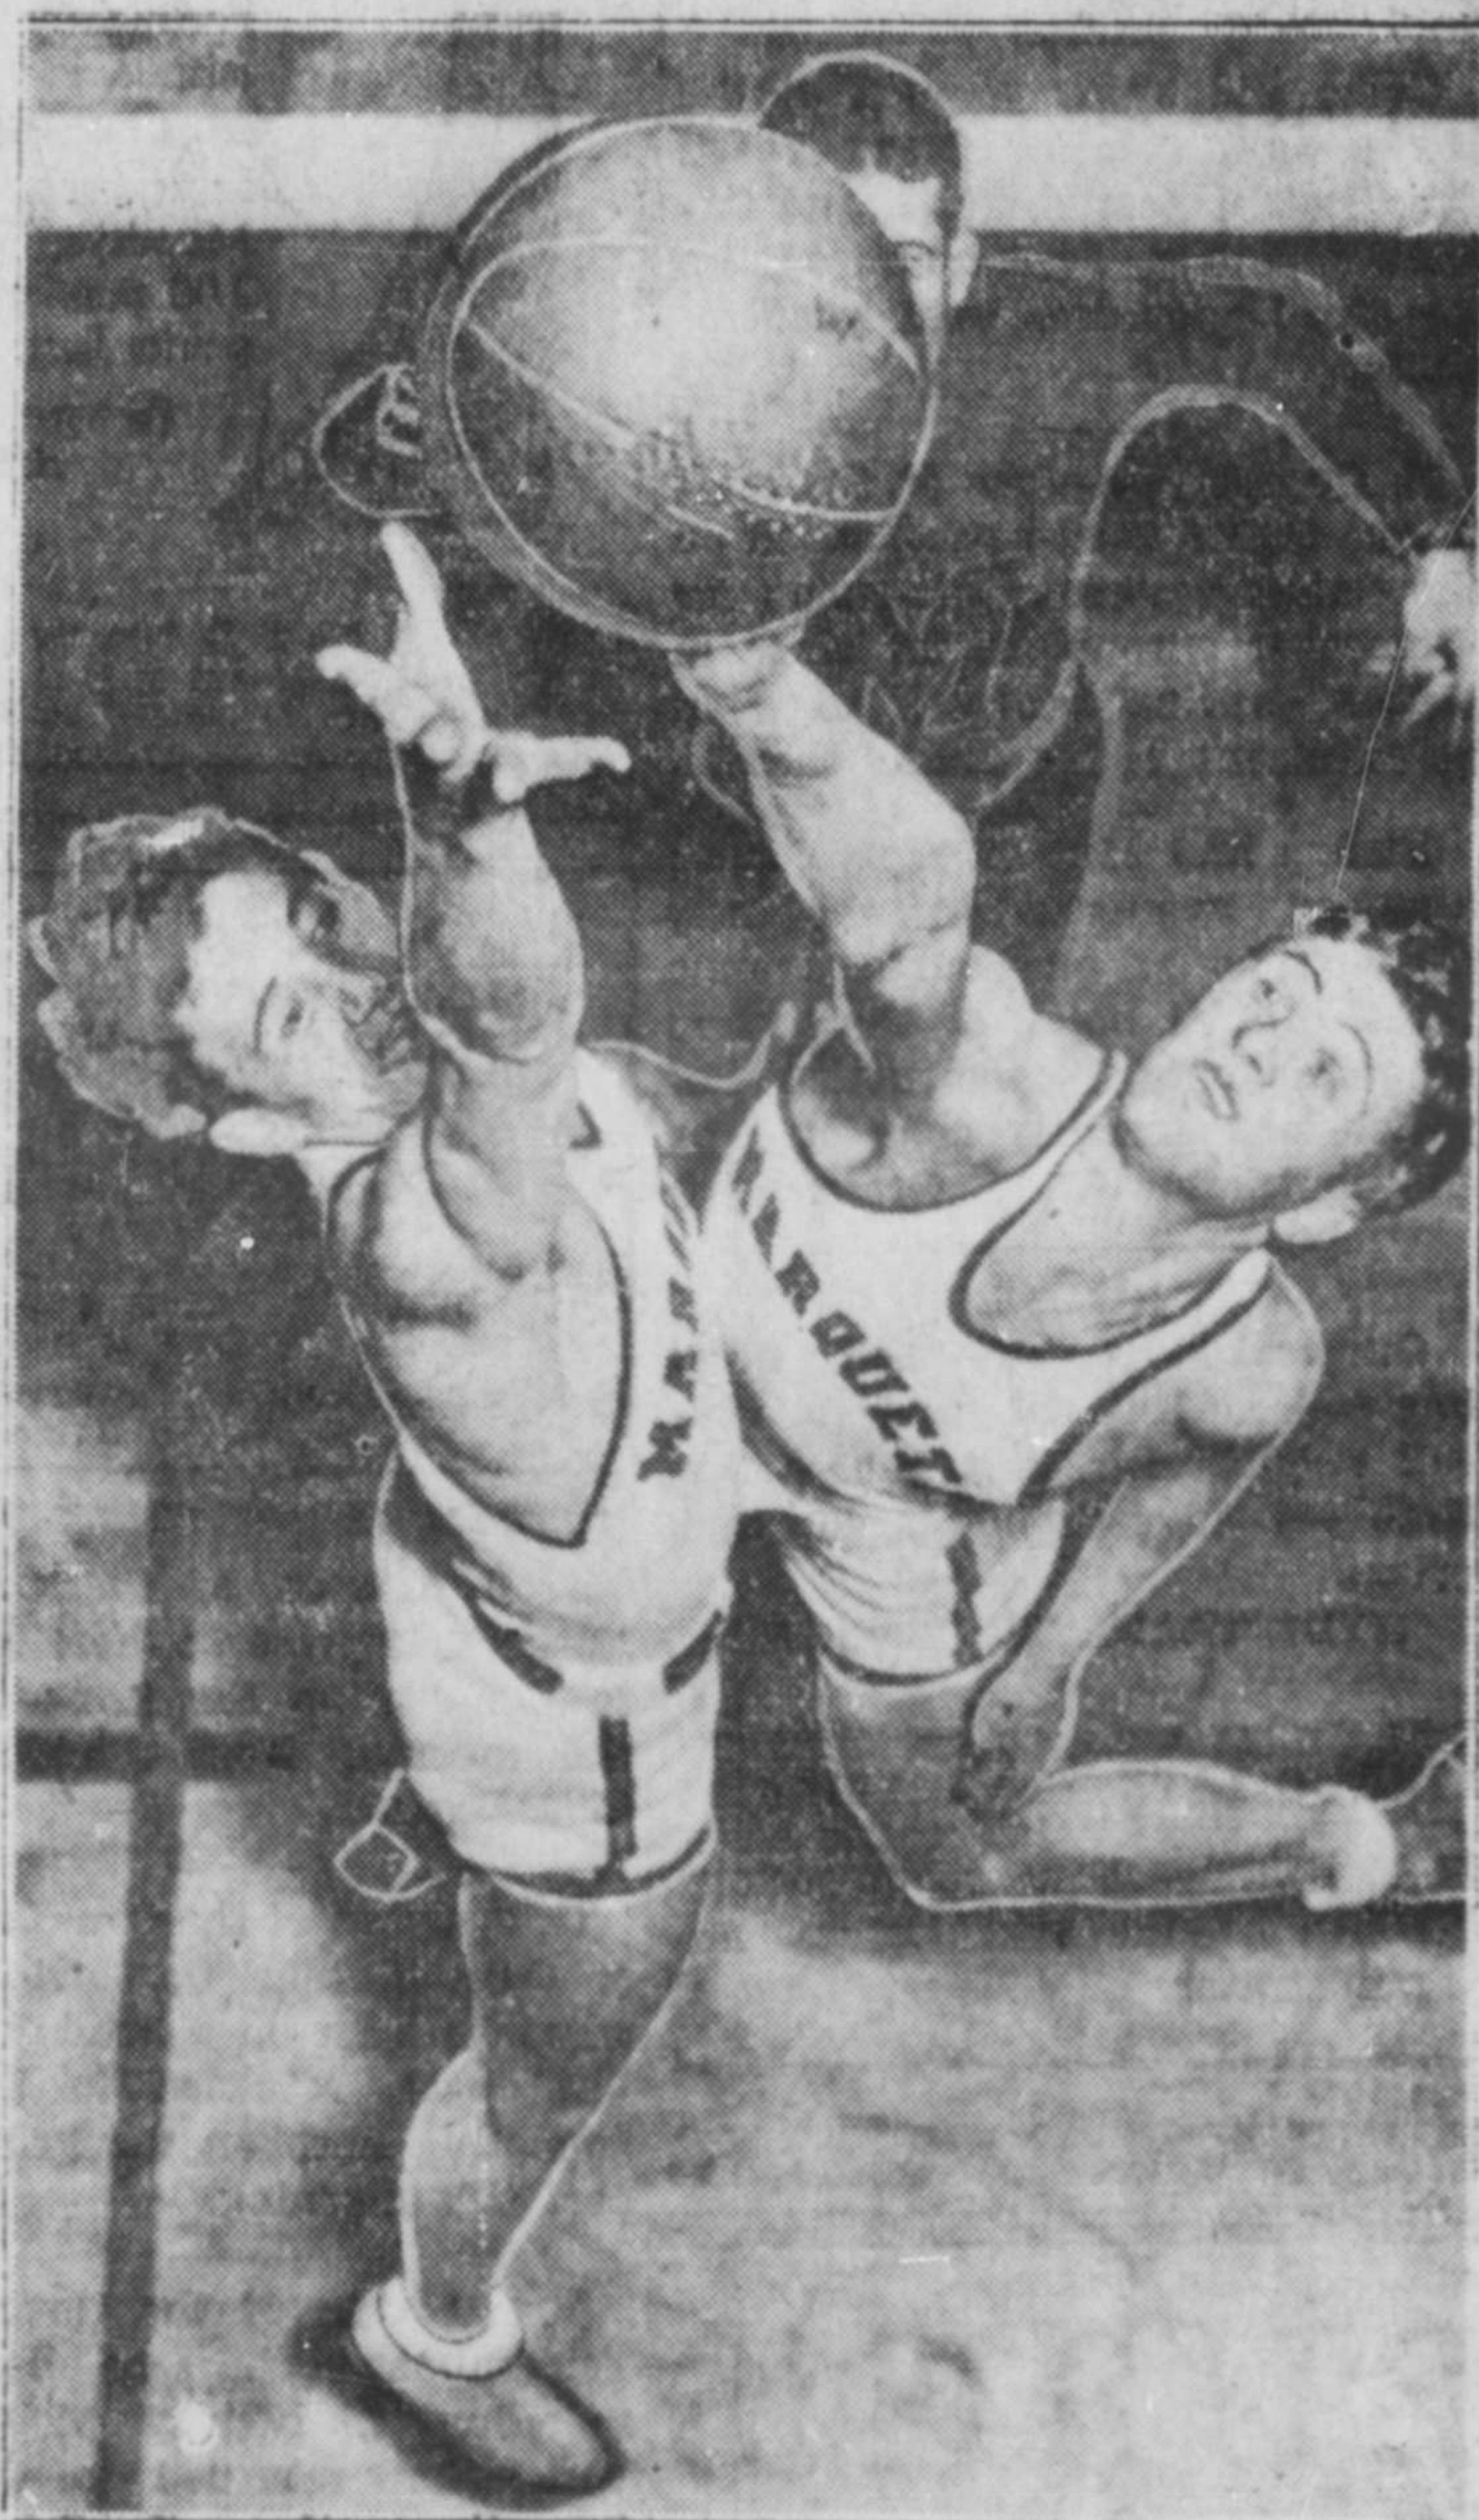

Montreal Maroons defeated Detroit Falcons four to two at Montreal and crept up to within two points of the third place New York Americans in the international section.

SPORT CHAT

The 1932 British thoroughbred racing schedule, just ratified by the English Jockey Club, reveals Britons are to be treated to a full week of flat racing more than ever before allotted. The season will open March 14 at Lincolnshire and close at Manchester on November 26. Dates of the classics follow: Two Thousand Guineas, one mile, Newmarket, April 27; One Thousand Guineas, one mile, Newmarket, April 29; The Derby, one mile and a half, Epsom Downs, June 1; The Oaks, one mile and a half, Epsom Downs, June 3; St. Leger, one mile, six furlongs and 143 yards, Doncaster, September 7. Other stakes in which Canadians are particularly interested will be run on the following dates: Grand National Steeplechase, four miles, 856 yards (Liverpool) Mar. 1; Gold Cup, two and a half miles (Ascot) June 16; Cesarewitch Stakes, two miles and a quarter, (Newmarket) October 12; Cambridgeshire Stakes, one mile and a furlong (Newmarket), October 26.

A girl's forehead provided the tee recently in a freak golf challenge match at the Thames Ditton and Esher Club, Surrey, England, between George Ashdown a young professional, and C. Mansell. One of the conditions was that Mr. Ashdown should tee up at every hole on a girl's forehead, and so Miss Ena Shaw, a young North London nurse, agreed to be used as a "teeing ground." At every hole Miss Shaw, who had a tee-peg fastened to her forehead by an elastic band, reclined on the ground and did not appear to be in the least nervous when Mr. Ashdown played the stroke. The professional, who conceded one stroke at each hole to Mr. Mansell, hit some splendid shots from his unusual tee and won the match in comfortable style by seven up and five to play.

BASKETBALL LAST NIGHT

Intermediate League Match Was Tidbit of Evening's Hoop Program

Merchants Win

C.N.R. Had Easy Victory Over 32 Taxi in Senior Match

Senior League — C.N.R. 49; 32 Taxi, 22.

Intermediate League—Merchants 27; Taxis, 21.

Ladies League — Amazons, 16; Comets 2.

Junior League—Japanese 22; Boy Scouts, 4.

A fair sized crowd witnessed a varied class of basketball in the regular league series last night. The scouts and the Japanese students started the evening with a good clean Junior exhibition of basketball resulting in the Japanese students finding themselves on the top of a 22-4 score.

The Intermediate game was probably the best game of the evening. The Merchants defeating the Taxis in a well fought battle 27-21.

In the Ladies' game the Amazons again defeated the Comets 16-2.

The Seniors started with the prospects of making a fast and interesting game but it ended up by becoming a "light work-out" for C.N.R. At full time the Taxi men found themselves at the bottom of a 49-22 score.

Intermediate Game

The Intermediate game started with a great deal of spirit and pep on both sides but very little team play. The boys got warmed up eventually and Nakamoto started the scoring for Taxis but Dingwell soon followed for the Merchants making everything even. In the rest of the first half the Merchants missed a great deal of their shots but managed to ring enough to give them a 11-7 lead in first half. The Taxis had a good combination but could not work in far enough for a cinch shot due to the heavy checking of the Merchants' guards.

The second half started with Thurber scoring two nice baskets for the Taxis, bringing both teams even. For the greater part of this half it was a good game with never more than two points of difference. However, in the last few minutes, the Taxis guards got careless and let Dingwell have three open shots which he converted into points. The Merchants held this lead for the remainder of the game. For the Merchants, Dingwell and McNulty played hard whilst the Taxis were best served by J. Morrison and Thurber.

Individual Scoring

Taxis—R. Morrison; J. Morrison 7; Nakamoto 4; Smith; Thurber 9; Moxley.

Merchants—Comadina; Currie; McNulty 6; Dingwell 13; Pierce 6.

Junior Game

The Japanese Students, who for sometime have been in the cellar, let loose on the Scouts in one of the best Junior games this year. The Students' combination was good and it easily outclassed the Scouts who are usually in better form. The Japanese played a combination as well as the Intermediate teams. Combination combined with accurate shooting cannot be beat as was easily demonstrated in their 22-4 victory.

All the players were working well for the Japanese but for the Scouts Santerbane was the only one who seemed to be working.

Individual Score

Scouts—Wilson 2; Miller; Santerbane 2; Smith; Vleieck.

Japanese Students—Suehiro; Obato 8; Nakamoto; Kanaya 10; Kishimoto 4.

Ladies' League

Despite the fact that E. Morris and C. McLeod were transferred to the Comets in exchange for N. Gurvich, the Amazons still proved the stronger team. Team work gave the Amazons the lead in this game while the Comets still seem a little shaky in the handling of the ball. There were a few flashes of good basketball in this game

Senior Game

Ratchford and Wrathall worked well in first few minutes giving 32 a lead of four points. But not for long for C.N.R. soon hit their stride and in first ten minutes of play the score stood 7-5 in their favor. The first half was rather slow but close, making it interesting for the spectators.

In the second half the Railway boys ran loose and in the first few seconds Styles and Smith scored eight points. From then on the C. N. R. started to click together and soon piled up a big score. Their

combination and jump-off plays completely baffled the Taxi boys who soon lost heart and resorted to long shots.

The 32 players should forget about taking these useless shots for they took fifty without making a solitary point. They also lost possession of the ball and the Railway boys worked it under their basket with short passes to make every shot count. Long shooting and long passing can not stand up to real combination as the 49-22 score easily shows.

For C. N. R. all the players worked as a team but for the 32, Ratchford was the only one who fought hard.

Individual scores: 32 Taxi—D. Stalker, E. Ratchford (8), S. Gurvich, Wrathall (13), McNulty, Currie.

C. N. R. A.—Styles (13), Smith

(21), B. Stalker (6), W. Johnson (6), D. Morrison (3), Nelson.

Promise Yourself

To be strong, that nothing can disturb your peace of mind. To talk health, happiness and prosperity to every person you meet. To make all your friends feel that there is something in them. To look at the sunny side of everything, and so make your optimism come true. To think only of the best, and to expect only the best. To be as enthusiastic about the success of others as you are about your own. To forget the mistakes of the past and to press on to the greater achievements of the future. To wear a cheerful countenance at all times and give every living creature a smile. To give so much time to the improvement of yourself that you have no time to criticize others. To be too big for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.

Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism. Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication. Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

XMAS TREE IS STAGED

Ladies' Orange Benevolent Association Responsible For Delightful Affair

A very happy time was spent by the members of the Ladies' Orange Benevolent Association and the Junior Orange Lodge and their friends Monday afternoon at the Christmas Tree held in the Metropole Hall by the Ladies' Orange Benevolent Association. The following program was rendered:

Recitation, Edna McLean.
Violin selections, Bobby Houston.
Songs, David Houston.

Dances by Misses Rosie Smith and Isabel Connery and also by little Miss Marie Boulter and Miss Evelyn Moore.

This was followed by a Mother Goose Sketch by members of the Juvenile Lodge, those taking part being Irene Boulter, Doris Webster, Mary McDonald, Jean McLean, Dorothy Fowler, Margaret Fowler, Ida Moorehouse, Marcus Perry, Billy Long, Freddy Barber, Betty Barber, Rosie Cox, Gladys Wallace, Shirley Walls, Audrey Viereck, Gwen Jenkins and Margaret Wallace.

After this came supper which was enjoyed by all.

Then came the event of the day. With a great jingling of bells, in came Santa Claus, who jokingly distributed presents, candy and oranges to all the children and sent everyone home feeling happy.

The committees in charge were: Christmas Tree—convenor, Mrs. Roles, assisted by Mrs. Eastman and Mrs. Cox.

Dining Room and Kitchen—Convenor, Mrs. J. R. Murray, assisted by Mrs. H. Smith, Mrs. Carlyle, Mrs. Robertson and Miss Dolly Smith.

The part of Santa Claus was taken by Henry Smith.

The following is from the Twenty Years Ago Column of the Vancouver Province—"Grier Starrett of the Canadian Fish & Cold Storage Co. has left for New York enroute to England where he will place orders for a number of steam trawlers for use in Northern British Columbia waters."

XMAS TREE YESTERDAY

Oddfellows and Rebekahs Entertained Their Children at Metropole Hall

The annual Christmas Tree entertainment of the Oddfellows and Rebekah Lodges took place yesterday afternoon in the Metropole Hall under the chairmanship of Mrs. S. L. Peachy, noble grand, and was a very happy affair for all present. There were between fifty and sixty children in attendance to enjoy a fine program of songs and recitations which was followed by a visit from Santa Claus who distributed gifts, candy and fruit to all. The proceedings were brought to a close with the serving of a fine supper.

The program included recitations by Zilla Sherman, Tommy Pierce, Zilda Hale, Peggy Blackhall and Bertha Monteith; vocal duet by Edna McLean and Rosie Cox, accompanied by Jean McLean; vocal solos by Betty Wilkinson, accompanied by Edith Wilkinson, and Norman Blackhall; vocal duet by Marjorie Eby and Don Eby, accompanied by Muriel Eby; piano solo by Maize Cameron, and vocal trio by Delphine, Gwen and Hazel Marshall, accompanied by Mrs. W. J. Marshall.

Mrs. J. S. Irvine was convenor of the social committee assisted by Mrs. William McLeod, Mrs. Pierce, Mrs. Bert West and Mrs. B. Church. Mrs. W. A. McLean was convenor of the Christmas Tree committee, assisted by Mrs. Alex McNeill, Mrs. S. V. Cox and Mrs. W. H. Sherman Jr.
