Geneva Conciliation Committee to Try At Settlement Again

Offers to Leave United States and Russia Out of Negotiations—If Not Acceptable, Will Proceed Regardless of Aggressors' Opposition

GENEVA, Jan. 19: (CP)—The conciliation committee of the League of Nations consisting of nineteen members has decided to make another effort at conciliation of the Sino-Japanese dispute before advancing to procedure regardless of the Japanese opposition. The committee has authorized its chairman to suggest that the committee

should accept the Japanese demand not to invite the United States and Russia to participate in the process of conciliation if the Japanese on their part would withdraw other objections to the committee's formula. Then the committee adjourned until Friday to give the Japanese delegates time to ask for instructions from Tokyo.

The sentiment of the committee was described as being in favor of abandoning conciliation unless Japan is disposed to accept the compromise suggestion.

Outlook For Mining in Prince Rupert District Better Than For Many Years Says Dr. Mandy

The present outlook for mining in this district is better than it has been for many years, according to Dr. J. T. Mandy, resident mining engineer. There are a great many properties on which preliminary work has been done that are just in readiness for larger operations. A great many big concerns are sending representatives to the district and it seems as if there is a big mining year ahead of us. Prince Rupert should share in that activity and it should do a great deal to alleviate the unemployed situation. Of course this is applicable particularly to gold properties.

AIMS, IDEALS AND CONDUCT

Go placidly amid the noise and the haste, and remember what peace there may be in silence.

As far as possible, without surrender, be on good terms with all persons.

Speak your truth quietly and clearly; and listen to others, even to the dull and the ignorant; they too have their story.

Avoid loud and aggressive persons; they are vexatious to the spirit.

If you compare yourselves with others you may become vain or bitter, for always there will be greater and lesser persons than yourself.

Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time.

Exercise caution in your business affairs, for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals, and everywhere life is full of heroism.

Be yourself. Especially do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment, it is as perennial as the grass.

Take kindly the counsel of the years, gracefully surrendering the things of youth.

Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with dark imaginings. Many fears are born of fatigue and loneliness.

Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe no less than the trees and the stars; you have a right to be here.

And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life, keep peace in your soul.

With all its sham, drudgery and broken dreams, it is still a beautiful world. Be cheerful. Strive to be happy.—Max Ehrmann in New York Times.

Boils So Bad Could Not Work

Mr. Wm. Davydne, Simons, Sask., writes:—"Three years ago I was troubled with boils which were so bad I could not work."

A friend told me my blood must be bad and advised me to take Burdock Blood Bitters. I didn't know any medicine could put such a sudden stop to such misery, as one bottle put the boils to an end."

Port Simpson Athletic Club Defeated in Basketball by Local Railway Team, 35-26

Big "Sonny" Stiles used his long legs and arms to advantage under the basket last night and was one of the main reasons for the Canadian National Recreation Association downing the Port Simpson Athletic Club. Simpson could not seem to hold him down, letting him get 21 of his team's 35 points to 26 for the visitors.

The Simpson boys, although beaten by nine points, a lead that the C. N. R. causers got soon after the start, hung right in there till it was all over.
Simpson took a three-point lead from the start but brilliant combination by the C. N. R. soon cut this down and the railway boys took the upper hand when they worked the ball under the basket to hold a nine-point margin at the intermission.
For a time after the breather it looked like Simpson was in for a rally when they came within five points of tying the score, only to fall down when the C. N. R. commenced hostilities again to run up a barrage of baskets which put the game on ice.
Simpson, although at a disadvantage away from home, put up a good battle. G. White turned in the best game for his side.
The whole C. N. R. A. quintet showed a good brand of play. Their guards checked like a million dollars. Stalker played his usual bang-up game while the forward combination was hard to beat.
P. S. A. C.—G. White (12), J. White (4), R. Mather (9), D. Musgrave (1), G. Green, W. White, G. Moody—26.
C. N. R. A.—Stiles (21), Morrison (4), Stalker, Smith (2), Kelsey (6), Lambie (2)—35.

Ladies' League
In a closely contested hoop battle that kept the crowd interested to the finish, the Comets, who look like they are going to get some where this half, nosed out the Amazons by running in three quick baskets in the last few minutes to win a well-earned victory 16-10.
Comets—Irvine (6), Smith (3), Morgan, Sleen (1), Tile (6), Johnson, Dickens—16.
Amazons—Boddie (4), Morris (6), Ritchie, McLeod, Davis, Harvey—10.

Intermediate Game
Tuxis decisively defeated the Merchants who fielded a weak team, in a one-sided match and put the Tuxis well in the lead for second half honors with two straight wins. The Merchants, although they worked hard, were lacking in team play and fell before their opponents onslaught, 39-15.
Tuxis—Nakamoto (8), Morrison (12), Smith (2), Santerbane (13).

BASKETBALL
January 26—Kaiens vs. Grotto; Warriors vs. Merchants; Cardinals vs. Comets; Scouts vs. Rovers.

VARIETIES OF SPORTS

Hoop Games at Simpson Developed Other Than Basketball

PORT SIMPSON, Jan. 19: (Special to Daily News)—The Grotto hoop team was in town last week and played several rugged exhibitions of basketball and, in fact, the last game they played in the Athletic Hall was a splendid display of catch as catch can, boxing, football, both soccer and rugby. In fact the only game they did not play was lacrosse as neither basketball team had brought their sticks along. Hunt of Prince Rupert suddenly became aspirant to boxing honors but, fortunately, changed his mind and so on to the end of the game all of the players suddenly became ambitious in other lines of sport excepting basketball. In order to make the game more interesting the Grotto's rushed their premier referee. To add more excitement they put Mr. "Ham" on the floor and added much more amusement to an already over amused crowd. Needless to say, the Grotto's lost out in both titles.

ENGLAND WINS CRICKET TEST

ADELAIDE, Aust., Jan. 19: (CP)—England won the third cricket test match today, defeating Australia by 338 runs.

Moxley (2), Allen (2), Hanson—36.
Merchants—Pierce (3), Ross (4), Bury, Iverson, Obata (6), Wick (2)—15.

Junior League
Rovers continued to take it on the chin. They had their share of play only to be weak under the basket, bowing to the Japanese in a closer game than the 19 to 10 score indicates.
Rovers—Willscroft (2), Iverson (5), Armstrong (1), McMeekin, Lindsay (2), MacRae, Bremner—10.
Japanese—Obata (10), Kishimoto (6), Nakamoto, Suehiro, Condo (3)—19.

REV. CLARKE IS SPEAKER

Addressed Prince Rupert Parent-Teachers' Association Last Night

The annual meeting of the Prince Rupert Parent-Teachers' Association was held last evening in the Booth Memorial School and resulted in the election of the following officers:

President, Mrs. H. B. Eastman
First Vice-President, Mrs. D. C. Stuart

Second Vice-President, Mrs. J. S. Irvine

Secretary, W. W. C. O'Neill
Treasurer, Miss S. A. Mills

Program convener, Mrs. J. G. Viereck

Membership Committee—Borden Street School, Mrs. E. B. Baker; Booth Memorial, Mrs. E. Larsen; High School, Dr. E. E. Lucas.

Social Committee conveners—Borden School, Mrs. Barber; Booth School, Mrs. Christianson.

Press correspondents, J. S. Wilson and W. W. C. O'Neill

A very hearty vote of thanks was accorded Mrs. S. V. Cox for her keen interest and enthusiastic work as president during the past year and to other retiring members of the executive.

Miss Ruth Gillies rendered piano solos in a very capable and entertaining manner.

The speaker of the evening was Rev. C. D. Clarke whose treatment of the subject, "Your Child and Mine," proved very interesting, human and sympathetic. The great responsibility of bringing up children was emphasized. From its very earliest stages the child learns and assimilates knowledge in a variety of ways often not recognized by its parents. The careful attention paid

to the physical welfare in the early months and years of the child's life frequently contrasted with the inattention paid to its mental and moral progress.

In a very understanding manner, Mr. Clarke enumerated many of the problems that parents are confronted with and asked that, in dealing with the culprits, parents adopt a sensible attitude. It was very difficult to account for many of the dislikes and likes of children but there was nearly always a special contributory factor. The child might be responsible for its actions. How one's own child acquired the objectionable habits such as swearing, smoking, chewing, things that are never done at home—"Certainly they never got it from me," say both parents—was partly explained by the fact that they were acquired from the neighbors' children and the neighbors' children got their bad ideas from our children!

It was, of course, the parents' duty to set an ideal before the children and try to enable them to attain it by example and precept. The parent who tried to be a real parent, not setting himself on a false pedestal, would be the most successful one.

Teachers' Influence

The tremendous influence that teachers can have on children was recognized. There were some teachers whom pupils were glad to forget. There were some who were just forgotten but there were many who were remembered with honor and gratitude. The responsibility of the parents in co-operating with the teachers was very real. A child

Nathan Lawson Named President

PORT SIMPSON, Jan. 19: (Special to Daily News)—The local branch of the Native Brotherhood held its meeting and elected the following for the next year's officers:

Chairman, Nathan Lawson.
Secretary, Walter A. Wesley
Treasurer, Geo. Sankey.

Much business was taken up and it is pleasing to know that all of the village of Port Simpson are members.

who heard a teacher adversely criticised by his parents was terribly handicapped. The chances of the teacher being able to help the pupil were lessened and the possibility of the child's progress was spoiled.

There was undoubtedly a much more sane attitude towards the value of punishment now-a-days than in "the good old days." Parents and teachers alike were more likely to fall in their responsibility and success in bringing up children when they must use physical force. It was necessary in some cases but only for want of a better way, which should lead, influence, direct and unfold life.

The desire to build a fence around one's child was wrong. Who build a fence shuts out more than he enclosed and the child was the sufferer. We should train the child to be a man, not a particular, and therefore a limited, kind of man. The ideal of quality should be the guide. The form would decide for itself later.

On the motion of Miss E. A. Mercer a very hearty vote of thanks was enthusiastically passed to Mr. Clarke for his interesting, helpful and enjoyable talk and to Miss Ruth Gillies for her admirable piano solo.

Put more Sunshine Days on your calendar

HOW many days in the month do you feel your best? Two or three? A dozen? You can add to the "sunshine days" by simply obeying nature's laws.

Avoid common constipation by eating a delicious cereal. Laboratory tests show Kellogg's ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to aid regularity. The "bulk" in ALL-BRAN is similar to that in leafy vegetables. In addition, ALL-BRAN contains

twice as much blood-building iron as an equal weight of beef liver.

You will find it far more pleasant to enjoy a cereal than taking patent medicines. Much wiser too. Two tablespoonfuls of Kellogg's ALL-BRAN daily will overcome most types of constipation. If not relieved this way, see your doctor. In the red-and-green package. At all grocers. Made by Kellogg in London, Ontario.

"When you're healthy, you're happy."
"How you feel—and how well you look—depends largely upon the food you eat. Be sure your diet is balanced—with sufficient 'bulk' to promote regularity."
