AN EXCELLENT BOOK The Dominion Bureau of Statistics, under authority of Hon. H. H. Stevens, minister of trade and commerce, has published the Canada Year Book for 1933, an excellent publication full from cover to cover with information about this wonderful country in which we live. There is hardly any phase of Canadian life, activity or natural wealth that is not dealt with. As an up-to-the-minute encyclopedia of information about Canada, the book is extremely valuable.

ability to compete with all-comers is afforded in the astonishing results obtained in tobacco culture. Springing from the soil of this province, a young army of tobacco plants rears dustrial life of the province. In the Sumas Valley, the Totem Tobacco Plantation, now in process of harvesting, is a sight to behold. Consisting of Virginia flue-cured tobacco, it is pronounced the best in Canada by no other authority than Inspector Mac-Rae of the Experimental Farm, Tobacco Division, Ottawa:

Totem Tobacco is a high-grade product, expertly blended. A trial of this British Columbia product will convince the most confirmed skeptic that it equals, if not excels, anything

from eastern tobacco-growing areas. Tobacco producing is 100% labor. To give this local product a fair trial is to make a direct contribution to the economic welfare of the province. Totem tobacco wrappers have a cash value, redeemable in any quantity at 634 Howe street, Vancouver, B.C.

Booth Loser in Closely Contested Match Saturday Afternoon

The Junior Football League started another season's activities on Saturday last when Borden Street School won from Booth Memorial in a closely contested game by one goal to nil. Both teams had changes from last year. Borden having four new players and Booth nine.

Play was even with Husoy dangerous for Booth. Dybhavn cleared. Monkley was nearly through but Krause saved splendidly. Booth forced three corners but they were cleared. Cameron was through but shot straight at Postok when he should have scored. Bremner tried to clear a harmless shot but turned it past his goalkeeper to give Borden the lead. Play became faster but no goals came.

Booth now had the lead and pressed more steadily but Borden nade dangerous break-aways. Postok cleared well from Husoy and nearly through. Dybhavn played vell and O'Neill and Mah defended uccessfully. Currie and Barton safe.
