NUREMBERG, Prussia, Sept. 5.—A stirring appeal for
unity behind his regime as Chancellor of Germany and for
peace of the world was made by Adolph Hitler at the
closing session of the Nazi national convention here on
Sunday. It was the fourth day of the convention which
accorded Hitler a demonstration of fealty such as few if
any Kaisers ever received in the old
days of royalty in Germany. Hun-
dreds of thousands of Fascists were
in attendance.
In his final address, Hitler de-
clared that Germany could ill af-
ford to lead the world today in any
great military display.

By Miss America X.

MARINE CITY, Mich., Sept. 5:
The Harmworth Trophy, emble-
matic of world's championship in

a result of Gar Wood's second

noon here with his Miss America
X. over the British challenger,
Hubert Scott-Paine, with his Miss
England III. Wood turned up a
speed of over 86 miles per hour
yesterday and had a lead of about
half a mile over Scott-Paine who
averaged more than 75 miles an
hour.
Wood made an average speed of
82 4-10 miles per hour on Satur-
day in the first race over the 35-
mile course on the St. Clair River
in defeating Miss England III in
the first heat. The Miss America
X. had a commanding lead and
kept the British boat in her wake
throughout the race.

will take place at 2:30 Thursday
afternoon from St. Andrew's An-
glican Cathedral.

"Just Before the Battle Mother"

Here is a picture in which all the action is implied. It shows, at left, Hubert Scott-Paine, British speed-boat racer and Mrs. Scott-Paine (2nd from left), and at right, Gar Wood and Mrs. Wood (2nd from right), just before the battle for world's speed-boat supremacy, in which the American retained the Harmworth trophy. The races took place on Saturday and Monday, Wood winning two straight.

HOME IS
DAMAGED

Extensive Loss From Fire in Resi-
dence of M. T. Lee on
Sunday Night

Extensive damage was done by
fire of mysterious origin which
broke out about 10:30 Sunday night
in the home of M. T. Lee at 315
Sixth Avenue West. The interior
of the house was gutted, furniture
and personal effects were destroyed
and the outside walls were also
badly scorched by the flames.
Mr. Lee was already in bed and
it was as Mrs. Lee and daughter
were about to retire that they smell-
ed smoke and discovered that the
place was on fire. The flames had
obtained such a hold by the time
Mr. Lee was aroused that it was all
he could do to escape in his night
attire by jumping from a window.
He sustained minor burns about
the head and face.
The fire had made considerable
headway owing to the papered wall
and frame construction by the time
the department could be called. It
is believed the origin was in the
sitting room although Mr. Lee
stated that there had been no fire
in the stores during the evening.
The loss is covered by insurance.

son, Arthur Dries, arrived here at

morning for Seattle. The plane and

WELL KNOWN
BOY PASSES

Keith McLeod, Son of Mr. and Mrs.
Jarvis McLeod, Dies Suddenly
In Hospital

The death occurred with tragic
suddenness in the Prince Rupert
General Hospital at 4 o'clock this
morning after a brief illness of
Keith McLeod, second son of Jarvis
H. McLeod, collector of customs
here, and Mrs. McLeod. The lad had
contracted a severe cold a week or
so ago. Pleurisy set in and his con-
dition became such as to necessi-
tate removal at the middle of last
week from his home to the hospital.
While his condition was realized to
be serious, death was unexpected
and came as a stunning blow to the
family as well as to many friends.
Keith McLeod was 14 years of age
and was born in Prince Rupert. He
attended school here and was a very
popular lad. The stricken family
will have the deep sympathy of
numerous friends.
The remains are resting at the
home at Tenth Avenue and Bacon
Street and the funeral will take
place on Thursday afternoon from
St. Andrew's Cathedral with the B.
C. Undertakers in charge.

CRUISE IS
ENJOYABLE

More Than Four Hundred Persons
Made Trip to Port Simpson on
Steamer Prince Rupert

In spite of the unsettled weather
conditions here, the excursion of
the steamer Prince Rupert to Port
Simpson on Saturday proved a most
successful and enjoyable outing for
no less than 427 persons who made
the trip on the popular coastal liner.
There was no rain at Port
Simpson where about three hours
were spent, departure being made
from here at 2 o'clock in the after-
noon, the ship returning to port at
10 p.m.
During the afternoon a softball
game was played at Port Simpson,
the Simpsonites defeating their
Prince Rupert opponents by a
score of 4 to 3.
For many of the excursionists, it
was the first visit to Port Simpson,
and these had an interesting time
exploring the historic native vil-
lage.
There was dancing on the ship
during the afternoon and evening,
music being supplied by Charlie
Balagno and his orchestra.
In view of the success of this ex-
cursion, it is possible another simi-
lar cruise may be run this fall.

Counter Revolution
In Cuba Yesterday

Island to be Governed by Commission of Army, Navy and
Police Officers Until Assembly Meets and
Selects Administration

WASHINGTON, Sept. 5.—Warships of the United
States navy were ordered to Cuba today to protect foreign
lives and property. Meanwhile in Havana Cuba's revolu-
tionary movement, less than a month old, was prepared to
resign in favor of a commission of five men selected by
leaders of soldiers, sailors and national police, who seized
power through a bloodless coup-d-
etat last night.
Members of the new regime as-
serted they did not want to hold the
positions permanently but would
govern until a constitutional as-
sembly selected their successors.
They were not content with the pro-
gress of the revolution since the
overthrow of Machado.

Decatur With 60,000 People Too
Small For Two Dailies—Con-
ditions Improving

In Decatur, Ill., a city of 60,000
people, they have only one daily
newspaper, it being found that it
was not profitable to publish two.
Formerly there were the Herald
and the Review. Now the one paper
is the Herald-Review. This was the
information given the News by
William Donovan, one of the own-
ers and mail superintendent at
that city.
Mr. Donovan is a world traveller.
This year he is making the Alaska
trip and he called at the News of-
fice on Saturday while passing
through. He says that there is an
increase in post office business in
Illinois of from fifteen to thirty
percent recently. This is a sure in-
dication of improving business con-
ditions. Decatur is the centre for
the starch making business in the
corn belt.

ELECTION ODDITIES

Now that the elections are really under way and political speakers will be spouting hot air at the rate of about a mile a minute we can expect some odd statements. Major Dick Burde, former member for Alberni is credited with saying that the methods employed in the fisheries drove the herring and pilchards from their natural haunts but since the C. C. F. had come into existence the fish had been seen returning.

ASSELSTINE SEES GOLD

W. J. Asselstine, candidate for Atlin riding, was present recently at a clean-up on Pine Creek in the Atlin district. He saw 322 ounces of gold taken from the dirt at that point and divided between five miners as a result of thirty days' operations. That should have been a good time to take up a collection for the purpose of helping to pay election expenses.

PRITCHARD AS LEADER

W. A. Pritchard is the provincial leader of the C. C. F. He has shown himself to be interested in federal as well as provincial politics. He is a pretty good talker. He speaks of Premier Bennett as "The Lord Almighty of Blast." He was reeve of Burnaby when that municipality went into the hands of its creditors, but that must not be held against him because other good men have been similarly placed. Possibly he may be as good a man as could be found in a party that is not cluttered up with leaders or prospective leaders.

A number of complaints have been received of people stealing and, in some cases, destroying flowers in Borden Street gardens. In most cases the flowers could be of little value to the persons taking them but when taken, the whole symmetry of the garden is spoiled. It is a senseless thing to do. The person stealing or destroying flowers is as low as a chicken-thief.

Pennant Battles Appear to be Nearly Over in National and American Leagues

BOSTON, Sept. 5: (CP)—With less than a month to go now to complete the season's playing schedule, New York Giants and Washington Senators appear to have built up margins of supremacy in the National and American Leagues respectively which should assure them of the pennants and the right to meet in the World Series. The Giants' lead now stands at seven and a half games while that of the Senators is eight and a half games.

As a result of week-end play, the Boston Braves, who were in second place in the National League a few days ago, have now slumped back to fourth place. The Braves were beaten both on Saturday and Sunday by the New York Giants in their "crucial" series. The Giants took the first game of a double-header on Sunday after a 14-inning battle while the nightcap was called in the eighth with the score tied.

The Pittsburgh Pirates scored one run to blank the Cincinnati Reds at Cincinnati yesterday and are still in second place. The Chicago Cubs won both ends of a double-header from the St. Louis Cardinals to advance into third place.

American League

In the American League yesterday, the Cleveland Indians scored a double victory over the St. Louis Browns to consolidate their hold on third place. The first was a 10-inning contest.

On Saturday, Cleveland Indians made 15 hits including two homers to defeat Chicago White Sox 12 to 4. Philadelphia Athletics won the first game of a double-header from Washington Senators but lost the nightcap despite Jimmy Fox's thirty-eighth and thirty-ninth homers of the season. Boston out-hit New York Yankees nine to four but lost the game 2 to 1.

Week-end scores were as follows:

SATURDAY GAMES National League New York 5, Boston 3. Philadelphia 2, Brooklyn 0. Chicago 5, Cincinnati 0. St. Louis 1, Pittsburgh 4. American League Boston 1, New York 2. Washington 3-8, Philadelphia 7-4. Cleveland 12, Chicago 4. Detroit 1, St. Louis 7.

SUNDAY GAMES National League Pittsburgh 3, Cincinnati 9. St. Louis 3, Chicago 1. New York 4-4, Boston 3-4 (second called in eighth). American League Cleveland 14, Chicago 3. Boston 2, Washington 3. Detroit 1-5, St. Louis 2-5.

MONDAY GAMES American League Cleveland 3-2, St. Louis 2-0. Detroit 8-5, Chicago 0-4. Other games rained out. National League St. Louis 4-2, Chicago 6-5. Pittsburgh 1, Cincinnati 0. Other games rained out.

ELKS WIN SOFTBALL GAME

In the softball game which was played as a feature of the Labor Day celebration program yesterday afternoon, the Elks, champions of the City League, defeated an all-star team representing the rest of the league by a score of 12 to 6. Except for an eighth inning blow-up on the part of the All Stars, it was a well-contested game. The Elks' battery consisted of Bill Stone and Mike Budnich and for the All Stars, Jack Lindsay and Dave Geddes.

Trades and Labor Council Has Another Successful Labor Day Celebration; Sports Program

Again the Trades and Labor Council drew a lucky break from the Weather Man for its annual Labor Day celebration yesterday afternoon, Old Sol beaming forth after a rather unpromising week-end to favor the proceedings with his warm and beaming presence. The result was that there was a good crowd on hand at the Aeropolis Hill

WOULD PLAY CHAMPIONS

Sports Editor, Daily News:— During the past season, the sport loving public has been treated to some very interesting softball games. The city championship was won by the Elks who rounded off the Labor Day sports by taking an all-star team's measure. This has tended to give the boys from the lodge the idea that they are too good for anything in town.

Now, Mr. Editor, although I am not a softball player, I am sure I can field a team, at 6:15 on Thursday evening, that will relieve the inflated ego of Messrs. Stone, Lambie, Mitchell and what have you. Game to be played on C. N. R. grounds. Reply from Mr. Stone requested in Wednesday's paper. If Mr. Stone sees fit to accept this challenge on behalf of his angered ball players (?) he is warned that he had better fasten their horns on tightly or they will lose them. Thanking you for the space, "The Old Man of the Mountains."

CHALLENGE TO ELKS

Sports Editor, Daily News:— The following team challenge the Elks, city champions, to play a game Wednesday night, September 6, at 6:15 p.m. Bob Moxley, Bob Tobey, Jack Lindsey, Walter Cross, Walter Stef-fensrud, Spiro Postulo, Herby Morgan, Delcourt Parent, Carl Smith.
