Found Wandering Clad Only His Underwear After Jolly Evening; Soon Lost Stake

Mike Anderson, who arrived in the city a short time ago from Queen Charlotte City with a stake as a result of his labors as a logger, claims to have been "cleaned" for fair last night. At least that is what he intimated this morning when he faced Magistrate McClymont in city police court on a charge of drunkenness after he had recovered sufficiently from his nocturnal experiences.

Anderson had actually "lost his pants" by the time he was arrested at 3:30 this morning after he had attempted to break into a residence on Fourth Avenue East and had gone so far as to crash a window in the attempt. When taken into custody he was clad only in his underwear-and it was snowing too. According to Anderson's story to the cadi, the last he remembered of his evening's doings was when he was visiting on Comox Avenue. He was not sure about the house, though.

Anderson was fined \$25, with 30 days' option, and now the police are trying to locate his clothes and the rest of his effects.

CONTRIBUTORY OR NON-CONTRIBUTORY

A dispatch from Ottawa states that Premier Bennett has refused a request of the Workers United League of Canada to secure the passage of a law providing for noncontributory insurance. This is not insurance as generally corner to save the collapse and tie up. understood but is what is usually known as "The Dole." It is a payment handed out by the state to men out of employment, the money being contributed wholly by the taxpayers of the country. While this system is usually urged by the Communist party and other supporters of the Russian system, so far as we can ascertain, the system is not in vogue in most parts of Russia where every man is expected to give services for the money he receives.

This Workers' United League is the same body that applied to the Prince Rupert city council at its meeting last Monday night for support in its effort to secure legislation along the lines asked by Mr. Bennett.

Contributory insurance is that kind usually in vogue!

where the person receiving the benefit makes regular periodic payments to the fund. It matters not whether this insurance is life, fire, sick benefit or unemployment. Usually in the last mentioned the state pays part of the premium whereas in non-contributory insurance the state pays the whole of it.

STILL TROUBLE AMONG FAITHFUL

There is still trouble for the Tolmie Government in the ranks of the Vancouver Conservatives, according to press reports. The Tories of that city and to some extent of Vic-3.00 toria, too, have been very restive during the past year. Led by "Billy" Dick, one of the Vancouver Conservative mem-\$6.00 bers, they have for months past been a thorn in the side of the administration. They have gone so far as to break out into open rebellion against some of the acts of Premier 1.40 Tolmie and his government.

Now objection is again taken to the policy of the present government which will entail considerable explaining. Judging from reports that come from there, the pre-

sent government is not popular in Vancouver.

The appeal of the city council on behalf of the unemployed reveals a serious situation. The city fathers might turn their attention to the employment of Orientals in the canneries during the coming salmen fishing season on the Skeena River, and find out if white British people are capable of competing with. them. With so many Canadian citizens in distress, it does appear incongruous that Orientals have a preference in developing a valuable natural resource at our own door. The city council could easily get in tough with the different companies operating on the river, and it would be of public interest to know the re-

Boston Nationals Continue Winning Streak-Athletics Lose Again to Washington

BOSTON, April 17:- The Boston Braves made their unexpected list of early season victories over Brooklyn Robins three straight by winning 7 to 4 yesterday. The Dodgers, it seems, just cannot get into stride. St. Louis Cardinals also made it three straight over the Cincinnati Reds but the Chicago Cubs cracked and lost a close 4 to 3 verdict to the Pittsburg Pirates. New York Giants won 14 to 4 over the Phillies in a slugfest.

In the American League, the Philadelphia Athletics dropped another game to the Washington Senators by a narrow margin. New York Yankees made it three straight over Boston Red Sox while Cleveland Indians blanked the Chicago White Sox. Detroit Tigers inflicted the first defeat of the season on St. Louis Browns.

Yesterday's scores: National League St. Louis 6. Cincinnati 3. Boston 7, Brooklyn 4. New York 14. Philadelphia 4. Pittsburg 4, Chicago 3.

American League Cleveland 7, Chicago 0. Washington 5, Philadelphia 4, New York 2, Boston 1. Detroit 6, St. Louis 5.
