Says He Thinks Receivership is Only Way Out of Present Financial Difficulties

M. P. McCaffery, who for the past few days has been considering the possibility of being a candidate for the mayoralty, decided this morning that it was impossible to bring the city back to a sound financial condition without the appointment of a commissioner. He said he had thoroughly investigated the condition of affairs and had given it every consideration and the result was that he would not be a candidate. He thought the appointment of a commissioner the only feasible way out and would support such a move. With many illustrations from Holy Scripture and from the life of today the speaker sought to show the practical implications of fellowship.

BASKETBALL AT SIMPSON

Details of Play Last Week—One Game Nearly Ended in Free-For-All

PORT SIMPSON, Jan. 7.—Members of the Athletic Club from Metlakatla, Alaska, were the guests of the two local clubs recently. The visit was a re-union of the different relatives from the two places.

The visitors came for the purpose of engaging in a series of hoop games with the local teams and, while they carried two very fast teams, they also had a splendid orchestra and singers and entertainers. They visited the hospital and the Girls' Home and, at each of these places, they entertained the staffs and inmates. Their orchestra was one of the finest that had been heard here for a long while.

The basketball games started with a series with the Port Simpson Athletic Club. The first game in the intermediate division was very fast and went to the visitors by a score of 33-22. The lineups: Metlakatla—Haldane, Booth, Usher, Hayward, Booth and Williams.

P. S. A. C.—Wesley, White, Faithful, Green, Simpson, W. White and Morris.

The second game between the two senior teams also was very fast and, among the outstanding players for the visitors, was John Smith, while for the locals James White made the most points. The final score gives no indication of the speed of the game. The locals held the visitors down and, had they made their tries count in shooting, the score would have been closer. The visitors' team worked like an oiled machine from start to finish. Wesley of the Y. P. E. A. and Atkinson of Metlakatla handled the whistle in a very satisfactory manner. The final score was 35-12 in favor of the visitors. The line-ups were: M. A. C.—Milne, Tait, Smith, Laing, Leask.

P. S. A. C.—G. White, Henry, J. White, Mather, Musgrave and Moody.

Y. P. E. A. Wins The next day the visitors engaged the Y.P.E.A. teams, which holds the Northern B. C. championship title for last season, in a series. The first game in the intermediate division went to the visitors and many fast plays were displayed by both teams. The final score being 32-13 in favor of the visitors.

The line-ups: M. A. C.—Hayward, Booth, Usher, Scott, Haldane, T. Booth. Y. P. E. A.—W. Ross, Hughes, Lawson, Tate, Cooper, Bryant, Gray.

The game of the senior teams was won by the Y. P. E. A. and was marred by an unfortunate ending by the visitors walking off the floor in protest at the refereeing of the local official, Lawson. The visitors took many exceptions to the decisions which nearly brought about a free-for-all. The visitors refused to continue the game and the referee awarded the game to the locals who were in the lead at the time, the score being 19-10 in favor of the Y. P. E. A. The game was very ragged and rough at times and only rarely were there any fast plays and these were of an individual nature. The line-ups were: Metlakatla—Milne, Laing, Smith, Leask and Tait.

Y. P. E. A.—Sankey, Wesley, Mather, Knott and W. Johnson. Referees—Jas. Lawson, Y. P. E. A., Atkinson, for M. A. C. The Port Simpson Athletic Club gave a reception in honor of the visiting teams as did the Y. P. E. A. before each game.

At a dinner tendered the visitors on Thursday by the Young People's Educational Association, Andrew Usher of Metlakatla gave a very comprehensive address in which he said that the people of Alaska were also feeling the depression keenly. In expressing the sentiments of goodwill of his people, he declared that reciprocal amiability among all the native people should be encouraged.

Following the dinner, a delightful dance was held in the Y. P. E. A. Hall. Haldane's Orchestra rendered splendid music and all present expressed much admiration and de-

### Uncertainty as to Opening of Halibut Fishing—New Installations at Cold Storage—Ivor Wick Building New Troller

Despite expectations to this effect, there has been so far no announcement by the International Fisheries Commission, regulatory body of the Pacific halibut fisheries, in regard to the legal date for the ending of the halibut close season being postponed from January 15. In view of the lack of expected announcement along this line, it is beginning now to appear that a week from tomorrow will be the legal opening date of the 1933 season, after all, leaving it to the discretion of the operators as to whether or not they consider it advisable to actually start at that time. Fish dealers are continuing to urge the boat operators that conditions do not warrant fresh halibut being placed on the market in any appreciable volume until February 15 at the earliest and that, in the interests of profitable disposal of the product, a delaying of the commencement of fishing operations would appear to be advisable. It appears that the majority of the boat owners and fishermen would be disposed to take the advice along this line provided it is accepted unanimously and all units refrain from starting operations at the legal date. Meanwhile, many of the larger craft are now being put in readiness for the season's operations, whenever they may start. If the season actually opens legally on January 15, there is likelihood that the first fresh fish of the season will arrive soon thereafter, even if it should be in very limited quantities.

A Canadian National Railways steam shovel has been busy this week digging out the grade cut on the local waterfront near the Albert & McCaffery premises. The

rock thus being obtained is being used in filling and ballasting along the line hereabouts.

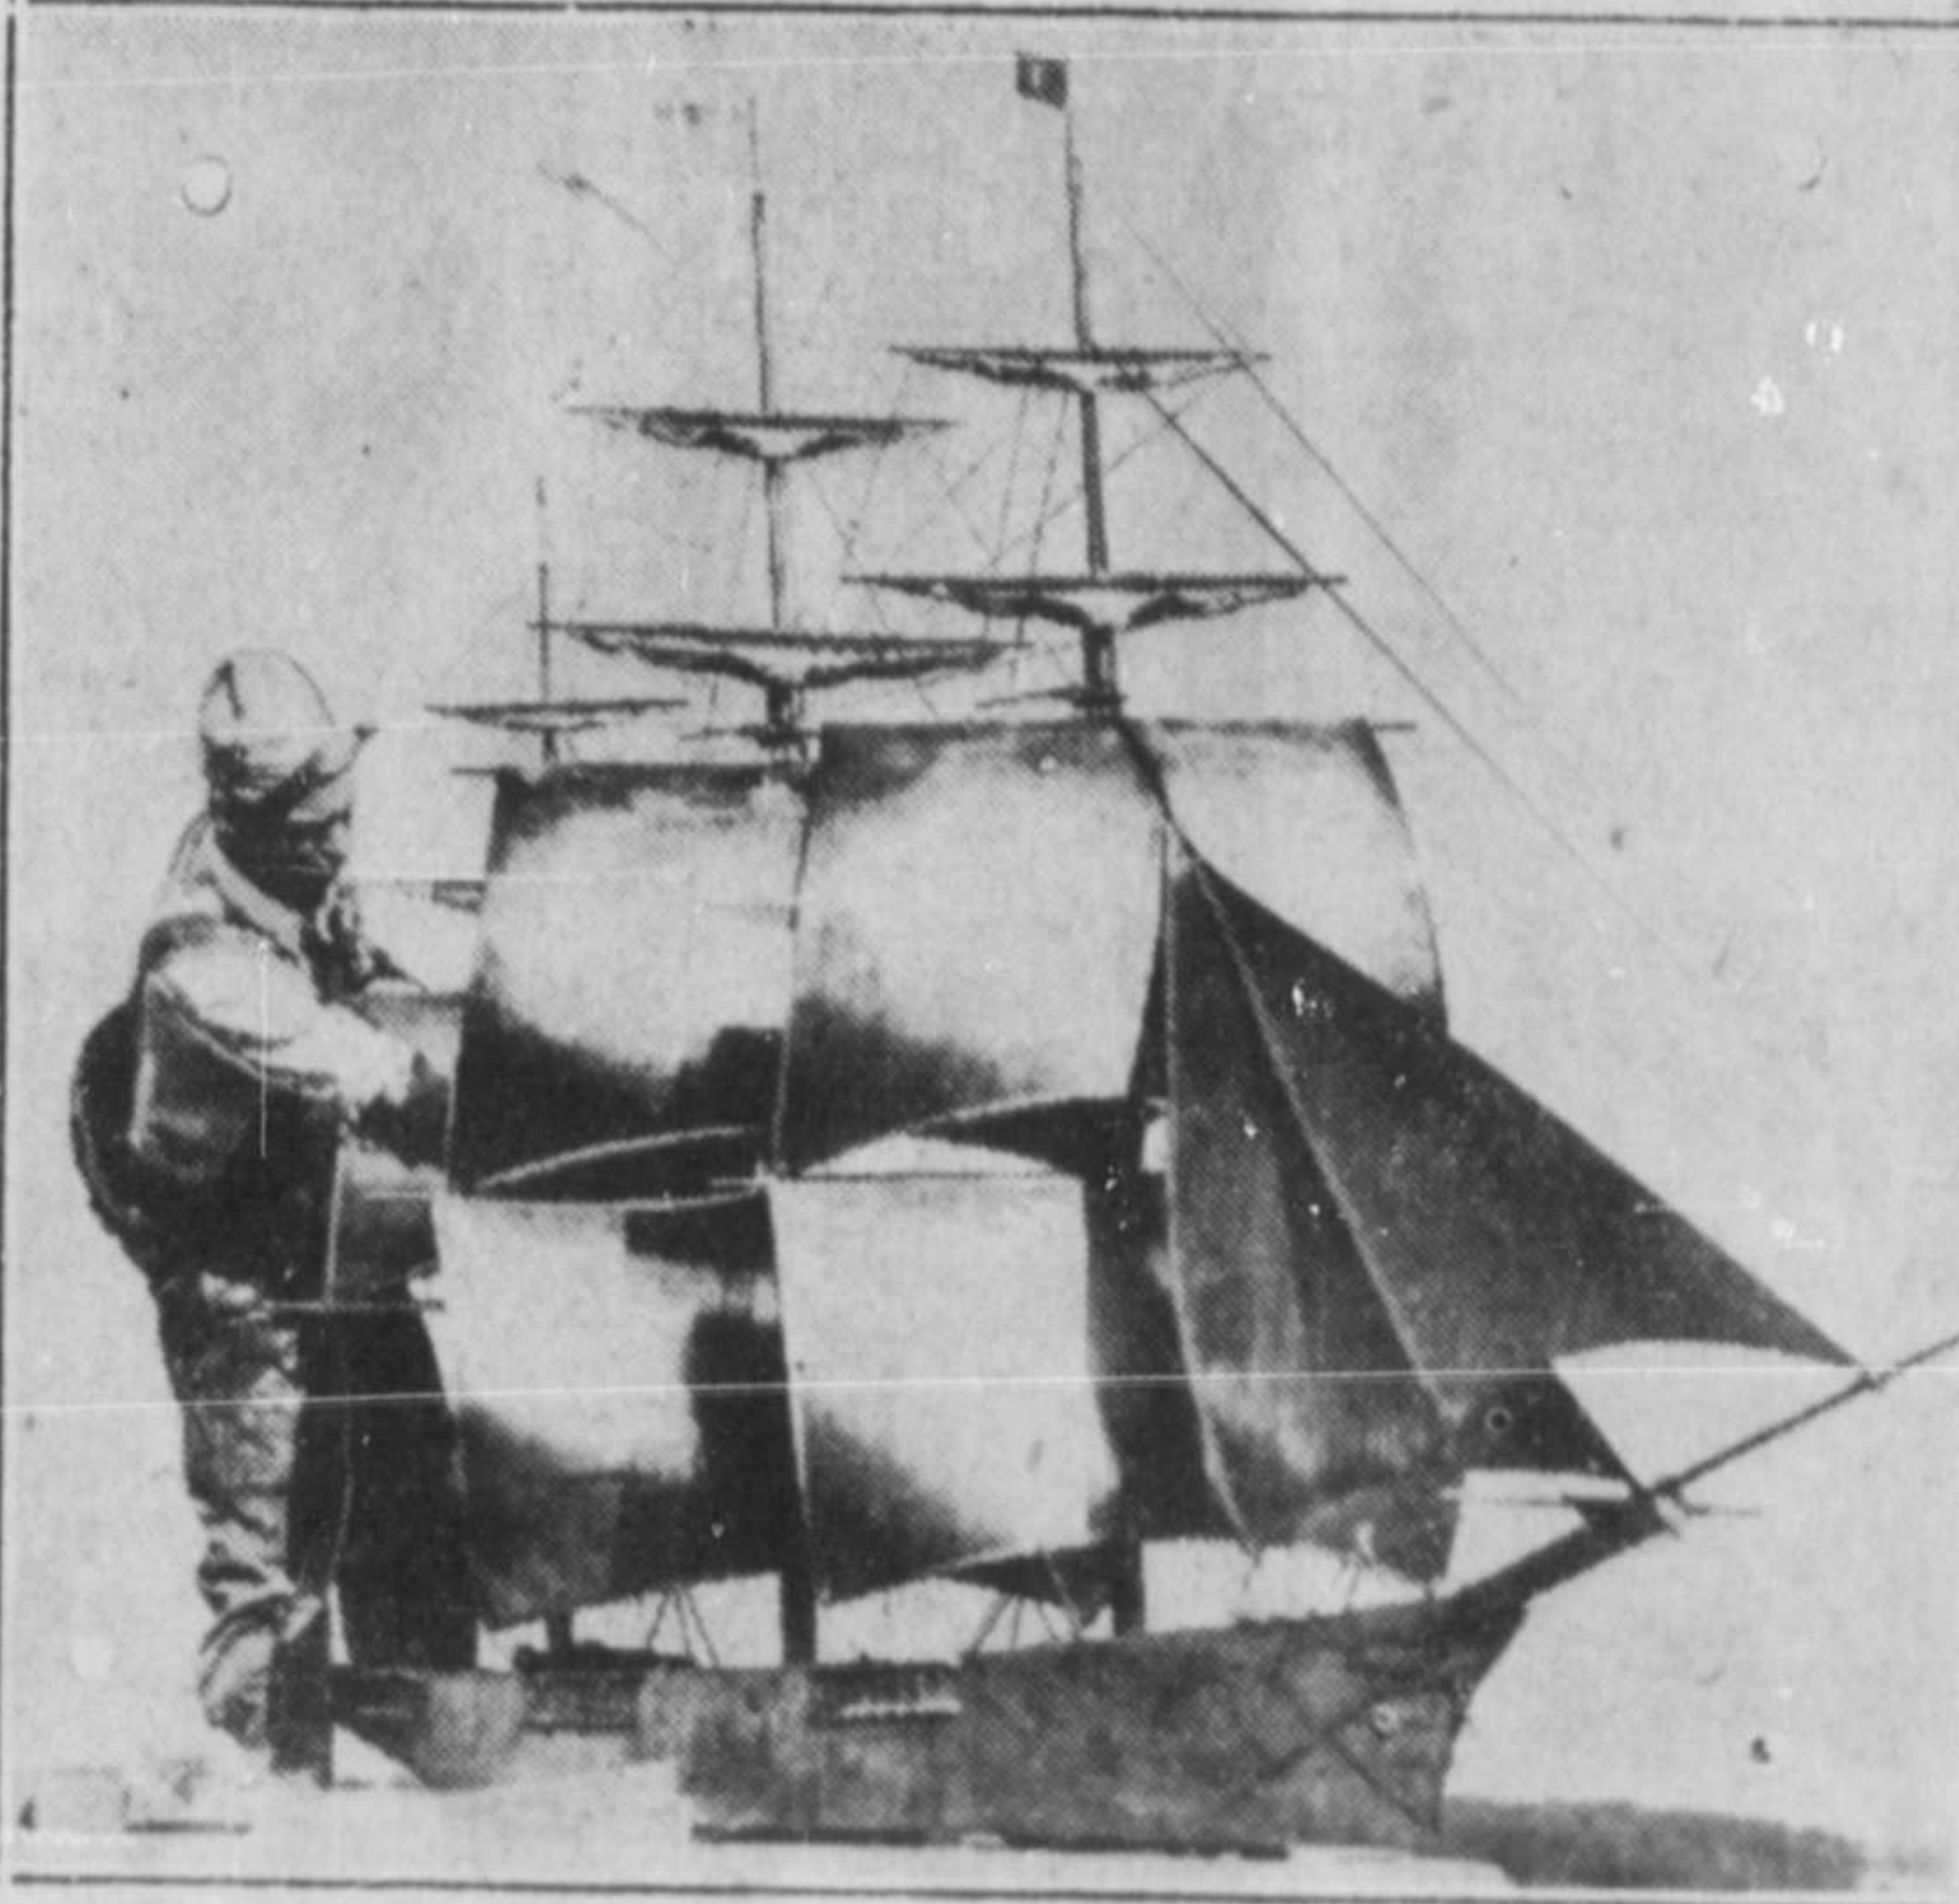

Capt. Ivor Wick, well known Prince Rupert salmon troller, whose former boat, the Seminole, sank off Porcher Island during the past fall, is having a new 33-foot trolling boat built by Y. Suehiro, Japanese boatbuilder at Cow Bay. The new boat, which will be equipped with a 30-40 diesel engine of Norwegian make, is to be ready for fishing by the coming spring.

#### Bill Bacon Home

Bill Bacon, son of B. J. Bacon, head of the Bacon Fisheries, and himself one of the best known and most popular figures on the local waterfront, returned to Prince Rupert on New Year's Eve after a four months' trip to England and Scotland. Besides visiting with relatives in the Old Country, Bill took advantage of the opportunity to study some of the latest methods of fish handling and treating in Scotland and England. He also had many thrilling experiences which make interesting telling. Bill has been receiving a hearty welcome home from his many friends.

## MASQUERADE IS SUCCESS

Fifty Couples Present at Enjoyable Affair Staged by Eagles' Lodge Last Night

A happy crowd of fifty couples attended the masquerade dance which was staged last night by the local Eagles' Lodge in the Aerie Hall. Many of these persons were in costume and this, together with the special decoration and lighting of the hall, made the scene very attractive. Dancing continued from 9 p.m. until 2 a.m. with splendid music by Charlie Balagno's Orchestra. Robert Peacock was a genial master of ceremonies.

At midnight the unmasking took place and the judges—Charles Lemon, Thomas Clough and E. E. Yager—awarded prizes as follows: most comic men's costume, Miss Annie Kach, as a colored shoeshine boy; most comical ladies' costume, Mrs. Nelson, as a newsboy; most original men's costume, Mrs. Watson, as a French apache; most original ladies' costume, Mrs. Levitt, as Miss Advertisement. After the judging, delicious refreshments were served.

Frank Fitzgerald presided at the door.

# How to Guard against the FLU

Every News reader is urged to heed these precautions

The flu epidemic has reached this community. The health authorities are doing their part, but every individual must be on guard.

Keep the family medicine chest supplied with the sensible aids to health; any sickness weakens the system and lowers your resistance to germs.

Every household should have at least one hot water bag, in good condition, or an electric pad; and a fever thermometer. Sleep in airy rooms, with ample covering. Avoid an overheated house during the day; dress warmly when you go out. Beware of over-crowded cars, poorly ventilated public meeting places, stuffy telephone booths. Flu is con-

tagious! Breathe through the nose. Keep the system alkaline, the bowels in good order; Phillips' Milk of Magnesia will help you do both. If you have any symptom of a cold, take some Aspirin according to directions. Don't lose even five minutes! Genuine Aspirin tablets can't harm you, but a common cold is dangerous at a time like this.

Eat plain foods, get enough rest, and don't over-do. Take these extra precautions to keep in sound physical condition, so your system will have normal resistance against germs.

At any sign of actual flu, call a doctor at once. Do not try to treat yourself for influenza!
