OTTAWA, Feb. 17:—Under authority of the Pacific Halibut Treaty between Canada and the United States, the International Fisheries Commission, which was appointed under the terms of the treaty, today issued new and important regulations affecting the industry. The new regulations will go into effect this year and are as follows:

PRESBYTERY IN SESSION

United Church Clergy and Lay Delegates Holding Spring Meeting

With missionary officials of the church from outside as well as clergy and lay delegates from various parts of the district in attendance, the annual spring meeting of the Prince Rupert Presbytery of the United Church of Canada convened this afternoon in First United Church here with Rev. W. H. Gibson of Bella Bella, chairman of the Presbytery, presiding. General business to come before the Presbytery will include reviewing of the work of the past year, consideration of plans for the future, fixing of missionary grants and receiving of committee reports. Meetings will probably continue through until Friday morning. During the course of the sessions, members of the Presbytery will be addressed, among others, by Rev. Dr. J. Wesley Bready Ph. D., M.A., B.D., of Toronto, who is a visitor to the city.

Those in attendance at the Presbytery sessions include Rev. Dr. G. A. Wilson of Vancouver, superintendent of missions for British Columbia; Rev. Arthur Barner of Toronto, superintendent of Indian missions for Canada; Rev. W. H. Gibson of Bella Bella; Rev. R. C. Scott of the Marine Mission; Rev. Peter Kelly and Dr. MacLean of Bella Bella; Rev. Mr. Fair of Ocean Falls; Rev. Frank Bushfield of Anyox; Rev. Evan Baker of Stewart; Rev. Victor Sansum of Port Simpson; Rev. W. H. Pierce of Port Essington; Rev. H. T. Allen and C. T. Finter of Terrace; John Newick of Hazelton, and Rev. Alfred Wilson of Prince Rupert.

PASSING OF JOURNALIST

Bernard McEvoy is Dead in Vancouver at Age of Ninety

VANCOUVER, Feb. 17:—Known as "the oldest working journalist in the British Empire, Bernard McEvoy, for years a member of the staff of the Vancouver Province writing under the pen name of Dogenes, died yesterday after a week's illness with bronchitis. He was 90 years of age, having celebrated his birthday only a few days ago. His column "Street Corners" in the Sunday Province had been for years a popular feature of the paper.

The bagpipe was in common use among the ancient Egyptians.

SPEAKER IS IMPRESSIVE

Gyro Club Heads Inspiring Address By Dr. J. Wesley Bready of Toronto

Two Reformers

Dr. Barnardo and Lord Shaftsbury Form Subject of Visitor's Discourse

Sketching the lives and works of the two great British social reformers of the Nineteenth Century—Dr. Barnardo, "the children's champion," and Lord Shaftsbury, "the friend of the common people"—Dr. J. Wesley Bready of Toronto, who is visiting Prince Rupert in the course of a lecture tour of Canada under the auspices of the Association of Canadian Clubs, yesterday gave members of the Prince Rupert Gyro Club and several guests one of the most inspiring luncheon addresses which has been heard in Prince Rupert in many a day. Dr. Bready, who is a very fluent and impressive speaker, illuminated his address in such a way as to make it keenly interesting. His hearers learned much of interest regarding the careers of the two great British reformers on both of whose lives Dr. Bready has written authoritative books following years of research in England.

More than two percent of the British stock resident in Canada today, Dr. Bready declared, consisted of Barnardo children or their descendants. The speaker told how these once homeless, destitute and forlorn children had been taken into the "Barnardo homes" and later placed in Canadian farm homes with board of \$2.50 per week paid by British benevolence to attend Canadian schools, play as Canadian children, work as young Canadians and later take their place in the life of the Dominion not as English people but as real Canadians. Dr. Bready told in some detail of how the children were cared for after reaching this country and of the inspection system which prevented their exploitation or being brought up in anything but the right way. From among these "Barnardo children" had sprung leaders in public life as well as in all professional and business spheres of Canada. Less than two percent of them had proved failures and the speaker (Continued on page six.)

VICTORIA SESSION IS OPENED TODAY

VICTORIA, Feb. 17:—The fourth session of the seven-teenth legislature of British Columbia opened today with the customary ceremonial after which the Speech from the Throne was presented by Hon. J. W. BIG VOTE DESIRABLE

Supporters of Provincial Police Take Steps to Get People to Plebiscite Poll Tomorrow

Supporters of a continuation of the provincial police system in Prince Rupert as against reversion to city policing held a meeting last night and took action with a view to getting out as large and representative vote as possible at the plebiscite to be held tomorrow. Quite a large number of citizens was in attendance at the meeting.

It was decided to open a committee room on Third Avenue in the vacant store just west of McCaffery & Collart's office. A telephone will be installed. Six private cars have been donated by the owners for the carrying of cars will be available throughout the day.

Bishop Bunoz is Speaker at New Church Opening

Rt. Rev. Emil M. Bunoz D. D., Bishop of Northern British Columbia and the Yukon, was the preacher a few days ago in Vancouver when the fine new St. Augustine Roman Catholic Church at Seventh and Maple Street in the southern city was dedicated by Most Rev. W. M. Duke D. D., Archbishop of Vancouver.

The new church when completed will have cost in the neighborhood of \$125,000 and is one of the largest and most handsome in Vancouver.

United Church Organization Addressed Last Night By Rev. Arthur Barner

The Women's Missionary Society of First United Church, meeting last evening at the home of Mrs. J. J. Payne, was addressed by Rev. Arthur Barner, superintendent of Indian Missions of Canada for the United Church, who gave a very interesting talk on work among the natives and revealed some enlightening facts regarding the character, etc. of these people.

Rev. H. T. Allen and C. T. Finter of Terrace were also present at the meeting which was well attended by members. A vocal solo was rendered by Mrs. P. C. Miller. Delicious refreshments were served by the hostess.

KITZEGUCLA MAN PASSES

Late Jonah Russell Well Known Both on Naas and Skeena Rivers

SKEENA CROSSING, Feb. 17:—Jonah Russell died at Kitzegucla on February 9. He was well known both on the Naas River and Skeena River.

Born at Gittkladams in 1894, the late Mr. Russell spent the early part of his life at Alyansh and later at Kincolith. In 1925 he came to Kitzegucla.

Many friends from Kitwanga, Kitwanoon and Hazelton came for the funeral which was held on Saturday afternoon last.

The Kitwanga Totem Pole Brass Band took part at the funeral.

THOSE WHO MAY VOTE

There seems to be confusion in the minds of many as to who may vote at the election tomorrow. The requirements were stated in the advertisement that was published by the city. Any person eligible to vote for mayor and aldermen may also vote on this plebiscite. This includes any registered property owners in the city, and also any household or licenseholder who pays a tax and who has registered at the proper time as a voter. The list of voters may be seen at the city hall and only those on the list may vote.

A FINAL WORD

This will be the last opportunity to state the case for or against a change of policing. By the time the newspapers are read tomorrow, most of the people will have voted. All we wish to say now is that all those in favor of the change will be out to vote. Not one will be missed. On the other side there is great laxity of interest. They are the people who are not affected by police except when their sons or their daughters get into trouble.

No police system is perfect and nobody claims that the provincial police system has been an unqualified success. All that can be said is that it is better than the other. It is far ahead of the system which obtained years ago and we strongly urge local people not to take a backward step by reversion to former conditions.

Social Value Of Insurance

Wonderfully Helpful Service Carried on By Big Companies

The social significance of life insurance has possibly received insufficient attention in recent years while some of its other features have received unusual emphasis. If this tendency has been in greater evidence in periods of special prosperity, it is, perhaps, natural that the trying conditions of the past two years should cause people to realize the old primary values on which life insurance is based. During a time when all forms of business suffered severely and many succumbed, life insurance has withstood every strain, and has justified every claim. Not a single company on this continent has failed to meet every demand, even though these demands were unusually heavy. Within a decade and a half, life insurance has successfully survived the tests of a world war, of pestilence, and of unexampled depression.

Its steady, unobtrusive, but wonderfully helpful service to its policyholders is strikingly phrased in a reference by President T. B. Maccauley at the annual meeting of the Sun Life Assurance Company of Canada held recently. He pointed out that the Sun Life Company last year paid out \$93,000,000 to policyholders and beneficiaries, and that since organization it has paid out nearly \$800,000,000. In the ordinary course of business, there will be paid out to policyholders and beneficiaries during the present generation the whole three billion dollars of assurance now embraced in the huge Sun Life business in force.

The stabilizing and constructive factor of the Sun Life and other companies in modern economic life is but lightly appreciated.

The Letter Box

CORRECTION OF RETAIL MERCHANTS' ASSOCIATION LETTER

Editor, Daily News:—

Their statement that it cost the city for its police force for 1925:

Cost \$16,504.24
They neglected to allow for fines for that year 8,280.00

\$ 8,224.24
They proceed to compare their figures with the cost of

1930 \$14,229.50
Neglecting to add 3,279.27 (which the city lost from fines)

\$17,508.77
City received from fines 6,558.54

\$10,950.23

I have taken their figures and those of the city treasurer for this correction. The amount of fines collected, namely \$9837.81, in these hard times should be almost sufficient to take care of the situation. While I do not like the principle, still the fact remains. The government takes one third of all fines paid. The city has the honor and expense of upkeep of all those who don't pay. If we don't change forces let us make a new contract.

As for an expenditure of \$3600 to equip a city force, that is just "bunk." The city has all the equipment belonging to the old force. We never had a car and can do well without it. A little more exercise would not hurt our present force. If some of them continue to develop in that part of their anatomy which they use most, the ordinary car would not accommodate them. I assure the Retailers' Association or Joe and Bert that whichever instrument the voters choose to enforce the law in Prince Rupert, it shall be applied vigorously by the Police Commissioners for 1932.
W. H. MONTGOMERY.

UPROAR IS COMPLIMENT

Editor, Daily News:—

I have read, with interest, letters in your paper regarding the present move by a certain element to get rid of our provincial police force in the city. I think the present uproar from this element is a compliment to the provincial police in the manner they have policed our town.

I am a woman who has lived over twenty years here and am in a position to competently judge of the difference in the state of affairs as

existed up to the time the provincial police took over and the deplorable conditions before that time.

This democracy cry leaves me cold. Has it helped the lawlessness in the country to the south of us, which is envious of our efficient law administration? Let us keep our city law-abiding and pay no attention to the element which only wishes to change to a police force which can be corrupted.

It would be interesting to know who are the leaders in this effort to oust the police force, and how

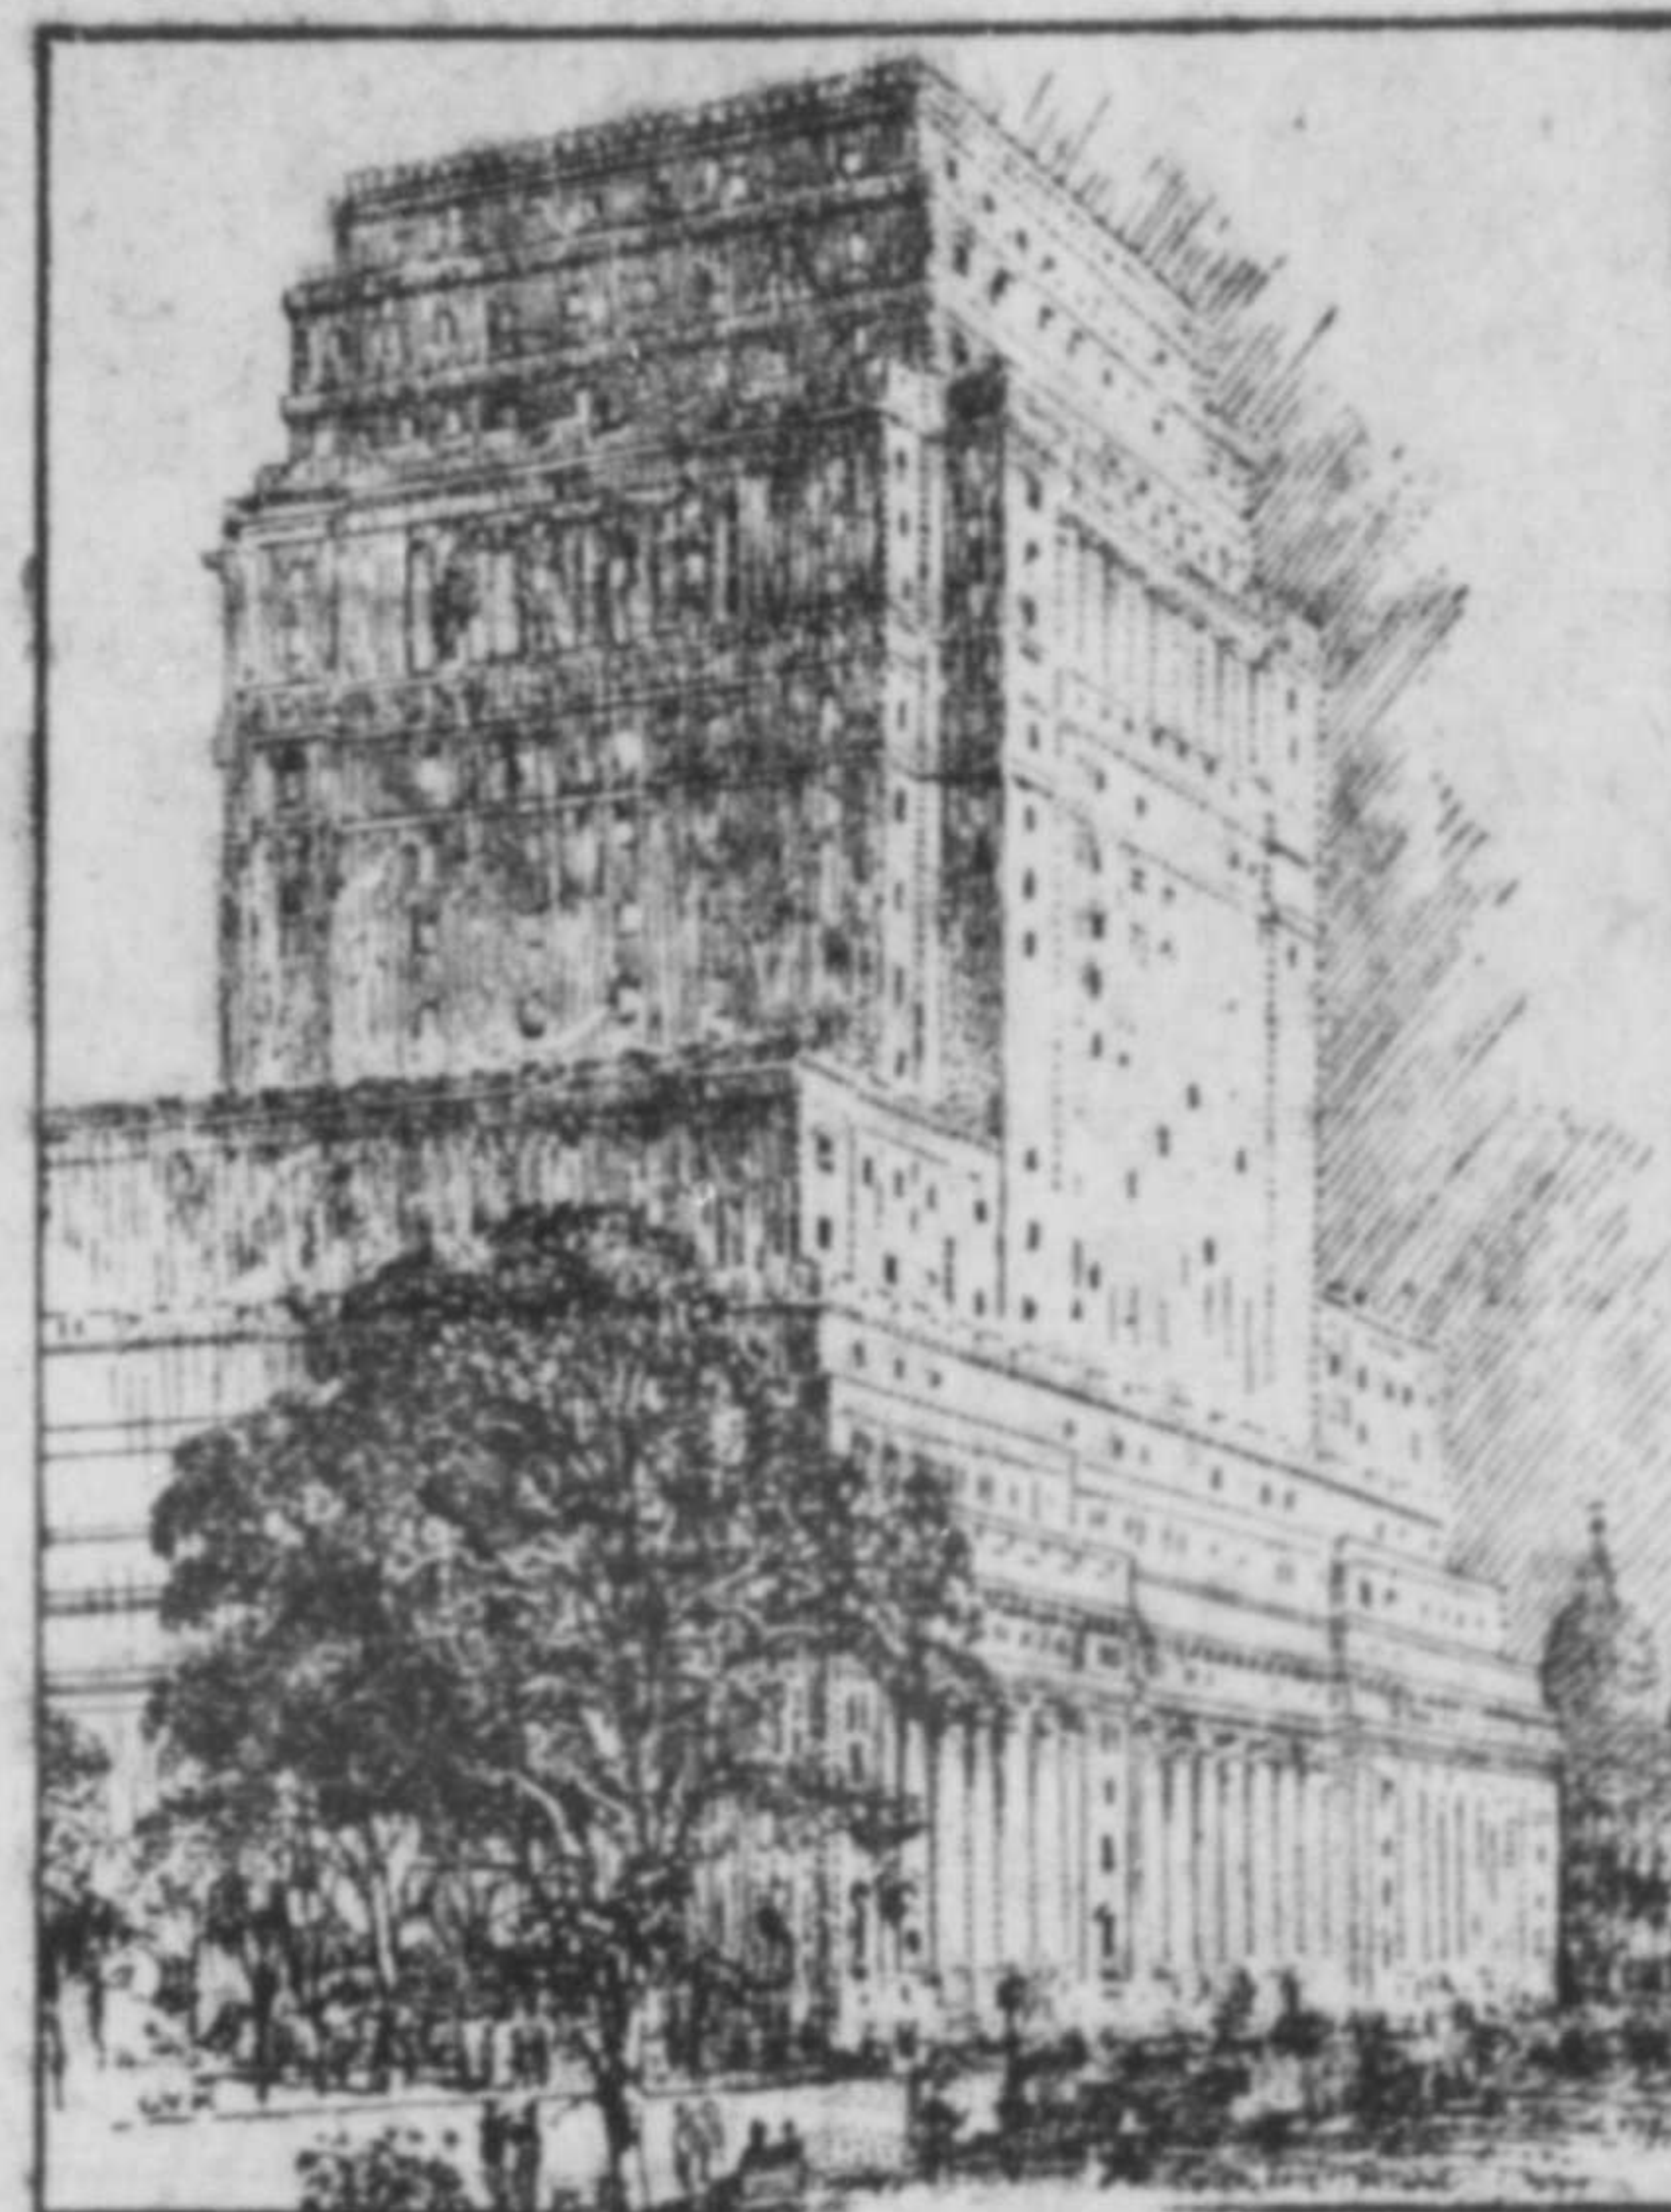

many police court convictions there are recorded against them.

You mothers and fathers who have sons and daughters growing up in Prince Rupert get out and vote in favor of retaining our present very efficient policing system, and give them the protection it ensures.

Prince Rupert has an unhappy faculty of always voting on the wrong side for its own best interests, so please vote right in this matter as it is vital to all law-abiding citizens.

Thanking you,
MRS. PRINCE RUPERT.

THE YEAR'S BUSINESS REVIEWED

"... I think you will agree with me that for a year such as that through which we have just passed the showing is a remarkably fine one.

New assurances of over \$527,000,000, and a total in force exceeding \$3,000,000,000, are figures so great as to need no emphasis.

The distribution of our new business is interesting. Canada contributed \$101,000,000, United States \$291,000,000, Great Britain \$50,000,000 and the rest of the world \$85,000,000.

"Our mortality experience has been even more favorable than that of last year, the claims being but 54.3 per cent. of the expected, against 57.6 per cent. in 1930.

"Since business was commenced in 1871 we have paid out in benefits \$594,000,000. Last year alone our payments were \$93,000,000, an amount exceeding the total assurances written in 1922. We may well rejoice over the magnitude and importance of the social service which the Company is performing.

"During the past year life assurance has been tested as perhaps never before, and it has withstood the trial triumphantly. So far as I am aware not one life company on the continent has had to close its doors, a wonderful record. In Canada we can claim with pride that even since Confederation not one Dominion licensed company has ever failed.

"It will be noticed that in addition to the surplus of \$16,000,000 over all liabilities and capital stock, we have a contingency reserve of \$4,700,000 to provide for possible shrinkage in mortgages and other real estate

investments. Our reserves have been calculated on the same strong basis as last year. Although our investments payable in American currency greatly exceed our liabilities in that currency, we have treated both as on a par, taking no credit for the premium on American funds. Our liabilities under contracts in other currencies also are included at a total greater than required at the prevailing rates of exchange.

"Our holdings of stocks have been valued on the basis laid down by the Dominion Department of Insurance, which is practically the same as that adopted for all companies by the National Convention of Insurance Commissioners of the United States.

"In new investments we have favoured high grade bonds, the yield on which is now very attractive. Our purchases of Canadian Government bonds during the year amounted to \$23,000,000.

"The profits paid or allotted to policyholders amounted to over \$26,000,000, or over 20 per cent. of the total annual premium income.

"In the light of these figures, the report is indeed an excellent one.

"And what of the future? No one believes that the depression will last for ever. It is impossible to say just when the turn will come, but with the vast natural resources of this continent, and the brains, energy, and actual wealth of its people, business recovery is inevitable. When prosperity does return no company will share in its benefits in greater measure than our own."

These Mothers Speak from the Heart

When they tell of the strain—the anxiety—of having a sick, helpless child

MANY hundreds of sincere letters have come to us from mothers writing to tell—with thankful hearts—of how Baby's Own Tablets are making and keeping their children well. Read what some of them say:

Mrs. Robert Greenhorn, Phillipsville, Ont., says: "I am the mother of seven children and when I see any one of them with a cold coming on it is Baby's Own Tablets I flee to. Also, when I could not sleep at night with Baby's cries from colic it was Baby's Own Tablets that cleared the little system of that offending substance and gave sweet sleep and rest."

Mrs. Archie Begbie, Concession, Ont., says: "We have not lost a night's rest through teething, as I always use my old standby, Baby's Own Tablets. They are worth their weight in gold."

Mrs. Frederick Morin, Lakefield, Ont., says: "When my baby was four months old he was terribly ill, and weighed just four pounds. We tried several kinds of food, but he still vomited, and was terribly constipated. Our doctor advised me to try Baby's Own Tablets, and when I began giving them the vomiting ceased. Baby could sleep longer and the bowels were more regular. He is now a fine sturdy boy."

Mrs. Frank A. Tallen, Harrowsmith, Ont., says: "It was next to marvellous, after giving Baby's Own Tablets, how quickly the fever was diminished and

the child was back to normal."

Mrs. Ben Slavenwhite, Armadale, N.S., says: "My baby had stomach trouble, and I was nearly frantic until the morning when I gave him some Baby's Own Tablets. They made her quite well."

A minister's wife in Brantford, Ont., Mrs. (Rev.) M. E. Conron, says: "Our first baby was cross and feverish and would not take his food. We lost so much rest at night I was completely played out. But one day while my husband, who is a minister, was calling, a lady advised him to buy a box of Baby's Own Tablets. We certainly found they worked wonders. In 24 hours we had a different baby. Baby's Own Tablets are effective for teething troubles, colds, simple fever, colic, upset stomach, sleeplessness, and whenever a child is cross, restless and fretful. Children take the tablets like candy. 25 cents package. More than 1,250,000 packages sold in 1931.

BASKETBALL GAMES FAST

Intermediates Put Up Feature Game—High School Defeat Merchants

A fast brand of basketball was played in the Auditorium last night. The Intermediates put up the game of the evening, the High School playing hard to defeat the Merchants with a low score of 14-9. The Senior game was a fast one in which the Panthers again stepped up and defeated the Sons of Canada 42-28. The ladies' game was probably the best the girls have put up this season. In a hard fought match the Amazons defeated the Cardinals 14-12.

In the Junior contest the Rovers beat the Scouts 16-12.

Intermediate Game

This game started with close checking on both sides which was prominent throughout the game. The game was a little rough but mainly due to the fastness of play. The first half ended with the close and small score of 8-6. The second half started as the first with both teams striving to obtain a safe lead but never being able to get it until a few minutes the Merchants got a little rough and High School made four points on personal fouls which, in a close checking game like this, were enough to assure team victory.

High School—Walters (5), Wingman (6), Vance (2), Unger (1), Torrey, Hickey.

Merchants—Comadina, Pierce, Dinswell (3), Hunt (1), McRae.

Ladies' Game

A good exhibition of basketball was displayed by the girls last night. There was not so much fumbling with the ball and their combination was good. It was really anybody's game all the way through and, if the girls play this kind of ball the rest of the season, there will be a perfect league. However in last night's game the Amazons checked hard to hold their slight two-point lead. The Cardinals were a little off in their shooting.

Amazons—Boddie (9), Pritchard, Morgan, Ritchie (2), Tite (3), Jack, Cardinals—Lowe (3), Irvine (7), Krikevsky (2), Stone, Steen, Rivett, McLeod.

Junior League

The Rovers are playing good ball now and took the flashy Scout team last night. These boys were trailers before but now look to be promising contestants for first place.

Rovers—McKinley (8), McMeekin, McRae, Davies (4), Willscroft (4).

Scouts—Wilson (8), Miller, Santurbane (2), Smith, Vierech (2), Nelson, Naylor.

NO BILLIARDS PLAYED

Two games remaining in the League of Nations—Hawks Junior Billiard League fixture of Monday night were further postponed from last night to this evening.

ANNOUNCEMENT

Jasper Wildfire Coal is now the hottest in the domestic field. Government analysis shows it to be the highest in B.T.U.'s and less ash. It starts quick and lasts longer. Furthermore, for your benefit don't think for one minute because our coal is lower in price that we are giving you a cheaper grade as other coal dealers may state to you.

Your next order "Jasper Wildfire," egg or lump. Note our adv. for cash prices and save your dollars. (tf) Hyde Transfer—Phone 580

"I'm going, anyway"

THE modern Miss needs no "time out" for the time of month.

If you've ever taken Aspirin for a headache, you know how soon the pain subsides. It is just as effective in the relief of those pains peculiar to women!

Don't dedicate certain days of every month to suffering. It's old-fashioned. It's unnecessary. Aspirin will always enable you to carry-on in comfort. Take enough to assure your complete comfort. If it is genuine Aspirin it cannot possibly hurt you. Aspirin tablets do not depress the heart. They do not upset the stomach. They do nothing but stop the pain.

Headaches come at inconvenient times. So do colds. But a little Aspirin will always save the day. A throat so sore that you can hardly swallow is made comfortable with one good gargle made from these tablets. Neuralgia. Neuritis. Rheumatism. Pains that once kept

people home are forgotten half an hour after taking a few of these remarkable tablets. So are the little nagging aches that bring fatigue and "nerves" by day, or a sleepless night.

Genuine Aspirin tablets cost so very little after all, that it doesn't pay to experiment with imitations!

Bring Back Prosperity By Eating More Fish

PRINCE RUPERT PEOPLE URGED TO SUPPORT THE BIGGEST INDUSTRY THE CITY HAS BY KEEPING EVERY FRIDAY A FISH DAY AND USING THE LOCAL PRODUCT OFTEN

Prince Rupert's biggest industry is fishing. A large section of the local people are engaged directly in the industry and all others depend on the success of the fishing to keep their businesses going or to provide their salaries. For that reason it is desirable that as much fish as possible be consumed locally.

Who can help in this? Nearly every person can do something.

FISH BUYERS AND WHOLESALE DEALERS can help by making fish easily accessible to local merchants at the lowest possible price consistent with the price paid to the fishermen.

LOCAL STORE KEEPERS can help by displaying fish in their windows periodically—at least once a week—and including fish in their advertising.

HOTELS AND RESTAURANTS can help by keeping local fish well to the fore in their daily menus.

ALL HOUSEHOLDERS can help by providing a fish meal as often as possible, at least twice a week and by insuring that it be cooked and served in the most appetizing manner possible.

CITIZENS WHO ARE NOT HOUSEHOLDERS can do their part by asking for fish whenever possible and making suggestions as to methods of cooking and serving.

If Prince people lead the way, others will follow. Every pound of fish consumed locally is a help to the fishing fleet on which the city depends.

Fish produced and marketed at Prince Rupert includes Halibut, Salmon, Cod, various varieties of Flat Fish, Crabs, Shrimps, Oolachan, Herring and Kippers.

HOCKEY AT HAZELTON

Old Town Defeated New Town By 3 to 2 Score

HAZELTON, Feb. 17.—The New Hazelton hockey team visited the old town once more last Saturday night, the Hazelton Indian team defeating New Hazelton by a 3 to 2 score.

The first half was a rough one. Some of the boys forgot that they were in a skating rink and it looked like a boxing and wrestling ring in a few moments.

The second half was not so rough as the first.

Arthur Mowatt scored two and Billy scored 1 of the Hazelton Indian team's goals.

J. Cox, formerly of Hazelton, scored one for New Hazelton. Neal Sherrett, an Indian of Hazelton also scored one for New Hazelton.

SPORT CHAT

The city of Winnipeg is "strong" on good women swimmers. Increased membership, new records established, assistance of the city in the form of a beautiful new tank, and many other signs bespeaking a healthy condition, place Winnipeg swimming clubs in an almost unique position. This comforting situation was only brought about through hard work, ability and sacrifice of private time by club officials over a period of several years. The two leading women's clubs in Winnipeg, the Women's Amateur and the Victoria Ladies, are, and always have been, blessed with efficient officers, enthusiasts who have given unstintingly in various ways and who have preferred to work behind the scenes.

BASKETBALL AT TERRACE

High School Drops First Game of Season to Native Sons

TERRACE, Feb. 17.—The High School lost their first game in the league this season when they bowed to the Native Sons by a score of 16 to 24. The game was the fastest that has been seen here for some time, both teams showing plenty of speed. The play was evenly divided but the High School fell down badly in their shooting while the Native Sons made the best of most of their shots.

Johnstone and Olsen were the outstanding players for the High School while Michiel and Kerr played well for the Native Sons.

The teams were:
High School—S. McLeod (4), Johnstone (6), Olsen (6), Kerr, Green—16.

Native Sons—Burnett (3), Smith (6), Kerr (7), Michiel (8), Graham—24.

In an exhibition game the Town took Vanarsdol into camp by a score of 29 to 23. It was only by a last minute rally that the Town was able to win this game, the score being 15 to 10 for Vanarsdol at half time.

Feak and Burton were outstanding for Vanarsdol, while both of the Vanarsdol guards couldn't keep Thomas from scoring almost at will for the Town.

The teams were:
Vanarsdol—Mason (2), Feak (11), Burton (10), Nelson, Campbell—23.
Town—W. McLeod (2), Nelson (8), Thomas (16), Kenney (3), France—29.

In the ladies game the Dubs easily defeated the Dumbells by a score of 23 to 10. The Dubs owe their victory largely to Margaret Glass who scored 13 points.

LOOK HERE for DAY to DAY RECORD of GOALS SCORED in NATIONAL HOCKEY LEAGUE . . .

On the sporting page of your daily paper you will find the section illustrated at the right. That column of figures marked "F" is the one which indicates the total of goals scored by each team to date. And, the figures in that same column after the final game on March 22nd will decide whether you will win one of those big capital prizes.

Last year's figures for column "F" appear in the entry blank below—your job is to estimate what they'll be this year.

Each day's goals change the probable results—so send an entry every day . . . you won't want to miss your share of that \$15,000 Prize Money.

SMOKER IS ENJOYABLE

Successful Affair Staged Last Night
By Knights of Columbus.

Last night Prince Rupert Council, Knights of Columbus, held a very enjoyable and entertaining smoker in their quarters in the Catholic School Hall. The excellent program offered was of much variety, there being songs and plenty of music with boxing bouts interspersed. Refreshments were served. The variety of musical talent displayed was the subject of much favorable comment. New talent in the fistic art was shown and all the bouts were fast and furious with plenty of gloves thrown, showing that the boys knew their stuff. All bouts were declared a draw by Referee Doug Frizzell, R. E. Moore being timekeeper.

The main event of the evening was the bout between "One Lung Louie" from Shanghai and "Smoky" Jackson from Alabama. After three furious rounds it was declared a draw by Referee Bert Morgan who was especially engaged for this event. There was also a barrel boxing contest between Doug Frizzell and Dumase Parents which also ended in a draw.

The program was as follows:

"O Canada."
Opening selection, Rainbow Orchestra.
Song, Gillis Couture.
Boxing bout, Shane Murray vs. J. Dominato.
Accordion solo, Mike Colussi.
Boxing bout, J. Murray vs. Marshall Johnson.
Violin solo, A. Olinny.
Hawaiian guitar duet, Bill Howes and Harry Smith.
Boxing bout, Tommy Byrne vs. Red Gillis.
Selection, Venetian Orchestra.
Boxing bout, J. Comadina vs. Ham Antonello.
Instrumental duet, Joe Arseneau and Johnny Saunders.
Boxing bout, One Lung Louie vs. Smoky Jackson.
Trio, Joe Arseneau, Harry Astoria and G. Couture.
Orchestra selection, Rainbow Orchestra.
Barrell boxing, Doug Frizzell vs. Dumase Parents.
Hawaiian guitar, Bill Howes and Harry Smith.
Instrumental duet, Joey Arseneau and Bert Cameron.
Orchestra selection, Venetian Orchestra.
Remarks, Geo. C. Arseneau.
God Save the King.

SPEAKER IS IMPRESSIVE

(Continued from Page 1)

challenged the record of any other group of immigrants to compare with this.

Decries Ban

Dr. Bready criticized the ban which, largely on account of misrepresentation, had been placed on immigration by "Barnardo" children by the government of Canada. In view of their record of the past, and the amazing part "Barnardo children" had played in the life of Canada, the speaker asked if it was not reasonable that the ban should be lifted at least so far as the children of under 14 years of age were concerned.

When Canada returned to normal, the speaker declared, her greatest need would be immigration. One of the troubles of the country was its enormous overhead for so few people. The Dominion, with its population of ten million people, was larger in area than the United States with 110,000,000 and its railway systems could well serve eight times the present population.

Disease of World

The disease of unemployment with which the world was suffering today was merely a symptom of a much more serious disease—that of mad industrial competition which caused the nations, for sheer selfish and the most short-sighted of reasons, to erect huge tariff barriers in the world to shut out the rest of the world. How could world trade be expected on a one-way street? The fact of the matter was that high trade barriers would solve no problem. The situation was becoming such today where men were compelled to think and think furiously.

The speaker then went on to briefly review the life of Dr. Barnardo. He had been born in Ireland with the blood of seven nationalities in his veins. During his youth there had been a great spiritual uprising in Ireland. Going to London with a view to becoming interested in missionary work in China, he had, instead, become interested in the misery of homeless, destitute, ragged and half-starved urchins of the great metropolis. There he opened missions and eventually established his famous homes which were in time to take care of 112,000 once destitute children, helping in the feeding and clothing of half a million more.

As the most creative pioneer in social affairs and migration, Dr. Bready held that Canada, too, owed a great debt to Dr. Barnardo.

Lord Shaftsbury

Dr. Bready then turned to the romantic story of the life and career of Lord Shaftsbury whom he described as the master figure in social reform for the English speaking people. Born and reared in an atmosphere of historic aristocracy with parents who were little interested in their children, Lord Shaftsbury had found inspiration during tender years in his old nursemaid. At an early age he had become interested in social work and had resolved that the uplift of the common people would be his life work. It was a resolve which had been most heroically fulfilled.

Emancipation of women and children from virtual slavery in the industries of England, the establishment of the Saturday half holiday for all workers, the 10-hour day and guaranteed leisure had been among the things that Lord Shaftsbury had succeeded in bringing about in the face of the greatest of opposition. With Christian rather than economic arguments he had become the immortal reformer in British history and the great emancipator of England. Scores of reforms designed for the humanization of the lives of the common people had been due to his efforts. Through his efforts an end had been put to "horrible barbarism" in industry. He had been the master figure in British social reform and one of the noblest of the Parliamentary statesmen of the Nineteenth Century.

Speaker is Thanked

William Cruickshank, president of the Gyo Club, was in the chair. He fittingly acknowledged Dr. Bready's splendid address. The luncheon included fine vocal solos by Dr. R. Geddes. Large, accompanied by C. P. Balagno.

Reference was made to the fact that it was the birthday of M. M. McLachlan, one of the charter members of the club. The luncheon raffle was won by G. A. Hunter.

Guests, in addition to Dr. Bready and Dr. Large, included Rev. T. H. Allen of Terrace, Rev. W. H. Pierce of Port Essington, Rev. Frank Bushfield, Anyox; C. T. Finter, Terrace; Ald. S. D. Macdonald, Roger Wright, Lyman Hinton and Dr. C. H. Han-kinson.

SMITHERS

The Smithers Parent-Teachers Association has elected officers for the ensuing year as follows: president, Mrs. J. H. Rife; vice-president, Mrs. P. Davidson; secretary-treasurer, Miss R. Wilson. The year 1931 was an active one for the association and it is expected 1932 will be likewise.

A by-election will be held here to decide which of the two candidates—Charles Morris and L. B. Warner, who tied in the annual election recently—will occupy the third seat on the board of village commissioners here. Mr. Barker will be returning officer and Mr. Windt, poll clerk.

The following have been appointed commissioners for the local Boy Scouts' Association: Rev. David Donaldson, chairman; Rev. L. J. Hales, secretary treasurer, V. Crockett and J. E. Kirby.

More than one thousand spectators witnessed the first annual ski tournament which took place in Smithers the latter part of last week. There was keen competition in all events.

BURNS LAKE

Members of the Omineca Ski Club returned home at the first of last week from Prince George where they gave a good account of themselves at the British Columbia championship ski meet. Pete Sandnes was the winner of one of the major events while Danny Trousdell came second in another.

The Island Ski Club here is being operated exclusively by children by whom it was organized. Edison Fletcher is president and Albert Gerow is captain while the secretary-treasurer is Miss Myrtle Gerow.

PRINCE GEORGE

Mrs. Edna Christofferson, Portland sportswoman, arrived here last Wednesday in a plane piloted by W. R. Graham, Alaska aviator. They were on their way north to conduct an aerial search for the fur laden Hudson Bay trading steamer Baychimo. They left here for Hazelton.

The Old Timers' Association held its sixth annual banquet last Monday evening in the Prince George Hotel, the spacious hotel dining room being taxed to capacity. After the dinner had been enjoyed an address was given by R. A. Pooley, president of the association. A musical program and dancing followed. Mr. and Mrs. T. Waldorf were prize-winners in a waltz contest.

The local Women's Liberal Association last Tuesday instituted what is planned to be a series of telephone bridges, play taking place in the homes of Mrs. A. B. Taft, Mrs. A. McMillan, Mrs. J. D. Gillis, Mrs. P. D. Carr, Mrs. E. Thompson, Mrs. Carl Ewert, Mrs. G. S. Wood, Mrs. A. Holmwood and Mrs. H. G. Perry. Prize winners were Mrs. C. C. Wright, E. Hesse, Mrs. E. McEachern and A. McMillan.
