VICTORIA, Dec. 7: (CP)-Five Swedish fishermen from Prince Rupert are believed lost with four fishing boats in a storm that swept the west coast of Vancouver Island Tuesday. The missing craft and men are:

The Bella, the wreckage of which was found five miles west of Clo-oose, which had Ole Johnson and Helge Jacob-

The E. O. 1629, the wreckage of which was found eight miles west of Clo-oose, which had Einar Oksvik on board. The S. K. which is unreported with Soren Knutsen.

The Keno, aboard which was Einar Mortinsen.

The Dovre, with Alfred Anderson, has arrived at Bamfield and the Magna, with two men, at Beecher Bay.

The men and boats came south from Prince Rupert several months ago and were enroute back with the intention of trolling off Bamfield for a few days.

The weather was favorable when they left Victoria Monday but, off Port San Juan wind rose. The advisability of making haven was considered but it was decided to push on, according to Alfred Anderson. An hour past San Juan the wind increased to a gale and the craft headed into its teeth, hoping to ride it out. Between 1 and 2 o'clock 17 o'clock Tuesday morning Anderson saw the lights of the three boats and at 5 o'clock sighted the Bella. At daybreak, however, he could not pick up any of them. He concluded that they had headed for Bamfield and struggled through the storm to that point himself to find out that he had been the only one to make port.

WRECKAGE IS FOUND

Yesterday morning Dan Holliday, Government Telegraph lineman, came upon the wrecked hull of the Bella with its deckhouse gone. Three miles further on he found the E. O. 1629 ground almost to matchwood. Boats and men sent on patrol from Bamfield found no further wreckage or survivors.

NEGLECT OF COMMON CONSTIPATION IS A SERIOUS MATTER

Prevent This Condition With Kellogg's ALL-BRAN

The first question your doctor asks is whether you are constipated or not. He knows that this condition may cause headaches, loss of appetite and energy, sleeplessness It is often the starting point of serious disease.

You can prevent and relieve common constipation so easily. Just eat a delicious cereal once a day. Laboratory tests show that Kellogg's ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to further aid regular habits. ALL-BRAN is also a rich source of blood-building iron.

The "bulk" in ALL-BRAN is much like that found in leafy vegetables. Within the body, it forms a soft mass. Gently, it clears out the in testinal wastes.

Isn't this "cereal way" safer and far more pleasant than taking patent medicines-so often harmful? Two tablespoonfuls of ALL-BRAN daily are usually sufficient. With each meal in serious cases. If not relieved this way, see your doctor.

Enjoy ALL-BRAN as a cereal, or use in cooking. Get the red-andgreen package at your grocer's. Made by Kellogg in London, Ont.
