FIVE THOUSAND DEAD IN MANAGUA

NEW FINANCIAL ARRANGEMENTS MADE BY U.P. FISHERIES

Sixteen Halibut Boats Unload Catches Under More Definite Terms

Down Price Remains Same as Before With Canadian and American Boats Both Getting 10c and 7c

Halibut landings here today totalled 125,000 pounds, all of the 16 boats which were in with catches disposing of them to the United Pacific Fisheries which was reported to have made new and more satisfactory financial arrangements than those which have so far been existing. The down price was, however, still the same for American and Canadian fish. In these new arrangements, United Pacific Fisheries was reported to have obtained the backing of four of the largest fish handling concerns in the United States. The new arrangements were made by F. J. Kwapi, president, and J. E. Berg of Ketchikan, manager for Ketchikan and Prince Rupert jointly on a recent visit to Chicago.

The boats unloading catches today are: Canadian—Cape Spencer, 9,000 pounds; Borgund, 3,500; Capella, 11,000; Melville, 13,000; J. R., 5,000; Toodle, 4,000; Cape Swain, 5,000; Ingrid H., 4,000; Gulvick, 9,000; Viking, 4,000; Pair of Jacks, 5,000; Lysekil, 22,000; Edward Lipssett, 6,000; Covenant, 13,000. American—Pierce, 7,000; Tahoma, 10,000.

Frank Dorbrandt Lands His Plane Among Volcanoes

Frank Dorbrandt, Arctic flyer, who took part in the Burke search, recently landed in the smoke and steam-enveloped heart of the volcanically active Valley of Ten Thousand Smokes on the Alaska Peninsula. It is believed to be the first time that an airplane had ever landed in a centre of active craters. Alone, he circled above the smoking valley, picked out a level spot and landed in the midst of the craters. After taking photographs, he took off and circled Mount Katmai, the largest active volcano of the group. The floor of the valley is partly mud and ash and partly molten sand. The overland route to the valley is through a devastated country.

Consolidated Mining Airmen Have Flown Nearly 425,000 Miles

Airmen of the Consolidated Mining & Smelting Co. of Canada, engaged in aerial exploration, have flown approximately 425,000 miles since the inception of the service in the winter of 1928-29. W. G. Jewitt of that company stated in an address at the annual general meeting of the Canadian Institute of Mining and Metallurgy at Ottawa recently. In the thousands of miles travelled there had been no serious injury to the personnel, he stated. Prince Albert, Sask.; The Pas, Man.; Sioux Lookout, Ont.; Seneterre, Que.; and Burns Lake, B.C., have been used as bases for aerial exploration, he stated, and the operations of the staff extended and enlarged. The planes were used for reconnaissance, prospecting, examination of properties and supply of properties. The use of the aircraft had aided in controlling and expediting the work of prospecting properties, he said.

Governor General's Arrival

Precedent demanding that Lord Bessborough should become "His Excellency the Governor-General and Commander in Chief" at Halifax where he was sworn in at the historic Province Building. Captain H. Sibbons, R.N.R., commander of the Canadian Pacific liner Duchess of Bedford, diverted his vessel from her regular course and called at the Nova Scotian capital to land the vice-regal passenger today.

The lay-out shows Lord Bessborough; Lady Bessborough, the former Roberte de Neufville, only French born peeress of Great Britain; Captain Sibbons, one of the most popular captains of the Atlantic and the Duchess of Bedford, 20,000 ton liner—largest Canadian vessel to call at Halifax.

GOOD FRIDAY IS OBSERVED

Good Friday was observed in St. Andrew's Anglican Cathedral with a choral presentation last night under the direction of H. N. Brocklesby, choir master.

The principal item on the program was the rendition of Stainer's "Crucifixion" which was excellently performed both in solos and choruses. Chief soloists were M. H. Blott, baritone, and John E. Davey, tenor. A. J. Lancaster and H. Lincoln were also heard in solos.

The anthem "Into the Woods My Master Went," was also given while Mrs. F. W. Allen sang as a solo "There is a Green Hill Far Away," and Mrs. M. H. Blott, "Were You There When They Crucified Him?" a negro spiritual.

The program opened with a processional hymn and the Lord's Prayer. Dean Gibson was in charge. The church was filled.

FINED \$100 FOR ASSAULT

Terrace Case Came Before Judge Young on Thursday Afternoon

TERRACE, April 4.—The case of Rex vs. G. Little, in which the defendant is accused of assaulting Rev. E. A. McCarthy, Anglican clergyman at Terrace, came up for hearing before Stipendiary Magistrate E. T. Kenney on Wednesday and the defendant was sent to trial at Prince Rupert.

In the course of his evidence Rev. McCarthy stated that the defendant called to him in the street and took exception to some remarks which he had made on the previous Sunday and struck him on the face, breaking his spectacles and afterwards kicking him between the legs. In consequence he had been confined to the house for a fortnight and was not yet out of the doctor's care.

T. J. Kirkpatrick gave evidence of witnessing the assault complained of and Dr. Mills testified as to the condition of the injured man which he concluded was occasioned by the assault.

Defendant, who left for Prince Rupert Thursday, declined to give evidence and reserved his defence.

Accused appeared before Judge Young in County Court Thursday afternoon and, pleading guilty to a charge of assault, was fined \$100.

Well Known Alice Arm Couple Wed

WHITE MAN IS PROBLEM

Bishop Stringer Tells About Eskimos in Interesting Address

"The biggest problem in connection with the development of the natives of the northern part of Canada is that of the white man," declared Right Rev. Bishop I. O. Stringer, of the Yukon, in an address to the Rotary Club at its weekly luncheon Thursday. "The ne'er-do-well and his evil influence is responsible for most of the degradation of both Indians and Eskimos. They are not as degraded in their native state as are the degraded whites."

Another interesting statement made by the Bishop was that each native and Eskimo tribe thinks itself "the best people." The whites they look on as an afterthought of the Creator, and inferior. The Eskimos have been less influenced by the degradation of the white man than any others and they are being developed very rapidly. Civilization is not spoiling them. They have their own ten-ton schooners on which they take their families and dogs and, if not spoiled by white people, will work out their own destinies, the Bishop declared.

Bishop Stringer told of the changed attitude in the last thirty or forty years of the Ottawa government toward the northland. He told of having tried to get police and customs protection on behalf of Bishop Reeve in the early days and of being refused simply because "it would not pay." That was no longer given as a reason and today Canada was

interested in giving protection to every part of the country. Everywhere the potential industries of the north were being investigated, regardless of expense and every one was interested in Northern Canada. At last a herd of 3000 reindeer was being driven across from Alaska and next year would be established east of the mouth of the Mackenzie River where there was pasture sufficient for 250,000 of these animals. The Bishop told how the country was being opened up by means of the airplane, and living improved by the use of the radio and other products of modern civilization. The natives were capable of great development and, in spite of what a good many people said, would be improved by education.

FAREWELL IS GIVEN

Presentation to Mrs. James Waugh at Presbyterian Church Gathering

A large gathering of members and adherents of First Presbyterian Church and other friends met in the church hall on Thursday evening last to bid farewell to Mr. and Mrs. James Waugh on the eve of their departure for Montreal. The minister of the church, Rev. W. D. Grant Hollingworth, presided.

Following a splendid musical program, J. W. McKinley and W. W. C. O'Neill, on behalf of the congregation, expressed appreciation and deep feelings of gratitude for the splendid services rendered by Mrs. Waugh to the church. Mrs. Waugh's beautiful voice and musical talent had been freely given at all times, not only in the service of the church, but also at many public concerts and functions where her singing always gave so much delight and pleasure. As a member of the choir her singing added much beauty and inspiration to the church services.

Rev. C. E. Motte, on behalf of the Prince Rupert Ministerial Association, thanked Mrs. Waugh for her services to the churches of Christ in the city and especially for her kind and prompt responses to take part in the hospital services arranged by the association. Mrs. Waugh had never refused but was always glad to sing and give pleasure to the patients at the hospital.

Mr. O'Neill read an address of presentation from the members, adherents and choir of the First Presbyterian Church and, on their behalf, presented to Mrs. Waugh a beautiful calf leather handbag containing a purse filled with gold. Mrs. Waugh, who was completely taken by surprise, thanked the congregation for its beautiful gift.

After the best wishes of the congregation and other friends for Mr. and Mrs. Waugh's happiness and prosperity in their new home had been expressed, refreshments were served and a pleasant hour was spent in conversation. In response to a general request Mrs. Waugh sang two farewell songs, "I Passed By Your Window" and "Comin' Thro' the Rye." After this the meeting came to a close with the singing of "Auld Lang Syne" and "For They Are Jolly Good Fellows."

Mrs. Hollingworth and Mrs. McKinley presided at the table and poured. Those helping and serving were: Mrs. D. C. Stuart, Mrs. O'Neill, Mrs. Fidler, Mrs. Bremner, Mrs. Foote, Mrs. Teng, Mrs. A. McKenzie, Miss D. Ballinger, Miss N. Brown, Miss B. McKinley, Miss H. Walker, Miss O. Munro, Miss S. Stuart, Miss M. Williscroft and Miss M. Ivarson.

The concert program was as follows:

- Songs, J. A. Teng.
- Orchestra selection, J. Watt, J. Bremner and Mrs. J. S. Black.
- Songs, J. Wightman Smith.
- Recitation, Mrs. Robert Cameron.
- Songs, Mrs. Wm. Millar.
- Songs, Miss O. Munro.
- Violin solo and piano, Mr. and Mrs. J. B. Mackay.
- Song, A. Clapperton.
- Accompanists, Mrs. H. C. Fraser and Mrs. J. S. Black.

Terrace Farmers' Institute Meets

Various Matters of Interest Taken Up at Gathering Tuesday Evening

TERRACE, April 4.—A meeting of the Terrace Farmers' Institute was held on Tuesday night when there was a busy session.

A letter from the Fall Fair board asking for financial assistance towards the next fair was tabled for discussion at the next meeting.

Careful consideration was given to reports on four samples of limestone from the district and the reports were ultimately referred back to the directors with instructions to get further data on the lime content question.

Letters and catalogues from the makers of lime crushers were also before the meeting but no action was taken with respect to these.

It was decided to make an effort to ascertain the possible annual consumption of crushed limestone in the district prior to investing funds to promote the industry.

H. L. Frank was appointed delegate to the district convention and H. King was elected representative.

Business arrangements having in view the spraying of orchards in the district were left in the hands of Messrs. Hamlin and Thomson with instruction that the charges should be sufficient to cover the necessary expenses of the plant.

For TEETHING troubles

FUSSY, fretful . . . of course babies are uncomfortable at teething time! And mothers are worried because of the little upsets which come so suddenly then. But there's one sure way to comfort a restless, teething child. Castoria—made especially for babies and children! It's perfectly harmless, as the formula on the wrapper tells you. It's mild in taste and action. Yet it rights little upsets with a never-failing effectiveness.

That's the beauty of this special children's remedy! It may be given to tiny infants—as often as there is need. In cases of colic and similar disturbances, it is invaluable. But it has every-day uses all mothers should understand. A coated tongue calls for a few drops to ward off constipation; so does any suggestion of bad breath. Whenever older children don't eat well, don't rest well, or have any little upset, a more liberal dose of this pure vegetable preparation is usually all that's needed. Genuine Castoria has Chas. H. Fletcher's signature on the wrapper. Doctors prescribe it.

DRAPERIES MADE NEW

"When we resumed housekeeping a month ago I found my draperies had become creased from packing. I hung them out on the line, hoping to remove the creases. Then I forgot them. The result was they became badly faded and sun-spotted. I was heart sick until the happy thought struck me to dye them. I just dyed them a deeper green, and as I used Diamond Dyes they look gorgeous and new. I have never seen easier dyes to use than Diamond Dyes. They give the most beautiful colors—when used either for tinting or dyeing—and never take the life out of cloth as other dyes do."

CANADIENS WIN FIRST GAME OF SERIES

HOT FIGHT IN TACOMA

Harry Ketchell Given Decision Over Joe Calder

TACOMA, April 4.—In one of the fastest bouts that has ever been seen here, little Harry Ketchell of Tacoma was given a decision over Joe Calder, Seattle Filipino, in a six-round main event Thursday night. The pair of flyweights made a great fight of it, carrying the battle to each other even up to a slugging culmination of the sixth round when, both staggering and almost out, they still bravely pounded at each other.

SPORT CHAT

The sudden-death final to decide the Cribbage League championship for the 1930-31 season will take place tomorrow afternoon between the Grotto, winner of the first half, and Moose, who captured second half honors. The winner will hold the Dawson Cup for the coming year while the loser will get the Newton consolation cup for runners-up.

Baseball and football, locally, should soon be demanding the thoughts of those interested. No doubt, organization of one or both lines of sport will be under way before long. There should be plenty of talent in town for both the diamond and soccer game and, of it is properly lined up, good, interesting play should result. It is likely that considerable attention will be paid this year to junior activity in both baseball and football. More of this should be heard shortly.

Percy Jackson, the popular smiling goal tender of the Vancouver Lions, rated as valuable a player as any on the Terminal City line-up during the past season and certainly during the play-offs, may have played his last game on the Pacific Coast circuit for a while at least. Jackson is on the negotiation list for the Boston Bruins and it is considered more than likely that next winter will see him in National League company with the best of them.

Jack Sharkey, Boston's heavyweight contender, has been offered \$50,000 for a 10-round bout with Tuffy Griffiths of Sioux City, Iowa, in the Chicago Stadium some time in May. While he did not refuse the bid, Sharkey said he considered the fight worth \$75,000.

TITLE GOLF IS NOW ON

Bob Morrison Led Field in Qualifying Round For B.C. Championship at Victoria

VICTORIA, April 4.—Bob Morrison of Victoria led the field yesterday in the qualifying round of the British Columbia amateur golf championship over Uplands course with a card of 143 for the 36 holes.

Freddy Wood of Vancouver, the defending champion, turned in a card of 152.

Thirty-two players with scores of 167 and under qualified for the championship flight today.

There were entrants from Seattle, Portland and elsewhere across the line.

ANDERSON WAS BEST

Diminutive "Ernie" Adjudged Most Valuable Player For Seattle Eskimos Last Winter

SEATTLE, April 4.—Ernie Anderson, diminutive right winger of the Seattle Eskimos, has been adjudged the most valuable player of the team during the winter just past and has been awarded the Muldoon Trophy, emblematic of that honor. For the last two years the trophy was awarded to Jack Walker.

Some people think every season comes at the wrong time of the year.

Flying Frenchmen Scored Two To One Victory Over Chicago In Stanley Cup Series Opener

CHICAGO, April 4.—Les Canadiens of Montreal, champions of the National Hockey League, defeated Chicago Black Hawks here last night in the first game of the Stanley Cup series by a score of two to one. The Flying Frenchmen had no difficulty in winning over the second place contenders and are now favored more than ever to retain the world's championship trophy which they now hold. A record crowd of hockey fans witnessed the match.

The series will be decided this year by the best three out of five games instead of the best two out of three as previously. The second game will be played here Sunday night and the remainder at the Forum in Montreal.

NEW YORK RANGERS ARE COMING WEST

VANCOUVER, April 4.—The New York Rangers of the National Hockey League are on their way to Vancouver where they will play a series of four games with the Vancouver Lions, champions of the Pacific Coast League. The first game will be played here next Wednesday night.

BILLIARDS ARE CLOSE

Postponed Game Tonight Will Decide Team Championship For Year

With the Elks leading the Canadian Legion by a margin of thirty points, the championship of the Billiard League will be decided tonight when Johnson Smith, Elks, meets Charlie Baprie, Legion, in the final match of the two-tournament play-off. This match was postponed from the second half of the semifinals last night, the Legion taking a lead of 881 to 863 over the Lodge Men in the four games which, however, was not sufficient to overcome the margin of the Elks from the first half of the finals.

Individual scores last night were as follows: C. P. Balagno (Elks), 154; Alex Murray (Canadian Legion), 250.

W. E. Williscroft, 250; G. P. Tinter, 210. William Mitchell, 250; Marcus Andrews, 171. M. E. Young, 209; Frank Ziegan, 250.

BIG FIGHT COMING UP

Sharkey to Meet Carnera, Loughran, Walker or Campolo

NEW YORK, April 4.—James J. Johnstone, manager of Jack Sharkey, announced here yesterday that the next important engagement of the contender for the heavyweight crown will be in Brooklyn on June 3. Sharkey will meet an opponent to be chosen from among Primo Carnera, Tommy Loughran, Mickey Walker or Vittorio Campolo, Johnstone announced.

Terrace Hoop Teams to Play With Locals

A girls' basketball team from Terrace reached here from the interior by a freight train yesterday and, with a boys' team which is due tomorrow afternoon on the regular train, will meet Prince Rupert High School boy and girl players in games next Monday and Tuesday evenings.

The Terrace girls' team, in charge of Miss Marjorie Munro of the Terrace school teaching staff, consists of Misses Carmen Smith, Helen Greig, Ethel Moore, Margaret McLaren and Margaret Glass.

The Terrace boys' team will consist of Dudley Little, Stewart McLeod, Lloyd Johnson, Clarence Michael and Ewert Bowering.

ESSINGTON IS WINNER

Took Game at Home But Were Outscored on Aggregate By Terrace

PORT ESSINGTON, April 4.—A pick-up team from Terrace, composed chiefly of High School students, lost a close game to Essington Friday night by a score of 22-17. Since Terrace won at home last week 43-25 they took the series 60-47.

Terrace had as much of the play as the home team last night but they were handicapped by the strange floor and were weak on shooting. The game was fast and clean throughout and was witnessed by a fair sized crowd.

The first half was all Essington and they had a 12-5 lead at half time. Terrace switched their line-up in the second half, Thomas going to centre and Little dropping back to guard. This line-up worked better and Terrace outscored the Maroons 12-10 in this period.

The individual star of the game was Reid of Essington who played a good game at centre. Spalding and Brown were also effective. The Terrace forwards were off color but worked hard all evening. Moore and McLeod looked best for the visitors.

Essington—Starr, 4; Spalding, 6; Reid, 12; Brown; Roberts, total, 22. Terrace—McLeod, 4; Bowering, 6; Little, 4; Moore, 1; Thomas, 2; total, 17.

Referee, Eddie Feak; umpire, Matt Wesley.

ACID after meals

GET RID of your dread of pain after eating. Eat without fear of "indigestion," sour stomach, disagreeable gas or headaches. When your food ferments, "dis-agrees," lies like a lump in your stomach, it's a sign of too much acid. You need not resort to crude methods—take instead an anti-acid that will correct the condition. Phillips' Milk of Magnesia. A spoonful of this pleasant-tasting, soothing fluid neutralizes many times its volume in acid. It restores the proper alkaline balance to an acid-soaked stomach and

bowels—assists these organs to function as they should.

Phillips' Milk of Magnesia is what you need when a bad breath, coated tongue, headaches, nausea or biliousness indicates an over-acid condition. Take a spoonful today and for several days and see how it sweetens the system. You won't be nearly so liable to colds or sickness. All drugstores in the Dominion sell it in 50c bottles.

Genuine Milk of Magnesia is always a liquid—never a tablet. Look for the name Phillips on the bottle.

Halibut Marketing Problems—D. S. T. Arrives From Vancouver—Salmon Outlook Not Bright

Either the United Pacific Fisheries had to make more satisfactory arrangements for the handling of the fish of Prince Rupert halibut fishermen or that concern would drop out as an exclusive factor in the receiving of the product here which would probably mean a return to the system of competitive buying by the old companies. While boat owners and fishermen, who a few weeks ago had clutched at this concern as a means of having their product marketed co-operatively with more adequate returns to themselves, were loath to make any admissions regarding the new concern, this seemed during the early week to be an outstanding fact. Uncertainty as to just when and how down payments were to be made brought matters to a head this week. The boat owners and fishermen were still hopeful that they might continue to dispose of their catches in this manner but the outcome was uncertain. One thing seemed sure and that was that arrangements of a more definite character must be made if there was to be satisfaction all around. It was to reopen negotiations with United Pacific Fisheries, on behalf of local boat owners and fishermen, that G. W. Nickerson, secretary of the Canadian Halibut Vessel Owners' Association, left for Seattle on Wednesday of this week. The decision to send Mr. Nickerson south was made at a meeting earlier in the day. Meantime what was going to happen in regard to the marketing of halibut seemed all up in the air again. As time passes, it seems more and more likely that the old system may be reverted to, lacking something better which seemed rather hard to get.

A 50-foot extension has been completed to the floats of F. W. Hunt Co. Ltd., well known ship chandlery concern. At least one waterfront business concern looks for expanding activity.

Valuable Data

Much valuable data and interesting information is contained in the sixth report by the International Fisheries Commission, a copy of which has been received at the Daily News office. First of the reports upon biological statistics of the halibut fishery is contained in the volume. Various members of the International Fisheries Commission scientific staff contribute to the report including N. L. Freeman, local representative of the Commission.

The new halibut boat Midway, built at Kirkland, Wash., during the past winter for Capt. H. Gjerde, has taken up her station at her home port of Petersburg. She is 44 feet long, 11 feet nine inches in the beam and has a 3 h.p. Atlas-Imperial diesel engine. She carries a crew of four men.

Whereas work preparatory to the opening of the season has started usually by this time of year at many canneries in this district, practically every salmon plant in these parts is still as silent as the tomb this

The steamer New England, the last halibut steamer to operate on the Pacific Coast, has been laid up by her owner, the New England Fish Company, and is now in Vancouver. It has been announced that this vessel will not fish this year. The New England has been commanded for a number of seasons by Capt. M. B. Scott, and has generally worked in Cook Inlet waters, running her catches to the company's plant at Ketchikan.

Gas Heaters Installed

Gas heaters have been installed in the pilot houses of the halibut boats Superior, Capt. J. Johnsen; Seymour, Capt. Gunnar Hansen, and Eldorado, Capt. John Johnson.

The halibut schooner President, owned by R. de Young and T. Thompson, and well known here, has just shipped a 75 h.p. Fairbanks-Morse diesel, replacing her former engine.

The well known local halibut boat D. S. T., Capt. Peter A. Meuse, arrived in port on Wednesday from Vancouver, where it spent the winter, and is now being outfitted for its first trip of the season to the fishing grounds.

Capt. Fred Walters has shipped as skipper of Pete Bruno's halibut boat Emblem. Capt. Charlie Wallace made the first trip of the season in command of the Emblem.

Landings Light

Halibut landings at the port of Prince Rupert for the season to date, totalling 583,340 pounds, make a sorry comparison with 2,413,900 pounds which had been landed up to a similar date last year. Canadian landings to date this year have amounted to 400,800 pounds as compared with 755,100 pounds at the same date last year. To date in 1931 there have been only 182,540 pounds of American fish landed as against 1,658,800 pounds. If marketing arrangements are to continue to keep American halibut out of Prince Rupert, the serious situation will no doubt continue.

During the week just past landings totalled only 125,500 pounds as compared with 757,700 pounds in the corresponding week of 1930. The week's Canadian landings totalled 102,000 pounds and American, 23,500 pounds or not as much as one fair-sized boat would bring.

Following are the boats and catches landed during the week not including a few that were hanging fire on Thursday:

Canadian—Bayview, 2,500 pounds, Cape Spear, 5,500; Covenant, 13,000; Cape Swain, 5,000; Drott, 3,500; Emblem I, 1,500; Eric Roy, 4,500; Helge H., 5,500; Joe Baker, 3,500; Margalice, 3,500; Margaret I, 2,000; Takla, 43,000; Unome, 5,500; Vera Beatrice, 2,000; Bobby, 1,500.

American—Hazel H., 14,000; Wave, 5,000; Wabash, 4,500.

W. E. Drake of the Vancouver branch of Edward Lipsett Ltd. is paying a visit to the local branch. He was formerly manager here.

A comparison of prices paid recently by the regular buyers at Ketchikan with the down payments made by the United Pacific Fisheries, which has been operating at the Alaska port on a similar basis to here, may prove of interest. Returns for a week about the middle of March have just come to hand. On one day New England paid 15¢ and 13¢ for 500 and 800 pound catches from the small boats T192 and L637 while United Pacific made the down payment of 10¢ and 7¢ to the Norma J. for 2400 pounds. On another day San Juan paid 16¢ and

Make This Test of the HEART

To gauge the condition of the heart, there is a simple test which anyone can make. Medical men agree that it is unrivalled as a means of finding out if the heart is in health or doing its work under difficulties.

"Are you short of breath when going up stairs?"

The extent to which you are inconvenienced under this strain will tell you how serious may be the condition of your heart.

In most cases, the trouble is caused by a weakness of the blood and a run down condition of the nervous system. The logical prescription is Dr. Chase's Nerve Food because this treatment enriches the blood and strengthens the nerves of the heart, as well as those of the other vital organs.

This reconstructive treatment has proven effective over such a long period that you can use it with the fullest confidence that the results will be most satisfactory.

13c for the 1400 pound catch of the Warner while the Leona and Friendly sold catches of 12,000 and 16,000 pounds respectively to United Pacific. On the following day prices were as follows: Lindy II, 4,000, San Juan, 15¢ and 13¢; Dalco, 2,000, United Pacific, 10¢ and 7¢; T810, 400, New England, 16¢ and 13¢; 907K, 1200, Pauline, 700, T7, 3,000, San Juan, 15¢ and 13¢. On still another day New England paid 12¢ and 9¢ for a 2,000 pound catch from the Fairland while the following catches were disposed of to United Pacific with the 10¢ and 7¢ down payment: Liahana, 36,000; Leviathan, 40,000; Minnie II, 2,500; T1039, 1,700.

Union steamer Cardena, Capt. Andrew Johnstone, delayed by having had extra calls to make on the way up coast, arrived in port at 12 midnight last night from the south and sailed at 1:15 a.m. on her return to Vancouver and waypoints.
