ASSESSMENT OF CITY

There is a discussion going on in regard to the city assessment. It is claimed that assessments are too high in the city but it is counterclaimed that this is no time to try , to set values for real estate when everything is abnormal and there is little sale for anything. As long as the values are equitable it matters little whether or not they may be Editor, Daily News:above or below actual selling prices.

In Edmonton the city is asking for a revision of the char- monious statement issued by the ter to provide that instead of it being necessary to assess city engineer, W. K. Gwyer, which at actual value the assessment must be in proportion to the was published in your periodical respective value of other properties. It is also suggested last Saturday. The insolence of his there that the court of revision should be composed of matched by the other extreme of three experts whose decision should be subject to appeal his attitude the sympathy appearto a judge of the supreme court.

THE PUBLIC LIBRARY

The public library has just completed another year of and playing up to the vulgar egoservice to the community. It is housed in a small and rather dingy building but the number of books handled ex- income taxation we find: ceeds that of any other of its size or with a similar staff. With eight thousand books on the shelves, including most of the classics and a number of the modern volumes, the with income of under \$2,000 paid demand is steady and good reading is encouraged.

During a time like that through which we are passing baying income of \$50,000 and over when some people have not even the price to attend a paid \$4.718,891.00. movie, the library is particularly useful in providing re- As all property taxes and others creation for the people. The newer books ae watched for would bear the same proportion as eagerly and many also ead the books which have stood the income taxes it is safe to state the test of time.

Possibly the greatest work the library does is in pro- of Rupert's population are paying viding reading matter for the young people of the city. national and provincial revenues. During the year seventeen thousand books of a juvenile nature were borrowed and the groundwork of a classic specting unemployment relief exeducation was thus laid.

The hope of the library board is that sufficient funds only on the property owners in this will be provided during the coming year to enable the city but on all the imports in the good work to proceed without check. With half of the to- thods, manufacturing products and tal population actually using the library it has become one all types of commercial transacof the greaest factors for progress in the life of the com- tions. munity.

Prince Kupert

THE FRONT DOOR OF THE PEACE RIVER COUNTRY

Economy is the keynote of all activities today. No money is expended unless it is looked upon as an absolute necessity.

It is at a time like this when the advantages of the Pacific outlet to the sea should be recognized by all Canadians. It is the hope of a very large section of the country, particularly of that new and rapidly growing young empire through which the Peace River flows.

PRINCE RUPERT WAS BUILT TO BE THE WESTERN OUTLET

the logical point from which the grain of the Peace should be shipped. There are other points which might be made available but the railway is already built into Prince Rupert from Edmonton by the best grade of any line on the continent. The port is already here and a fine elevator ready to receive the grain. No expense is necessary except for the piece of railway connecting the existing Peace River railways with the main line of the Canadian National at some point between Hansard and the coast. With that operated jointly by the two big railway companies and with the C. P. R. granted suitable running privileges over the C. N. R. to enable them to do business on an equality with their competitor, the business of hauling grain to the Pacific by the best possible route can commence.

While this is a time when strictest economy is being practised everywhere, it is a time when the employment of labor in a large way is eminently desirable. Men are out of work and must be fed. The reasonable thing would be to set them to work on big undertakings of a productive nature and this Peace River Pacific outlet is one that lends itself to the purpose, especially if one of the longer and more economical routes such as that to Hazelton should be adopted.

SETTLERS ARE STILL POURING INTO THE PEACE COUNTRY

The towns are growing into cities and the villages into towns. The people are a unit in demanding a western outlet and they have adopted the Prince Rupert attitude which is that it be built by the most feasible route to the coast.

The location of this route means everything to the country. If it should be built south instead of west and should go by a tortuous route with mountain grades instead of by way of a perfect water grade to the sea, it would mean that high freight rates would be set to enable the railways to earn dividends under the difficult circumstances. A case in point is that of the C. P. R. which was built through the difficult Kicking Horse Pass and as a result of which a mountain differential had to be established.

It would be little short of a crime to place a permanent embargo on all western shipments from the Peace River country, especially at a time when people are looking for the most economical way of carrying on the business of the country and enabling the farmers to compete with grain growers in other countries to the best advantage. The interests of the grain growers should be paramount. Any line that is built should be for the purpose of serving them and not to advantage any particular port or district.

PRINCE RUPERT IS THE PORT OF THE WESTERN ROUTE

for the products of Northern Alberta and British Columbia. The port has one of the finest harbors in the world, open all the year round and easily accessible from the ocean. It has one of the most up-to-date elevators suited for terminal shipping purposes. It has docks suited for deep sea shipping, a large dry dock and shipyard and other conveniences that go to the making of a port, such as a quarantine station, wireless and radio telephone stations. Nothing is lacking. The port is ready for business, the railway is ready to carry the grain and all that is needed is the western connection with it from the Peace country.

It would seem the part of statesm anship for any government to enable such modern facilities to be used for the benefit of the Peace River farmers and at the same time to provide employment for that army of men who today are clamoring for honest jobs to enable them to live as decent citizens of Canada.

News of the Sport World

LAST NIGHT

Best Game Was Senior Encounter In Which 32 Taxi Beat C.N.R.A.

A small crowd witnessed last night's basketball games. The pick of the evening was the Senior game, when 32 Taxi stopped the C.N.R.A. in a close contest 25-22

In the Intermediate fixture the Tuxis easily defeated the Merchants 24-11. In the Junior game the Rovers turned the tables on the Japanese Young People to the tun of 17-13. The Amazons again exerted their prowess over the Comets 12-7 in the Ladies' League.

Senior Game

This game started fast with both teams very evenly matched. 32 playing combination, demonstrate.1 in the first few minutes of the game that they were out to give the railway boys a trimming. Their guards kept the C.N.R.A. from Dido Gurvich showed that he could Ladies' Game giving them a fur-point lead.

quintette managed to work the the Amazon guards pounce on who sank two consecutive shots to sion of the ball. However, the tie the score. For the next ten girls are trying hard and we minutes the game started to see- should see some fine basketball saw backwards and forwards, with put up by them in the second half the C.N.R.A. having a slight edge of the league. Wrathall shot a couple of nice Amazons-S. Boddie, 4; D. Prit-Taxi team a three-point lead. A. Kach, 2; E. Tite. real battle with personal fouls B. Jack; E. Morris, 2; C. McLeod prevailing. For about five minutes the score was deadlocked at 23-22. neither team being able to find the Basketball Standing basket. Wrathall, however, soon sank one giving 32 a three-point lead which they held until the last whistle blew. The C.N.R.A. had a fine chance to tie the score Panthers on personal fouls but under such C. N. R. A. excitement, could not manage to 32 Taxi drop one through the net.

32 confirmed the phophecy that they could become a real danger- High School ous team when they stopped their Tuxis long shooting, and it should be a Merchants great battle between them and the leading Panthers on Friday night. C.N.R.A.— Smith. 7; Styles, 11; Amazons

Lambie; Morrison; Johnson, 4. 32 Taxi-Doug Stalker; D. Gur- Comets vich, 10; E. Ratchford, 2; W. Wrathall, 10; H. Menzies, 1; S. Gurvich, 2.

Intermediate Game

The Intermediate boys did not put up their usual good brand of Rovers basketball last evening. There were a few flashes of good play but the game as a whole was spoiled through bad passing and muffling.

For the first few minutes, the game was very even but the Tuxis soon demonstrated that it was guing to be a one-sided affair. For the Merchants, McNulty scored couple of long shots from central and from then on the whole team | Moose vs. P. R. Hotel. lost their heads when they tried to imitate McNulty's long shots. This alone was responsible for the prononunced defeat that they took from the hands of the Tuxis. For the Merchants, McNulty and Curry fought well while Thurber was the only one to get going for Tuxis.

Tuxis-K. Nakamoto, 10; J. Movrison 2; R. Morrison, 2; B. Thurber, 6; C. Smith. 4; O. Hanson: B. Moxley; R. Allen.

Merchants-F. Dingwell 2: Pierce, 2; J. Comadina; J. McNuity, 6; S. Currie, 1; J. Yaegar.

Junior Game

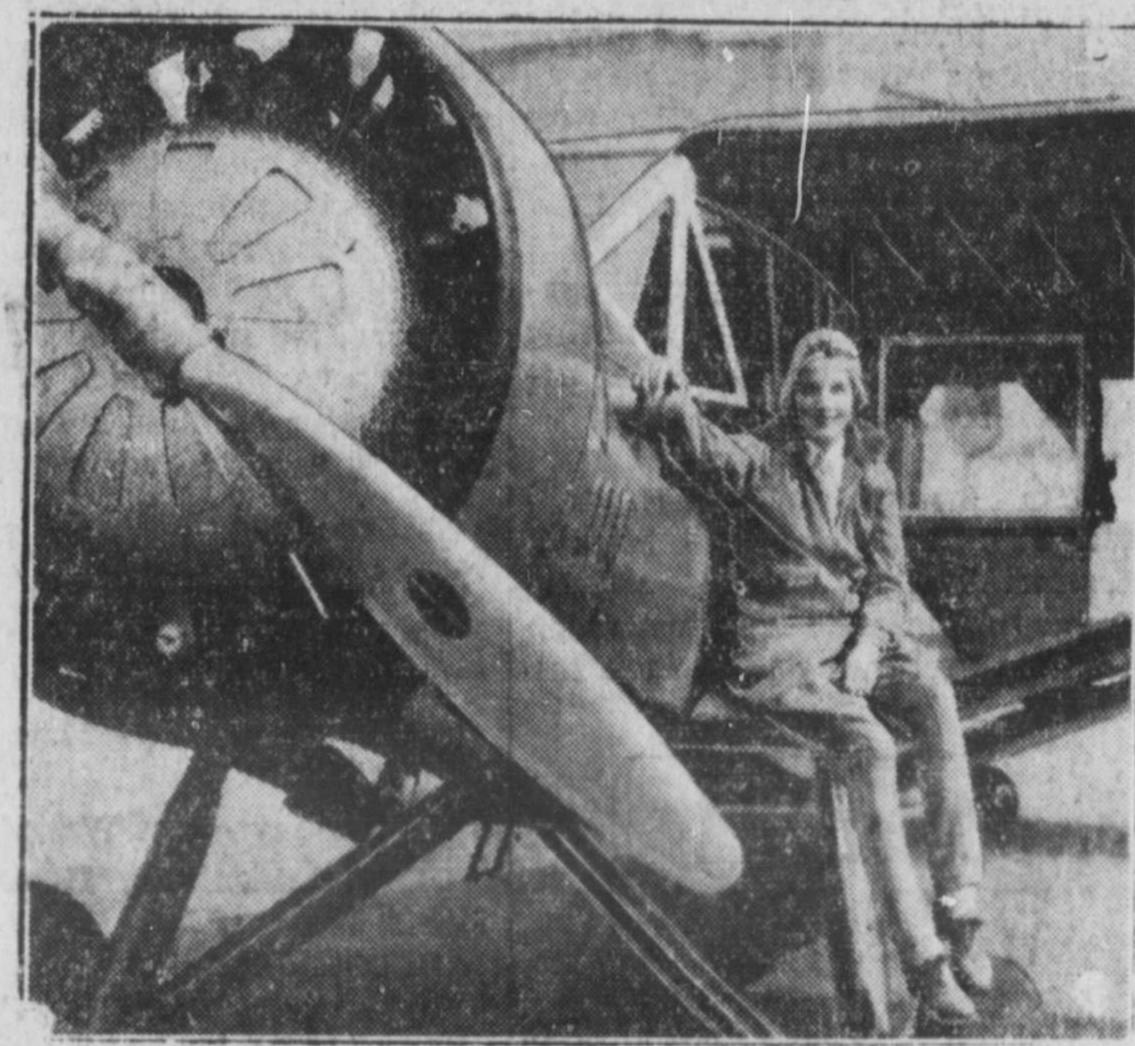

The Rovers surprised themselves and everybody else by taking the fast-stepping Japanese into camp 17-13. The Japanese were a little! weak in their combination and their forwards were pitted agains: a strong defence all the time.

The Rovers played aggressive ball the way through and well de- | Seal Cove vs. Swifts. serve their victory. Given wonderful support by his team, McKinley snared 8 points in the second half | Eagles vs. Musketeers. which gave the Rovers their fourpoint lead, which they maintained until the whistle blew.

Rovers-McKinley, 8; McMeekin McRae, 1; Williscroft, 2; Davis;

Bremner, 6. Japanese Young People-Obata,

Dr. Kiang Uses New Scientific Devices

Cpeaking to the weekly luncheon meeting of the Advertising Club of Montreal recently on "China Today" with special reference to advertising practices, old and new, Dr. Kiang Kang-Hu, Professor of Chinese Studies at McGill University, used a number of newly developed scientific devices, loaned by the Research Products Department of the Northern Electric Company, Limited.

The inside photographs shown here were taken by the new photographic flash lamp which leaves m smoke or odour and is therefore permitted for use in even the finest surroundings. And in order that the speaker's voice might be easily audible without undue strain, a special small lapel type microphone recently developed in the Bell Telephone Laboratories was provided for his use in conjunction with the Public Address System (voice amplifiers). This microphone has been specially developed for use by lecturers who from the nature of their address are obliged to turn away from their audience and point to a blackboard or man and would, therefore, not be facing the ordinary microphone.

Pictures 1, corner of luncheon room; 2, a street scene in old China; 3, Dr. Kiang wearing the new microphone; 4. amplifier truck outside the Mount Royal Hotel.

Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.

Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.

Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of

There is no substitute for

Ovaltine. It is made by an

exclusive process from fresh

eggs, rich creamy milk and

ripe barley malt. Physicians

throughout the world recom-

mend it as a perfect food.

The Vital Concern of Every Mother CREAT care should be exercised to make sure that children do

not outgrow their strength; that they grow normally and regularly, body, mind, and muscle developing at the same rate. Growing children need more nourishment than ordinary food supplies. Give your kiddies Ovaltine. It is delicious and supplies in concentrated, correctly balanced and easily digested form, all the nourishing elements essential for healthy growth. Children enjoy Ovaltine between meals as well as at them. This wonderful food of Nature makes their glass of milk more palatable, more nourishing and much more digestible. Ovaltine builds sturdy bodies, sound nerves and alert minds.

OVALTINE

Cheapest Way of Reaching the People

The cheapest way of reaching practically all the people of Prince Rupert and district is by means of the classified columns of the Daily News.

Nearly everyone has something they could turn into cash through the "For Sale" column. Perhaps they have a house to rent. Here is the chance. Spend 50c on a classified advertisement and secure a tenant rather than have it

If a girl wishes a position or a housewife wishes help, the best means of getting supplied is through a want ad.

Dressmakers sometimes want work; small storekeepers want to move their goods; or maybe you need an article that has been used rather than pay the price for new. Give the Daily News classified columns a trial. Many have been very pleased at the result.

Presbyterian Congregation

Encouraging Reports in All Departments of Church Work

The annual congregational meeting of First Presbyterian Church held Monday evening. The A., presided over a large attendance of members and adherents of the church.

After a brief devotional service conducted by Mr. Hollingworth, the various departments of the church presented reports which showed

To work so successful. the pastor for his inspiring messages and faithful devotion to his congregation, to J. E. Davey and members of the Women's Auxiliary members of the senior and junior and a pleasant hour was spent in choirs who had given so much of conversation. their time and talent to the musical part of worship, to Mrs. J. W McKinley for faithfulness in decorating the church with such good taste each week, to the Women Auxiliary for their faithful services and for the generous gift of a beautiful Communion Table.

E. J. Smith presented the report of the Board of Managers. The board had held ten regular and one special meeting with an average attendance of ten members. This report also showed that there had been a renewed spirit of optimism tion which spoke well for the fu-

ancial condition of the church. presented by A. McKenzie, was quite favorable considering the pressure of the present economic depression. Receipts for the year actually showed an increase over the previous year. From this report it is evident that with the continued co-operation of every church department and the loyal support of all members and adherents, the outlook for the future, as far as finance is concerned, will be very

Mrs. W. L. Sandison and Mrs. J. G. Steen, presented reports from the Women's Auxiliary. The various activities of this organization resulted in a very handsome sum being given to the financial board of the church. During the year ten regular meetings were held, Mrs. D. C. Stuart presided at every one,

giving perfect attendance. Reports from the Women's Missionary Society were presented by Mrs. James Clark and Mrs. D. C Stuart, and a report from the Mission Band was submitted by Miss Beulah McKinley. J. E. Davey reported on behalf of the choirs and B. Ferguson on behalf of the Boy Scouts.
