THE CTIY'S DUTY TO THE SICK

There will be very little criticism offered to the city council for never a word of credit given to Only on the birthday, accession their act in voting a sum of \$5,000 to the General Hospital. Here the Herald. It has been going and coronation of the Sovereign, and there, is an occasional soul, like that lone alderman who opposed on for a long time but is more and the birthday of the Consort the grant, obessed with the idea that economy consists in saving noticeable since the editor was of the Sovereign, is this Empire money. From these criticism may be expected; from the great ma- elected to the city council and the web of concussion brought into jority of the citizens nothing, but approval will be uttered. | cares of statesmanship prevent play. Royal salutes are fired only

Hoarding money is not economy; it is parsimony. Economy his giving a proper amount of at the Tower and in St. James' consists in spending money to the wisest advantage. And how can attention to his business. We Park on other occasions, such as public money be more wisely, more profitably spent than in pro- never remarked on it before as the the State opening of Parliament. viding for the sick and injured members of society?

Empire needed brightening and The number of guns to be fired

Some people speak of money donated by cities and governments the Herald was not particularly in honor of great officials and to hospitals as philanthropy. It is not that. It is economy. Phil- harmed. However, the matter foreign potentates is carefully calanthropy and charity it may be when donated by a private giver, has now passed the bounds of culated, and the honor is jealously but when donated by a city it is economy.

It is from the healthy and strong producers that the wealth of usually governing." cities and provinces is obtained. A state composed of a million cripples would speedily go bankrupt. A cripple—save where he is a mental genius—is as useless to the state as a landlord or a "gentleman." He brings only needs, and gives nothing in return.

The work of turning a cripple or an invalid into a strong healthy Meet any Indoor Baseball all the other Indian princes, who worker is a work which benefits society, because it turns non-producers into producers of wealth. From selfish motives, if not from unselfish, it pays society to care for its sick and helpless and nurse Indoor baseball has taken hold FIRST EXCURSION NORTH them back to health and strength. The money so expended is eco- in Prince Rupert. The live games nomically used. It earns dividends for years-perhaps generations- at the Auditorium between the City of Seattle Carries Big

There is another aspect of the question. The majority of the led to the commencement of team workers—the wealth producers of society—are unable to maintain organisarion by the Presbyterian themselves or their relatives during periods of illhealth. The "living young men, and now another The City of Seattle this week wage" does not permit provision for periods of illhealth. Should they team still takes the field. The on her journey north brought a then become recipients of charity?

"I will not do that. I will die first," said one man in a large a challenge to any Indoor Baseball Rupert, and a number of apssencity three weeks ago, when he chose death as preferable to asking Team in town to meet them. Rep- gers. The steamer was crowded charity during his ill health and incompetence. Today, in consequence, resentatives of the team can be with the first party of excursionists the Empire is poorer by the loss of a man of spirit, who at little expense found at the Royal Hotel. might have been nursed back to health and usefulness.

Slowly the world is growing to see that the least the state which Weax Robertson, former sec- Numbers of the excursionists took profits by his labors can do is to care for the worker while he is ill, retary of the Capitals, who was the opportunity of looking round just as a team-owner cares for his sick horses—and for similar reasons. for many years a leading figure in Prince Rupert during the steamer's One of the benefits of citizenship in a great city ought to be that each the lacrosse world, is dangerously stay at the wharf. person would be removed from the haunting fear of what may happen ill. "Bowery" suffered an attack if illness should come. Hospital accommodation and skilled medical of throat trouble last fall, which ttreatment should be one of the rights of every citizen, to accept or laid him up for several months. INSERT YOUR LAND PURCHASE to decline as he wishes. It is obnoxious that medical comforts should Recently he recovered, but had be the privilege of the wealthy, and a piece of charity to others.

To provide medical attention for its sick, is as much a piece of with the result that his condition civic duty, as to provide a water supply or a garbage collection service is such as to give the doctors out of the common funds. The economy of the service is its justification. little hope. He is also secretary telephone 320 green. Davis'

Perhaps the day will come when the whole of the funds of the of the Ottawa Curling club, and Boat House. city hospitals will come out of the taxes, and the kindly philanthropist was a member of the team that who leaves money to the hospitals will seem as much out of place as won three N. L. U. championthat impossible person whom we cannot conceive of as leaving half ships for the Capitals, also touring his estate to the Waterworks Department, and the other half to the the Old Country with Mr. Tasse's Scavenging and Street Cleaning Department.

The discussion of the hospital funds reminds us that the Ladies Committee are trying to raise funds by compiling a cookery book, Whether the hospital is to be helped by the proceeds of the book, or the amount of custom the recipes may create has not yet been announted apply for permission to purchase the following described lands:

DELIVERED TO ANY AD-DRESS IN SECTIONS 1, 5, 6 AND 7 EVERY DAY FOR

DEVOTED PRINCIPALLY TO THE INTERESTS OF WOMEN

This is a little section of the paper, which from day to day will be devoted to subjects of special interest to women. Any and all of the ladies of Prince Rupert are invited to contribute to its columns, and to take part in its discussions. Suggestions and criticisms are invited by the editor. The hope is expressed that "The Cesy Cerner" will fill a social need.

SMART DRESS OF PLAID

Drain mony the bride threw the ring boil fast for forty minutes. Drain mony the bride threw the ring for permission to purchase the following described of the game, and material for his team is to be found in the City pupil of wm. Foxon, Esq., A.R.A.M., Lon., Eng and cool. Boil one gill of stock into her husband's face and left with one gill of milk, one bay him. She never saw him again, leaf, and one slice of onion. Melt and never used her title. two tablespoonfuls of butter in a implored her a dozen times to saucepan, add one tablespoonful live with him, and when he died Dated March 17, 1911 of flour, and cook them for a few he left her his estate, but she minutes, stir without browning. refused it. Now add the boiled milk and stock strained, stir till it boils, ,put ,in the macaroni, and add two tablespoonfuls of grated Canadian cheese; mix well and season with salt, pepper, and dust of paprika.

Fill a well-buttered gratin dish or pudding dish with the preparation, sprinkle over with bread crumbs and grated cheese, put a few small pieces of butter here and there on the top, and bake in a moderate oven for fifteen minutes. Serve hot in the dish it was cooked in.

## SIMPLE SEASON STYLES

### are in Strictest Good Taste

If there is one thing more than | • • • • • • not playing horse. another that strikes one when looking at this season's fashions in FRED. STORK dresses, suits and hats, it is the extreme simplicity of the lines and the absence of much trimming and "fussy" effects. The skirts hang Valves & Pipes Oxford Stoves slim and straight, almost always devoid of even relieving folds of material, and are short. The SECOND - AVENUE walking skirts are very short, while the longest ones merely touch the floor. Jackets show the same tendency; and by the time spring is well advanced the short boleros and Etons will probably be greatly in favor. Most of the jackets are in square box effects, not unlike boy's coats, while the sleeves are simply the perfectly The pretty model illustrated in plain close-fitting coat sleeve. One the wraps. Skirts with the raised waist-line are in favor again, and are generally becoming. Each of Mrs. F. G. Dawson entertained the spring garments seems to be
