CONSCRIPTION

The latest information that comes from Australia is to the effect that the majority of the voters there are definitely against the introduction of compulsion with regard to military service.

Now it cannot be said that the people of Australia wish in any way to drop out of the war. They have signified their intention of staying with it to the bitter end.

Having done there what Sir Wilfrid Laurier proposed to do in Canada, the slanders and vilifications, and misrepresentations which were heaped upon Laurier here for his proposals will find a fitting resting place upon our brethren in Australia for what they have accomplished.

Yet Laurier was "disloyal." Laurier was termed a "traitor." Laurier wanted Canada to "drop

out of the war," according to quite a large number of people who prefer to jump to conclusions, instead of arriving there logically. But is all Australia disloyal? Are all Australians who voted for no conscription "traitors?"

The Australian troops have covered themselves with glory imperishable, in Egypt, in Palestine, and at Gallipoli. Does anyone think for a minute that their boys who have done such great deeds are going to be "deserted" just because conscription has been turned down?

The prophets who knew so much about what would have happened to the Canadian soldiers had the measure not received popular approval will doubtless suffer vicarious anguish for the poor Australian soldiers.

NOTES AND COMMENTS

Germany will not bind herself regarding the "no annexation" clause in the peace terms with Russia, without guarantees from the Allies. Wants a guarantee of her colonies back, evidently. This is where Australia and South Africa will have something to say.

With thirty-eight thousand workmen paid off in the metal plants in Petrograd, which are closing down, the economic situation there will not be much improved. With recruiting stopped, and no other employment in sight, the Bolshevik will have something on their hands when these thousands get hungry.

# SEVEN YEARS TORTURE

Nothing Helped Him Until He Took "FRUIT-A-TIVES"

**ALBERT VARNER**  
Buckingham, Que., May 2nd, 1915.

For seven years, I suffered terribly from Severe Headaches and Indigestion. I had belching gas from the stomach, bitter stuff would come up into my mouth after eating, while at times I had nausea and vomiting, and had chronic Constipation. I went to several doctors and wrote to a specialist in Boston but without benefit. I tried many remedies but nothing did me good. Finally, a friend advised "Fruit-a-tives". I took this grand fruit medicine and it made me well. I am grateful to "Fruit-a-tives", and to everyone who has miserable health with Constipation and Indigestion and Bad Stomach, I say take "Fruit-a-tives", and you will get well."

## THE KAISER'S DREAM

There's a rumor now current, tho' strange it may seem Of the German emperor's wonder-ful dream. Being tired of war, he lay down in bed, And 'mongst other things dreamt that he was dead.

And in a deep coffin, lying in state, With his cold, waxen features frozen with hate; He wasn't long dead when he found to his cost,

That his map of the next world and passport were lost. So leaving this earth to heaven went straight, Jauntily strutting right up to the gate;

But the lookout angel in voice strong and clear, Said, "Begone! Kaiser W., we don't want you here."

"Well," thought Wilhelm, "that's very uncivil, Does he mean I must go straight to the devil?"

So he turned on his heel and off he did go Running full speed to the regions below. But when he got there he was filled with dismay;

For whilst waiting outside he heard Satan say To his imps: "Now, look here, boys I give you all warning, I'm expecting the Kaiser down here this morning.

But don't let him in, for to me it is clear, We're far too good for the monger-fer down here;

If he gets in, there'll be the dickens to pay, For bad as I am, he's much worse any day."

"Oh, Satan, dear friend," the emperor cried, "Excuse me for listening, whilst waiting outside;

If you don't let me in, then where shall I go?" "Indeed," said the devil, "I really don't know."

"Oh, do let me in; I'm feeling quite cold; If money you want, I've plenty of gold.

Just give me a corner, no matter how hot."

"No," said the devil, "most certainly not. We don't let apartments for riches or pelf;

Here's some sulphur and matches, make a hell for yourself." Then he kicked Wilhelm out and vanished in smoke,

And just at that moment the Kaiser awoke. He jumped out of bed in a shivering sweat,

And cried, Gosh! that dream I'll never forget; That I won't go to heaven, I know very well

But it is awful tough luck to be kicked out of hell."

# BE CLEAN INTERNALLY

## Over 500,000 People Are Now Doing So.

For many years physicians have agreed that 95 per cent of human life was caused by accumulated waste in the Lower Intestine; that is our present way of living Nature could not remove all this waste without assistance, no matter how regular we might be; and that the poisons from this waste circulated through the blood pulled us away down below par and were responsible for many diseases of a serious nature.

During this time the "J. B. L. Cascade" for Internal Bathing has, because of their recommendation and those of its users, been steadily growing in favor.

Recently, however, the startling news, which has been covering the country that great surgeons and specialists have been operating on the Lower Intestine in such serious diseases as Tuberculosis, and influenza such conditions of chronic ill-health as Nervous Debility and Rheumatism to this cause, also saying that these poisons are favorable to the development of Cancer and Tuberculosis (as stated in a recent article in The New York Times), has caused people to become thoroughly awake to the importance of keeping this Lower Intestine free from all poisonous waste matter, and over 500,000 are now using Internal Baths.

This enthusiastic and grateful letter is D. J. no means an exceptional one amongst the hundreds on our file:—

703 7th Ave. South, Lethbridge, Alberta. Dr. Tyrrell, Toronto:

Dear Doctor Tyrrell,—After using your "J. B. L. Cascade" for four months, I feel it my duty as a thankful patient to express my enthusiasm for the great blessing it has been to me. You cannot feel my emotions as I write this letter in praise of you in your great work. Words simply fail to express my thankfulness for first learning of your Cascade. Previous to using it I could not go a day without a drug of some sort, and since using it I have not, on my word of honor, swallowed five cents' worth of drugs. I spent over \$300.00 in the two years previous to hearing of the "J. B. L." Would that all the young men and women I see in this town with their faces covered with horrid, unsightly pimples would use it. They would soon get rid of them, as I did. I must stop, or I will be keeping you from your work, but I could fill ten more pages of my past condition of health, also in praise of the "J. B. L." May you enjoy this life to the full.

Sincerely yours, William Devoy.

If you try the "J. B. L. Cascade" you will find yourself always bright, confident and capable—the poisonous waste makes us bilious, blue, dull and nervous. Internal Baths are Nature's own cure for Constipation—just warm water properly applied. Drugs force Nature—the "J. B. L. Cascade" gently assists her.

Call and see it at Cyril H. Orme's Drug Store, Cor. 3rd Avenue and 6th St., Prince Rupert.

Ask for "Why Man of Today Is Only 50 Per Cent Efficient," a booklet of great interest, which is given on request. If you prefer, write at once to Chas. A. Tyrrell, M.D., 163 College Street, Toronto, for this book.

### TOBACCO IS NECESSARY

London, Dec. 27.—Tobacco is a necessity, not a luxury, declared Lord Rhondda, the food controller, in a statement published here. "We must have tobacco," he says. "I believe that its loss would be a national misfortune. It means much both to the manual laborer and to him who works with his brains. Men would eat a great deal more if they did not have tobacco. I hold that the deprivation of it would work great discomfort."

Some system of "rationing" tobacco however is forecast by the newspapers.

## VICTORY LOAN

Payments due on January the 2nd may be made at any time to and including January the 11th. Scrip Certificates will be delivered in exchange for payments then due. Payments due January the 2nd must be made at the Bank branch mentioned in the application.

The extension of time to January the 11th is given for the convenience of subscribers and Banks so that subscribers will not be unduly detained waiting their turn at a Receiving Teller's wicket, as would most likely be the case if all payments had to be made on one day only. Subscribers should not wait until January the 11th, or a day or so before, and thus create the situation sought to be avoided. In every case, interest at the rate of five and one half per cent per annum from January the 2nd must be paid if payment is not made on or before the 11th.

For the convenience of subscribers, by arrangement of the Canadian Bankers' Association, Banks will remain open on the evenings of Thursday and Friday, January 3rd and 4th, and on the afternoon of Saturday, January the 5th. Evening hours 7.30 to 9.30. Saturday afternoon from 2 until 6 o'clock.

It has been brought to the attention of the Finance Department that a considerable number of subscribers, who have deposits with Banks, are under the impression that their Banks will take care of their January payments by automatically debiting their accounts with the necessary payments. This is incorrect. Each and every subscriber must personally arrange for these payments.
