today.

Today Quiet Day But General Engagement Believed Imminent-Japanese Are Making Base of Attack

WASHINGTON, Feb. 1:-Great Britain and United States took steps yesterday preparatory to marshalling forces for the protection of their interests in the international settlement at Shanghai following the defying by Japan, despite promises to the contrary, of protests made by the two countries at Japanese violation of the neutral-

ity of the international zone of the between State and Navy Depart- from the League. ment officials, it was decided to dispatch the fleet stationed at Manila to Shanghai as well as troops from the Phillipines. The Thirty-First Regiment as well as 400 marines were ordered to embark for it did not consider a renewed pro-Shanghai. Great Britain has dis- test to Japan to be in order. patched warships and troops from Hong Kong to Shanghai, according to official advices received DRAFT IS

The action of United States and Great Britain followed the action of the Japanese in continuing, despite promises that they would not, to use the international zone at Shanghai as a base of operations against the Chinese.

Quiet on Sunday

SHANGHAI, Feb. 1:- The situation was fairly quiet in Shanghai today with only a little sniping. There was an air of expectancy, however, of a general engagement impending. The Japanese continued to land troops.

Sunday was a bloody day in which there were outbreaks of rifle fire in the downtown area of Hongkew and in the French concession with oss of many Chinese lives and fewer Japanese.

Martial law went into effect in the international settlement at 10 o'clock tonight and thousands who With maximum temperature had been jostling each other in the reading for the month of 47, mini- streets were herded back to their

#### HEADING OUT OF WOODS

"The signals say that we are heading out of the woods," declares Roger W. Babson in a recent article. He also in- month of Judge F. McB. Young who timates that prices will rise during 1932 and that mer- is in the south on sick leave. The chants should take advantage of the present low prices to February calendar for the court put in their stocks. In many industries, supply is less than demand with the usual result. He says: "Remember that dition to old actions coming over production in many major lines has been running far be- that of Jewell vs. Kissock originatlow the current consumption for some time." This means ing in Burns Lake. that once people start buying again a statistical position can shift for the better rapidly. Moreover a wave of specu- follows: lation in commodities would also give a boost to prices."

The statistician intimates that the upward move will be irregular owing to the possibility of gambling in commo- tiff. Patmore & Fulton for defendities. He states that during the flurry last fall there was dant. no justification for the advance so the prices dropped back. He also says:

"This is indeed no time for buyers to be sitting back waiting for good times to return. The right track is to pre- in person. pare for recovery while a depression is still in force. It is at this time that the greatest bargains are available."

A period of rising prices means a period of improving & Harvey for plaintiff, defendant general conditions with more employment of labor, and greater prosperity for everyone. It should also be remem- gate and Charles M. Edwards, bered that these movements are usually rather slow and \$109.18, Williams, Manson, Brown sometimes almost imperceptible. It took several years for & Harvey for plaintiff, defendant prices to decline and for employment to reach its present in person. unpleasant position. It will therefore take several years for the upward trend during which the struggle for existence is going to be a more or less severe one.

Sickness is really not worth as much as the doctors charge for it.

#### VISITOR IN EAST

A visitor who recently returned from Eastern Canada says that conditions there do not seem to have improved. All the merchants, great and small, are putting on sales and cutting prices to half their former values. Everything possible is being done to tempt the prospective purchaser. He states that in Toronto suits and overcoats which formerly were sold for sixty dollars are today being sold at liams, Manson, Brown & Harvey for thirty and all other goods in proportion. There is nothing defendants. on the surface there to indicate any improvement in conditions.

On the other hand bank managers, statisticians, finan- Harvey for plaintiff, defendant in cial experts and others declare that the worst is here and person that from now on there will be an improvement. This is the first time that bankers have shown themselves optimistic over the immediate future so that is a pretty good idea, that the tide has turned.

In some climates it's a nice day if the mercury rises to zero.

This peculiar-looking contraption, which looks like a dirigible emerging from its hanger, is really a speedy railroad coach, capable of doing 110 mi es per hour and more.

## WEDDED ON SATURDAY

Miss Mabel Edgar Becomes Bride of Reginald B. Skinner

of the state of the state of the A quiet but interesting wedding took place at 8:30 Saturday evening at the parsonage of First United Church, Rev. Alfred Wilson officiating, when Miss Mabel Edgar, oldest daughter of Mr. and Mrs. Louis Edgar of this city, was united in marriage to Reginald B. Skinner, well known member of the Fire Hall staff and prominent in athletic and sport circles of the city. Attendants of the couple were Mrs. B. J. Bacon and Charles (Bud) Barrie.

After the ceremony, the occasion was suitably celebrated at 609 Third Avenue, where the couple will reside, dancing and music being enjoyed by about forty friends until the small hours of the morning. At midnight delicious refreshments were served. Suitable toasts were offered. Many beautiful wedding gifts were displayed.

Both the bride and groom are very well known in the city and they will have the hearty congratulations and best wishes of numerous friends.

# The New STONED WHIEAT

A NEW Red Arrow health food! Made from stone-crushed Western wheat . . , with bran and all the nourishing elements left intact. Baked at the exact temperature which retains the living vitamins of the wheat and yeast. Delicious! . . . satisfying . . . nourishing! . . . and yet always "kind to your figure."

ASK yourself these four questions — then you will know whether the Life Insurance you now own gives adequate security and protection:

1.—Does your Life Insurance provide that, when you reach old age, you will have a definite monthly income sufficient to make you independent?

2.—Does your Life Insurance safeguard your wife and children guaranteeing them a livelihood if death robs them of your support? 3.—Is your Life Insurance building up a cash reserve for future emergencies?

4.—Does your Life Insurance also include an education fund to equip your children for the battle of life-whether or not you live to see them start out?

By giving serious thought to your Life Insurance new you will probably save endless regret and worry in the future. By all means talk it over with a Life Insurance representative today.

Fish Buyers Request Halibut Boat Owners Not to Start Fishing. Operations Until March

Fish dealers have requested owners of halibut boats, on account of market conditions, to delay the start of this year's fishing operations until March 1 instead of going out for the legal opening of the season on February 15.

Word is being awaited as to what is being done at Seattle and other coast ports before the local boat owners come to decision.

## Someone Asked the Other

why the Daily News had such a Total large circulation in the city. It was this saving alone would provide for easy to answer. The reason is be- the sessional indemnity of 32 memcause those responsible for the pro- bers at the old rate of pay or nearly duction of the paper put the very the entire Legislature at the probest they can afford into its makeup and sometimes more than they can afford. They give the people of a reduction of members and the best possible for the money.

ONLY that is the price of The Daily News

Delivered to Your Home

It's worth ten cents a week to get the Waterfront Whiffs on Saturday. It's worth something to have the topics of the day discussed in an impartial and interesting manner. It's worth something to follow the adventures of Tillie the Toiler every evening. It's worth a good deal to be able to read the local advertising and to know where to buy and what price to pay.

TOURS THE THE STATE .

The Daily News is a paper that is representative of the city and no one need be ashamed to send it away to their friends.

Telephone the office and the boy will call and collect.

Terrace Liberals Urge Same Number of Ridings But Reduced

TERRACE, Feb. 1:-A meeting of the Terrace Liberal Association was held last Thursday there being a large gathering. Dr. H. C. Wrinch, M.L.A. for Skeena, was present and addressed the meeting, R. W. Riley, president, presiding.

Much discussion took place regarding the proposed redistribution of seats which is to take place at the next session of the Legislature, and two resolutions were unanimously adopted by the meeting.

Arrangements were made for the annual meeting which is to take place shortly. The resolutions on redistribution were as follows: Resolved that, in the matter of

redistribution of the seats of the provincial Legislature, this association urges that, at this time, when there is dire need, distress and poverty stalking the province in general, requiring representation of the people as it has not been required before, no change in the representation of the province be made at this session of the Legis-
