British Compromise Plan for Money Stabilization Thrown Out by Economic Parley

Representatives of Great Britain and European Gold Bloc Decide to Appeal to Washington—American Capital Still Inactive Regarding Problem

LONDON, June29: (Canadian Press)—An eagerly awaited British compromise plan for the solution of the stabilization crisis of the world economic conference was heaved overboard in a meeting this evening with European gold bloc countries, responsibility for a way out being laid on the doorstep of Washington. Representatives of Great Britain and the European bloc decided to appeal to Washington for assistance in overcoming the stabilization problem. The British compromise had been offered with a view to meeting an ultimatum from the gold standard nations, headed by France, which demanded currency stabilization as the price of their remaining in the conference.

Grain Interests Being Informed—Must Handle Minimum Amount of Grain

Press dispatches state that the Montreal Corn Exchange has been informed by the Board of Grain Commissioners that tenders will be received up to July 10 for the lease of the federal government's terminal grain elevator at Prince Rupert.

One of the provisos in connection with the new lease is that wheat to at least the 1,250,000 capacity must be handled through the house annually. Under the present lease no proviso is made as to the minimum amount of grain to be handled annually.

There is no intimation here as to whether or not the Alberta Wheat Pool will seek to renew its lease.

Handling some 25 tons of ore per day from the Surf Point mine, the mill will be going into production any day now.

The Eddy Pass mine will give two or three days' work monthly to the Surf Point mill, Mr. Patterson's intention being to increase his crew to three or four men as soon as some eighty tons of ore he now has ready for milling is removed. This ore has been taken out by Mr. Patterson and one assistant since the first of the year. MONTREAL, June 29: (CP) Billy Townsend of Vancouver scored a technical knockout in the second of a scheduled ten round bout over Stanislaus Louyze of Chili here last night.

ELKS WIN SOFTBALL

By defeating the Empress last night, the Elks cinched the first half of the City Softball League and the second half will get under way on July 4.

The Elks won from the Empress 12 to 4. The Elks were hitting heavily and also playing good ball in the field. The Empress, having signed on some new players, turned in a good game but had a blow-up in the fifth inning when the Elks scored six runs. Johnson and Stone played well for the Elks while Postulo and Yager were good for the Empress.

A double-header game will be played tonight to clear up the outstanding games of the first half and, on Sunday night, two picked teams of the league will play an exhibition game for the benefit of one of the players. This should be exceptionally good as the best of the six teams will be picked for this game.

At a committee meeting, held on Tuesday night, it was decided that the double-header Sunday games would be played in the evening instead of in the afternoon, in this way giving picnickers a chance to get back for the games.

The second half schedule follows:
July 4—C. N. R. A. vs. Empress.
July 6—Grotto vs. Elks.
July 9—C. N. R. A. vs. Grotto; Navy vs. Kaiens.

SPORT CHAT

One of the features of the Dominion Day celebrations will be the Junior Football game Saturday afternoon. This will give a good opportunity to see the young footballers in action. The Junior League this year has been a very keenly fought out competition, a play-off having been necessary with High School just beating out Booth by the only goal of the game. The teams for Saturday's game are picked from the players who took part in the Junior League season just finished and they appear to be exceptionally well matched.

Possibly the Borden forward line is the better but the Booth defence looks very strong on paper. Borden team will be selected from Annesley; Currie, Mah; Naylor, Veitch, B. O'Neill; Lindsay, Houston, Campbell, Shrubsall, Irvine; Houston and Jones being spares. The Booth team will be selected from Gay; Nelson, Ritchie; Matsumoto, Eby, McGreish; Cameron, MacDonald, Cousi, McLeod, McMeekin; Hale and R. Ritchie spares.

Our civilization depends on our spiritual ideals.—Lady Astor.

WORKLESS MEETING

Saving of Homes From Tax Sale Chief Subject of Discussion

The meeting of the Unemployed Councils held last night in the Canadian Labor Defence League Hall was well attended.

The protest against low wages containing 1200 signatures was ordered to be sent to the Minister of Labor at Ottawa and Olof Hanson M.P. for Skeena, notified.

The special business of the meeting was to discuss the predicament of many unemployed ratepayers who stand to lose their homes due to inability to pay taxes. After considerable discussion, it was decided to seek the cooperation of other labor organizations and a meeting of delegates will be called at an early date to consider how best to stop these threatened proceedings and present the views to a mass meeting of citizens.

The proposed road up Mount Oldfield was discussed and condemned as being of no utility value, it being merely a winter playground. It should, therefore, be built by those who can afford to use it or be paid for at standard rate of wages.

A vote of thanks was rendered to Frank Stevens of the Knox Hotel for his donation of a handsome twelve-volume encyclopedia for the use of the unemployed.

Oscar Larson occupied the chair.

Mrs. Irwin Bruyn and family, who have been spending some time in the south, returned from Vancouver on the Prince Rupert yesterday morning.

Presbyterian Tea And Sale Success

Enjoyable Function Held Yesterday Afternoon at Home of Mrs. J. R. Morison

A very enjoyable and successful tea and sale of home cooking was held yesterday afternoon by the Ladies' Aid of First Presbyterian Church at the home of Mrs. J. R. Morison, First Street. Many ladies called during the afternoon to patronize the affair. The rooms were prettily decorated with flowers and foliage.

Mrs. Morison was assisted in receiving the guests by Mrs. D. McD Hunter, president of the Ladies' Aid, and Mrs. W. D. Grant Hollingworth, wife of the pastor. The tea room was in charge of Mrs. J. M. Walker assisted by Miss Jennie Watson, Mrs. Rod Morrison and Mrs. H. M. Foote. Mrs. M. McRobbie and Mrs. J. W. McKinley poured and Mrs. D. McLeod acted as cashier. The home cooking table was in charge of Mrs. C. G. Ham and Mrs. Robert Cameron.

Two Young Men Are Drowned in Lake in Cariboo

WILLIAMS LAKE, June 29: (Canadian Press)—Alex Marshall, aged 30, and Edmund Hutton, 23, of Alexis Creek, were drowned in Puntzi Lake, about sixty-five miles south of here, when a sailboat upset in a squall. Mrs. Marshall clung to the boat and drifted safely ashore after being in the water for seven hours. The bodies have not yet been recovered.

Mrs. E. C. Stevens of Skidegate, after a business trip to Vancouver, returned to her home on the Queen Charlotte Islands by the steamer Prince John this week.

ISLANDS ARE BUSY

Moresby Island Particularly Active With Various Industries Operating

With three logging camps the T. A. Kelley Logging Co. at Atli Inlet, the J. R. Morgan Logging Co. at Crescent Inlet and the A. P. Allison Co. at Queen Charlotte City, operating at full blast; the Consolidated Whaling Corporation's whaling station at Rose Harbor going strong after having been idle for two years and several gold mines in operation with many prospectors in the field on both the east and west coasts, Moresby Island of the Queen Charlotte group is having a busier season this summer than in several years past.

As far as the fishing industry on the Queen Charlotte Islands is concerned, there have been many trollers out both on the Hippo and North Island groups and, despite contrary reports, the fishermen who are willing to work are finding operations at least moderately profitable, the price for red springs ranging from 6½c. to 8c. The trolling fleet from Hippo have been moving to North Island where the fishing has been better. The fact that it is an off year for pinks and chums and that no salmon canneries will be in operation will make Massett Inlet quiet.
