#### Her Constipation Overcome by This Delicious Cereal g \_\_\_\_\_

If you are troubled with constipation, read Miss Bundy's enthusiastic letter:

"I would like to congratulate the one who discovered ALL-BRAN. It really does live up to its reputation when it is said to 'relieve constipation.'

"I used to feel poor all the time - just down and out - and after reading an advertisement in a magazine about ALL-BRAN I got a box. It has evermore helped me, and it is not hard at all to eat." - Miss Mary Bundy (address upon request).

Laboratory tests show ALL-BRAN brings two things needed to correct common constipation: "Bulk" to exercise the intestines; Vitamin B to help tone the intestinal tract. ALL-BRAN also furnishes iron for the blood.

The "bulk" in ALL-BRAN is much like that of lettuce. Within the body, it forms a soft mass. Gently, it clears the intestines of wastes.

How much safer than taking pills and drugs-so often harmful. ALL-BRAN is not habit-forming. Two tablespoonfuls daily will overcome most types of constipation. If your intestinal trouble is not relieved this way, see your doctor.
