Campaign For Remonetization Of Silver Seems Now Assured; Free Unlimited Coinage Urged

All Gold in Country Being Called in Except That Used For Certain Specific Purposes—Order Issued Last Night by Department of Treasury

WASHINGTON, D.C., Dec. 29: (CP)—An intensive campaign for the remonetization of silver in the United States was assured today when twenty-seven senators went on record in favor of free and unlimited coinage by the government of both gold and silver. This is a further development of the program being advocated by Senator Wheeler whereby silver would be rehabilitated on a ratio of approximately sixteen to one with gold.

Another important development in connection with the metal situation in the country took place with the issuance last night by the Treasury Department of an order for payment into the United States Treasury of all gold coins, bullion and certificates, virtually the only exception to the order being gold held by the federal reserve banks and reconstruction finance corporation together with some minor exceptions including gold being used for manufacturing purposes, professionally, etc.

The United States Treasury price of gold remained unchanged today at $34.06 per ounce as compared with $32.03 in London and $32.40 in Montreal.

Ten Inches of Snow in New York —Storms On Atlantic and Great Lakes

TORONTO, December 29 (Canadian Press)—Canada was still in the grip last night of the intense cold snap with little relief in sight unless the fact that it was raining on the Pacific Coast and much milder in British Columbia might be considered omen of an amelioration. Winnipeg reported 42 below zero yesterday while at Prince Albert it was 52 below.

The unusually cold weather was also continuing in the United States last night. In New York 34,000 men were employed in shovelling ten inches of snow from the streets. Ships were jammed in the Hudson River ice above New York. Eighteen persons were dead from the cold in Chicago. From the Maine Coast came reports of twenty-nine fishermen being missing in a storm. Salvation Army Holds Xmas Tree

Excellent Entertainment Drew Big Crowd to Citadel Wednesday Evening

The annual Christmas Tree entertainment was held at the Salvation Army Citadel on Wednesday night with Ex-Ald. P. H. Linzey in the chair and a good crowd in attendance. Capt. A. Coxson, local commandant, was in charge and an excellent program was rendered by the Sunday School children. There were also two special selections by Miss Nellie Lawrence's violin orchestra as well as musical selections by a couple of young men patients from the Prince Rupert General Hospital.

Following the program, Santa Claus visited the gathering and presented gifts and sweets to all.

Philo Vance Back On Talkie Screen

William Powell Featured in Detective Mystery This Week-end

"The Kennel Murder Case" brings William Powell to the screen of the Capitol Theatre this week-end as Philo Vance, famous detective character.

The action is swift moving, starting with the killing of a prize Scottie and involving the slaying of two men and the attempted murder of a third. Mystery piles on mystery as Philo Vance unravels the crimes in which seven suspects have both the opportunity and the motive for the killings.

There is more of romance in the underlying theme than the usual detective story including a love affair between the niece of the murdered men and a titled Englishman as well as a clandestine affair and a mad infatuation on the part of the uncle for his ward.

Playing in support of Powell are Mary Astor as his leading lady, Eugene Pallette as Sergeant Health, Ralph Morgan, Helen Vinson, Jack La Rue, Paul Cavanaugh, Robert Barrat and Arthur Hohl.
