IS DEAD AT METLAKATLA

Mrs. Charles F. Morison Passed Away at Age of Seventy-Eight

Pioneer Woman

Born at Port Simpson—Her Life Was Part of History of District

Mrs. Odile Morison, relict of the late Charles F. Morison, passed peacefully away this morning at 1:50 o'clock at Metlakatla. Present at the bedside at the end were her daughter, Mrs. A. C. Aldous, and her son, John W. Morison, who had been in attendance on her during her lingering illness.

Mrs. Morison was born July 1, 1855 of old Hudson's Bay Co. stock at Fort Simpson, now known as Port Simpson. During her early womanhood, she taught school at the Anglican mission in Metlakatla. On August 10, 1872 she became the wife of Charles F. Morison, at that time in charge of the Hudson's Bay post at Fort Simpson. During her residence at Fort Simpson she assisted in laying the corner stone of the first church built there.

During the time of the disagreement between the late Wm. Duncar and Bishop Wm. Ridley she took an active part and was largely instrumental in holding the old Anglican Mission intact. She had the courage of her convictions and did her part fearlessly though often threatened in no mild manner by the faction opposing Bishop Ridley.

In later years, having a thorough knowledge of both languages, she undertook the translation from English to the Tsimpsian tongue of the major portion of the New Testament and the principal forms of services contained in the English Church Prayer Book which she completed most successfully. This translation was of vital assistance to early missionaries in their labor of converting the natives to the principles of Christianity. Mrs. Morison never received full credit for her work in this respect as the copies printed were published under the name of the incumbent. Without her expert knowledge in both languages a successful translation could not have been completed. She also served as interpreter.

For six months or more the late Mr. Emad had been in failing health, his illness taking a sudden turn for the worse about a fortnight ago.

A native of Zahila, Lebanon, Syria, the late Mr. Emad, after having lived in Montreal, Winnipeg and Vancouver as well as travelling extensively throughout Canada and the United States, bought real estate at the original sale of Prince Rupert town lots in 1909 and immediately came to the city, having resided here continuously since that time. He erected the Emad Block on Third Avenue in 1910 and operated therein a confectionery store until last year when he sold out the business to the Mussalem Grocery Co.

Deceased is survived by a widow in the east, a brother, Farris Emad in Toronto, a sister, Mrs. Barbaro, in Toronto, and another brother and sister in Lebanon, Syria.

Sue Min Jim May Have Been Killed For Political Reasons or With Intention of Robbery—Head Was Battered and Smashed

VICTORIA, May 25: (Canadian Press)—With his head battered and smashed, the body of Sue Min Jim, aged 32, Chinese house boy, was found early Wednesday in the basement of the home here of H. M. McGiverin by whom he was employed. He had evidently been slain on his return home late Tuesday night by an assailant who gained entrance to the man's bedroom off the basement. DIVORCES DISCUSSED

T. W. Brown Speaker at Gyro Club Luncheon on Tuesday Afternoon

Some interesting facts in regard to "The Law of Divorce" were revealed by President T. W. Brown in speaking before the Prince Rupert Gyro Club at its luncheon on Tuesday in the Boston Cafe.

Mr. Brown told how the Province of British Columbia had inherited its divorce law from the English law of 1859. Until 1857 divorce law in England had been administered by the church and, as a result, this had its effect upon the law of this province which, in some respects, might be considered antiquated.

In six provinces of Canada divorces were given by the courts while in the provinces of Quebec, Ontario and Prince Edward Island they were granted by Act of Dominion Parliament.

Scottish Dance For Parish Hall Fund is Success

James Hadden was a genial master of ceremonies.

At midnight delicious refreshments were served by a committee consisting of Mrs. Jams Simpson, Mrs. Kenneth McPhail, Mrs. W. B. Skinner and Mrs. David Scott. During the evening, Rev. Canon W. F. Rushbrook spoke briefly, thanking all present for their support of the parish hall fund. J. E. Boddie was general convenor for the affair and W. O. Vigar and George Kelsey presided at the door.

VISITORS PLEASED

Visitors to Prince Rupert express themselves as being much pleased with the general appearance of the city and particularly with the lawns and gardens. Each year sees a notable improvement in this respect. One by one the gardens are being cultivated and improved until today it is the exception to find a house without flowers or lawn or both. Some people when commencing gardening operations here feel disappointed at the result because they try to raise the same plants that do well elsewhere. Every soil and climate has to be studied. Eventually we shall develop well understood methods of cultivation and plants that succeed well. Possibly an organization may disseminate this information to newcomers so that there may be fewer disappointments. In the meantime all are doing their best to make Prince Rupert a beautiful city. The possibilities are great.

CREDIT TO GOVERNMENT

The provincial government is deserving of great praise for the work it does at the Court House grounds in giving an object lesson of what may be achieved in formal gardening. This spring the tulips and hyacinths have been excellent and the later plants will follow. Considerable favorable comment is also heard in regard to the steps being taken to improve the Government Square on Third Avenue. The police department is making great changes for the better in its corner. With general co-operation along this line we shall make progress.

Our Empire

When the pure flame that drove those valiant ones
To deeds of deathless fame for love of thee,
A mighty mother of heroic sons?
Ask of the winds that sweep thy boundless sea!

The waves that shout thy glory to the skies
They know thy power, thy pride and majesty;
But greater than all pomp and panoplies,
Burns that immortal flame of loyalty.

Keep we its fire undimmed, our courage clear,
And bright through storm and stress the years may bring,
And she shall stand supreme a thousand years;
God save our glorious empire—bless our King!

—Winifred O. Brass.

Pirates and Yankees Now Reigning in Two Circuits With Two-and-Half Game Margins

PITTSBURG, May 25—Canadian Press—League leaders improved their positions in both the National and American circuits as a result of Tuesday's and Wednesday's play. The Pittsburgh Pirates won a close victory over the Brooklyn Dodgers here yesterday to increase their margin of supremacy in the National League to two-and-a-half games over the New York Giants. The Dodgers dropped from the first to the second division, being replaced by the Cincinnati Reds who won over the Giants at Cincinnati. The Chicago Cubs, although defeating the Phillies at Cincinnati, are still in seventh place behind the Boston Braves who were idle yesterday after winning over the St. Louis Cardinals at St. Louis on Tuesday.

In the American League the New York Yankees increased their leadership to two-and-a-half games by winning over the Cleveland Indians at Yankee Stadium on Tuesday. The Chicago White Sox, shutting out the lowly Boston Red Sox at Boston on Tuesday, are now back in second place again with a mathematical lead over the Washington Senators who suffered another reverse yesterday at the hands of the Detroit Tigers. The Elks are making an appeal to all citizens to co-operate in this event. Some money will be needed to enable the Elks to carry out their plans and also their friendly co-operation will go a long way. A many parents and friends of the young people as can possibly do so are asked to be present and enjoy the occasion.

City Commissioner W. J. Alder will open the event officially and Rev. W. D. Grant Hollingworth, pastor of First Presbyterian Church, will give the address to the flag.

A big field and sports day will take place and there will be free ice cream, peanuts, etc. for all children. In the evening of the same day the May Queen will be crowned in the Exhibition Hall and this will be followed by a dance. There will also be an exhibition of tap dancing as a novelty event.

The whole celebration is one tending to develop a spirit of patriotism such as may prove very useful at a time like the present.

W. H. Manuel, C. N. R. travelling auditor, after spending a few days in the city on official duties, left by last night's train for Jasper Park enroute to Kamloops.

The Letter Box

UNEMPLOYED SPEAK

Editor, Daily News:—

One of the signs that spring is here is the unfailing regularity with which "Resident" appears. This bird is an interesting ornithological study. Some maintain he must belong to the cuckoo species. His letter in your issue of the 23rd anent road work is unspeakable, and what the unemployed think about it is

unprintable. In reply to his insinuation that we are enjoying life, I might say that we are "getting by" as well as we can, most of us making the best of a bad business, and, like the soldiers in the fall of 1918, settling down to another winter, wondering when it will all end.

To herd up gangs of angry men in camps, working full time for 20c a day, is criminal folly and is court-ing disaster. Why, even their spiri-tual welfare is neglected. If the government insist on pursuing this course we can look forward to big-ger and better assizes. As far as the

taxpayers' money is concerned, six times the amount spent on unem-ployment relief is turned over in the form of interest to the handful of people who hold government bonds. There has been no depression yet in the interest rates. Relief is cut first.

To conclude, the unemployed will be only too glad and thankful to re-sume an active part in the world's work, but they refuse further ex-ploitation for the purpose of drag-ging down living standards.

W. A. HOGG,
for Unemployed Councils.

Is Loss For North

Northern British Columbia has suffered a great loss in the demise of Mrs. Morison. During her active years she was known as a woman of affection and kindness and of being utterly fearless in pointing out right from wrong. Her efforts were tireless in her ministrations to the sick and needy.

Many a dark and stormy night had seen her faring forth, lantern in hand, to attend to some person in suffering or need and to utter words of comfort and kindly advice in times of distress. She will be sorely yearned for and missed in many a home.

Funeral arrangements are in the hands of the B. C. Undertakers and further details will be announced later.

Besides her daughter and son, the late Mrs. Aldous is survived by two grandsons, Alan and Mont Aldous of Vancouver.

Band Concert Is Enjoyable

The Prince Rupert Boys' Band, under the able baton of Bandmaster Robert Greenfield, gave pleasing recitals between shows on Monday and Tuesday evening of this week at the Capitol Theatre, the brief but splendid programs being appreciated by the audiences.

Under Bandmaster Greenfield's tutelage, the band is continuing to make marked progress. It is rapidly becoming a proficient and finished musical organization and continues, as it has been for years, to be a real credit to this city.

FIELD DAY WAS HELD

Big Program at Victoria Day Celebration at Port Simpson

The Victoria Day celebration held at Port Simpson yesterday was a great success, the weather being ideal. There were races, ball games and a dance in the evening.

The children's races were held in the forenoon. Prior to the races, two important events took place. George P. McColl, the genial postmaster and merchant, was made an honorary Wolf Clan chief of the Gindolks tribe of the Tsimshians and was named Nietalak and C. H. Gillespie, manager of Oceanic Cannery, was made an honorary chief of the Grizzly Clan and named Ligiyuan.

At noon the Spartan Athletic Club from Prince Rupert, numbering about thirty, arrived on board the F. H. Shippen and participated in the senior sports. At this time Chief Councillor David Johnson, in his native tongue, welcomed the visitors and made appropriate remarks on the occasion. This was interpreted by A. Reid. The Port Simpson Band was in attendance all day.

After the races, the ball games were held in the ball park, there being softball, baseball and football. After being introduced, Judge W. E. Fisher, president of the Spartan Athletic Club, threw the first ball with E. Dudoward catching.

The softball game went 13-2 in favor of Port Simpson.

Line-ups were:
Port Simpson—Alf Wesley, Cecil Ross, George White, H. Gray, P. Brentzen, Ed. Brentzen, H. Bryant, Phil Brentzen, Jim White.

Prince Rupert—B. Tobey, D. Arne, R. Morrison, W. Tobey, S. Stiles, R. Moxley, E. Santurbane, H. Steffensrud, C. Smith, Barber, Gillis and Cross.

The baseball ended 17-2 in favor of Port Simpson. Line-ups were similar to the softball game.

A. Reid umpired both games. The football game ended 3-2 in favor of Simpson.

Line-ups:
Port Simpson—J. White, W. Green, Solomon Gray, A. Tait, E. Bryant, Geo. White, P. Ryan, H. Bryant, C. Alexcee, Art Wesley, Cecil Ross.
Prince Rupert—Suchiro, Stiles, Morrison, Edgecombe, Bussanich, Woodside, Vaecher, Christison, Davies, Allan, Irvine.
Alexcee, H. Bryant and G. White scored for Simpson and Woodside and Christison for Rupert. Referee was J. S. Irvine.

The Spartan Athletic Club from Prince Rupert made a very creditable showing in the three ball games due to the fact that the teams were made up from its own members.

Henry Heilbronner, secretary of the Spartan Athletic Club, handled his duties in a very creditable manner, also Phil Edgecombe in managing the teams.

DIVORCE IS DISCUSSED

(Continued from page one)

States and in some foreign countries such as Mexico by merely setting up artificial residence for a short time in British Columbia, being domiciled meant having resided here with no present intention of leaving.

Mr. Brown told his listeners that a divorced wife had the right to retain the name of her husband if she so desired.

Discussing grounds for divorce, Mr. Brown stated that, in Canada, up to 1925 a woman must have stronger grounds to secure divorce from her husband than a man required to secure a divorce from his wife. Since the law has been chan-

ged whereby the grounds similar, the number of divorces had tripled. However, it was much more costly matter for a man to obtain a divorce in this country than for a woman.

While the divorce law of this country was, in many respects, old-fashioned and antiquated there were some reasons why relaxation might appear to be inadvisable, the speaker said. Rigid divorce laws, at least, the desirable effect of causing people to hesitate before embarking upon what, at best, was "dirty business."

Rigid divorce law also had a deterrent effect upon ill-considered marriages which were so easy break in some states of the United States on account of lax divorce laws with their simple procedure thus encouraging what might be termed "continuous polygamy."

Business dealt with by the included the adoption of a recommendation from the executive council of King Edward VII School to assist in the rebuilding of the tennis court there.

C. W. Dawson of Prince Rupert was a guest at the luncheon.
