# SHARKEY SCORES DECISIVE VICTORY OVER CARNERA

## HIGH WINS IN SOCCER

Defeats Booth School By Score of 2 to 1 on Saturday

The regular Junior Football League fixture between High School (first year) and Booth last Saturday was productive of a very hard fought game, with High School rather fortunate to win by two goals to one.

A strong cross wind was troublesome at times, but both teams put up a good exhibition and the spectators were well rewarded for turning out on such a threatening afternoon. In spite of playing uphill, Booth had the better of the opening exchanges and Morgan had to clear from McMeekin. Over anxiety on the part of the latter spoiled a good chance for Booth as he got off-side. Ferguson and Eby defended well and Christison and Wilson were checked. Blake did well to save from Santurbane. Colussi was too high with a drive at the other end and MacDonald had hard lines. Gomez was in rare form for Booth. A cross from Dungate was not well cleared and Christison put High a goal up. Nelson went close at the other end and McMeekin again worried Morgan.

The second half was evenly contested and Booth staged a strong attack that Fisher and Allan did well to repel. MacDonald and Colussi were persistent and the latter struck the upright, but netted from the rebound and the teams were level. High broke away but Eby was safe. Ritchie stopped Nakamoto, but High was all out for goals and Wilson narrowly missed. A beautiful combined run by the Booth forwards was worthy of a goal but MacDonald was just wide. De Marco misjudged a ball and Kirkendall got away, and from his cross Wilson hit the underside of the crossbar for the ball to come to Santurbane, who gave High the lead. Booth attacked strongly and Colussi was clever, but his parting effort was blocked. Faw defended well and McMeekin centred dangerously. Nakamoto and Christison led a good attack but Gomez stopped them. Full time found High leading by the odd goal in three and winners of a very exciting game.

Teams:  
High: Morgan, Allan, Fisher, Nakamoto, Faw, Kirkendall, Wilson, Christison, Santurbane, Dungate.  
Booth: D. Blake, Eby, Ferguson, DeMarco, Gomez, Ritchie, Nelson, McGreish, Colussi, MacDonald, McMeekin.  
Referee: W. W. C. O'Neil.

## TOURNAMENT IS PLAYED

Miss Ruth Gillies and A. Styles Winners Saturday Evening on C.N.R. Courts

An interesting and keenly-contested American tournament was played Saturday night on the Canadian National Recreation Association's courts, the winners being Miss Ruth Gillies and A. Styles.

After the tournament refreshments were served and Edward Barrett, vice-president of the Canadian National Recreation Association, presented the prizes to their winners.

J. A. Teng was convener for the evening's proceedings, and other members of the committee were Mrs. F. A. Rogers, Mr. and Mrs. B. F. Valde and A. Woods. Mrs. Rogers and Mrs. Valde were in charge of refreshments.

Early next month it is planned to have another American tournament with a club tournament in December.

## Mrs. Helen Wills Moody Leaving on Voyage to Japan

SAN FRANCISCO, Oct. 13.—Mrs. Helen Wills Moody, women's national tennis champion, will leave here shortly for a trip to Japan. She will not be accompanied by her husband.

## Italian Giant Met Waterloo and Never Had Chance Last Night Against Husky Sailor

NEW YORK, Oct. 13.—Primo Carnera, the Italian giant, met his Waterloo here last night and was given the decision at the end of a gruelling fifteen-round bout with Jack Sharkey. Carnera never had a chance and won only one of the fifteen rounds, Sharkey being awarded twelve while honors in two were fairly even. The Italian was practically out on his feet as the gong ended the final round. He had taken the count of nine in the fourth. He took fierce punishment and could not have withstood much more of Sharkey's treatment.

As a result of the bout, Sharkey is once again established as the principal contender for Max Schmeling's world's heavyweight pugilistic crown.

## Pattullo Speech Is Heard Here

Vancouver Address of Liberal Leader Came in Plainly

The speech of T. D. Pattullo, provincial Liberal leader and M.L.A. for Prince Rupert, broadcast last Friday night from Vancouver over broadcasting station CNRV, came in well here and was heard by many local radio listeners. Dealing with a number of matters of live current interest, Mr. Pattullo was in fine fighting form and roundly criticized the administration of the Tolmie government on a number of scores.

## GLASGOW CUP RESULT

The Glasgow Cup final was somewhat confused among Old Country football results in Saturday's paper. The score in the final game for this trophy was: Rangers 3, Queen's Park 0.

## Too Good

## Heavy Action Expected In Boxing Bout

Henry Deeth of Anyox and Billy Engshaw of Prince Rupert will feature a six-round main event at a boxing tournament this week. Deeth has credit for a decision over Bagshaw in the smelter town about eighteen months ago. The local boy has vastly improved since then, however, and is confident he can turn the tables in his home town.

Bagshaw carries a wicked punch and is always dangerous, while Deeth made a legion of admirers in this city when he fought Wendle here last.

Owen Fisher, who is promoting the card, announces that his list of preliminaries will be well up to the high standard of the Empress Social Club.

## DANGERS IN HUNTING.

Attention has been drawn at various times to the dangers of hunting. No part of the country seems to be exempt. Men lose their lives either through their own carelessness or from that of their fellows in the field.

Only recently the Saturday Evening Post published an article on the subject which was well worthy of study. It said:

"Shooting without an absolute certainty of what may be hidden among the leaves or behind a wall of brush is a common and constantly recurring cause of trouble. The trained hunter when he fires does so with the knowledge that he is shooting at game. That's what makes him different from the fallow who pulls the trigger merely because the leaves stirred or a twig cracked.

"There can be neither sympathy nor forgiveness for the half hunter who fires at something he has not seen."

Last season, the article states, more than 300 persons were killed in hunting and there were approximately 1500 non-fatal accidents.

Another statement made in the article is that nearly 70 per cent of the shooting accidents have been caused by people under 21 years of age, many of whom have been the victims. It strongly urges that lads should be properly instructed before being allowed forth with a gun.

## UNITED STATES AND FRANCE.

It is interesting to note that the United States is now taking an active interest in world politics and that the president of France is to visit the United States in the near future. Nothing but good can come from such a visit. They should take place more often. The publicity that will follow from the visit will give a great opportunity to inform the American people in regard to the great questions of the day.

The funeral is taking place today at Northfield.

### THANKSGIVING IS OBSERVED

Special Services at First United Church on Sunday

Thanksgiving services at the First United Church were well attended on Sunday last when the pastor, Rev. A. Wilson, spoke at both services on appropriate subjects, in the morning on "The Value and Need of Praise," and in the evening, "The Grace of Gratitude." The church was tastefully decorated.

At the morning service the baptism of Oscar Frank and Margaret Josephine, children of Mr. and Mrs. J. V. Symes, took place and also the baptism of Kenneth William, infant son of Mr. and Mrs. J. W. Thompson. New members were received in Dr. and Mrs. R. G. Large, Miss Dimock and Mrs. E. Smith. The children's choir rendered "God Is Ever Good" in a very pleasing manner. Special music was provided by Miss M. A. Way and Miss Elizabeth Sturgeon, who gave an organ and piano duet.

In the evening Miss Edna Vickers was soloist in the anthem, "O Lord, How Manifold Are Thy Works," and Dr. Large sang "The Penitent," Mrs. A. Wilson was at the organ.

At the conclusion of the morning service the sacrament of the Lord's Supper was observed.

# UNDER THE SURFACE

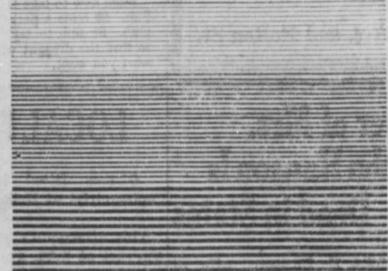

At this very moment, under the surface of Canadian business and economic conditions, many millions of hidden dollars lie buried by uncertainty and over-cautiousness.

Of Canada's ten millions of people nine millions decimal something-very-considerable — are still "on the job", steadily at work, drawing regular wages, or supported by those who are at work.

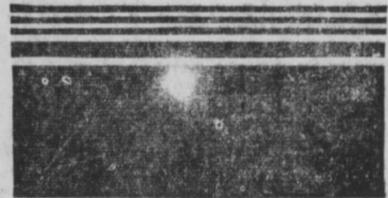

And spending less than they can well afford to spend.

This reluctance to buy was initiated by want of confidence and born through the "my job may go next" idea. This complex, multiplied by millions, has become a most formidable habit that is now being broken in the slowly gaining fight to reach anew our national prosperity.

This is the time—with gradual improvement evidencing a fuller and more reasonable measure of national confidence—to dig out and put back into useful circulation these hidden hoards of Canadian buying power.

### NEW ATWATER KENT RADIOS HERE SHORTLY

Many New Features and Improvements Mark New Sets

The new 1932 Atwater Kent golden value models of radio will be on display in the showrooms of prominent Vancouver music dealers very shortly, according to Mr. Earle Henderson, sales manager of General Distributors Limited, 951 Seymour Street, British Columbia distributors of Atwater Kent.

"The new Atwater Kent range of radio will be offered this year at remarkably low prices for such a high quality instrument," stated Mr. Henderson. "For this reason they are to be known as the golden value models and will embody the very latest engineering improvements. Their many features and refinements are the result of countless experiments and tests in the famous Atwater Kent laboratories," says Mr. Henderson.

Golden values with the golden voice is the keynote of this season's program for Atwater Kent merchandising. Many new models from a low price 6-tube Compact to a 10-tube Console will be included in the complete range of this well-known radio and which will offer the public a wide selection to meet every purse and preference.

New cabinets of exceptional beauty and symmetry in design are finished in genuine No-Mar. Automatic volume control, advanced superheterodyne circuit, Pentode and Multi-Mu tubes are some of the additional advantages which will distinguish Atwater Kent radios this season.

### Moose Band Dance Friday Evening Was a Successful Affair

An enjoyable and successful dance was held last Friday night in aid of the newly formed Moose Legion Band which has made such an impression in local musical circles. There were 150 persons present and the affair continued from 9 p.m. until 1:30 a.m. Splendid music was furnished by the Premier Orchestra and B. J. Bacon was master of ceremonies.

At midnight delicious refreshments were served. Mrs. Charles Edwards being in charge of the catering. Ray Ingram presided at the door and the committee in charge consisted of Charles Lemon, B. J. Bacon, Ray Ingram and N. S. K. Brewer.

### Are Sin, Disease and Death Real?

"Are sin, disease and death real?" was the subject of the lesson-sermon in all Christian Science churches and societies on Sunday.

One of the Scriptural texts contained in the lesson-sermon was, "For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord." (Romans 6:23).

Following the reading of the Bible texts, passages were also read from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, one passage being the following from page 231: "God is not the author of mortal discords. Therefore we accept the conclusion that discords have only a fabulous existence, are mortal beliefs which divine Truth and Love destroy."

Tupper Goes to Edmonton, Succeeding Major Wood at That Centre

Inspector James M. Tupper of the Royal Canadian Mounted Police has received word that he is to be moved to Edmonton, taking the place there of Major S. T. Wood, formerly of this city, who is now in charge at Vancouver. He will be leaving Prince Rupert on Sunday, going by way of Vancouver. Inspector Tupper has been in Prince Rupert nearly four years and during that time has carried out his work quietly and efficiently and has made many friends. Many of the ladies of Westview and other parts of the city will also regret the departure of Mrs. Tupper and her two Prince Rupert born children, Janet and Charles, but at the same time will be pleased to hear of the inspector's promotion.

**Shower for Miss Rose Dickens Is Given by Sister**

Mrs. Jack Bond, 233 Eighth Avenue East, was hostess last evening at a delightful shower in honor of her sister, Miss Rose Dickens, whose marriage to Helge Oden will take place on Saturday evening of this week. The rooms were prettily decorated for the occasion with snapdragons and there were about sixteen friends of the bride-elect in attendance at the affair. The evening's proceedings opened with playing of bridge, the winners being Mrs. Nelson and Mrs. Bond sr. Refreshments were then served and a prettily decorated basket filled with delightful gifts was brought into the room by Misses Hilda Bond and Irma Nelson and placed before Miss Dickens.

Charles H. Lake, well known pioneer Stewart mining man, was a passenger aboard the Catala this morning going through for a trip to Vancouver.

**PROTEST AT BOARD RATE**

Editor, Daily News:  
I want to call your attention to the fact that men employed in relief camps will be charged 85c per day for board, which is certainly a gross injustice to the unfortunates, who will be getting only two dollars a day.

If these men were allowed to have their own cook and decide on their own fare, they could feed themselves for half the price. Is this again a case where these men will have to pay through the nose to satisfy the greed of someone having a strong influence with the government?

Let us be just and fair about this matter. Let us see that the men are getting all they can get in return for their work. If the men could see their way to save 25 or 30 cents a day on their allowance they would feel more satisfied and happier and the result would be more efficiency on their part. Not only that but there would be more money in their pocket, which means more money spent to provide for other things badly needed, I am sure, for the coming winter months, and also the payment of their bills in the stores all around town.

I believe every citizen in this city should take a particular interest in this matter and join together to put up a strong protest to the government in order to get justice for the unemployed. We don't want to see anyone taking advantage of the situation and making big profits out of the poor men.

Yours very truly,  
W. GOLDBLOOM.

**OBJECTS TO SIDEWALKS**

Editor, Daily News:  
It is deplorable for the city of Prince Rupert that men should have to come here to experiment how to do their work, as has been done with our asphaltic sidewalks on creosoted lumber, for no doubt at all had the work been done right we would have had a very good sidewalk, instead of the make-shift as it appears at present. A city official told me that it would cost \$10 a day to get a man with experience. Even at that I believe the city would be ahead. I do not believe in experiment work. It is very costly.

I remember one time I heard Fred Stork at the ratepayers' association when asked about the Booth School, and he said they had been experimenting. It proved to be a very costly experiment for the ratepayers, and so it is this sidewalk business is very costly, too. In my opinion it is about time that we should elect a council that is qualified enough to investigate these questions as they come up, and as the work progresses to examine it and see whether the ratepayers are getting value for their money instead of waiting until the whole job is completed and then tell us that it was \$10 per day that stood between what we have and the finished article. A penny wise and a pound foolish way of carrying on any business.

W. GRATTON.

**SOCIETY PICTURE**

Theme of "Five and Ten" Sophisticated and Up-to-the-Minute

A tragedy of great wealth forms the basis for a distinctly different sort of picture in "Five and Ten," the current offering at the Capitol Theatre, which opened at largely attended matinee and evening Thanksgiving Day showings. The theme is sophisticated and up-to-date and the acting by a distinguished cast led by Marion Davies is distinctly good.

The story is briefly that of a newly-rich family, the head of which, after making an enormous fortune, becomes so hampered in his business affairs that his wife, daughter and son are entirely neglected and left to their own devices in a sphere of luxury and smart society life. The wife runs away with a young man, the daughter has an affair with another girl's husband and the son kills himself. The members of the family are finally brought to their senses after the tragedy. A divorce permits fulfillment of the romance.

The vivacious Marion Davies plays a more dramatic role than usual as the rich man's daughter, and Leslie Howard, who is fast becoming very popular, has the male lead. Irene Rich gives a fine performance as the rich man's wife. The other principal players are Richard Bennett, Mary Duncan and Keith Douglas.

Dr. C. D. Carter of Stewart was a passenger aboard the Catala this morning going through on a business trip to Vancouver.
