ASK VOTE ON BOOZE

Democratic Poll in Favor of Referendum on Repeal of 18th Amendment

NEW YORK, Jan. 6.—John J. Raskob, chairman of the Democratic national committee, announced yesterday that members of the Democratic party who had contributed to the party's campaign funds in the last presidential election were overwhelmingly in favor of a popular vote of the people being taken on the subject of repeal of the Eighteenth Amendment.

Raskob's announcement following the taking of a poll on the subject of 7500 persons who contributed to campaign funds in 1928.

BOYS MAKE GOOD HERE

After Three Years' Farming, 40 Youths Return to England for Christmas

MONTREAL, January 6.—Ruddy browned, cheerful at the thought of seeing their parents once more, some 46 British youths, brought to Canadian farms by the Salvation Army within the past three years, passed through Montreal recently on their way home for their Christmas holidays.

Farm pay is small especially for untrained boys coming from factory cities of the Old Country, yet these boys managed to save enough money for their return passages and something besides to give to parents who are feeling the stress of hard times in England.

"You've got to work hard in this country. No use staying in Canada if you don't want to work. But then I can't complain at that and I've always had good treatment wherever I was." So said Charles Landsell, London youth, unemployed and with no prospects of work before he came to Canada.

In England these boys would be on the dole, or, perhaps in factories. Now they are converts to farm life. They like it. They will return to it.

The party was accompanied to Montreal by Major E. Brace of Woodstock, Ont., and Commander L. H. Smith of Smith's Falls, Ont.

CUT BOXES FEBRUARY

Market For Spruce Clears Not Very Favorable—Local Cut to Common Stock

The Big Bay Lumber Co.'s sawmill at Seal Cove will probably be manufacturing boxes by the middle of February but it will probably be the first of March before cutting of lumber starts, it was stated at mill offices this morning.

Little immediate improvement in the market for spruce clears either for rail or water shipments is expected and, therefore, the plant will probably be largely engaged this year in the cutting of common logs. In view of this, the extent of the operations will depend largely on local support which is accorded the product, it was stated.

Salmon boxes to be manufactured for the early part of the season, at least, will be taken care of out of lumber stock already in the mill yards.

VANCOUVER WHEAT PRICE IMPROVED

VANCOUVER, Jan. 6.—Wheat was quoted at 62 1/4c on the local exchange today, showing a gain of 1 1/4c over yesterday.

SEATTLE FEELS SECOND QUAKE

SEATTLE, Jan. 6.—For the second time within a week, Seattle and vicinity felt an earthquake shock yesterday. The tremor commenced at 2:13 p.m. and continued for half a minute. Everett and district also felt the shock. No damage is reported.

GREENVILLE CHRISTMAS

Celebration of Yuletide Extended Over Ten Days

GREENVILLE, Jan. 6.—The council and members of the Greenville Band united in their efforts to make Christmas a time of joy for everyone. The village was decorated with fir trees and many of the houses showed signs of much labor in decoration. A white mantle of fresh snow gave the appearance of a clean background for the occasion.

The festivities commenced on Monday, December 21 when the Greenville Concert Band gave an excellent program of music in the Community Hall. The hall had been prettily decorated with evergreens and colored streamers and it spoke much for the artistic taste of those responsible. The hall was packed and it seemed as if everyone in Greenville was present. The following was the program, all the items Continued on Page 3.

ONE DEAD IN CRASH

Son of Local Woman Was in Death Car on Pacific Highway Near Seattle Last Week

Bert Anderson, son of Mrs. A. K. Nelson of this city, was probably fatally injured last Friday in a terrific automobile crash on the Pacific Highway north of Seattle city limits. C. B. Gifford, driver of the car in which Anderson was riding, was killed when the vehicle upset and turned over on him. Anderson is now in hospital in Seattle, his mother having left here at the end of last week to be with him. The Gifford car struck one driven by Marshall Wells. The latter told the police that his brakes failed to work when he attempted to stop at an arterial highway.

RIOTING IS CONTINUING

Indian Nationalists Are Restless; Bombay Police Fire on Them

BOMBAY, India, Jan. 6.—Rioting in India continued yesterday. In Bombay British police fired 14 rounds into the ranks of a defiant mob and at least one Nationalist was killed while many were injured.

Firing was not opened until after the rioters had stoned the police.

Nationalist leaders were being arrested by the score in India today as the campaign of civil disobedience gained headway and a boycott of British goods began.

PT. SIMPSON WOMAN DIES

Funeral of Mrs. Paul Price Held Yesterday

PORT SIMPSON, Jan. 6.—The funeral of Mrs. Paul Price, daughter of Capt. and Mrs. Andrew McKay, was held here yesterday. The cortege, led by the Port Simpson Band, went to the Salvation Army Citadel where services were conducted by Rev. V. H. Sansum of Grace United Church, assisted by Envoy Offat, of the local Army Corps.

The young woman died on New Year's Day and the many floral tributes paid her showed the esteem in which she was held. She leaves to mourn her loss, her parents and husband.

The following were among those who sent flowers: Port Simpson Athletic Club, Port Simpson Concert Band; Grace United Church Choir; Salvation Army Corps; Ladies' Aid of the Epworth League and the Ladies' Aid of the Y. P. E. A., Ivy Guild, Mr. and Mrs. R. F. Dudoward, Mr. and Mrs. J. H. Moraes, Mrs. Geo. Woods, Mr. and Mrs. Henry Hellin, Mr. and Mrs. A. Sankey, Mrs. Mary Reid, Mrs. Agnes Brentzen and others. The pallbearers were from the Y. P. E. A. and the Port Simpson Athletic Club.

EMPRESS IS VICTORIOUS

Captured First Half Honors in Junior Billiard League Play

In the fifth game of the Junior Billiard League fixture from last Thursday evening, Paul Johnson (Empress) beat W. Hudson (Hawks) by a score of 200 to 188. The Empress, as a result, won the fixture by an aggregate score of 973 to 872.

This concludes the first half of the season's schedule. The second half will open on Thursday of this week. Empress won the first half of the schedule.

LONDON, Jan. 6.—Weather conditions continue boisterous over the greater portion of the British Isles and Europe with widespread floods reported.

SEED HAD GOOD YEAR

Plans for 1932 Being Formulated With Encouraging Prospects In Sight

VICTORIA, Jan. 6.—A McMeans, seed production specialist of the Dominion Department of Agriculture, stationed at Vancouver, called on provincial horticultural officials to discuss plans for the 1932 program in British Columbia. Growers are to be advised as to visible market requirements, when and what types of seed to plant, as well as being kept in touch with market opportunities through trade contacts abroad.

Seed production in the province reached a large total this year, with an output valued at \$115,000. This included 250,000 lbs. of timothy, 150,000 lbs. of red clover, 150,000 lbs. of garden peas, 5,000 lbs. of dwarf and runner bean seeds, 4,000 lbs. of swede turnips, 7,900 lbs. of mangolds, and flower seeds worth \$20,000.

Clover to England

Eighteen long tons of red clover seed are now in shipment from the province to the United Kingdom in a straight commercial deal. Prizes at home and abroad also aided encouragement to the growers this year, and with few exceptions the product was readily disposed of on the available demands.

Fall shipments of seed potatoes to the Orient, the subject of trade inquiries at this time, may be added to available openings next year. South China, in particular, is said to stand in need of fresh potato stocks, and trial shipments made along this line have encouraged lively inquiry from Hongkong, Canadian trade commissioners have pointed out.

Floods in China and the Japanese embargo have stimulated buying of British Columbia vegetables this Fall, apart from seed stocks, it is stated.

CEREMONIES ON BISHOPS

Rt. Rev. R. J. Renison and Rt. Rev. A. H. Sovereign Consecrated in Vancouver Today

VANCOUVER, Jan. 6.—In the presence of a large assembly in Christ Church Cathedral, Dean R. J. Renison and Canon A. H. Sovereign were consecrated bishops of Athabasca and Yukon respectively today. The consecration services were conducted by Archbishop Isaac O. Stringer of Rupert's Land, former Bishop of the Yukon.

Bishop G. A. Rix of Caledonia was among other bishops who took part in the consecration services.

MINISTER'S REPLY ON UNEMPLOYMENT

Mayor Cyril H. Orme was this morning in receipt of a telegram from Hon. W. A. McKenzie, provincial minister of mines and labor, reading as follows: "With reference to your wire, your city's situation has been wired in detail to Ottawa. Will advise you on receipt of reply from them." Mayor Orme had wired to Mr. McKenzie in connection with the local unemployment and relief situation.

POLICY OF WASTE

The policy of paying out petty doles to the men who are hanging around the city, allowing them just enough to eat sparingly on and giving them nothing to occupy their minds, is not only a policy of waste but is mischievous.

As opposed to this dole policy is the policy of giving men sustenance work such as that carried out of late on the Prince Rupert street grading.

But the unemployment relief work was stopped and the men with families have had to again apply for the dole. Some of the families find it impossible to get along with less than they were receiving when the man was working.

UNFINISHED WORK

It is difficult to imagine that the government would allow the relief work to be unfinished as it is today in Prince Rupert. In two or three weeks most of it could be completed.

WHAT IS HONOR?

Another reason why we think the governments will at any rate make some attempt to carry out the work is because they authorized the full amount necessary and they approved the work in detail.

B. C. Silver Operations For Past Year Reported Upon—Birch Creek, In Atlin District Promising Placer Field

Greater widths have been demonstrated in several sections of the B. C. Silver Mines' holdings in the Salmon area of the Portland Canal district, according to C. A. Banks in his annual report as managing director of the company, which he delivered to the shareholders at the annual meeting of the company in Vancouver.

Shortages and the subsequent working of this ground by H. P. Pearce on a lay up to about 1922 was not profitable. In 1913 a nugget weighing 73 ounces and valued at \$1200, the largest ever recovered in this district, was found on Birch Creek. The creek-bed is shallow ground, varying from seven to eight feet in depth. At present some virgin patches remain on the east side which may repay shoveling.

One of the outstanding features in connection with 1932 development in the Vanderhoof district has been the keen interest in mining to the north of that town which is the starting point from the Canadian National Railways.

First among the gigantic and varied resources which lie contiguous to Hudson's Hope in the Peace River Block are, perhaps, the semi-anthracite coalfields that lie to the west of the town. These fields are heavily bedded in sandstone and are reported to be of the highest quality in Canada.

Twenty-five leases of about forty acres each were being operated by the Discovery Mining & Power Co., sponsored by C. V. Bob of New York, states the report of Dr. Joseph T. Mandy, resident engineer for the northwestern mineral survey district, in the annual report of the minister of mines.

Nightshirts For Men In Style

TORONTO, Jan. 6.—Men are wearing nightshirts nowadays. Pyjamas are losing their popularity. Women always hide things in pillow slips, then forget where they are hidden. Old people lose spectacles more often than any other article. Men are more careless than women. These are observations from behind the scenes at the lost and found office of a well known hotel in this city.

Speeches and prize giving.
God Save the King.
On Christmas Eve Father Christmas arrived in great state and proceeded to the Community Hall where he distributed presents to every child in Greenville who had not received presents from other sources. There were many presents for the grown-ups too. Great credit is due to the Greenville Council for their thought of the little ones who are not so well off as some others and who otherwise would not have received any present for Christmas.

Concert of Music
On Saturday evening the Greenville Choir gave a concert of music

in the Community Hall to a large audience. The following program was presented and credit should be given to Charles McNeil, conductor, and Fred McKay, organist for the manner in which the program was rendered:

Opening Hymn, "Lead Us Heavenly Father, Lead Us."
Anthem, "Tidings of Great Joy,"
Solo, "Sharing of Sorrows,"
Duet, "Life Without End,"
Quartet, "Forgive Them Father,"
Solo and duet, "Star of the East,"
Anthem, "And the Glory of the Lord."

Solo, "Rejoice Greatly, O Daughter of Zion."
Duet, "Take Up Thy Cross,"
Trio, "Star of Love,"
Solo, "Father in Heaven,"
Anthem, "And There Were Shepherds."

After the concert refreshments were served and the evening ended with the singing of the National Anthem.

The festivities continued on Monday evening, December 28, and lasted until the final concert by the Band on Saturday evening, January 2, 1932.

BASKETBALL LAST NIGHT

TH-Bit of Evening Was Senior Game Won By Panthers Over 32 Taxi

Very little public support was given to a fine card of basketball games staged in the Auditorium last night.

The 27-12 victory for the Scouts does not give justice to the defeated Rovers who put up a hard game in the Junior League.

The intermediate game was fast and aggressive as the 25-21 victory for High School over Merchants easily indicates.

The girls' game was good but the Cardinals got going and took the Comets into camp 26-6.

The senior game was fast and the pick of the evening, the Panthers being on the lucky end of a 27-17 score over the 32 Taxi.

Senior Game

It was easily seen after the first few minutes of play that the Panthers would have to give their best to overcome the Taxi boys. The play was very ragged in the first few minutes but it did not take long for the boys to start giving a little action. The Taxi boys had the best of the game in the first half scoring five field baskets to the Panthers' three. Heavy checking, however, on the part of 32 gave the Panthers the opportunity of keeping the score 10-9 on personal fouls for the first half.

The second half started fast which always gives spectators a thrill. Combination was, however, not in the background for those who watched the game closely could see some nice team play. 32, however, not satisfied with the lesson they received in the last game, resorted to long shots which constituted the reason for their defeat.

Macdonald and Mitchell engineered some fast plays for the Panthers keeping the rest of the boys stepping all the time. B. Vance of High School substituted a nice game for the Panthers.

For the Taxi boys Frizzell turned in a fast game with V. Menzies playing a stellar game at guard. The 32 boys should get together and practice a few plays for, with the team they staged last night, they could become very dangerous in the second half.

Panthers—Mitchell (10), Irvine (4), Cross (3), Macdonald (8), Lyons (2), Vance.

JACK KEARNS IS LINING UP WALKER-SCHMELING

LOS ANGELES, Jan. 6.—Jack Kearns announced yesterday that he had entered up on negotiations to match Mickey Walker with Max Schmeling, world's heavyweight boxing champion. Kearns said the bout would take place in Miami rather than in California or Chicago.

BAT WANTS NEW TITLE

NEW YORK, Jan. 6.—Having but one more challenger of his featherweight title to dispose of here Friday night, Bat Battalino, world's featherweight champ, is now casting his eyes upon Tony Canzoneri's lightweight crown.

It has been ruled that Battalino must vacate the feather title before he can take on Canzoneri for the lightweight crown.

(9), W. Wrathall, D. Gurvich (2), D. Frizzell (6), V. Menzies.

Intermediate Game

Fighting spirit was the keynote of this game. Right from the start the Merchants pressed the students. Hard playing, without skill in shooting, is to no avail in a basketball game for, in the first few minutes the Merchants hit everything but the basket. The Students were ragged and did not play good basketball in the first half. Walters was not letting his team down so easy though and went through with a few solo plays to keep his side even with Merchants. On the other hand, Dingwell began to sink a few of his shots and so the first half ended with close play as 11-9 score easily indicates.

Second half started with both teams giving everything they had to make it a real battle. There were personal fouls aplenty but that was just through excitement and fast play. Both teams started to tighten up, the High School swinging back to their flashy combination plays. The Merchants could not stand the pace and broke down in the last 10 minutes using long passes which the students easily intercepted.

Both teams got an equal number of shots at the ring but the High School were not missing and hence were on the victorious end. For the High School, Walters must be complimented on his solo exhibits in the first half and for his steadfast support in the second. For the Merchants Dingwell was the sharpshooter and McNulty also played hard.

Merchants—Dingwell (12), Comadina (1), Currie, Pierce (8), McNulty.

High School—Walters (15), Unger (5), Wingham (4), Vance, Tobey, Forbes.

Ladies' Game

One cannot comment on this game very much for it was the Cardinals' game all the way through. The Cardinals are now using team work to good advantage while the Comets are still needing practice. It looks as if the Cardinals will give the Amazons a real game next Friday.

For the Cardinals both forwards were dead on the basket with the rest of the team giving them wonderful support. For the Comets E. Steen was striving hard not to let her team go down but was given little support.

Cardinals—L. Lowe (4), C. Irvine (12), V. Krievsky (10), P. Stone, A. Gilchrist, E. Rivett.
Comets—E. Steen, P. Harvey (2), E. Morris (2), C. McLeod, B. Jack.

Junior Game

With every game, these younger boys are improving and dishing up a good brand of basketball. Rovers worked a good combination but lacked a sharpshooter. Wilson and Santurbane for the Scouts are becoming dead shots and left their team well in the lead. All the boys were striving to play good basketball.

Rovers—McKinley (8), McMeekin (2), Bremner, Willscroft, Davis (2), Scouts—Wilson (8), Santurbane (14), Miller, Viereck (8), Smith.

SPORT CHAT

Connie Mack looks ahead confidently to 1932, but sees the Yankees as a serious threat. He says: "I regard the Yankees as the team most likely to give us a fight. Their pitching will improve. They have bought some fine talent to bolster their weak spots. Then they have Ruth and Gehrig. The Yanks are a threat and a most dangerous one."

Jack Dempsey, former champion heavyweight boxer, arrived in San Francisco recently for a brief visit. The ex-champion said he had no immediate plans for a comeback but that he would keep in training. He said he expected to keep meeting better and better opponents until he could satisfy himself as to his fitness for an attempted comeback, if one is made.

Art Gagne, formerly of Prince George, veteran right winger of Detroit Falcons, National Hockey League squad, has been turned back to the Olympics, of the International loop. He made his first appearance in an Olympic uniform last Saturday. Gagne has played in Western Canada, for Montreal Canadiens, Boston and Ottawa, and is the oldest man on the Olympic roster.

CULBERTSON LEAD IS FURTHER CUT

NEW YORK, Jan. 6.—Sidney Lenz and Commander Winfield Liggett, in eight rubbers last night, cut the lead of Mr. and Mrs. Ely Culbertson in the 150-rubber bridge marathon by a further 2,000 points. At the end of the 136th rubber last night, Culbertson's side was leading by 14,175 points. Lenz won six of last night's rubbers. The contest will end Friday night.

Bruins Play Tie With Maple Leafs and Take Second Place Alone in American Division

BOSTON, Jan. 6.—By playing a three-all overtime tie with Toronto Maple Leafs last night, Boston Bruins moved into exclusive possession of second place in the American Division of the National Hockey League, advancing ahead of the Chicago Black Hawks with whom they had been tied. The Black Hawks and Detroit Falcons were idle last night.

Montreal Canadiens were defeated 2 to 1 by the New York Americans at Montreal, the Americans cutting the margin between themselves and the Canadiens for second place in the international division to one point.

New York Rangers continued their winning stride by taking the measure of the luckless Montreal Maroons at New York two to one.

Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.
 Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.
 Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

He will grow up strong and healthy

EVERY mother dreams of her baby's future. She pictures the years ahead—sees him growing up through sturdy, healthy childhood to strong, vigorous manhood.

What baby will become depends very largely upon that service of love even more important than the tiny garments so carefully chosen. During the weeks before baby arrives the expectant mother will make quite sure that she will be able to feed baby herself.

So much depends upon this! In babyhood are laid the foundations of future health and happiness. No substitute is equal to maternal milk for giving baby a sound start in life. And no substitute so surely safeguards a child against nutritional diseases, such as rickets.

Doctors, nurses and mothers daily testify to the remarkable value of "Ovaltine" in promoting adequate lactation.

When this delicious beverage is taken before the birth the milk is sufficient in quantity and rich in quality. Even when only taken after the birth the use of "Ovaltine" has quickly effected a radical change in the quality and quantity of the milk. "Ovaltine", moreover, maintains the mother's strength while nursing and ensures a quick return to normal health.

"Ovaltine" is prepared from Nature's foods which are richest in nutriment—ripe barley malt, creamy milk and eggs. It is quickly prepared and easily digested.

There is no food beverage comparable with "Ovaltine". It is the richest in food value, the most economical in use.

Ovaltine is sold at all good stores, in 50c, 75c, \$1.25 and special \$4.50 family size tins, also served at soda fountains.

Cheapest Way of Reaching the People

The cheapest way of reaching practically all the people of Prince Rupert and district is by means of the classified columns of the Daily News.

Nearly everyone has something they could turn into cash through the "For Sale" column. Perhaps they have a house to rent. Here is the chance. Spend 50c on a classified advertisement and secure a tenant rather than have it idle.

If a girl wishes a position or a housewife wishes help, the best means of getting supplied is through a want ad.

Dressmakers sometimes want work; small storekeepers want to move their goods; or maybe you need an article that has been used rather than pay the price for new. Give the Daily News classified columns a trial. Many have been very pleased at the result.

ERIC GEE IS HEARD

Interesting Address Given Prince Rupert Teachers' Association

The Prince Rupert Teachers' Association heard a most illuminating and interesting address last evening at their monthly meeting when Eric Gee, manual training instructor in the schools of the city, spoke on "History as Revealed in Furniture Styles."

It is a truism that the great social movements have been fully reflected in the furniture of the period. The changes from the furnishings of the great baronial mansions to the equipment of the modern homes of the rich and from the labourer's rough unfinished shack to the well furnished home of the present day worker are indicative of the changes of the social conditions with which these changes in furniture have kept step. The decrease in the power and privileges of the aristocracy with the corresponding increase in the liberties of the people can be readily traced by the student of the period styles of furniture.

The Elizabethan style is regarded as the commencement of furniture styles in England. The styles were extravagant but with an underlying seriousness of expression interpreting the changing minds of the people. Liberty was being demanded by the people, and the comfortable chair was being made by the craftsmen, meeting the wishes of the populace. This style was largely influenced by the Dutch and Italian craftsmen imported by Henry the Eighth but with the accession of James the First the Jacobean style began to devolve. Not very beautiful—neither was the character of the king—it later gained much in dignity from the influence of Charles the First. Cromwell and the rigid morality of the Puritans forced a simplicity of design that was soon reversed entirely when the Restoration gave the people unlimited expression and embellishments and ornate gliding resulted.

The William the Third and Mary period was an Anglo-Dutch period. Oak was used less now and the use of walnut was introduced. The Queen Ann style was more typically English and at this time the art of inlay made rapid progress. The varying fortunes of France under the reigns of Louis the Fourteenth, with its wild extravagance, Louis the Fifteenth, with the court poor from the former wastefulness, and the effeminate nature of the reign of Louis the Sixteenth were indicated. Napoleon with his imitation of the Roman Caesars, caused a return to the classic style of ancient Rome and Greece.

The Georgian period was the golden era of furniture with Chippendale and Sheraton the leaders in styles. The Wesleyan movement with its demand for sincerity was reflected in the furniture. Earnestness and honesty were principles that were carried out in the craft of the furniture makers. The statesmen of George the Third were demanding honest work in their statesmanship and the workmen were giving it in the work of their hands. Furniture of that period was made of well-seasoned wood, carefully selected, made to last, and today functions just as satisfactorily as it did when made. Honest work done by honest men for honest people stands the stress and test of time.

Modernistic Style

In closing Mr. Gee referred to the style called modernistic. The two most noteworthy features of the twentieth century would probably prove to be the restlessness and boldness of the period. Nothing is taken for granted but all must be able to withstand the fearless questioning, the cross-examination, the ruthlessness of the inquisitorial mind. The modernistic style answers to the popular demand.

On motion of Miss Rothwell, seconded by Mr. Halleran, a very hearty vote of thanks was accorded Mr. Gee for his extremely interesting talk. Samples of furniture indicative of some of the features mentioned were shown and illustrations were also displayed.

The meeting was presided over by J. S. Wilson who also was in chair for the business meeting which preceded the address. Reference was made to the spending of the moneys which the members of the association are contributing

towards local relief. It was felt that it would be much better to delay the spending of these moneys, which will aggregate more than two thousand dollars, till a later date when a plan by which it may be used entirely for relief purposes will have been completed.

HOME WORK NOT GIVEN

MONTREAL, Jan. 6.—School children are much the same the world over, but it seems in Montreal they talk more than in Montreal. Homework is rarely given, not because the pupils do not need it, but because the parents somehow imagine it reflects on their standing, which remarks are contained in a letter from Miss Ramona Coffey, teacher from the Montreal Roman Catholic schools, who is now teaching for one year in Great Britain.

Homework is rarely given; it is considered a device for keeping parents humble. The boys go swimming once a week, cricket once and football once, and we have boxing every Friday afternoon from 3:15 to 4 o'clock. All sports are part of the curriculum and are, therefore, taken during school hours. The poor children, of whom there is a large number, receive, free bus and tram tickets and free dinners. Those who can afford to pay give fourpence a day for their lunch. They receive meat, two vegetables and dessert. The dinner is brought in huge tins from a caterer nearby, and a woman comes in 15 minutes before time to set the tables and serve out the food. Afterwards all the boys line up and wash and comb themselves while the woman superintends. Quite a job.

There is a fine bathroom in each special school, and another woman is paid by the hour for bathing the children. The result is there is not
