ALL-BRAN RELIEVED HIS CONSTIPATION

Delicious Cereal Brought New Health to Mr. Bartholomew

We quote from his voluntary let-r: "I had considerable trouble with my stomach. Digestion was out of the question. I got medicine which gave me only temporary

"Then I thought of taking ALL-BRAN. I started eating a cereal dishful two or three times a day.

"It has been over a year now since I ate that first dish of bran. but from that day to this I have had the pleasure of enjoying the proper functioning of the digestive organs.

"Thanks to ALL-BRAN. I still eat

it regularly and like it better all the time."-Lester Bartholomew. (Address furnished upon request.) Constipation is usually due to lack of "bulk" to exercise the intes-

tines, and vitamin B to promote elimination. ALL-BRAN supplies both, as well as iron for the blood. The "bulk" in ALL-BRAN is much like that of leafy vegetables. Certainly this food is more natural

than taking harmful patent medicines. Two tablespoonfuls daily will overcome most types of constipation. With each meal in chronic cases. If not relieved this way, see your doctor.
