BABY IS CAPTIVE
Frantic Search Being Made For Son of Col. and Mrs. Charles Lindbergh
\$50,000 Ransom
Murder Threatened If Details of Note Are Disclosed
BOSTON, March 3:—Colonel Charles A. Lindbergh's infant son was reported in a letter mailed by a woman in Boston today to be held captive in a small New Jersey town.

HOPEWELL, N.J., March 3:—Despite frantic nation-wide search by the authorities, friends and others, there was no further trace up to last night of Charles Augustus, the 19-month old son of Col. and Mrs. Charles A. Lindbergh, who was kidnapped on Tuesday night. Nor had any further message been received from the kidnapers.
Col. Lindbergh was anxiously awaiting a message last night from the kidnapers as to when and where he should place ransom of \$50,000 which was demanded in a note left near the crib from which the baby was removed. Col. Lindbergh refused to disclose details of the note for fear of a threat that the baby would be killed if he did.
The fact that the child's fox-terrier dog was not heard to bark indicated that it was an inside job.
Needless to say neither Col. or Mrs. Lindbergh have slept since their baby was taken. The former was confident that the child would be safely back home again by today. Mrs. Lindbergh, who is expecting another baby in May, has been bearing up well under the intense strain.
The fact that the child was suffering from a cold and was on special diet was broadcast over all radio stations in the hope that the kidnapers might hear it.

Mysterious Message
A mysterious, although somewhat reassuring message was received by the Philadelphia police yesterday stating that the child was in the care of a trained nurse and there was no cause for alarm as to his safety so long as the ransom terms were complied with.
Prominent flying friends of Col. Lindbergh, including Rear Admiral Richard Byrd, Bernt Balchen, Clarence Chamberlain, Wiley Post and Clyde Pangborn, were preparing to institute an aerial search with a view to assisting in locating the hide-out of the kidnapers.
Many radio stations in United States remained of the air all night to lend possible assistance to the search.
Col. and Mrs. Lindbergh received a message of sympathy yesterday from Mayor Foo of Shanghai. This was only one among hundreds of similar messages sent by friends and admirers of the famous couple. Never before has the country been so stirred by a kidnapping.

Acres of Destruction Greet Japanese While Advancing in China
Defenders Make Orderly Retreat Firing Buildings as They Go—Foreigners Sigh Relief as International Settlement Unhurt
ARE CEASING HOSTILITIES
SHANGHAI, March 3:—The Chinese government at Nanking notified the League of Nations assembly Friday that the Nineteenth Route Army had been instructed to cease hostilities in the Shanghai area unless it was attacked.
This move came shortly after the Japanese military and naval commands announced that their forces would discontinue fighting unless the Chinese launched an attack.
SHANGHAI, March 3:—All Chinese troops continued in full retreat from the Kiangwan-Chapei front today. The retreat was being made on instructions from the seat of the Nationalist government at Nanking, it was revealed. It was understood that the Chinese would withdraw to well beyond the twelve and a half miles demanded by the Japanese.
The retreat was conducted in an orderly manner although the Chinese fired many buildings as they went. Acres of demolished structures greeted the advancing Japanese.
The international settlement was not endangered and foreigners there breathed sighs of relief for the first time since the siege began.
The retreat by the Chinese was attended by something in the nature of a halo of glory because of the valorous manner in which they had stubbornly held out since January 29 in the face of a vastly superior military force of the Japanese.
The Japanese claimed to have taken Woosung forts last night.

**QUESTION FOR CHAMBER**

One matter likely to come before the Chamber of Commerce at its meeting Friday night is that of pulpwood export. At a previous meeting the chamber went on record as being in favor of a move to secure from the government at Victoria the right to ship cordwood for pulp purposes from lands leased from the Crown in Northern British Columbia.

It is argued that the wood is going to waste and cannot be used for any other purpose, that it would help the local unemployed situation, would be an advantage to the small ranchers who wish to clear up their land and as an emergency measure could do no possible harm. As it would be only for a limited period and would be carried on under restrictions it could not injure any present or prospective pulp business.

Opposing this pulpwood export are the backers of the pulp mill organization that is trying to finance a local mill and who claim that if the right to ship pulpwood to United States is granted it will interfere with the financing of the proposed local concern.

The northern members of the Legislature had been asked to support the export measure before the opposition to it developed and they seem to have done so, judging from press reports.

Supporters of the export movement have been asked to withhold action for a month, but by the end of the month the Legislature will have finished its work presumably, and no action will then be possible for another year.

There is pretty sure to be a discussion on the question at Friday night's meeting of the Chamber of Commerce.

**SENATOR CLEARED**

**Alexander Allison Does Not Remember Who Told Him to Say Boat Was Torpedoed**

NEW YORK, March 3.—Alexander Allison testified at the Canadian Royal Commission inquiry on Monday that he did not remember who told him to make an affidavit to the effect that the Canadian schooner Gypsum Queen had been torpedoed.

Allison testified that he was with Freeman Hatfield, owner of the Gypsum Queen, and Senator Hance J. Logan in Boston when the subject was discussed. One of them—he did not recall which—read a statement by the ship's cook asserting that a torpedo struck the vessel and then told him that his statement would be the same as that.

(The Associated Press on Tuesday erroneously stated that Allison had testified that Senator Logan persuaded him to sign the false affidavit. The Associated Press is glad to make this correction.)

## TO PLAY SIMPSON

Basketball Series Arranged—City Leagues to Close This Month

At a meeting of senior basketball players last evening an offer of Port Simpson for an inter-town basketball series was accepted.

The Port Simpson players are keen to have a play-off of two games, total points deciding the winner, towards a Northern British Columbia championship. They have already shown their skill and superiority by defeating Ketchikan in a recent series.

Whenever Simpson teams have played here they have always impressed with their first-rate exhibitions of the game, featuring the very best in good sportsmanship.

Last evening it was decided to send a representative Rupert team to Simpson on Saturday, March 12, for the first game, and to play the return game in Prince Rupert the following Friday, March 18.

It is hoped that the sport lovers of the city will turn out and give the Simpson players a hearty reception, besides encouraging their own players in their efforts to justify the faith placed in them.

The team to represent Rupert will be chosen on Friday, March 4 by a committee of three—Lee Dell, Jack Campbell and Bill Mitchell—representing the three senior city teams. It was suggested that Bill Mitchell act as coach in preparing the team, and as referee in Simpson, whereas Bill Plommer would act as manager of the trip. Lee Dell was commissioned to arrange for the transportation to Port Simpson.

### Close of League

The meeting agreed to bring the city senior league games to a close on Tuesday, March 15, whereas, the intermediates and ladies will definitely decide their league leaderships on March 18. The junior game for March 18 will be cancelled because of the visit of the Port Simpson team. The city league play-offs will be played the following week so that the 1931-32 season may end before the Easter holidays, the dates to be announced later.

## EVERY WOMAN faces this question

"How do I look to other people?" If you have a lovely skin, attractive eyes, and plenty of enthusiasm, you need not worry.

So many women, though, risk their beauty by neglect of constipation. It often causes loss of pep, sallow skins, dull eyes, pimples.

Yet constipation can be overcome by eating Kellogg's ALL-BRAN. This cereal provides "bulk" to exercise the intestines, and Vitamin B which tones the intestinal tract. ALL-BRAN also supplies iron for the blood.

The "bulk" in ALL-BRAN is much like that of lettuce. Special cooking processes make it finer, more palatable. It is not habit-forming.

Surely this is safer than abusing the system with pills and drugs—so often habit-forming.

Two tablespoonfuls daily will correct most types of constipation. If your intestinal trouble is not relieved this way, see your doctor.

At all grocers. In the red-and-green package. Made by Kellogg in London, Ontario.

Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism. Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication. Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

## IS LAID TO REST

Funeral of Late W. J. Elmhurst Held Yesterday Under Auspices of Elks' Lodge

The chapel of the B. C. Undertakers was filled with members of the Elks' Lodge and personal friends of deceased yesterday afternoon when the funeral took place of William John Elmhurst, well known local automobile mechanic, whose death occurred last weekend in the Prince Rupert General Hospital.

The funeral service was conducted by Rev. Dr. F. W. Dafeo, pastor of First Baptist Church, who made fitting reference to the esteem in which deceased was held by many friends and the regret that was felt at his death. Words of sympathy to the mourning family were also voiced by the officiating clergyman.

Charles P. Balagno presided at the organ to accompany the hymns which were "Lead Kindly Light" and "Abide With Me."

Following the service in the chapel, many cars followed the cortege to Fairview Cemetery where interment was made with a committal service by the Elks' Lodge, George Rodger, the chaplain, officiating.

Pallbearers, all fellow members of deceased in the Elks' Lodge, were Floyd Smith, William Stone, Alex Mitchell, Mike Budnich, Sam Joy and Douglas Frizzell.

There were numerous floral offerings.

I desire to thank you, Mr. Editor, for the support you have given any letters, etc. emanating from the unemployed workers, by the frank and willing publication of the same.

Commissioner and Mrs. Henry and Staff-Captain J. Acton were heartily welcomed to the city on Tuesday.

At 5:30 p.m. he met with the Salvation Army soldiers and home league members in the Citadel where a very fine luncheon was served by members of the home league, after which the infant daughter of Mr. and Mrs. Wide was dedicated to God. A very interesting address by the commissioner was then enjoyed by all.

At 8 p.m. a goodly crowd gathered in the United Church. The service opened by "Crown Him Lord of All," and words of welcome were given by Ald. P. H. Linzey, Rev. A. Wilson and Rev. W. D. G. Hollingworth. A very beautiful solo, rendered by Mrs. Jarvis McLeod, was enjoyed by all. Selections were played by the Army String Band, after which a very inspiring address was given by the commissioner. Many and interesting were the words spoken concerning the army work throughout the world.

Mrs. Henry and Staff-Captain Acton also gave some heart-stirring messages.

## MELODRAMA IS OFFERED

Like many recent screen successes, "The Silent Witness," current feature offering on the screen of the Capitol Theatre here, is based upon a stage play. The picture tells a vivid story of romance and father love for a vacillating son with a mysterious murder for a background.

The boy, a much pampered weakling, has been victimized by an alluring siren and, when she attempts to throw him over, he becomes enraged and chokes her into insensibility. Leaving her for dead, he goes home and, in a panic of fear, confesses his supposed murder to his mother, father and real sweetheart. The father, to protect the son, assumes blame for the crime and permits himself to be arrested for murder. Ensuing scenes are taken in the courtroom of Old Bailey and show the remarkable speed with which British justice works.

Lionel Atwell enacts the role of the father which he played in the original Broadway production. The son is impersonated by Bramwell Fletcher, the siren by Greta Nissen and the sweetheart by Helen Mack. It is an excellent and intriguing melodrama.
