Provincial Government To Establish Official In London; Aid Trade

Announcement Made By Hon. N. S. Lougheed to Manufacturers in Vancouver—Administration Willing to Spend \$15,000

VANCOUVER, April 9.—The provincial government is prepared this year to contribute \$15,000 toward the establishment of a permanent official in London to further the interests of the British Columbia lumber industry in the United Kingdom. Hon. Nelson S. Lougheed announced before the British Columbia Division of the Canadian Manufacturers' Association at its annual meeting last night.

One man, perhaps two, will be appointed by the government to push propaganda of British Columbia woods and timber and to eke the industry here in touch with purchasing interests in Great Britain.

TO REPAIR FIRE ESCAPE HIGH SCHOOL

Dangerous Condition Exists There Today It Developed at School Board Meeting

As a result of discussions at the school board meeting last night it developed that the fire escapes at King Edward High School were unsafe and it was decided to have them repaired immediately, the matter being left in the hands of the High School committee, Trustees Gillis and Barrie, for quick action.

The chairman, Mrs. Spencer, suggested calling for tenders but it was pointed out by Trustee Greer that this could not well be done as it was impossible to tell what was needed until the repair work commenced. Trustee Gillis agreed with this and said that he and Trustee Greer when giving their services on the rebuilding of the tennis court had investigated the fire escapes and found them in bad condition. They objected to a proposal emanating from Principal Hartness that it be fixed up temporarily until the holidays when it could be rebuilt. The work should be done at once and the best method was to put a man on the job and let him do it.

There were some sharp passages between the chairman and Trustee Gillis over the matter, which was finally decided along the lines suggested by the men.

WINDSOR, England, April 9.—Progress in the condition of the King is being maintained, it was stated today, although considerable time must elapse before his normal state of health is restored.

Nicholas Longworth, Speaker of United States House, Dies Today From Pneumonia Attack

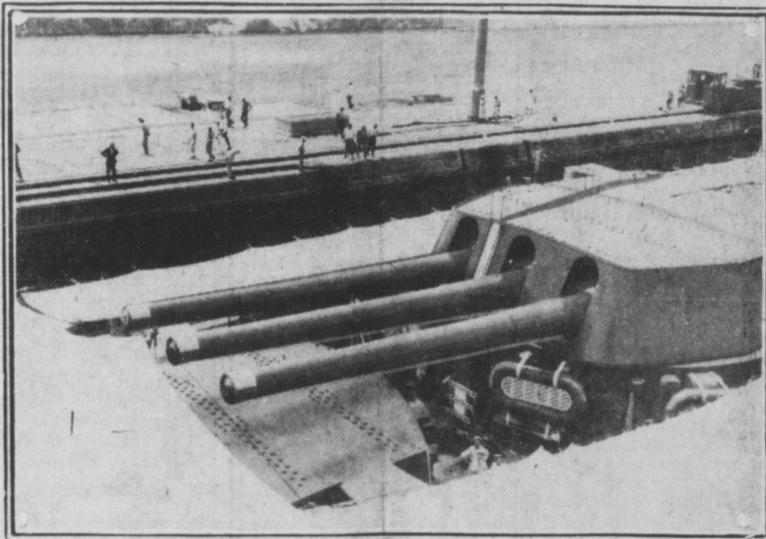

AIKEN, South Carolina, April 9.—Nicholas Longworth, speaker of the National House of Representatives, died here today. He was taken ill suddenly on Monday with lobar pneumonia. After he had gradually sunk during the day, it was feared at midnight last night that the end was near for Speaker Nicholas Longworth. Inhalations of oxygen, a last resort in the malady, were then failing to check the rapid inroads of the disease. Longworth's wife, the famous Alice Roosevelt, reached his bedside during the day.

Five Boats Unload Halibut Catches

Four boats with catches totalling 30,500 pounds unloaded to the United Pacific Fisheries this morning with the usual down payment of 10c and 7c. The boats were:

Canadian—R. W., 4,000 pounds; Imperuse, 1,500; Clipper II., 9,000; Bayview, 2,000.
American—Frisco, 14,000 pounds.

TENDERS FOR OIL OPENED

Difference of Opinion in School Board as to Where Purchase Should Be Made

The school board at its meeting last night spent a great deal of time considering tenders for 153 gallons of floor oil but eventually it was decided to purchase ten gallons from some local firm to carry the board over until they had time to investigate the quality of the oil offered by the Q & S Grocery, the lowest tenderer. A special meeting of the board will then be called to decide what oil to buy.

Tenders were opened last night as follows:

Munro Brothers, \$79.
Watts' Grocery, \$79.04.
Q & S Grocery, \$72.71.
Home Oil Co., \$88.74.
Imperial Oil Co., \$85.29.
Union Oil Co., \$76.30.

There was also a tender from the Columbia Paper Company of Vancouver for oil, but this was not considered.

The momentous question that could not be decided was whether the lowest tender should be accepted or the second lowest, it being pointed out by the chairman, Mrs. Spencer, that they knew the product of the Union Company which had been used during the past year but did not know the quality of the other and the Q & S could not deliver this week and oil was needed at once.

Other trustees thought the Q & S should be given an opportunity to demonstrate the quality of their product and the purchase was delayed accordingly.

FISH JUMPED THROUGH PR. ROBERT PORTHOLE INTO DINING SALOON

PERNAMBUCO, Brazil, April 9.—A sailing fish eager to see the Canadian Trade and Good-will Mission at close range, jumped through a porthole into the dining saloon of the ss. Prince Robert, when it was here recently. He landed in the middle of the table presided over by Hon. P. de W. Tilley, representative of New Brunswick, who is having it mounted.

POWER LICENCE ON PORTLAND CANAL IS GIVEN MINE CONCERN

WASHINGTON, D.C., April 9.—Licence for a power plant of ultimate 50,000 horsepower capacity on Davis River, about twelve miles below Hyder on the Alaska side of Portland Canal, was granted yesterday by the Power Commission to the Commonwealth Mining & Exploring Co.

STORM ON PRAIRIES

Clouds of Dust Envelop Saskatoon Whirlwind at Regina

WNNIPEG, April 9.—Clouds of dust swept in from the farmlands swirled in and about Saskatoon this morning, whipped by a terrific west wind.

It was the worst dust storm of the year and had swept across the province from Regina where yesterday a typical prairie whirlwind raged.

WAS NOT CRITICAL

John Dybhavn Denies Statement Imputed to Him in Dispatch

A telegram received in the city from Vancouver from John Dybhavn, manager of the Royal Fish Co., denies the statement made in a Canadian Press dispatch to papers of Prince Rupert this week that he considered the present attempt at co-operative marketing of halibut "impracticable."

Mr. Dybhavn says in his wire: "Beyond stating to a Province reporter that the present marketing experiment was a large undertaking that would no doubt meet with certain difficulties to overcome, I offered no criticism of the undertaking."

DEATH OF MRS. HOWE

Well Known Pioneer Woman Passes Away in Vancouver After Lengthy Illness

News was received in the city yesterday of the death during Tuesday night in Vancouver of Mrs. Grace Howe, 58, esteemed pioneer woman of this city, who had been ill for some time. She had been for several weeks a patient in the Prince Rupert General Hospital, it becoming necessary about two weeks ago to remove her to Vancouver for further treatment.

The wife of Joseph Howe and mother of a well known local family, the late Mrs. Howe was a native of England but had lived in Canada and Prince Rupert for many years. Besides the widower, who was called to Vancouver on Tuesday afternoon, the late Mrs. Howe is survived by three sons, Richard and Samuel Howe, residing in Australia, and George, who lives here and two daughters, Christina (Mrs. Tuck) of Victoria, and Miss Grace Howe, residing here. Mrs. John Jennings of Victoria is a sister. One son, Ted, was killed by accidental shooting several years ago. Another son, Tom died last October.

Mrs. Howe was an active worker in the Loyal Orange Benevolent Association and the Society of St. George. She was widely known in the city and her passing will be the matter of regret for many friends. Sincere condolences will also be extended to the family.

There was no announcement of funeral arrangements pending the arrival of Mr. Howe in Vancouver today.

Mrs. J. R. Murray, who accompanied Mrs. Howe to Vancouver two weeks ago, returned to the city from the south yesterday.

IS NAMED TO COMMISSION

OTTAWA, April 9.—Chief Justice J. T. Brown of the King's Bench Division of the Supreme Court of Saskatchewan has been nominated as representative of the prairie provinces on the Royal Commission to investigate trading in grain futures in Canada.

Complete Survey to Be Made of Conditions of Profession 'Tis Stated

Hon. Joshua Hinchcliffe, Minister of Education, Makes Promise to Pedagogues' Association in Address Yesterday

VICTORIA, April 9.—Complete investigation of teaching conditions in British Columbia in order to establish a satisfactory basis for teachers' salaries and government contributions to them was promised by Hon. Joshua Hinchcliffe, minister of education, in addressing the convention of the British Columbia Teachers' Association here yesterday. Speaking of the wide range of salaries, Mr. Hinchcliffe said that he had come to the conclusion that either school boards had been exploiting teachers by paying small salaries or had been exploiting the taxpayers by paying large salaries.

COMPLETE LONG HOP

Down Africa and Back Completed on Schedule By Royal Air Force Troop Carriers

CAIRO, Egypt, April 9.—Exactly to time the formation of three Vickers "Victoria" troop carriers, chosen to make this year the annual Royal Air Force flight from Cairo to Cape Town and back, alighted at Heliopolis Aerodrome. They returned to their base after an absence of two months, having flown twice along the entire length of Africa from north to south, a distance of 11,240 miles.

This is the first year that "heavy aircraft" have made the journey, which has thus provided much valuable information about the operation over the route of large aeroplanes similar in size and performance to the air-liners which should be carrying mails and passengers regularly between Cairo and the Cape before the end of the summer. Further, much was learned which should throw light on the military use of the heavy transport service aeroplane, a type that is expected to play an important part in the strategy of Empire air defense.

Occasionally the flight was delayed—by bad weather, flying conditions at one or two of the aerodromes and, twice, by damage done in landing at Broken Hill—but the aeroplanes never failed to make up the lost time with ease and there was never any danger that the pre-arranged schedule would be affected. At Broken Hill on the outward journey one plane damaged a lower wing in landing; again on the return one machine struck an obstruction on the landing ground there and sustained damage to the lower wing. The formation visited this aerodrome at the very worst possible time of year, the first landing being made in a heavy storm. At two aerodromes the machines got bogged and were dug out.

The Vickers "Victoria" troop carrier is a big biplane equipped with two 530 h.p. Napier "Lion" engines. It is able to remain aloft long enough to cover stages of nearly 800 miles without refuelling and, with full load on board, weighs eight tons.

PROTEST AT REGULATION

School Board Objects to City Council Having Any Say in School Expenditures

At the meeting of the school board last night a resolution was passed protesting against the suggested change in the regulations giving the city council the right to veto increases in salaries of teachers which came above the official standard. The opinion was expressed that the school board should have the exclusive right as at present. Trustee Greer inquired why should not the council take over the whole thing?

Lumber Tender Was Accepted

At the meeting of the school board last night the tender of Albert & McCaffery for the supply of lumber to the normal training department was accepted. The tender was for \$375 with Mitchell & Currie tendering for \$380. Tenders for other school supplies was referred to the secretary to tabulate and bring before a special meeting.

BURDOCK BLOOD BITTERS

Pimples On Face Humiliated Her

Miss Frances Lodge, R. R. No. 8, Dunville, Ont., writes:—"I used to feel very humiliated whenever I would go to town, on account of the breaking out of pimples on my face, caused from impure blood. Now all that has vanished and I have not been bothered since I took part of a bottle of your wonderful medicine Burdock Blood Bitters."

DAILY EDITION Thursday, April 9, 1931

NEWSPAPER CORRESPONDENTS

The Daily News is always glad to publish letters of public interest but it does not like when a letter is written criticizing what has appeared in this paper that copies of the letter should be sent to other publications. This is discourteous. It is not good form and is not tolerated by newspapers generally. We do not mind being criticized but object to being singled out for attack and having it made a text for a general attack all round.

Very few letters have ever been refused publication in this newspaper even though some of them have been of a somewhat personal nature. Occasionally in time of political combat a letter has been refused when it makes statements at a time when it is too late for a reply to be forthcoming.

If those who wish to criticize this paper would prefer to take their criticisms elsewhere, we have no objection. That is their business. If they bring their criticisms to us, we expect that it will be to us only and any who abuse this privilege will be denied access to these columns in future. We do not care to be made a text for propaganda attacks. Several correspondents have at different times been guilty of this practice and now it must stop. We expect to be treated fairly and try to treat them fairly.

THE HALIBUT SITUATION

Whenever there is a contest going on a newspaper that tries to give all the news is always accused of being unfair or one-sided. For some time the only source of news in regard to the halibut situation was through the new selling organization and we availed ourselves of it and were told that we were grossly unfair to the established dealers. We withheld reference to the fact that the checks issued by the new company were being refused payment and to a good many other matters which might seem to place us as being in opposition to the fishermen. Then the moment we try to summarize the present situation in as matter of fact and fair a manner as possible, along comes some person and intimates that we are criticizing them unfairly. Our only criticism was that the halibut was being kept from coming to this port and was being sold to private companies in Ketchikan. The general manager of the new company resides in Ketchikan whereas it seems to the outsider as if he should be in Prince Rupert where most of the business is done. We once criticized the removal of the general passenger agent of the railway from Prince Rupert as being detrimental to the place and we believe it is detrimental to the port to have its chief business managed from an alien and rival port.

Our correspondent, Mr. Lord, also criticizes a news item appearing in regard to the sale of salmon in Regina. As a matter of fact we feel he would have us publish nothing unless it seemed to favor the particular movement that has his endorsement.

The little item of news came to the city in a social letter and was shown to the editor by a lady in the belief that it might be of interest here. He certainly thought so and his judgment was justified. It was so interesting that it brought a criticism from Mr. Lord and many others read it and wondered.

Today we are publishing the prices paid by dealers in Ketchikan last Saturday. If the data had been available to us earlier we should have published it then. It is not in any sense criticism or propaganda but simply an interesting item of news, especially interesting to fishermen. If telegrams were not so costly we should be publishing the Ketchikan sales every day, not only at this time but throughout the fishing season.

What we wish to see is the bulk of the halibut coming to Prince Rupert and not being kept away by any influences, we do not care what they are. The whole city is suffering from the present condition. Owing to the peculiar conditions that have obtained we have refrained from expressing any opinion, hoping that an adjustment might be made, but there is no improvement. Now, we feel it is the duty of everyone to speak out.

The halibut men have a right to sell to anyone they wish. It is not our business and we do not wish to interfere and could not if we would. We want to see the fishermen prosper but do not want to see the rest of the city starved.

GYRO CLUB HAS PARTY

Happy Affair in Commodore Cafe Last Night Enjoyed by Some Fifty Persons

In honor of wives and lady friends of the members, a delightful dinner dance was staged last night by the Gyro Club in the Commodore Cafe. About fifty persons were present and the evening's proceedings were fully enjoyed. President C. C. Mills presided.

After dinner, there was a brief musical program which included vocal solos by Mrs. J. H. Carson and Mrs. William Cruickshank, accompanied by Mrs. M. H. Blott recitations by Harold McEwen, and an impromptu trip by M. H. Blott, William Mitchell and Douglas Nelson.

Dancing until 11 p.m. brought the proceedings to a close. Music was by C. P. Balagno's orchestra. Arrangements for the program were in the hands of the entertainment committee of which William Cruickshank is the chairman.

General Smuts to Be Honored

Freedom of York to Be Conferred Upon South African Statesman

LONDON, April 9:—General Smuts, who will visit England this year as President of the British Association for the Advancement of Science, will receive the Freedom of York, an honor which he accepted as long ago as 1917. General Smuts has many friends in York. For many years his private secretary was a daughter of Arthur Rowntree, a former headmaster at Bootham School. Some years ago Mr. and Mrs. Rowntree were the guests of General Smuts and his wife at their South African home.

In Prince Rupert April 9, 1911

Mayor Manson has ordered the police to permit of the reopening of the Prince Rupert Industrial Association Hall which has been closed by order of the authorities since the strike battle this week. A committee has been given the responsibility of keeping order. Constables are also to attend all meetings. Meantime, the trial of strikers arrested in the First Avenue riot is to proceed tomorrow.

J. H. Burgess, general agent of the passenger department of the Grand Trunk Pacific Railway, announces that plans are being made to bring large numbers of tourists to Prince Rupert from the southwestern states.

It is just three years ago today that Arthur Little, pioneer news stand proprietor, landed in Prince Rupert for the first time on the steamer Camosun.

Old Country Has Best Vegetables But Worst Cooks

LONDON, April 9:—"We have the best vegetables in this country and the worst cooks," declared Sir Bruce Porter, the eminent physician.

"Men come home at night to a dinner prepared with the aid of a tin opener and a corkscrew. I am afraid the corkscrew is necessary to help the man to stand the tin opener. If the young woman will see her man fed on a diet into which meat enters very little and vegetables largely, she will have a much more equable tempered husband.

"There is a stupid idea, that if a girl is clever the proper place for her is the factory. It requires a far higher-grade brain to be the manager of a house than to go to work at some automatic machine."

Voyage of Ship From Tacoma to Cape Town Long

CAPE TOWN, April 9:—By an indirect route the Japanese steamer Yoshida Maru recently completed an unusually long passage of 67 days from Tacoma, U.S., to Cape Town. She left the American port a fortnight before Christmas Day with a large cargo of nearly a million board measurement feet of timber and 3,000 tons of general cargo. Instead of steaming via Panama or via the Straits of Magellan, the captain of the Yoshida Maru chose to call at Milke, in Japan, for bunkers, and later Singapore. The total length of the voyage was 13,090 miles.

Check Appears In School Report; Principals Away

Accompanying the report of the principal of the High School to the school board last night at the regular meeting of the board, was a check for \$50 from the students of the school as their part in the cost of material for the new tennis court. Principals of the schools were all absent except Miss Mills. Attendance at Booth School for March was 455; Borden School, 343; Seal Cove, 56, and High School, 203.

NOTICE TO EMPLOYERS

SPECIAL REVENUE TAX ACT

Commencing April 1st, this Act imposes a tax of 1 per cent, upon all employees in respect of wages which are in excess of the exemptions stated below, and requires every employer to deduct the amount of the tax at the time the wages are paid, and to remit the amount so retained to the Provincial Collector for the district on or before the 15th of the following month. A return must accompany each remittance to the Collector, and forms will be mailed to every employer as soon as his requirements have been made known. Therefore all those who have other persons in their employ should so inform the Collector at once, and full information will then be supplied, together with the necessary forms.

The tax must be deducted from every employee whose remuneration, including the value of free board or lodging (at prevailing rates, but not less than \$25 per month) and other perquisites, exceeds:—

(a.) \$25 per week in the case of a married person whose wife or husband resides in the Province,

or

in the case of a widower or widow who has dependent children under the age of eighteen years residing in the Province,

(b.) \$15 per week in the case of all other persons.

NOTE.—THE TAX IS PAYABLE ON THE WHOLE AMOUNT IF IT EXCEEDS THE EXEMPTION.

EXPLANATORY MEMORANDUM

If an employee works for the same employer, say, Monday, Tuesday, Friday, and Saturday of the same week,

or

Thursday, Friday, and Saturday of one week, and Monday of the next week, and earns in excess of the exempt amount, the tax must be deducted.

If an employee is paid monthly, the tax must be deducted from the full month's pay if the remuneration is in excess of the monthly equivalent of the above exemption.

Complete satisfaction was expressed at last night's meeting of the hospital board by Miss Jean Harrison, lady superintendent, and Dr. J. P. Cade at the new lighting system that has been installed in the operating room at the hospital.

Vancouver papers report an accident at the Nanaimo Lumber Co.'s sawmill near Nanaimo in which Bert Gear, one of the mill employees, suffered four broken ribs. Gear is well known in this district, having been through here a number of years ago.

At the school board meeting last night a letter from the minister of education inquired how much coal used in the schools was produced in the province and asked that records be kept showing exactly how much B. C. coal was used and how much coal produced elsewhere.

Evidence and argument of counsel was concluded yesterday in the case of Chin Ying, who is charged with violation of the Weekly Half Holiday Act, and Magistrate McClymont reserved his decision until tomorrow morning. E. F. Jones prosecuted in the case while T. W. Brown appeared for the defence.

Frank Dibb, chairman of the finance committee, expressed the opinion at last night's meeting of the hospital board that \$140 per month was a rather large bill for power supplied to two electric ranges in the hospital. It was decided to have a committee consisting of President G. P. Tinker, Mr. Dibb and Managing Secretary H. W. Birch interview the Power Corporation in regard to prices being charged the hospital for power. Miss Harrison, the lady superintendent, will also keep a close tab on the consumption of power in the stoves in question.

SPORT CHAT

Percy Tinker will meet Charles Balagno in a 500-point billiard match at the Empress Social Club tonight. This match is the second in the first round for the city billiard championship. The next match will be on Tuesday next, between Don Brown and Alex Murray.

Plans for a complimentary banquet at which presentations will be made to Winnipeg's two Canadian championship hockey teams are under way by the civic reception committee. The affair in honor of Winnipeg, Allan Cup winners and Elmwood Millionaires, Memorial Cup holders, will be held in about two weeks. "I think this is the proudest day for sport that the city has ever known," Ald Honeyman, chairman of the civic reception committee, declared, in announcing arrangements for the civic dinner, which more than 2,500 persons are expected to attend.

Argentina has eliminated Uruguay from the South American zone Davis Cup competition and advanced to the zone final by taking the third straight match of the tie. The victory places Argentina in the zone final against Chile. The winner of the meeting between these two teams on April 19, 20 and 21 will meet the winner of the North American zone competition.

Tennis Court at High School Is Near Complete

The new tennis court at the High School will be ready for use next week it was stated at the meeting of the school board last night. These have been entirely rebuilt, the students providing \$50 toward the cost of the lumber and the school board agreeing to provide what other money was needed up to \$50. The students have also worked with the teachers and a number of volunteers including two of the members of the board, Trustees Greer and Gillis.

GRADUATION NEXT MONTH

Five Nurses to Complete Training Course This Year

Miss Jean Harrison, R.N., lady superintendent reported to the hospital board last night that three of her nurses were laid up with influenza. The house was fairly busy, Miss Harrison reported.

The board authorized Miss Harrison to make the usual arrangements for 1931 graduation exercises which will probably be held May 6. This year graduates are Miss Joy Alger, Adna Jilker, Catherine Harvey, Mabel McIntyre and Fanny McLaren.

Interior Basketball Players, Both Girls and Boys, Avenge Themselves For Defeats Here

TERRACE, April 9.—Terrace High School basketball players got revenge from Prince Rupert here last night for the double defeat inflicted upon them by the coast hoopsters in games played earlier in the week at Prince Rupert. The local boys won their game 30 to 24 while the Terrace girls won from Prince Rupert 20 to 8. Particularly did the coast girls find the small floor and low ceiling here a handicap. They seemingly could not adjust themselves to the circumscribed space. The Prince Rupert boys also labored under a similar disadvantage but they made a real game of it and it was a case of touch and go from start to finish. The second set of games here and the fourth in the series will take place tonight and the Prince Rupert players will leave on tomorrow's mixed train for the coast.

In the girls' game Moore opened scoring on Glass's pass. Johnson and Tite converted free shots to tie the game at two all at quarter time. Terrace went on a scoring rampage to make it 15 to 2 at half time. Glass and Greig scoring them all. Game ended 20 to 8 in favor of Terrace. Greig was off on personals. Patmore went on for Johnson at beginning of last quarter.

Rupert—V. Johnson, 1; S. Boddie, 4; Patmore; Rice; Morris; Tite 1; Pritchard, 2; Total—8.

Terrace—Smith; Greig, 6; McLaren, 3; Glass, 7; Munro; Moore 4. Total—20.

Rupert girls played a hard fast game but were handicapped by the strange floor and low ceiling and could not get into stride. Pritchard and Rice played a stellar game at guard. Pritchard made the best shot of game on a long dribble up centre floor.

Terrace girls, playing on their own floor, played a much faster game than Rupert. Greig and Glass starred for the home squad.

Boys' Game

In the boys' game Walters opened up Rupert's scoring by converting a free shot. Morrison scored on Walters' pass to put Rupert up 2 to 0, three minutes after game started. Little opened up Terrace scoring on pass from Wallace. Walters scored on Little's foul followed by Thurber scoring two in a row. This kept game at fast pace. McLeod scored on Little's pass. Little scored under basket. Walters scored on McLeod's foul. McLeod scored on Little's rebound and Thurber's foul to tie the game at half time—nine to nine.

Unger replaced Thurber. Little clinched the game by sinking three baskets in quick succession and Rupert called time out. Thurber went on for Wingham. Terrace collected two more baskets. Again Rupert called time out.

Hickey went on for Vance and Rupert sank 3 baskets in fast time. Terrace called time out. Game is started with Terrace getting 3 more. Morrison scored on Walters' pass. Terrace called time. Little was sent to the showers with 4 personals tagged on him. Morrison made a free shot after being fouled by McLeod. Bowering scored field goal and foul. end scoring for Terrace.

Prince Rupert — Morrison, 5; Thurber, 14; Wingham; Walters, 3; Vance; Hickey; Unger, 2. Total 24.

Terrace—McLeod, 5; Bowering, 11; Little, 14; Wallace; Kerr Johnston. Total, 30.

Prince Rupert—Under a handicap, played a hard, fast, clean game. Terrace played better game than in Rupert.

C.N.R. GOLF IN FINALS

Dry Dock and General Office 1 to Play Off For League Honors

Dry Dock has won the second half of the Canadian National Railways Recreation Association Miniature Golf League and will play off in a few days for the cup with General Office I, winners of the first half. Robert Moore is top man in the second half for individual scoring and he will meet E. B. Clark, winner of the first half, in the best three out of five games to decide the individual honors. Two of these games have already been played, Clark having a score of 40-42 and Moore, 38-42.

The final fixtures of the first half last night resulted as follows: Dry Dock, 338; General Office I, 367; Round House, 355; Machine Shop, 395.

Dave Eastman and Robert Moore were tied for low score, each having a card of 75.

NICHOLAS LONGWORTH SPEAKER OF UNITED STATES HOUSE DIES

(continued from page 1)

a "boy" representative from Ohio, distinguished service on the Power-Ways and Means Committee, and one term as the majority floor leader.

Born with wealth and position on November 5, 1869 in Cincinnati, his home ever since, Mr. Longworth, after attending Franklin school there, was graduated in 1891 from Harvard. He spent one year in Harvard Law School, graduating from that institution in 1894.

Although admitted to the bar, he did not practice to any extent. Instead he became interested in civic affairs, and soon was immersed in politics.

After serving as a member of the

Cincinnati school board, he was elected to the Ohio House of Representatives. Later he became a member of the Ohio Senate, serving there with Warren G. Harding and forming a friendship with the future president which continued until Mr. Harding's death.

Mr. Longworth was elected to the fifty-eighth congress in 1902, when only 33 years of age.

Brilliant Marriage

As a young representative, Mr. Longworth courted Alice Roosevelt, daughter of the president, and their wedding in the East Room of the White House on February 17, 1906, was a brilliant affair, witnessed by nearly one thousand notables.

Mr. Longworth confided later to friends that he soon realized it was somewhat of a political handicap to be identified as the "son-in-law of T. R." and the "husband of Alice Roosevelt."

Family ties gave way to party allegiance in the fall of 1912 when Mr. Longworth became a candidate for re-election. Seeking re-election to the presidency was William H. Taft, a fellow Cincinnati, who was the Republican party candidate. Opposing him, in addition to the Democratic candidate, Woodrow Wilson, was Mr. Longworth's father-in-law, running on the Progressive ticket.

With the encouragement of his wife, the daughter of Mr. Roosevelt, the Cincinnati representative declined to bolt his party, supported Mr. Taft and went down to defeat.

Two years later, however, Mr. Longworth returned to Congress for an uninterrupted stay which culminated in his successful candidacy for the Speakership.

Few men serving in Congress could boast of greater popularity among his colleagues than Mr. Longworth. He had political enemies but they were relatively few in comparison with his wide circle of friends, which included men of all political complexions.

Coming as he did from Cincinnati, which repeatedly piled up substantial majorities against prohibition, he opposed the eighteenth amendment, but, recognizing sentiment reflected in Congress for prohibition, he made no effort as a party leader to bring about nullification or modification.

Refuse to Take Indigent Case

Attempt To Move Patient From Hazelton Here Fails

The hospital board, at its meeting last night, declined to accept an indigent patient belonging to Fort Fraser and at present in the New Hazelton Hospital.

Request to accept the patient comes from J. D. Moore, government agent at Fort Fraser, who stated that a suggestion to this effect had been made by Dr. L. B. Winch of Hazelton.

The board felt that it had no obligation to take the case, the Hazelton Hospital also being in receipt of government grant to cover such cases.

Miss Harrison, lady superintendent, stated that seventeen indigents were already being carried in the local hospital.

Eagles' Whist Drive and Dance

One Hundred and Fifty Persons Present at Enjoyable Affair Last Night

The Eagles' Lodge had the largest attendance yet at a highly successful and enjoyable whist drive and dance in the Aerie Hall last night, one hundred and fifty persons being present.

Prize-winners at whist were: ladies' first, Mrs. Zabudney; second, Mrs. Thomas Clough; third, Miss Coch, on cut with Mrs. Lee Dell; men's first, George Brooks; second, Hugh Killin, on cut with William Reid; third, Mr. Zabudney.

After cards, delicious refreshments were served and dancing followed with music by the Premier Orchestra. Thomas Clough was master of ceremonies and Richard Ford presided at the door.

Co-operation of Doctors Invited

The hospital board decided last night to circularize doctors of the city with a view to obtaining their better co-operation in connection with treatment of Workmen's Compensation Board patients.

This matter came up when a letter was read from the Workmen's Compensation Board announcing that it had found a patient who had been treated from October 7, 1929, to March 5, 1931, was not entitled to treatment under compensation after May 17, 1930. The Compensation Board was therefore paying \$530, covering the treatment of this patient. The hospital felt it was entitled to \$1,310 on this account, the net loss, therefore, being \$780.

Frank Dibb, chairman of the finance committee, stated that the Compensation Board had taken the charts in the case and reached its finding on the basis of these.

There was general discussion of the old vexed problem, the board feeling that the hospital was not being treated fairly in the matter. Finally, on suggestion by G. P. Tinker, chairman of the board, that the doctors be circularized with a view to getting better co-operation from them was adopted.

Hospital Had March Deficit

Expenditures Exceeded Revenue by \$896.68, Finance Committee Reports

There was a deficit of \$896.68 on the operation of the Prince Rupert General Hospital during the month of March. It was reported to the board at its regular monthly meeting last night by Frank Dibb, chairman of the finance committee. Receipts amounted to \$3,744.75 and expenditures were \$4,641.43. So far this year, there has been a total deficit of some \$1,400, Mr. Dibb stated.

During the month there were 1582 hospital days at a cost of \$2.93 per hospital day.

AMBULANCE DISCUSSED

Hospital Board to Have Finance Committee Report Before Finally Acting

The question of a new ambulance was discussed at some length by the hospital board last night and it was finally decided to refer the matter to the finance committee for report at next meeting of the board.

Ald. S. D. Macdonald, chairman of the executive committee, reported that the committee had obtained prices and gone into the whole matter quite thoroughly. He presented estimates of up to \$2,000 for a new ambulance. There was a used car which might be converted into a suitable ambulance at a cost of around \$1,000. A brand new ambulance might be bought for slightly under \$2,000.

The members of the board seemed fairly agreed that it was high time for a new and more suitable ambulance. There was a general discussion of the various proposed ambulances and it was finally agreed to have the finance committee make a report on the best means of financing a vehicle.
