ROOSEVELT PROGRAM GETS STARTED

ONE HUNDRED MEN TO WORK ON USK MINING PROPERTY

Extensive Program of Development and Mill Construction Planned

As Soon as Snow is Sufficiently Gone, Fifty to Sixty Men Will be Employed, Force to be Increased in Summer, Capt. John Willman Announces

As soon as snow is sufficiently gone to permit of supplies being packed up to this well known property, the Columario Consolidated Gold Mines Limited will institute a season's development program on its mine near Usk which, before the summer is passed, will involve the employment of some one hundred men, it is announced by

John Willman, manager of the property, who is a visitor in the city today on business. In about a month's time it is expected that conditions will permit of actual mine development work, which will employ some fifty or sixty men, being started. Later in the summer construction of the mill will start when the full crew of one hundred or so men will be at work. It will be a seventy-five or one hundred ton mill; the exact type of which has not yet been definitely decided upon pending further treatment tests. It is expected to have the mill in operation before the end of the year.

Necessary financing arrangements for the extensive development program and mill construction have now been completed. The installation of the mill has been contemplated for some time but it had not been considered previously that general economic conditions warranted a start being made on the project.

Capt. Willman, who arrived in the city from the interior on last night's train and will return to Usk tonight, states that there is still some eight feet of snow on the ground at the mine, the buildings being at present virtually buried. Above the 2000-foot level only yesterday did the snow show any signs of moving.

Chief Operator of Telegraphs Dies Suddenly

VANCOUVER, April 21.—(Canadian Press)—Joel W. Baker, chief operator of Canadian Pacific Telegraphs here for the past twenty years and well known figure in sports and other circles, died here on Wednesday night at the age of sixty-five. He was the victim of a heart attack.

Dairy Conference Opens in Ottawa

Representatives From Various Parts of Canada in Attendance At Gathering in Capital

OTTAWA, April 21.—With representatives of dairy farms from all parts of the Dominion and officers of dairy co-operative associations in attendance, the Dominion Conference of Dairy Farming opened here.

Jew Degradation in Germany Continues

Hebrews Are Now Barred From Universities by Order of Chancellor Hitler

BERLIN, Germany, April 21.—Aryan law, which bars nearly all Jews from the civil service and degrades them to second-class citizenship, is being invoked in all German universities by Chancellor Adolf Hitler.

INTEREST RATE IS BEING CUT

OTTAWA, April 21: (CP)—A reduction of from three to two and a half percent in interest rates on savings deposits in banks and post offices as from May 1 and a reduction of from four to three and one half percent on deposits in trust corporations is announced by Hon. Edgar N. Rhodes, minister of finance.

WINNER OF MARATHON

Leslie Pawson of Rhode Island Captures Boston Event—Toronto Men Come Second and Third

BOSTON, Mass., April 21.—Leslie Pawson of Pawtucket, Rhode Island, won the thirty-seventh annual Boston Athletic Association marathon over a field of 219 runners. Dave Komonen of Toronto was second and Dick Wilding, also of Toronto, third.

Consolidated Is Extending Its Operations

Word has been received in the city that the Consolidated Mining and Smelting Company is finishing the road to Slate Creek in the Omineca district north of Fort St. James and is taking in a quantity of mining equipment with the idea of extending its operations there this coming summer. No jobs are offering there as the work is being done by old company employees from Trill.

President Roosevelt May Solve Unemployment

How Mr. Roosevelt would curb unemployment. The president of the United States suggests the establishment of huge labor camps containing 250,000 unemployed. Would put them to work setting out seedling trees.

Great Britain Not Affected By United States Withdrawal From Gold Standard Says MacDonald

VALIDATING LEGISLATION ENDORSED BY SENATE BANKING COMMITTEE AND PASSAGE EXPECTED TODAY—SILVER PARITY WOULD RESULT FROM DEBT PAYMENT PLAN—STOCK MARKET CHECKED.

NEW YORK, April 21: (Canadian Press)—Arriving here today aboard the liner Berengaria to lend his help to the campaign against what he called "unmerited poverty," Prime Minister J. Ramsay MacDonald of Great Britain said that the abandonment of the gold standard by the United States affects England "not at all as far as I am concerned." Mr. MacDonald proceeds from here to Washington to take part in economic conversations with President Franklin D. Roosevelt. He is accompanied by a party of economic experts.

Former Premier Edouard Herriot and party from France will be here early next week enroute to Washington.

WASHINGTON, D.C., April 21: (Canadian Press)—President Franklin D. Roosevelt's "controlled inflation" program started through the United States Congress today with the endorsement of the Senate banking committee. Legislation to implement the President's program was introduced in the Senate late yesterday and referred to the banking committee by which it was reported upon favorably. It is expected to be passed, probably by sundown today.

The program gives the President broad discretionary powers to arrange with the federal reserve system for the purchase of up to three billion dollars of government obligations now held by reserve member banks and thus release that amount of money into commercial credit channels. Should that arrangement not be possible, the President would be given authority to issue three billion dollars in currency to buy the government obligations, reduce the gold content of the American dollar by fifty percent or accept up to \$100,000,000 on war debt pay-

ments in silver at fifty cents per ounce.

Speaker Rainey said at a press conference today that the administration's proposal to accept \$100,000,000 in silver on war debts from foreign nations would result in "the placing of silver on a sixteen to one basis" with gold. Stock Market Checked NEW YORK, April 21: (Canadian Press)—Following the heaviest single day's trading in three years yesterday when 7,130,000 shares changed hands, commodity issues recording gains of from one to nine points during the day, financial markets halted to take their bearings. (Continued on Page Four)

HIS BODY IS FOUND

Verdict of Death by Suicide Returned in Case of Interior Mine Watchman

Divisional headquarters of the provincial police here have been informed that the body of Walter A. Lewis, 56, watchman at the Owen Lake mine in the interior, who had been missing since January, has been found by a search party led by Constable Malcolm Martin of Smithers. There was a 22-calibre rifle bullet in the head, a coroner's jury sitting at Houston on Thursday returning a verdict of death by suicide in connection with the case.

A search had been made for Lewis in January but his body was, apparently, covered by snow at that time. Deceased was unmarried and a Canadian by birth.

NO HALIBUT YESTERDAY No boats being in with catches, there was no sale of halibut on the local Fish Exchange yesterday.

PAYMENTS OF DEBTS WITH GOODS URGED BY ITALIAN DUCE

ROME, April 21:—Premier Benito Mussolini suggested the payment of international debts with exchange of goods or services in a speech at the inaugural meeting of the inter-parliamentary commercial conference.

Lillooet Member and Deputy Conservative Whip is Latest To Quit Sinking Tolmie Ship

VICTORIA, April 21: (Canadian Press)—E. C. Carson, M. L. A. for Cariboo and deputy Conservative whip in the Legislature, in a letter to Premier S. F. Tolmie says:

"While I shall always entertain for your personally the highest respect, I cannot support your leadership of the government of British Columbia.

"I feel that the present situation in British Columbia demands extremely able leadership and a new and progressive line of policy in many directions.

Daughter of British Museum Official is Married in England

LONDON, April 21.—Miss Margaret Binyon, daughter of Lawrence Binyon, keeper of prints and drawings in the British Museum, was married to Humphrey Higgins at St. George's Church in Bloombury.

WORKING ON FIRST MINE

A. J. Gordon Has Mill on Early Bird Group on Moresby Island

SKIDEGATE, April 21:—A. J. Gordon of Skidegate has taken over the Early Bird group of gold claims at Gold Harbor, Moresby Island, and has a three-stamp mill installed, which is operated by water power.

The claim has recently turned out \$17,000 in gold. It is the same mine from which the Hudson Bay Company many years ago took eight thousand ounces of gold and is said to be the first gold mine discovered in British Columbia.

Mr. Gordon is taking out a crew of men soon to commence spring operations at the mine and it is expected that others will be operating in the same neighborhood.

Halibut Arrivals

DEFINITE PLAN OF ACTION

The policy enunciated by T. D. Pattullo in his nomination acceptance speech indicated that he was evolving a definite plan of action to take the place of the present policy of drift. Also he favors a non-partizan policy which is likely to prove very practical. His will be a government of action. War will be made upon poverty. Industry will be encouraged.

What Mr. Pattullo did not say was that in carrying out his policy of providing work at fair wages for the unemployed, the whole of the province will benefit. Workingmen will have money to spend and merchants will be able to sell their goods. As he once said when visiting here on a former occasion: "The purchasing power must be placed once more in the hands of the people."

As long as we continue to cut down expenditures, to grind down the workers, to refuse to spend a dollar, conditions will get worse instead of better. Let the governments show the way and industry will take the cue here as is being done in the United States, and there will be an immediate improvement.

Basketball Buzz

With the locals playing the pick of the Intermediate teams here and Smithers flooring a big rangy group of players, the opening game of the Smithers-Prince Rupert High School boys' basketball series got under way Wednesday night. The Rupert boys, with flashy combination and speed, got away to a wonderful start and played circles around the visitors for the first ten minutes after which the score stood 15-3. The Smithers boys then got the hang of the basket and, with long shots, slowly crept up on the locals so that, at half time, the score stood 16-13 in favor of Rupert.

With a few changes in the line-ups of both teams, the second half started with both teams playing fast, hard ball, no team having the decided edge on the other. The Smithers team played hard, checking hard and using their forwards to the best of their advantage and were rewarded at about eight minutes to go, by scoring a penalty shot that brought them into a tie with the local quintette. Then the game started in earnest, both teams playing fast-charging ball and trying to obtain the slight margin. Morrison, playing a wonderful game for Rupert, broke loose in the last few minutes to give the locals the desired edge that they held until the final whistle blew.

Right from the opening whistle in Wednesday night's girls' game, it was apparent that the local Comets would have to be in top form to beat the visiting team. The Comets snared a slight lead of four points in the opening quarter of the game but the Smithers team retaliated as soon as they got their eye on the basket and, in the second quarter, there was not much to choose between either team and the score at half time stood at a 7-7 deadlock.

With renewed energy, the girls started off the second half with a bang. Rupert was playing a heavy-

Babe Waits His Turn

More than 10,000 of the faithful welcomed the Dodgers home at Ebbets Field, Brooklyn, and saw them lose the opening battle with the Yankees 5 to 3, despite well-nigh perfect pitching performances by Watson Clark and Joe Shaute. Photo shows Babe Ruth wrapped in blankets in the dugout as he waits to bat.

VISITORS WIN GAME

Smithers Cagers Nose Out Locals—Comets Repeat Victory—Boys' Band in Attendance

In the Exhibition Hall last night, Smithers High School boys defeated Prince Rupert High School in a fast and furious game by a score of 25 to 23. A second half rally was responsible for the victory.

The first half started with a rush with the local boys dominating the play throughout in every department of the game. The Smithersites could not get going and the score at the rest period was 19-7 for Rupert.

However, this overwhelming score did not daunt the spirit of the visitors. Smithers, eager for victory, worked hard to wipe off the first half disadvantage. They were successful in scoring baskets in the dying moments which tied the game up and then carried them to a 25-23 victory.

Lewis of Smithers played a bang-up game for the visitors while Gillis and Wingham were best for Rupert.

Girls' Game

The girls played a fast and interesting game to a 15-11 score in favor of Prince Rupert. Play was even throughout the game and only a last minute spurt saved the Comets from defeat. Score at half time was 8-8.

In the last quarter Lowe broke away to salt the same away. Lowe and Irvine were the pick of the local Comet team while Monks played a stellar game as forward for Smithers.

Individual scores were:

Boys' Game

Smithers—Lewis (6), Evans (2), O'Neil (1), Dunlop (7), Foster (2), Carpenter, McLeod (6), Warner (1), Kerr—25.
Prince Rupert—Nakamoto (2), Wingham (3), Morrison (5), Gillis (3), Smith, Ross, Tobey, Forbes—23.

Girls' Game

Smithers—Hetherington, Haan, J. Carpenter, D. Carpenter, Macintyre, Giraud (2), Monks (9), McHaffey—11.
Prince Rupert—Tite (1), Irvine (5), Steen, Morris, Smith (3), Lowe (6)—15.
Referees—A. Mitchell and J. Comadina.

The Boys' Band, under leadership of Robert Greenfield, was in attendance during the games and its selections were much appreciated and did much to enliven the proceedings. A dance followed the basketball games.

checking game and the referee had to blow personals on both teams to keep the game under control. The Comets were the first to break the tie and, for a greater part of the last half, had to be satisfied with a two-point margin. The Smithers team tried hard to tie again but was unable to do so although it had plenty of shots.

Smithers Hoop Teams to Terrace

Will Play at Strawberry Town Tonight Prior to Proceeding Home Tomorrow

VISITORS ARE ENTERTAINED

Social Activities in Connection With Visit of Smithers Hoop Teams

In connection with the visit to the city of the Smithers High School girls' and boys' basketball teams on Wednesday and Thursday of this week, there was an interesting and enjoyable program of social activity.

Wednesday afternoon the girls were entertained at a tea by Misses Connie and Credie Morgan at their home on Fifth Avenue East, visiting as well as local High School girls being present.

Wednesday night the home of Miss Maxine Heilbroner, Third Avenue, was used for a dance tendered by local High School pupils to the visitors. Music was by Mrs. J. S. Black's orchestra.

Yesterday afternoon the visitors were taken for a cruise on the harbor by Miss Edith Kergin on the power cruiser Aledor.

Also yesterday afternoon, Miss Wade Musallem, who is visiting here from Smithers, gave a tea at the home of her parents, Mr. and Mrs. N. Musallem, Fifth Avenue West.

Last night there was an enjoyable dance in the Exhibition Hall following the games, music being again by Mrs. J. S. Black's orchestra.

GREAT BRITAIN NOT AFFECTED BY UNITED STATES WITHDRAWAL FROM GOLD STANDARD SAYS MACDONALD.

FELLOWSHIP IS SUBJECT

Ed. Lipsett Gives Racy Address to Rotary Club at Its Luncheon Yesterday

Co-operation and fellowship was the subject of an interesting address at the Rotary Club weekly luncheon yesterday, George Woodland presiding.

After a number of salutes at members of the local club and humorous remarks in regard to himself, his business and affairs generally, Mr. Lipsett spoke of the effect of the fellowship which he exemplified. It made better men of all. As a charter member of the Vancouver club, he told of the fellowship there and its effect on the members and on their club work, the result of which was that they raised about ten thousand dollars a year for service work.

Hard times were mentioned. The speaker remarked that real hard times were when conditions were such that the farmer stopped feeding the cow and expected her to continue giving milk. Hard times in this part of the country were when, after an interview with the banker, a man was told to leave his statement and call again some other day.

Concluding, Mr. Lipsett again urged the value of fellowship in connection with club and other activities and kept the members happy with his witticisms.

Press Advertising Must be Maintained Says Bovril Chairman

Addressing the annual meeting of Bovril Limited in London recently, Lord Luke, Chairman of the Board, drew particular attention to the fact that, while due economy had been practised in every other department, they had not diminished their advertising. "We consider it of the utmost importance," he said, "to keep our advertising bright and persistent. At a time when purchasing power in many countries is much reduced, a policy of keeping the virtues of our product well in the public eye meets strongly with your board's approval."

Bovril is sold and advertised all over the world. Those in charge of it sales policies therefore have exceptional opportunities for gauging the benefits to be derived from consistent advertising. Lord Luke and his associates are emphatically not of that school who look upon advertising as a regrettable but necessary expense, and who argue that when sales fall off advertising expenditure should be cut proportionately. On the contrary they maintain that is the very time when one should maintain and if possible increase one's own advertising. In other words they believe in capitalizing on a competitor's weakness, and making a bold bid for that portion of his business that has been made vulnerable through his failure to defend it.

The BEST way to stop CONSTIPATION

Nothing like Fruit-a-tives

"I was in a very bad way with constipation. My stomach was off-color and I kept having headache after headache. Quite frequently I had severe pains in my joints and muscles. The general effect was very depressing. Indeed, I felt so wretched that I was about to give up work. Today my health is excellent and I certainly feel that 'Fruit-a-tives' played a large part in bringing this about. They toned up my entire system."

SALE WAS SUCCESS

Annual Spring Tea of First United Church Ladies' Aid is Attended by Large Number

Favored by beautiful weather conditions, the spring tea and sale of home cooking, sewing and candy by the Ladies' Aid of First United Church yesterday afternoon was a highly successful affair. Many ladies called during the afternoon and the financial proceeds were very satisfactory.

The guests were received in the attractively decorated hall by Mrs. J. J. Payne, president of the Ladies' Aid, and Mrs. C. D. Clarke, wife of the pastor. The spring setting was of mauve, green and yellow with a background of green trellis work. There was a profusion of daffodils in the tea room, the pouring table being centred with a large basket of these yellow blossoms. Mrs. M. A. Thomas, Mrs. Moore, Mrs. W. H. Kergin and Mrs. G. A. Edgecombe poured.

A fine program of instrumental music which was rendered during the afternoon included piano and violin duets by Misses Phyllis and Aileen Hamblin and selections by the Junior Symphony Orchestra.

The ladies in charge were as follows:

Tea Room—Mrs. James Krikevsky, Mrs. G. V. Wilkinson, Mrs. Walter Thompson and Mrs. G. F. Davey. Serviteurs—Miss E. M. Earl, Miss McGregor, Miss Victoria Krikevsky, Mrs. D. R. Barclay, Mrs. Merrill Sollows, and Mrs. Rajohn Moore. Cashier—Mrs. T. J. Shen-ton.

Fancy Work—Mrs. D. Santerbane, Mrs. Hugh Killin, Mrs. Clavring and Miss Dorothy Styles.

Plain Sewing—Mrs. George Wilson and Mrs. George Cicconne.

Baby Booth—Mrs. T. W. Silver-sides and Mrs. N. Thomas.

Candy—Miss D. Sharpe and Miss Peggy Smith.

Home Cooking—Mrs. Frank Vickers, Mrs. Lance Styles, Mrs. W. B. Cornish and Mrs. J. S. Irvine.

FAIRBANKS FILM HERE

Romance and Adventure Laid Against Background of South Sea Beauty

Douglas Fairbanks' picture "Mr. Robinson Crusoe," coming to the Capitol Theatre this week-end, is adventurous in the extreme, highly romantic and one of the most beautiful compositions ever to come to the screen.

The picture was made in its entirety in the South Seas. With the exception of four principal players, natives are seen in most of the action, and these natural actors demonstrate anew that drama is instinctive with them.

"Mr. Robinson Crusoe" concerns itself with an adventurous young sportsman who makes a wager that he can subsist upon a desert island with no assistance from civilization. In other words, he can successfully duplicate the life of Defoe's famous character. Not only does he succeed in winning his bet, but he unearths several other complications, such as a hand-to-hand conflict with a head-hunter, battles with cannibals and the capture of a beautiful native maiden in one of his traps.

Fairbanks is, of course, the main-spring of the picture. Maria Alba is his leading woman, and William Farnum exerts his villainous touch here and there.

It's BETTER and You can Prove It

ST. CHARLES MILK improves all Soups and Creamed Sauces!

Thousands of thrifty housewives know that they now can get that rich, creamy blandness in their cooking without overstepping the dictates of economy. The use of Borden's St. Charles Milk gives that added touch of delicious richness, not only to cream soups and sauces, but to every recipe that calls for milk.

Borden's ST. CHARLES MILK

St. Charles is a B.C. product made in S. Sumas, B.C.

UNSWEETENED EVAPORATED MILK
