Spencer cerned.

The general expectation, even among Conservatives, seems to be that Hon. R. W. Bruhn, minister of public works, who has been doing much talk about political independence and the need for coalition, will also break soon with the government. In view of Premier Tolmie's dismal failure to bring about a "union" government, Mr. Bruhn's present position in continuing to support the administration would, indeed, appear to be quite untenable.

#### BRITAIN'S ECONOMIC OBJECTIVES

Students of economic matters will agree that, if the forthcoming world conference is to achieve any success in encourage the buying of goods at have been one of the most pleasant rectifying the sore depression from which the world has home instead of sending outside. It events recently held in Terrace. been suffering, something along the lines of the British objectives, such as were announced yesterday by Rt. Hon. Neville Chamberlain, the Chancellor of the Exchequer, were concerned, they already commust be achieved at that great gathering.

If the great nations taking part in the conference can bringing goods in here was considagree on a common line of action which will result in "an ered as well as the limited turnincrease of prices to a more satisfactory level," "a cur- over. of a stable international money standard," and "abolition in regard to the unreasonableness Three Hills subdivisions in Alberta rency understanding leading eventually to the restoration or reduction of the barriers to international trade," then of prices here, urged that there report weather mostly warm with the world may well expect an early return to more pros- should be an aggressive program of heavy rains which delayed seeding perous conditions as a result of increase of trade, industry advertising by local merchants in but provided beneficial moisture and employment.

If, however, there is failure along these lines, be it due der a delusion in the belief that cent of the coarse grains are now to prejudice or national selfishness, there are many who prices were so much higher here in: Early sown grain is growing will be inclined to agree with Mr. Chamberlain's fear that than outside. Special

Mrs. H. G. Kennedy sails tonight on the Prince Rupert for a holiday trip to Vancouver and Prince George, accompanied by her son, Scott.

Mr. and Mrs. Robert Erskine sailed last night on the Prince John via the Queen Charlotte Islands for a vacation trip to Vancouver and Victoria.

C.P.R. steamer Princess Adelaide. Capt. S. K. Gray, returned to port at 7 o'clock this morning after a special voyage to Ketchikan and sailed at 8 a.m. on her return to Vancouver and waypoints. The vessel brought a special party of twenty-eight Alaskan school teachers, all of whom went through to Vancouver whence they will proceed by rail to their homes in various parts of the Eastern States.
