BRACKEN GOVERNMENT VICTOR IN MANITOBA ELECTION

Liberal-Progressive Administration Wins Three to One Margin

Return of Former Regime Was Conceded Soon After Polls Closed as Succeeding Polls Reported Heavily in Its Favor Over Conservatives

WINNIPEG, June 17.—It was not long after the polls closed last night in the Manitoba provincial general election that the re-election of the Liberal-Progressive administration of Premier John Bracken was conceded. The lead of the government was being steadily increased as succeeding polls reported and at 10:30 last night the government was sure of 22 seats and was leading in 11 more. Conservatives had been elected in three seats and were leading in seven. One Laborite had been elected and one Independent was in the lead.

Hard times, the bugbear of governments, failed to defeat the Liberal-Progressive administration of Manitoba. Lieut. Col. Fawcett-Taylor, Conservative leader, and Col. Ralph Webb, mayor of Winnipeg, were among the successful Conservatives. Premier Bracken will run in a deferred election in The Pas seat, his election being assured.

Hon. Ewan McPherson, provincial treasurer, one of the Liberals in the coalition, was defeated by Col. Taylor.

Victorious

Premier John Bracken returned to power in Manitoba with large majority of seats.

WIDE SCOPE CONFERENCE AT LAUSANNE

LAUSANNE, June 17.—It is announced that the scope of the conference here will be so widened as to include practically all economic questions. The United States is taking no part officially but is a very interested spectator and it is understood may even participate if occasion should require.

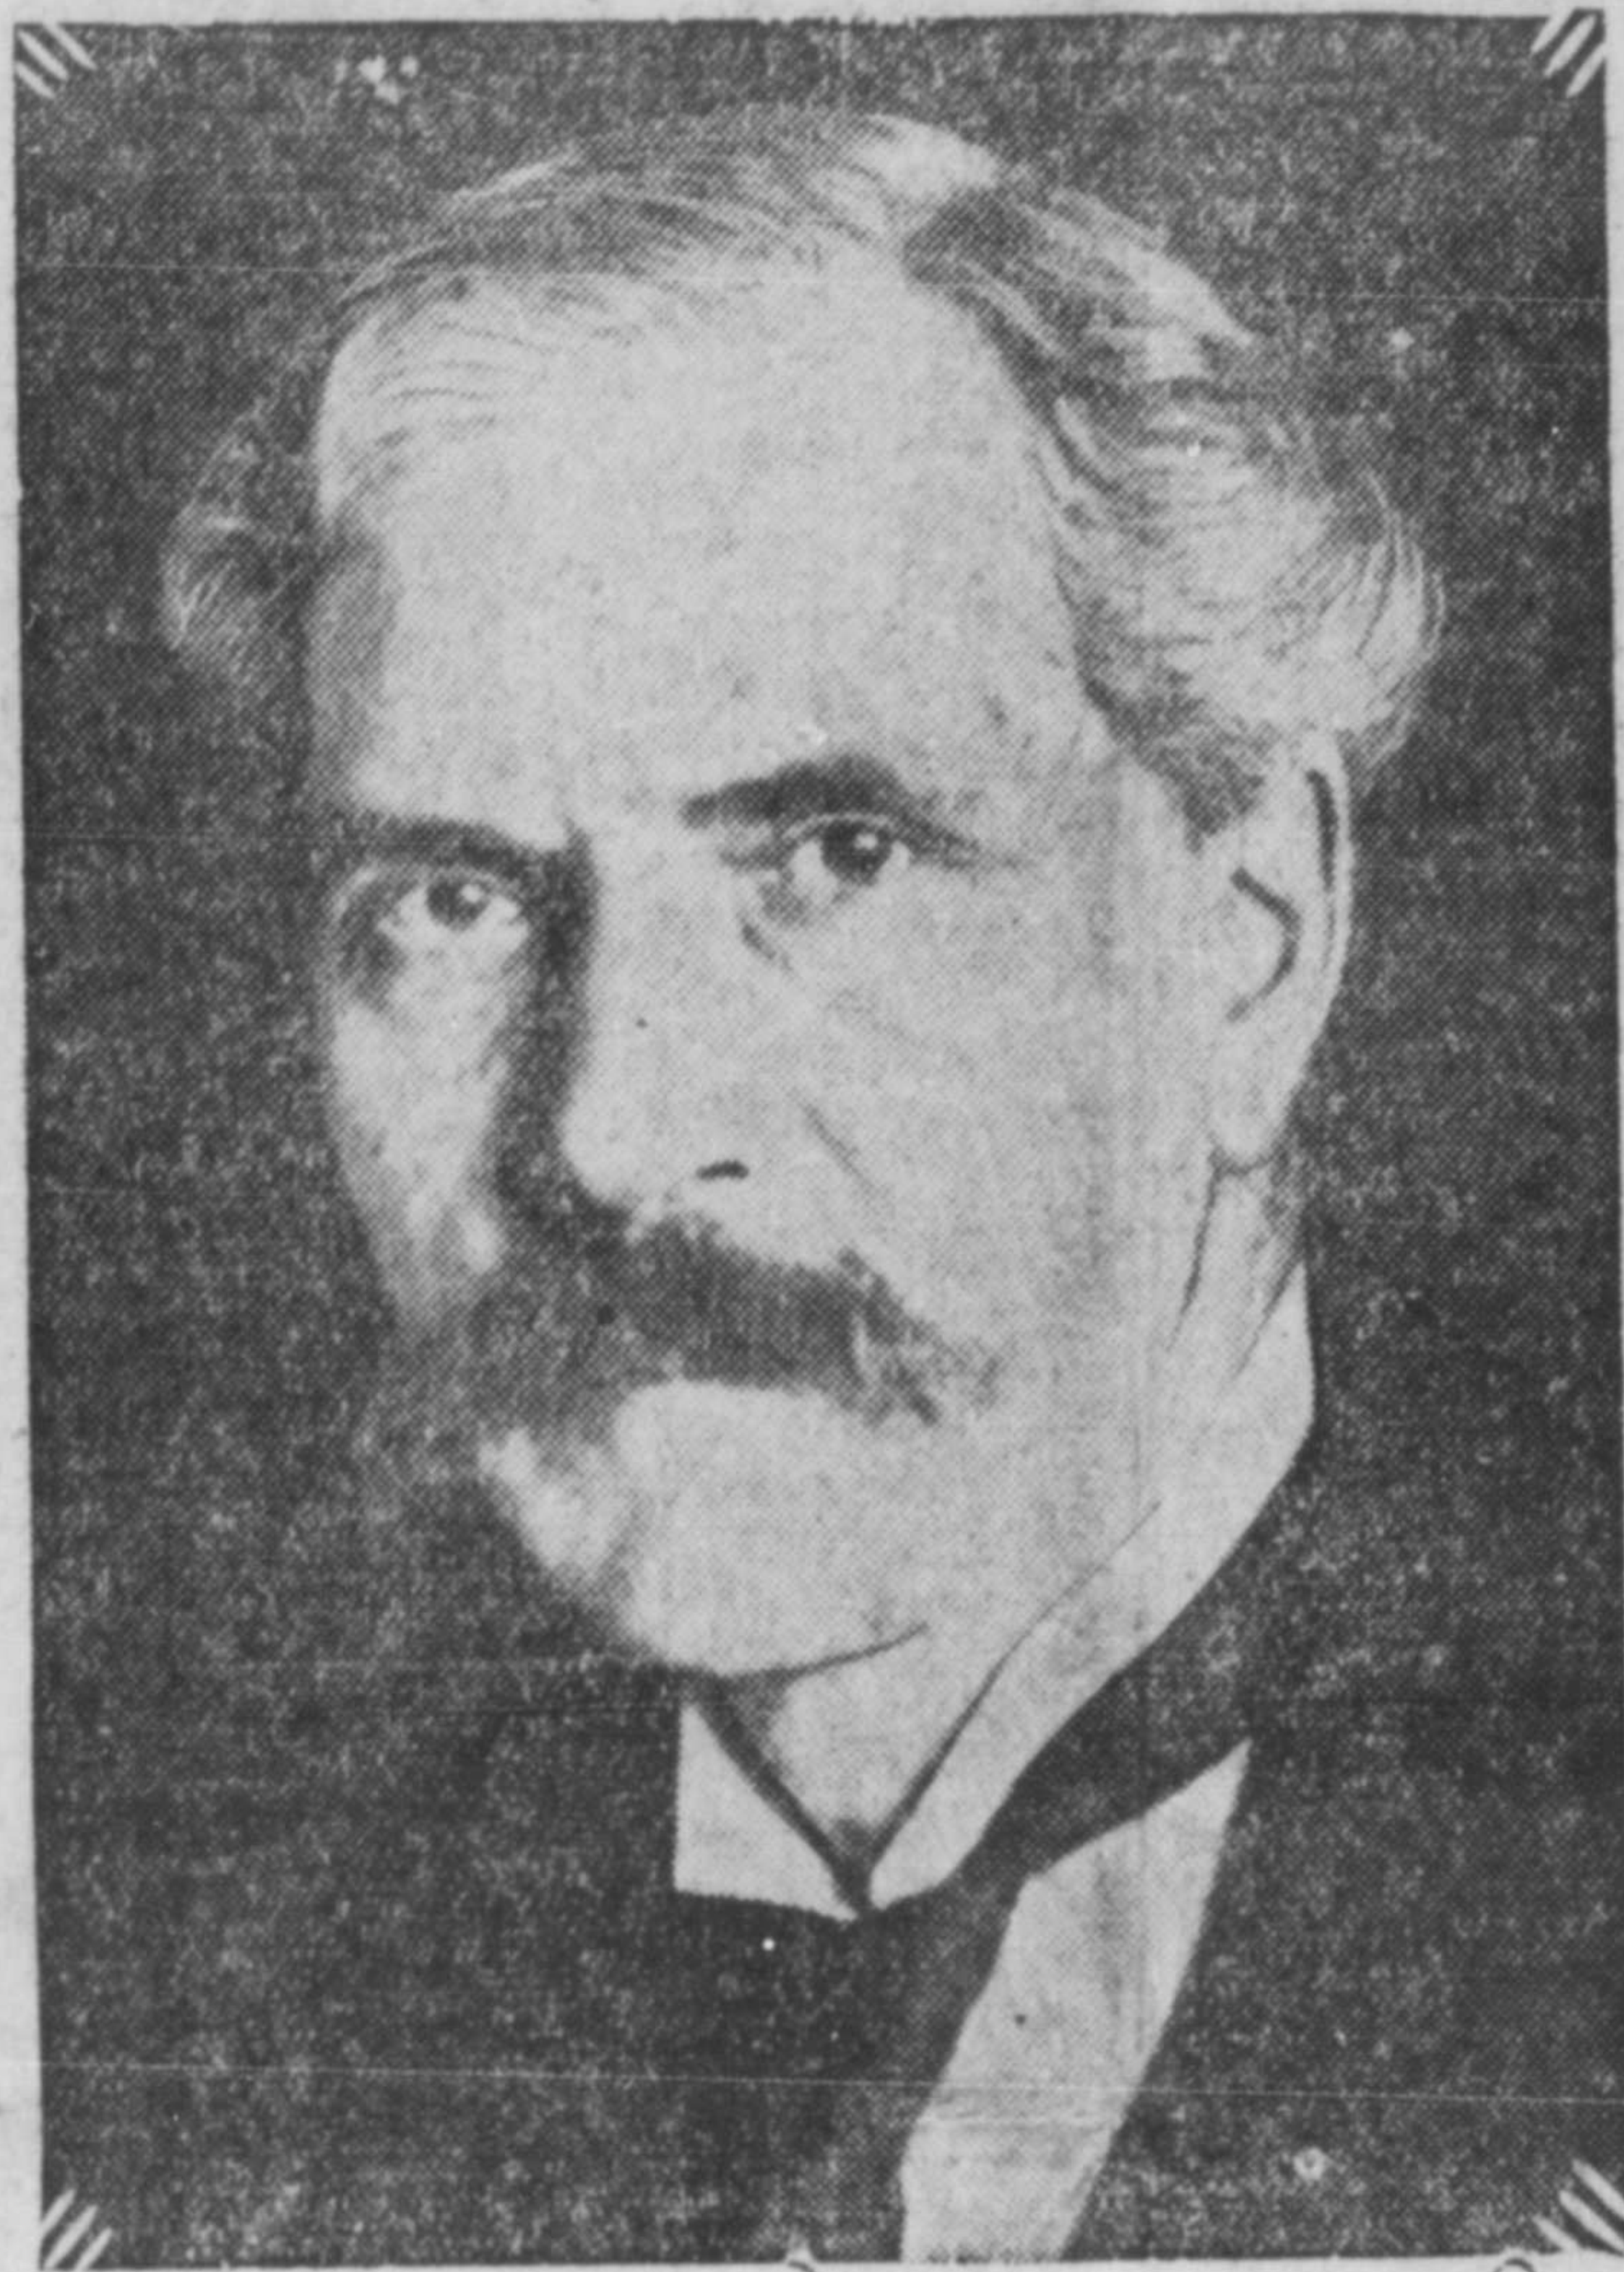

It is expected that arrangements will be made for a brief moratorium for Germany and that this will be followed by a general rearrangement or cancellation of war debts.

So many of the leading delegates to the Geneva conference have moved to Lausanne that the United States delegates remain almost alone.

Halibut Schooner Spray Strands on Bar; Undamaged

The Seattle halibut schooner Spray, owned and skippered by Capt. W. Selsel, ran aground on a sand bar at this end of Metlakatla Passage early this morning while inbound from the fishing banks with a catch of 32,000 pounds of halibut. The vessel was undamaged and came off the bar with the rising tide about 9 o'clock this morning, being in time to sell her catch on today's session of the fish exchange.

Premier J. Ramsay MacDonald who is acting as chairman of the Lausanne war debt and reparations conference.

Hoover Administration Has Dominated G.O.P. Convention On All Issues Dealt With

CHICAGO, June 17.—Only upon the issue of the Eighteenth Amendment has there so far been any threat of revolt against the Hoover administration at the Republican national convention here. This question was finally thrown back into Congress by adoption of the president's plank asking that body to submit an amendment to the states to be acted upon by state conventions.

This was the plank that was supported by the convention by a vote of 681 to 472 as against a straight repeal proposition.

The Hooverian platform, which has been adopted by the convention, proposes safe and conservative matters in such general terms as to give wide discretion to the executive arm. It endorsed operations of the tariff commission, proposed an international economic conference on monetary problems including silver and that Congress should authorize the government to take part in an international conference to be called whenever the Briand-Kellogg Pact may be threatened which, it appears, may be soon.

Twenty-Three Men, Including Fire Chief, Are Killed When Tanker Blows Up in Dry Dock

CANNERY MEN HERE

E. Buschmann, General Superintendent For Nakat Corp., Meets H. B. Friele, Gen. Manager

To meet H. B. Friele, general manager of the company on this coast who arrived in the city on the Princess Louise this morning from Seattle, E. Buschmann, general superintendent of the Nakat Packing Co. who resides in Seattle but who makes his summer headquarters at Ketchikan, arrived here last evening with the company's tender Eskimo, returning to Alaska this morning with Mr. Friele on board. Mr. Friele will visit the company's canneries at Hidden Inlet, Ketchikan, Waterfall and Union Bay. The company operates a fifth cannery at Nakeen in the Behring Sea.

Speaking this morning of prospects for the coming season, Mr. Buschmann stated that the canning industry of Alaska was suffering from the general depression just as the industry in Canada was suffering. However, his company plans operating this year on the same scale as last although it is probable that the production may not be as large.

TELEPHONE LINE BURNS

Serious Forest Fire Raging in Francois Lake Country—Crews Engaged in Fighting it

Several miles of the Government Telegraphs telephone line on the Ootsa Lake-Nadina River branch which runs for a distance of 105 miles from Burns Lake via Francois Lake, Ootsa Lake and Nadina River to Houston has been damaged by a serious forest fire which is raging in that district, according to word received in the city today.

The Forest Branch has crews engaged in fighting the fire and it was announced this morning that communication over the affected area was being maintained by Government Telegraphs.

Means Sentenced On Each of Two Larceny Counts

WASHINGTON, D.C., June 17.—The term of fifteen years' imprisonment imposed upon Gaston B. Means Wednesday for grand larceny was made up of ten years for taking \$100,000 ransom money fraudulently from Mrs. Evelyn Walsh McLean and an additional five years in connection with the \$4,000 commission.

Means collected the money from Mrs. McLean on the pretext that he was in a position to return the kidnapped baby of Col. and Mrs. Charles A. Lindbergh.

Shipbuilding Plant of Canadian Vickers Limited is Destroyed by Disaster at St. Lawrence River Port—Three Successive Explosions Demolished Ship Early This Morning

MONTREAL, June 17.—A succession of terrific blasts tore the oil tanker Cymbeline wide open in Montreal harbor early today, killing some twenty-three men including Fire Chief Raoul Gauthier and three firemen, and injuring sixty-three men, many seriously, including fifteen firemen. Ten bodies have so far been recovered. The dry dock of Canadian Vickers Limited, in which the ship was being repaired, was wrecked.

The first blast occurred shortly after three o'clock as nearly one hundred workmen were rushing repairs to the ship which had stranded in the St. Lawrence River while carrying gasoline from Port Arthur, Texas. The forepart of the vessel was blown open and the crew of thirty-four, who were sleeping there, were thrown into the water where all are believed to have been rescued.

A number of minor explosions followed and about 4:20 a.m. another violent blast occurred, completing the disaster and killing the fire chief and three of his men while they were attempting to rescue previous victims.

The cause of the explosion is uncertain. The gasoline tanks were empty but probably contained fumes. The fuel tanks contained considerable fuel oil.

HAIRS LED TO ARREST

Contents of Safety Razor in Rifled Interior Shack Aid Police in Solving Burglary

Oscar Martinson Solheim has been sentenced by Stipendiary Magistrate R. W. MacGowan of Burns Lake to one month's imprisonment with hard labor after having pleaded guilty to a charge of breaking and entering the cabin of Alexander McDougall at Uncha Lake during the owner's absence and taking a watch and chain, gloves, shirt, socks and breeches.

McDougall, who had been absent from the cabin for two weeks, found on his return that the place had been rifled. The person entering had eaten a meal and had shaved with a safety razor.

Hairs which were left in the safety razor led the police to suspect Solheim who, on being searched, was found to have in his possession part of the watch chain. Solheim then confessed and led the police to a point in the bush where he had secreted the other property. The trial followed.

PIONEER OF VANCOUVER

George McCuaig, Veteran Auctioneer and Commission Merchant of South, Dies at Age of 80

VANCOUVER, June 17.—George McCuaig, aged 80, pioneer auctioneer and commission merchant of Vancouver, died yesterday. He was born on the Island of Islay, Argyleshire, Scotland, and came to Canada as a boy. Educated at Barrie, Ont., he became a clerk in a dry goods store in that city in 1870 and in 1885 served in connection with the Northwest Rebellion.

The late Mr. McCuaig came to Vancouver in 1891 and had been in business here since. He married Miss Sarah Campbell here in 1900. In 1894 he was president of the Vancouver Liberal Association. He was a member of the Masonic and Odd-fellows' Lodges.

HOOVER'S NOMINATION

The renomination of President Hoover for the second term in the Republican interests was generally expected. While the president has never been spectacular like Roosevelt or independent like Wilson he has been a good party man and a safe president. There is nothing against him even if there is not very much to be said for him.

The big fight comes on June 27 at Denver when the Democrats meet to choose their man. Nobody can tell what will happen there, although Governor Roosevelt seems much the likeliest candidate so far.

Independent observers say they expect the Democrats will be victorious at the November election so the choice of the convention at Denver may possibly mean the choice of the man who is to be president to succeed Hoover.

INJURY TO CREDIT

A London writer says: "It is not often that the city allows itself to be stampeded, but such is the extraordinary state of public opinion at the moment that on two occasions during the past few days something like hysteria member of the government, Ormsby-Gore, first commissioner of works, speaking at an unimportant meeting observed that in his opinion 'we were about to enter a phase of the crisis even more difficult and acute than any we had yet experienced' and that we had the alternative before us of more taxation or more economies. This gloomy view was immediately interpreted by the country at large to mean that the government had in contemplation not further retrenchment, as the speaker intended to imply, but further impositions, and a crop of adverse rumors sprang into circulation. Prices went down with a run, and even gilt-edged securities experienced a serious set-back. Mr. Badwin had to make a reassuring statement in the House. The second example comes nearer home. On May 17, 'The Times' correspondent cabling from Ottawa announced that Mr. Bennett had said that 'during the summer a very difficult situation might arise in this continent and it might be necessary for the government to come to the support of certain institutions.' The cable was somewhat unfortunately headed 'Canada and Financial Crisis' and its effect was to set on foot the wildest whisperings. Brokers home from the latest rumor of the 'Street' telephoned their clients that receivers had been appointed now to this Canadian corporation and that. The damage done to Canadian credit was enormous. The situation brought forth a cable from Mr. Bennett, a special statement from the High Commissioner and an inspired leader in 'The Times.' It cannot be said that these expedients have had an entirely satisfactory effect, and an under-current of suspicion still remains."

SYNOD IS CONTINUING

Officers For Caledonia Diocese Elected at Sessions Yesterday

Public Meeting

Prof. Trumpour and Canon Proctor Speakers Last Evening

Thursday, the second day of Anglican Synod here, commenced with morning prayer and celebration of Holy Communion in St. Andrew's Cathedral. The business session for the day commenced with a quiet hour and refresher course by Rev. Professor H. R. Trumpour of the Anglican Theological College, Vancouver. This was from 9:30 to 10:30. At 10:45 special service was held in the Cathedral commencing with the Litany taken by the Rev. Canon T. D. Proctor which was followed by the presentation of W. A. Delap by Professor Trumpour to be ordained Deacon. Rev. Oliver Thorne then presented Rev. S. Kinley of Aiyansh and Rev. C. A. Hinchliffe of Burns Lake to the Bishop to be advanced to the order of priesthood. Professor Trumpour gave a very able and inspiring address both to those about to be ordained and to all the delegates present.

The ordination service was followed by the laying on of hands by all priests present upon the heads of the two now being advanced to that order. The service was then closed by a celebration of the Holy Communion after which the delegates of Synod retired to the base-

ment of the Cathedral where the W. A. served a very appetizing and bounteous lunch.

The baby of the Synod and the oldest delegate present were called upon to make speeches. The youngest of the Synod was Rev. Mr. Delap who had just been ordained Deacon. He created much amusement when he stated that, although he was the baby of Synod, he was the tallest one present and that the oldest one, Rev. J. S. Brayfield, was the smallest one present.

Mr. Brayfield, likewise in his reply, made some very fitting and amusing remarks.

Afternoon Session

The afternoon session was opened at 2:30 with prayer by his Lordship the Bishop. The first item of business was the election of officers for all committees which resulted as follows:

General Synod

Clerical delegates—Very Rev. Dean Gibson, Rev. Canon Rushbrook; substitutes, Archdeacon Hodson (Ocean Falls) and Canon Proctor.

Lay delegates—Mrs. Jennings, R. L. McIntosh; substitutes, C. V. Evitt and R. Blance.

Provincial Synod

Clerical delegates—Rev. Mr. Jennings, Archdeacon Hodson, Rural Dean Sweetnam, Rev. A. S. McKim; substitutes, Rev. O. Thorne, Rev. Canon Proctor, Very Rev. Dean Gibson, Rev. Moody.

Lay delegates—W. E. Fisher, C. V. Evitt, R. L. McIntosh, Alfred Adams; substitutes, Mrs. Cox, Miss Lenox, Robert Blance, J. W. H. Day.

Executive Committee of Diocese

Ex-officio members—His Lordship the Bishop, W. E. Fisher, chancellor; R. L. McIntosh, registrar; C. V. Evitt, secretary-treasurer; Rev. Jennings, Very Rev. Dean Gibson, Rev. O. Thorne, Canon Rushbrook.

Lay delegates elected—Robert Blance, H. T. Cross, with two lay substitutes to be appointed by the Bishop.

New Offices Created

New offices were created for the Diocese for the gathering of material along the following lines:

Sunday School work—Rev. L. J. Hales, Smithers.

Social Service work—Rev. Canon Rushbrook, Seal Cove.

M. S. C. C.—Rev. A. S. McKim, Terrace.

Pension Board—Venerable Archdeacon Hodson, Ocean Falls.

S. P. G.—Rev. W. B. Jennings of the Northern Cross.

Statistician—Rev. L. J. Bannister of Hazelton.

Diocesan Oriental committee—His Lordship the Bishop, Miss Lennox, Canon Rushbrook, Mrs. J. B. Gibson, G. P. Tinker.

Ridley Home committee—Was left in the hands of the executive of the diocese.

The office of secretary-treasurer of the diocese was then taken up. C. V. Evitt was again elected by acclamation.

The Diocesan auditor was then elected in the person of Geo. Rorie jr.

The next matter for discussion was the question of a church vocational school at the canneries. A movement was explained by Rev. W. B. Jennings to set forth the true idea of play, work and worship. A

committee to go into this matter was then appointed to include all missionaries in Indian work, with Mrs. McCoskrie as secretary.

At 4 o'clock the draft copy of the new proposed Canons and Constitutions for the Diocese was presented, the same being considered clause by clause.

The afternoon session adjourned at 5:30, the works on the Canons and Constitutions to be continued on Friday morning.

Evening Session

The evening session took the form of a public gathering in the Cathedral Hall. After the singing of a hymn and opening remarks by His Lordship the Bishop, Rev. J. S. Brayfield read a very impressive Scripture portion followed by the Rev. A. S. McKim, who lead in prayer. The Bishop then introduced one whom all delight to see and hear, in the person of his Worship the Mayor of this city, who in very fitting words, welcomed the delegates of Synod to the city.

The Bishop then, after giving a laudable account of the work done by the Rev. Canon Proctor of the Peace River country, called upon him to give an address on the work of the church in the Peace River Block. The next speaker was the Rev. Professor H. R. Trumpour, who gave a very interesting and inspiring address upon the Cathedrals of England in which he was aided by lantern slides. Archdeacon Hodson assisted in operating the lantern.

The evening was brought to a close by remarks from the Bishop, and the singing of a hymn, during which a collection was taken up to aid the general funds of the Diocese.

Today's Session

Today's session commenced with a celebration of Holy Communion in the Cathedral at 7:30. The celebrant was the Dean, assisted by the Rev. C. A. Hinchliffe. At 9:30 a.m. the Rev. Professor Trumpour continued his refresher course which was most enlightening and inspirational, not only to the clergy assembled, but to all lay delegates.

The continuation of the discussion of the new Canons and Constitutions for the Diocese, took place immediately following the opening of the business session, which commenced by prayer by His Lordship, followed by the reading of minutes of yesterday's session.

Rev. W. S. Cooper of Greenville, who has been attending meetings of the synod of Caledonia diocese here this week, will sail tonight on the Cargena for a trip to Vancouver.

HIS HEALTH IMPROVED 40%

After Use of Kellogg's ALL-BRAN

If you are constipated, read this letter which Mr. Murray had attested by Notary Public:

"Two months ago I commenced using Kellogg's ALL-BRAN to relieve constipation. I am in better health today than I have been in years, due to the use of your wonderful bran. My bowels move regularly, and my general health has improved 40%."—George A. Murray (address upon request).

Laboratory tests show ALL-BRAN brings two things needed to correct common constipation: "Bulk" to exercise the intestines; Vitamin B to help tone the intestinal tract. ALL-BRAN also furnishes iron for the blood.

The "bulk" in ALL-BRAN is similar to that of lettuce. Inside the body, it forms a soft mass. Gently it clears the intestines of wastes.

How much better to use ALL-BRAN than to abuse your system with pills and drugs—often harmful.

Two tablespoonsful daily will overcome most types of constipation—in serious cases, with every meal. If your intestinal trouble is not relieved this way, see your doctor.

Use as a cereal with milk or cream, or in cooking. At all grocers in the red-and-green package. Made by Kellogg in London, Ont.

REGIMENT IN FINAL

Canadian Legion Defeated One to Nil in Dominion Day Cup Series

Pretty Soccer

Draw Score Would Have Been Truer Reflection of Play

In a game which was replete with thrills from start to finish, Regiment defeated Canadian Legion by one goal to nil last evening and thus earned the right to enter the final of the Dominion Day Cup series on July 1. The game was played at the Acropolis Hill grounds before a large crowd in spite of the cold weather. The teams lined up as follows:

Canadian Legion—S. Gurvich, F. Gomez, A. Stiles, T. Haddon, S. Currie, T. Bussanich, D. Gurvich, J. Horne, J. K. Murray, A. Ivarson and C. Baptie (captain).

Regiment—T. Smith, B. Thurber, M. Watson (captain), O. Wingham, T. Kelsey, Edgecumbe, C. J. Norrington, M. Colussi, J. Clarke, J. Redpath and Walters.

Referee was J. A. Johnstone and linesmen J. Mowat and W. Vance.

The opening exchanges favored first one side and then the other, both sets of forwards trying hard to score. Horne, a newcomer to local football, revealed good knowledge of the game, knew where the goal was and always opened up the play with long passes. This player tried a long shot but Smith saved. The goalie next cleared from D. Gurvich when the left winger was through. The Regiment took up the attack and Kelsey tried his luck but his shot was just wide. Back to the other end raced the Legion first line and, after some nice combination by Murray and Baptie, Ivarson headed in from a cross from the former. Walters gained possession for the Regiment on the right and made one of his usual spectacular runs on the wing. The Legion goalie fisted Walters' parting shot clear, but the ball rebounded to Walters again who shot and S. Gurvich fell on the ball to save but Norrington tried hard to force both goalkeeper and ball over the line. The keeper was fouled in the attempt which relieved the pressure. Norrington had hard lines when he came close with a lovely header from Walters' perfect cross from the right wing. The pressure by the Regiment was sustained for several minutes and great excitement prevailed. Walters was right through but lost a glorious opportunity to score when he shot wide. The Maroons took up the attack again and Horne put in a beauty but his shot was just wide of the post. D. Gurvich was right through on the left but Thurber swept the winger's feet from under him just as he was about to shoot in the penalty area. A penalty was promptly awarded but Baptie shot right at Smith in the Regiment goal who easily saved. It was a narrow escape for the Soldiers.

Gurvich was injured when he fell and had to be carried from the field, but quickly resumed after receiving attention. Colussi put in a good shot at the other end but S. Gurvich caught and cleared. The play was veering from end to end and was fast and interesting. G. Gurvich got away but Smith ran out and blocked his shot. Halftime arrived shortly afterwards with a clean score sheet.

There had been little to choose between the teams who were providing an excellent standard of football. More games like this one will do the game all the good in the world and will draw better gates in future.

Second Half

On resuming the Regiment had Watson at centre half and Kelsey dropped back to right back. The Legion also made a change with Baptie at centre forward and Ivarson at outside right. The game had lost none of its sting after the interval and both teams set about to get goals. It was evident that the team which scored first would win the game. Thus excitement was always intense. Walters got away on the right and, after a fast run centred for Norrington to head in but Gurvich fisted out to Norrington again who headed in three times in succession only to have Gurvich fist out each time. It was pretty football and the crowd showed its appreciation in no uncertain manner. The Legion began to press after this and the Regiment goal had some narrow escapes. Thurber was forced to head over his own goal for a corner when pressed to clear his

lines. Ivarson took the kick and, while it was well placed, the ball was finally cleared. Horne tried a hard long shot which Smith saved with difficulty. Baptie followed up with another good drive which the Green's goalkeeper caught and cleared. D. Gurvich shot past when well placed. Horne was working hard but his luck was out. Murray put in a grand shot which Smith caught and cleared. Walters made a fast run on the right wing but nothing developed. Watson shot well following a corner by Norrington. Kelsey was hurt in a scrimmage in front of the Regiment goal and had to retire for a few minutes' rest. Walters put in a lovely centre which went begging as nobody was there. Norrington crossed but Redpath shot wide. After 32 minutes the Re-

giment went ahead through Norrington who scored a good goal with the Legion defence spread-eagled following good combination between Redpath and Walters. Immediately on resuming the Legion set about getting the equalizer. Murray put in a hot one but Smith saved well. Murray put in another good one which had Smith beaten but Kelsey headed over the bar for a corner which was well taken by Ivarson but Smith fisted clear. Norrington got away on the left and his parting effort was finally cleared. Walters put in another good effort but Gurvich saved. In the last second of the game Norrington scored a second goal for the Regiment but it was disallowed when the referee consulted his linesman and found the ball had been out of

play before Walters crossed it into centre. The game ended here as there was not sufficient time left to take the goal kick.

Regiment Was Lucky

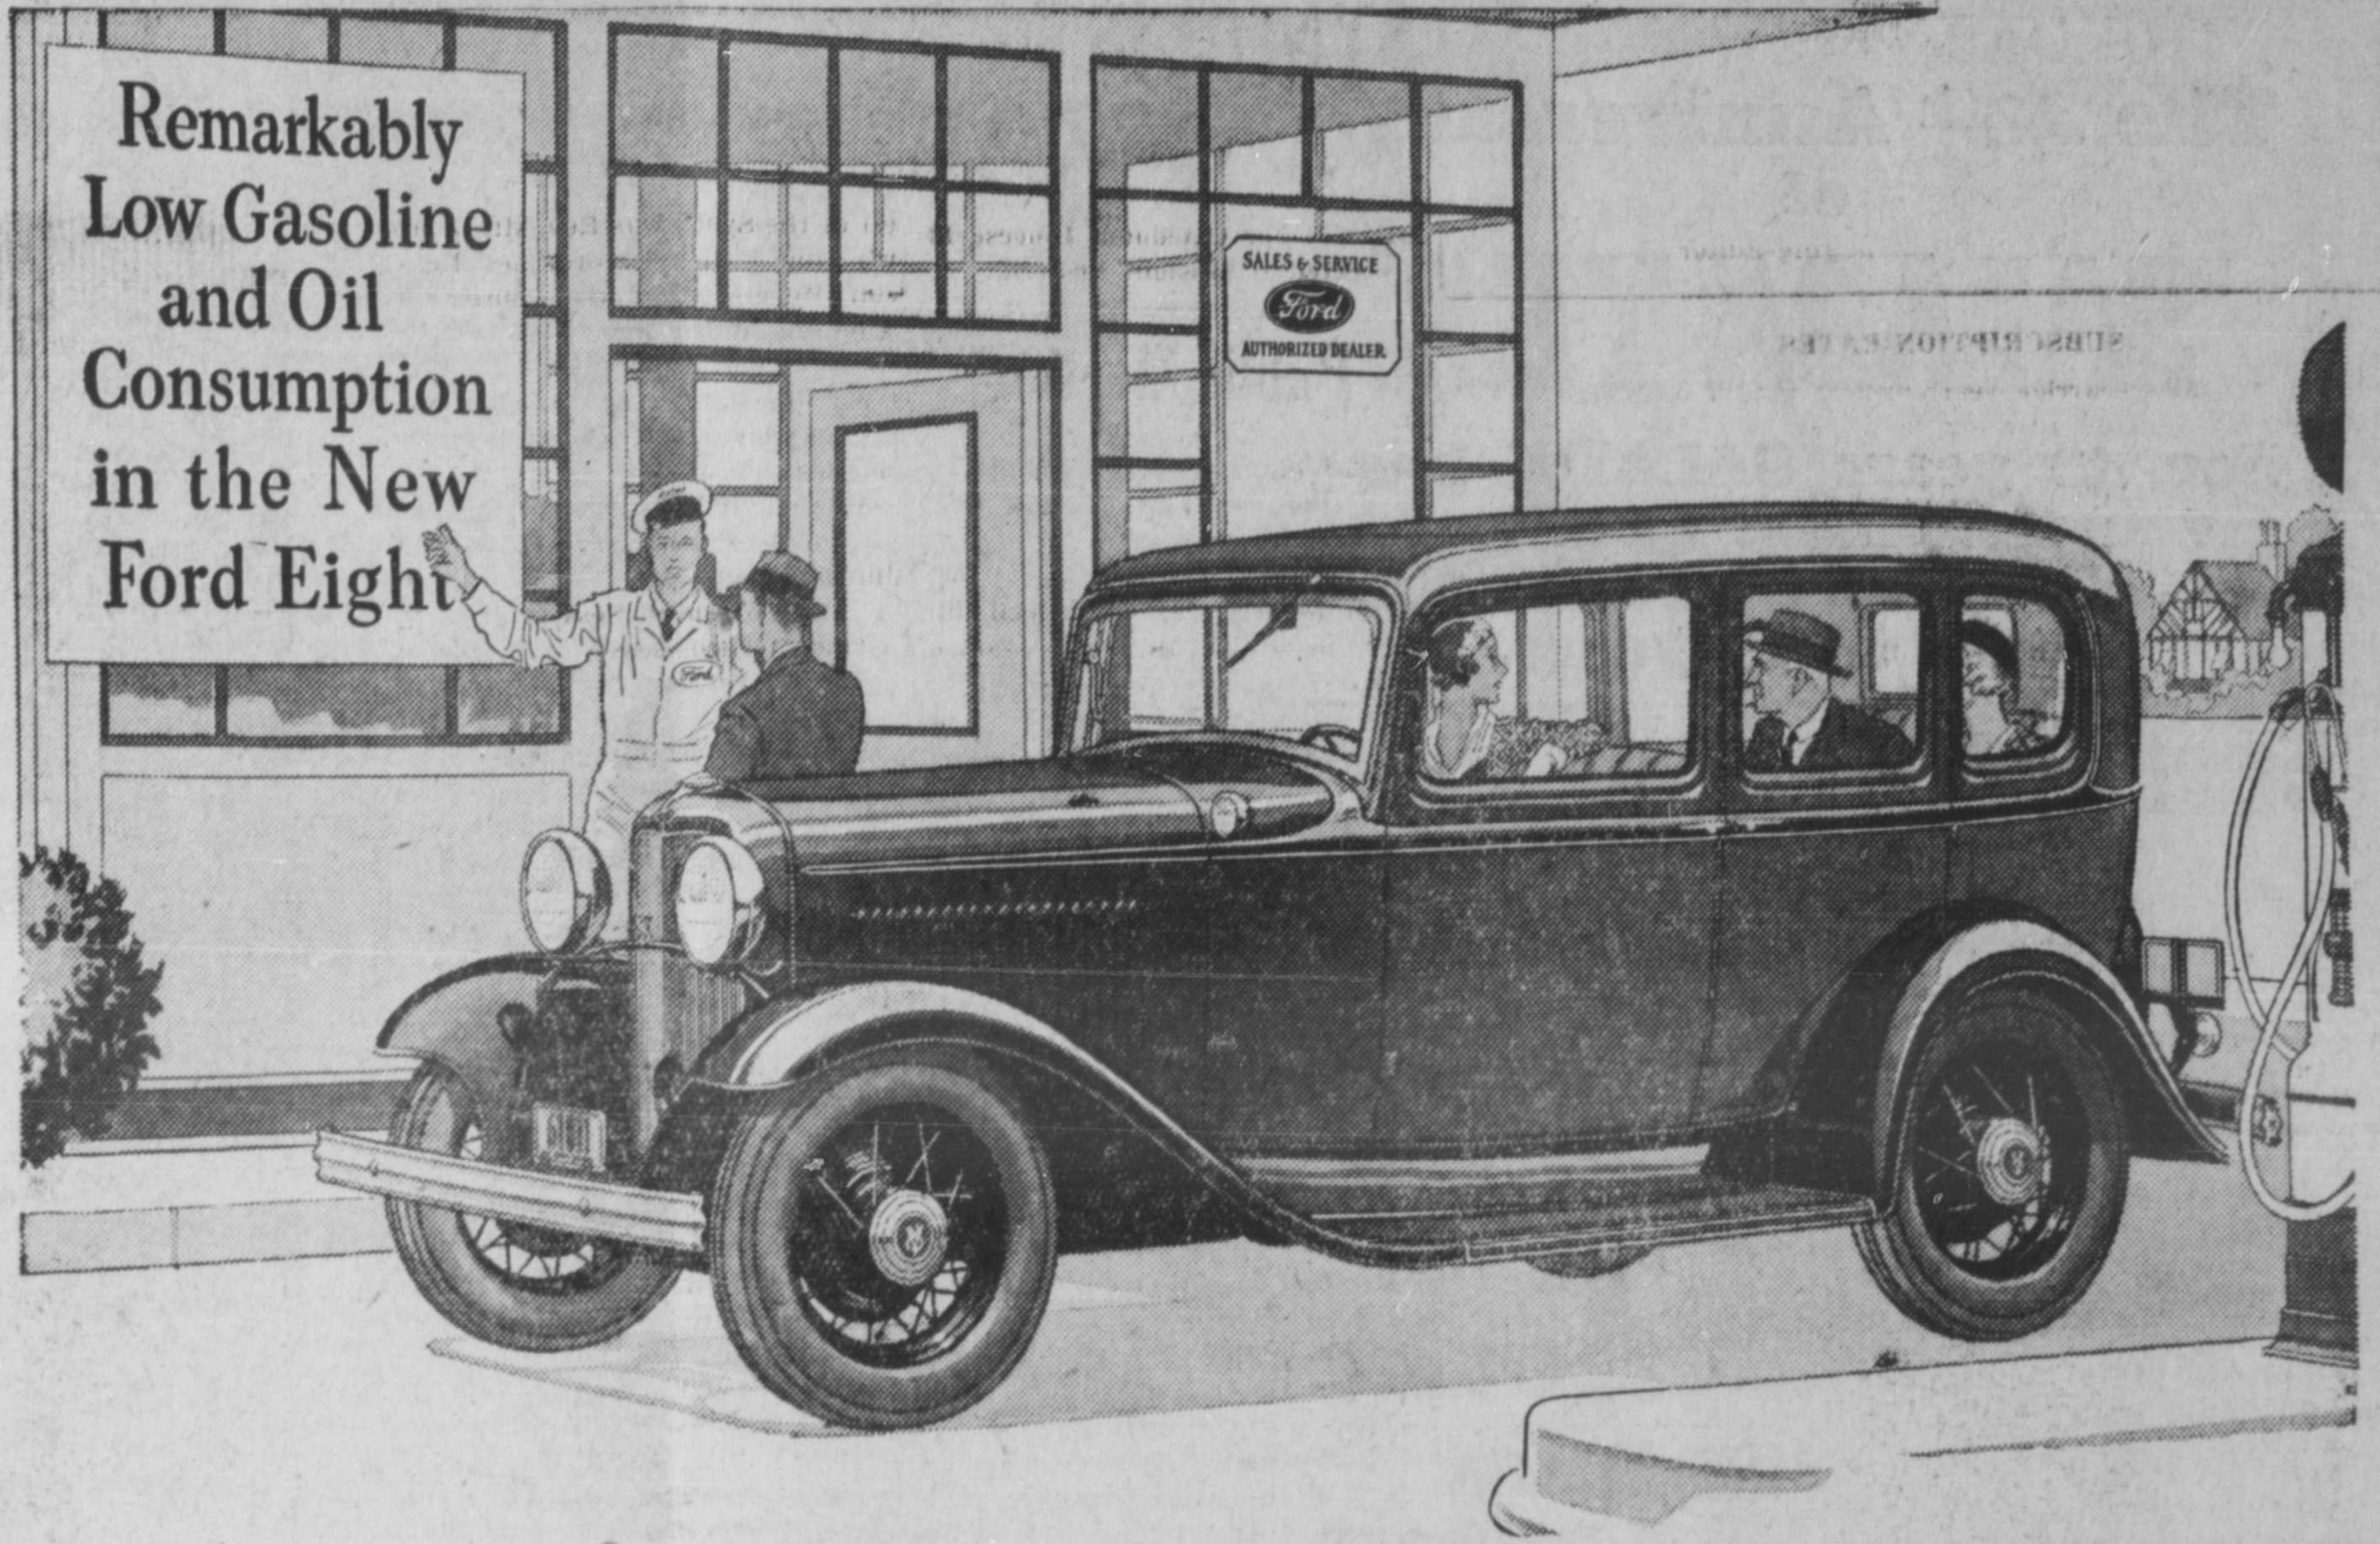

There was no doubt that the Regiment had a slice of luck in winning as a draw would have been a true reflection of the play. The Legion played more methodical football but the Regiment played typical cup tie soccer. They are fortunate in possessing two fast wingers who use their speed to good advantage. It is rather difficult to single out individual players on either side as they all did their bit towards putting up a pulsating struggle which was full of dash and interest throughout.

S. Gurvich played well in goal for the Legion and had no chance with the shot that beat him. Gomez and

Stiles were safe at back while all three halves—Haddon, Currie and Bussanich—worked like Trojans. The forwards all worked hard. Ivarson shows promise of fitting in well after a game or two to get his bearings with the seniors. He did not seem at home on the right wing in the second half. J. Murray tried hard to score and opened up the play well. Baptie was better at outside right than at centre forward but he, along with Horne, was always in the thick of the fray and deserved to get a goal. Gurvich, at outside left, worked hard and was always a source of danger when he got away.

For the Regiment Smith played a grand game in goal and saved some hard shots from Horne and Baptie. Thurber was not as steady as usual

and Watson had a hard time holding Gurvich. The Regiment captain improved in the second half when he changed with Kelsey who also played better in the second half although he always worked hard. Edgecumbe and Wingham were good spoilers but did not distribute the ball as much as they should have done. Walters and Norrington were both good in their respective wings and were hard men to catch once they got away. Colussi roamed about too much to be of much service to the left wing but he was always in the way of the opposing forwards. Clark was weak at centre forward but will improve with experience. Redpath was always a trier and was partly responsible for the all important goal.

NEW FORD EIGHT De Luxe Fordor Sedan

The Greatest Value in the History of the Automobile

THE NEW FORD EIGHT is the greatest value ever offered Canadian motorists. It is so new and different—so far ahead in design and performance—that there is no basis for comparison.

There has never been a car like the New Ford Eight. None with such a perfect balance of speed, power, comfort, ease of control and economy. None that so completely fulfills every motoring desire. None so altogether pleasing to every member of the family.

Words just can't begin to describe the regard and enthusiasm you'll have for the New Ford Eight. The very first time you drive it, you will say that you have never known an automobile at any price that put so much joy and satisfaction in motoring.

When you buy the New Ford Eight you buy more than a new automobile. You buy a new kind of automobile—a wholly new standard of value and performance in a low-price car.

A mere listing of its features shows its quality. Smooth, vibrationless eight cylinder engine. 65 horsepower. Remarkable acceleration. 75 miles an hour. Silent second gear. Silent synchronized gear shift. Automatic spark control. Down-draft carburetor with silencer. Low, good-looking, roomy bodies. Luxurious upholstery and fittings. Safety glass windshield in all body types. Safety glass throughout in Sport Coupe, Cabriolet, Victoria, Convertible Sedan and all De Luxe cars. Comfortable riding springs. Self-adjusting Houdaille two-way hydraulic shock absorbers, with thermostatic ride control. Remarkably low gasoline and oil consumption. The built-in reliability and long life that have always been characteristic of the Ford.

See the sensational New Ford Eight at the showrooms of the nearest Ford dealer. Drive it yourself—today—for an amazing new thrill in motoring. "The Canadian Car"

ALSO A NEW FORD FOUR

Another great New Ford car. Economical 50-horsepower engine, operating with new smoothness. Sells for \$60 less than the New Ford Eight. Same fourteen beautiful body types, rich finish and attractive upholstery. Has many of the outstanding features of the New Ford Eight. See it. Drive it. Know personally why it is as sensational a value as the New Ford Eight.

DISPLAY SUCCESS

Numerous Complimentary Remarks at Results of Technical Training—Regret Expressed at Discontinuance

Numerous and highly complimentary were the comments of the many visitors who attended the display which was presented yesterday afternoon in Booth Memorial School by the pupils of the domestic science and manual training departments of the city schools. Very general also were the expressions of regret that this important adjunct of modern education is to be so seriously curtailed after the close of the present term.

The splendid results of the training given girls and boys in the two departments were a revelation to all those in attendance.

Instructors of the domestic science department are Miss E. Roe and Miss E. White while Eric Gee is the manual training instructor. Congratulations were tendered the instructors by many present on the excellence of the work accomplished by the pupils.

Incidentally, the tea and sale of home cooking held by the Prince Rupert Parent-Teachers' Association in connection with the display was highly successful, the very satisfactory sum of \$50 being realized. Mrs. H. B. Eastman, as second vice-president of the association in the absence of the president and first vice-president, supervised the affair generally. Mrs. H. K. Christiansen was in charge of the home cooking table assisted by Mrs. E. B. Baker. In charge of the tea room was Mrs. Arthur Silversides assisted by Mrs. R. Woods and Mrs. J. C.

REVOLVING IN CIRCLES

Theological Professor Talks of Government and Religious Evolution at Rotary Luncheon

That the world financially has reached about the same condition in which it was after Alexander the Great got through about 300 B.C. and that, socially and economically, the world revolves like a wheel and will still revolve was the opinion expressed by Professor H. R. Trunpou of the Anglican Theological College at Vancouver who addressed the Rotary Club at its luncheon yesterday. At that time there was a slump in the money market and the ruler of one of the Greek cities was able to borrow money at ten percent whereas the rate of interest had been about twelve percent formerly. The whole city was pledged as security for the loan and 70 of the leading citizens also had to give their personal security for its repayment. So today the money market had been upset and there was financial turmoil.

In the war people fought to make the world safe for democracy and now there was doubt whether democracy was the best form of government. In fact there was gradual change taking place. In many countries people were looking for government by the best man, as in Italy, to take the place of an unworkable democracy. There was no set form of government and many people thought there never would be. Government goes round like the wheel revolving from autocracy to tyranny and so on. In Russia one tyranny had replaced another.

The speaker drew attention to the manner in which Canada was over-governed. There was more government in this country than in any other place in the world and that might be the cause of some of the troubles. Now people were turning away from this system of over-government, were searching a way out. They may find, he thought, a kind of government that would function better.

What applied in the realm of government applied also in religion. It was not static but grew and developed with the ages. Only dead things did not grow. He pointed to the religious developments in England at various ages to bear out his statements. Today religion was trying to adjust itself to the claims of science. He objected to the idea that there was war between religion and science. Today leading scientists were finding a place for religion in the order of things. Scientists were

C. N. R. Rifle Club Continues Its Activities—Winter Results Are Tabulated

The Canadian National Recreation Association's Rifle Club here has started its series of summer outdoor shoots. There will be three shoots each in June and July and two in August. Owing to financial conditions, it will be impossible to send competitors to the system shoot in Montreal this year as was done in 1931 when William Brass distinguished himself. However, competition is keen locally and the marksmen continue to show steady improvement in form.

The results of the recent winter series were recently tabulated as follows:

	Agg.	Pct.
W. Brass	1179	98.25
T. A. Smith	1171	97.58

Charged with a violation of the Canadian National Railways regulations regarding traffic at the local depot, Joseph Brown is appearing before Magistrate McClymont in city police court this afternoon.

showing that there was no such thing as matter in the world but that everything was a combination of forces. The abstract was prevailing over the concrete. The old idea of Hell was being superseded by the law of consequences. Religion was, indeed, the great force keeping things together.

DOES YOUR BUSINESS NEED A DOCTOR?

Now, Mr. Businessman, have you ever tried to diagnose the reason for that sudden drop in profit over the figures of "last month?" If the temperature of your business alarms you there is no need for you to lose any sleep—the remedy is simple.

ADVERTISE

"Ah!" you say, "But that's all very well. I'm only a small man and can't afford it." That's the reason the small man remains a small man. The big men in business today did not become big by hiding their light under a bushel, they advertised, and Advertise, and ADVERTISED. Advertising is as necessary to a "sick" business as the doctor's services are to a sick person. And it will find the money to pay its own bills, if done judiciously, from the increased volume of increased profits. Start with a small appropriation
