GANDHI RUNS CAMPAIGN FROM JAIL TWO OF JAIL BREAKERS WERE CAPTURED YESTERDAY

Moore and Lane Gave Themselves Up After Located By Officers

Pair Declare That They Did Not Plan Escape But Merely Saw Bagley Leaving and Thought They Had Better Do Same

VANCOUVER, Jan. 5.—William Lane and Norman Moore, back in custody today after having participated in the jail break from Okalla Prison Sunday night, having been captured yesterday afternoon near Mountain View Cemetery, said that they were not participants in the planning of the jail break.

"The first I knew of it," said Lane, "was when I saw Bagley disappear through a 14-inch hole they had cut in the wall. Then I decided we had better go along, too." Thereupon they followed the other three men twenty minutes afterwards.

No trace has yet been found of William Bagley, Frank Sorge or Gordon Fawcett.

VETERAN TEACHER

NEW WESTMINSTER, Jan. 5.—William C. Coatham, aged 69, pioneer public school teacher of New Westminster, died on Sunday. Mr. Coatham had taught here for nearly fifty years.

WEATHER REPORT

Dead Tree Point—Part cloudy, light southwest wind; barometer, 29.80; temperature, 32; light chop. Triple Island—Overcast, strong westerly wind; sea rough. Langara Island—Overcast, westerly gale; sea very rough.

Mineral Production in Province Down This Year But on Whole it Was Fairly Satisfactory Season

Preliminary Report Covering Operations of 1932 Has Been Issued By Department of Mines

(By John D. Galloway, Provincial Mineralogist)

The gross value of the mineral production of the province for 1931 is estimated at \$36,567,300, a decline from the output in 1930 of \$18,824,693. The following table shows the estimated production for 1931 and comparative figures for 1930:

Table with 4 columns: Product, Quantity 1930, Quantity 1931, Value 1931. Rows include Gold, Silver, Copper, Lead, Zinc, Coal, Structural materials, Misc. Metals & Minerals.

The value of the metallic production (including placer gold) amounts to \$23,797,300, the coal production to \$8,500,000, and the output of structural materials and miscellaneous products is valued at \$4,270,000.

Decline From 1930 The estimated production value

APPEAL TO CHRISTIANS

Mahatma Gandhi Would Make Holy War in India—Congress Declared Illegal

BOMBAY, India, Jan. 5.—Mahatma Gandhi, Indian Nationalist leader, sought today to enlist the Christians of India in the civil disobedience movement, calling it a Christian "struggle of peace."

The government has extended to Bombay itself and throughout Madras Presidency an emergency ordinance declaring the Nationalist Congress party illegal and forbidding contributions to its funds.

H. A. DeWolf, local manager of W. H. Malkin Co. Ltd., returned to the city on the Catala this afternoon after having made the round trip to Anyox and Stewart on company business.

Dairy Maids Learn to Fly

Yes, these are dairy maids. And the plane is one in which they are learning to fly at Croydon, London. They are going to buy their own plane soon and then you'll see something.

QUESTIONS ARE PUT

Unemployed Executive Asks for Information From City Council

Presenting a questionnaire on unemployment matters from the executive of the Unemployed Association of Prince Rupert, a delegation consisting of Charles Lord, spokesman, R. Redmond, George Murray and Ex-Ald. Oscar Larsen appeared before the city council at its meeting last night. Answers to some of the questions on the questionnaire were given by the Council, information on some of the others being lacking so far as the city was concerned.

In preliminary remarks, Mr. Lord referred briefly to the situation's seriousness. "We are sitting on dynamite," he declared. In the near future a general meeting of the unemployed was to be held and the central executive was seeking proper information to lay before that meeting so that responsibility for the situation might be placed at the door where it rightfully belonged. In view of this, the questionnaire had been prepared for submission to the city council as being the body from which information was most likely to be received. Apparently there had been gross mismanagement.

The first question was as to when the city had received advice that the municipal unemployment relief program had been cut from \$100,000 to \$47,000. Notice had been received on December 22, the Mayor replied.

The next question asked if such a cut had been general among all municipalities and if all municipalities had been notified at same time. Mayor Orme could not answer definitely to this but he did not think there had been discrimination. First a cut of fifty percent had been made in the appropriations and then an additional five percent. The case of Burnaby in which \$720,000 had been at first asked for but never more than \$400,000 assured, five percent eventually being deducted from the \$400,000, was referred to.

The Mayor could not give an answer to the query, if British Columbia was the only province in which road camps administered by the provincial authorities were now inactive.

INDIAN NATIONALIST LEADER IS SENT OVER

BOMBAY, India, Jan. 5.—Pandit Jawaharlal Nehru, ranking second to Mahatma Gandhi in importance in the Indian Nationalist Congress, was yesterday sentenced to two years' imprisonment with hard labor for violating one of the new British ordinances.

EDITOR OF TELEGRAM PASSES ON

Irving E. Robertson Second Prominent Member of Toronto Paper to Succumb in Same Day

TORONTO, Jan. 5.—The second prominent member of the Toronto Evening Telegram editorial staff to be removed by death on the same day, Irving E. Robertson, aged 50, editor-in-chief of the newspaper, passed away last night. He was one of Canada's outstanding newspapermen.

The death of Mr. Robertson in the evening followed close upon that in the morning of John K. Munro, for many years Ottawa parliamentary correspondent and later editorial writer of the paper.

VANCOUVER WHEAT

VANCOUVER, Jan. 5.—Wheat was quoted at 6 1/2c on the local exchange today.

BENNETT AND JONES MEET IN CONFERENCE

CALGARY, Jan. 5.—Relief work in British Columbia and financing of projects was discussed at a meeting here yesterday between Premier R. B. Bennett and Hon. J. W. Jones, British Columbia minister of finance. No statement was given out.

(Continued on Page Two)

CITY SAVES UNDER DEAL

Exchange of Sinking Fund Securities Eliminates Exchange Charges

The city council last night adopted a recommendation from the finance committee that \$12,000 Canadian Northern bonds held in sinking fund be sold at \$89.50 New York funds and the proceeds invested in Dominion of Canada refunding loan at market price which is \$89 or \$90 Canadian funds and that \$6,000 additional of these Canadian Northern bonds be applied to redeem \$6,000 Prince Rupert debentures maturing February 1 next. Ald. Collart stated that some \$3600 in exchange would be saved by the proposed deal. In future city bond redemptions, similar action would seem advisable if exchange conditions remained as at present.

ELEVATOR FULL NOW

Capacity of Local House Taken Up For Storage Purposes—No Word of Export Shipments

The local Alberta Wheat Pool elevator is now filled to capacity with grain which has been steadily pouring in during the past three months or so. As far as can be learned, there is now no more grain on the way here.

Inquiry at elevator offices this morning elicited no information as to when export shipments might be expected to be made from here.

BANKRUPTCY ORDER MADE

A. P. Foster Named Custodian For Barnet Lumber Co. Ltd. of Barnet

VANCOUVER, Jan. 5.—On petition of Merrell, Ring, Wilson Ltd., Chief Justice Aulay Morrison in Supreme Court yesterday made a receiving order in bankruptcy against the Barnet Lumber Co. Ltd. of Barnet and appointed A. P. Foster, chartered accountant, as official custodian.

City Council Decides to Make Appeal Direct to Premier of Canada on Unemployment Work

Appeals which have been made by the city to both the provincial and federal governments to have the original \$100,000 appropriation for unemployment relief work in the municipality restored have so far failed of any measure of success, it was revealed in various reports and correspondence which were tabled at the city council meeting last night. Indeed a distinct tendency on the part of each government to "pass the buck" to the other on the matter was to be seen. Appeals to other quarters having, so far at least, failed, the council decided to get in direct touch by wire on the matter with Premier R. B. Bennett, who is at present holidaying in Calgary.

The mayor presented a report on his trip last week to Victoria following receipt of word on December 22 that the appropriation had been cut from \$100,000 to \$47,500. In Victoria the mayor interviewed Patrick Philip, deputy minister of public works, and Hon. W. A. McKenzie, minister of labor and chairman of the government committee on unemployment. Mr. McKenzie assured the mayor that the provincial government would not be able to advance more money in view of the fact that the federal government had not gone through with its original plans. It had not been until very recently that the provincial government, had definitely ascertained this.

Asked by the mayor for advice, Mr. McKenzie urged that the matter be taken up with Ottawa. Thereupon, a telegram was sent to Ottawa setting forth the situation of work being closed down when it was half completed, throwing some 340 men with families and in straightened circumstances, out of work, and appealing for more funds.

The reply received from Hon. W. A. Gordon, federal acting minister of labor, was to the effect that the total amount for unemployment relief could not be increased. Schedule and all details were entirely under provincial authority, the federal minister pointed out.

After the message from Ottawa had been received, the mayor advised Hon. W. A. McKenzie at Victoria of its contents, again appealing to the provincial government to live up to its obligation in the matter.

Direct to Bennett Ald. Collart offered a motion that a telegram be sent to Premier Bennett at Calgary stating the local case fully and in as strong terms as possible. Ald. Rudderham seconded the motion.

Ald. Macdonald reported on an interview he had had in Victoria at the request of the mayor with Hon. W. A. McKenzie. Ald. Macdonald reminded the minister of the agreement signed by the government whereby \$100,000 was allotted for relief work in Prince Rupert and appealed for a fair and square deal in the matter. Mr. McKenzie, in reply, emphasized the fact that the province had been "let down" by the federal government. The minister gave assurance, however, that all possible would be done to relieve the situation.

Ald. Rudderham dubbed the reply that had been received from the federal minister as being "evasive" and such as might be expected from a school boy, instead of from a responsible minister of the crown.

Because a mistake had been made by the provincial government, Ald. Collart could see no reason why the city should have to suffer for it.

(Continued on Page Two)

LONG TALK BY PHONE

Record Achievement Is Set Up For Distance of Point-to-Point Call Ocean Falls to Nova Scotia

Ocean Falls, Jan. 5.—The longest point-to-point telephone call ever put through between two parties in Canada was made on Christmas Day when S. C. Stoddart, night foreman of the Pacific Mills here talked to his parents in Clam Harbor Nova Scotia, wishing them Christmas greetings and congratulating them on their fifty-fourth wedding anniversary.

Radio, cable and telephone lines were used in the completion of the call which travelled an estimated 5,000 circuit miles. From Ocean Falls to Campbell River the radio phone facilities of the B. C. Telephone Co. were used. To Nanaimo it travelled over the regular land lines and across from Nanaimo to Vancouver by underwater cable. From Vancouver the conversation was routed via Seattle and New York to Nova Scotia.

Mr. and Mrs. Walter E. Stoddart were eating their Christmas dinner at Cam Harbor when they received their son's call.

PEACE TOWN IS GROWING

Fort St. James in British Columbia Is Forging Right Ahead

FORT ST. JOHN, Jan. 5.—Within the last two years this village has tripled in size and the population of over 150 persons still continues increasing. Business houses of the town serve a population of over 7,000.

Practically all homestead lands in the immediate district are now filled and new farm buildings greet one on every side.

Schools in the district now number 23 in comparison with five two years ago. The town has a three-room superior school.

Additions to buildings in the town within a year have included a flour mill, a fully modern hospital, two restaurants, Anglican Church, Roman Catholic Church and several residences.

TWO OF ESCAPED PRISONERS TAKEN

VANCOUVER, Jan. 5.—William Lane and Norman Moore, two of five prisoners who escaped from Okalla Prison on Sunday, were arrested near Mountain View Cemetery yesterday afternoon without resistance. William Bagley, Gordon Fawcett and Frank Sorge are still at large.

DAILY EDITION Tuesday, Jan. 5, 1932

TOO WELL FED

When J. S. Woodsworth M.P. of Winnipeg, was in Russia he noticed that the people looked well fed. He was surprised at that but he did not need to be. It does not take rich or expensive food to make a person healthy and happy.

Half a century ago in England there were a number of boarding schools where the boys were given bread and butter and coffee for breakfast, meat and potatoes for dinner and bread and butter for supper and the only dessert was a little boiled rice with milk and sugar taken ahead of the meat course for dinner. That would seem like hard fare but the boys thrive on it, were always hungry and always well and happy.

The difficulty with most of us is that we eat too much rich food. We pamper our palates with all sorts of delicacies and cannot enjoy plain foods. In other words we are too well fed for our own good. Plain food, such as is eaten in many parts of Russia would be beneficial to the health of many people here.

VALUE OF THE DOLLAR

We are sometimes told that the value of the dollar has gone up for it will purchase at least 25 cents worth more than it would a few years ago.

Today with most people, especially those in business, the dollar is worth today about as much as five dollars was a few years ago. In fact, it is so valuable that only a few people continue to possess it. Others do business on paper and hope for a change.

GANDHI'S ARREST

Probably in no other country of the world would the old man Gandhi have been allowed to openly defy those in charge of affairs in his country and to declare he was about to initiate a campaign to drive them out.

The British people are so tolerant that they are sometimes thought to be weak. A mere whisper in Russia would have sent him to Siberia or at the very least to a prison without trial. He probably would not have escaped with his life.

Now Gandhi has been arrested and will doubtless be convicted of conspiracy or some similar crime and it is probable he will serve a long term in prison unless he agrees to cease his activities.

CHANGE OF VIEW

The tendency in the past year or two has been for the big financial and industrial men of the country to speak rather pessimistically of the future. Now we find them changed. In a new year message the president of the C. P. R. indicates that he sees the light shining for 1932. Undoubtedly the turn has come although Prince Rupert has not yet begun to feel it. But our improvement will come. We did not feel the depression until long after others, so it was to be expected the improvement would also linger, so far as the city is concerned.

ALDERMEN FELICITATE

Mutual Regards Exchanged at Council Meeting Last Night

As last night's meeting was the last regular gathering of the 1931 city council, mutual felicitations were voiced by the mayor and all eight aldermen.

Mayor Orme thanked the aldermanic board, one and all, for their excellent work during the past year. He complimented the aldermen on the manner in which they had "played the game" both on behalf of the city and one among the other. The council had accorded him (the mayor) every assistance and encouragement during a trying year. They had all worked conscientiously and fairly and he wished success to all who might seek re-election at the polls next week. As for himself, from personal interests, it might be inadvisable for him to seek re-election. Yet, under the circumstances, he felt that he should at least offer his services for another year. Whatever the verdict might be at the polls, he would be well satisfied.

Each of the eight aldermen also spoke briefly. Most of them expressed appreciation of the fine leadership of Mayor Orme and the hope that the mayor would once again be at the head of affairs next year. While it had been a trying year, the work for all the aldermen had proven interesting, some stating that it had even been enjoyable. Hope was expressed by a number of the aldermen that the depression would be alleviated by next year.

In the course of his remarks, Ald. Pullen intimated that, for business reasons, he would be unable to seek re-election to the council this year. Ald. Black intimated indirectly that he would again be a candidate. While they did not express themselves, it is expected that both Ald. Rudderham and Ald. Pillsbury will seek re-election. Ald. Collart, Ald. Macdonald, Ald. Linzey and Ald. McCutcheon remain on the council for another year.

Mayor Orme thanked the aldermen for kindly sentiments that had been expressed so far as he was personally concerned.

CITY COUNCIL DECIDES TO MAKE APPEAL

(Continued from page one)

Ald. Pullen thought it was an intolerable situation. The governments had given authorization to the \$100,000 appropriation and had approved all details. Then, when the work was about half done, they closed down suddenly and said that nothing more could be done. It all seemed impossible to understand. Excuses at this late date would not help. Ald. Pullen thought the city should insist in strong terms that the original appropriation be restored.

No matter who might be responsible for the cut, Ald. Macdonald felt that justice should be demanded and no stone should be left unturned in bringing this about.

The motion of Ald. Collart to wire to Premier Bennett at Calgary was then carried unanimously.

Agreement Signed
 Meantime, the council decided to sign the agreement with the provincial and federal governments on the basis of the \$47,500 appropriation for unemployment relief. Of the total of \$47,500, the federal government pays fifty percent through the provincial government. The remaining fifty percent is shared between the provincial government and city.

A letter from Hon. W. A. McKenzie accompanying the agreement form stated that, immediately the agreement had been signed, the government checks would be issued. No further contribution under the present act could be expected from the governments, Mr. McKenzie pointed out.

Motion authorizing the signing of the \$47,500 agreement was made by Ald. McCutcheon and Ald. Pillsbury and carried unanimously.

At the suggestion of Mayor Orme and on motion of Ald. Rudderham and Ald. Collart formal application for the \$100,000 originally agreed upon was made.

Twenty Years Ago

In Prince Rupert

January 5, 1912

The city council has decided to make settlement with Nick Gurruch and Tom Mazlum on their street grading contract payments, the former to be paid \$3,302.18 and the latter, \$1,700.22.

Ald. S. M. Newton held his second majority campaign meeting in the Auditorium. H. E. Gamppe acted as chairman, and speakers, besides Mr. Newton, included L. Bullock-Webster, F. Laphie and Thomas Maitland, who occupied seats on the platform.

News has reached the city that a Swedish worker on railway construction has shot his head off in the bush near Kitselas. An inquest will be held at Kitselas with Chief W. H. Viekers of the provincial police in charge. Dr. Traynor of Terrace will give the medical evidence.

Seventy-five per cent. of the school teachers in the United States are women.

QUESTIONS ARE ASKED

(Continued from page one)

The fourth question asked if the Mayor had ascertained the reason for delay in provision of clothing, etc., for men in the relief camp as had been guaranteed by the government. The Mayor replied that he had not taken this matter up, believing that it was being taken care of. However, efforts would be made to get the information immediately.

Supplies at Cloyah
 Another question asked if the city was able and willing to state where general supplies for the Cloyah Bay camp had been purchased. The Mayor stated that the city was unable to give this information. He suggested that inquiry be made of the provincial government direct.

The question which asked if all the men who had been employed on city relief had been actually registered as being in need of relief evoked considerable discussion. The Mayor replied that all had been registered as unemployed Af-

ter November 2 there had been a new form which required a statement as to whether the applicant was destitute. Mr. Lord made it clear that there had been men on city relief who, in the opinion of other workers, were neither destitute or in need of work. Some of these names might be disclosed at the forthcoming meeting of the unemployed.

Ald. Macdonald and Ald. Collart referred to the work of the special committee of the council which had been named for the purpose of checking up on the relief workers. All complaints had been investigated and judgment passed on a number of cases. All possible information had been passed on to the department. Few people had been willing to back up complaints along this line, the Mayor stated.

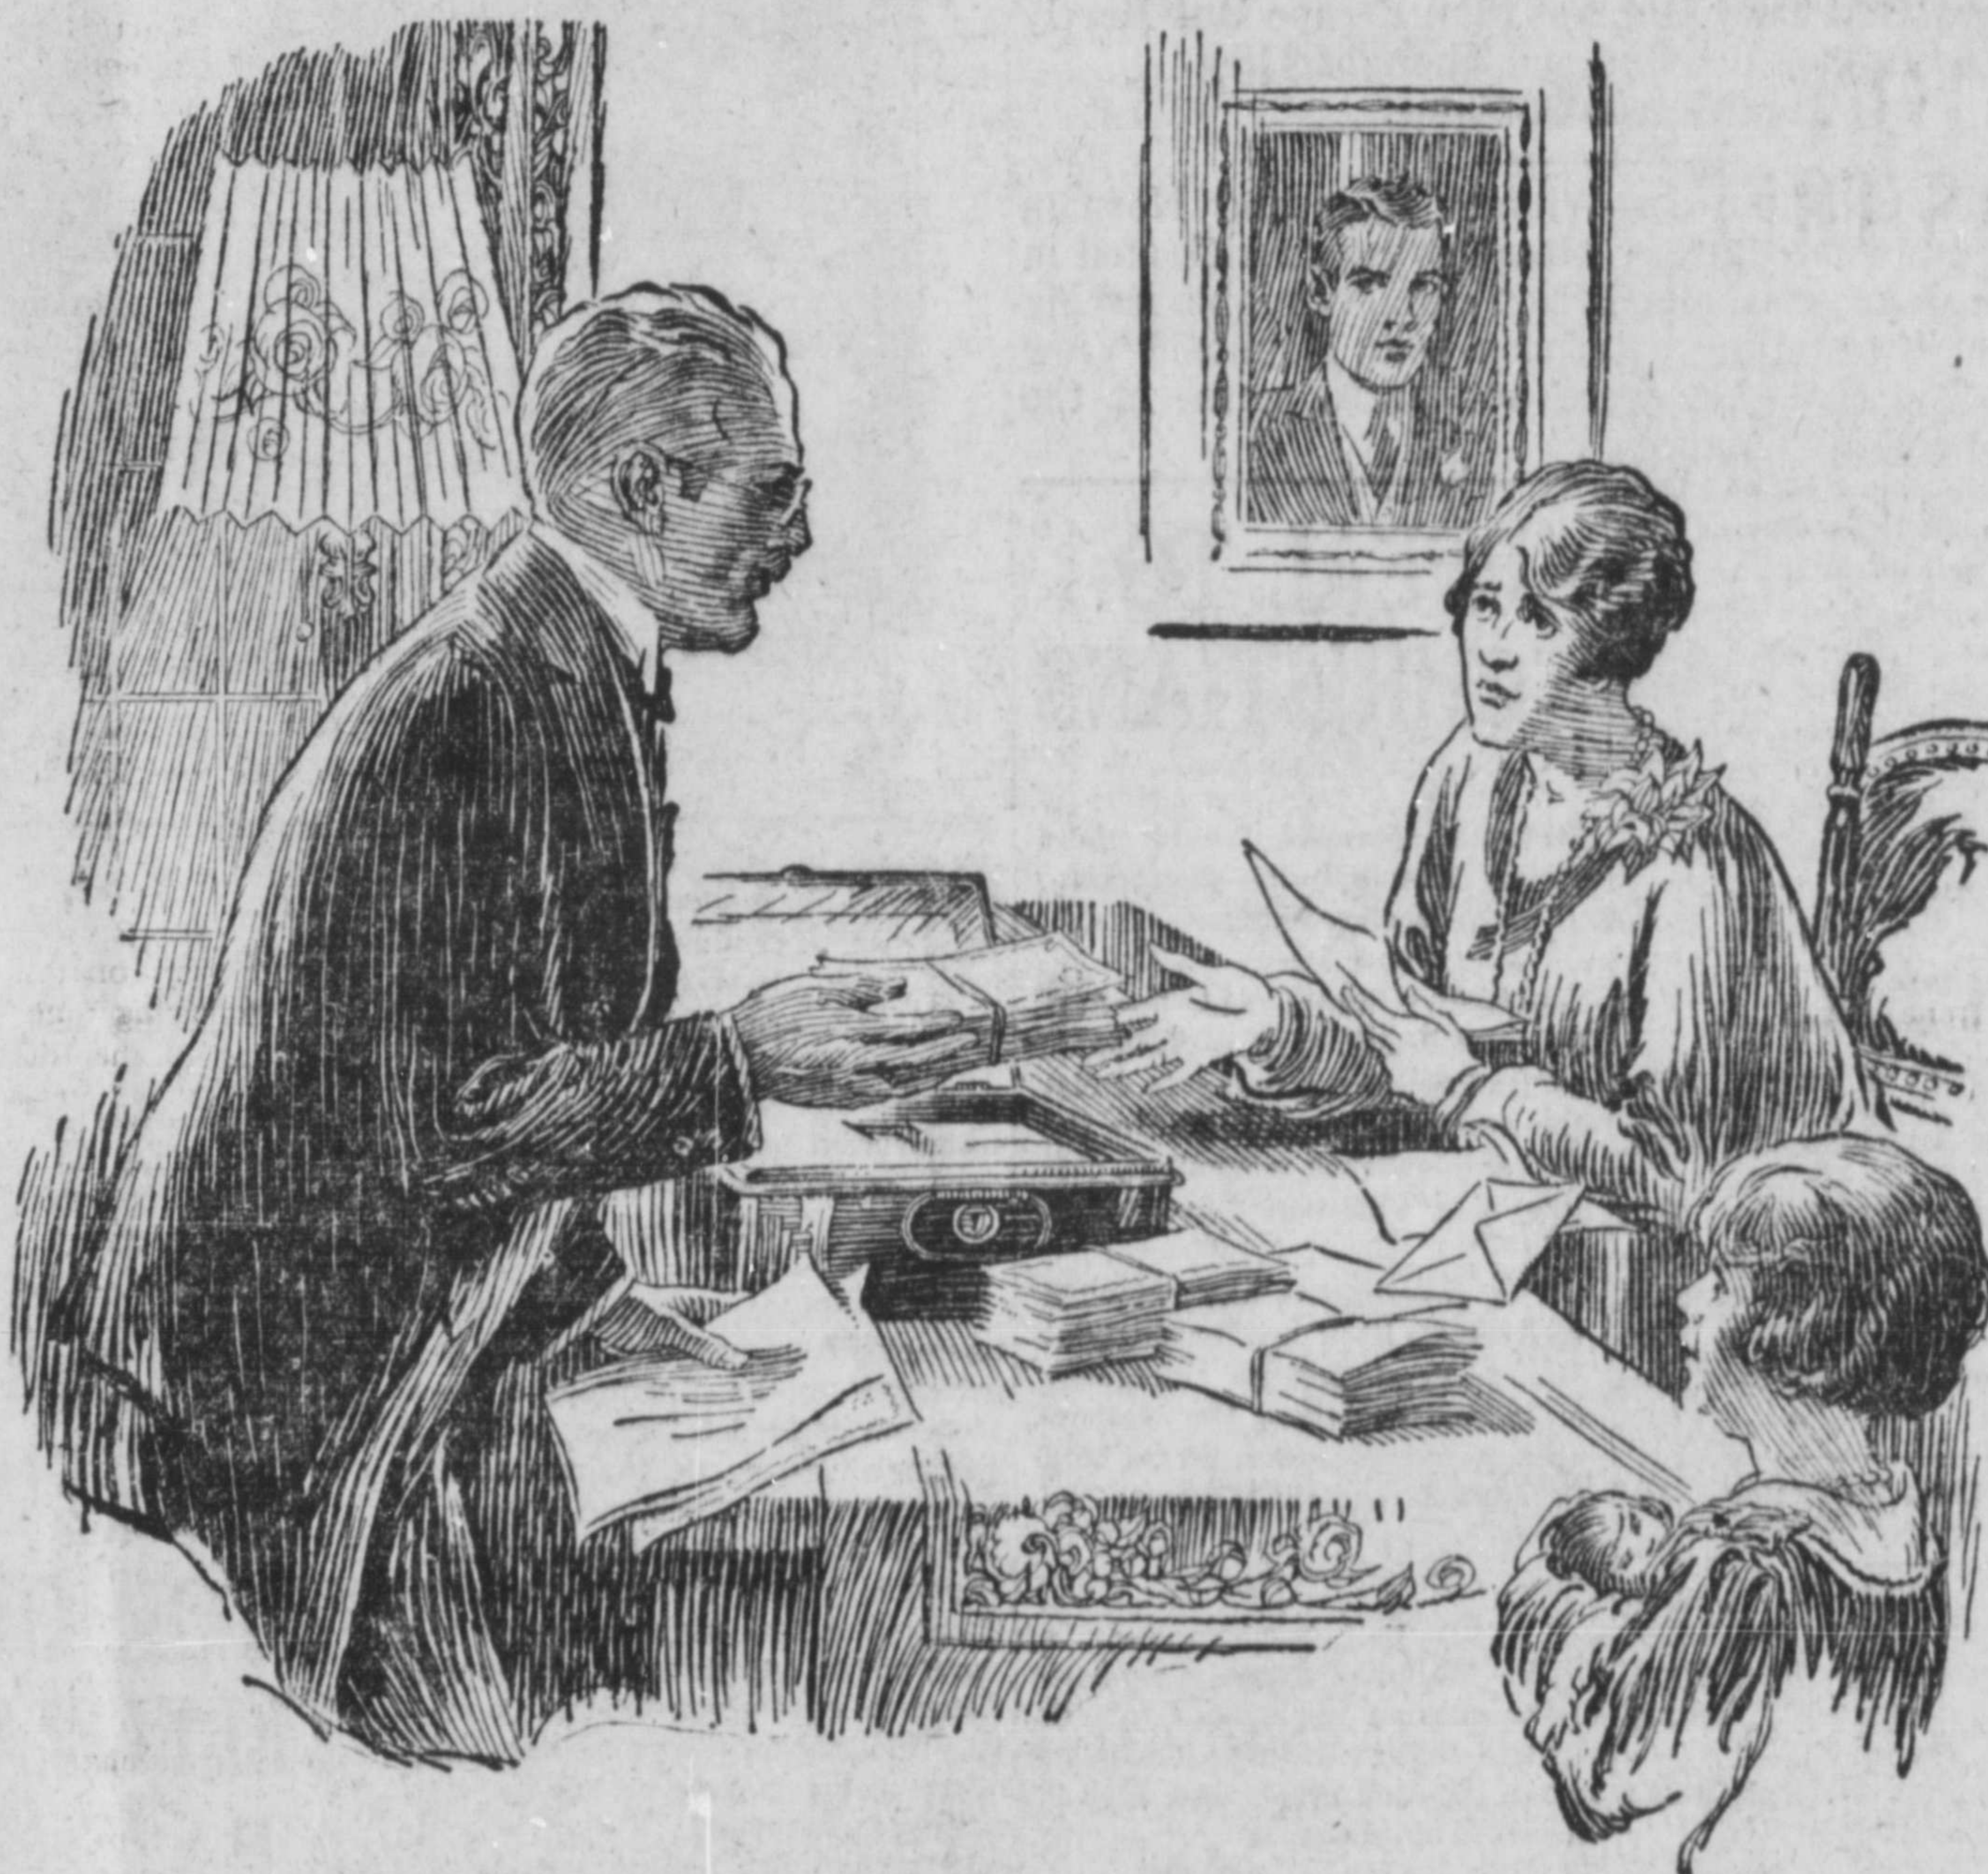

The last question inquired if the city council could conscientiously state that there had been equality of distribution as far as the relief work was concerned. The Mayor replied that he could conscientiously state that equality of distribution had been maintained. Despite various difficulties such as the rotating gangs and gradually increasing numbers of men needing work, Ald. Rudderham felt that the

work had been administered as impartially as possible. The original intention had been to give about two-thirds time work, the city engineer pointed out. On motion of Ald. Rudderham and Ald. Macdonald, inspection of the payrolls by the unemployment executive was authorized.

Before the delegation retired, Mayor Orme assured it that the members of the council were quite as aware of the seriousness of the situation as were the unemployed men themselves. "We are doing all in our power to have the situation relieved," added the Mayor.

Mr. Lord thanked the council for the hearing which had been accorded and also tendered thanks for the city council chamber having been made available recently for a fishermen's meeting.

Delayed all round on the present voyage because of having made a special call at Ocean Falls on the way north, Union steamer Catala, Capt. A. E. Dickson, returned to port at 1 o'clock this afternoon from Anyox, Stewart and other northern points and sailed soon thereafter for Vancouver and waypoints.

"—with all his worldly goods"

HERE, in this old strong-box, so long guarded and locked, is his "estate" . . . the "worldly goods" which he has bequeathed to her.

One by one her adviser takes out the temptingly engraved certificates and examines them. One by one he lays them down with a sorrowful shake of the head—

Slowly the truth dawns upon her. Those wonderful purchases that were to make them rich . . . independent. These speculations that were to lead them

to fortune . . . many of them now are WORTHLESS!

But at the bottom of the box there lies an unpretentious document, which suddenly she recollects. It cannot have depreciated. It must still be safe and sure . . .

She reaches in and draws forth his Life Insurance Policy.

Amid the wreckage of thousands of estates, Life Insurance stands as the final and enduring refuge in time of need.

It is the *one* investment no man can afford to be without.

City accounts for the two weeks ending December 31 totalling \$24,089.52 were passed for payment at last night's council meeting.

Charles Wilson of Lake Kathryn arrived in the city on this morning's train from the interior for a brief business visit to town.

Miss Muriel Johnston of Queen Charlotte City is paying a brief visit to the city having arrived from the Islands by gasboat yesterday afternoon.

Mr. and Mrs. Gordon Kerr of Balmore Cannery are paying a brief visit to the city having arrived yesterday afternoon from the Skeena River.

M. A. Burbank, C.N.R. divisional engineer, returned to the city on this morning's train from one of his periodical trips to the interior on official duties.

M. McLeod of the elevator staff called this afternoon on the Catala for Vancouver, having spent the past two months here while the house was being filled with prairie grain.

The fire department had a call at 4 o'clock yesterday afternoon to the home of J. Turgeon in the house on Fifth Avenue West between the Catholic church and school where there was a chimney fire. No damage was done.

Constable G. S. Blaney of the city detachment of the provincial police will sail on Thursday night of this week for Vancouver where he will undergo treatment at Shaughnessy Military Hospital for war injuries. He expects to be away for three or four weeks.

Slight damage was done to the basement of the residence of C. E. Culin on Fifth Avenue West near McBride Street at 4:25 yesterday afternoon as a result of hot ashes having been dumped too close to house. The fire department was called and soon had the blaze out.

G. P. Tinker, who was injured in a fall yesterday morning, was admitted yesterday afternoon to the Prince Rupert General Hospital. An x-ray examination was to be made today to ascertain whether or not, as is feared, his knee has been again broken.

Northland Navigation Co.'s motorship liner Northland, Capt. Len Williams, arrived in port at 7:30 this morning from Ketchikan and, after discharging three carloads of frozen fish for transshipment to the United States over Canadian Railways, sailed later in the morning for Seattle.

VICKS VAPORUB

OVER 12 MILLION JARS USED YEARLY

MINERAL PRODUCTION IN PROVINCE

(Continued from Page 1)

metal prices prevailing in 1931. It should be remembered that the quantity production of metals and minerals in 1930 was the highest in the history of mining in the province. When due consideration is given to general world conditions and the necessity of marketing the bulk of metallic production outside the province, it is very satisfactory that the industry continued to operate at 82% of the 1930 rate.

There was a lowered quantity output as compared with the preceding year in all branches of the industry, except placer mining. Due to lowered metal prices the value of metallic production shows the heavy decline of 42% from 1930.

The tonnage of ore mined in 1930 is estimated at 5,410,000 tons as compared with 6,803,846 tons in 1931. This gives an average gross value of the ore mined of \$4.36 a ton, as compared with \$6.04 a ton in 1930. This emphasizes the remarkably low operating costs being achieved by the large low-grade mines of the province.

Lode gold production valued at \$3,142,136 shows a slight decline from the figure in 1930 notwithstanding much increased activity in this form of mining. The lessened output was mainly due to the shutting down of the Copper Mountain mine, a lowered output from Premier owing to slightly lower grade ore, and the closing of the Nickel Plate mine, a former consistent gold producer. These decreases were offset in part by a much larger output from the Pioneer and increases from the Union and Reno mines.

Dr. Wood's

Norway Pine Syrup

Turned Blue In The Face He Coughed So Hard

Mr. Joseph Landhardt, Melville, Sask., writes:—
 "Last winter I had such a bad cold that when I started coughing I would turn blue in the face. I went to the druggist and asked him what I could do for it, and he handed me a bottle of Dr. Wood's Norway Pine Syrup. When I had finished it I felt a lot better, so I got another one and after that was finished I never had another cough all winter."

brought a big surprise—his wife and three small sons—each one carrying a pack. Suitable gifts and bags of candy were presented to each child and the pleasant evening came to a close by singing The National Anthem.

Placer Successful

Placer mining had a very busy and successful year. Production will amount to about \$230,000, a considerable increase over the \$152,235 recorded in 1930. Furthermore, the work carried out this year indicates that placer gold production will increase in future years. This form of mining is beginning to attract widespread attention as the undoubted possibilities and large rewards in sight are better realized. "Sniping" by individuals with pan, rocker and small sluice, provided a living for many men who otherwise would have been a charge on the community.

The silver output is estimated at 3,200,000 ounces, a decline of 27 per cent from that of 1930. Most of the small silver-lead-zinc mines of the province were closed in 1930. Sullivan, Premier and Prosperity, however, all made large outputs that year enabling a high record production to be made. Prosperity was closed early in 1931, and Sullivan and Premier were forced to curtail to some extent, these factors thereby largely causing the marked decline in the 1931 production.

Output Lessened

Lead and zinc output from the province for some years has been mainly from the Sullivan mine of the Consolidated Company and this year it is almost entirely from this mine. Due to the desire of this company to assist in world stabilization of these metals, output has been gradually lessened throughout the year.

The copper output for 1931 is estimated at 68,150,000 pounds as compared with 90,421,545 pounds in 1930. Copper Mountain mine of the Granby Company did not produce this year and in addition curtailment was in force at the Britannia, these factors largely accounting for the decreased output. Hidden Creek mine of the Granby Company made a larger output than in 1930, but the total production of this company shows a large decrease due to the non-operation of the Copper Mountain mine.

Record Satisfactory

The foregoing statistical outline shows that during 1931 a general decline has taken place in the production end of the mineral industry of the province. This was to be expected, but compared to mining elsewhere and other industries in the province, it must be considered that the record is a highly satisfactory one.

As a result of the closing of mines, curtailment of production, and the conceiving of every possible economy much unemployment has resulted. However, it is fortunate that these economies were possible and carried through or the result would have been the closing of still

Glasses fitted by registered optometrist at Heilbronner's store.

Nick Coulter of Port Edward was an arrival in the city on this morning's train.

Bert Wood returned to the city on this morning's train from a week-end visit to Smithers.

Captain H. Calderwood left today on the Catala for Vancouver where he will join his family in a three-weeks' holiday.

George D. T. Turner of Queen Charlotte City has been appointed a stipendiary magistrate in and for the County of Prince Rupert.

Joseph W. Moses of Prince George was among third prize winners in a \$1000 crossword puzzle contest recently conducted by the Vancouver Sun.

Corp. E. H. Clarke, R.C.M.P., returned to the city on the Catala this afternoon after having made the round trip to Anyox and Stewart on official duties.

Lee Murray of Hyder was a passenger aboard the Catala this afternoon going through to Seattle where he is to appear as a witness in a court case.

F. S. Walton, C.N.R. roadmaster returned to the city on this morning's train following one of his periodical trips up the line as far as Pacific on official duties.

Miss Agnes McKenzie of the Imperial Oil Co. staff here returned to the city on the Catala this afternoon after having spent over New Year's visiting at Premier with friends.

Word has been received in the city of the birth of a daughter in Vancouver on Christmas Eve to Mr. and Mrs. D. A. Brown of this city. Mr. Brown is accountant here for the Swift-Canadian Co.

Yosel Rosenstein, well known Hyder general merchant, was a passenger aboard the Catala this afternoon going south. Mr. Rosenstein is planning an extended holiday trip which may take him as far as Bermuda.

Miss Lillian Moss returned to the city on the Catala today to resume her studies here after having spent the Christmas and New Year holiday season visiting at Alice Arm with her parents, M. and Mrs. Ernest Moss.

Mrs. W. H. Kergin, who has been visiting over the Christmas and New Year season at Alice Arm will fly to the city with her son and daughter-in-law, Mr. and Mrs. H. F. Kergin, returned to the city from the north on the Catala this afternoon.

William Murray, charged with attempted breaking and entering of Watts' Grocery store, was further remanded for eight days when the case came up in city police court this morning. T. W. Brown is acting counsel for Murray.

John A. Anderson, road superintendent for Atlin district with headquarters at Anyox, arrived in the city on the Catala this afternoon from the smelter town for a brief visit here on official duties. He is accompanied by his son Gordon Anderson.

I. O. O. F. 14, Elks 13.
Swifts 16, K. C. 11.

The Letter Box

Sports Editor, Daily News:—
Some time ago Owen Fisher, on behalf of Billy Bagshaw, accepted my challenge to box Bagshaw, guaranteeing a purse of \$100 to be split either on a percentage basis or winner take all. I will accept on the latter basis, the bout to take place at any time.
NINA GURVICH.

BASKETBALL AT TERRACE

High School Takes Two Straight Victories and Is Leading League

TERRACE, Jan. 5.—In regular basketball games here on Saturday, the High School took the town lads to camp in an easy victory. Johnstone, Little and McLeod gathered the most points for the High School, while Thomas and Hipp were the bright lights of the town team.

The game was fast all through but the town boys suffered from the lack of co-operation.

This game places the High School squad on the top of the league with two straight victories.

Final score, High School, 29; Town, 16.

The line-ups:
Town—Hipp (8), Stout (2), Hill, Lever, Thomas (6).

High School—Green, Little (11), Olsen, McKenney, Nash, McLeod (8), Johnstone (10), Kerr.

In the girls game the Dumbells entirely outclassed the Dubs with a score of 20 to 3. The Dumbells had the advantage of more experienced players.

SPORT NEWS

The executive of the Omineca Ski Club at Burns Lake are exerting themselves to finance the Olympic entry fund which will be required by Eaare Engstad on his trip to Princeton for the try-outs and from there to Lucerne, Quebec, and finally to Lake Placid, N. Y., for the Olympic games. As Engstad is the selected entry from Central and Northern British Columbia, the choice is an honor to the whole district, and several communities are showing their appreciation by putting on entertainments, the proceeds of which will go to the Olympic entry fund.

It was understood that the Canadian Amateur Ski Association would bear part of the transportation and training expenses of the skiers from the West, but a wire from S. R. Lockberg, chairman and trainer of the Olympic, informed the entrants from the West that they will have to pay their own way. Considering that the district may not have an opportunity to have a man from this district on an Olympic team for many years, the Omineca Ski Club feels that the financing of Engstad's trip is a matter of general interest.

Some Dive

Try this one in the evening when the boys are sitting around looking for something to do. This lad dives over a flock of them with perfect ease.

FIGURES IN SPORT

AD WOLGAST, BOXER

For many years since his ring encounters have been a thing of the past and he had been declared by the courts to be incompetent, Adolph (Ad) Wolgast, who was boxing champion of the world in the lightweight division, has trained rigorously in a Los Angeles gymnasium, believing that on the morrow he would get a chance to stage a comeback and again fight for the title. From the time Wolgast temporarily quit boxing in 1913 until he was adjudged insane for the third time in 1921 Wolgast's fortune, once estimated at \$250,000, dwindled away. Since 1924 he has spent his days at California State Hospital at Patton.

Born at Cadillac, Michigan, February 8, 1888, of German-American extraction, Ad, in his prime, stood five feet four and three-quarter inches in height and weighed 130 pounds. In his young days he was a newsboy in California, boxing on the side. His news beat brought him into contact with Jim Jeffries, former heavyweight champion, then a Los Angeles saloon proprietor. It was Jeffries that "discovered" Wolgast's boxing abilities. They came to the parting of the ways only in 1913 when Wolgast decided to quit the ring the first time.

ELY LEAD WAS CUT

Lenz and Liggett Had Good Night in Bridge Marathon—Reduced Margin to 16,835

NEW YORK, Jan. 5.—Ely Culbertson's side was 16,835 points ahead in the contract bridge marathon today with 21 rubbers remaining to be played.
Sidney Lenz and Commander Winfield Liggett last night gained 3,385 points, winning six of nine rubbers.

VIGILANT WON RACE

Sprint From Honolulu to Seattle Ended When Schooner Tied Up at Winslow

SEATTLE, Jan. 5.—The five-masted schooner Vigilant was docked at Winslow today, the victor in a thrilling ocean race from Honolulu over the four-masted Commodore which today was still a short distance off Cape Flattery under tow for Bellingham.

CLEAR UP BILLIARDS

One Junior League Fixture Finished and But One Match to Play in Another

The fifth game from last Thursday night's Junior Billiard League fixture between Jewelers and League of Nations was played last night, William Stuart winning for the Jewelers over Benny Wendle by a score of 200 to 184. The Jewelers thus took the fixture by an aggregate score of 963 to 911.

The fourth game from last Monday night's fixture between Empress and Hawks was also played last night, Nick Chenoski winning for the Hawks by a score of 200 to 150 over W. E. Hayhurst. Lead of the Empress over the Hawks now stands at 773 to 684 with Paul Johnson (Empress) and W. Hudson (Hawks) to play the last game tonight.

Miss Ruth McGinnis, Honesdale, Pa., the world's woman billiard champion, gives a demonstration and challenges all comers. She's left-handed, too.

WANT SIX HOUR DAY

Provincial Labor Delegates Wait on Government With Requests

Organized labor in British Columbia, through its provincial executive, had a two-hour conference with the provincial government in Victoria last week, when P. R. Bengough, vice-president of the Trades and Labor Congress of Canada, and other delegates, waited on Premier Tolmie and the cabinet. A round table discussion of labor matters followed, in which the government promised consideration of the proposals put forward.

Among the requests advanced was a plea for legislation to bring about a six-hour day and a five-day week in British Columbia, increase in workmen's compensation benefits to a full 75% of the current wage paid to the employee at the time of his injury, creation of a system of health insurance, remission of income taxation on all earnings less than \$3,000 per annum, enactment of provincial fair wage legislation, and increase in rates allowed for road and other work under provincial control. The delegates also favored a scheme of national unemployment insurance and revision upwards of scales paid on relief undertakings.

The visit was the annual one paid by members of the provincial executive of the congress to the provincial government. The proposals were spoken to by Mr. Bengough, assisted by R. W. Nunn, Colin McDonald, S. D. Macdonald and E. H. Forriston.

Members of the cabinet promised consideration of the proposals on their merits.

COMMITTEE NOT LEGAL

City Solicitor Gives Opinion on Proposal of Ratepayers' Association

City Solicitor E. F. Jones advised the city council at last night's meeting that it had no authority to appoint a special committee on city assessment such as had been suggested by the Prince Rupert Ratepayers' Association. The opinion of the solicitor will be forwarded to the association for its information.

The Ratepayers' Association asked the council at its earliest convenience to appoint a committee of three competent valuers, not members of the city council or City Hall staff, to examine the assessments and record opinions on the values of each separate parcel which would be reported to the court of revision as an aid in dealing with appeals against the assessment.

The city solicitor gave the opinion that the council had no authority to appoint such a committee. It would simply mean the making of a second assessment at the city's expense. The Ratepayers' Association, of course, could present any evidence and views it might desire to at the court of revision.

On motion of Ald. Collart and Ald. Pullen, it was decided to send the report of the city solicitor on to the Ratepayers' Association. Ald. Rudderham and Ald. Macdonald were opposed to the city undertaking any expenditure such as would be involved in the making of a second assessment at a time when funds were so urgently needed in other directions. Ald. Pullen thought it would be a ridiculous position for the city to appoint an assessor and then a committee to reassess the assessor.

INSTALLATION NEAR READY

Work of Providing Radio Telephone Service Out of Here is Proceeding Steadily

Installation of the Northwest Telephone Co.'s local radiophone plant on the temporary receiving and transmission sites here is now nearing completion. Following completion of the installations, there will be a good deal of experimental work to be carried on. It is understood that the new form of communication will be pretty well established by the end of this month.

Miss Germany 1932

Past on the heels of Paris' 1932 beauty queen comes Fraulein Liebmann, a Berlin mannequin crowned "Miss Germany 1932." Still Czechoslovakia and the Oberlin Hinterland to hear from.

REPORT OF ENGINEER

Expenditures of City Public Works Department Held Down Well

Expenditures of the civic public works department for the year 1931 totalled \$46,120 as compared with an estimate for the year of \$47,700, the city council was advised in a report presented at last night's meeting by City Engineer F. N. Good. The figures given, Mr. Good explained, were approximate only, but he gave assurance that in all cases actual expenditures would not exceed the totals.

Mr. Good's report was as follows:

	Estim.	Expen.
Public Health	1931	1931
Eng. Admin. & Public Works Maint.	\$10,800	\$10,170
P. W. Tools & Equipment	700	3,450
Fire Main Const.	4,000	3,550
Seal Cove Approach (Relief)	900	800
Booth School clear. (Relief)		790
Exhibition Road (Relief)		120
Sewer Maint.	1,400	1,630
Water Dept.	9,700	9,350
Totals	\$47,700	\$46,120

Notwithstanding the purchase of an additional \$2,700 of equipment rendered necessary by relief work and an additional \$900 relief work, not allowed for in estimates, the actual expenditures show a total approximately \$1,600 below estimates.

Comments By Aldermen

Ald. Pillsbury referred to the fact that in the six-year period between 1925 and 1931 expenditures of the department had been cut from \$61,000 to \$36,000 or almost in two.

Ald. Collart thought it was a very good showing. The department had been more careful this year than ever before. He thought congratulations were due the city engineer.

Ald. Macdonald agreed that it was an exceptionally good showing. The city engineer was to be complimented upon the efficient manner in which the work had been carried on.

Ald. Pullen thought that appreciation should also be voiced to the men who had done such good work under considerably less than normal wages.

Mayor C. H. Orme agreed with the sentiments which had been voiced by the aldermen who spoke on the matter.

The report of the engineer was received and filed.

A Japanese man from Port Eslington, suffering from a broken leg, the result of having fallen from a wharf, was brought to the city on this morning's train and removed in the ambulance to the Prince Rupert General Hospital for treatment.

Dawson Creek Forges Ahead

New Town in Peace River Block Continues to Make Notable Progress

DAWSON CREEK, Jan. 5.—This new Peace River Block town, which virtually sprung up during the past year as a result of the railway extension, is now one of the busiest spots in the district and is still going ahead.

There are many businesses here now with five elevators, three hotels, three churches, an outstanding new school and a hospital.

Kitwano Folk Paid Kitzegucla Holiday Visit

KITSEGUKLA, Jan. 5.—There were good times this Christmas in Kitsegukla Indian village when many friends from Kitwano spent twelve enjoyable days there.

The program of entertainment included coffee-parties given by the Council, Woman's Christian Union, the Ladies' Club, the Athletic Club and others. There was music and speeches.

Kitwano presented a punching-ball to the president of the village Athletic Club and was suitably thanked by Alfred McDawes.

Herring Run Is Not Yet On In District Waters

The herring run has not, as yet, started to any extent in local waters. Recently there has been a gill net boat operating at Wark Canal but results have been very uncertain.

NOTICE OF ELECTION

PUBLIC NOTICE is hereby given to the presence of the said electors at the City of Prince Rupert that I require the presence of the said electors at the City Clerk's Office in the City Hall, City of Prince Rupert, on Monday, the 11th day of January, 1932, at twelve o'clock noon for the purpose of electing persons to represent them as Mayor and Aldermen and School Trustees.

The mode of nomination of candidates shall be as follows:
The candidates shall be nominated in writing; the writing shall be subscribed by two electors of the municipality as proposer and seconder, and shall be delivered to the Returning Officer at any time between the date of the notice and two p.m. of the day of nomination; the said writing may be in the form numbered 3 in the Schedule of the "Municipal Elections Act" and shall state the names, residence, and occupation or description of each person proposed, in such manner as sufficiently to identify such candidate, and in the event of a poll being necessary, such poll shall be opened on the 14th day of January, 1932, at the Police Court, City Hall, City of Prince Rupert, from the hour of 8 o'clock a.m. to the hour of 8 o'clock p.m. of which every person is hereby required to take notice and govern himself accordingly.

Given under my hand at Prince Rupert, B.C., this 4th day of January, 1932.
EDWARD F. JONES,
Returning Officer.

Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.

Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.

Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

The Daily News

The paper that Northern and Central British Columbia people look to to keep them informed on world news and the problems peculiar to the north.

The Only A. B. C. paper north of Vancouver and west of Edmonton.

The Daily News goes into all the—

TOWNS AND VILLAGES
MINING CAMPS
LUMBER CAMPS
PAPER MILLS
FARMING CENTRES
FISHING CAMPS

It is the paper that is read by the fishermen, miners, workers and operators throughout a district twice as large as the three Maritime Provinces of the east.

When a person wishes a message to go to the people of Northern and Central British Columbia there is only one way of sending it, and that is through the columns of the Daily News.

The future is full of hope. The Daily News is making plans to keep pace with the progress of the country. No one can afford to be without it.

The cost is small.

Delivered by Carrier, in Prince Rupert, per week, 10c.

Mailed to any address in Northern or Central B.C., \$3 a year.

Mailed to points in Canada, Britain or United States, \$6 a year.
