PEACE PROPOSALS ARE ACCEPTABLE

ELECTION ANNOUNCEMENT UNAUTHORIZED SAYS TOLMIE

Paraguay Makes War "Official"

BRAZIL

Great Britain, France, Germany and Italy Are In Accord Upon Mussolini's Ten Year Program

the European peace proposals of Premier Mussolini upon which Great Britain, France, Germany and Italy have reached agreement are collaboration to preserve peace for ten years among signatories of the agreement with no intention to impose solutions upon smaller nations, the possibility of post-war treaties revision

ant of the League of Nations, disarmament only as desirable, the necessity of an agreement to protect territorial integrity and independence of League members against external aggression.

United States Stand

GENEVA, May 22: (Canadian) Press)-Norman -H. Davis, United States ambassador at large, told the nations at the Geneva arms conference today that his country would consult with them when peace was menaced and, if it agrees as to the identity of the aggressors, will refrain from action calculated to hinder collective efforts to restore Is Injured in ted States was opposed to rearmament and favors the abolition of offensive arms and also reiterated the United States acceptance of Premier J. Ramsay MacDonald's disarmament proposals.

Date of Provincial Contest May Depend On Economic Meeting

Premier States Twigg Had No Authority to Say That Poll Would Not be Held Until September or October-Will Not be Delayed

VICTORIA, May 22: (Canadian Press)-Premier S. F. Tolmie today gave denial to another unauthorized announcement regarding his political plans when he stated that H. D. Twigg, M. L. A. for Victoria and provincial organizer of the Conservative party, had no authority to announce that the provincial election would be held in September or October. The Premier also#

stated that he could not recall a conversation with T. D. Pattullo, Liberal leader, promising an election before September.

PERU

Premier Tolmie said that the result of the London economic conpect of things and he thought it of U. B. C., Liberal Candidate in would be advisable to wait and see what transpired before fixing the election date which, he stated, would not be unduly delayed.

Seven Quebec Loggers Lose Lives When Stick of Dynamite Blows Up

QUEBEC, May 22: (Canadian Press)-Seven men were killed and one injured and five escaped unhurt when a stick of dynamite exploded in a log driver's skiff on Lac Creux, sixty miles from here on Saturday.

The dead are: George Aube, Joseph Imbault, Emmanuel Touchet, Edouard Gagnon, Jules Bilodeau, Henri Bilodeau and Henry

E. C. Stevens Looks For Rush This Year to Queen Charlotte

Group Which Was Recently Bonded

group of claims on Kootenay Inlet, the case toppling down and carwhich was recently taken over by ries her off to safety. Irving Pithe Haida Gold Mining Co., Mr. chel, another well known screen Stevens says that, following a mill actor, also has an important part test recently made, he had an ur- in the cast. gent wire to go south. He sent Mrs. Stevens instead and she went off on the last trip of the Prince John.

Two tunnels are to be driven on the property by residents of the islands, one 200 feet long and the other 150 feet, both of which are expected to cut three of the veins on the property.

There are, in all, eight main veins The Vancouver tugboat Master. above the sea. Over a mile of ore- tanks. bearing veins are exposed and, on , a recent flight, aviators reported that they could see the veins plainly from 500 feet in the air. They are on the contact between the limestone and volcanic tuff.

The Beatrice H. has been chartered by the company for work in connection with the mine.

Mr. Stevens has also received an offer for a gold and silver property he owns on Cumshewa Inlet. Mrs. Stevens will deal with it while she Holiday. Get Your Foodstuffs From is in the south. The property was favorably reported on by the district engineer recently.

Speaking of the black sands, from which mining men have for GINGER SNAPSyears been trying to extract the gold but which so far have defied profitable operation. Mr. Stevens said he felt sure there was a big from which the fine gold comes, This would be up one of the small rivers flowing to that part of the
