PRICE FIVE CENTS

DECLARES WAR ON HOUSE OF LORDS

BIG FIRE AT LADYSMITH TODAY IS BLAMED ON FIRE BUGS

Ramsay Macdonald Is Outspoken In Attack Upon British Peerage

Menace of Upper Chamber Must Be Met If Country Is to Avoid Turmoil—Makes Plea For Really Representative Democracy

LONDON, May 18.—Premier J. Ramsay MacDonald today made an open declaration of war upon the House of Lords in a letter to the Labor candidate in Rutherglen by-election. "If this country is to escape the turmoils through which others have gone, the menacing challenge of the House of Lords must be faced and the mass electors must be assured that representative democracy is not a combination of words but an effective power," the Prime Minister said.

CHILD BURNED TO DEATH IN FOREST FIRE

EDMONTON, May 18.—Settlers of Northern Alberta districts have been working frantically Wednesday in the hope of checking bush fires which have already claimed one life, that of three-year-old David Wheelton of Clyde. Largest of the dozen or more outbreaks, a blaze which has swept over 20 square miles of park land near Spirit River, was sweeping towards the British Columbia border line at last reports. Smaller fires are burning at Onoway, Calahoo, Fort Assiniboine, White Court, Pigeon Lake, Clover Bar, Ardrossan and many other points. Tinder-dry conditions of bush and grass and summer-like heat lead to the fear that other outbreaks may occur. Only heavy and immediate rains can relieve the situation.

TROLLER MISSING

Police Search Northern Coast But With No Success

Fears for the lives of the unknown crew of the Canadian salmon troller Sea Belle, found split in half on a reef at Goose Island in Queens Sound, opposite Bella Bella, are entertained by the provincial police. Continued search has revealed no trace of the party. The splintered wreckage was found by Indian fishermen, who reported to the authorities.

The P.M.L. 8, provincial police launch of Prince Rupert, has been vainly searching nearby waters for the bodies. It is believed to have been a Bellingham boat with two young men aboard.

DIES AT VICTORIA

Dr. George Henry Haynes Was Well Known Dentist and Native Son of Capital

VICTORIA, May 18.—Dr. George Henry Haynes, well known Victoria dentist and native son, died in St. Joseph's Hospital last evening following a heart seizure some days ago. He was 57 years of age.

EDMONTON HAS HEAVY SNOWFALL

It snowed all day in Edmonton yesterday and was still snowing there this morning, Canadian National Telegraphs report. It may afford some relief to the farmers whose crops have not been getting a good start owing to excessive dryness.

Is Again Named Foreman of Road

J. A. Macdonald Returns to Duties He Formerly Held

SMITHERS, May 15.—John A. Macdonald has returned to the service of the public works department here as road foreman. For several years he has been employed as a tie inspector by the Canadian National Railways.

The Weather

Triple Island—Clear, light west wind; sea smooth.
Langara Island—Cloudy, light west wind; sea calm.
Dead Tree Point—Part cloudy, light southwest wind; barometer, 30.48; temperature, 52, light chop.

OPPOSE LEAGUE

Beaverbrook's View Supported in Britain—U. S. Movement Staggered

LONDON, May 18.—Following Lord Beaverbrook's sensational expression of opinion at the week-end, a great revulsion of opinion in Great Britain against the League of Nations seems to be developing. The view is gaining ground that Great Britain, through participation in the League is endangering her Sovereignty and the power to shape her own destiny.

WASHINGTON, D.C., May 18.—The developing British antagonism against the League of Nations has dealt a staggering blow to the movement in this country to put United States in the world court.

PIONEER OF VANCOUVER

C. H. Macauley, Prominent Banker of Southern City, Passes Away At Age of Sixty-Four

VANCOUVER, May 18.—Charles Hamilton Macauley, aged 64, pioneer business man of Vancouver and head of the firm of Macauley Nicholls and Maitland Co. Ltd., is dead here.

Born at Pugwash, Nova Scotia, in 1867, the late Mr. Macauley taught school for a couple of years in his native province and came to British Columbia in 1887 at the age of twenty. He established the brokerage business of Macauley and Nicholls in 1898 and it has since become one of Vancouver's prominent and successful financial concerns. Mr. Macauley was also interested in the lumber business and he was a former president of the Vancouver Tourist Association. He was a Mason and a prominent member of Vancouver Scottish societies.

The late Mr. Macauley is survived by his widow and three sons and one daughter.

FISHERMEN AT SCHOOL

This Year's School For Fishermen Has Full Quota

HALIFAX, May 18.—Twenty-three fishermen from various parts of the Maritime Provinces and the Magdalen Islands are now in Halifax learning the modern methods of their craft at the fisheries experimental station here. The six weeks' course is being given for the fourth consecutive year, under the direction of Dr. A. H. Leim, with experienced men in charge of instruction in the handling and curing of fish, the running of gasoline engines, and navigation. Professor A. Stanley Walker of King's University is in charge of a general course in natural resources.

Three men from Newfoundland, preparing for posts as fisheries officers are attending. Robert Gray, of the fisheries department, has charge of the instruction in pickling fish, with C. R. Earl explaining and demonstrating the better methods of preparing and smoking boneless cod. It is recognized that the freezing, canning and smoking of fish require expensive equipment, therefore (Continued on page 4)

Premier of Japan

Informal study of Reijiro Wakatsuki, who succeeds Yuko Hamaguchi as premier of Japan. Wakatsuki, former premier, was head of Japanese delegation to five-power naval conference in London

SNOWDEN IN LORDS

Chancellor Would Be Elevated to Peerage If He Resigned

LONDON, May 18.—If Rt. Hon. Philip Snowden, Chancellor of the Exchequer, should have to resign, Premier J. Ramsay MacDonald would recommend his elevation to the peerage, it is understood. His valuable talents would thus be merely transferred to the more tranquil House of Lords.

GRAIN SHIP HAS SAILED

Outlook is For Quiet Times at Local Elevator Until Fall With No Wheat Moving

The Heronspool, fourth vessel to load a full wheat cargo here this spring, sailed at 5 o'clock yesterday morning for the United Kingdom or Continent and the outlook is now for quiet times at the Alberta Wheat Pool's Prince Rupert elevator until possibly next fall, when the 1931 crop begins to move. The local house is not absolutely empty of grain but there is no material quantity therein. Unless there is a change in present storage arrangements, it is understood that little, if any, grain will move through here during the next few months.

Pilot Wasson's Narrow Escape

Plans of Noted Northern Flyer Go In Trouble At Atlin

Pilot E. L. Wasson, who figured prominently in the Burke rescue operations last fall, had a narrow escape one day at the end of last week when his plane went through soft ice on Atlin Lake while he was attempting to land there. The ship sank to its wings but Wasson escaped. The machine was later pulled to more solid ice.

LAUNCH TOMORROW

The launching from the local dry dock of the new Anglican Mission boat Northern Cross will take place on the high tide around 2 o'clock tomorrow morning. The vessel will be practically completed when she takes to the water.

Five Houses Destroyed and Others Damaged On Vancouver Island

Paper and Kindling Were Found Piled Along Walls of Burning Buildings—High Gale Menaced Other Parts of Community

LADYSMITH, Vancouver Island, May 18.—Five houses were completely destroyed and two were partially burned down while the roofs of three others were badly scorched in what the provincial police state was a deliberate attempt to burn down a large section of this town early this morning. The damage is estimated at \$20,000. Firemen subdued the flames after a terrific battle in a gale which scattered the embers over a wide area.

SURVEYS PLANNED

Parties to Take Field Early—Attention to Be Given to Northern British Columbia

VICTORIA, May 18.—Airplanes and surveyors' transits are closely linked in modern map-making, it is emphasized in the 1931 program of provincial surveys, approved by Hon. N. S. Lougheed, minister of lands. Seven parties will take the field shortly in a definite plan of ground work to extend former surveys and link up gaps in the chain. At least two of these parties are headed for high adventure, one being destined to cross the northern interior of the province, cutting laterally across all suggested routes for the Alaska highway, and through the Mecca of international big game hunters; and the other to link with efforts from the air to trace gold-bearing channels in certain placer mining areas of the province.

The program as released by F. C. Green, Surveyor-General, includes township outlines and, in addition, important work on triangulation surveys to close a gap between the Ingenika and Naas Rivers. Some incidental survey work of a local nature will also be carried out in various parts of the province.

John Elliott, of Vancouver, will operate in the Peace River block. Duncan Cran, of Fort St. John, and E. H. Burden, of Prince George, will work on land surveys in the Peace River block. V. Schjelderup, of Vanderhoof, will continue with 1930 surveys in the Vanderhoof district.

The party going into the Stikine territory will cross the suggested alternative routes of the proposed Alaska highway, without being concerned with that project. This party will also traverse a country where bands of caribou and other big game live in great abundance.

SAWMILL IS BURNED OUT

Plant of Clarke & Son at Happy Valley, Near Victoria, Destroyed With \$20,000 Loss

VICTORIA, May 18.—Fire totally destroyed the mill of Clarke & Son Lumber Co. at Happy Valley early yesterday morning with an estimated loss of \$20,000.

Vancouver Wheat

VANCOUVER, May 18.—Wheat was quoted on the local exchange today at 58 1/2c.

MOTORCYCLE FROM VANCOUVER TO BELLA COOLA

T. L. Chignell and A. J. Arnold have left Vancouver to travel by motorcycle to Bella Coola where they will reside. If they succeed in making the journey they will be the first to have travelled by any kind of motor vehicle from Vancouver to Bella Coola.

Investigating Woman's Death

Coroner and Police Officer From Smithers Go to Burns Lake to Conduct Probe
SMITHERS, May 18.—Coroner Stephen H. Hoskins and Constable William Smith were at Burns Lake last week conducting an investigation into the circumstances surrounding the death of Mrs. Osborne of Francois Lake. She passed away in the Burns Lake Hospital after being accidentally shot near the heart.

Lake Raising Project For Smithers Off

SMITHERS, May 18.—The Canadian National Railways have decided not to proceed at this time with a project for the raising of the level of Bigelow Lake by constructing a large ditch to tap Seymour Lake. The work was to cost \$16,000 but it will not be carried out just now because of financial stringency.

BURDOCK BLOOD BITTERS

Eczema On Hands
Couldn't Put Them In Water

Mrs. Solomon Behkopf, R.E. No. 1, Neustadt, Ont., writes:—"I was troubled with eczema for four years, and it was so bad I could not put my hands in water. I found Burdock Blood Bitters the only medicine that would give me any relief, and after taking four bottles the eczema had all left me. I can now do my own washing, and wish to give thanks to B.B.B. for what it has done for me."

ERA OF EXPANSION

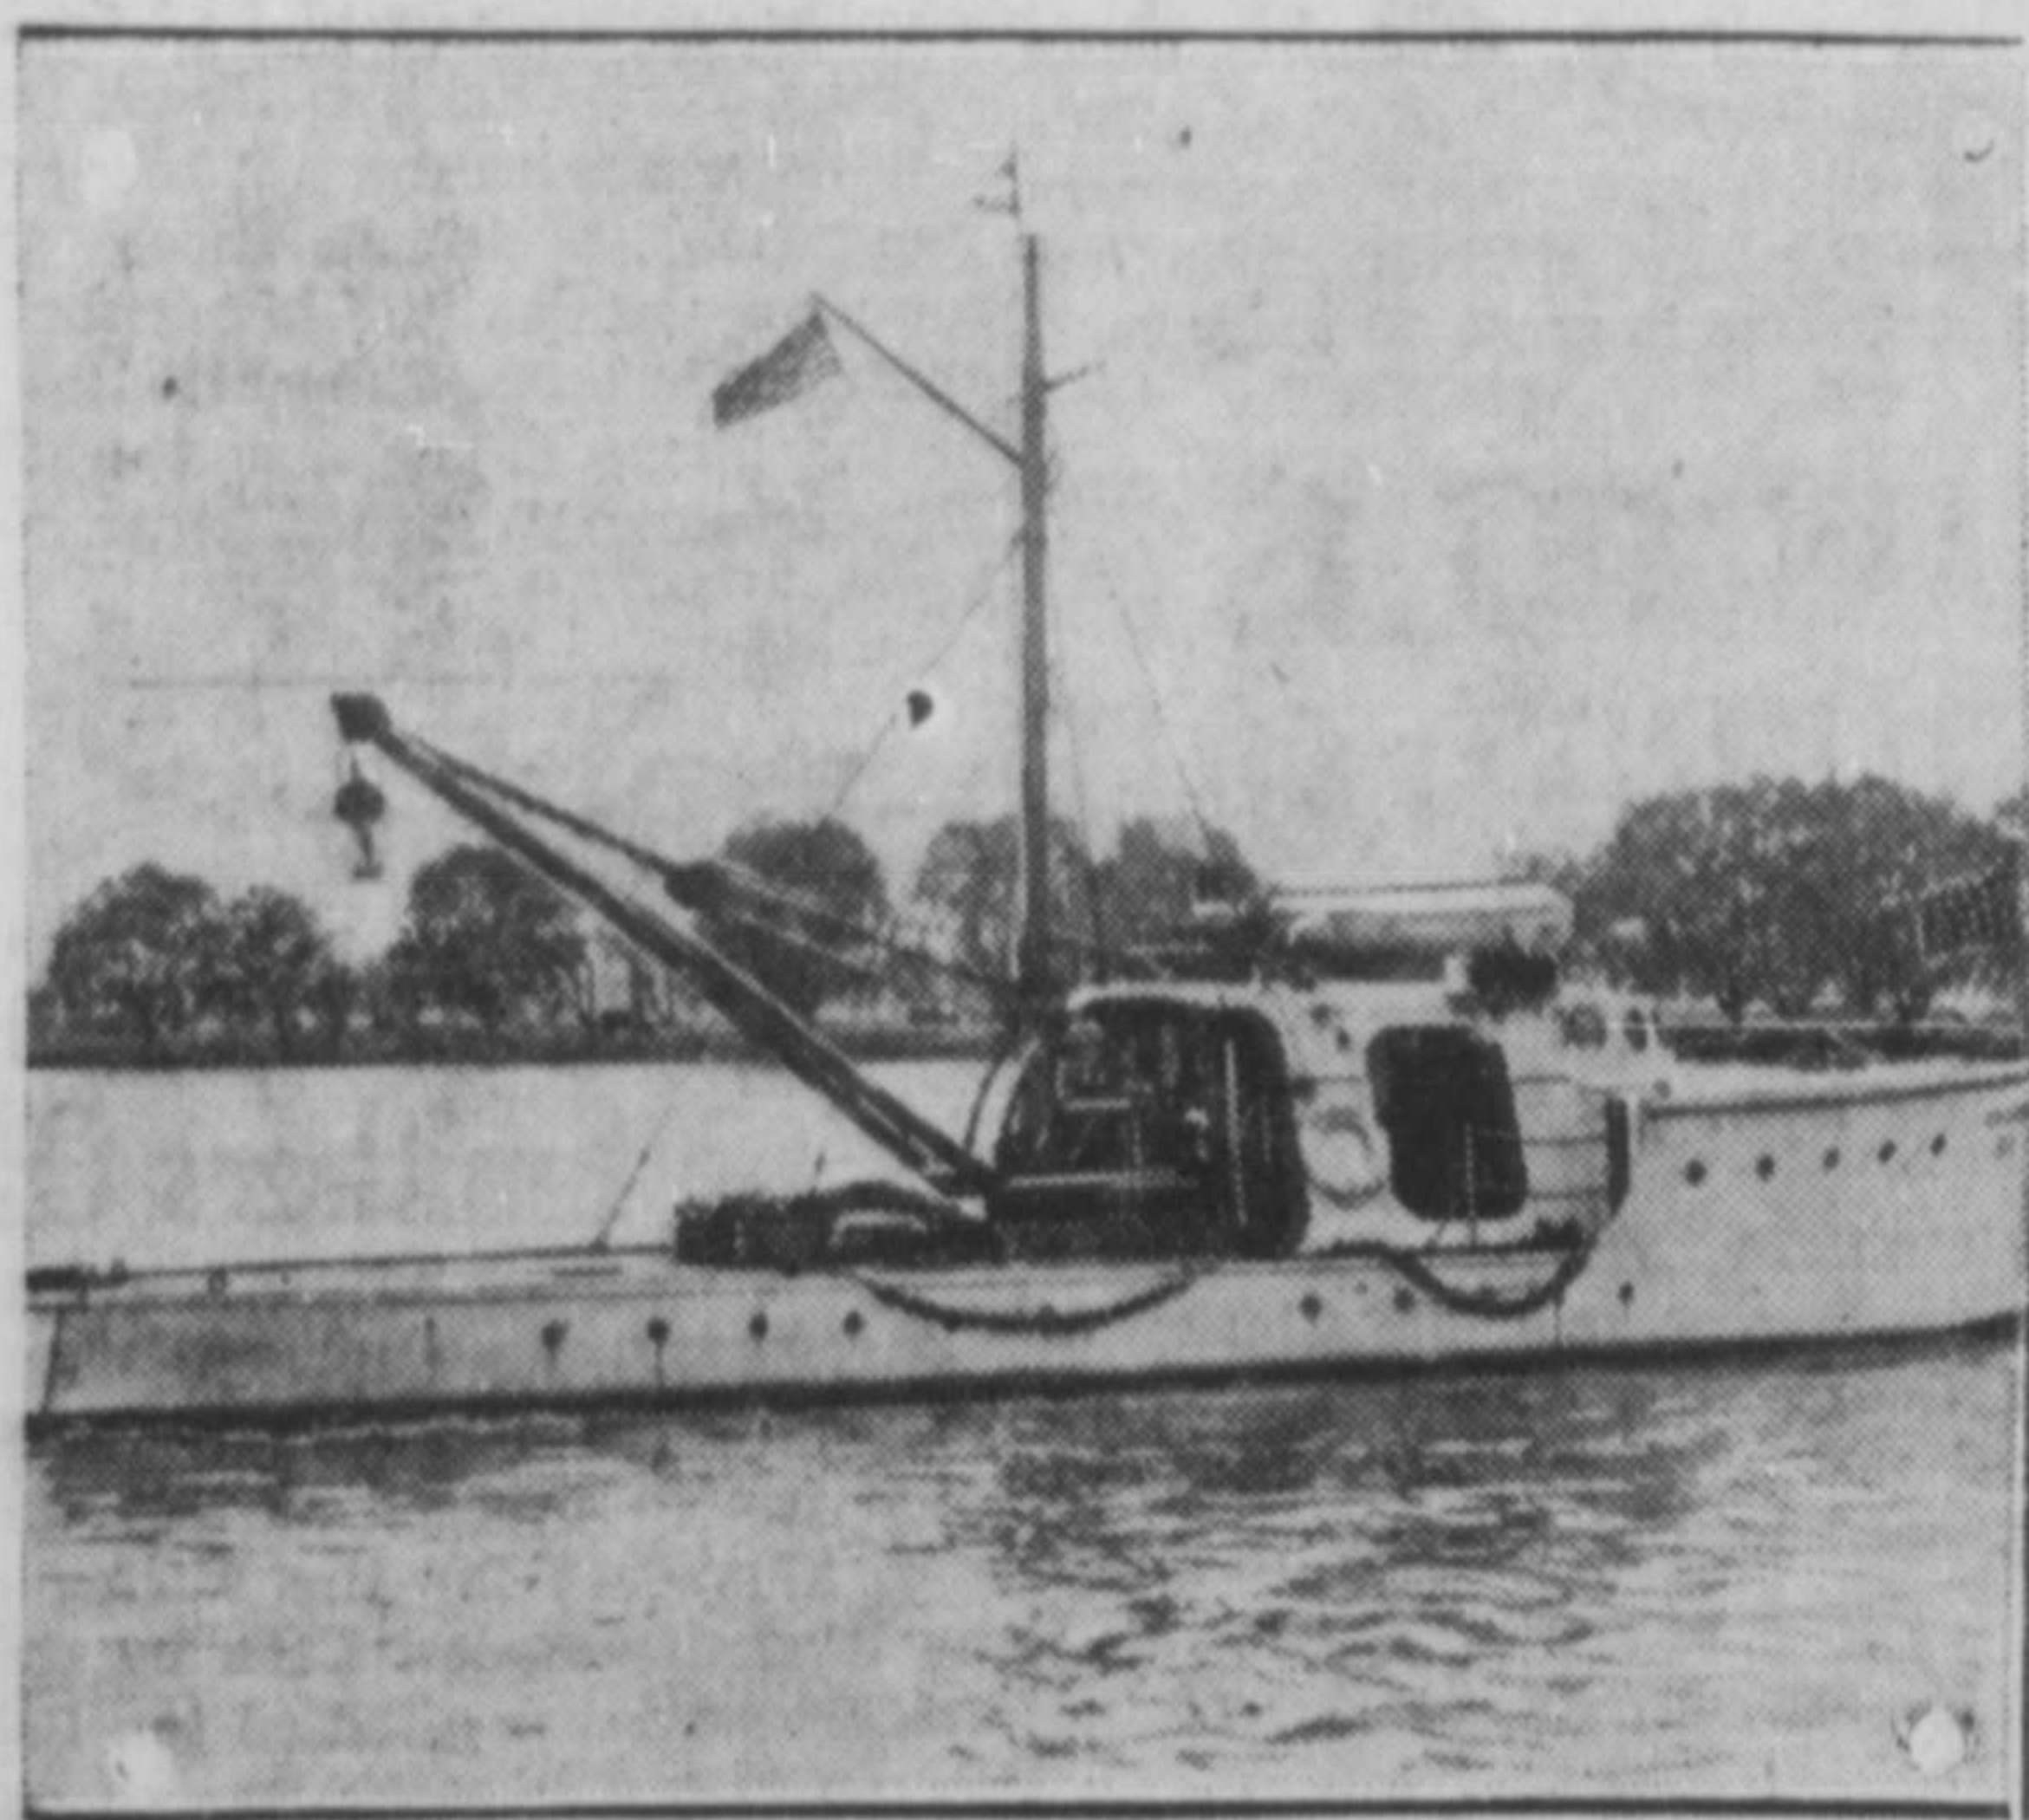

"I am certain that in the North Pacific we are on the very threshold of an era of development and expansion which, perhaps, will surpass in magnitude anything that has been seen in the lifetime of anyone in this House." That is the statement made by Hon. H. H. Stevens, minister of trade and commerce, last week when discussing Canada's trade treaties. He based his statement partly on the stabilization of government which is being brought about in China but also he doubtless had in mind the new outlet to the vast Peace River country about which Sir Henry Thornton spoke recently as likely to benefit Prince Rupert.

H. H. Stevens through his varied interests has championed Northern British Columbia in the past and we believe he will do so again. He has had close associations with the C. P. R. and we know now that the C. P. R. is pretty sure to use Prince Rupert as a western port that leads direct to the Orient. If the trade of the North Pacific improves, we have good reason to believe that the trade of Prince Rupert will improve.

Within the next few years we look for great developments at Prince Rupert. They include the making of this port the western outlet for the Peace River country, or perhaps we should be careful and say, "a western outlet." We expect it to be the chief outlet. We also look for the establishment of a regular steamship line connecting Prince Rupert with the Orient. We hope that this will be a Canadian or British line but if our own people cannot recognize our superior position we shall have to look to the foreigner to do so.

Hon. H. H. Stevens has a better opportunity than anyone else to know what is going on in the world and looking down from his superior position he deliberately declares that he sees an era of prosperity coming for the North Pacific.

One of the Vancouver papers declares that their city is the key port. We acknowledge their superior position in regard to size and financial and commercial prominence but we believe Prince Rupert has the advantage of position and this will eventually count. The day will come when Vancouver commercial men will be scrambling to get a place in Prince Rupert to share in the prosperity which is bound to come to this city.

First seaplane retriever to act as rescue ship to aircraft alighting from their natural element upon waters. It was constructed by welding, without use of rivets. It is seen at Washington, D.C.

NORTHERN B. C. NEWS

SMITHERS

Peter Gruich is meeting with great success in raising hothouse tomatoes on his farm near Smithers. Already Mr. Gruich has marketed 400 pounds here and he expects to dispose of 400 pounds more. There is a ready market.

The rate of wages for conscript fire fighters has been reduced from 25c to 15c per hour. This will make the task less attractive and will pretty well eliminate any possibility of fires being set in order to obtain employment fighting them.

Over three hundred new names have been added to the voters' list for Skeena riding. A great many names have also been taken off.

Rev. L. J. Hales of Smithers was at Hazelton recently to deliver the sermon at a joint service of the Anglican and United Churches there. The joint service was held as part of the program for observance of National Hospital Day at Hazelton.

The Topley District Association has applied for representation on the council of the Smithers and District Chamber of Commerce. The offer was accepted.

After spending the winter months in Vancouver, J. O. Mollard has returned to this district and is again connected with the public works department here.

PRINCE GEORGE

The city council is prospecting with a view to obtaining a supply of softer water for the city. Sand point tests will be made before any expenditure is made in the way of clam shell work.

The Fort George District Liberal Association has elected officers for the year as follows: president, Dr. Carl Ewert; vice-presidents, Mrs. A. E. Taft, J. R. Boyd, D. W. Hay, J. Golder, S. McNeil and A. Boederman; secretary-treasurer, Gordon Wood.

The Prince George Liberal Association has elected the following officers: president, G. B. Williams; vice-presidents, Bert Blackburn, John Assman, P. D. Carr, A. Holmwood and F. C. Clark; secretary-treasurer, G. S. Wood; executive, A. N. Rogers, J. Lambert, F. D. Whitmore, J. D. Gillis, Dr. Carl Ewert, J. O. Wilson, J. D. McLeod, C. A. Blue, A. Leith, W. Skinner, A. McCallum, B. G. Parker, J. Leith and E. Thompson.

The Women's Liberal Association here has elected officers as follows: president, Mrs. A. B. Taft; vice-presidents, Mrs. E. Thompson, Mrs. F. C. Clark and Mrs. A. McMillan; executive, Mrs. Charles Hughes, Mrs. H. G. Perry, Mrs. J. C. McKenzie, Mrs. C. H. Van Somer, Mrs. E. Blackburn, Mrs. S. Croteau and Mrs. B. G. Parker.

VANDERHOOF

The members of the Young People's Society rang down the curtain on a successful winter season when a banquet was held in the Canadian Legion Hall with about fifty persons in attendance. Dr. W. Ross Stone presided and Rev. R. G. Dunbar asked the blessing. Speakers included Rev. Basil D. Prockter, Mrs. Clarence Smedley, Miss Huldah Lee, Miss Mabel Smedley and George Ogston. The function was concluded with a bridge party and dance.

T. P. Calhoun, who is suffering from partial paralysis following a recent stroke, left recently for the Hazelton Hospital where he will receive further treatment.

Jerry Smith of the Chilco district is a patient in the Prince George Hospital where he recently underwent a serious operation.

BURNS LAKE

Mrs. D. M. Gerow, Joe Kerr, Sivert Anderson, Mrs. James Clark, Mrs. Harry Smith, Thomas Radley and M. F. Nourse have been elected directors of the Burns Lake District Hospital Society following the resignation of the old board.

TERRACE

Mrs. W. M. Noonan and family of Telkwa arrived on Thursday on a visit to Mrs. Noonan's mother, Mrs. F. Bohler, of the Kalum Valley.

Visitors here from up the line on Thursday included Mrs. P. Skinner, Bert Wilson and P. McNichol of Usk.

Mr. Beaumont of Houston returned to Terrace last week and is located on the ranch on the bench formerly occupied by W. Smith.

Mrs. Hagen of Vanarsdol came down to Terrace on a business visit on Thursday.

Both the local telegraphers are on a vacation. Mr. McLeod of the C.N.R. is enjoying a siesta at Kolum Lake and Tom Walsh is just enjoying himself around town. Mr. Portsmouth is relieving at the station and Mr. O'Brien in the Dominion telegraph office.

Messrs. Gwyer and Cotton, district engineers of the public works department came in on Thursday to line up the road work for the ensuing season.

Pat McPhee went out to Smithers on Wednesday and intends putting in the season thereabouts.

Mr. Dix brought a company down from Kalum Lake on Friday among the number being Mrs. F. Nightwine, O. Gendron and O. Olander.

Mrs. T. E. Brooks went down to Prince Rupert on Thursday for medical advice, returning on Saturday.

Mrs. W. S. Anderson and her daughter returned on Thursday; freight after spending a few days in Prince Rupert.

John de Kergonneaux was the lucky prize winner at Bishop's show on Wednesday.

STEWART

Tea was served at the Stewart General Hospital in connection with the observance of National Hospital Day.

The Stewart Board of Trade, at a meeting recently, decided to ask the minister of education, Hon. Joshua Hinchliffe, who is at present on a tour of the north, to pay a visit to Stewart.

After having spent the past year and a half in London, England, Harry Zeffert is back in Stewart and intends to remain here for some time in connection with his local business interests. Mrs. Zeffert is at present in Vancouver and will join Mr. Zeffert here within the next two or three weeks.

Rev. Evan Baker, pastor of the United Church here, left for Vancouver to attend the annual British Columbia Conference. He was accompanied south by Mrs. Baker.

D. B. Morkill has arrived from Victoria, being here to commence his summer's survey work in this district.

Miss L. G. Burns, who has been on a trip south, has returned to Stewart.

H. L. Baker has returned from a trip to Vancouver and elsewhere in the south.

In the final bridge and whist drive of the season under the auspices of the local Canadian Legion, prize winners were: bridge, ladies' first, Mrs. Slater; second, Mrs. B. F. Smith; men's first, William Wycherley; second, W. T. Mowatt; whist, ladies' first, Mrs. Driver; second, Mrs. C. Farquhar; men's first, Frank Cameron; second, Duncan Munro.

CONCERT ENJOYED

Entertainment Staged at Terrace by Parent-Teachers and Pupils

TERRACE, May 18.—Under the joint auspices of the Parent-Teachers' Association and the High School Literary Society, a very successful concert was held in the picture theatre here on Friday night. Principal E. M. Bowring presided and briefly introduced the various artists.

Two songs were sung by the pupils of the High School. Piano solos were rendered by Misses Marjory Kenney, Dorothy Head, Helen Beveridge and Janet Young. Mrs. R. deKergonneaux sang "Killarney" in fine style and Mrs. LaHear evoked a hearty encore by her rendering of "The Ladies of St. James." Two effective recitations were given by A. Attree.

The "piece de resistance" was a clever little playlet rendered by the High School pupils, entitled "A Regular Fix." John Smith took the lead as High deBrass and won high praise for his clever presentation.

while Stewart McLeod, as Mr. Surplus gave a dignified exhibition of a harassed lawyer. Other characters, all of which were cleverly sustained, were—Miss Sophia McLaren as Charles Surplus, Dudley Little as Abel Quick, Lloyd Thomas as Smiler, Frank Green as a porter, Carmen Smith as Mrs. Surplus, Margaret Glass as Emily, Ethel Moore as Mrs. Deborah Carter and Helen Greig as Matilda Jane.

Warm thanks were accorded by the crowded audience to all who took part.

Jeane Wimbles May Queen At Prince George

PRINCE GEORGE, May 18.—Miss Jeane Wimbles has been elected Queen of the May here this year. She was elected by popular vote of the school pupils of Prince George.

I spent a season in Hollywood and I didn't like any of the actresses enough to buy them a soda.—Joseph Hergesheimer.

LOCAL BOY IS WEDDED

Miss Kay Couch Becomes Bride of Gordon Kerr at Ceremony in Hyder

A wedding of much interest here took place last Thursday at Hyder, Alaska, Commissioner C. Sandford officiating, when Miss Kay Couch was united in marriage to Gordon Kerr of this city. Mr. and Mrs. Ernest Blue witnessed the ceremony. The marriage came as a complete surprise to friends both here and in Stewart.

Mr. and Mrs. Kerr are taking up residence in Stewart where the groom is in the service of the Northern B.C. Power Co.

Prince George Couple Wedded

PRINCE GEORGE, May 18.—William Bowen and Mrs. Herta Hayward were married here on Tuesday by Rev. A. Hager at the parsonage in Central Fort George.

Would you rob your children?

WITHOUT realizing the fact, you may be robbing your wife and children. Perhaps, like many other men, you have taken from your dependants the protection of Life Insurance which they should have.

Face the situation squarely. Remember that a lapsed policy is a menace to the future happiness of your family. Hardships may suddenly fall on frail shoulders unaccustomed to man's burdens.

By maintaining adequate life insurance you can be sure of independence in your later years . . . sure that your wife will never want . . . sure that your children will have the advantages of an education.

The sound advice of a Life Insurance Representative will help you solve your personal problem. Consult him today.

Take Long Walks Fat Men are Told

How can you walk off your fat if you haven't any energy to do it? You can take off fat with Kruschen Salts if you will take one-half teaspoon in hot water every morning before breakfast, modify your diet and exercise regularly.

There are six different salts in Kruschen that your body organs must have if you are to enjoy good health. While you are losing fat you will be gaining in vigor, energy, vitality and power of endurance.

That means that soon you will be able to walk many miles without fatigue and enjoy every step you walk.

Drug Stores all over Canada sell Kruschen Salts, and a jar costs but 75 cents—it's a real blessing to fat people.

Mrs. Charles Edwards sailed last night on the Prince Charles for a trip to Vancouver and Seattle.

Dr. R. Geddes Large of Port Simpson sailed last night on the Prince Charles for a brief business trip to Vancouver.

H. C. Fraser, inspector of schools, returned to the city on yesterday afternoon's train from a trip to Smithers and Telkwa on official business.

Provincial Constable Lance Potterton, of Stewart, who has been on a two-weeks' holiday trip to Vancouver was a passenger aboard the Catala last evening returning north.

F. S. Walton, C.N.R. roadmaster, returned to the city on yesterday afternoon's train from Winnipeg, whence he accompanied Mrs. Walton and child, who are on a trip to England.

E. D. Johnstone, deputy-minister of finance and former city treasurer here, who was reported to be seriously ill at Prince George last week with pneumonia, is now stated to be much improved.

"The Lay of Laughing Goose," is the title of a novel poem by W. A. Seeley which appears in the magazine section of the current Vancouver Sunday Province and which has references to early Indian life in this district.

Robert Orme, son of Mayor and Mrs. C. H. Orme, has recovered sufficiently from the effects of a recently split elbow to be able to resume his studies at Shawinigan Lake, Vancouver Island, the arm is still stiff although knitted.

Mr. and Mrs. T. R. Fletcher were passengers aboard the Catala last evening bound from Vancouver to Mill Bay where Mr. Fletcher will take over the duties of cannery accountant for the season. Last year he was stationed on Queen Charlotte Islands.

Mr. and Mrs. F. H. Clendenning after having spent the past month in the city, sailed by the Prince Charles last night for Vancouver. They were accompanied by Mrs. Clendenning's mother, Mrs. Geo. D. Tite, and sister, Miss Eleanor Tite, who will pay an extended visit in Vancouver.

Spartan Athletic Club Organized at Meeting Saturday Evening

Plommer President

Track and Field Sports to be Encouraged Locally

At a meeting Saturday evening in the City Hall, a track and field club to be known as the Spartan Athletic Club was organized, officers being elected as follows:

President—J. W. Plommer.
Vice-President—Philip Edgcombe.

Secretary—Archie Thompson. Phil Edgcombe, in outlining the object of the organization, stated that he could see no reason why track and field sports should not occupy quite as important a position as baseball and football among the sports of this city. The only way to arouse interest in them was to form an organization and hold regular practices at the Acropolis grounds.

The club is composed mainly of the younger athletes of Prince Rupert, although several of the older ones are manifesting a keen interest in its activities. The object is not to develop a few star performers, but to give every one an opportunity of taking part in track and field sports, for which purpose it is proposed to hold handicap meets during the summer.

There are many boys who do not know what they can do because they have never tried such events as the 440 yards, the 880 yards, the mile, the sprints, the jumps, or discus and weight-throwing, and an effort will be made to interest as many as possible in the club.

The membership of the club train on week days at the Acropolis grounds at 7:45 p.m., and Saturdays at 7:00 p.m. Anyone interested is invited to turn out.

STATION LEADING

Defeated Round House 10 to 6 in Canadian National Softball Saturday Evening

In a postponed game of the Canadian National Recreation Association's Softball League Saturday night, Station won over Round House by a score of 10 to 6 and went out on top of the standing. It was a well-played match which was followed with interest by quite a crowd of fans.

Batteries were Tulloch and Peterson for the Round House and Styles and H. Skattebol for the Station. Morrison, first baseman, and Unger, third baseman, were the stars of the respective teams.

LEAD WAS STRETCHED

Athletics Now Leading American League By Two Full Games National Unchanged

CLEVELAND, May 18.—Philadelphia Athletics, by winning twice from Cleveland Indians at the week-end, stretched their lead in the American League to two full games. The Washington Senators, winning twice over the St. Louis Browns and losing once, crept up to a technical tie for second place in the league with New York Yankees who broke even with Detroit Tigers. Chicago White Sox, winning twice from Boston Red Sox, went into a tie with the Bostonians for sixth place.

All teams in the National League broke even on week-end play and there were no changes in positions or margins. The St. Louis Cardinals retain their lead of one game and a half over the New York Giants.

Week-end scores:

SATURDAY SCORES	
National League	
Chicago 1-17, Philadelphia 5-6.	Cincinnati 1, Brooklyn 2.
Pittsburg 2, Boston 9.	St. Louis 5, New York 7.
American League	
New York 1, Detroit 3.	Washington 9, St. Louis 7.
Philadelphia 12, Cleveland 5.	Boston 0, Chicago 3.

SUNDAY SCORES	
American League	
Philadelphia 15, Cleveland 10.	New York 8, Detroit 3.
Boston 1, Chicago 2.	Washington 1-4, St. Louis 7-2.
National League	
St. Louis 6, New York 1.	Pittsburg 5, Boston 3.
Cincinnati 7, Brooklyn 5.

Stanford Wins College Polo From Oregon

CORVALLIS, May 18.—Stanford University defeated University of Oregon in intercollegiate polo here Saturday by a score of 6 to 1.

Hamilton High School Team Holds Workout

Members of Delta high school Hamilton, Ontario, hold a workout on Franklin field, Philadelphia, Pa., in preparation for coming meet. Left to right: Coach Bill Downes, Jack Benson, Bob Welsh, Fred Leckie, Lester Dunn, Bob Woods and Eddie McLean.

BASEBALLERS GET IN SHAPE FOR OPENING

Fine Workout Yesterday Morning In Preparation For Coming Ketchikan Series

Local baseball players were out in full force yesterday morning on Acropolis Hill grounds in preparation for the coming series next week-end with the Ketchikan team. A six-inning game was played between the All-stars and Yannigans and it looked for a while as though the second team might win. However, the final score was 9-3 for the All-stars who began to get their batting eye after a few innings. Some good looking new talent was on the field and the locals should have no trouble in fielding as strong a team against the Alaskan representatives this year as last. Ray Commons pitched the first three innings for the Yannigans and held the opposing batters hitless. Bill Lambie and Nick Chenoski did mound duty for the All-stars and seem to be in fine form. Jack Nelson and Joe Roberts did the catching and it is not known who will catch against the visitors. Bill Mitchell will be at first with his brother Alec at second. Benny Wendle and Moran seem certain to play shortstop and third base. F. Kenny did some nice infield work and will likely see duty in at least one of the games. George Howe and Stalker were in the outfield yesterday and will likely be seen there next week. Probably Lambie or Chenoski will fill the other garden position, depending on which one is doing the pitching.

FOOTBALL SCHEDULE

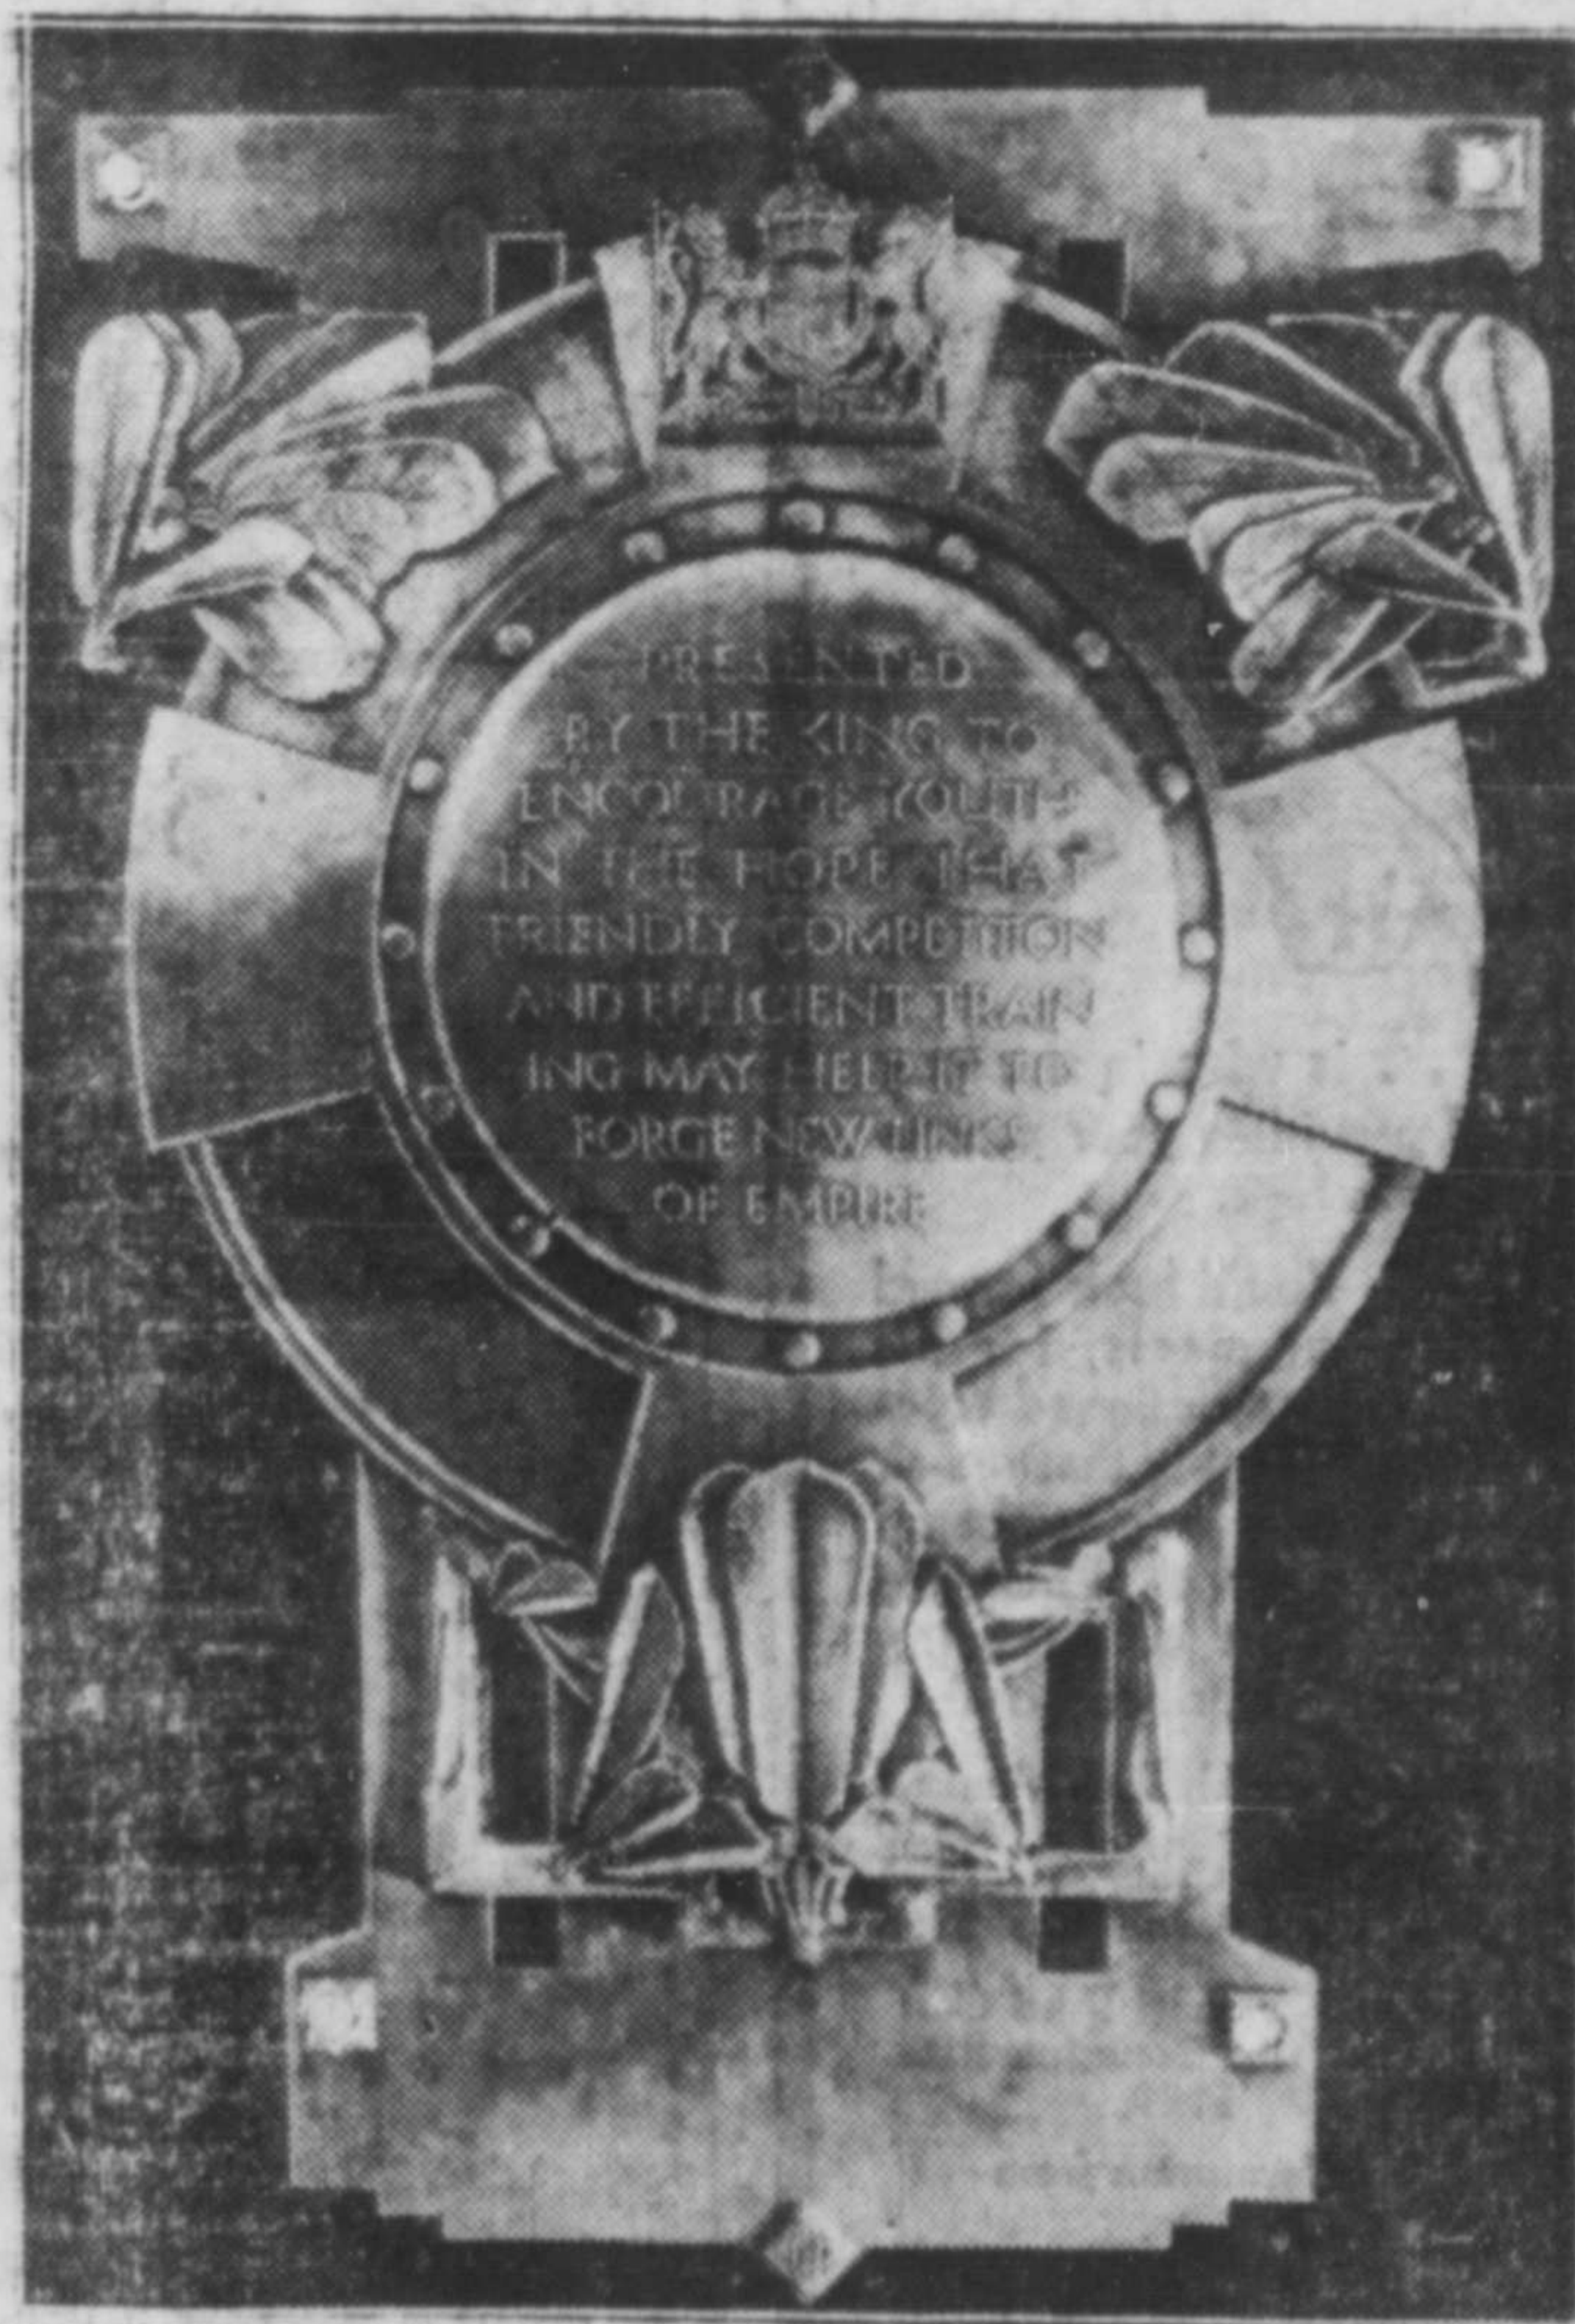

May 20—High vs. Booth.
May 23—Borden vs. Booth.
May 27—High vs. Borden.
May 30—Booth vs. High.

SENIOR FOOTBALL PLAY IS ASSURED HERE THIS SUMMER

Operation of a Senior Football League in Prince Rupert this summer is now assured. A Merchants' team, third entry to the Regiment and Canadian Legion, is a certainty. Bert Morgan, president of the Prince Rupert Football Association, stated this morning. Organization of this team will be completed at a meeting on Wednesday evening.

Local Players For Ketchikan Series Chosen

Prince Rupert players for the forthcoming Ketchikan-Prince Rupert baseball series have been selected as follows: J. Nelson, J. Roberts, W. Lambie, N. Chenoski, W. Mitchell, F. Kenney, B. Wendle, S. Moran, J. Farquhar, A. Mitchell, G. Howe and E. Smith. The local team will have another practice tomorrow night.

King's Trophy for empire cadet rifle competition, under auspices of National Rifle Association, has been won by Canada's school-boy marksmen for second successive year.

FISHERMEN AT SCHOOL

(Continued from Page One)

fore special attention is given to methods most likely to be of use to the individual fisherman, who is enabled to put up a good grade of salt fish with comparatively little expense. Practical work is done in handling pickled fish, herring and mackerel, including the Scotch cure of herring. Twelve hours a week is actually spent by each man in putting up fish under direction. Another course deals with the simple chemistry of salt, water, fish, gasoline and so on. Captain H. M. O'Hara is instructing the men in navigation.

Second Station

The Halifax station is the second of the two main station of the biological board of Canada. The first Canadian marine biological station was established at St. Andrews, New Brunswick, in 1899, when a small movable laboratory was erected. This was later for successive periods at Canso, N.S., Malpeque, P. E. I., and Gaspé, and Seven Islands, Que. In 1907, it was decided that the extent of the local fishery of the Passamaquoddy region, the great expanse of sheltered water and

varying depths, and the rich feeding ground made St. Andrews an ideal place for solving problems associated with the fishing industry. Permanent buildings were erected in that year. This station serves as headquarters for general investigation of Atlantic coast fishing matters.

In 1925 the Halifax station was founded for the purpose of assisting the fishing industry in its problems in the handling of fish and other marine products as food. Temporary field stations have been established from time to time as found necessary for particular problems.

HIGH WINS IN SOCCER

King Edward High School defeated Borden Street School by the score of 4-1 in the Junior League soccer game on Saturday at the Acropolis Hill grounds.

That the High School was out to win was evident from the kick-off for they forced the play at once into Borden territory. Cross scored by a low shot. Borden backs then repelled a series of attacks by their ability to clear the ball quickly to the sidelines. But High pressed hard and forced a corner. Davies placed the ball in front of the goal and Cross sent it in by another low shot.

Borden Street was able to gain and hold the offensive for a long time. The reason was that the High School back division did not clear the ball to the sidelines. They kicked the ball down the centre of the field or even across their own goal mouth. The only back player who did not offend in this way was Walters who repeatedly cleared the ball towards his wing forwards. However, the general weakness of the back division in this respect soon brought its penalty. Hardy sent in a splendid long shot which was converted by Wilson who was right on the spot. Borden was able to continue its attack on the High goal for some time. At last the other High School back players began to understand their mistakes. They began to kick the ball towards the side of the field. Their wing forwards were thus enabled to get the ball. The Borden attack was over.

Latter Part of Game

In the latter part of the game the older boys were playing with a strong determination to win, that could not be denied. Every one was doing his share. Blake and Fisher were clearing the ball towards the sidelines whenever their goal was threatened. Ritchie was notable for his aggressiveness and for his well placed passes to the forward line. Marshall was playing the most useful game he has turned in. His wing passes to centre were properly placed and his follow-ups were well thought-out. Cross was the best player on the field. This boy is notable for his ability to play the ball at all times and not the man. The effectiveness of this type of play is evident when it is noted that he scored all four of the High School goals.

Against the greater weight and superior determination of their opponents Borden Street put up a plucky game. Nakamoto was their most useful player. He made decisions rapidly. Williscroft was safe. Wilson was notable for his ability to break through the opposing defence. Morgan showed a decided weakness in stopping low shots but otherwise his play was good. He made several brilliant saves.

Borden—Morgan; Fisher, Currie; Nakamoto, Naylor, Williscroft; Wilson, Lindsay, Hardy, Campbell, Dungate.

High School—Suehiro; Blake, Fisher; Ritchie, Walters, Wells; Marshall, Hill, Cross, Arney, Davies. Linesmen—W. C. O'Neill and Church. Referee, J. Campbell.

FAVORITE IS WINNER

Twenty Grand Wins Retained Derby—Sweepall, Second and Mate Third

CHURCHILL DOWNS, May 18.—Twenty Grand, of Mrs. Harry Whitney's Green Tree Stables, was the favorite, ran away from the rest of the field in the great Kentucky Derby, riband of the American turf, and won by four lengths. With Jockey C. Kurdjinger, Twenty Grand set a new time of 1:58.4 for the course. Odds on Twenty Grand were 8 to 5.

Sweepall, 12 to 1, belonging to Charles T. Fisher and with F. G. Tilletti up, was second and Mate to 2. A. C. Bostwick, owner, and Ellis, jockey, was third.

PROGRESS OF CROPS

C. N. R. Report Shows Urgent Need Of Moisture

WINNIPEG, May 13.—Prevailing high winds and some very hot days have had a depreciating effect on crop growth in the open plain areas of Western Canada. Soil drifting has been somewhat relieved by local rains and all wheat seeding has been completed with the exception of a few districts still delaying on account of prevalence of cutworms. In an effort to lower cost of production, a largely increased acreage of wheat was stubbled in without previous preparation. Early copious rains are necessary to insure uniform and satisfactory germination of grain thus seeded, according to the weekly crop report of the department of agriculture, Canadian National Railways.

In Manitoba early sown wheat in some districts shows about three inches above the ground and, although germination at first was somewhat patchy, scattered showers have tended to unify growth.

Later sown wheat fields require rain as surface moisture, in some districts, is barely adequate for germination. The seeding of oats is practically completed and almost all points report seeding of barley has commenced.

Along the Wakopa, Hartney, Carberry, Neepawa, Rapid City, Rossburn subdivisions, weather at nights has been cold and days have been warm and windy. Growth has been slow in these subdivisions as soil is somewhat dry and frosts have blackened the grain shoots but such fields are green again and show no bad effects.

Along the Lampman, Bienfait, Avonlea, Gravelbourg subdivisions of Saskatchewan, wheat seeding is practically completed and is showing in rows above the ground and coming along fairly well although rather patchy in some places on account of insufficient moisture. High winds have prevailed. Available moisture is evaporating with the result that a general soaking would be beneficial. A few points report cutworms are visible but have wrought no apparent damage so far.

From the Rosetown, Conquest, Beechy, Craik, Elrose subdivisions come reports of some wheat still unseeded but this amounts to a very small percentage. About 50% of

coarse grains have now been seeded and extremely hot weather has prevailed during the past week so that land is getting very dry, necessitating good rains if normal growth is to result. The same story of completion of wheat seeding with early sown wheat showing above the ground and land becoming dry with the need of rain to insure growth comes from the Touchwood, Yorkton, Tonkin, Rhein, Asquith, Dodsland subdivisions.

The subdivisions included in the Prince Albert division report crop conditions good with wheat seeding as good as completed but seeding of coarse grain land is now being done. Heavy snows early last fall prevented much fall ploughing. A few local points have a soil drifting problem but it is not serious.

In Alberta

The Drumheller, Oyen, Stettler, Three Hills, Sheerness subdivisions have had rains which, while not sufficient to carry the growing crop along for any considerable period, have alleviated most soil drifting and have stopped the work of cutworms which were doing a little damage.

In Central Alberta, along the Viking, Camrose, Kingman, Vegreville, Blackfoot, Athabasca subdivi-

sions all early sown grain is through the ground. Local showers occurred on May 6, but some localities are still very dry and require moisture.

The Peace River territory has completed wheat seeding and sufficient moisture is available to insure uniform germination. Early sown wheat is showing well above the ground and conditions continue satisfactory.

The usual after seeding flow of cattle reached western market this week with the resulting consequence of a lowering of values from 25% to 50c per hundred weight. The hog market still shows small fluctuations with prospects somewhat unsettled.

Young People Conduct United Church Service

The Young People's Society conducted the service last night at First United Church. Bruce Stevens took charge of the service and the address was given by W. J. E. Barrie. There was a fifteen-voice choir of young people with Miss Edna Vickers as soloist.

Mortality or Immortality Is Subject

The subject of the lesson-sermon in all Christian Science churches and societies on Sunday was "Mortals and Immortals."

Among the Bible texts included in the lesson-sermon was the following from II. Corinthians 3: 18: "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as the Spirit of the Lord."

The lesson-sermon also included the reading of citations from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, one passage being as follows: "The manifestation of God through mortals is as light passing through the window pane. The light and the glass never mingle, but as matter, the glass is less opaque than the walls. The mortal mind, through which Truth appears momentarily is that one which has lost much materially—much error—in order to become a better transparency for Truth. Then, like a cloud melting into this vapor, it no longer hides the sun." (page 295.)

Pilot Van Der Byl Wins Case

Ground pay, in addition to flying pay, amounting to \$145 has been allowed by Judge Ruggles in County Court in Vancouver to R. I. Van der Byl, air pilot, against the Air Land Manufacturing Co. Van der Byl made the claim in connection with a trip into the Thutade Lake county last fall when he and Air Engineer T. H. Cressy had to mush out after being left there by Pilot W. A. Joerss.

IF YOU OWN WAR OR VICTORY BONDS

Read this... it is Important

WHEN you bought them—why did you buy them? You bought them to help Canada, and because you felt that they would be a good investment... You lent Canada your money and...

Canada has kept faith with you! You have received your interest with unfailing regularity, and have seen the market value of your Bonds remain almost constant—yes, actually increase.

You know now that there is no better security than a Dominion of Canada Bond.

The time has come to renew your investment by converting your Bonds into Bonds of the 1931 Loan; and so enjoy your care-free, peace-of-mind investment for another fifteen and possibly twenty-five years. That, briefly, is the opportunity presented to you in this Conversion Loan.

You might say, Why doesn't the Government wait until my Bonds mature and let me convert them then? To do so would not be good

business or sound financing. Every country must plan ahead. And that is what your country is doing in offering this exchange now. No new money is being asked for.

Remember, you receive the interest (with tax exemption, if any) that you have been getting on your present Bonds until the date of their maturity. After that, you get income at the attractive rate of 4 1/2% per annum for at least fifteen or maybe twenty-five years. But there's another and an urgent reason for converting now.

The success of this Loan should give a needed impetus to business. It will let Canadians in particular and the world in general see that our faith in Canada is unshaken and that the credit of Canada is as high as ever.

Conversion applications are invited to a total of \$250,000,000, but the Minister of Finance reserves the right to increase or decrease this amount. Subscription lists will be closed on or before 23rd May, 1931. Bondholders who wish to avail themselves of this opportunity for re-investment should therefore act without delay.

Bonds of the following issues are exchangeable for Bonds of the 1931 Conversion Loan:

War Loan	5%	due 1st October, 1931
Renewal Loan.....	5 1/2%	due 1st November, 1932
Victory Loan	5 1/2%	due 1st November, 1933
Victory Loan	5 1/2%	due 1st November, 1934

Your Bond Dealer, Broker or Banker will arrange for the conversion of your Bonds without expense to you.
