### REPORT ON CANADIAN NATIONAL PRESENTED TO HOUSE

#### Drastic Economy In Operation Of Railway Is Urged; Cutting Of Officials' Wages Advocated

Stricter Supervision of Expense Accounts Suggested—Method of Auditing Criticized—President's House Deal Deemed Unwise—Would Abandon C.G.M.M.

OTTAWA, May 20:—"In view of the results of the past two or three years, your committee strongly recommends that, until there is a marked improvement in the earnings of the system, capital expenditures should be limited strictly to the barest necessities always consistent with efficiency." So states the unanimous report of the House of Commons committee on railways.

and shipping respecting the Canadian National Railways which was tabled today in the House by R. B. Hanson, M.P., the chairman. The report urges that, in view of the rapid decline of operating revenues, most stringent economy should be exercised by the management in all controllable operating expenditures.

The committee recommends, with respect to executive officers and other salaried officials of the railway, that a thorough revision of salaries downward be made.

Much stricter supervision of all expense accounts of Canadian National officials is recommended by the report of the committee which criticizes the present method of

auditing employed by the system, declaring it to be not sufficient.

Regarding the leasing of the president's residence in Montreal, the committee is of the opinion that the leasing was in contravention of the contract of engagement and, even if legal, was unwise.

Abandonment of the Canadian Government Merchant Marine and the sale or lease of the existing fleet are recommended. This does not refer to the Canadian National service to the West Indies or the coastal steamship service on the Pacific Coast.

Regarding lines recommended to be abandoned, the committee suggests that, where practicable, the government should make arrangements with other shipping companies so that the trade of Canada may be protected.

#### DEATH OF MRS. WADE

Widow of Former Agent General For British Columbia in London Passes Away in South

VANCOUVER, May 20:—Mrs. F. C. Wade, widow of Hon. Frederick C. Wade, former Agent General for British Columbia in London, died here yesterday. Before her marriage, Mrs. Wade was Miss Edith Mabel Read, daughter of the late D. B. Read Q.C. of Toronto. She is survived by one son and one daughter.

#### UNION JACK PLUS SIGN

Speaker at Luncheon Yesterday is Pleased With Beauty of Prince Rupert and Route

W. Solway, Vancouver, commissioner for the Boy Scouts' Association, who has been in the city for a few days, paid a number of compliments to Prince Rupert in a brief address to the Rotary Club yesterday. He said the green grass here was enough to make Vancouver envious. He was much inspired by the beauty of the wonderful inside passage as he came north and he found, on arrival, a beautiful city on a beautiful harbor.

The visitor urged that the city pound away to secure the building of the highway. Once it was built the city would be pestered with tourists just as was Vancouver today. Possibly she would get more than were wanted.

Mr. Solway mentioned the wonderful resources of the province but mentioned that the chief resource was the boys and girls who were growing up. What was B. C. going to do with them? It was a question that had to be answered. In conclusion that visitor hinted at what might come as a result of the coming Empire Conference. He said that the Union Jack was always a plus sign. There was not a minus in it. This was worth noting.

#### Final Rush For Homesteads In Peace R. Block

POUCE COUPE, May 20:—The final big rush to pre-empt homesteads came to an end last Saturday with many filings here and at the sub-agent's office at Fort St. John. Approximately 250 homesteads, comprising 40,000 acres of land, were filed on in the final ten days. In future all land in the Peace River Block must be purchased.

#### SALMON SOLD TODAY

Capt. Johnny Clausen was in this morning with his fish packer Elmer C., bringing 13,000 pounds of spring salmon which sold to the Canadian Fish & Cold Storage Co. at 5c. and 1c.

#### Pope Pius XIII

Calls world to prayer and penance for reign of terrorism and anarchy.

#### Local Member Asks for Facility To Aid Local Farmers in Their Work

Hanson Recalls That Two Former Ministers of Agriculture Admitted Necessity—Conditions in North Different Than in South

OTTAWA, May 20:—A strong plea for establishment of a federal experimental farm in Northern and Central British Columbia was made in the House yesterday by Olof Hanson, Skeena, during discussion of agricultural estimates. "The former minister of agriculture on two occasions," said Mr. Hanson, "went through that part of

#### STARLEIGH ACQUITTED

Verdict of Not Guilty Returned in Murder Case at Prince George Assizes

PRINCE GEORGE, May 20:—Wade Starleigh was acquitted by a jury at the Supreme Court Assizes here before M. Justice A. McDonald on a charge of murdering Jack Frey, his partner in gold mining in the Cariboo district on October 14 last.

Self defence was pleaded by Starleigh, who is 63 years of age. Jack Frey, aged 30, his partner in gold mining near Australian Ranch, had threatened his (Starleigh's) life on more than one occasion. Starleigh declared in testifying on his own behalf. Finally, on October 14 last, he had encountered Frey, carrying a rifle in a scabbard, who again threatened his life. Starleigh declared that he ran thirty feet to his tent, grabbed his rifle and shot Frey through the heart before the latter could complete withdrawing the covering from his rifle.

"He had his chance and I was taking mine," Starleigh told A. M. Johnson K.C., crown prosecutor, when the latter asked him if he had given Frey any warning before he shot him.

#### WELL KNOWN COUPLE WED

Miss Josephine Beale Became Bride of William Stuart Last Evening

The marriage took place quietly last evening at the Church of the Annunciation, Rev. Father Charles Webb O.M.I. officiating, of Miss Josephine Beale, eldest daughter of Mr. and Mrs. Arthur Beale, 624 Sixth Avenue West, and William Stuart, only son of Mr. and Mrs. William Stuart, Second Avenue. Miss Lillian Iverson was bridesmaid and John Saunders groomsmen.

Following the ceremony a reception was held at the home of the groom's parents, many friends being present to offer their congratulations and best wishes. Mr. and Mrs. Stuart, both of whom are well known and popular through many years residence in Prince Rupert, will live in the city.

#### VANCOUVER WHEAT

VANCOUVER, May 20:—Wheat was quoted at 61 1/4c. on the local Exchange today.

#### Attacked By Seven Bears So He Went Up a Tree But Leg Was Badly Lacerated By One of Huge Bruins

PRINCE GEORGE, May 20:—Tony Denacola, section boss at Foreman, east of here, was brought here Monday with lacerated legs as a result of an encounter with seven black bears in the woods near his home. He was taken to the hospital where he told the story of his wonderful escape.

Tony's home is about half a mile from the station. In passing along the path leading to the railway Tony suddenly came upon a group of seven big black bears. They were ordinary grown bears but they looked as big as mountains to the section boss. Seven such brutes were more than he cared to tackle single-handed and unarmed. He instantly decided that discretion was the better part of valor so he shinned up a tree and the bears came after him. One of the brutes clawed his legs, injuring them badly, but they did not get him. He yelled at the top of his voice and his shouting was heard at the station. A man came with a gun and shot one of the bears, scaring the others away.

#### THEFT IS CHARGED

Capt. Alfred Swanson and Hans Berquist Remanded Until Next Week on Allegation

Capt. Alfred Swanson and Hans Berquist, both of this city, were arrested by the provincial police yesterday on charges that they did on or about May 9, 1932, at or near Dundas Island unlawfully steal about 150 sacks of liquor. Swanson appeared before Stipendiary Magistrate H. F. McLeod in provincial police court last night and was released on bail. Berquist appeared before Magistrate MacLeod this morning. Both have been remanded until May 26.

#### Barbers in New York on Strike

Better Working Conditions and Higher Wages Demanded By 3500 Men of Trade

NEW YORK, May 20:—Thirty-five hundred barbers of New York have gone on strike demanding improved working conditions and higher wages.

the country and said it was absolutely necessary, in order to assist the farmers there, to establish not one, but two, farms. Hon. Dr. Tolmie, when minister of agriculture in the federal government, also said that provision in this regard, was highly necessary.

"The Grand Trunk Pacific, now a part of the Canadian National Railways, was responsible for the settlement in that district of a large number of farmers and, both before and after the completion of that railway, farmers took up land there. They have no experimental farm either in Northern or Central British Columbia.

"The experimental farms are in the south where the soil and climate are totally different from what they are in the portion traversed by the Canadian National from Yellowhead Pass to Prince Rupert. I should like to know whether the minister, if he has not yet made arrangements in this regard, intends to look into the matter. I can assure him that it is not a political issue, the necessity having been established by both the examiner of agriculture, Hon. W. R. Motherwell, and his predecessor, Dr. Tolmie."

Hon. Robert Weir, the minister of agriculture, promised to give the matter consideration.

#### DO-X Reaches Harbor Grace

Big German Flying Boat Ready For Hop to Switzerland

NEW YORK, May 20:—The big German flying-boat DO-X arrived at Dildo, Trinity Bay, Newfoundland yesterday afternoon, in the course of a flight to Switzerland from New York. The air liner will likely hop off tomorrow for the Azores.

#### CHINAMAN CHARGED

Wong Sue, who conducts a store on Comox Avenue, was charged in city police court this morning with having liquor where soft drinks are kept and was remanded until tomorrow morning.

#### AMELIA EARHART TO TRY ATLANTIC HOP

HARBOR GRACE, May 20:—A monoplane carrying Amelia Earhart Putman, Bert Balchen, pilot, and Eddie Gorski, mechanic, landed here this afternoon from St. John, New Brunswick. Mrs. Putman plans a solo flight across the Atlantic Ocean.

#### Nothing Will Advertise Prince Rupert Like Flower Gardens Is Statement of Rotary Club Speaker

"I do not know of anything that will advertise Prince Rupert like flower gardens," declared Jack Frew, secretary of the Prince Rupert Flower Society, when addressing the Rotary Club at its luncheon yesterday afternoon, the president, George Munro, presiding. Mr. Frew said he considered flowers would be a great asset to the city

#### WEATHER REPORT

Dead Tree Point—Cloudy, light southeast wind; barometer, 29.80; temperature, 56; light swell.  
Triple Island—Cloudy, light easterly wind; sea smooth.  
Langara Island—Part cloudy, light northeast wind; sea smooth.

#### OATH OF ALLEGIANCE ABOLITION IS PASSED

DUBLIN, May 20:—The bill abolishing the oath of allegiance to the British crown received final adoption by the Dail Eirrean yesterday by a vote of 77 to 69 and now goes to the Senate for ratification.

and he suggested that the club might donate a prize for some particular flower at the exhibition this year.

President G. H. Munro said the club would consider Mr. Frew's suggestion. He acknowledged the value of flowers and gardens to the community and thanked Mr. Frew for the encouraging address.

In part Mr. Frew said: "Horticulture in Prince Rupert is somewhat different than in most places. We have here abnormal conditions which must be counteracted before any degree of success can be hoped for. We have soil conditions that are unusual, heavy precipitation and scarcity of sunshine, all of which act against normal plant growth. Our soil is known in horticultural language as 'peat soil' or more commonly known as 'muskeg,' a condition that is created by the adverse natural elements."

#### BY GONE

Prince Rupert's best citizens has been Prince Rupert many years ago on which he had had to remain to operate it successfully. Then he came under the spell of the depression and it broke him financially and physically. He left Prince Rupert recently to recuperate in the south but did not recuperate and he will not return.

Mr. Bushby was on one occasion candidate for this riding in the Conservative interests but he was too good a man for party politics. Party heeled annoyed him and he caused considerable ill-feeling by his outspoken criticism. However, he stuck by his principles and never wavered. He was beaten but retained his self-respect.

Citizens of the Bushby type are not numerous. It is a pity there are not more of them.

#### THEY ARE ALL WORKING

There isn't any unemployment in Rochester, New York. There was, but there isn't now, says a contemporary.

Rochester waged a private war on depression. Trade was almost at a standstill. Men were idle. Machines were idle. The timid were hanging onto their spare money.

Then Rochester got busy and organized. They decided that the way to wipe out the army of the unemployed was to put men to work. They found jobs for the white-collar men and the men in overalls. They found roofs to reshingle, steps to repair, windows to glaze, walls to paint, cellars to clean out, plumbing to mend, and hundreds of odd jobs.

A goal was set up: two million dollars' worth of jobs. In the end not two, but six million dollars' worth of work had been found. Unemployment came to an end.

Every town can be another Rochester. If there's no local war-on-depression campaign in your community, start one now.

#### NOTHING WILL ADVERTISE PRINCE RUPERT LIKE FLOWER GARDENS IS STATEMENT

(Continued from page one)

ments I have just mentioned. To overcome the adverse soil conditions is, consequently, the first care of the amateur gardener. The soil in its natural state is overcharged with acid and this content must be reduced to more normal proportions before any attempt is made to garden successfully, otherwise only failure will accrue.

#### Proper Drainage

The drainage must first receive attention in order to render the soil more workable, after which all stumps and roots must be removed as these hold excessive moisture and render the attempt to drain the soil abortive. When suitable drainage has been made the soil must be turned over as often as possible and all lumps broken down in order to allow free access of both light and air as these elements alone will through time correct the excessive acidity I have already referred to, but as the action of the elements is somewhat slow the average gardener desires to see quicker results and seeks means of assisting nature in its curative work. For this purpose science teaches us that fertilizers must be used in order to restore the fertility which was destroyed through the over-development of the acid content.

Fertilizers serve different purposes, but that is another subject which must be passed over lightly in a short talk of this nature. Suffice it to say that lime and wood ashes together with other fertilizers should be used in every case. The old fashioned barnyard brand of fertilizer serves the purpose admirably, if well decayed, but it is not the most pleasant thing to handle. Consequently, for the man with the small garden, science has produced other fertilizers that are easier to handle and much more suitable for the small garden. For the best results the lime should be applied in the fall and the other fertilizers in the spring, six weeks or so before time for planting.

#### What to Plant

When the soil has been prepared the question arises: What shall I plant, and this must be left to the individual taste of the gardener as the choice is extensive enough to meet the requirements of the most exacting. Plants can be classed roughly in three classes, perennials, biennials and annuals, and here again the choice must be left to the individual, although to my mind no garden is complete without a perennial border, which with a careful selection of its subjects, can be kept in perpetual bloom from early spring to late fall.

Almost all perennials do well in Prince Rupert and form an ideal background to the well laid out garden as even the foliage of most subjects is attractive although the plant may not be in bloom. To mention but a few, delphiniums, monkshood, columbines, gaillardia, geum, chrysanthemums, phlox, pinks and michaelmas daisies come to one's mind. The biennials are also interesting subjects and oftentimes find places in perennial borders with good effect, such subjects as wall-flowers, canterbury bells, foxgloves, etc., being used to advantage in a small garden where it is not possible to grow these subjects in masses, which is the ideal condition.

In the annual class the greatest choice exists and here the gardener is oftentimes at a loss to know what to plant as there are so many desirable flowers in this class that he is sometimes prone to crowd the space at his disposal in order to accommodate as many as possible. However, my advice to him would be to decide on a few, say stock, asters, snapdragons, marigolds with possibly one or two others as any of these do very well in Prince Rupert and, when he has made his decision, then concentrate on growing them just a little better than the other fellow, because after all a few choice blooms are much more valuable and desirable than a whole mass of inferior ones.

#### Roses

"Another thing that should be

provided for is a few roses as it is remarkable how well these do here in spite of the fact that we are on the short side insofar as sunshine is concerned. Of course, some roses get along with less sunshine than others and these kinds should be grown in preference to the more delicate subjects that require an abundance of sunshine to see them at their best. But even confining oneself to the hardier kinds still leaves an extensive enough choice to meet the requirements of the average amateur. General McArthur, Mrs. John Laing, Mrs. Lon Pain, Frau Carl Druschki, Souv. de Claudi Pernet, J. B. Clark, General Jacqueminot, Mrs. Edward Heriot, are but a few that do really well here.

I have also found sweet peas and gladiolus do particularly well in Prince Rupert and they should be represented in every garden where space can be found for them as, besides being attractive when growing, make ideal cut flowers, remaining fresh for a considerable time after cutting. In fact sweet peas must be cut regularly in order to keep the vines in bloom because if they are not cut and pods are allowed to form the vines immediately cease to bloom.

#### Garden Conscious

It is a worth while object to encourage the citizens of Prince Rupert to become garden conscious because I feel our natural setting lends itself admirably to making of some beautiful gardens and it has been demonstrated during the past two or three years that real flowers can be grown here if properly handled.

If I might be permitted to make a suggestion it would be that this organization sponsor a prize at the annual exhibition for some particular exhibit in order to encourage the growing of real exhibition flowers, which I feel sure will attract considerable attention and go a long way towards promoting this very worthy object."

The fire department had a call at 3:45 yesterday afternoon to the Exhibition Building where there was a smoke scare. No damage was done.

#### Toc H Bridge- Bridge Enjoyed

Pleasant Affair, Final of Season's Series, Held Wednesday With Good Sized Crowd

The local Toc H Society held its final bridge party and dance of the season Wednesday night in Toc H rooms, the affair being very enjoyable for a large gathering which was present. Following cards, delicious refreshments were served and dancing followed.

Prize-winners at bridge were: ladies' first, Mrs. S. A. Kielback; second, Mrs. Ian Fraser; men's first, Jack McRae; second, Gordon Vierbeck.

Heads of the committees responsible for the success of the affair were S. A. Kielback and Reginald Hodgson.

W. E. Baillie, assistant superintendent engineer of Canadian National Steamships, sailed by the ss. Prince George last night on his return to Vancouver after a brief visit here in connection with the overhauling of the steamer Prince Rupert at the local dry dock.

### School Board Confers With School Heads

The board of school trustees was in conference last evening in the office of Booth Memorial School with principals of the various schools of the city in regard to organization for the coming school year starting in September. General satisfaction was expressed by the principals with the personnel of the staffs as now constituted. The matter of salary revision was also up for discussion at the meeting but no announcement in regard to this was forthcoming after the meeting.

Berger Hanssen, who arrived in the city recently from Stewart, will sail tonight on the Princess Adelaide for Vancouver whence he will proceed to New York where, on June 4, he will embark on the steamer Kungsholm for his home in Trenchhjem, Norway.

### OUR BOAST AND PRIDE

It is common knowledge that watch repairing is by far the greater part of the work done in any jewelry store while jewelry repairing or making is always the small end.

From a business or service standpoint which equipment is of greater value to the community, watch or jewelry equipment? Why a complete set of watch repairing tools of course.

That's exactly what we have in our repair department. It is OUR BOAST AND PRIDE to have the BEST and MOST COMPLETE set of watch repairing tools that money can buy, no one has any better, because they are not made, and we doubt if any store in Prince Rupert has anywhere near as good an outfit.

We specialize on Watch Repairing, that's why we guarantee to give you the best possible class of watch repairing at the lowest possible price.

A visit to our repair department will convince you.

### Acidity Overcome

Wonderful Results From Famous Vegetable Pills

Instead of having an acid stomach and being constipated, Mr. Frank C. is well. "I can eat anything since trying Carter's Little Liver Pills," he says. Because they are PURELY VEGETABLE, a gentle, effective tonic to both liver and bowels, Dr. Carter's Little Liver Pills are without equal for correcting Constipation, Biliousness, Headaches, Poor Complexion and Indigestion. 25c & 75c. red pkgs., everywhere. Ask for Carter's by NAME.

Girl Guide Display, Cathedral tonight at 8. Admission free. Collection. 119

Provincial Constable J. C. Devlin will sail on the Princess Norah tomorrow morning for Telegraph Creek where he will be stationed for the summer.

Mrs. Nels O. Olsen and two children, who arrived in the city earlier in the week from Anyox, left on this afternoon's train for Halifax where, on May 30, they will embark on the steamer Gripsholm for a visit to Mrs. Olsen's home in Bodea, Sweden. Mr. Olsen, who accompanied them here, will sail by the Catala Sunday night on his return to the smelter town.

Funeral arrangements are in the hands of the B. C. Undertakers.

## TERRACE MAN DIES

James W. Graham, Aged Interior Farmer, Passes Away in Prince Rupert General Hospital

James W. Graham, well known pioneer rancher of Terrace, passed away at 1 o'clock this morning in the Prince Rupert General Hospital where he had been a patient since last February. He was 78 years of age and a native of the United States. A son lives in Los Angeles and there are also other relatives in the United States.

Funeral arrangements are in the hands of the B. C. Undertakers.

May 20, 1912

J. H. Rogers was the toastmaster at a banquet held in the Central Hotel by local Yukoners in honor of Dr. Alfred Thompson, M.P., for Yukon. The feature of the proceedings was the presentation to Dr. Thompson of a moose-skin address designed by Morte Craig. In addition to the toastmaster and Dr. Thompson, other speakers included W. P. Lynch, Weston Coyne and J. B. Roerig.

H. S. Clements, at a public meeting in the McIntyre Hall, gave an account of his stewardship as member of the House of Commons at Ottawa for Comox-Atlin.

## Her Past Life Far From Happy

Rescued From Misery of Cruel Indigestion and Bad Nerves by Fruit-a-tives

MRS. H. D. writes: "For years I suffered knife-like pains from indigestion, was badly constipated and a nervous wreck. I decided to try Fruit-a-tives. In a short time my stomach stopped troubling me, my nerves calmed down, and constipation disappeared." What more could she say in praise of Fruit-a-tives? They stimulate five vital organs to act naturally—the stomach, kidneys, liver, bowels and skin. Completely overcome indigestion and constipation. 25c and 50c. Sold by all druggists. Try them.

Mrs. A. H. Ray, mother of Mrs. A. G. Rix, sailed last night on the Prince George for Vancouver where another daughter, Mrs. N. M. McNeill, resides.

Donald McIvor was brought to the city last night on the Prince George from Anyox to serve a term of sixty days in jail here, having failed to pay a fine of \$50 imposed at Anyox on a charge of creating a disturbance.

Rev. P. M. Fosse, new pastor of St. Paul's Lutheran Church here, sailed on the Prince George for the south. On his return to the city, he will be accompanied by his wife and family from Bellingham who will take up residence here.

C.P.R. steamer Princess Adelaide, Capt. S. K. Gray, is due in port at 3:30 this afternoon from the south and will sail at 10 p.m. on her return to Vancouver and waypoints. The vessel will stop at the ocean dock first to unload an automobile.

Mr. and Mrs. U. E. Cadden and child left on this afternoon's train for Haysport where they will reside for the next two or three months while Mr. Cadden, who is a member of the Government Telegraph staff, takes treatment at the Port Essington hot springs for rheumatism from which he is gradually recovering. Mrs. Cadden and child arrived this week from Seattle where they have been visiting for some time.

**SPEAKS ON SCOUT WORK**

W. Solway, Commissioner For Western Canada, Addresses Parents

W. Solway of Vancouver, commissioner of the Boy Scouts' Association for Western Canada, addressing a meeting of local Boy Scouts' parents and friends in the H. Rooms last evening, spoke of aims, objects and results after 23 years of Scouting. There were now almost three million boys identified with the Boy Scout movement in various parts of the world, Mr. Solway revealed.

In order that the work might be carried on more effectively here and to stimulate more general interest, Mr. Solway urged the establishment of a local branch of the Boy Scouts' Association.

Scoutmaster P. C. Miller presided over the meeting and there were other speakers.

Wednesday evening Mr. Solway addressed some fifty Cubs, Scouts and Rovers in the gymnasium of First United Church. Scoutmaster Miller was also in charge of this meeting.

Mr. Solway left on this afternoon's train for Smithers. His present tour will take him as far east as Portage la Prairie, Man., and he will visit various points enroute including Prince George and Edmonton.

**District News**

**SMITHERS**

The spring program of municipal improvements started on Monday of this week when a dozen men were put to work on the various undertakings which had been decided upon by the board of village commissioners. Winnipeg Street is being prepared for traffic, other streets are being scarified and a big culvert is being put in at the corner of Main Street and Third Avenue.

The Smithers Athletic Association, at its annual meeting held recently, elected officers for the ensuing year as follows: president, Clarence Goodacre; vice-president, A. H. Forde; secretary, C. A. Warner. The association will co-operate with the Sons of Canada in staging the Dominion Day celebration here.

Dr. R. C. Bamford, Conservative candidate for Skeena in the next provincial election, and Commissioner Charles Morris were speakers at a meeting last Friday night of the Smithers Association of the Unemployed. The meeting decided to carry on municipal work at the same rate of 35c per hour as paid by the provincial department of public works.

C. L. Dimock received a shipment of 150,000 new bees last week for his apiary here. They are being divided into ten colonies of about equal numbers.

With their Ford car piled high with prospecting and camping paraphernalia, Anthony McDonald, Ivor Johnson, Charlie Hansen and Dave Bird left Smithers last Saturday for the gold creeks of the Cariboo.

The City Council has Declared this to be

**CLEAN-UP WEEK**

The City of Prince Rupert has fallen in line with other cities of Canada in organizing a Clean-up Week. The present is a time when all the citizens are asked to see that their premises, front and back, are spic and span with all loose cans picked up, filth cleared away and neatness and tidiness replacing slovenliness.

Citizens are also urged to repair and paint their fences, to paint the house or outbuildings if necessary and to generally keep in line with modern civilization.

Everyone knows that these are difficult times but no one can afford to look poor, even if he is poor. Much can be done at little expense to make the shop front bright, to brighten up the outbuildings or to overhaul the interior. The condition of the home has an effect on every member of the family.

Several persons were only last week making remarks about the appearance of some of the smaller stores in the city where neither landlord or tenant was willing to paint the shop front. The windows never looked really attractive where the paint on the shop front was badly worn or had a shabby appearance. The opinion expressed was that it helped business to keep the place attractive. People do not like to shop in a place that seems to be down at heel.

## LEGION IS TOO GOOD

Merchants Overwhelmed By Five to Nil Score in City Championship Football Series

In a game which was marred by a heavy wind and rainstorm which came up before play had hardly commenced, Canadian Legion defeated Merchants by a score of five to nil in the Mobley Cup (city league) football series last evening, to consolidate their supremacy in the competition to date. Playing downhill, and before the wind, the Legion players scored three of their goals in the first half and, even after the switchover, dominated the play and netted two more. Johnny Murray was responsible for four of the Legion goals while Sam Currie made the fifth.

The inclemency of the weather kept many fans away while the most of those present were driven home as the wind became stronger and the rain more heavy.

Line-ups were as follows:  
 Canadian Legion—S. Gurvich; A. Stiles, F. Gomez; J. Greer, S. Currie, T. Haddon; T. Bussanich, J. K. Murray, C. Baple, J. Mowat and H. Parkes.  
 Merchants—V. Menzie; Douglas, Hardy; C. Hill, A. Dickens, Gilker; L. Amc, H. Dickens, J. McKay, Fong and D. Frizzell.

**City League Standing**  
 The present standing of the Mobley Cup series is as follows:

|             | W. | D. | L. | F. | A. | P. |
|-------------|----|----|----|----|----|----|
| Can. Legion | 2  | 2  | 0  | 10 | 4  | 5  |
| Merchants   | 1  | 0  | 2  | 2  | 6  | 2  |
| Regiment    | 1  | 0  | 1  | 4  | 4  | 2  |
| Home Oil    | 0  | 1  | 1  | 1  | 3  | 1  |

## SOFTBALL BY SCHOOL GIRLS

The Wild Cats got away to a good start and scored three runs in the first inning of the High School girls' softball game yesterday. The fielding of the Invincibles was wild and they allowed the Wild Cats eight more runs in the second. Both teams worked hard in the third and fourth innings and prevented any runs being scored. The Wild Cats put forth a determined effort and scored three runs in the fifth inning.

Throughout the game the Invincibles did not show any sense of direction in their throwing. The Wild Cats had good team co-ordination. The score at the end was 14-5.

Wild Cats—Kathleen Kellback, Eleanor Sievert, Bee Berner, Margaret Fritz (capt.), Isobel Birrell, Gudrun Welle, Elizabeth Sturgeon, Eva Morris.

Invincibles—Jean Ritchie, Lillian Jones, Margaret Mussallan, Vienno Lehto, Beverly Jack, Lucille Brooksbank (capt.), Rose Rice, Enyd Morris.

Umpire, Miss M. Delaney. Scorekeeper, Maxine Heilbroner. Reporter, Enyd Morris.

## BASEBALL TONIGHT - 6:45

S. O. C. vs. EMPRESS

## SPORT CHAT

If Old Man Weather decides to favor us with blessings tonight, the Prince Rupert senior baseball season should get off with a bang when Sons of Canada, winners of the city championship for the last two years, hook up with the Old Empress team. Elks and Empress were to have started things off on Monday night but wet grounds and rain prevented the game being played.

Manager Stan Moran of the Canucks has his youthful players all lined up for the opener, with almost the same squad as he played last year. Bobby Stalker, who cavorted around the left field garden last season, will essay to hold down the catcher's position. Bill Lambie, old reliable of the Sons, will do the heaving while Styles, Eddie Smith, Johnson and Moran will fill the infield. Bury and Comadina are expected to play in the outfield while Doug Frizzell or Jim McNulty will fill the third position in the outer garden. Kanaya, one of the inter-mediate, will turn out as a utility infielder. McNulty and Kanaya are the only two new members of the team.

There will be a few new faces on Benny Windie's Old Empress line-up when it takes the field. Dido Gurvich is expected to catch while Jack Nelson will do the mound duty for the Hotel boys. Douglas, a new player in town, will play first, with Kenny, Windie and Vic Menzie filling in the other infield positions. George Howe and Doug Stalker, who have been traded from the Elks, will cavort around the outfield along with Hibbard, who contributed a lot of punch to the Empress batting line-up last year, or Lawrence, another newcomer. Fong, who plays first base for it.

## SPURT BY SENATORS

Took Both Ends of Double-Header From Yankees Yesterday and Latter Have Only Technical Lead Now

NEW YORK, May 20—The winning streak of the New York Yankees ended at nine straight games yesterday when the Washington Senators made one great effort to take both ends of a free-hitting double header, reducing the supremacy of the Yanks in the American League to a mere mathematical lead and a tight one at that. Philadelphia Athletics moved into fifth place along with the St. Louis Browns by defeating the lowly Boston Red Sox in the only other American League game yesterday.

In the National League, Chicago Cubs extended their margin of leadership to three full games over the Boston Braves by defeating the Cincinnati Reds in a close game.

The cellar-dwelling Pittsburgh Pirates won a tight victory from the Brooklyn Dodgers in the other National League game, the Dodgers, as a result, dropping into seventh place below the idle New York Giants.

Yesterday's Big League scores:  
**AMERICAN LEAGUE**  
 Boston 2, Philadelphia 4.  
 Washington, 8 12, New York, 6-7.  
**NATIONAL LEAGUE**  
 Brooklyn, 2, Pittsburgh, 3.  
 Chicago 4, Cincinnati 3.

Canada's adverse balance has been reduced to the balancing point.

Empress inter-mediate, will be held as a reserve infielder.

Jimmy Farquhar and Fred Stephens will be on hand to take care of the umpiring duties. Mayor C. H. Orme, honorary president of the league and donor of the handsome cup for which the boys will be battling, is expected to toss the first ball over the pan (if he can), and Aid, Rudderham, president of the league, will do his best to catch the peace at Anyox on a charge of creating a disturbance.

**Are you handi-capped at the office?**

To put in a full day's work, you need a full man's strength. A man, half-sick from constipation, has less chance to succeed in today's keen competition.

This insidious condition often causes headaches, loss of energy, sleeplessness. It takes the edge from your working hours.

Laboratory tests show Kellogg's ALL-BRAN supplies "bulk" to exercise the intestines, and Vitamin B to tone the intestinal tract. ALL-BRAN also has iron for the blood.

The "bulk" in ALL-BRAN is similar to that of lettuce. Within the body, it becomes a soft mass, which gently clears the intestines of wastes. How much better than using pills and drugs—so often harmful.

Two tablespoonfuls daily will correct most types of constipation. ALL-BRAN is not habit-forming. If your intestinal trouble is not relieved this way, see your doctor.

At all grocers. In the red-and-green package. Made by Kellogg in London, Ontario.

**HELPS KEEP YOU FIT**

### TEA AND SALE AT SEAL COVE

A successful tea and sale of home cooking and fancy work was held yesterday afternoon by the Women's Auxiliary of St. Peter's Anglican Church in the Seal Cove Parish Hall.

The hall was nicely decorated for the occasion with spring flowers and foliage and many ladies called during the afternoon to lend their patronage to the affair.

The affair was opened by Canon W. F. Rushbrook who, after prayer, made a few remarks appropriate to the occasion.

Mrs. G. A. Kelsey was general convener with the following ladies assisting:

Tea Room—Mrs. F. W. Stamp-Vincent (convener) assisted by Mrs. D. Sievert and Mrs. A. Hill-Tout; Mrs. W. H. Goodsell and Mrs. H. B. Eastman, pouring.

Home Cooking—Mrs. W. V. Tattersal and Mrs. C. J. Norrington. Fancy Work—Mrs. S. E. Sunbury and Mrs. W. O. Vigar.

Cashier—Mrs. A. Frebourg.

### UNIQUE PICTURE

"The Viking" Is Thrilling Film Actually Produced in Arctic —Bob Bartlett Seen

"The Viking" is the much-discussed feature picture this week-end on the screen of the Capitol Theatre here. The Arctic scenes in "The Viking" were taken on the ill-fated expedition of the spring of 1931 when the producer, Varick Frissell, and 25 others lost their lives when the sealing ship Viking, after which the picture is named, was destroyed by an explosion off the coast of Newfoundland. At the time of the disaster, the company was making a few final ice shots to complete the picture. The authenticity of the scenes and the sound recording, the first ever to be made in the Arctic, is unquestioned and adds immeasurably to the realism and entertainment value of the picture. The production, besides presenting a thrilling story, has unusual educational value and is distinctly unique.

The rivalry of two Newfoundland sealers for the love of a girl provides a tensely dramatic story that is enacted against the bleak backgrounds of the Labrador ice-fields which are showing in all their vast grandeur. An excellent cast of Broadway players enacts the story. The world-famous sealing skipper, Capt. Robert Bartlett, well known in Prince Rupert through visits here a few years ago in command of his auxiliary schooner Effie Morrissey in the course of a scientific expedition to the Aleutian Islands and Behring Sea, figures prominently in the picture, thus giving it a distinct touch of local interest.

A thrilling mystery picture "The Secret Witness," starring Una Merkel, William Collier jr., Zasu Pitts and Purnell Pratt makes an excellent companion picture for "The Viking" on a special week-end double bill.

Miss Frances Cross sailed last night on the Prince George for a holiday trip to Vancouver and Victoria.
