CASE IS DELAYED

Preliminary Hearing of Swanson and Berquist May Not Proceed For a Few Weeks

Owing to the fact that he had only been instructed two or three hours before the opening of the case to act as counsel for Alfred Swanson, one of the accused, T. W. Brown asked and was granted by Stipendiary Magistrate H. F. MacLeod in provincial police court yesterday afternoon an adjournment of eight days in the preliminary trial of Alfred Swanson and Hans Berquist who are jointly charged with theft of about 150 sacks of liquor on or about May 8 at or near Wales Island. L. W. Patmore is acting as counsel for Hans Berquist who is still in jail, having not raised bail. The prosecution is being conducted by Staff Sergeant Alex McNeill.

At the opening of the hearing, Staff Sergeant McNeill asked for an amendment to the original information which gave May 9 as the late and Dundas Island as the place. The information reads that the liquor alleged to have been stolen by the accused was "the property of a person unknown."

Just as Inspector John Macdonald was about to be called as the first witness for the prosecution, Mr. Brown interjected and asked for an adjournment as he had only received his instructions to act for Swanson about two hours previous. He felt that the accused was entitled, as a matter of course, to at least one adjournment when the prosecution had already been granted one.

Staff Sergeant McNeill, in objecting to the adjournment, pointed out that Swanson had been fully advised of when the case was to come up. Only that morning he (Swanson) had been asked if he intended to have counsel and he had declared that he did not intend to. The prosecution had made all its plans to go ahead at this time.

L. W. Patmore, counsel for Berquist, stated that he was ready to go ahead now but he felt that Swanson was entitled to the adjournment requested. Mr. Patmore explained, however, that he would be away from the city in eight days and that he would desire to have the preliminary trial adjourned until such time as he returned.

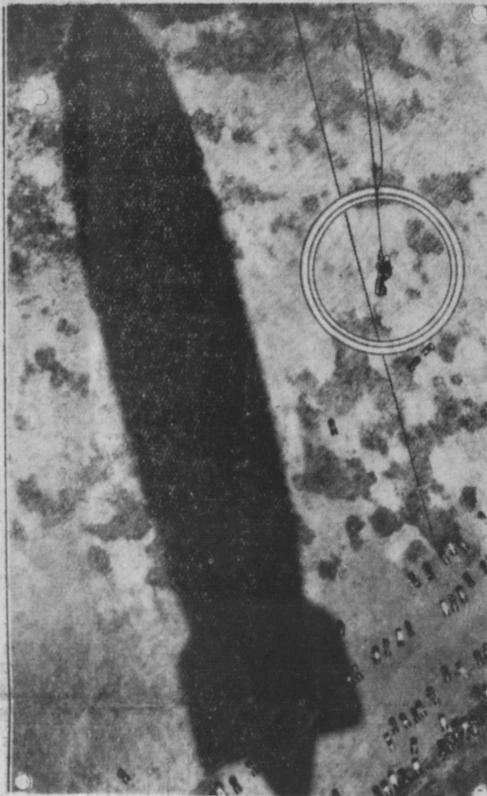

Magistrate MacLeod finally agreed to adjourn the case for eight days with such additional adjournment as may be required pending Mr. Patmore's return. The magistrate declared, however, that he did not wish to have the hearing dragged along all summer.

It was revealed that the police have one more arrest in view in addition to the four which have already made in connection with the liquor in question.

The boat was towed into Oceanic and a search was instituted by Japanese. On Tuesday the body was recovered close to Oceanic as a result of dragging operations.

DEATH BY DROWNING

Medical Examination Establishes Nature of William Mitchell's Fate—Found Near Spot

William Mitchell, 27-year old son of Mr. and Mrs. John R. Mitchell, lost his life by drowning late Saturday evening in Shawatlans. This fact was established by medical examination of the body following its recovery at noon yesterday by dragging operations.

The body was recovered almost at the identical spot where the young man was believed to have disappeared on Saturday evening after having assisted his young companion, Robert Kelsey, to safety following the upsetting of a small skiff in which they were angling.

The dragging operations concentrated on the locality where the body was found yesterday following the bringing up on Tuesday of fragments of wool believed to have been from the sweater of deceased. Diving to the snags on the bottom, preparations were being made to send down a diver when the drags finally brought up the remains.

During yesterday there had been some six boats and about twenty-five men engaged in dragging under the direction of Corp. A. W. Stone, provincial police.

An inquiry was held this afternoon by Coroner Norman A. Watt who satisfied himself that the circumstances of the tragedy had been entirely accidental.

The funeral will take place tomorrow afternoon from First Presbyterian Church of which deceased was an active member.

General arrangements for the funeral are in the hands of the Elks' Lodge under the direction of William McLeod, exalted ruler. Members of the Elks' Lodge and Gyro Club will pay their final tributes of esteem and respect for their deeply lamented member by attending the church in a body and taking part in the funeral procession. Rev. W. D. Grant Hollingworth will be the officiating clergyman.

Sergeant W. J. There have been some instances where young children have been allowed to stay out until nearly midnight. There will have to be fuller co-operation on the part of parents if prosecutions are to be avoided, the sergeant declared.

PASSING OF THOS. BRICE

News Received in City This Morning of Death of Well Known Royal Canadian Mounted Police Officer

Many friends in Prince Rupert will learn with feelings of deep regret of the death which occurred this morning at Shaughnessy Military Hospital at Vancouver of Sergeant Thomas Croseier Brice, who for years was a member of the local detachment of the Royal Canadian Mounted Police. Last winter Sergeant Brice was a member of the Liard detachment of the Mounted Police and early in February he sustained severely frozen feet while on patrol near Carmacks, Y.T. He was taken out of the north country by plane and accompanied to Vancouver by Inspector T. V. Sandys-Wunch. Ever since arriving in Vancouver he had been in hospital and death followed an operation for stomach ailment. His death was quite unexpected as far as local friends were concerned.

Forty-three years of age, the late Sergeant Brice was born in London, England, and received his schooling there. He served in France during the Great War. He joined the Mounted Police in 1919 and soon after he came to this district with the Mounted Police being for seven years stationed in Prince Rupert. Later he was transferred to Teikwa from where he was moved to Vancouver. It was from Vancouver that he went into the Liard River district as second in command of a newly established detachment there.

The late Sgt. Brice was a member of Tsimpean Lodge A. F. and A. M. of this city. There are no relatives in Canada.

BOOTH WINS IN SOCCER

Defeated Borden Street School By Odd Goal in Junior Football League

It was only after a strong finish that Booth Memorial School was able to make the goal that gave a narrow win by two goals to one over Borden Street School last evening in a regular Junior Football League fixture.

Booth players had hill and sun in their favor and pressed most of the first half. Gomez shot just past and later Nelson was nearly through but lost control of the ball. Borden now had more of the game and Blake did well to save at the upright from Shruballs. Eby got the ball away when things looked dangerous for Booth and then Gomez came through to put Booth a goal up. The lighter Borden players were fighting hard but lacked the strength to clear strongly. Nelson later hit the upright from close in and Annesley cleared from McMeekin and again from Gomez.

Borden was dangerous and Shruballs shot past. They forced a corner but it was cleared. Booth then made headway and Hong cleared as did Currie a moment later when Gomez was dangerous. Lindsay made a good run but Ritchie cleared. Shruballs was limping from a bad kick but pluckily stayed in the game and was rewarded by beating Blake for the equalizing goal. This gave new life to the game and Gomez and Nelson were dangerous till McMeekin luckily turned a cross from Nelson past Annesley. Just after a cross from Gomez went right across the goal mouth but MacDonald missed. Borden attacked but Fulton cleared and Booth held the one goal lead.

Booth—Blake; DeMarco, Ritchie, MacDonald, Eby, Fulton; Nelson, Lear, Gomez, McGreish, McMeekin.

Borden—Annesley; Currie, Hong; Naylor, Veitch; Houston; Lindsay, O'Neill, Shruballs, Campbell, McGuire.

Referee—D. H. Hartness.
Linesmen—A. Ivarson and Willis-croft.

FALCONS ARE NOW LEADING

High School Softball Game Played on Wednesday

In yesterday's regular High School softball fixture, the Pirates were defeated by Falcons by a 10-5 score. As a result, the Falcons consolidated their first place position.

Although the score was very close at times, the Falcons had no trouble in dealing with the Pirates and were able to keep a comfortable lead all through the game. The play was ragged at times and, as a whole, it was not up to the standard of previous games. The Pirates were short some of their players and no doubt will make a better showing next time.

The batteries for the Falcons were Allen and Christenson and for Pirates Kanaya, Nakamoto and Postulo.

Umpire—W. Tobey.
Base Umpire—H. Morgan.
Scorekeeper—Y. Kishimoto.
Reporter—S. Kanaya.
The next game will be played on Friday.

WILDCATS WIN SOFTBALL AT BOOTH SCHOOL

In the Boys' Softball League at Booth Memorial School Ritchie's Wildcats turned the tables on Gomez' Hornets yesterday afternoon when they scored 15 runs to the latter's nine.

The Hornets got away to a flying start, scoring six runs in the first and one in the second, while McGreish held the Wildcats scoreless. But the Wildcats added three in the third, six in the fourth, four in the fifth and two in the seventh while the Hornets could only score one in each of the fifth and sixth. Ritchie did some heavy hitting while Emmerson's catch was a fielding feature. Snidal did some clever base running.

Wildcats—Gillis c., Grosvenor 1b, McMeekin 3b, Ritchie p. (captain), Snidal, Hirano cf., Emmerson rf., Dell ss., Berner lf.

Hornets—McGreish p., Lear rf., Gomez 2b. (captain), Larsen lf., MacDonald c., Nelson cf., DeMarco 3b., Eby 1b. (captain), Fulton ss.
Umpire—J. Hutchinson.

SOLD WIFE IN LONDON

This Happened Just One Hundred Years Ago in English Metropolis

LONDON, May 21.—The Times of 1832 had the following account of the sale of a wife. "On Saturday, the seventh inst., the inhabitants of this city witnessed the sale of a wife by her husband who spoke nearly as follows:

"Gentlemen—I have to offer to your notice my wife, May Ann Thompson, otherwise Williamson, whom I mean to sell to the highest and fairest bidder. She has been to me only a bosom serpent. I took her for my comfort, and the good of my house, but she became my tormentor, a domestic curse, a night invasion, and a daily evil (great laughter). Gentlemen, I speak truth from my heart when I say, may God deliver us from troublesome wives and frolicsome widows (laughter). Avoid them the same as you would a mad dog, a roaring lion, a loaded pistol, cholera morbus, Mount Etna, or any other pestiferous phenomena in nature. Now I have shown you the dark side of my wife, and told you her faults and her failings; I will not introduce the bright and sunny side of her. She can read novels and milk cows; she can laugh and weep with the same ease that you could take a glass of ale when thirsty. "She can make butter and scold the maid, she can sing Moore's melodies, and plait her frills and caps; she cannot make rum, gin or whisky, but she is a good judge of the quality from my experience in tasting them. I therefore offer her, with all her perfections and imperfections, for the sum of 50s."

After an hour or two she was purchased by Henry Mears, a pensioner, for the sum of 39d. and a Newfoundland dog (\$10).
