TELLS TORONTO CANADIAN CLUB THAT TWO MAJOR TRANSPORTATION SYSTEMS SHOULD BE MERGED INTO ONE UNDER SINGLE MANAGEMENT AND UNNECESSARY SERVICES CUT OUT.

PRISONER WAS HERO

"Buster" Whiteway, Captive of R.C.M.P., Saved Companions in Northern Manitoba Crash

THE PAS, January 17:—"Buster" Whiteway, an Indian prisoner whom Royal Canadian Mounted Police were bringing to Moose Lake, northeast of here, was the hero of the airplane crash on Sunday evening in which Pilot W. A. ("Bill") Spence, well known northern flyer, lost his life.

Whiteway, himself suffering from a painfully fractured ankle, was the first of the five occupants of the plane to recover consciousness after the crash which totally wrecked the plane. He first dragged out of the wreckage his captor, Corp. R. Greaves, R.C.M.P., who sustained a broken collar bone and several fractured ribs. Next he extricated from the demolished machine John Robinson, a prospector, and W. L. Cooke, mechanic, both of whom were also injured, and the body of Spence. Then, despite his own painful injuries, he dragged himself to a trapper's cabin, some distance away, where he secured aid for other members of the party.

ALLEGED CONSERVATIVE PLOT

In a special despatch to the Vancouver Sun, Norman Senior, special correspondent for that paper in Victoria, tells of a conspiracy against the present government led by W. J. Bowser, former premier, and H. B. Thompson, until recently chairman of the liquor board and for many years a more or less silent politician pulling the strings for the men who danced on the Conservative stage.

Senior declares that these two men will declare their plans very soon and set to work to organize a new party, conservative in nature but not in name, with the hope of carrying the provincial election and preventing the Liberals coming into power under the leadership of T. D. Pattullo.

The story reads like a pipe dream and is probably in line with the various announcements said to be about to be made during the past several years by W. J. Bowser. Those who know many of the Conservatives throughout the country cannot believe they would be so easily influenced as to throw over one leader and take up another under a new name in the manner suggested by Senior. Mr. Bowser is too old to fire the imagination of the younger members of a great party. Mr. Thompson also has been influential through at least two generations. He cannot expect to be a leader to a third. Premier Tolmie may have too big a job on his hands for him to handle. He doubtless has, but he also has many admirable qualities including a genial personality that has a strong appeal to his many supporters. In ordinary times he would have made a success in the position he holds but he has not been big enough for so difficult a job. In spite of that he has a stronger hold on the average Conservative than Mr. Bowser or Mr. Thompson with their machine methods ever had. We predict that the suggested plot will never be incubated but if it is it will die aborting.

CRICKET TROUBLE

England Leading in Test Match Which Was Marred by Ill-Feeling Among Players

Larwood Offends

Injures Opponents With Leg Ball—Australian Captain Snubs English Skipper

ADELAIDE, Aust., Jan. 17: (Canadian Press)—Opening with an aggressive display of batting, England, at the close of play yesterday in the third test cricket match, had scored eighty-five runs for a loss of one wicket in the start of the second innings. Australia was able to muster a first innings total of only 222 against England's 341.

Strained relations between some of the players marred the match. Vicious bowling of Harold Larwood, top notch English cricketer, was the cause of the trouble. In this test, Larwood has been working on a leg theory that sends the ball up from the pitch with a nasty twist. Several times the ball hit W. H. Ponsford while he was batting and he finished his inning with a bad limp. W. A. Oldfield was struck on the head by one of Larwood's high bouncers. He crumpled up on the ground and was unable to take the field when the English team went to bat for the second innings.

After Saturday's play, the manager of the English team, Mr. Warner, went into the dressing room to commiserate with W. M. Woodfull, Australian captain, who was being massaged after receiving an injury from one of Larwood's balls. The Australian captain refused to speak to Mr. Warner and declared that the leg bowling of Larwood was not cricket. He thought England was playing an unsportsmanlike game. Mr. Warner then walked out of the dressing room.

The Cricket Board of Control has telegraphed all members, seeking an opinion on the leg theory. It is thought probable that the board will officially protest to the Marylebone Cricket Club.

Details of Game At Port Simpson

Grotto Lost Out in Latter Stage of Second Half Monday Night

PORT SIMPSON, Jan. 17—(Special to Daily News)—The Grotto senior team of Prince Rupert was defeated by the Young People's Educational Association here last Monday night, the score being 27-15. The game was very exciting, and clean playing by both teams was featured throughout.

The Y.P.E.A. was four points in the lead at the end of first period. The most exciting moment was when the Grotto caught up to the Y.P.E.A. in the second half, and the score was even. The visitors were out-distanced again by the local team, with 12 points in the lead at the final whistle.

The line-up and individual scoring were:
 Grotto senior team—Ratchford 4; Currie, Wendel 1; Stalker 2; Unger, Hunt 6; Morrison 2.
 Young People's Educational Association—Sankey 17; Wesley 4; Bryant 2; Tite 4; Knot and Johnson.

Sport Letter Box

PROTEST AT REPORT

Editor, Daily News:— I am writing you this letter in protest of the report regarding the Metlakatla Athletic Club-Young People's Educational Association basketball game which was played here. The detailed account which appeared in your paper on January 9, I think, is a deliberate misrepresentation of the facts regarding this game. It was stated in your paper that the visitors walked off the floor in protest of the refereeing of the local official Lawson, also that the game was very ragged and rough at times.

The following is the true account which I witnessed myself. The game was typically similar to any other basketball game except that it was exceptionally fast and both teams fought pretty hard for supremacy, the local boys clearly demonstrating their superiority. If there was any rough playing it was on the part of the visitors who, I believe, found it hard to lose after being undefeated for many years. The refereeing of the local official Lawson was fair as it was strict and the visiting players walked off the floor two minutes before the game was ended when the referee

LOCAL HOOP TEAM LOSES

Prince Rupert Put Up Great Fight in Opener at Anyox—Score of 36 to 33

Ratchford Star

Second Match Was Not so Fast and Locals Lost to Tune of 37 to 18

ANYOX, Jan. 17: (Special to Daily News)—The Grotto Senior League basketball team of Prince Rupert was defeated twice by all-star local hoop aggregation in series of two games here last week. The visitors were at a disadvantage as they had had little sleep during the previous two nights and were playing in a hall to which they were not accustomed.

Despite their handicaps, however, the Prince Rupert players turned in a fine game in the first match which they almost succeeded in winning, the score being 36 to 33 in favor of Anyox. Star players for the visitors were Ernie Ratchford, captain of the team, Morrison, one of the forwards, and Stalker, guard. Ratchford's work was a treat to watch. He is cool, quick and resourceful and a steady shot although he did not get his eye until the second half of the game. Morrison played a good game throughout but was unfortunate in injuring his leg in the closing minutes and having to retire.

The second game was more speedy than the first and Prince Rupert lost by a score of 37 to 18.

NO BILLIARDS PLAYED

No further games were played last night in the Junior Billiard League, all deferred games being further postponed.

disqualified John Smith, the star player of the Alaska team for unsportsmanlike conduct such as deliberately threatening to assault the referee. I may add that this little episode was witnessed by all the spectators. If this is what your reporter calls an exception to Lawson's decision I would like to know how foul a violation should be before the referee shall decide to disqualify a player.

You may or may not give this letter space in your worthy paper. This I leave at your discretion. In either case I wish to thank you, also to let you know that your attention is much appreciated.

WALTER A. WESLEY, Port Simpson.

DIFFICULT TO UNDERSTAND

Editor, Daily News—
Bill, Streseman, well known logger of Queen Charlotte Islands, says he is going to borrow Paul Bunyon's broad axe to hew off that famous corner around which someone said prosperity was hiding. He thinks without that corner prosperity will soon be here.

Seriously though, what the Queen Charlotte Islanders would like to know is why they get so little for what they sell and pay so much for what they buy. Here is an instance: One farmer sent out six cow hides and received in return a check for 60c, yet shoes and boots are just as high as during war time.

Another farmer shipped out ten sheep hides in return for which he received 40c, yet clothes cost just as much today as during war time.

On the prairies some of our farmer friends are burning wheat because it is cheaper to burn wheat for fuel than wood, yet 40 years ago the Hudson's Bay Company sold flour which was freighted up in canoes cheaper than it is sold today.

Coffee is higher today than it was 40 years ago, yet in Brazil it is cheaper to fire locomotives with coffee than with coal.

Why is such a condition allowed in this our Canada, so called, the land of the free? Surely here are important things for our noisy politicians to look into. If not, it is up to the people to elect a government that will.

E. C. STEVENS, Skidegate.

MEETING IS HELD

First Presbyterian Church Made Good Progress During 1932

Reports Presented

Success Attended Work of All Congregational Branches

The annual congregational meeting of First Presbyterian Church was held last evening in the Church Hall, Rev. W. D. Grant Hollingworth, B.A., presiding. The reports presented by the various departments and organizations of the church showed that the past year had been one of the most encouraging in the history of the congregation. A very interesting feature and one which augurs well for the future growth and well-being of the church was the fact that so many of the reports were from organizations composed of young people and teen age boys and girls under the direction of enthusiastic and competent leaders.

Reports from the session presented by W. W. C. O'Neill and S. Massey stated that the regular services had been well attended and the membership roll increased. The congregation had made systematic plans to contribute to the general budget for the administration of the Presbyterian Church in Canada.

The session acknowledged its indebtedness to Mrs. J. W. McKinley for faithfulness in decorating the church last week with such good taste, to John E. Davey and members of Senior and Junior Choirs, and to all who contributed to the effectiveness of the church services during the year and paid special tribute to Mr. Hollingworth for his inspiring messages and faithful devotion to his congregation and also for his zeal in organizing so many new activities among the young people and the boys and girls of the congregation.

Reports Presented

Encouraging reports from the board of management were presented by the secretary, C. G. Ham, and by the congregational treasurer, H. M. Foote.

Reports from the Women's Auxiliary, prepared by Mrs. W. L. Sandison and Mrs. J. G. Steen, demonstrated once again the important work carried on by the ladies of this organization.

R. Cameron and E. J. Smith reported on behalf of the Sunday School. The school has an enrolment of 190 scholars with a staff of 22 teachers and officers.

The work of the Women's Missionary Society was reported upon by Mrs. B. Rice and Mrs. D. C. Stuart. J. D. McRae presented reports on behalf of the Westview Sunday School and Young Peoples' Bible Class.

Reports were also received from the Onelda Tuxis Square, Ellen Douglas Group C. G. I. T. (Mrs. R. Davis and Miss Dorothy O'Neill), Harmony Group, C. G. I. T. (Miss Betty Brown and Lorraine Jabour), Bluebird Group C. G. I. T. (Miss Winnie Cameron and Miss June Armour), Trail Ranger Groups, (C. G. Ham), Young Peoples' Society, Men's Recreation Club, Women's Bowling Club and Mission Band.

The following are the officers for 1932:
