GEORGE WOOD IS DECLARED WINNER

CONFIDENCE VOTE ACCORDED COALITION GOVERNMENT

Detroit Press Deplores Trick of Boat Racer in Disqualifying Kaye Don

British Aquatic Speedster Is Called "Sportsman and Gentleman" Following Harmsworth Trophy Incident on Monday

DETROIT, Sept. 9.—The Harmsworth Cup racing committee allowed the claim of George Wood, brother of Gar Wood, to the trophy after he had covered the course alone in the speedboat Miss America VIII. George Wood insisted that he should be given the right to win the trophy following the incident on Monday when both Kaye Don, the English contender, and Gar Wood were disqualified following the latter's ruse in tricking the Englishman across the starting line in advance of the gun by himself crossing the line prematurely. Wood apparently took this means to prevent Don from winning the trophy after it had been proven that Don's boat, Miss England II, was much faster than Wood's defender, Miss America IX. George Wood's boat, Miss America VII, had remained safely behind the starting line until after the gun.

MURDER IS ALLEGATION

Mrs. John M. Arnott Charged With Killing Husband in Alaska

CORDOVA, Alaska, Sept. 9.—A federal warrant was issued yesterday charging Mrs. John M. Arnott, 65-year-old "picture bride," with first degree murder in connection with the slaying of her husband last Wednesday in his cabin in the Chitna district north of here. Mrs. Arnott, who married the 61-year-old Alaska mining man two years ago after a courtship conducted entirely by correspondence, came to Alaska from Anacortes, Washington. Arnott was shot and killed in his cabin apparently while asleep. Search has begun for Mrs. Arnott.

POLE TRIP ABANDONED

Sir Hubert Wilkins Gives Up Effort After Getting 450 Miles From Aim

TROMSOE, Norway, Sept. 9.—Sir Hubert Wilkins has decided to abandon the attempt for this year at least to reach the North Pole under the ice. After reaching a point 450 miles from the Pole, the nature of the ice drift made it impossible for the Nautilus to penetrate further. The Nautilus slowly made her way back to her base at Spitzbergen, reaching there yesterday.

Two Members of Crew Rescued From Life Raft After Halibut Volunteer Burns

SEATTLE, Sept. 9.—Two Seattle fishermen, Capt. Louis Hanken and Andy Sather, were rescued from an improvised life raft yesterday near Alert Bay after they had abandoned the burning halibut boat Volunteer. They were taken to the hospital at Alert Bay to receive treatment for burns and shock.

The small American halibut boat Volunteer made three calls at Prince Rupert during the course of the present season with catches. She was last here about a week ago with a catch of 5,000 pounds.

PR. HENRY TO CRUISE

C.N.R. Flag Ship Will Operate on Atlantic During Winter

VANCOUVER, Sept. 9.—An announcement of particular importance to tourist travel was made here today by G. A. McNicholl, general passenger agent, Canadian National Steamships, dealing with the winter program laid out for the S.S. Prince Henry, flagship of the Pacific fleet. Mr. McNicholl has received word of a special cruise from Vancouver to Halifax, via the Panama Canal, which will commence at this port at midnight Saturday, November 21. The cruise will end at Halifax at noon Sunday, December 13.

Announcement is further made that the S.S. Prince Henry, at the conclusion of this fall cruise, will operate on a regular weekly schedule during the winter months between Boston and Bermuda.

An interesting itinerary has been laid out for the trip around to Halifax. The ship will first call at Victoria, and make her next stop at San Francisco. From there calls will be made at San Pedro, Manzanillo, Balboa, Cristobal, Havana, Bermuda and Halifax.

There has been much speculation on the coast as to what use would be made of the Canadian National flag ship following the completion of her summer Alaskan schedule. The announcement of this cruise, coming just at a time when the passengers can arrive at their eastern destination nicely before Christmas, already has created interest and many trippers from the Pacific Coast and the prairies already have made applications for space.

DEATH OF PAMPHLET

Well Known Coast Skipper, Who Went to Jail for Act of Mercy, Dies in Vancouver

VANCOUVER, Sept. 9.—Captain Robert Pamphlet, aged 58, skipper of the schooner Pescawa, which, in 1924, while laden with liquor for delivery from Vancouver to Mexico, entered United States waters at the mouth of the Columbia River in answer to distress signals from an American vessel named Caoba and succeeded in rescuing the crew, the skipper later being charged with violation of the United States prohibition laws and sentenced to two years' imprisonment, died at the home of his brother in North Vancouver last night. He will be buried in Victoria, where he was born.

Capt. Robert Pamphlet was a member of a well known pioneer British Columbia family of seafaring men. A brother was formerly an engineer aboard ships of the Canadian National coast fleet.

Police Search at Arrandale

Robert Lawson Eludes Officer on Naas River But Is Captured at Port Simpson

ARRANDALE, Sept. 9.—Some excitement was caused at Arrandale Cannery one afternoon recently. When the Dominion Police launch was approaching the cannery, Robert Lawson, of Port Simpson, who was wanted by provincial police for jail-breaking at Port Essington last month, ran away into the bush, and Dominion Constable E. G. Newnham jumped ashore and gave chase. After following for nearly an hour the officer returned to the cannery, where he conducted a search of buildings and boats.

In the early hours of the following morning Constable Newnham returned to the cannery and conducted a further search of all the houses and boats, but on receiving the news that Lawson had arrived at Port Simpson, he sent a wireless message to the provincial police at Prince Rupert.

MANY PARTICULARS GOVERN CHOICE OF LOT FOR HOMESITE

Avoid Expenses of Preparing Lot.

The selection of a house or of a building lot and house plans should always be supplemented by a careful study of the present surroundings of the home. The quality of the neighborhood and of its life and activities has a marked influence upon present and future property values and also upon family life.

There are many items that the prospective buyer will do well to consider carefully beforehand, getting authoritative information from the office of the city engineer or from whatever city department handles the matters in question. These are present and future improvements, their probable cost, assessments to be made against the property. Also, if grading has not yet been done, the future street level and its relation to the property under consideration must be known.

Extremely Picturesque English Stucco House

A HOME WHERE COMFORT AND CONVENIENCE REIGN

BOYMAN & CULERNE, Architects

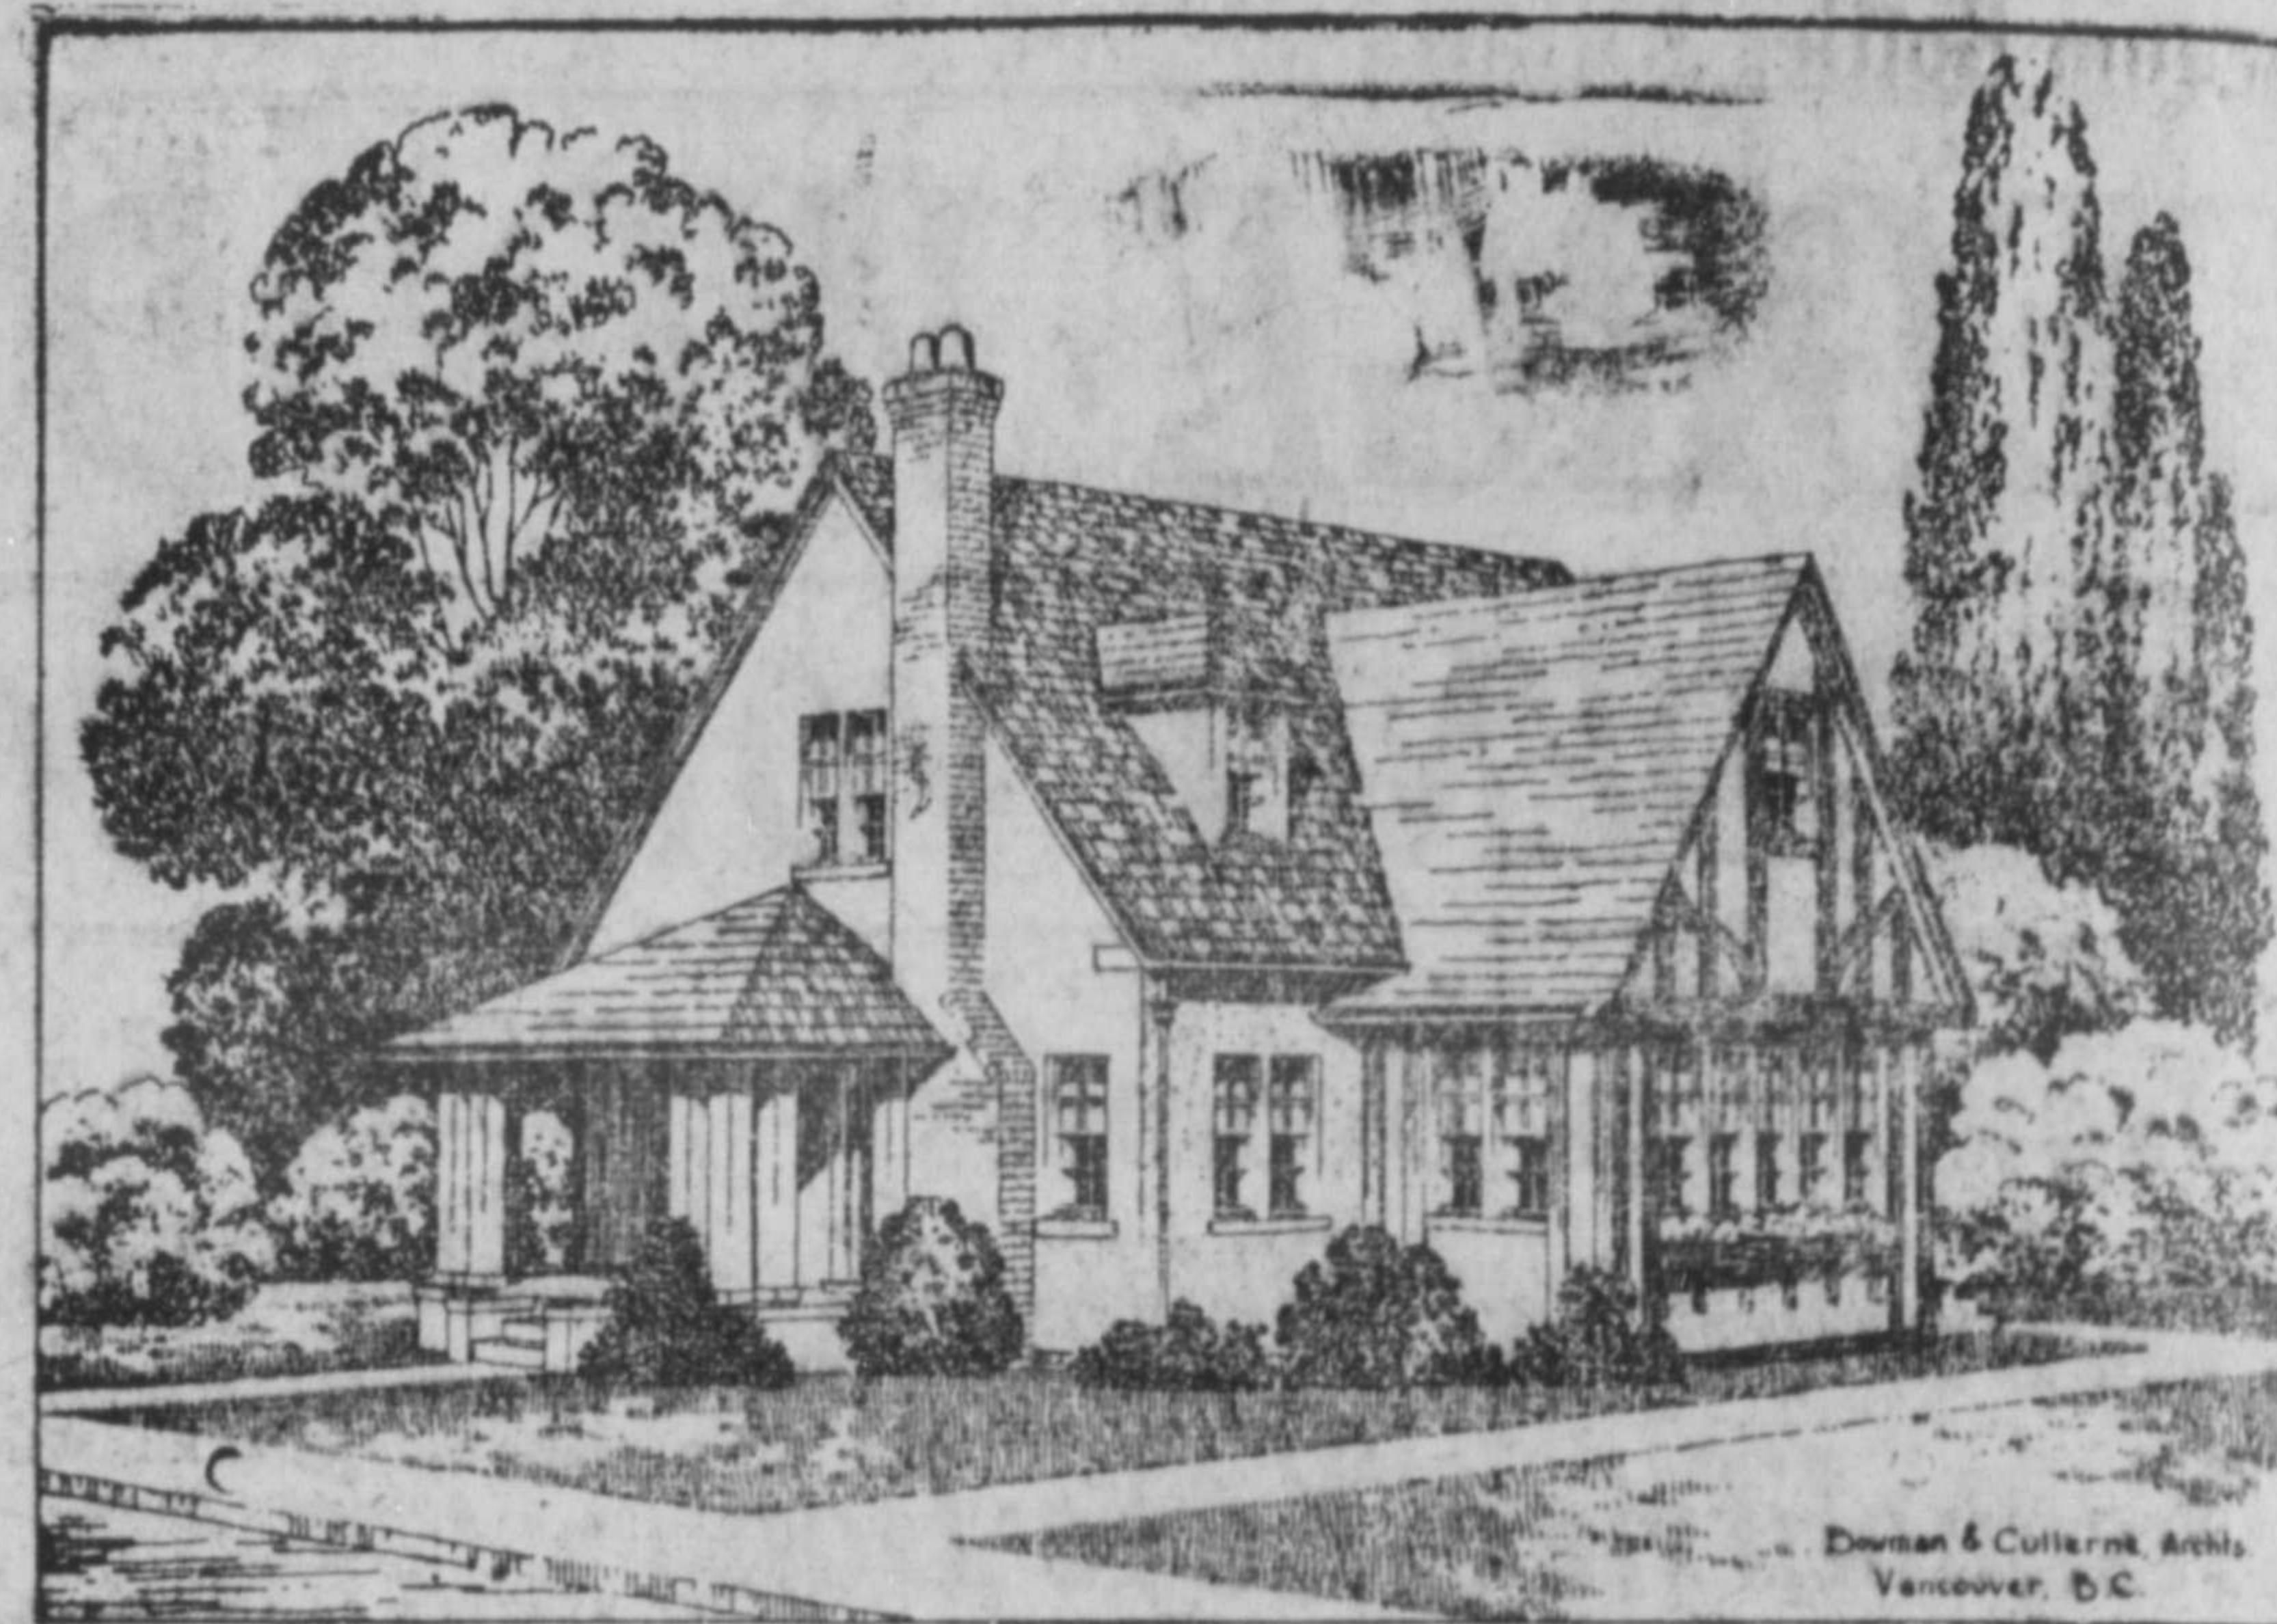

The design of the English picturesque type possesses great individuality. The wall construction is of hollow tile covered with stucco. With such a base there is no danger of cracked stucco, providing, of course, the stucco is applied correctly. In contrast to the light colored stucco is the brick chimney and dark half-timber. Perhaps the most suitable color scheme for the exterior of this home would be cream stucco, dark brown half-timber and brown variegated shingles on the roof. The brick of the chimney could be either red or buff. A pleasing scheme would be to substitute green for the brown. This is unusual but would have a good effect.

The bedroom on the first floor could be easily transformed into a den or library. Or if the window opening onto the verandah, be made into a doorway the room would make a splendid office for a professional man's residence.

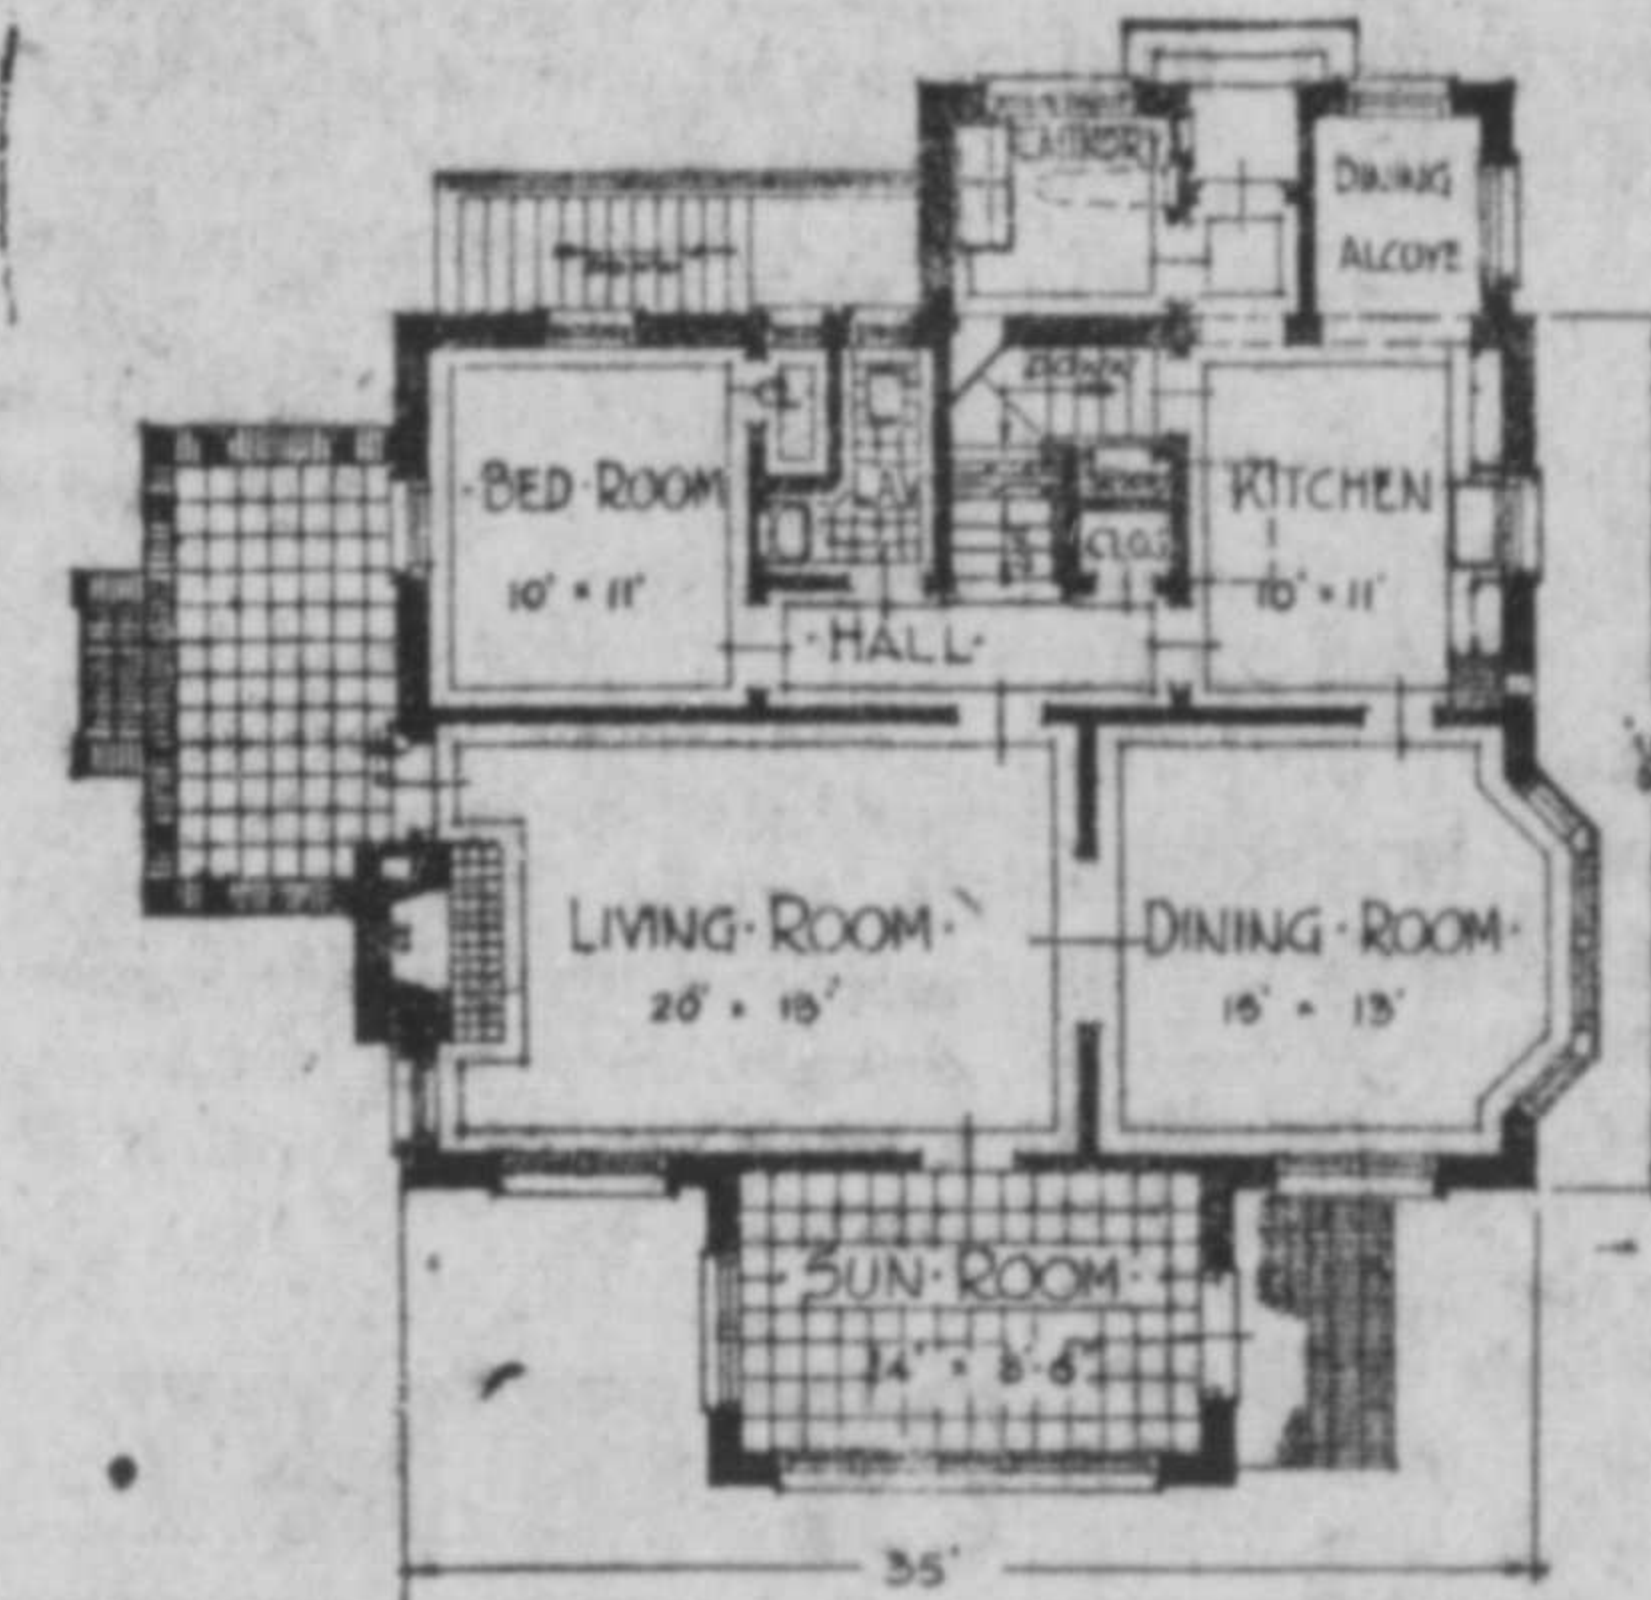

There are plenty of conveniences in the vicinity of the kitchen. Here we find laundry room, dining alcove and cupboards.

Outline Specifications

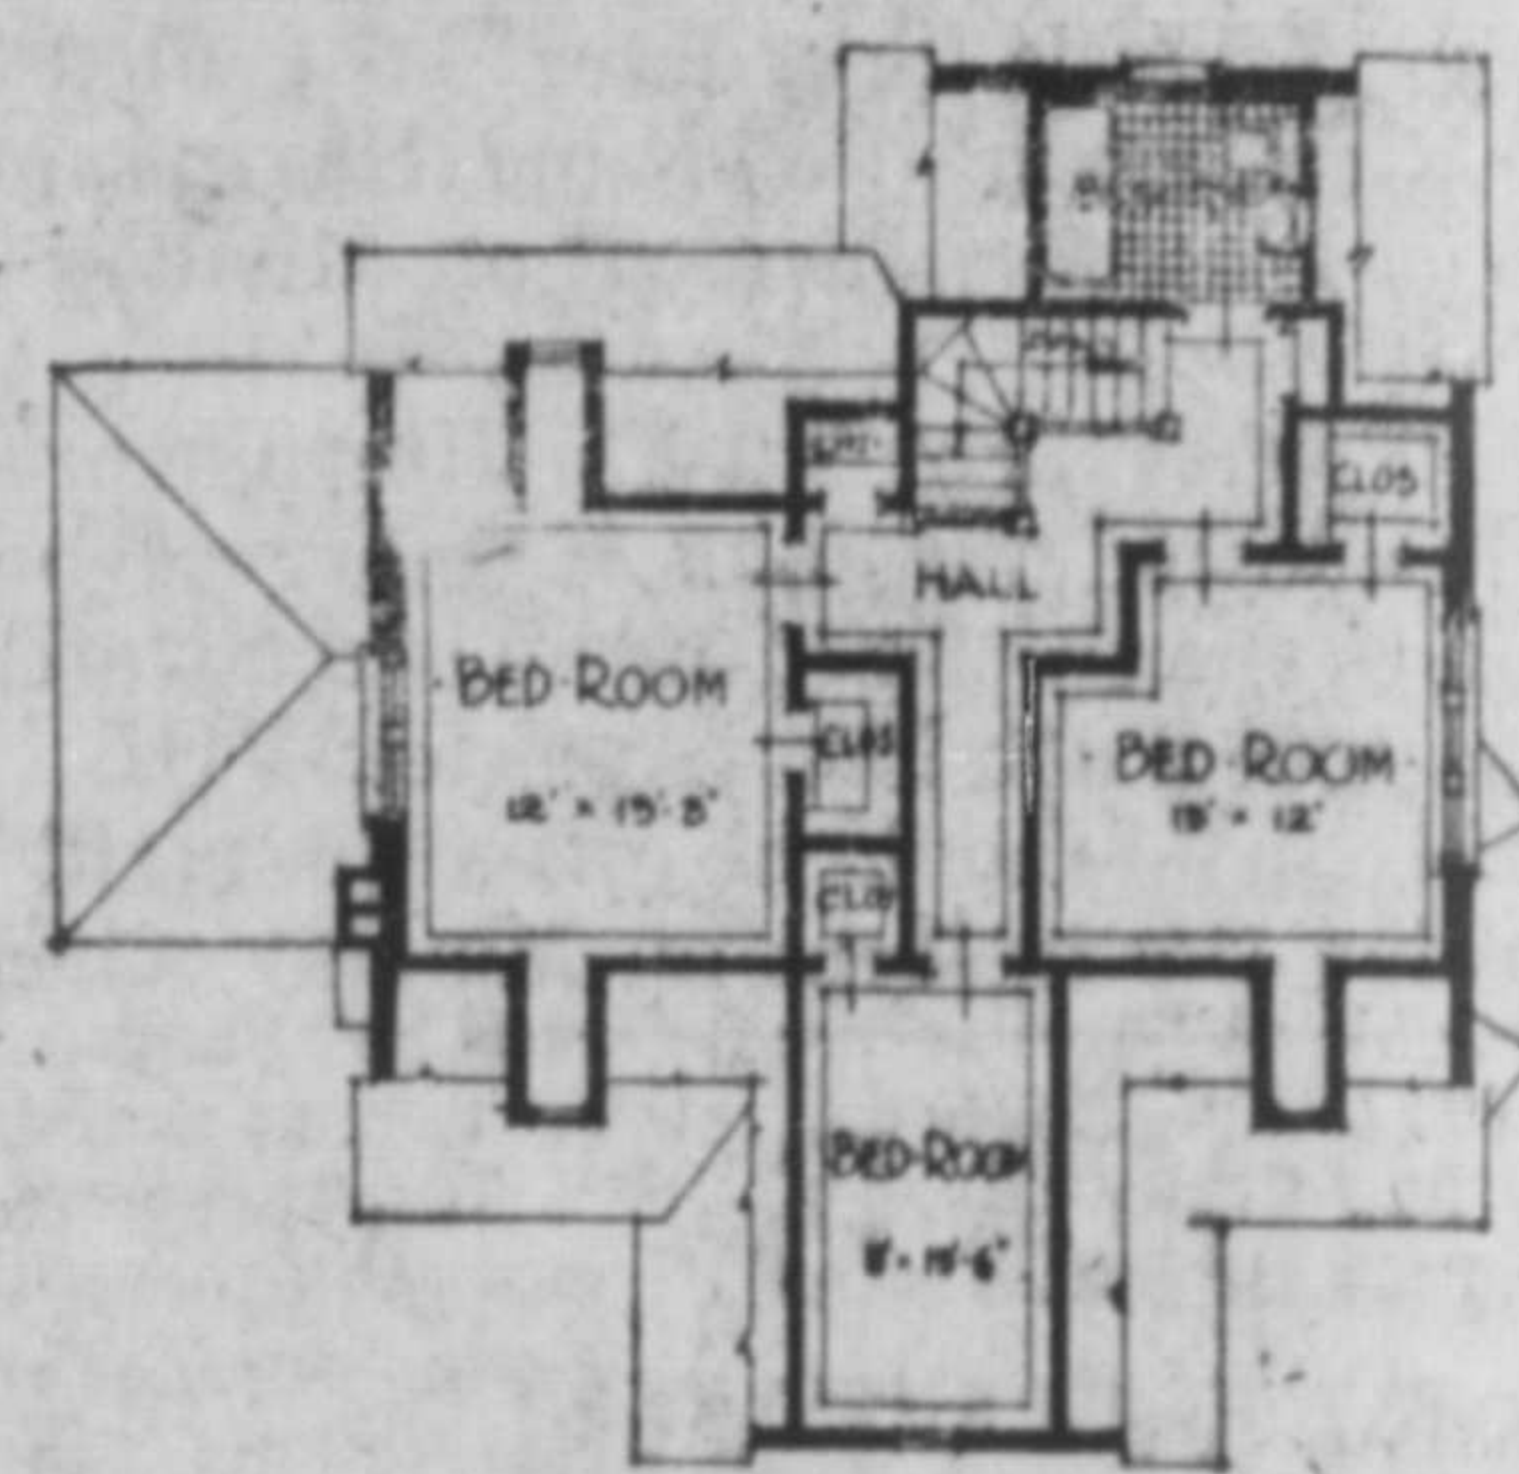

Size of House: 35 ft. 0 in. x 28 ft. 0 in.
Suitable Lot: 55 ft. frontage.
Walls: Hollow Tile and stucco.
Roof: Wooden shingles.
Built-in features: Cupboards, ironing board.
Cubic Contents: 28,000 cu. ft.
Approximate Cost: \$7,250.
Readers desiring further information regarding a house of this design should communicate with Messrs. Boyman & Culerne, 535 Seymour St., Vancouver, B.C., and mention design No. 295. Consult a local architect if designing is too far removed.

Stole 500 Chickens But Left His Card

A thumb print sent him here

IN A certain suburban district, 500 chickens had disappeared, but no one could find the thief. Then one morning, in the henhouse of E. O. Wagner, a pocket mirror was found. On that

mirror was a thumb print. In the finger print records of a nearby city was found a print that matched it. It said as plainly as a letter, "The man who stole those chickens is Albert Espens. He lives in Bakersfield. He is father of 11 children, but not straight."

They found the chickens in a tunnel, beneath the culprit's barn. They put him behind the bars. He made the mistake of leaving a record with a finger print impressed.

Pocket mirror with tell-tale thumb print

Germ-Laden Prints

This is told to remind you that you leave finger prints on everything you touch. And those finger prints are usually germ laden.

You pick up the germs from things others have touched, from handshakes, from pets, etc. Your touch may convey them to foods—to a piece of toast you butter, to a cookie, to a chocolate. A few of those germs may breed to millions in the mouth. From there they go to attack vital organs.

Life Extension Institute lists 27 diseases which may be conveyed in this way. Colds are the most common, perhaps. Any hand which has been used to check a sneeze or a cough becomes contaminated. And every touch of that hand, in the print it leaves, may spread colds.

How to be Safe

Lifebuoy Soap is used by millions, the world over, to combat these dangers. It contains a germicide. Its lather kills germs, or makes them inactive. So wise people wash with it

often, and always before meals. They teach their children the habit. Thus Lifebuoy, in every country, is saving a vast amount of sickness and infection.

A Delightful Way

Lifebuoy is a luxurious soap, based on two palm oils. No better soap was ever made, no greater beautifier. There is no perfume, but the lather is gentle and abundant. And a refreshing scent of safety, which lingers for a moment, tells you how it protects.

Another protection is against bodily odours. Use it for every bath. Then all evening or during the day, you may be sure of no offensive odour from the body.

If you will prove these facts, by a simple test you will always wish to have this luxury soap at hand.

Lifebuoy kept on the wash basin and bath enables everyone at home to benefit by it. Your dealer has Lifebuoy ready for you.

Shower Held Monday Evening

Mrs. Elmer Thompson Hostess at Delightful Affair for Miss Florence Thompson

On Monday evening a delightful miscellaneous shower was held at the home of Mrs. Elmer Thompson in honor of Miss Florence Thompson, whose marriage to Ralph Moore took place last night. The rooms were tastefully decorated for the occasion with rainbow colors. After the making of a presentation, which was contrived as a surprise, the evening was delightfully spent in games.

CHURCH IS DESTROYED

All Saints Anglican Edifice at Vernon Believed Victim of Incendiarism

VERNON, Sept. 9.—All Saints Anglican Church here was destroyed by fire at 5 o'clock yesterday morning. The conflagration is believed to have been incendiary in origin. Loss is estimated at \$30,000.

Dr. R. G. Large, who is about to move his medical practice from Port Simpson, is now on a big game hunting trip into the Francois Lake country. Mrs. Large and family are moving into the city from Port Simpson this week.

TRACK CLUB SUCCESSFUL

Spartan Organization Justified Its Existence Monday

From the results of the Labor Day track meet, sponsored by the Trades and Labor Council Monday, members of the Spartan Athletic Club feel that they fully justified their organization this spring. From a very humble beginning they have developed into a group of athletes who dominated nearly every major event at Monday's meet.

In the 100 yards (open) out of eight entrants, seven were Spartans, who took the first five places. In the 220, the first four places were taken by Spartans, while in the 880 yards the first three, and in the mile second, third and fourth places were captured.

All the jumps except the high jump were won by the Spartan Athletic Club. First three places in the broad jump and first two places in the pole vault being taken. Finally, rounding off a great series of victories, the Spartan medley relay team ran their opponents completely into the ground.

Although severely handicapped by a complete lack of training facilities, the boys feel after yesterday's performance that they are doing what they set out to do, namely improve the calibre of track and field sports in the city.

Weather permitting, the club will wind up its season's activities with a meet on Saturday, September 12, at 3:30 o'clock immediately after the Junior football game.

DATES FOR BIG SERIES

Baseball Classic to Open on October 1 in National League City

NEW YORK, Sept. 9.—Following a conference with officials of the National and American Leagues and of the clubs which may be concerned, Judge Kenesaw Mountain Landis, commissioner of organized baseball, announced that the 1931 World Series would open on October 1 in St. Louis or New York, the later city still having a remote chance to win the National League pennant.

The second game will be played in the National League City on October 2 and the series will then move to Shibe Park, Philadelphia, where the Athletics, already assured of the American League pennant, will be at home to the National League visitors on October 5, 6, and 7.

The two remaining games, if necessary, will be played in St. Louis, New York or Philadelphia alternately.

BOOTH WON IN SOCCER

Old Rivals Battle in Labor Day Program to 3 to Nil Score

The old rivals, Borden and Booth, met in a Junior football game as one of the events in the Labor Day program of sports, the Booth team winning by three goals to nil.

In spite of the fact that the teams had not played together for some months owing to school holidays, the boys put up an interesting game. Morgan gave a good display in the Borden goal, and Fisher tackled with judgment. Hardy played his usual strong game and Willisroft was another good halfback. Forward Borden did not get going well though Wilson, Campbell and Linday showed good football at times.

Allen did well in the Booth goal, and Ferguson and Eby were fairly safe at back. Cramp, Christison and McMeekin made a good half-back line, with McMeekin making a very good showing. Nelson used his speed to good advantage, and Sandurbane played a hard game. Goals were obtained by Nelson, Ritchie and Ivarson.

J. Campbell refereed, with A. Clapperton and H. Dyer linesmen.

New Hazelton Defeats Hazelton By Score of 9 to 5 and Takes Central Interior Ball Title

The Hazelton Baseball Club, which met its Waterloo during the Exhibition here last week after having cut such a swathe throughout the central interior during the summer, suffered another reverse at the Talkwa Barbecue on Monday of this week when it was defeated by New Hazelton, 9 to 5, in the final game of a series for the central interior baseball championship.

Teporten pitched for Hazelton and Spooner for New Hazelton.

New Hazelton and Hazelton had qualified for the final at Talkwa by defeating Telkwa and Smithers respectively during the recent Smithers Fair.

EXTENDS DEMPSEY

Former Heavyweight Champ Finds Husby Opponent in Jimmy Byrnes

EUGENE, Oregon, Sept. 9.—Jimmy Byrnes, 205-pounder, following a four-round exhibition with the former world's heavyweight champion here, was declared by Jack Dempsey to be the best opponent he had met since the start of his present tour. A wildly cheering crowd of over 8,000 fans saw Dempsey and Burns fight toe-to-toe in the centre of the ring for the most of the four rounds. Try as he would Dempsey was unable to dispose of his opponent.

Dempsey scaled 198 pounds, the first time he has weighed over 196 pounds since the start of his tour.

THERE are few foods you can buy that give you as much satisfaction for your money as Kellogg's Corn Flakes.

Out of a single package you get many delicious servings—at a cost of only a few cents.

Kellogg's are delightful for breakfast or lunch, with milk or cream, fruits or honey added.

Great for the children's evening meal—or for a tasty snack before going to bed. So healthful and easy to digest.

No other ready-to-eat cereal in the world is so popular. No other corn flakes have ever been able to duplicate Kellogg's own matchless crispness and flavor.

That is why wise buyers will accept no substitute for genuine Kellogg's. They know that imitations are never "just like" the original of all corn flakes. Look for the red-and-green package at your grocer's. With the exclusive inner-seal waxtite wrapper that keeps the flakes oven-fresh even after opening. Made by Kellogg in London, Ontario.

You'll enjoy Kellogg's Slumber Music, broadcast over WJZ and associated stations of the N. B. C. every Sunday evening at 10.30 E. D. S. T. Also KFI Los Angeles, KOMO Seattle at 10.00, and KOA Denver at 10.30.

UNITED IN MARRIAGE

Miss Florence Thompson Becomes Bride of Ralph Moore at Pretty Home Ceremony

A wedding of much interest to many friends of the contracting couple took place at 8:30 last evening at the home of the bride's parents, Mr. and Mrs. Walter E. Thompson, 1138 Second Avenue West, when Miss Florence Ellen Thompson, popular young native daughter of Prince Rupert, was united in marriage to Ralph Arthur Moore, son of Mr. and Mrs. John Moore of Prince George. The ceremony was performed by Rev. Alfred Wilson, pastor of First United Church under a floral arch and bell, the house having been attractively decorated for the occasion in pink and white.

Entering the room where the ceremony was performed upon the arm of her father, by whom she was given in marriage, the bride was charmingly gowned in a costume of dark brown chiffon crepe with hat to match. Mrs. Mae Dorothy Partridge, sister of the bride, whose attractive costume was of similar color, was matron of honor. Both the bride and matron of honor carried bouquets of sweet peas and roses.

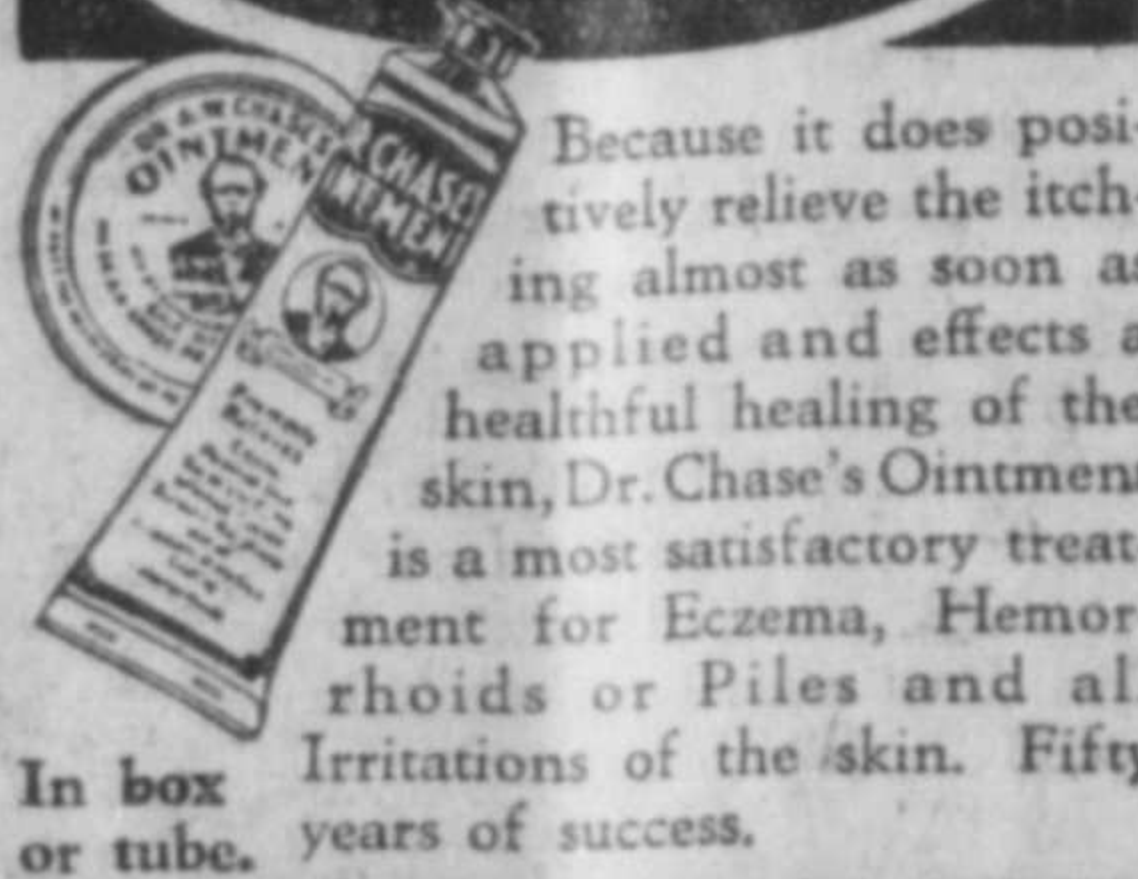

The groom was attended by Pat Partridge, brother-in-law of the bride.

The ceremony took place before an assemblage of about twenty-five invited guests. After the nuptial rites, buffet refreshments were served and the toast to the bride was offered by Rev. Alfred Wilson, the groom responding suitably.

Assisting the bride's mother at the reception were Mrs. H. K. Christianson and Mrs. P. Black. Mrs. Elmer Thompson was responsible for the decorations. Dancing brought the evening's festivities to a close.

Mr. and Mrs. Moore will proceed to Prince George to pay a two months' visit with the groom's parents, after which they will return to Prince Rupert to take up their residence. Both bride and groom are well known and popular here and the congratulations and best wishes of many friends will be extended to them. The bride was formerly a member of the staff of Chriss Mill Bakery. The groom is employed in tugboat service here.

BUSY TIME AT LIBRARY

Reading Table Has to Be Eliminated to Make Room for Book Cases, and Assistance Increased

The work of the public library has increased to such an extent that the library board, at its meeting last night, decided to eliminate the big magazine table, replacing it with a small table for the convenience of those using the reference books. Another book stack is being ordered and arrangements are being made to engage the assistant librarian for longer hours than at present.

Miss Cruikshank reported that so great was the crowd in the building at certain times and so many books had to be exchanged that it was physically impossible to handle the work as at present carried on.

The library board also discussed the possibilities of securing a new building this year, partly as a relief measure, and a committee was appointed to keep in touch with the situation.

The report of the librarian showed that 2,900 books had been taken out during the eight days the library was open in August, following the return of the librarian from her holidays. This was an average of 362.5 a day. It consisted of fiction, 1,904; non-fiction, 258; duplicate pay, 70; and juvenile 668.

During the part of the month 29 new borrowers registered and 16 cancelled, leaving a registration of 3,359.

Books were received, two by gift and 15 by purchase, bringing the total on the shelves or in circulation to 8,013.

M'DONALD CONFIDENT

British Premier Sure Coalition Will Get House Support; Royal Expenses Being Cut

LONDON, Sept. 9.—In a statement on the eve of the convening yesterday of a special session of the House of Commons, Premier J. Ramsay MacDonald predicted that Parliament would give the new coalition government a decisive vote of confidence and would also approve the new administration's policies of financial economy.

King George announced that a £50,000 reduction would be made in his civil list for the year. The Prince of Wales announced that there would be a saving as far as he was concerned of 10,000 to go to the public treasury in view of the emergency.

Parliament opened yesterday in a storm with Laborites battling the Nationalist government.

Premier MacDonald described the dangerous situation which existed. Sterling was not only threatened but it was falling off the gold standard.

Owing to the Labor Day holiday, the regular monthly session of County Court for setting of cases was adjourned until next Monday.

Lamb Week Being Observed in B. C.

This week is being observed as B. C. Lamb Week. According to the packers, the lambs are coming on the market in superior condition and about three weeks earlier than in previous years, following a campaign by the Division of Animal Husbandry and the Markets Division of the Department of Agriculture.

Stickers are being distributed to hotels and restaurants, to be put on their menus advising their patrons to order lamb. This movement has the hearty support of Premier Tolmie and Hon. William Atkinson, Minister of Agriculture, and they ask the co-operation of the public in encouraging sheep breeding in this province.

Mooseheart Women Hold Whist Drive

Moose Hall Scene Last Night of Very Enjoyable Affair—Nine Tables in Play

Women of the Mooseheart Legion were hostesses at a very enjoyable whist drive last evening in the Moose Hall.

There were nine tables in play and prize winners were: Ladies' first, Mrs. Peter Wingham; second, Mrs. V. Grimson; men's first, C. R. Biggart; second, Cecil Morrison.

After cards, delicious refreshments were served. Percy Cameron was master of ceremonies for the evening, and Miss Molly Lawrence presided at the door.

The committee in charge consisted of Mrs. Sam Haudenschild, convener, Mrs. Lund, Mrs. Richard Long, Mrs. O. Stegavig, Mrs. Jack Preece and Mrs. Percy Cameron.

Ben Lipsin sailed yesterday afternoon on the Catala for Vancouver, where he will pay a visit with his family.

FLYING TO ALICE ARM

Supervisor of Fisheries Goes North on Fisheries Patrol Flying Boat

Piloted by Al Cheesman and with W. Faulkner on board as mechanic, a Western Canada Airways flying boat, which has been engaged in fisheries patrol in the seining areas of the central division during the past summer, arrived here at 4:30 Monday afternoon from Swanson Bay and took off at 11 o'clock yesterday morning for Alice Arm with James Byd, supervisor of fisheries for District No. 2 on board. Mr. Boyd has gone to Alice Arm to look over a number of lakes in that neighborhood which it has been proposed to stock with trout. Mr. Boyd will also visit other points in the vicinity of Alice Arm and he will have the plane away three or four days, it is expected.

On its return here the plane will proceed to Swanson Bay to resume its fishery patrol work out of there.
