ANOTHER SHARP EARTHQUAKE SHOCK IN LOS ANGELES

One Death Is Caused By Disturbance This Morning Down Coast

Four Others Injured and Slight Property Damage Done—
All Schools of California City Closed Pending
Examination by Engineers

LOS ANGELES, Oct. 2: (CP)—A short, sharp earthquake shock which rocked Southern California early this morning resulted in one death, injury to four others and light property damage. Against the possibility of further and more severe disturbances, all Los Angeles public schools have been ordered closed until engineers can examine the structures with respect to their safety. Considerable alarm was caused by today's shock.

BANKS TO RE-OPEN

Deposits of Seven Billion Dollars
Will be Freed When 375 Institutions in States Resume

WASHINGTON, D.C., Oct. 2:—Three hundred and seventy-five national banks in thirty-seven different states which have been closed since the bank holiday of last March will be re-opened almost immediately and the Department of the Treasury is now working on plans to reorganize and re-open hundreds more banks under President Franklin D. Roosevelt's inflation program. It was announced at the week-end.

The opening of the 375 banks will result in the releasing of some \$7,000,000,000 of deposits which have been "frozen" for the past six months.

IS LAID AT REST

Military and Masonic Honors Accorded
Late William Bell This
Afternoon

Military and Masonic honors were accorded deceased at the funeral of the late William A. Bell which took place this afternoon from the chapel of the B.C. Undertakers to Fairview Cemetery. Many friends of deceased were present to pay their final tributes of respect and esteem to his memory.

Following the service at the chapel which was conducted by Rev. Dr. F. W. Dafeo, pastor of First Baptist Church, with W. Vaughan Davies presiding at the organ to accompany the hymns, Timpsean Lodge, A.M. & A.M. took charge and conducted the committal service at the cemetery with J. J. Little, the worshipful master, in charge. After the Masonic burial service, the "Last Post" was sounded by Bugler William Rance as the remains were being lowered to their final resting place.

Pallbearers were J. S. Nelson, W. H. Shortridge, Robert Gordon, Robert Stuart, G. J. Dawes and Jas. Watt.

There were numerous floral offerings. Deceased served in France during the greater part of the Great War. He enlisted at Calgary November 4, 1915, with the Eighty-Ninth Battalion and served with the Second Canadian Infantry after arrival in France, later being transferred to the famous Seventh Battalion. Following the Armistice, he received his honorable discharge on May 17, 1919.

Chief Executive of States to Address
American Legion Convention and See Fair

WASHINGTON, D.C., Oct. 2:—President Franklin D. Roosevelt was speeding last night from here to Chicago by special train to attend and address the annual convention of the American Legion at which it is expected 200,000 veterans will assemble today. The president, who is accompanied by Mrs. Roosevelt, was expected to reach Chicago at noon today. He will spend only a few hours in that city, paying a hurried visit to the Century of Progress Exposition, and will be in New York tomorrow to speak before a convention of Catholic charities, leaving New York Wednesday on his return to Washington.

VERDICT IS CONSIDERED

Jury in Urschel Kidnapping Case
Retires in Oklahoma City—
Kelly Trial Soon

OKLAHOMA CITY, Oct. 2:—The jury in the case of five men and one woman who are on trial here in connection with the recent kidnaping of Charles Urschel, Oklahoma City millionaire, retired last Friday night to consider its verdict. The presiding judge told the jury that it could remain in deliberation during the night but that court would not be re-convened until next day to receive the verdict.

George "Machine Gun" Kelly, notorious gangster, who was taken in a surprise capture at Memphis, Tenn., last week, was brought here yesterday and lodged in the county jail under special guard and will also face trial in connection with the Urschel kidnaping, October 9 is set as the date for the opening of Kelly's trial.

Marriages Are More Numerous

Result of Lifting of Economic Depression
in United States

NEW YORK, Oct. 2:—The lifting of the economic depression in this country is apparently having the effect of increasing the number of marriages. On Saturday there were no less than 214 marriage ceremonies performed in the city, the number of licences issued during the day being 187.

After having spent a month holidaying at his home in the city, W. J. Nelson left on Saturday afternoon for Falls River to resume his duties with the Northern B.C. Power Co.

HIS DEATH IS SUDDEN

Henry Heilbroner Tragically Stricken
While Spending Week-End
At Work on Ski Cabin
Up Mountain

Was Very Popular

Lived Practically All His Life in
Prince Rupert and Was Prominent
in Athletic and
Social Life

Death coming with tragic suddenness early yesterday morning removed one of Prince Rupert's best known and most popular young men in the person of Henry Heilbroner, aged 23, son of Mr. and Mrs. Max Heilbroner of this city. A member of a party of young people who had climbed Mount Oldfield Saturday night with the intention of spending the week-end in the building of a new cabin on the skiing grounds there, he was stricken suddenly during the night with what was at first supposed to be a severe headache. Medical aid was sent for but he expired about 4 a.m. before it was possible to bring a doctor to him. Death is believed to have been the result of a hemorrhage of the brain due to exertion.

In company of Alex Mitchell and Jimmy Bremner, deceased made the climb up the mountain during the afternoon. Each had a pack of about fifty pounds and the trip up the mountainside took about an hour and a half. Bremner and Mitchell went to work on the outside of the building while deceased worked in the interior.

During supper about 6 o'clock Henry complained of a headache. Following the meal, the young people had a friendly game of bridge but ceased playing about 9:30 owing to deceased's headache becoming more intense. During the night, Henry became increasingly restless and rose to take tablets, also making himself a strong cup of tea. Mitchell rising also to help look after him. Such remedies as were available were applied and about 2 o'clock it was decided to send for a doctor. Dr. L. W. Kergin was called and the parents and police advised. Meanwhile, Henry had passed away in the arms of Alex Mitchell shortly after the doctor had been sent for.

Later in the morning the remains were brought to town. Deceased for the last year or so had been subject at times to rather severe headaches.

Born in Vancouver

Born in Vancouver, the late Henry Heilbroner had resided practically all his life in this city. He attended the local schools and spent a couple of years at Kingston Military College. During the past few years he had been associated with his father in the local jewelry business. He took a prominent part in athletic affairs such as tennis, badminton, swimming, football and track sports. He was also one of the prime movers in the Junior Chamber of Commerce organization here and was very popular in social circles.

The family will have the deep sympathy of many friends in its sad bereavement. Besides, the grieving father and mother, there is a sister, Miss Maxine Heilbroner.

Funeral arrangements are in the hands of the B. C. Undertakers. An inquiry is being held this afternoon by Deputy Coroner A. J. Lancaster.

Production Starts At Georgetown Plant and Shipment Landed

Mill is Employing Twenty Men at Present With Possibility
Of Increase—20,000 Feet of Lumber is
Being Cut Daily

The new box factory of the Georgetown Lumber & Box Co., of which W. R. McAfee and S. E. Sunbury of this city are the principals, started production last week and the first shipment of boxes from the plant was landed here Saturday. Under present conditions, there will be a payroll of twenty men at the plant but an improvement in general conditions might soon result in an increase by fifteen. At present 20,000 feet of lumber is being cut daily, all of which is being manufactured into boxes.

The company has opened its city office in part of the premises of S. D. Johnston Co. Ltd.

TROOPS ARE MOVED TO SANTIAGO, CUBA

HAVANA, Oct. 2:—Troops were being rushed yesterday by the Cuban government to Santiago, one of the important cities of the republic, following receipt of reports that a general strike was being threatened as a protest at the attitude of the San Martin government toward the interests of organized labor.

ANNOUNCE PROGRAM

C. C. F. Tells Public What It
Would Do If Put Into Power at
Forthcoming Election

VICTORIA, Oct. 2: (CP)—The council of the Co-operative Commonwealth Federation completed its party's election program at a convention here during the week-end. It concludes with: "co-operation with other provinces to obtain complete socialization of all financial machinery of the country and, if compelled by a situation of provincial emergency, to develop a purely provincial credit based on provincial resources." If elected, the party would investigate the administration of relief funds in the province under the present government.

A. F. L. SPLIT IS LOOMING

Form of General Organization to be
Threshed Out at Annual
Convention Next Week

WASHINGTON, D.C., Oct. 2:—A definite split at the annual convention of the American Federation of Labor this week looms over the question of general organization. There appears to be a definite trend of opinion towards the belief that the interests of the Federation and its members might be better served if it were reorganized along industrial lines with the component membership divisions revised along industrial instead of craft lines as at present constituted. Supporters of such a change feel that it would be of advantage if the subordinate organizations be classified according to industries such as automobile manufacturing, steel, etc. irrespective of the crafts.

MOTHER OF STARS DIES

Mrs. Margaret Talmadge Passes Away in Hollywood, a Victim of Pneumonia

HOLLYWOOD, Oct. 2.—Mrs. Margaret Talmadge, mother of the three noted moving picture stars of the silent days, Norma, Constance and Natalie Talmadge, died here Friday at the age of 60 years after a two weeks' illness with pneumonia which started with an attack of pleurisy.

The three famous daughters were at their mother's bedside at the end, Norma having flown from her home in New York and Constance from Chicago.

For many years, Mrs. Talmadge was one of the most popular and beloved figures in the moving picture colony.

The funeral took place this morning with leading lights of the moving picture industry acting as pallbearers.

BUFFALO, Oct. 2: (CP)—Buffalo Bisons, champions of the International League, defeated the Columbus Red Birds, American Association pennant winners, yesterday by a score of seven to four, tying up the Little World Series at three wins each and forcing the competition into seven games. The Bisons won the fifth game on Saturday. The series is to the best five out of nine games.

HIGH WINS OVER BOOTH

Junior Football Game on Saturday Resulted in Score of 6 to 1

	W	D	L	R	A	P
High	2	0	0	8	1	4
Borden	1	0	1	2	2	2
Booth	0	0	2	1	7	0

Kind Edward High School scored a decisive win over Booth Memorial School in the regular Junior Football League game on Saturday by six goals to one. The game was more evenly contested than the score would indicate. Booth forwards missing two open goals and also finding Blake a very safe goalie and hard to beat. Houston, McGreish, Bob Ritchie, Irvine and Lear also played well for High while Crause, Eastman, Jack Ritchie, Cameron, McKay and Husoy showing to advantage for Booth.

From the start High found it easy to get through the Booth defence and Houston scored a fine goal to be followed by a simple shot from McGreish that Krause misjudged. Blake saved splendidly when Cameron shot after Husoy and McKay had combined nicely. McKeein added a third for High and Houston a fourth. Booth attacked and Blake did well to stop Husoy's drive and a moment later saved well from Cameron.

With the wind in their favor Booth did better in the second half and forced two corners but the ball was cleared. Then Houston scored a fifth for High. Krause did well to stop Irvine's good shot. At last Cameron had his reward when he beat Blake from close in. McKeein added a sixth for High. Husoy missed an open goal but a moment later tested Blake to the utmost. Finley shot over and then Cameron hit the upright with an open goal awaiting him. Play continued keen until the end.

High—Blake; Bob Ritchie, Unwin; Lear, McKeein, Anslow; McGreish, Grimble, Houston, Yamanaka, Irvine.

Booth—Krause; Dennis, Eastman; Manson, Jack Ritchie, Clausen; Husoy, McKay, Cameron, Croxford, Finley.

Referee, Floyd Eby; linesmen, Houston, A. Davey.

Saying that she lacked pep and didn't feel like working, a pale young office-worker recently had her blood tested by a reputable physician. This test indicated an anemic condition, as the haemoglobin content of the girl's blood was only 60%, instead of 90% to 95%, which is normal for a woman, and her red blood corpuscles count was only 3,700,000, instead of a normal count of 4,800,000.

The physician explained that the red corpuscles carry throughout the blood stream the haemoglobin, which carries the life-giving oxygen from the lungs and nutrients from the digestive organs to every cell in the body, thereby building tissues and clearing the system of poisons. Hence the health can be normal only if the haemoglobin and red corpuscles are increased.

To increase the haemoglobin and red corpuscles, the physician prescribed Dr. Williams' Pink Pills. After a month's treatment the young woman returned for a second blood test. This test showed a remarkable improvement in her blood stream—she felt full of energy and vigor.

Try other run-down people, blood-tested at the same time, had similar experiences. The physician's records of these cases furnish absolute proof that Dr. Williams' Pink Pills are remarkably efficient in revitalizing impoverished blood streams. They will do that for you. Try them. 50 cents at drug stores.

Man in the Moon

If a woman has no fault to find with her husband, he is dead.

Ananias won a reputation where there was little competition. If he had lived in Prince Rupert now he'd never have had his name handed down to posterity.

Some women make fools of men and others just show to the world what fools most of these men are.

Did you ever hear of the woman who named her husband "Twinkle Little Star." She did it because she said she was always wondering where he was.

STRIBLING LOSES LEG

Former Heavyweight Boxer Suffers Serious Injuries in Traffic Crash on Sunday

MACON, Ga., Oct. 2: (CP)—Struck by an automobile while riding a motorcycle near here Sunday, W. L. (Young) Stribling, former famous heavyweight boxer, had his left foot so badly crushed that amputation was necessary below the ankle. He also suffered a fractured hip and a possible crushed pelvis and alarm was felt last night that he might not recover from the shock.

Stribling is in the same hospital as his wife who gave birth to a child over a week ago. Mrs. Stribling sat up for the first time yesterday since her confinement but, after receiving the news of her husband's accident, was prostrated again.

Stribling had stopped on the road to talk with friends when the accident occurred.

It is estimated that a driver's average for a hole-in-one is one in every 20,000 tries.

A Brief Synopsis of Liberal Policy

HEREWITH is a brief synopsis of policy as laid down by the Liberal Party of British Columbia, in convention held in October, 1932.

Many matters of interest, not specifically set out, will require consideration. The principles enunciated are indicative of the Liberal viewpoint, and are broad enough to meet every question within provincial jurisdiction.

The Liberal Party exists as an official organization for the purpose of formulating and furthering measures that will make for the well-being of each individual member of society, and the welfare of society as a whole.

Innumerable questions, both of public and personal character, can be properly treated only through the agency of government.

Government is not an ordinary business, but carries responsibility to meet every problem arising from our complex social and economic conditions, in order that not merely a few, but all of our people may live in reasonable comfort.

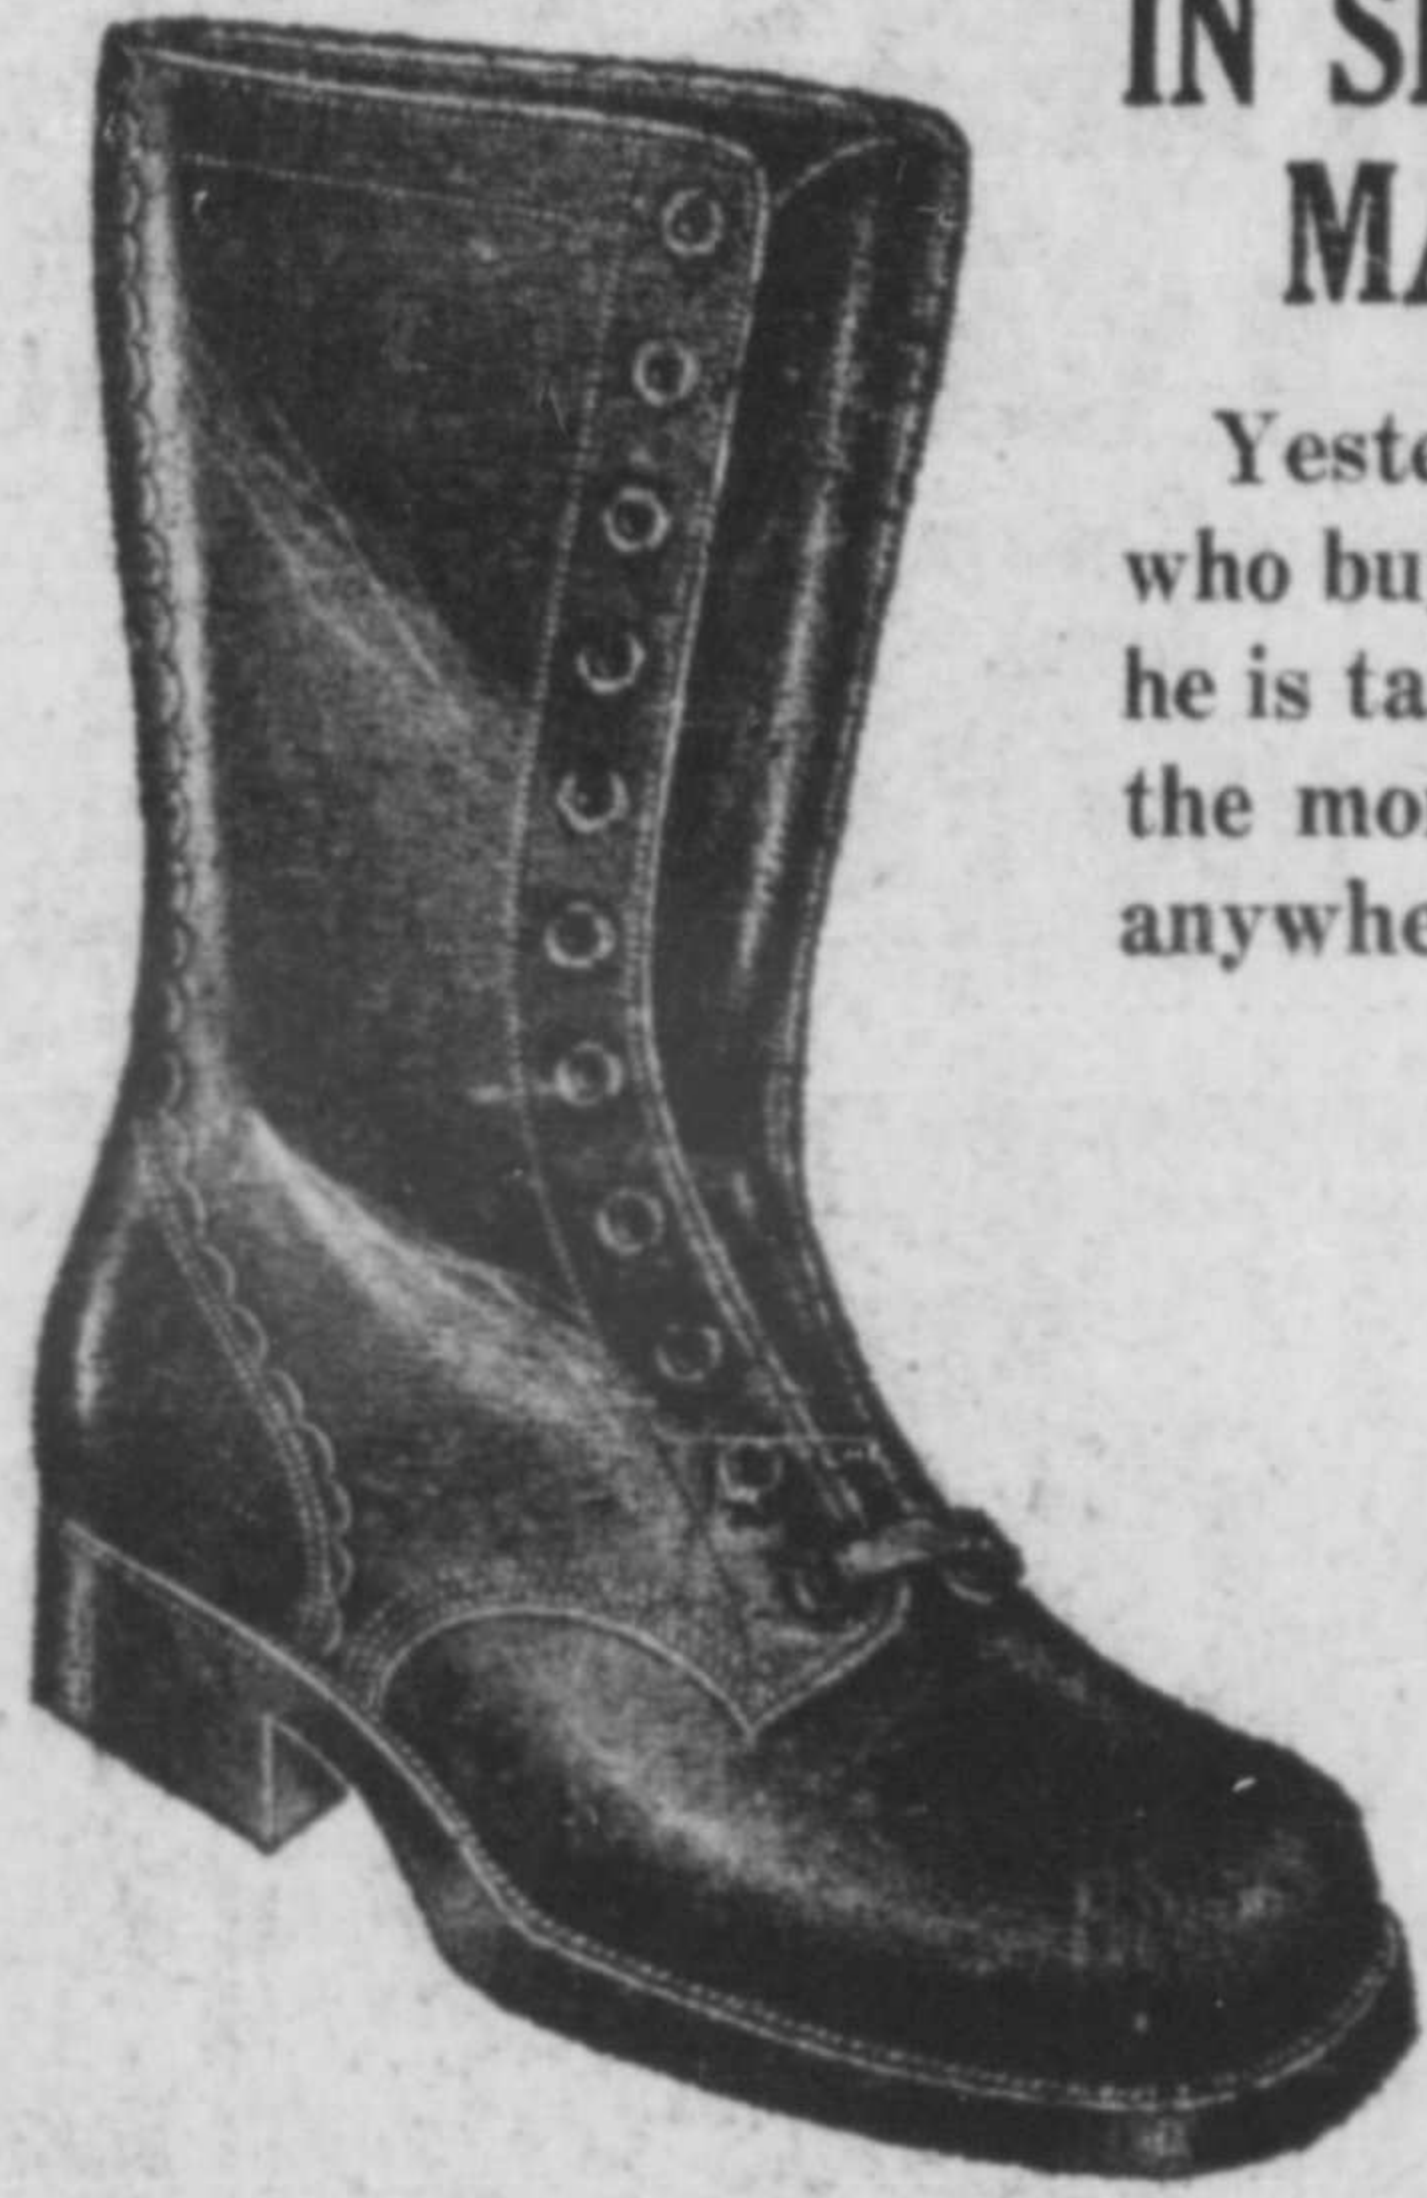

The Liberal Party pledges immediate action under the best available advice and closest study.

T. D. PATTULLO.

August, 1933.

- 1.—Profitable and permanent Employment is the most important question facing our people. There should be co-operation between the national, provincial and municipal authorities and the Canadian banking system to establish the necessary credit to carry out a broad programme of constructive and useful wage-distributing public enterprise, and to further the health, education and well-being of all our people.
- 2.—An Economic Council should be established, the membership of which shall consist of representatives of the various avenues of endeavour, such as health, education, agriculture, labour and the industries. This council will be appointed by the government on recommendation of the interests involved, and will act in an advisory capacity to the government.
- 3.—Amongst other things the council will study industrial and social effort in the province and suggest means to correlate these efforts. It will familiarize itself with intra, inter-provincial and foreign trade, and will co-operate with the other provinces and the Dominion. It will also study such questions as production and consumption, and the marketing of our products, the number of hours of work per day and days of work per week, the standard of wages and commodity prices. These questions are of national as well as provincial concern, and British Columbia can take the lead in urging co-operation with the other provinces and the Dominion as a whole.
- 4.—National Unemployment Insurance should be established upon a contributory basis.
- 5.—Our Financial position must be reviewed. Current expenditure must be kept within current revenue. While maintaining the credit of the province, effort must be made to reduce capital charges. We cannot continue to pay exorbitant rates of interest for money.
- 6.—The Taxation Structure must be revised with a view to reduction wherever possible, including exemption in the lower scale of wages and salaries.
- 7.—The health of each of us is important to the whole community, and a measure of State Health Insurance should be made effective, not only to preserve health, but to reduce costs both to the average citizen and to industry.
- 8.—A general and effective review must be made of the Educational problem, rejecting any proposed organization that involves a caste system. We must facilitate the intellectual growth of each individual member of society in order to equip him for his daily tasks, and for the enjoyment of such cultural pursuits as may be in keeping with our social customs.
- 9.—Triangular disagreements between the school boards, municipal councils and the department of education must be adjusted, and our whole system placed upon a sound financial basis.
- 10.—The financial position of our Municipalities is of increasing concern. An equitable adjustment must be made as between the province and the municipalities, and the municipalities placed in a sound financial position.
- 11.—An effort should be made to settle our Agricultural Lands in order that more of our citizens may be self-supporting. Agriculture as a whole must be put upon a sound and profitable basis, and made capable of sustaining and directing itself, in line with all other national, basic industries.
- 12.—Continuous effort should be put forth to assist industry in Marketing its products, in timber, agriculture, fishing, mining and, in fact, every operation where it appears that useful service can be rendered.
- 13.—Our highways must be kept in good condition, both for the benefit of settlers and the tourist traffic, and expanded as circumstances warrant. In this connection a Highway Board should be established to make for continuity of policy and to inspire confidence in impartial treatment.
- 14.—A Public Utilities Commission should be established.
- 15.—A National Central Bank should be established.
- 16.—Social Services, such as Mothers' Pensions, Old Age Pensions, etc., must be maintained. Abuses of administration should not be allowed, and injustice through mere technicalities should not be permitted.
- 17.—The Peace River must be given access to the Coast.
- 18.—In order that the utmost Freedom of Action by Members of the Legislature may be assured in respect of questions before the House, it is Liberal policy that a government shall be considered to be defeated only upon a straight want-of-confidence motion.
- 19.—The Dominion Government will be asked to place the Province of British Columbia upon a basis of equality with the other provinces, and to this end request will be made for a Royal Commission to ascertain the extent to which the Province of British Columbia has not been given Equality of Treatment with the Other Provinces of the Dominion.
- 20.—There shall be a permanent Voters' List to ensure that all eligible voters are enrolled.
- 21.—The Leader of the Liberal Party is given a free mandate to choose for his associates in government, men of character, ability and standing, having regard solely to the public interest.

SHOE PRICES As Low as Ever

IN SPITE OF RECENT ADVANCES MADE BY MANUFACTURERS

Yesterday we sold a pair of logging shoes to a man who buys a good many pairs in a year and knows what he is talking about. He said they were better shoes for the money than he had ever been able to buy before anywhere.

That is the story we are hearing continually by all kinds of buyers. It is the reason people keep coming back to us for shoes.

We have just received a shipment of Leckie's Boots and Shoes which are being sold at the usual low prices.

BETTER SHOES at LOWER PRICES is our motto. Follow the crowds to—

AIR FILM ON SCREEN

Richard Barthelme Star of Thrilling "Central Airport" at Capitol Theatre

Glorifying the flying heroes of peace—not of war—the air thriller "Central Airport," a powerful story which deals with the hazardous lives and the exciting loves of the hardy navigators of the air lines, comes to the Capitol Theatre here at the first of this week. The star is Richard Barthelme who plays the part of a returned war hero who pilots transcontinental passenger planes and is "grounded" after he crashes his ship with a heavy toll of life. Then he goes barn-storming with a travelling air circus and falls in love with Sally Eilers, parachute jumper. Their glamorous affair, together with a number of thrilling crashes, develops into a dramatic story. Rejected by the girl, Barthelme becomes a flying adventurer, achieving note in various parts of the world for his death-defying activities. The ending is spectacular and thrilling.

Other prominent members of the cast, besides Barthelme and Eilers, include Tom Brown and Glenda Farrell.

STAR'S NAMES AT THEATRE

Names of Those Who Were Seen in Weekly Trailer at Capitol Each Week

Following were the names of the stars in the "Know Your Stars' Voice" competition which has been running at the Capitol Theatre for the past three weeks:

First Week—Marlene Dietrich, Maurice Chevalier, Mae West, Jack Oakie, Bing Crosby, George Raft.

Second Week—Sylvia Sydney, Gary Cooper, Claudette Colbert, Richard Arlen, Carole Lombard, Charlie Ruggles.

Third Week—Kathleen Burke, Alison Skipworth, Cary Grant, Miriam Hopkins, Lona Andre, Helen Twelvetrees.

G. W. Cripps, provincial assessor, and Mrs. Cripps sailed on the Prince Rupert last night for Ocean Falls. Mr. Cripps will also visit Bella Coxa on official business and they expect to be away for two or three weeks.

LINDBERGH'S RETURNING

Famous Flying Pair Conclude Visit At Moscow and Hop to Gulf Of Finland

MOSCOW, Oct. 2.—Col. and Mrs. Charles A. Lindbergh concluded a visit of several days here on Friday when they took off for Revel, Esthonia, on the Gulf of Finland, where they were reported to have landed safely a few hours later. In view of the direction they took from here, it is now believed that they will make the return flight to the United States via Scandinavia and the northern Atlantic Ocean instead of via Spain and the Azores as had been at first expected.

the Skeena River cohoes as are not going to Inverness. Throughout the district, the trolling season is nearing its close with boats gradually withdrawing and packing services ceasing. Generally speaking, the salmon season is rapidly nearing conclusion for the year.

Armour Salvage Co.'s power tug Salvage Princess, with Capt. Joe Desmullies in command, left the latter part of last week for Burnaby Narrows, Queen Charlotte Islands, from which point she will engage in packing chum salmon to the B. C. Two Canneries Running

There are now only two salmon canneries remaining in operation in Prince Rupert district, these being Inverness on the Skeena River and Namu in the central area. The former is expected to close during the coming week. Both plants have been packing chums from the Queen Charlotte Islands and cohoes from such gillnetters as are still at work on the Skeena River and in Rivers Inlet respectively.

A fair run of chums is reported from the Queen Charlotte Islands. The Jedway saltery is in operation, taking such of the chums as are not going to Inverness and Namu canneries. Unfavorable weather conditions have been hampering fishing operations on the Islands somewhat recently.

Gillnetters in Rivers Inlet are reported to be averaging about ten fish per boat, the average on the Skeena, where about fifty boats are fishing, being about the same. The Canadian Fish & Cold Storage Co. at Prince Rupert is taking such of

"Doctor" Rosie Robot

—By Westover.

Panel 1: A man is coughing into a handkerchief. A woman asks, 'MAC, YOU OUGHT TO SEE A DOCTOR YOU HAVE AN AWFUL COLD.' The man replies, 'IT'S NOTHING, TILLIE, I'M JUST A LITTLE HOARSE. THAT'S ALL.'

Panel 2: A woman in a nurse's uniform is talking to a man sitting in a chair. She says, 'POPPA MAC, I CAN CURE YOUR HOARSENESS. THIS REMEDY IS GOOD. I'VE USED IT MYSELF.' The man replies, 'THAT'S FINE.'

Panel 3: A woman is pouring oil from a can into a man's hand. She says, 'LUBRICATING OIL! GET OUT.' The man replies, 'OPEN.'

Panel 4: A man is talking to a woman. He says, 'MAC, I HAVE ABOUT COMPLETED MY TESTS WITH ROSIE ROBOT, SHE'S A VERY REMARKABLE INVENTION.' The woman replies, 'THANKS, PROFESSOR.'

Panel 5: A man is talking to a woman. He says, 'YES I'VE GIVEN HER A LOT OF VERY SERIOUS THOUGHT, SHE'S BEEN ON MY MIND CONTINUALLY SINCE I'VE BEEN HERE.'

Panel 6: A man is talking to a woman. He says, 'I DIDN'T TELL YOU PROFESSOR ABOUT THE MIND-REGISTERING DEVICE I PUT ON ROSIE. I PRESSED A BUTTON HERE AND SHE'LL PUT INTO WORDS THE THOUGHTS THAT WERE IN YOUR MIND WHEN YOU GAVE HER THE TEST.'

Panel 7: A man is talking to a woman. He says, 'TILLIE, TILLIE, WHAT A BEAUTIFUL GIRL. I LOVE YOU, I LOVE YOU, TILLIE.' The woman replies, 'I THOUGHT SO, PROFESSOR.'
