Talk on Monetary and Tariff Questions Now to be Barred—Premier Bennett is Given Credit For Saving Gathering From Going on Rocks Altogether

LONDON, July 6: (Canadian Press)—The world economic conference is not going to break up. It will continue with monetary and tariff matters barred from discussion which leaves it but a shadow of its former self. This decision was reached after a further critical meeting of the steering committee today. To Prime Minister R. B. Bennett of Canada, for his fight against adjournment, was given a large share of credit for the fact that the conference can proceed at all.

## BACK FROM KETCHIKAN

Excursion Party of Local Sons of Norway Lodge Had Enjoyable Visit to "First City"

An excursion party of some thirty-five members of the local Sons of Norway Lodge and friends returned home yesterday afternoon aboard the fishing vessel Fredella, Capt. Ole Skog, from a very enjoyable visit to Ketchikan for the Independence Day festivities in the Alaska city as the guests of the Sons of Norway Lodge there. Departure from here had been made Monday evening.

On arrival at Ketchikan on the morning of the Fourth the local visitors were met and welcomed by President Larson and members of the Ketchikan Lodge who took them to the hotel. Later in the morning there was a parade after which the local Norwegians were shown the town in cars, proceeding to homes of various members in Ketchikan for luncheon. In the afternoon there was a baseball game between Anyox and Ketchikan as well as sports and in the evening there was a monster banquet and dance at which some three hundred persons were in attendance.

The banquet program included speeches by Vice-President Sandnes of the Ketchikan Lodge and Messrs. Tarrl and Steberg, both prominent members. President Larson and his wife rendered violin and piano duets and there were vocal solos by Mr. Sande. President Oscar Sather of the Prince Rupert Lodge and John Murvold thanked the members of the Ketchikan Lodge for the wonderful entertainment which had been accorded the local party. The tables were attractively decorated with American, Canadian and British flags as well as many cut flowers. Music for the dance was furnished by a fine six-piece orchestra.

## BIG UPSET IN TENNIS

Miss Doris Round, British Girl, Wins Way to Final at Wimbledon Against Mrs. Moody

WIMBLEDON, Eng., July 6: (Canadian Press)—Miss Dorothy Round, second ranked British girl, scored a surprising victory over Miss Helen Jacobs, United States champion, today 4-6, 6-4, 6-2 and will meet Mrs. Helen Wills Moody in the final round.

## TEAMS ARE LINING UP

New York Giants Have Commanding Lead in National League and Washington in American

PITTSBURG, July 6: (Canadian Press)—Losing a close decision to the Pittsburgh Pirates here yesterday, the St. Louis Cardinals, although still clinging to second place, lost further ground in the National League pennant race. The Cardinals are now five and a half games behind the league-leading New York Giants, who were idle yesterday, and one full game ahead of the third place Pirates.

In the American League, both first and second place Washington Senators and New York Yankees respectively were idle. The Senators now have a commanding two and a half game lead over the Yankees following the crucial series this week at Yankee Stadium. Yesterday's Big League scores:

**American League**  
 Boston 2, Philadelphia 4.  
 Chicago 10, Cleveland 6.  
 Detroit 9, St. Louis 4.

**National League**  
 Cincinnati 3, Chicago 5.  
 St. Louis 6, Pittsburgh 7.

### VINES AND CRAWFORD IN WIMBLEDON FINAL

WIMBLEDON, Eng., July 6: (CP)—Elsworth Vines of the United States and Jack Crawford of Australia will meet in the final of the Wimbledon tennis championship on Saturday. Vines yesterday defeated Henry Cochet in the semi-final 2-2, 8-6, 3-6, 6-1. Crawford defeated Jiroh Satoh of Japan 4-3, 6-4, 2-6, 6-4 in the other semi-final.

## STILL AT TERRACE

Unfavorable Weather Conditions Prevent Mattern Relief Expedition From Leaving

TERRACE, July 6:—The Mattern relief plane, "King's Brewery," which made a forced landing in a clover field on H. L. Frank's farm at Kitsumkalum at 3:30 yesterday afternoon in the course of its flight from New York to Nome where it is planned to institute an aerial search for the missing Texas world flyer, was still held here this morning on account of poor visibility and generally unfavorable weather conditions.

Following the forced landing, W. H. H. Alexander, who is pilot in charge of the relief expedition, explained that he had intended flying north from Hazelton to Fairbanks yesterday but fog made it necessary for him to alter his course and he decided to proceed to Prince Rupert in the hope of landing there. Finding no landing field on the coast, however, he turned back inland again and, after circling over a number of likely looking places, finally came down here without damage to the plane or injury to the party.

Pilot Alexander's companions are Fred Fetterman, Harold Person and Thomas Abbey. The plane passed low over Terrace at 12:15 noon on its way west and was back here at 3:30 p.m.

It is possible the plane may remain here for several days.

## PROSPECTING IS ACTIVE

"Gold Bug" Still Has Hold of People Of Queen Charlotte Islands

SKIDEGATE, July 6:—Gordon H. Jolliffe of Queen Charlotte City has brought in some splendid samples of free milling gold from his mining claims, the exact location of which is a matter of considerable speculation, Mr. Jolliffe choosing to keep silence on the matter.

Al Wiles, well known local pioneer prospector, made a trip out to the west coast recently together with Len McPhee on a gold hunting trip. Al says it is his intention to spend the remainder of the summer on the west coast.

Charles Miller, Queen Charlotte City barber, is another who has been on prospecting bent recently, returning to town with some promising quartz samples. There has been good demand locally for stock in the Hydah Gold Mines Ltd. and the Gold Harbor Gold Co. One person alone put up \$700 cash.

## Government Should Quit With Legislature It Is Declared by Grit Chief

Liberal Party Will See That This is Done When it is Returned to Power—Leader is Leaving For Peace River Which He is Sure of Winning

VANCOUVER, July 6: (Canadian Press)—Constitutional amendment by which it would be impossible for any government to continue in office after expiration of the life of the legislative assembly itself will be made by the Liberal party if and when it is returned to power, T. D. Pattullo, provincial Liberal leader, declared this morning.

Mr. Pattullo coupled his declaration with an attack on the present "unrepresentative" control of the province and announced that he would leave on Saturday for the Peace River where he was confident his party would carry the newly created seat.

Mr. Pattullo declared that there was much unrest throughout the province over the suggestion that the Tolmie administration may not call an election for several months yet.

## GOOD WORK OF STATION

New Method For Disinfecting Fishing Boats Developed By Local Scientist

A new method of disinfecting fishing vessels has been developed by the Prince Rupert Fisheries Experimental Station as the outcome of investigation of various methods of treating the boats of the halibut fleet. The new process is meeting with marked success in improving the quality of fish landed. The process is not only applicable to halibut boats but is being used by canneries and salmon boats.

Its virtue lies in its being able to kill the bacteria without attacking either the wood, metal work or gear of the boat as so many disinfectants do, in addition to which its cost is very low. It is made by adding a simple chemical substance either to sea or fresh water and spraying the mixture into the fish holds and on the decks. This disinfecting process, which was developed as a means of control in the discoloration of halibut, promises to become widely used on the Pacific coast.

Many boats in the Prince Rupert fleet are now being regularly disinfected at the plant of the Canadian Fish and Cold Storage Co. which has installed the necessary apparatus. The charge for disinfected vessels is at the present time \$3, which includes a supply of disinfectant for use at sea, but the company officials state that, if sufficient numbers of vessels avail themselves of this service, there will be a reduction in this charge.

A disinfectant plant is being installed by the Vancouver Harbor Commission and it is expected that certain of the canneries on the Skeena River will also install the necessary apparatus which is not very costly.

## Vancouver Wheat

## WEATHER IMPROVED

Believe it or not! There has been less rainfall in Prince Rupert so far this year than in the first half of 1932 and there was more sunshine in June 1933 than in the same month last year.

So far this year the precipitation in Prince Rupert has totalled 41.99 inches as compared with 44.77 inches in the first six months of 1932. The aggregate of sunshine this year to date has been 365.4 hours as against 398.6 hours in the first half of last year.

In June this year the official weather summary showed 6.3 inches of rain as compared with 4.8 inches in June 1932 while during the past month sunshine amounted to a total of 54.6 hours in comparison with 41.4 hours in June 1932.

The official weather summary for this June was as follows:  
 Sunshine, 54.6 hours.  
 Precipitation, 6.3 inches.  
 Maximum temperature, 63 on June 11.

Minimum temperature, 37 on June 7.

Mean temperature, 50.6.  
 Highest barometer reading at sea level, 30.37 on June 10.

Lowest barometer reading at sea level, 29.62 on June 8.

**NEED OF LANDING FIELD**

The arrival of the Mattern relief plane yesterday and the failure to find a landing place enacting the necessity of a flight to Terrace in order to alight safely, draws attention to the need of an airport at Prince Rupert where there will be both water and field landing. While such a landing field may be difficult to make it will be a necessity in the near future if the city is to become an air centre.

Even if it is not feasible to commence the construction of an airport now, this is the time to scour the district for a suitable site for a landing field. It does not have to be very close to the city as long as it is on the highway and with telephone communication with the city. Quite possibly it might be also used as a golf course until such time as it is used a good deal, just as is done at Hazelton.

**CHANCE FOR YOUNG MEN**

Gradually the men, who were in at the founding of Prince Rupert are passing to their reward or drifting away. Younger men are taking their places but so far these younger men have not made their influence felt in the public life of the city. Some of them have ideas and ideas which should make for the improvement of Prince Rupert.

This is a good time for the younger business men to take part in the operations of the Chamber of Commerce. There is a meeting of this organization Friday night and it would be a good thing to see some of them present.

During the coming autumn, with a revival of business, will come a revival of interest in the relations of Prince Rupert with the rest of the country. The Chamber of Commerce wields great influence and can usually command attention when individuals cannot make themselves heard. If every businessman in the city became a member of the organization much could be done. The cost is only ten dollars and the money is used in forwarding the interests of the city.

**WORK INSTEAD OF RELIEF**

The Vancouver Province is strongly advocating the provision of employment for the men who are now getting direct relief from the governments. It says: "It may be seriously questioned if the state is discharging its full duty to its citizens in providing them with a minimum of food and shelter. As matters stand, the unemployed, in spite of their dole, are getting very little out of the situation except misery and humiliation, and the state is getting no material return for the money it expends. On both sides there is a moral and social loss." And again: "What they (the unemployed) want is an opportunity to pay their way and this opportunity they should be getting."

The Province points to a movement on foot in Great Britain to provide employment and to the action of the United States in appropriating \$3,300,000,000 for federal public works and for assistance to state and municipal projects.

This is a policy this paper has advocated for some time and which we shall continue to advocate until it is carried out. We agree with the Vancouver newspaper in objecting to the government of Canada marking time while other nations are securing results through governmental action.

## BIG SPORT DAY HELD

National Holiday Fittingly Celebrated in Stewart—Full Program of Races and Games

STEWART, July 5.—Dominion Day was celebrated here with the usual vim, vigor and vitality. The weatherman was not too kind and while the rain held off, it was pretty cold upon the grounds. This did not deter the entrants in the sports, every item being well contested but it did reduce the number of spectators. The sports program commenced at 1:30 in the afternoon and was run according to schedule throughout. During the afternoon and early evening a coconaut show was operated on the grounds by Frank Bowler. This contributed considerably to the fun of the day and also helped materially to meet the expenses. O. J. Hutchings and W. S. Orr were the two clowns who kept the crowd amused with their antics and pranks.

The following is the list of events and prize winners:  
Tots' race for kiddies under school age—all entrants declared winners.

Slow bicycle race—M. McIntyre, Walter Hansen.

100-Yard Dash (Stewart only)—Henry Stewart, M. McIntyre.

Married ladies' race—Mrs. J. W. Vosburgh and Mrs. J. H. Thomas tied.

Potato race for teams of three—Hector Stewart, Eric Lee and Walter Hansen.

Thread the needle race—Miss Grace Allan and Hector Stewart, Mrs. J. W. Vosburgh and W. B. Watson.

Three-legged race—Betty Wakefield and Eric Lee, Mrs. J. W. Vosburgh and W. B. Watson.

Nail driving contest—First heat, Mrs. Wakefield, Miss G. Allan; second heat, Mrs. A. B. Armstrong, Miss Betty Jack; finals, Miss Grace Allan, Mrs. W. Wakefield.

Egg and spoon race—First heat, Mrs. J. W. Vosburgh, Larry Thornton; second heat, R. Smurthwaite (the only contestant to arrive with his egg whole); finals, R. Smurthwaite, Larry Thornton.

440-Yard relay—Stewart Superior School (Henry Stewart, Walter Hansen, M. McIntyre and Eric Lee), Premier, B.C. (A. Jobs, R. Smurthwaite, F. McAuliffe and W. B. Watson).

Maggie and Jiggs competition (17 entries)—Mrs. H. Thomey.

100-Yard dash (open)—W. B. Watson (Premier), Henry Stewart (Stewart), Frank McAuliffe (Premier).

Softball Games  
Softball—Stewart Superior School vs. Stewart town team, won by the town team with a score of 9 to 3.

Softball—Premier B.C. vs. winners of the above game, won by Stewart town team with a score of 18 to 5.

On Sunday the Premier team had its revenge, beating the Stewart team by 5 to 5.

Dominion Day closed with a big

dance in the North Star Hall run by the Stewart General Hospital board. This was one of the biggest dances held in Stewart for a long time and, while final figures are not yet available, it is certain the hospital will have netted a good sum.

The successful sports program was run by a committee consisting of James Morrice (chairman), J. Thompson, O. J. Hutchings, W. Wellings, M. P. Murphy and C. Newell. Constable L. A. Potterton was official starter, and Government Agent H. W. Dodd and E. D. Haddon of Hyder, Alaska, were official judges.

**REGIMENT LINE-UP**

## Enjoyable Bridge And Whist Party

Affair Held by Boys' Band Association Last Night at Home of Mrs. J. Iverson

At the home of Mrs. J. Iverson a very enjoyable bridge and whist party was held last night by the Prince Rupert Boys' Band Association. There were fifteen tables of cards and prize-winners were: Bridge—Ladies' first, Mrs. W. V. Tattersall sr.; consolation, Mrs. C. V. Symes; men's first, Mrs. J. G. Viereck; consolation, Mrs. Tuck. Whists—Ladies' first, Mrs. Thomas Beattie; consolation, Mrs. C. Lindseth; men's first, A. Sunde; consolation, A. Barnardson. Following cards, serving of refreshments brought a very enjoyable evening to a close.

Steve Petkovich was fined \$25, with option of fourteen days' imprisonment, by Magistrate McClymont in city police court this morning on a charge of intimidation. He is alleged to have molested Martin Perluk following the latter's arriving from Anyok where he had been working for the Grand Co.

# DEVILLED EGG SALAD

**SPLIT THE EGGS**

**LENGTHWISE**

Split six hard-boiled eggs lengthwise and remove the yolks. To the yolks add 1 1/2 teaspoonfuls of butter, 1 teaspoonful of cream, 2 table-spoonfuls of vinegar, scant teaspoonful of Colman's Mustard, pinch of cayenne and 3/4 teaspoonful of salt. Mix to form a paste. Refill the white of eggs and serve on cold-boiled spinach with mayonnaise.

Please do not forget that teaspoonful of Colman's Mustard. It is very important to the success of this salad. It brings out the true flavour, gives it a real appetizing touch. Not only salads but every kind of fish, meat, poultry, game and cheese are more interesting when eaten with this rare English mustard.

## MANY FURS PURCHASED

Goldbloom Returns From Interior With Big Purchases and Gets Shipments From North

Goldbloom, the Old Reliable, returned at the week-end from the

interior where he made some big purchases of furs. Ten thousand dollars worth came in from Fort St. James and he has also just received a very large shipment from the Yukon.

Mr. Goldbloom says that with two big fur buyers in the city this is now an important fur centre and trappers and others can depend upon getting the best possible price for their pelts. He declares that

everywhere he went in the interior he was given a hearty welcome and asked to come again.

## COUNCIL MEETING

Public Works Principal Topic For Stewart Commissioners

STEWART, July 6—Public works—street and sidewalk—constituted the main topic at the regular semi-monthly meeting of the municipal council last week. Good progress was reported on the tarvalks being constructed on Fifth Street as well as on travelling

which has been done on the lying streets. It was decided erect guard rails on some of the higher sidewalks in the residential district.

The first three readings given to a bylaw restricting use of bicycles in the village. The bylaw prohibits riding without lights and without a bell or riding upon sidewalks, and allows two people on a bicycle. Besides the usual prosecutions, the bylaw provides for temporary confiscation of offenders' bicycles. Current accounts amounting to \$18.84 and payroll amounting to \$507.00 were passed for payment.
