River Trent overflows Its Banks and Villages In Lincoln Flooded

More Than Six Hundred Families Homeless Around Doncaster—Damage of \$2,000,000 Done in Other Areas—Situation Improving

LONDON, May 27.—The River Trent overflowed its banks today and flooded villages in the neighborhood of Gainsborough in Lincolnshire, an area hitherto immune to floods which have swept the Midlands. Water rose into the lower floors of houses. The flooding of the Trent followed subsidence of waters in other inundated areas which suffered damage to the extent of about \$2,000,000 last week.

More than two hundred families are still homeless around Doncaster, Yorkshire, but the situation is improving daily.

CONFERENCE OF FRENCH

Premier-Designate Herriot Charged With Future Responsibility For Disarmament Negotiations

PARIS, June 27.—President Lebrun, Premier Andre Tardieu and Premier-Designate Eduard Herriot were in conference when Herriot was made officially cognizant of all negotiations concerning France on the problem of disarmament and charged with full responsibility for future negotiations.

Herriot has not yet intimated how he intends to form a government. His National Socialist party holds the largest number of seats in the Chamber of Deputies although it has not a clear majority.

CURTIS IS IN PRISON

Hoax Intermediary in Lindbergh Case Awaiting Trial

NEWARK, N.J., May 27.—John Hughes Curtis, hoax intermediary in the Lindbergh kidnapping case, is still confined to the county jail awaiting trial on a charge of obstructing justice but is expected to be released on bail within a few days.

Col. Lindbergh has now consented to the prosecution of Curtis. It is expected the Norfolk shipbuilder and rum-running suspect will be indicted soon and that the trial will be set for June 13. Counsel for Curtis intimated that his client would willingly plead guilty and go to prison.

PLAN IS ADOPTED

Kwapil Announces That Fishermen and Boat Owners Are Signing 100% For Co-operative

F. J. Kwapil, managing director of the United Pacific Fisheries, stated this afternoon that halibut boat owners and fishermen were signing up 100% on a new method of marketing halibut and controlling of production which he has submitted to them since his arrival in the city two days ago.

It is planned to have the new system of handling halibut go into effect about June 10. Under the scheme it is planned to maintain a minimum advance to fishermen of 6c and 3c per pound, any proceeds over to be divided co-operatively. It is the plan to limit the production to fresh halibut only.

Now that the scheme has been accepted by the boat owners and fishermen of Prince Rupert, Mr. Kwapil will be leaving here tonight to organize the Alaska fishermen in a similar way.

A Tribute to Bill Mitchell

(By One of His Friends)

Today we offer our last tribute to Bill Mitchell. We knew him as a worthy champion of good causes, a fearless smiling athlete, a great-hearted and loyal friend. It was good to be near him, to hear his cheery voice and be gladdened by his sunny nature. He was richly endowed with those warm human qualities which make life brighter for others—generosity, kindness and modesty. We shall not forget his thoughtfulness and high sense of duty.

And so today, as a town, we honor ourselves in honoring the memory of the short but splendid life and proud hero's death of that fine and gallant gentleman, our fellow townsman—Bill Mitchell.

BERLIN, May 27.—The giant German flying boat DO-X, following its crossing of the Atlantic Ocean, has arrived here from Southampton, England, and was given a noisy welcome. The thirteen men and one woman on board were in good health and spirits.

The DO-X will proceed from here to her base at Lake Constance, Switzerland.

HONORED IN DEATH

Entire Community Pays Deep Tribute to Memory of William Mitchell—Funeral Held This Afternoon

Not only his family, his numerous friends and his lodge and club associates but the citizens of Prince Rupert as a whole paid deep tribute to the memory of the late William Mitchell and the heroism with which he went to his death when the funeral was held this afternoon. The service was held in First Presbyterian Church, the capacity of which was taxed to overflowing so great was the number of those desirous of paying their final tributes of esteem for the deceased and sympathy for the sorely bereaved family. Members of the Elks' Lodge and the Gyro Club attended in a body in each case and took a leading part in the funeral rites.

The church service was conducted by the Rev. W. D. Grant Hollingworth, the pastor. The funeral address was a brief one but was impressive and appropriate. Mr. Hollingworth, in an impressive yet sympathetic manner, paid deep tribute to the worth of deceased and the splendid young career which had been cut off so tragically and yet so bravely. Sympathy and comfort for the bereaved was voiced and reference was made to the high esteem in which deceased was held by all.

John E. Davey, organist of the church, presided at the organ. Mrs. William Cruickshank sang "Just For Today." Hymns were "Breathe on Me, Breath of God" and "Jesus, Lover of My Soul."

Three Grits Named To Premier Bracken's Cabinet Before Poll

Ewan A. McPherson, J. S. McDiarmid and Dr. Murdock McKay Taken Into Government of Prairie Province—Will Make Straight Fight in Election

WINNIPEG, May 27.—To strengthen the administration in its appeal to the people at the forthcoming general election, three Liberals—Ewan A. McPherson, J. S. McDiarmid and Dr. Murdock McKay—have been taken into the Farmer government of Premier John Bracken in a cabinet reorganization, it is announced. As a result, the election will be fought mainly between the government and the Conservative party. Dissenting Liberals are not expected to have any material effect on the outcome of the contest, it is declared by government supporters. Political observers believe that the admission of the Liberals to the government will practically ensure the return of the Bracken administration to office.

BUSY DAY IN LONDON

Mrs. Amelia Earhart Putnam Guest of Prince of Wales for Hour at York House

LONDON, May 27.—Mrs. Amelia Earhart Putnam, American aviatrix, who flew across the Atlantic Ocean at the end of last week, had another busy day.

Following a luncheon in her honor at the United States embassy, with many British dignitaries in attendance, she was the guest of the Prince of Wales at York House for nearly an hour. The aviatrix and the Prince chatted principally on aviation subjects.

In the evening Mrs. Putnam was a theatre guest with Gordon Sefridge, London departmental store magnate, and the daughter of Ambassador A. W. Mellon.

Thousands of Seattle People Visit Magnolia Bluff Beach Where Steamer Is Ashore

SEATTLE, May 27.—The beach below Magnolia Bluff, one of Seattle's residential sections, attracted thousands of citizens during the past few days as the Pacific-American Fisheries cannery steamer North King remained perched on the rocks there after having run ashore in a dense fog early Saturday morning while bound from Bellingham to Seattle. The vessel was high and dry at low tide.

SEATTLE, May 27.—Weather conditions were improving over the North Pacific today for the projected flight of Nathan C. Browne, New York flyer, across the Pacific Ocean to Tokyo, Japan, for prize money of between \$25,000 and \$30,000. Browne, who may take off today, after successful test flights yesterday, had his big Fokker monoplane heavily laden with 950 gallons of gasoline and plenty of food. The time of the flight is estimated at 55 hours of continuous flying. Browne has just received permission to land in Japan.

REPORT IS PRESENTED

Meeting of Prince Rupert Branch of National Unemployed Workers' Association

A lively meeting of the Prince Rupert local of the National Unemployed Workers' Association was held in the hall of the Canadian Labor Defence League on Second Avenue last evening.

In his opening remarks the chairman, Charles Chapman, explained that the meeting had been called to hear the reports of the delegation to the recent convention of the National Unemployed Workers' Association in Vancouver. The delegation consisted of W. O. Mahoney, Nell Lang and T. Murphy. The manner in which the delegates' report was received would indicate that they had carried out the duties assigned them to the satisfaction of the assembly.

During the report it transpired that Mr. Mahoney had been elected to the district executive committee whose duties it is to direct the activities of the National Unemployed Workers' Association in British Columbia.

The meeting went on record as being in favor of endorsing a resolution now being circulated throughout the Dominion that the children of unemployed workers be supplied with a warm meal at school and, on motion of George Murray, it was decided to interview the Parent-Teachers' Association with a view to obtaining its support.

T. J. Shenton, candidate for the A.M. riding in the coming provincial elections and former inspector of mines for the northern district, spoke at some length and, in a vigorous and concise manner, outlined the economic situation as a whole. The speaker contended that all the suffering at present manifested on every hand is absolutely unnecessary and charged the present administration with utter failure in handling the situation. "Until such time as the workers realize what they need and then go about acquiring it in an efficient manner," said the speaker "conditions like the present will be common to the great majority of our people." Mr. Shenton was enthusiastically received.

Its Better and You can Prove it

Borden's

ST. CHARLES MILK

There is a great difference in evaporated milks. Insist on Borden's St. Charles. It's the best by every test.

There are good reasons why Borden's St. Charles is the best of all evaporated milks. First, every herd that supplies Borden's is rigidly inspected. Every dairy is supervised—by Borden's own milk experts.

Second, the milk itself is tested. Colour, flavour, purity, cream content, are all carefully checked. Not one quart gets by unless it meets the exacting Borden standard.

Third, sixty per cent. of the natural water is removed, giving you concentrated milk more than twice as rich as average fluid milk.

Fourth, it is sterilized after being sealed in the cans, safeguarding your health, and bringing you the purest milk obtainable.

In coffee or tea, and for better results in cooking—insist upon Borden's St. Charles, and make sure that you get it.

TRY THESE THREE TESTS and prove for yourself that ST. CHARLES is better!

- 1 Open a can of Borden's St. Charles Evaporated Milk. Note the creamy color—the smooth consistency—the pure fresh flavor.
- 2 Have a cup of coffee with Borden's St. Charles Evaporated Milk to "cream" it. St. Charles blends in smoothly, tastes fresh and rich.
- 3 Make cream sauce with Borden's St. Charles. That pure, fresh St. Charles flavor gives greater deliciousness.

BISHOP GIVES CHATTY TALK

Tells of Interesting Incidents in His Recent Visit to Ontario Which He Rediscovered

In the course of an extremely interesting chatty account of his recent visit to Ontario, Bishop G. A. Rix told the Rotary Club yesterday of meeting a number of former Prince Rupert people there including Guy Balloch, Mr. and Mrs. Jack Beattie, Mr. and Mrs. Christie, Mr. and Mrs. Clancy, Miss Kathleen Stork and a number of his relatives and the relatives of local people including an uncle of Mayor Orme and the parents of Rev. Mr. Jennings.

The Bishop also told of seeing the big hydrographic steamer on which Prince Rupert Dry Dock bid for construction. It was a splendid vessel. On inquiry he found that in Collingwood they paid only 75c an hour for the highest paid mechanics, this probably being the reason for the ability to successfully compete with Prince Rupert.

One of the incidents of the trip was having the lights go out when preaching at Oranville and being compelled to continue to the end of the service without any light except that of a couple of candles at the pulpit, the rest of the building being in complete darkness.

Among interesting places visited was Penetanguishene the site of the martyrdom of the Jesuit missionaries Brebeuf and Lalemant. Shriners now mark the spot where Brebeuf was killed by the Indians. The Bishop spoke appreciatively of the work these brave missionaries did.

The mayor of the English-speaking population in the French city of Montreal came in for comment. The Anglicans have no less than 51 churches in that city and all seem to be well attended. He spoke at a number of them. One Sunday morning he preached at the opening of the service and was then whisked

away in a car to another church where he preached at the regular time. In the Eastern Townships, however, they were gradually being crowded out by the French-Canadians.

At Buckingham Bishop Rix found the huge pulp mill working only part time. He discussed the grain trade with the head of the Western 'Grain Growers' Association and heard from him the opinion expressed that it was extremely difficult to turn the flow of business from the established routes. That was what militated against Churchill and Prince Rupert.

The Bishop told humorously of preaching to a crowded congregation, a large part of whom were his own relatives and on inquiry later he was told that the collection was poor. The value of the motor car came in for mention, this enabling him to cover a huge territory in a brief period.

MAN THOUGHT HIS RIGHT EYE WAS BLIND

Recently a man called on G. F. Davey, Registered Optometrist in charge of the Optical Dept. of Max Heilbronner, Jeweler, to have his eyes examined as he was having trouble reading. He said, "The right eye is no good, have not used it for years," yet with the proper glass fitted to that eye the vision was found to be about normal. A thorough examination practically FOUND AN EYE.

Many people are only using one eye and don't know it. How about you? If you find one eye not so good have it examined before it is too late.

Succeeds Where Others Fail

Famous Remedy Must be Unusually Good

WHEN time after time a remedy overcomes chronic conditions of ill-health after other treatments have failed it must have exceptional qualities. Hundreds of letters on file tell how people who had almost despaired of being well again were restored to health by Fruit-a-tives.

The secret of its unusual success is that it stimulates Five Vital Organs, the Stomach, Liver, Bowels, Kidneys and Skin, to act naturally not merely one or two of them. Fruit-a-tives strengthens as well as cleanses the whole digestive and eliminating system. 25c and 50c. Try them.

Long Procession

Following the church service, one of the longest, if not the longest, processions that has ever marked a funeral in Prince Rupert wended its sad way through the city from the church to Fairview Cemetery where interment was made. The procession was on foot from the church to the junction of First, Second and Third Avenues where cars were taken.

Leading the solemn procession was the minister's car followed by a pipe band under the direction of James Sturgeon. Next in order came the Elks' Drill Team, under Sam Joy; members of the Elks' Lodge, led by William McLeod, exalted

ruler; members of the Gyro Club, under William Cruickshank, president; members of the Elks' baseball team, headed by William Stone; a profusely laden flower car; the hearse; mourners, and the public.

The honorary pallbearers were Mayor Cyril H. Orme, L. W. Waugh, Ald. G. W. Rudderham, Norman L. Freeman, R. E. Moore and G. J. Frizzell. The active pallbearers were William Lambie, Stan Moran, Joe Scott, Dan Burroughs, James Farquhar and Douglas Frizzell.

The Elks' committal service at the graveside was conducted by Frank Dobb as chaplain. It was fully ritualistic.

There were numerous and beautiful floral offerings.

LEADERSHIP IS GREATER

New York Yankees Shut-Out Senators—Pittsburgh Pirates Move Into Fourth Place

WASHINGTON, May 27.—New York Yankees shut out Washington Senators in the opening game of a series here yesterday to assume a commanding lead of four full games at the top of the American League standing.

In the National League Boston Braves lost to the cellar-dwelling Phillies in a slugfest and fell back half a game in their campaign for first place against the Chicago Cubs. The Cubs, idle yesterday, have a lead of one game and a half.

Pittsburg Pirates continued their winning streak and defeated the Cincinnati Reds in a close game to advance to fourth place ahead of the St. Louis Cardinals, who were idle, and the New York Giants, who lost to Brooklyn Dodgers.

Yesterday's Big League scores:

REGIMENT MOVES UP

Defeated Canadian Legion Last Night to Take Senior League Football Leadership

Was Fast Game

Ball Moved From End to End of Field in First Half—Sparkling Plays

Favored with glorious weather and before a large crowd of enthusiastic spectators, Regiment defeated Canadian Legion by a score of two goals to nil in a Mobley Cup City League championship game at Acropolis Hill grounds last evening. Thus were the Legion, displaced as league leaders and the Regiment went to the top of the standing for the first time this season. Play throughout was always interesting and, particularly in the first half, some pretty combination on the part of the Regiment was witnessed.

Canadian Legion was unable to field its selected eleven and Ferguson and Morrison substituted for Baptie and D. Gurvich respectively.

The teams lined up as follows:
Regiment—T. Smith; B. Thurber and E. Hunt; O. Wingham, P. DeJong and P. Edgecumbe; Norrington, Colussi, Watson (captain), Redpath and Walters.

Canadian Legion—S. Gurvich; F. Gomez and A. Stiles; T. Haddon, S. Currie and J. Greer; J. Mowat, D. Morrison, J. K. Murray (captain), T. Bussanich and G. Ferguson.

Referee—J. A. Johnstone.
Linesmen—G. Howe and G. Blake.

Both teams were short-handed at the commencement of the game. Regiment starting without Colussi and Legion without Morrison.

Legion won the toss and Murray, the skipper, elected to kick down hill with the sun at the team's back. The Regiment was early on the attack and DeJong tried a screw shot which was just wide of the far post. Play was quickly transferred to the other end and Hunt was forced to concede a corner to clear his lines which proved unproductive, however, as the Regiment defence managed to clear with difficulty due to a troublesome sun. Legion was attacking again when Referee Johnstone pulled up the play as Smith was clearing for reasons unknown to the spectators. It was, apparently an error of judgment as the ball was thrown down less than two feet away from the Regiment goal post. Fortunately, the ball was scrambled away. Watson got away for the Greens and fed Norrington in the left wing but Stiles cleared. Wingham gained possession and again passed to Norrington who centred finely and Watson, fastening onto the ball, made no mistake with a lovely shot to give the Regiment the lead after ten minutes' play. Morrison now came in to complete the Legion eleven. Immediately on resuming, the Legion set about to get the equalizer and Thurber gave away a corner in clearing from Mowat who was well placed to score but was too slow in shooting. Mowat took the corner kick but put behind. Colussi came on for the Regiment and soon made his presence felt on the left wing. Murray came close with a header for the Legion. The same player gave Mowat a nice pass but the winger wasted the opportunity. Walters got away on the right and, after a fast run, crossed to Norrington who came in fast on the left but the Legion defenders cleared Norrington's parting effort at the expense of a corner which was scrambled away. Colussi came close with a good shot. Wingham passed out to the left wing but it was too fast for Norrington to get. The Legion came back strong and Hunt handled the ball in penalty area in clearing. Currie took the spot kick but missed in trying for the top corner of the net. It was a fortunate escape for the Regiment. Colussi gained possession on the left and passed to Norrington who was off like a flash and put in a beauty but Gurvich saved well. Play was now veering from end to end and each goal was visited in turn. Murray was well placed to score but shot over the bar. Haddon put in a

good shot but Smith cleared. The Regiment defenders were bothered by the sun and had difficulty in clearing. Watson, gaining possession, passed out to Walters who returned to Watson again and the centre-forward's shot went past the far post after a lovely passing bout which was a treat to watch and had the Legion defenders tied up in knots. Play was carried to the other end and Murray headed into centre and Morrison shot but Smith saved. Walters got away on the right and Stiles was forced to concede a corner, which was well placed by Walters but Gurvich fisted away.

Two miskicks by Gomez right in front of goal almost spelled disaster for the Legion but the ball was finally scrambled away. Colussi passed to Norrington who fired in a hot one but Gurvich cleared well. This was followed by another good shot by Walters which was equally well cleared.

The first half ended one goal to nil in favor of the Regiment who had the best of matters so far and was playing much the better football, being more methodical in its efforts. Walters, however, was starved on the right wing due to Redpath roaming around too much and not feeding his winger properly.

Second Half

Immediately on resuming, the Regiment, with the hill and sun in its favor, was soon attacking again. Stiles handled in the penalty area but it was purely accidental and the referee rightly ignored the Green's claims for a penalty kick. The Maroons had a narrow escape when their defenders allowed a ball to go out on the assumption that it would go out of play and Walters made a quick run to save it and almost scored. Gomez handled in clearing outside the penalty area but the resultant free kick was cleared by Gurvich. Several minutes of mid-field play followed and then Haddon put in a beauty but Smith caught and cleared with ease. Murray also fired in a hot one which struck a Regiment defender and rebounded clear. Hunt was laid out temporarily in a collision but quickly resumed. Ferguson shot past when well placed. Norrington got away to the other end and centred well but Watson's shot was easily cleared. Watson was again through but shot too hurriedly and lost a golden opportunity to score. The same player put in a good one on a pass from Norrington a minute later which Gurvich did well to clear. Mowat was hurt in a collision with a Regiment defender and had to be carried off. Walters shot weakly when well placed. The play of the Regiment deteriorated considerably in the early stages of the second half and the Legion had several good opportunities to equalize but poor finishing spoiled its chances. Ferguson finally put in a good effort but the Regiment goalkeeper was on the job and cleared. The Regiment got away and Haddon gave a corner away which, however, proved unproductive. Watson got through and shot well but Gurvich saved. The Legion goalie, however, had hard lines when he was beaten by a shot from Redpath's toe when he fired in a rebound from Gurvich before the goalkeeper could recover his position, thus making the score two to nil for the Regiment. This was after 32 minutes of play. Mowat now resumed again. Colussi came close with a shot just outside the post. Norrington took a corner kick awarded to the Regiment and Redpath fastened onto the ball and crashed in a terrific shot which fortunately for the Maroons struck a defender and rebounded clear. Walters put in a lovely shot from the right wing which Gurvich pushed over the bar for an unproductive corner. Watson shot well from a centre by Edgecumbe but Gurvich saved and the goalie again saved at full length a minute later. The Regiment was again in command of the play and was sustaining a continued bombardment on the Legion goal in the last ten minutes of play. Walters was through on the right but Gurvich saved. DeJong tried a pot shot for goal but it was just over the bar. Watson passed out to

Regiment	4	3	0	1	0
Can. Legion	4	2	1	1	0
Merchants	3	1	0	2	0
Home Oil	3	0	1	2	0

The whole Regiment team played well and each man played his part in the victory obtained. The outstanding players, however, were Norrington, DeJong, Colussi and Edgecumbe while Smith handled everything that came his way in goal.

"ALL-BRAN LIVES UP TO REPUTATION"

Her Constipation Overcome by This Delicious Cereal

If you are troubled with constipation, read Miss Bundy's enthusiastic letter:

"I would like to congratulate the one who discovered ALL-BRAN. It really does live up to its reputation when it is said to 'relieve constipation.'

"I used to feel poor all the time—just down and out—and after reading an advertisement in a magazine about ALL-BRAN I got a box. It has evermore helped me, and it is not hard at all to eat."—Miss Mary Bundy (address upon request).

Laboratory tests show ALL-BRAN brings two things needed to correct common constipation: "Bulk" to exercise the intestines; Vitamin B to help tone the intestinal tract. ALL-BRAN also furnishes iron for the blood.

The "bulk" in ALL-BRAN is much like that of lettuce. Within the body, it forms a soft mass. Gently, it clears the intestines of wastes.

How much safer than taking pills and drugs—so often harmful. ALL-BRAN is not habit-forming. Two tablespoonfuls daily will overcome most types of constipation. If your intestinal trouble is not relieved this way, see your doctor.

Use as a cereal, or in cooking. Recipes on the red-and-green package. At all grocers. Made by Kellogg in London, Ontario.

COMEDY IS HILARIOUS

A stellar comedy trio composed of Buster Keaton, Jimmy Durante and Polly Moran will do its share at the Capitol Theatre the end of this week to lift the depression blues in "The Passionate Plumber." The trio have side-splitting adventures in a story which depicts the diverting career of a plumber who becomes the guardian of a Parisian beauty and is involved in a series of riotous adventures in his attempt to prevent the girl from succumbing to the charms of a twitting gigolo.

Keaton, as the willing but bungling plumber, gets himself into one absurd situation after another and there are chortles galore from the moment the plumber, soaked by his inept activities in the bathroom, appears before the distraught heroine in nothing more than a towel until the delirious episode in which, encouraged by Durante, he engages in a duel with an insulted Frenchman only to turn the encounter into a most madcap sort of farce. Irene Purcell plays the part of the Parisian beauty.

DEAD IN ENGLAND

Sergeant-Major George Carr D. C. M., for 34 years a member of the famous Yeomen of the Guard in London, England, who in his early life as a soldier served with distinction in the Egyptian and Nile campaigns, died suddenly on April 22 while visiting at the home of a daughter at Brentwood, London, England. He was 78 years of age and was the father of Mrs. G. C. Sharpe, wife of Provincial Constable Sharpe of Queen Charlotte City. The funeral took place in Brentwood Cemetery, Sutton Lane.

Joining the Duke of Cornwall's Light Infantry in 1870 at the age of 16, Sergeant-Major Carr saw service in Bermuda, Gibraltar and Malta. He served in the Egyptian campaign from 1882 to 1884 and was twice mentioned in dispatches, being offered a lieutenantcy which he declined. In 1884-85 he was in the Nile campaign and in 1891 became sergeant-major at the Hibernian Military Hospital in Dublin, remaining there four years and three months.

On completing 25 years of active service as a soldier, Sergeant-Major Carr settled at Hounslow, London, England, and in 1898 joined the Queen's Bodyguard of the Yeomen of the Guard, continuing in that famous military body until his death. During his military career, Sergeant-Major Carr was awarded, besides the Distinguished Conduct Medal, the Egyptian Medal with bars, the Khedive's Star, the Meritorious Service Medal and King Edward VII and King George V Medals.

Predeceased by his wife seven years ago, Sergeant-Major Carr is survived by four daughters and three sons, Mrs. Sharpe being the only child in Canada.

Constable and Mrs. Sharpe and family called last night on the Prince George for Vancouver where they will pay a visit, having arrived Wednesday night on the Prince John from Queen Charlotte City. They formerly resided in Prince Rupert.

AIR DRIED SHINGLES

Retain the cedar oil in the wood, affording extra and better preservation than kiln-dried shingles from which the essential oil has been evaporated. Our shingles are made on Queen Charlotte Islands and, as a home product, deserve your preference. Shingle makers wages on the Islands are spent eventually in Prince Rupert, while Vancouver wages never come north. Support a home industry and your own welfare by specifying Air Dried Shingles.
