CANADA IS TO BE PROTECTED AGAINST FINANCIAL CRISIS

Kaien Hardware and Montreal Importers' Building is Destroyed; Boston Cafe Block is Damaged

Whole Downtown Area Would Have Been Threatened Had It Not Been Calm Evening—Conflagration Was Spectacular—Damage Estimated at \$60,000

The pioneer business building on Third Avenue near Fifth Street, containing the Kaien Hardware and Montreal Importers businesses, was virtually destroyed and the Boston Cafe building, containing the Boston Cafe, Elks' Home and Annette's Ladies Ready-to-Wear store, was badly gutted last evening in the most serious fire which has ever visited the central business section of Prince Rupert.

DOUK PARTY AT OKALLA

Naked Paraders, Numbering 118, Reached Coast Last Night From Nelson

VANCOUVER, May 18.—One hundred and eighteen Doukhobors, convicted and sentenced to three years' imprisonment at Nelson for parading in the nude at Thrums on May 1, were brought here from Nelson last night and taken to Okalla jail. There were 84 men and 34 women.

hands and faces. The Boy Scouts, under Scoutmaster P. C. Miller, turned out and rendered valuable assistance. District and divisional police officers turned out and gave valuable help to city officers.

Such a hold had the flames taken in the dry interior of the building before the firemen arrived that it took upwards of two hours to finally extinguish the raging conflagration. Members of the fire department received assistance from volunteer helpers.

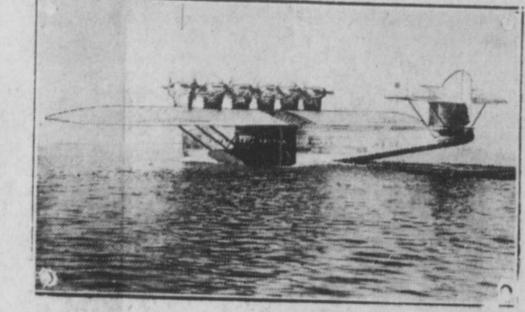

During the height of the fire, shells and ammunition in the Kaien Hardware were heard to explode as the flames reached them. Police officers held the crowd off in fear of flying missiles. That of the Kaien Hardware was one of the largest hardware stocks in the city as was that of the Montreal Importers one of the largest men's furnishings stocks. Little damage was done to a vacant building on the west side.

The fact that it was a perfectly calm evening without a breath of wind possibly saved the entire frame construction block from destruction.

Evidently smouldering during the night, the fire broke out anew about 5 o'clock this morning but the department soon had it out again.

Eight Lines of Hose
The fire department used eight lines of hose in fighting the conflagration. The firemen received yeoman assistance from many citizens in its work. There were no serious injuries to fire fighters although some sustained cut and burned

MAN CONFESSES IN NEW YORK TO COMPLICITY IN LINDBERGH KIDNAPPING

Feared That Frank Markitch May Be "Crank"—Says Baby Was Accidentally Killed—Curtis Is Remorseful

NEW YORK, May 18.—Police had in custody here last night a man named Frank Markitch after he had confessed to participating in the kidnapping of Charles Augustus Lindbergh jr. from the baby's home at Hopewell, N.J., on March 1, denying, however, that the baby had been deliberately murdered. Markitch was taken in custody at the request of his wife. After being taken in charge of police officers, he said that he would go out of his mind if he did not confess.

Legislation To Prevent Fiscal Panic Is Being Planned by Dominion

Premier Bennett Forecasts Such Measure in House of Commons—Would Come Into Effect Only on Proclamation 'It Is Provided

OTTAWA, May 18.—Parliament may be asked to pass a bill which would authorize the government to take the necessary steps to meet a financial crisis should one develop on this continent. In the House of Commons yesterday Premier R. B. Bennett indicated that the government was considering bringing down such a measure. It would be provided that any such legislation would come into effect only on proclamation.

PACKERS CURTAIL

Cannery Company Aims to Avoid Further Big Losses Pending Return to Stability

Owing to the dependence upon export markets for an outlet for 80% of British Columbia's canned salmon output and to the unsettled conditions in the principal world markets, B. C. Packers Ltd. proposes this year to adhere closely to a policy of strict economy in operation and curtailment of the pack, it is stated. The annual report for the year ended February 29, 1932 indicates that this policy enabled the company to work into a better position by reducing its bank loans although the necessity of disposing of the carryover from 1930 at the very low prices prevailing in the world market resulted in an operating loss for the year of \$290,607. The operating loss for the previous fiscal year was \$897,377, the improvement being due to limitation of pack in accordance with anticipated requirements and to severe cutting of overhead costs.

DESPICABLE HOAX

It was a despicable act of John Hughes Curtis, Norfolk shipbuilder, to play upon the sympathies of a man who had lost his child as is reported to have been done in the case of Colonel Lindbergh. How much more of the search story may prove to be fiction remains yet to be told. The report that the child was held at sea must have turned the searchers from other possible clues and helped the real criminals to escape.

QUARREL IN INDIA

The fighting in Bombay, India, between Moslems and Hindus is one of the periodic quarrels that develop between people of two hostile religions where bigotry and fanaticism prevail. It indicates one of the difficulties of governing the country and shows how impossible it would be to leave the people to their own resources as they were before British intervention. At that time they were broken into dozens of different warring nations or clans. Britain has united these and is gradually preparing them for self-government. When all become educated and learn to be more tolerant of each other they will be able to take upon themselves the very important functions that self-government imposes.

MUST CULTIVATE GARDENS

The relief department of the city of Edmonton is insisting that every married man receiving relief must cultivate a garden this year. Those who have gardens of their own are expected to get them under cultivation and those who have no garden are given one by the city to cultivate. They have plenty of vacant lots and seeds are provided by the city.

The compulsory order is all right for the city of Edmonton where it is easy to cultivate a vacant lot. In Prince Rupert the case is rather different. A vacant lot is usually covered with stumps and roots or is swampy and unfit for cultivation without extensive and expensive draining. Once a garden is prepared, cultivation is not difficult but the right kind of weather is desirable and the gardener has to await his opportunity.

HEADACHES caused by ACID

ACIDITY haunts its victim like a shadow. No appetite; what you do eat disagrees, causes flatulence and makes you sluggish. Work is an effort. Before night, a headache.

Do you know what is wrong? An acid-soaked system! Too many acid foods. But you need not diet your way out of this difficulty! Take a tablespoonful or two of Phillips' Milk of Magnesia.

Phillips' Milk of Magnesia has a gentle, laxative action. It is ever so much better for one than the harsh purgatives that upset the stomach or weaken the bowel muscles. An occasional dose of Phillips' Milk of Magnesia is all that is necessary to avoid those periodical attacks of sluggishness so apt to occur with any person who does not get a great deal of physical exercise.

Phillips' Milk of Magnesia is sold at drug stores everywhere in the Dominion in 50c bottles. Be sure to say "Phillips'" when you buy. Then you're sure of getting the product that doctors prescribe.

The ideal dentifrice for clean teeth and healthy gums is Phillips' Dental Magnesia, a superior tooth-paste that safeguards against acid-mouth. (Made in Canada.)

New Zealand Treaty Under Discussion—B. C. Tories Opposed to Lower Freight Rates—Relief Work to Be Curtailed

Friday, April 29—Practically the whole of the day was taken up in discussing the New Zealand treaty and considerable interest was shown in this throughout the day. Hon. H. H. Stevens, minister of trade and commerce, who piloted the treaty through, was kept busy explaining to the House every phase of the treaty.

It was somewhat amusing to listen to the accusations of the Liberal members who seized the opportunity to remind the members of the government side that each and every one of them had in July 1930 promised better prices to the farmer and more protection in the matter of butter and, now, here they were silent as the treaty was going through the House—the duty on butter being reduced from 8c. to 5c.

The question of wool entering Canada free from New Zealand also came in for a great deal of

criticism, especially as the government only about two weeks previous had voted in the House for a duty on all wool entering Canada.

Even one of the Conservative members could not refrain from rising and chiding the Minister and his fellow members for not being altogether honest during the last election in the matter of promises regarding the entry of butter to this country. To me, it seems there is very little to be gained by prolonged discussions after the treaty has been signed by both

countries, and it was evident that the members on the government side were very glad when the discussions ended and the treaty passed the House. Time will prove the wisdom or otherwise of this treaty. I am not unmindful, however, that both New Zealand and Australia at present have their currencies at a discount rate considerably below ours on the world market which allows them quite a latitude in the markets of the world, they being in a position to accept less money, which means more to them in their coin than it does to us. However, it is well to remember that we must buy as well as sell. No nation can have it all one way. Trade to my mind is the life-stream of our country.

Monday, May 2—It is rather interesting to watch the parade of the Speaker leave his quarters and proceed to the House. The procession is headed by the chief constable and his two deputies; then comes the sergeant-at-arms carrying the mace on his shoulder, following him is the Speaker with the chief page at his side and, following the Speaker, is the clerk, the assistant clerk and two pages. Everyone must stand to one side as the procession marches along the main galleries and enters the

House of Commons a few minutes before three o'clock. The mace is laid on the table as the Speaker takes his seat after which alarm bells are set ringing for the space of three or four minutes calling the members to prayers. Monday has usually a sparse attendance of members.

The second reading of the Companies' Act amendment was moved by the Hon. C. H. Cahon, Secretary of State, the purpose of the bill being to avoid a certain amount of confusion regarding stock companies as between the provincial and dominion governments. It was interesting to learn that certain companies, who are refused charters to conduct business in regard to insurance and stock of various kinds, could go to the province and in many instances receive charters. Cases were cited where companies, who were refused charters both by the provinces and dominion, went to London and obtained a charter there, coming back to Canada and operating as a company, all of which is not very good for the welfare of the nation. The Premier said that he hoped sometime to appoint a federal board, that is if he could get the provinces to agree, and this board would have the final say or supervision of such companies be-

Your handwriting may be good, bad or indifferent—that doesn't matter a particle—but if it is interesting . . . if it reveals character . . . if it is unusual or unique in any of a dozen ways . . . then you have more than a good chance to win a brand new 1932 Chevrolet Standard Coach. Enter your handwriting in every one of these weekly contests. A contestant whose handwriting does not win this week, may win next week or the week after with another specimen. So, smoke Turret Cigarettes—save the empty packages and enter every one of these big CAR-A-WEEK CONTESTS.

Think of the joy of owning one of these new, handsome, powerful cars. What a holiday you could have—what joyous trips on weekends—what glorious evenings in the cool moonlight. There will be no waiting—the prize car will be delivered immediately through the nearest Chevrolet dealer. It's worth trying for—and your writing has as good a chance to win as that of any other contestant.

You simply write the following on the backs of 4 front panels from 4 empty Turret Cigarette (20's) packages, with portion of excise stamp attached:

- on one —Your Name
- on another —Your Occupation
- on a third —Your Street and Town
- on the fourth —Your Province

Pin or clip the four panels together and mail to Turret Cigarette Handwriting Contest, P.O. Box 2500, Montreal, P.Q.

Entries will be judged by a committee of competent judges, headed by Frederic D. Jacob, well-known handwriting authority and for 15 years Dominion Government Graphologist. The handwriting of the winner, as selected by the judges, will be the one which, in their opinion, reveals the most interesting features. In addition, fifty free readings will be given each week to selected contestants.

All Entries for First Contest Must be Mailed by May 25, 1932, and the Winner will be Announced June 8th.

CONTEST RULES

- 1 These weekly contests are open to any resident of the Dominion of Canada, except employees of Imperial Tobacco Company of Canada, Limited, their associated companies and their advertising agents.
- 2 Contestants must write their entries on the backs of the front panels from 4 empty Turret Cigarette (20's) packages, with portion of excise stamp attached . . . upon one panel, the name; on the second panel, the occupation; on the third panel, street and town; on the fourth panel, the province.
- 3 The 4 panels must be fastened together and mailed to Turret Cigarette Handwriting Contest, P.O. Box 2500, Montreal, P.Q.
- 4 The winner of each week's contest will be the one whose handwriting, in the opinion of the judges, displays the most interesting features; excellence of penmanship has no bearing on the judges' decision. By submitting his handwriting in the manner described, each contestant agrees to accept the decision of the judges as final.
- 5 A prize of a new 1932 Chevrolet Standard Coach, delivered FREE through the local Chevrolet dealer, will be awarded to the person whose handwriting in the opinion of the judges reveals the most interesting features. Not more than one car may be won by any contestant.
- 6 Imperial Tobacco Company of Canada, Limited, will not enter into correspondence with any contestant.
- 7 Each contest advertisement shows a closing date for each weekly contest and entries bearing postmark later than the date named will be automatically entered in the contest for the succeeding week.
- 8 Winners of each week's contest will be announced through the newspapers in approximately three weeks' time from the announcement of each contest.

This is My Secret for Keeping My Family Well

Mrs. Russell Ward, Hilton Beach, Ontario, writes: "This is my secret for keeping my family of six well. For all my children I have used Baby's Own Tablets, and I cannot praise them too highly. If my baby is fretful, I give her Baby's Own Tablet, and in a short time she is happy. If there is sign of cold, I give the tablets, and she is well, and better. If she is constipated, the tablets are wonderful regulators, and the tablets are fine during teething. I wouldn't think of being without a box at the house."

She has practically reared my family on DR. WILLIAMS' BABY'S OWN TABLETS

HARDWARE AND MONTEAL IMPORTERS' BUILDING DESTROYED—BOSTON CAFE BLOCK IS DAMAGED.

appeared and they realized the place was on fire. Mr. Miller attempted to draw enough water into a bucket from a small stream in the store to throw on the fire but had some difficulty in getting sufficient water. In a few minutes the fire department was called out, by this time the fire had spread to the headway. It had, apparently, started from an overheated chimney.

Mr. Miller declared this morning that his stock had been completely ruined either by fire, smoke or water. Asked regarding a report that he had \$8,000 insurance, Mr. Miller stated that he believed some of this had expired and his coverage was actually only a few thousand dollars. He estimated the value of his stock at upwards of \$30,000.

Actually the store of the Kaizen Hardware was the most severely damaged by the flames.

Details of Loss

The building occupied by the Kaizen Hardware and the Montreal Importers is owned by R. Eston of Hartford, Conn. The assessed valuation of the building was \$8,000 and there was insurance adequate to cover this, it is reported.

There seems to be some dispute as to the extent of insurance on the Montreal Importers stock which has been reported at \$8,000. Even if there was this amount of insurance, it would do no better than cover half the loss.

It was reported today that there was \$8,500 insurance on the Kaizen Hardware stock. Damage will probably be double this figure.

The Boston Cafe building is owned by the Terminal Investment Co. The assessed valuation is \$12,000. Damage to the building, which may amount to \$2,000 or so, is reported covered by insurance. Possibly \$1000 damage was done by water and smoke to the interior of the Boston Cafe and its equipment. Insurance of \$4,500 is reported to be held. Slight damage by water was done to some dresses in Annette's Ladies' Ready-to-Wear, there being full insurance coverage. This store is open for business today.

The empty building to the west of the Montreal Importers, until recently occupied by the B. C. Clothiers, was slightly scorched on the outside wall, a shed to the rear also being damaged. Damage to this building, owned by R. G. Hulbert of Edmonton, will possibly not exceed \$100.

Damage was done to the basement of the Commodore Cafe which was flooded with water.

duties, has remained steady during the past year and B. C. Packers Ltd. enjoys a substantial share of this business.

Stanley Burke, president, in his annual report to shareholders of B. C. Packers, points out that the 1931 pack has been almost entirely sold and that a medium size pack is anticipated for 1932.

The statement shows total deficit as at February 29, 1932 of \$1,359,760. This is made up of \$759,629 carried forward from the previous year, the \$290,607 loss on operations for the year, \$161,072 interest on bank loans, bills payable, etc., \$25,612 interest on funded debt; \$11,085, dismantling and moving machinery; \$379,018 written off inventories of nets and boats, cannery supplies, merchandise, labels, etc. and \$32,735, estimated value of assets conveyed in settlement of contract.

The balance sheet shows current and working assets at \$1,051,593 compared with \$4,435,040 the previous year. Current liabilities amount to \$1,425,269 compared with \$4,318,093 the previous year. Thus, while working capital at February 29, 1931 amounted to \$166,947 the company found itself at February 29, 1932 with current liabilities in excess of current assets to the amount of \$373,676. This was due to the loss entailed in disposing of the large carryover from 1930. However inventories of canned salmon and pilchards during the year showed a reduction from \$3,617,207 to \$771,713.

The reduction in inventories is reflected also in the big drop in bank loans from \$3,042,000 to \$464,000. Bills payable are slightly higher at \$832,568 compared with \$839,735 but amounts owing sundry creditors showed a reduction during the year from \$372,593 to \$128,701.

Independence Day Duly Celebrated

Varden Singers Hold Party Last Night to Mark Norwegian Anniversary

Instead of holding their regular practice last night, members of the Varden Singers staged a celebration of the anniversary of the Declaration of Norwegian Independence. A program of music was presented after which cards were played, community singing indulged in and dancing enjoyed. The ladies were in general charge of the affair and provided delicious refreshments. There were about seventy persons present.

MAN CONFESSES IN NEW YORK TO COMPLICITY IN LINDBERGH KIDNAPPING

(Continued from page one)

Following Curtis' confession, the search of coastguard vessels off the Virginia coast for alleged kidnapers was discontinued.

Dr. J. F. Condon of New York said it was no surprise to him that Curtis' supposed negotiations had been a hoax. In fact, he had felt sure for some time that they were a fake.

Fleischer Sought

Max Fleischer, gangster leader, was being sought in Mexico yesterday for questioning in connection with the kidnaping and murder.

It was being proposed yesterday that the New Jersey state legislature put up a reward of \$50,000 for the bringing of the kidnapers and murderers to justice.

The City Council has Declared this to be

CLEAN-UP WEEK

The City of Prince Rupert has fallen in line with other cities of Canada in organizing a Clean-up Week. The present is a time when all the citizens are asked to see that their premises, front and back, are spic and span with all loose cans picked up, filth cleared away and neatness and tidiness replacing slovenliness.

Citizens are also urged to repair and paint their fences, to paint the house or outbuildings if necessary and to generally keep in line with modern civilization.

Everyone knows that these are difficult times but no one can afford to look poor, even if he is poor. Much can be done at little expense to make the shop front bright, to brighten up the outbuildings or to overhaul the interior. The condition of the home has an effect on every member of the family.

Several persons were only last week making remarks about the appearance of some of the smaller stores in the city where neither landlord or tenant was willing to paint the shop front. The windows never looked really attractive where the paint on the shop front was badly worn or had a shabby appearance. The opinion expressed was that it helped business to keep the place attractive. People do not like to shop in a place that seems to be down at heel.

FOOTBALL IS PLAYED

Canadian Legion Defeats Regiment With Dramatic Last Minute Play

Soldiers Unlucky

Draw Would Have Been Fairer Reflection of Play Last Night

In a fast and exciting encounter last evening Canadian Legion went to the head of the standing in the Mobley Cup city league football competition by defeating Regiment 4 goals to 3. Due to the fire downtown, the crowd was smaller than had been expected in view of the prevailing good weather. However, those in attendance found plenty to enthuse over in a game that was productive of some very attractive football and was featured by no less than three penalty kicks, two being converted, one for each side, and the other missing the goal by inches. The teams lined up as follows:

Canadian Legion — Gurvich; Styles, Gomez; Greer, S. Currie, Haddon; Bussanich, Hestad, Baptie, J. Murray, Parkes.
Regiment — T. Smith; Thurber, Hunt; Winham, Watson, Edgcombe; Norrington, Colussi, Kelsey, Redpath, Walters.
Referee — J. A. Johnstone.
Linesmen — Blake and Vance.

Before the game commenced Referee Johnstone summoned all the players of both teams together in the centre of the field and administered a short lecture regarding players using questionable tactics and the desirability of keeping the game free from unnecessary fouls.

The opening exchanges were in favor of the Legion in spite of the fact that the Regiment was playing with the hill in its favor and the "Greens" were soon on the defensive. Johnny Murray put in a curling shot for the Legion which proved troublesome to the Regiment defenders and Thurber was only able to head away at the expense of a corner, Bussanich took the kick and placed the ball right in front of goal but Smith fisted clear. Currie met the ball first time but his piledriver shot skimmed inches over the cross bar. Bussanich was right back again a moment later and put in a lovely effort right in the top corner of the goal which Smith caught cleverly and easily cleared. This was followed by a scrimmage in front of the Regiment goal. Hunt fell on the ball in an effort to clear his lines and was adjudged to have handled in the penalty area. A penalty was promptly awarded but Baptie's shot from the spot just missed the far post by inches. After several minutes of midfield play Legion attacked again and Johnny Murray put in a beauty but his shot was just over the bar and a grand opportunity for his team to take the lead was lost. Play was next transferred to the other end and Norrington got through but his parting effort was put be-

hind for an unproductive corner by a Legion defender. Shortly afterwards, while the Regiment was pressing, Johnny Murray handled in the penalty area.

Watson was entrusted with the spot kick and made no mistake with a slow ground shot, thus giving the Regiment the lead after 25 minutes play. Immediately on resuming the "Greens" were again on the attack and Winham tried a pot shot which Gurvich put behind for a corner kick which was finally scrambled away. The Regiment was now having a greater share of the play and was awarded two more corners in quick succession but without result. Walters finally got through on the right wing and scored a second goal for the Regiment with a simple cross shot which had Gurvich beaten all the way. Undismayed by these two quick reverses the Legion set about to reduce the leeway and play was quickly transferred to the other end. Parkes got through on the left and put in a good shot for the Legion which struck the post, however, and rebounded to Bussanich who had advanced in the Regiment goal and this player had no difficulty in netting, thus reducing his team's deficit. This goal spurred the Legion on and it pressed again. Thurber miskicked to put the ball behind for a corner kick which was well taken by Bussanich but the Regiment defenders cleared. Half-time arrived shortly afterwards with the Regiment leading by 2 goals to 1.

Second Half

On the resumption the Legion rearranged their forward line. Baptie went to outside right, Bussanich moving inside and Murray going centre forward. The "Maroons" quickly set about getting the equalizer. Parkes came close with a header but Smith cleared. Baptie also came close to equalize but his shot was just over the bar. Except for occasional breakaways the Regiment was hemmed in its own half of the field for the first 15 minutes of the second half. Finally Walters broke away on the right for the Regiment but shot too quickly when in a good position to score and his effort went past the post. Shortly afterwards the "Greens" were awarded a corner kick which, however, was abortive. Play was quickly transferred to the other end

and, after 23 minutes play in the second half, Murray equalized for the Legion with a lovely shot that had "goal" ticketed to it the moment it left Murray's foot. Play became keener after this and both goals were visited in turn. Haddon, taking a throw for Legion, placed the ball to Parkes whose shot went very close. Redpath next had a shot for the Regiment but Gurvich saved at the expense of a corner which was finally scrambled away. The Legion put in a long shot which Smith misjudged as he advanced from his goal and the ball sailed into the top corner of the net. The Regiment, nettled by this unexpected turn of events, went all out to get the equalizer. Two minutes later they were rewarded when Watson, who had taken up the attack, accepted a lovely pass from Walters and easily scored to once more level the scores. Both teams were anxious to secure the lead and both sets of forwards tried hard to score. Kelsey had a fine opportunity to put Regiment ahead but Gurvich caught and cleared. Back to the other end came the Legion and Baptie's shot was saved by Smith with difficulty at the expense of a corner. The kick was taken by Baptie and the ball sped right across the Regiment goal with no Legion man near enough to give it the necessary touch that would mean victory. In the last minute of the game, however, with the Legion pressing hard and the entire Regiment team setting up a desperate defence, Tom Kelsey had the misfortune to give away a doubtful penalty. The ball struck his arm and the referee immediately signalled a penalty kick which was taken by Currie and he scored with a shot that gave Smith no chance. There was not even time to restart the game again. Thus the Legion dramatically snatched victory with the last kick of the game. The Regiment was unfortunate, indeed, to retire beaten as a draw would have been a true reflection of the play which was always interesting.

Outstanding Players

Although all the players on both teams gave good accounts of themselves, the Regiment was best served by Watson, Edgcombe, Smith and Walters. Norrington was more or less starved on the left wing and was not used to the best advantage

EARNSHAW WON GAME

Big Right-Hander Leads Athletics to Fine Victory Over Tigers—Pepper Martin in Game

PHILADELPHIA, May 13.—Big George Earnshaw allowed the Detroit Tigers but four scattered hits and led the Philadelphia Athletics to a shut-out victory at Shibe Park yesterday afternoon. Manager Connie Mack had made an effective shift in his infield for this occasion. The Athletics made both their runs in the seventh inning and gathered seven hits in all.

Pepper Martin was back on the line-up of the St. Louis Cardinals after having been out of the game for three weeks with an injured shoulder. First time up, he drew a base on balls and the next time connected with a double which accounted for two runs that helped the world champions towards a close victory over the Boston Braves.

It required 10 innings for the Cincinnati Reds to defeat the New York Giants in a pitcher's battle.

by his inside men and halves. The outstanding players for the Legion were Baptie, Murray, Bussanich and Haddon although it is really not fair to single out any individual as every man played his part.

City League Standing

The present standing of the Mobley Cup series is as follows:

	P.	W.	D.	L.	F.	A.	P.
Can. Legion	2	1	1	0	5	4	3
Merchants	2	1	0	1	2	1	2
Regiment	2	1	0	1	4	4	2
Home Oil	2	0	1	1	3	1	1

The next game will be played on Thursday night between Merchants and Canadian Legion.

Baptist Ladies' Aid Holds Tea

Many Ladies Called at Successful Affair Yesterday at Home of Mrs. Bert Morgan

The tulip tea and sale of home cooking held yesterday afternoon by the Ladies' Aid of First Baptist Church at the home of Mrs. Bert Morgan, Fifth Avenue East, was a very successful affair. Many ladies called during the afternoon to patronize the function and were received by Mrs. James Hampton, president of the Ladies' Aid and

Mrs. Morgan. The rooms were suitably decorated for the occasion. Mrs. Frank Morris was convenor. Mrs. J. A. Lindsay and Mrs. J. Morrison were in the kitchen and servers were Mrs. P. H. Linzey, Mrs. J. Armstrong and Mrs. D. Orchard McLeod. Mrs. Charles Larkin and Mrs. Peters poured and Mrs. G. T. Hibbard was cashier. Mrs. Vic Houston and Mrs. Frank Glass were in charge of the home cooking table.

SOFTBALL POSTPONED

Owing to the fire downtown, the East End League softball game between Seal Cove Sailors and Giants was abandoned last evening.

FOOTBALL LINE-UP

The Merchants line-up for the football match tomorrow evening is announced as follows:

V. Menzie; Douglas, Hardy; Geo. Hill, A. Dickens, Gikler; L. Amor, H. Dickens, J. McKay, Fong, D. Frizzell; reserves, W. Bacon and P. Vaccher.

SOFTBALL POSTPONED

The regular C. N. R. softball game between the Round House and Dry Dock was postponed on account of excitement of the fire on Third Avenue last evening.

WEEK'S DOINGS AT PARLIAMENT

(continued from page two)

under the British North American Act since Federation.

Another fact elicited during the course of the discussions was that the attorney-generals of each province must initiate indictments in their own name under the Dominion Laws. In the States there are forty-eight different kinds of criminal law to nine different provincial governments, who operate such. It would seem there is more to these matters than the average citizen is aware of.

In the evening the House went into committee of supply, the Minister of the Interior putting before the House his estimates regarding the cost of administration of Indian Affairs amounting to the sum of over four million dollars. These were officially held up owing to a discussion that arose regarding allegations made by Mr. Garland that some 300 tons of coal had been purchased by the Indian Department at a price of \$7.50 per ton, which is \$1.65 above the ordinary price, and he asked the Minister to explain this, especially as a coal mine existed in one of the Indian Reserves in his constituency from which the Indians mined coal last year and sold it in the town for \$3. The House adjourned at 11 o'clock with this matter still under discussion.

Tuesday, May 3—There was a break in the days' proceedings when, at 5 o'clock, the Gentleman Usher of the Black Rod was admitted to the House and announced that the presence of the members and the Speaker of the House of Commons were requested to attend at the Senate Chamber where the Deputy Lieutenant-Governor, in the absence of the Governor-General, would give assent to certain bills which had passed both houses.

Practically the whole of the first part of the day was occupied with discussions in connection with The Royal Canadian Mounted Police, a bill being introduced by Mr. Guthrie, Minister of Justice, making certain changes in connection with the Mounted Police and for the appointment also of deputy commissioners. It was pointed out by Mr. Guthrie that certain changes were now necessary as six provinces in Canada were now being policed by the Royal Canadian Mounted Police.

The first part of the evening session was taken up by the bill introduced by the writer, the intention of which was to give British Columbia the much desired reduction on freight rates on grain and flour coming from the prairies to the Pacific Coast. It was disappointing that no support was given this measure by the Conservative members from British Columbia, the bill being turned down by a majority of 26. It is gratifying, however, to know that this vote was one of the smallest majorities given to any vote during the session. The rest of the evening was taken up with the minister of labor's bill to relieve distress and give farm relief. It was evident from the minister's remarks that direct relief only will be given and that, in great measure, the government is not encouraging the carrying out of public works. This was very disappointing to many members, and many protests were made from opposition members of the three groups—Liberals, Labor and United Farmers.

Wednesday, May 4—Practically the whole day was taken up with the bill to relieve unemployment. Discussions continued right up to 6 o'clock, the hour of adjourning. As this was a motion to introduce the bill for the relief of unemployment, Mr. Gordon, in answer to many questions, took the stand that he would not answer anything very definite until the bill was before the House, but it was made perfectly clear that a general cutting down of the relief work was to be the policy of the Dominion government.

Wednesday, being a short day, and the day following a holiday, known as Ascension Day, a great number of the members left that evening for their homes, and many of them will not return until Monday of the following week. It will be remembered that last year on Ascension Day, one of the Quebec members took objection to the House sitting on that day as it was recognized as a Holy Day in Quebec at least. On that occasion the government voted his motion down, but evidently it was taking no chances this year and, so on Thursday, there was no sitting of the House.

BARRYMORES TEAMED UP

John Is Clever Thief and Lionel Implacable Detective in "Arsene Lupin"

John Barrymore and Lionel Barrymore, the two noted actor brothers, make their initial screen appearance together in "Arsene Lupin," colorful French mystery drama, which is being shown the middle of this week at the Capitol Theatre. The picture, based on a Parisian stage success, depicts the entertaining career of a debonaire master thief, played by John Barrymore, who is trailed by an implacable detective, Lionel Barrymore, through the gay salons of Paris with interesting details of the Apache underworld thrown in for good measure. Karen Molye, John Miljan and Tully Marshall also have important parts in the picture. Highlights of the picture include a clever theft of jewels from a magnificent chateau, the outwitting of detectives at a unique birthday party, a dramatic scene in which Miss Morley is compromised and the audacious theft of a famous painting. Dramatic interludes are lightened with a large share of amusing comedy moments.

For the weekly revival feature, in addition to the full regular program, the hilarious comedy "Stepping Out," starring the female clown, Charlotte Greenwood, is being brought back tonight.
