## New Government Takes Steps Towards Forming of Economic Advisory Council For Province

VICTORIA, Nov. 23:-The new Pattullo government is already working on plans for the setting up of an economic and industrial advisory council which shall consist of leading representatives from industrial, business and labor fields and act in an advisory capacity to the government with a view to devising means of improving trade, business and economic affairs of the province. Social and industrial problems will also be considered.

Hon. George S. Pearson, minister of mines and labor, has plans for the establishment of the council directly in hand. Its formation was one of the principal planks in the election platform of the Liberal party.

out of the question. I got medicine which gave me only temporary relief.

"Then I thought of taking ALL-Bran. I started eating a cereal dishful two or three times a day.

"It has been over a year now since I ate that first dish of bran, but from that day to this I have had the pleasure of enjoying the proper functioning of the digestive organs.

"Thanks to ALL-BRAN. I still eat it regularly and like it better all the time."-Lester Bartholomew. (Address furnished upon request.) Constipation is usually due to

of "bulk" to exercise the inteselimination. ALL-BRAN supplies both, as well as iron for the blood.

The "bulk" in ALL-BRAN is much like that of leafy vegetables. Certainly this food is more natural than taking harmful patent medi Two tablespoonfuls daily will overcome most types of consticases. If not relieved this way, see your doctor.
